A Global Note may not be exchanged for another Note other than as provided in this Section 2.06(a). In connection with any transfer or exchange of Definitive Registered Notes, the Holder of such Notes shall present or surrender to the Registrar the Definitive Registered Notes duly endorsed or accompanied by a written instruction of transfer in a form satisfactory to the Registrar duly executed by such Holder or by its attorney, duly authorized in writing. In addition, in connection with a transfer or exchange of a Definitive Registered Note for a Book-Entry Interest, the Transfer Agent (copied to the Trustee) must receive a written order directing DTC to credit the account of the transferee in an amount equal to the Book-Entry Interest to be transferred or exchanged.

Upon satisfaction of all of the requirements for transfer or exchange of Book-Entry Interests in Global Notes (other than transfers of Book-Entry Interests in connection with which the transferee takes delivery thereof in the form of a Book-Entry Interest in the same Global Note) contained in this Indenture, the Transfer Agent (copied to the Trustee or the Registrar), as specified in this Section 2.06, shall endorse the Global Note(s) with any increase or decrease and instruct DTC to reflect such increase or decrease in its systems.

request to the Issuers or the Trustee prior to the Note being acquired by a protected purchaser as defined in Section 8-303 of the Uniform Commercial Code (a "*protected purchaser*") and (c) satisfies any other reasonable requirements of the Trustee. If required by the Trustee or the Issuers such Holder shall furnish an indemnity bond sufficient in the judgment of the Trustee and the Issuers to protect the Issuers the Trustee, the Authenticating Agent, Paying Agent and the Registrar from any loss that any of them may suffer if a Note is replaced. The Issuers and the Trustee may charge the Holder for their expenses in replacing a Note including, but not limited to, reasonable fees and expenses of counsel and any tax that may be imposed with respect to the replacement of such Note. In the event any such mutilated, lost, destroyed or wrongfully taken Note has become or is about to become due and payable, the Issuers in its discretion may pay such Note instead of issuing a new Note in replacement thereof.

Every replacement Note is an additional obligation of the Issuers.

The provisions of this Section 2.07 are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, lost, destroyed or wrongfully taken Notes.

Section 2.08 *Outstanding Notes.*

Notes outstanding at any time are all Notes authenticated by the Trustee or the Authenticating Agent except for those canceled by it, those delivered to it for cancellation and those described in this Section 2.08 as not outstanding. Subject to Section 12.04, a Note does not cease to be outstanding because the Issuers or an Affiliate of the Issuers holds the Note. If a Note is replaced pursuant to Section 2.07, it ceases to be outstanding unless the Trustee and the Issuers receive proof satisfactory to them that the replaced Note is held by a protected purchaser (as defined in Section 8-303 of the Uniform Commercial Code).

If the principal amount of any Note is considered paid under Section 4.01 hereof, it ceases to be outstanding and interest on it ceases to accrue.

If the Paying Agent receives (or if the Company or a Subsidiary of the Company is acting as Paying Agent and such Paying Agent segregates and holds in trust) in accordance with this Indenture, no later than 10:00 a.m. New York time on the Business Day that is a redemption date or maturity date, money sufficient to pay all principal and interest and premium, if any, payable on that date with respect to the Notes (or portions thereof) to be redeemed or maturing, as the case may be, and the Paying Agent is not prohibited from paying such amount to the Holders on that date pursuant to the terms of this Indenture, then on and after that date such Notes (or portions thereof) cease to be outstanding and interest on them ceases to accrue.

Section 2.09 *Treasury Notes.*

(a) The Issuers shall promptly notify the Trustee of any Notes owned by the Issuers or any Affiliate of the Issuers. In determining whether the Holders of the required principal amount of Notes have concurred in any direction, waiver or consent, or any amendment, modification or other change to this Indenture, Notes owned by the Company, or by any Person directly or indirectly controlling or controlled by or under direct or indirect common control with the Company, will be considered as though not outstanding, except that for the purposes of determining whether the Trustee will be protected in relying on any such direction, waiver or consent, only Notes that a Responsible Officer of the Trustee actually knows are so owned will be so disregarded.

(b) Notwithstanding any provision to the contrary in this Indenture (including Section 2.09(a) hereof), in determining whether the Holders of at least 90% of the aggregate principal amount of the then outstanding Notes have validly tendered and not withdrawn Notes in a Change of Control Offer, Notes owned by funds controlled or managed by any direct or indirect shareholder of the Issuers,

or any successor thereof, shall be deemed to be outstanding for the purposes of any change of control redemption pursuant to Section 3.11 hereof.

Section 2.10 *Temporary Notes.*

In the event that Definitive Registered Notes are to be issued under the terms of this Indenture, until such Definitive Registered Notes are ready for delivery, the Issuers may prepare and the Trustee or the Authenticating Agent, upon receipt of an Authentication Order, shall authenticate temporary Notes. Temporary Notes shall be substantially in the form of Definitive Registered Notes but may have variations that the Issuers considers appropriate for temporary Notes. Without unreasonable delay, the Issuers shall prepare and the Trustee or the Authenticating Agent, upon receipt of an Authentication Order, shall authenticate Definitive Registered Notes and deliver them in exchange for temporary Notes upon surrender of such temporary Notes at the office or agency of the Issuers, without charge to the Holder.

Section 2.11 *Cancellation.*

The Issuers at any time may deliver Notes to the Registrar for cancellation. The Trustee and the Paying Agent shall forward to the Registrar any Notes surrendered to them for registration of transfer, exchange or payment. The Registrar (or an agent authorized by the Registrar) and no one else shall cancel all Notes surrendered for registration of transfer, exchange, payment or cancellation and shall dispose of canceled Notes in accordance with its customary procedures or deliver canceled Notes to the Issuers pursuant to written direction by an Officer of the Issuers. Upon request of the Issuers, certification of the destruction of all canceled Notes shall be delivered to the Issuers. The Issuers may not issue new Notes to replace Notes it has redeemed or delivered to the Registrar for cancellation. If the Issuers shall acquire any of the Notes, such acquisition shall not operate as a redemption or satisfaction of the Indebtedness represented by such Notes, unless and until the same are surrendered to the Registrar for cancellation pursuant to this Section 2.11. Neither the Trustee nor the Authenticating Agent shall authenticate Notes in place of canceled Notes other than pursuant to the terms of this Indenture.

Section 2.12 *Defaulted Interest.*

If the Issuers default in a payment of interest on the Notes, it will pay the defaulted interest in any lawful manner plus, to the extent lawful, interest payable on the defaulted interest, to the Persons who are Holders on a subsequent special record date, in each case at the rate provided in the Notes and in Section 4.01 hereof. The Issuers will notify the Trustee in writing of the amount of defaulted interest proposed to be paid on each Note and the date of the proposed payment. The Issuers will fix or cause to be fixed each such special record date and payment date; *provided* that no such special record date may be less than 10 days prior to the related payment date for such defaulted interest. At least 15 days before the special record date, the Issuers (or, upon the written request of the Issuers, the Trustee in the name and at the expense of the Issuers) will mail or cause to be mailed to the Holders in accordance with Section 12.01 hereof a notice that states the special record date, the related payment date and the amount of such interest to be paid.

Section 2.13 *Further Issues*

(a) Subject to compliance with Section 4.04 hereof, the Issuers may from time to time issue Additional Notes ranking *pari passu* with the Initial Notes and with the same terms as to status, redemption and otherwise as such Notes (save for payment of interest accruing prior to the issue date of such Additional Notes or for the first payment of interest following the issue date of such Additional Notes). Any Additional Notes, the Initial Notes and any previously issued Additional Notes will be consolidated and treated as a single class for all purposes under this Indenture, including, without limitation, waivers, amendments, redemptions, and offers to purchase except as otherwise specified with respect to each series of Notes.

(b) Whenever it is proposed to create and issue any Additional Notes (other than Additional Notes issued on the Second Issue Date), the Issuers shall give to the Trustee not less than three Business Days' notice in writing of its intention to do so, stating the amount of Additional Notes proposed to be created and issued.

Section 2.14 *Common Codes, ISIN and CUSIP Numbers.*

The Issuers in issuing the Notes may use Common Codes, ISIN and CUSIP numbers (if then generally in use) and, if so, the Issuers shall use Common Codes, ISIN and CUSIP numbers in notices of redemption as a convenience to Holders; *provided, however*, that any such notice may state that no representation is made as to the correctness of such numbers either as printed on the Notes or as contained in any notice of a redemption and that reliance may be placed only on the other identification numbers printed on the Notes, and any such redemption shall not be affected by any defect in or omission of such numbers; *provided, further*, that if any Additional Notes are not fungible with the Notes, such Additional Notes shall have a different ISIN and/or Common Code number (or other applicable identifying number). The Issuers will promptly notify the Trustee and the Paying Agent of any change in the Common Code, ISIN or CUSIP numbers.

Section 2.15 *Currency Indemnity.*

The sole currency of account and payment for all sums payable by the Issuers under or in connection with the Notes is dollars, including damages. Any amount received or recovered in a currency other than dollars, whether as a result of, or the enforcement of, a judgment or order of a court of any jurisdiction, in the winding-up or dissolution of the Issuers or otherwise by any Holder or by the Trustee, in respect of any sum expressed to be due to it from the Issuers will only constitute a discharge to the Issuers to the extent of the dollars amount which the recipient is able to purchase with the amount so received or recovered in that other currency on the date of that receipt or recovery (or, if it is not practicable to make that purchase on that date, on the first date on which it is practicable to do so).

If that dollar amount is less than the dollar amount expressed to be due to the recipient or the Trustee under any Note, the Issuers will indemnify them against any loss sustained by such recipient or the Trustee as a result. In any event, the Issuers will indemnify the recipient or the Trustee on a joint or several basis against the cost of making any such purchase. For the purposes of this currency indemnity provision, it will be *prima facie* evidence of the matter stated therein for the Holder or the Trustee to certify in a manner reasonably satisfactory to the Issuers (indicating the sources of information used) the loss it Incurred in making any such purchase. These indemnities constitute a separate and independent obligation from the Issuers' other obligations, will give rise to a separate and independent cause of action, will apply irrespective of any waiver granted by any Holder or the Trustee (other than a waiver of the indemnities set out herein) and will continue in full force and effect despite any other judgment, order, claim or proof for a liquidated amount in respect of any sum due under any Note or to the Trustee.

Section 2.16 *Deposit of Moneys*

No later than 10:00 a.m. (New York time) on the Business Day that is an interest payment date, the maturity date of the Notes and each payment date relating to an Asset Disposition Offer or a Change of Control Offer, and on the Business Day immediately following any acceleration of the Notes pursuant to Section 6.02 hereof, the Issuers shall deposit with the Paying Agent, in immediately available funds, money in dollars sufficient to make cash payments, if any, due on such day or date, as the case may be. Subject to actual receipt of such funds as provided by this Section 2.16 by the designated Paying Agent, such Paying Agent shall remit such payment in a timely manner to the Holders on such day or date, as the case may be, to the Persons and in the manner set forth in paragraph 2 of the Notes; *provided, however*, that no Paying Agent shall be obliged to make a payment until it has received funds sufficient to make such payment. The Issuers shall promptly notify the Trustee and the Paying Agent of its failure to so act.

Section 2.17 *Agents*

(a) The rights, powers, duties and obligations and actions of each Agent under this Indenture are several and not joint or joint and several, and the Agents shall only be obliged to perform those duties expressly set out in this Indenture and shall have no implied duties.

(b) The Issuers and the Agents acknowledge and agree that in the event of a Default or Event of Default, the Trustee may, by notice in writing to the Issuers and the Agents, require that the Agents act as agents of, and take instructions exclusively from, the Trustee. Until they have received such written notice from the Trustee, the Agents shall act solely as agents of the Issuers and need have no concern for the interests of the Holders.

(c) The Agents shall hold all funds as banker subject to the terms of this Indenture and as a result, such money shall not be held in accordance with the rules established by the Financial Conduct Authority in the Financial Conduct Authority's Handbook of rules and guidance from time to time in relation to client money.

The Trustee will accept and shall be entitled to rely conclusively and without further inquiry on such Officer's Certificate and opinion of counsel as sufficient evidence of the existence and satisfaction of the conditions precedent as described in Sections 3.07 hereof, as the case may be, in which event it will be conclusive and binding on the Holders.

Section 3.02 *Selection of Notes To Be Redeemed or Repurchased.*

If less than all of the Notes are to be redeemed at any time, the Notes for redemption will be selected in accordance with the procedures of DTC, or if DTC prescribes no method of selection, then the Issuers will instruct the Trustee or the Registrar to select the Notes for redemption in compliance with the requirements of the principal securities exchange, if any, on which the Notes are listed, as certified to the Trustee or the Registrar or if the Notes are not so listed or such exchange prescribes no method of selection, then based on a method that most nearly approximates a *pro rata* selection or by lot; *provided, however*, that no Note of \$200,000 in aggregate principal amount or less shall be redeemed in part and only Notes in integral multiples of \$1,000 will be redeemed. Provisions of this Indenture that apply to Notes called for redemption also apply to portions of Notes called for redemption. (a) Other than as provided in Section 3.03(b), not less than 10 days but not more than 60 days before a date for redemption of Notes, the Issuers shall transmit a notice of redemption in accordance with Section 12.01 hereof. If such Notes are in global form, notice of redemption will be delivered to DTC for communication to the entitled account holders.

The notice shall identify the Notes to be redeemed and shall state:

Section 3.04 *Effect of Notice of Redemption.*

Once notice of redemption is delivered, Notes called for redemption cease to accrue interest, and become due and payable, on the redemption date and at the redemption price stated in the notice, *provided, however*, that any redemption notice given in respect of the redemption referred to in Section 3.07 hereof may, at the Issuers' discretion, be subject to the satisfaction of one or more conditions precedent to the extent permitted under Section 3.07. Upon surrender to the Paying Agent, the Notes shall be paid at the redemption price stated in the notice, plus accrued interest, if any, to, but not

including, the redemption date; *provided, however*, that if the redemption date is after a regular record date and on or prior to the interest payment date, the accrued interest shall be payable to the Holder of the redeemed Notes registered on the relevant record date. Failure to give notice or any defect in the notice to any Holder shall not affect the validity of the notice to any other Holder.

On and after the redemption date, interest shall cease to accrue on Notes or portions thereof called for redemption so long as the Issuers have deposited with the Paying Agent funds sufficient to pay the principal of, plus accrued and unpaid interest, if any, on, the Notes to be redeemed, unless the Paying Agent is prohibited from making such payment pursuant to the terms of this Indenture. For the avoidance of doubt, the Paying Agent and the Trustee shall be held harmless and have no liability or obligation with respect to payments or disbursements to be made by the Paying Agent and Trustee (i) for which payment instructions are not made or that are not otherwise deposited by the respective times set forth in this Section 3.05 and (ii) until they have confirmed receipt of funds sufficient to make the relevant payment.

Section 3.06 *Notes Redeemed in Part.*

Subject to the terms hereof, upon surrender of a Note that is redeemed in part, (i) in the case of a Definitive Registered Note, a new Definitive Registered Note in principal amount equal to the unredeemed portion of any Definitive Registered Note redeemed in part will be issued in the name of the Holder thereof upon cancellation of the original Definitive Registered Note and (ii) in the case of a Global Note, an appropriate notation will be made on such Note to decrease the principal amount thereof to an amount equal to the unredeemed portion thereof.

- (1) at least 60% of the original principal amount of the Notes (including the principal amount of any Additional Notes) remains outstanding after each such redemption; and

In addition, if such redemption or purchase is subject to satisfaction of one or more conditions precedent, such notice shall describe each such condition, and if applicable, shall state that, in the Issuers' discretion, the redemption date may be delayed until such time (including more than 60 days after the date the notice of redemption was mailed or delivered, including by electronic transmission) as any or all such conditions shall be satisfied or waived, or such redemption or purchase may not occur and such notice may be rescinded in the event that any or all such conditions shall not have been satisfied or waived by the redemption date, or by the redemption date as so delayed, or such notice may be rescinded at any time in the Issuers' discretion if in the good faith judgment of the Issuers any or all of such conditions will not be satisfied. In addition, the Issuers may provide in such notice that payment of the redemption price and performance of the Issuers' obligations with respect to such redemption may be performed by another Person. In no event shall the Trustee be responsible for monitoring, or charged with knowledge of, the maximum aggregate amount of the Notes eligible under this Indenture to be redeemed.

COVENANTS

Section 4.01 *Payment of Notes.*

The Issuers shall promptly pay the principal of and interest on the Notes on the dates and in the manner provided in the Notes and in this Indenture. Principal and interest shall be considered paid on the date due if on such date the Trustee or the Paying Agent holds in accordance with this Indenture money sufficient to pay all principal and interest then due and the Trustee or the Paying Agent, as the case may be, is not prohibited from paying such money to the Holders on that date pursuant to the terms of this Indenture.

(c) Notwithstanding any other provision of this Section 4.04 or Section 4.06 hereof, the Company will not, and will not permit any of its Restricted Subsidiaries to incur Priority Indebtedness, or permit any Indebtedness to become Priority Indebtedness by virtue of the granting of a Lien or by reclassifying any such Indebtedness such that it becomes Priority Indebtedness; *provided, however*, that the Company and its Restricted Subsidiaries may Incur Priority Indebtedness if on the date on which such Priority Indebtedness is Incurred, the Priority Indebtedness Ratio would have been no greater than

4.0 to 1.0 determined on a pro forma basis (including a pro forma application of the net proceeds therefrom), after giving pro forma effect to the incurrence and application of the proceeds from such Indebtedness; *provided further, however*, that the Company and its Restricted Subsidiaries may Incur Refinancing Indebtedness permitted under Section 4.04(a) and Section 4.04(b) hereof.

(d) *[Reserved]*.

(e) *[Reserved]*.

(f) For purposes of determining compliance with, and the outstanding principal amount of any particular Indebtedness Incurred pursuant to and in compliance with, this Section 4.04:

(1) in the event that Indebtedness meets the criteria of more than one of the types of Indebtedness described in Section 4.04(a) and Section 4.04(b) hereof, the Company, in its sole discretion, will classify, and may from time to time reclassify, such item of Indebtedness and only be required to include the amount and type of such Indebtedness in one of the clauses of Section 4.04(a) or Section 4.04(b) hereof; *provided* that Indebtedness Incurred on the Completion Date under Section 4.04(b)(1) cannot be reclassified;

(2) Any Indebtedness incurred following the Completion Date but on or prior to the Issue Date shall be deemed to be incurred under the provisions of this Indenture corresponding to the provisions under which such Indebtedness was originally incurred or subsequently reclassified under the Original 2025 Notes Indenture (as of the relevant date of determination thereunder and without re-testing compliance with such provisions as of the Issue Date), and to the extent such Indebtedness would not be so permitted to be incurred under this Indenture, such Indebtedness will be deemed to have been outstanding on the Completion Date, so that it is classified as permitted under Section 4.04(b)(4) hereof.

(3) all Indebtedness outstanding on the Completion Date under the Existing Credit Facility or Incurred under the New Credit Facility shall be deemed Incurred on the Completion Date under Section 4.04(b)(1) and not under Section 4.04(a) or Section 4.04(b)(4)(b) hereof;

(4) Guarantees of, or obligations in respect of letters of credit, bankers' acceptances or other similar instruments relating to, or Liens securing, Indebtedness that is otherwise included in the determination of a particular amount of Indebtedness shall not be included;

(5) if obligations in respect of letters of credit, bankers' acceptances or other similar instruments are Incurred pursuant to any Credit Facility and are being treated as Incurred pursuant to Section 4.04(b)(1), Section 4.04(b)(8), Section 4.04(b)(14) or Section 4.04(b)(16) or Section 4.04(a) hereof and the letters of credit, bankers' acceptances or other similar instruments relate to other Indebtedness, then such other Indebtedness shall not be included;

(6) the principal amount of any Disqualified Stock of the Company or a Restricted Subsidiary, or Preferred Stock of a Restricted Subsidiary, will be equal to the greater of the maximum mandatory redemption or repurchase price (not including, in either case, any redemption or repurchase premium) or the liquidation preference thereof;

(7) Indebtedness permitted by this Section 4.04 need not be permitted solely by reference to one provision permitting such Indebtedness but may be permitted in part by one such provision and in part by one or more other provisions of this covenant permitting such Indebtedness; and

(8) the amount of Indebtedness issued at a price that is less than the principal amount thereof will be equal to the amount of the liability in respect thereof determined on the basis of GAAP.

(g) Accrual of interest, accrual of dividends, the accretion of accreted value, the accretion or amortization of original issue discount, the payment of interest in the form of additional Indebtedness, the payment of dividends in the form of additional shares of Preferred Stock or Disqualified Stock or the reclassification of commitments or obligations not treated as Indebtedness due to a change in GAAP will not be deemed to be an Incurrence of Indebtedness for purposes of this Section 4.04. The amount of any Indebtedness outstanding as of any date shall be (a) the accreted value thereof in the case of any Indebtedness issued with original issue discount and (b) the principal amount, or liquidation preference thereof, in the case of any other Indebtedness.

(h) If at any time an Unrestricted Subsidiary becomes a Restricted Subsidiary, any Indebtedness of such Subsidiary shall be deemed to be Incurred by a Restricted Subsidiary as of such date (and, if such Indebtedness is not permitted to be Incurred as of such date under this Section 4.04, the Company shall be in Default of this Section 4.04).

(i) For purposes of determining compliance with any dollar-denominated restriction on the Incurrence of Indebtedness, the Dollar Equivalent of the principal amount of Indebtedness denominated in another currency shall be calculated based on the relevant currency exchange rate in effect on the date such Indebtedness was Incurred, in the case of term Indebtedness, or at the option of the Company, on the date first committed, in the case of Indebtedness Incurred under a revolving credit facility; *provided* that (a) if such Indebtedness is Incurred to refinance other Indebtedness denominated in a currency other than dollars, and such refinancing would cause the applicable dollar-denominated restriction to be exceeded if calculated at the relevant currency exchange rate in effect on the date of such refinancing, such dollar-denominated restriction shall be deemed not to have been exceeded so long as the principal amount of such Refinancing Indebtedness does not exceed the principal amount of such Indebtedness being refinanced; (b) the Dollar Equivalent of the principal amount of any such Indebtedness outstanding on the Completion Date shall be calculated based on the relevant currency exchange rate in effect on the Completion Date; and (c) if any such Indebtedness that is denominated in a currency other than dollars is subject to a Currency Agreement with respect to the currency in which such Indebtedness is denominated covering principal amount and interest payable on such Indebtedness, the amount of such Indebtedness, will be the Dollar Equivalent of the principal payment required to be made under such Currency Agreement plus the Dollar Equivalent of any premium which is at such time due and payable but is not covered by such Currency Agreement.

(j) For purposes of determining compliance with the Consolidated Net Leverage Ratio or the Priority Indebtedness Ratio on the Incurrence of Indebtedness, the Dollar Equivalent of the principal amount of Indebtedness denominated in another currency shall be calculated based on the relevant currency exchange rate in effect on the date such Indebtedness was Incurred, in the case of term Indebtedness, or at the option of the Company, the date first committed, in the case of Indebtedness Incurred under a revolving credit facility; *provided* that (a) if such Indebtedness is Incurred to refinance other Indebtedness denominated in a currency other than dollars, and such refinancing would cause the applicable dollar-denominated restriction to be exceeded if calculated at the relevant currency exchange rate in effect on the date of such refinancing, such dollar-denominated restriction shall be deemed not to have been exceeded so long as the principal amount of such Refinancing Indebtedness does not exceed the principal amount of such Indebtedness being refinanced; and (b) the Dollar Equivalent of the principal amount of any such Indebtedness outstanding on the Completion Date shall be calculated based on the relevant currency exchange rate in effect on the Completion Date.

In addition, for purposes of calculating the Consolidated Net Leverage Ratio or the Priority Indebtedness Ratio to test compliance with any covenant in this Indenture, in determining the amount of Indebtedness outstanding in dollars on any date of determination, with respect to any Indebtedness denominated in a currency other than dollars (the "*Foreign Currency*"):

(1) subject to a currency swap arrangement or contract, the aggregate principal amount of such Foreign Currency Indebtedness on any such date of determination shall be the dollar amount of the aggregate principal amount to be paid by the Company or a Restricted Subsidiary on the maturity date of such currency swap arrangement or contract pursuant to the terms thereof; or

(2) subject to a currency forward arrangement, forward accretion curve or contract, the aggregate principal amount of such Foreign Currency Indebtedness shall be converted into dollars at the exchange rate specified under the terms of such currency forward arrangement, forward accretion curve or contract as applicable to such Foreign Currency Indebtedness on such date of determination.

For the avoidance of doubt, notwithstanding a Group member entering into any such arrangement or contract hedging foreign exchange exposure of any Foreign Currency Indebtedness, for the purposes of calculating the Consolidated Net Leverage Ratio or the Priority Indebtedness Ratio, the aggregate principal amount of Indebtedness subject to any such arrangement or contract shall be attributed to the total Indebtedness of the Person that originally Incurred such Indebtedness.

Notwithstanding any other provision of this Section 4.04, the maximum amount of Indebtedness that the Company or a Restricted Subsidiary may Incur pursuant to this covenant shall not be deemed to be exceeded solely as a result of fluctuations in the exchange rate of currencies.

The Issuers will not incur any Indebtedness (including any Indebtedness permitted to be Incurred pursuant to Section 4.04(b)) that is contractually subordinated in right of payment to any other Indebtedness of the Issuers unless such Indebtedness is also contractually subordinated in right of payment to the Notes on substantially identical terms (as determined in good faith by the Company); *provided, however*, that no Indebtedness will be deemed to be contractually subordinated in right of payment to any other Indebtedness of the Issuers solely by virtue of being unsecured, by virtue of being secured with different collateral, by virtue of being secured on a junior priority basis or by virtue of the application of waterfall or other payment-ordering provisions affecting different tranches of Indebtedness under Credit Facilities.

Section 4.05 *Limitation on Restricted Payments.*

(a) Following the Completion Date, the Company will not, and will not permit any of its Restricted Subsidiaries to, directly or indirectly:

(4) make any cash payment on or with respect to, or purchase, redeem, defease or otherwise acquire or retire for value any Subordinated Shareholder Funding; or

(5) make any Restricted Investment in any Person;

(any such dividend, distribution, payment, purchase, redemption, repurchase, defeasance, other acquisition, retirement or Restricted Investment referred to in clauses (1) through (5) of this Section 4.05(a) are referred to herein as a "*Restricted Payment*"), if at the time the Company or a Restricted Subsidiary makes such Restricted Payment:

(A) a Default or Event of Default shall have occurred and be continuing (or would result immediately thereafter therefrom);

(B) the Company is not able to Incur an additional \$1.00 of Indebtedness pursuant to Section 4.04(a) hereof,

in each case, after giving effect, on a *pro forma* basis, to such Restricted Payment; or

(C) the aggregate amount of such Restricted Payment and all other Restricted Payments made by the Company and the Restricted Subsidiaries subsequent to the Original Issue Date (and not returned or rescinded) (including Permitted Payments permitted by Section 4.05(b)(5) hereof (without duplication of amounts paid pursuant to any other clause of Section 4.05(b)), Section 4.05(b)(6), Section 4.05(b)(10), Section 4.05(b)(15), Section 4.05(b)(17) and Section 4.05(b)(18) hereof, but excluding all other Restricted Payments permitted by Section 4.05(b) hereof) would exceed the sum of (without duplication):

(i) an amount equal to 100% of the Consolidated EBITDA for the period beginning on the first day of the first full fiscal quarter commencing prior to the Original Issue Date to the end of the Company's most recently ended full fiscal quarter ending prior to the date of such Restricted Payment for which internal consolidated financial statements of the Company are available, taken as a single accounting period, less the product of 1.4 times the Consolidated Interest Expense for such period;

(ii) 100% of the aggregate Net Cash Proceeds, and the fair market value (as determined in accordance with Section 4.05(c)) of property or assets or marketable securities, received by the Company from the issue or sale of its Capital Stock (other than Disqualified Stock or Designated Preference Shares) or Subordinated Shareholder Funding subsequent to the Original Issue Date or otherwise contributed to the equity (other than through the issuance of Disqualified Stock or Designated Preference Shares) of the Company

subsequent to the Original Issue Date (other than (w) Net Cash Proceeds or property or assets or marketable securities received from an issuance or sale of such Capital Stock to the Company or a Restricted Subsidiary or an employee stock ownership plan or trust established by the Company or any Subsidiary of the Company for the benefit of its employees to the extent funded by the Company or any Restricted Subsidiary, (x) Net Cash Proceeds or property or assets or marketable securities to the extent that any Restricted Payment has been made from such proceeds in reliance on Section 4.05(b)(6) hereof, and (y) Excluded Contributions;

(iii) 100% of the aggregate Net Cash Proceeds, and the fair market value (as determined in accordance with Section 4.05(c)) of property or assets or marketable securities, received by the Company or any Restricted Subsidiary from the issuance or sale (other than to the Company or a Restricted Subsidiary or an employee stock ownership plan or trust established by the Company or any Subsidiary of the Company for the benefit of its employees to the extent funded by the Company or any Restricted Subsidiary) by the Company or any Restricted Subsidiary subsequent to the Original Issue Date of any Indebtedness that has been converted into or exchanged for Capital Stock of the Company (other than Disqualified Stock or Designated Preference Shares) or Subordinated Shareholder Funding (plus the amount of any cash, and the fair market value (as determined in accordance with Section 4.05(c)) of property or assets or marketable securities, received by the Company or any Restricted Subsidiary upon such conversion or exchange) but excluding (x) Net Cash Proceeds or property or assets or marketable securities to the extent that any Restricted Payment has been made from such proceeds in reliance on Section 4.05(b)(6) hereof and (y) Excluded Contributions;

(iv) the amount equal to the net reduction in Restricted Investments made by the Company or any of the Restricted Subsidiaries resulting from repurchases, redemptions or other acquisitions or retirements of any such Restricted Investment, proceeds realized upon the sale or other disposition to a Person other than the Company or a Restricted Subsidiary of any such Restricted Investment, repayments of loans or advances or other transfers of assets (including by way of dividend, distribution, interest payments or returns of capital) to the Company or any Restricted Subsidiary, which amount, in each case under this clause (iv), constituted a Restricted Payment made after the Original Issue Date; *provided, however,* that no amount will be included in Consolidated EBITDA for purposes of Section 4.05(a)(C)(i) hereof to the extent that it is (at the Company's option) included under this Section 4.05(a)(C)(iv);

- (b) any dividend or distribution made by an Unrestricted Subsidiary to the Company or a Restricted Subsidiary;

which Unrestricted Subsidiary was designated as such after the Original Issue Date; *provided, however*, that no amount will be included in Consolidated EBITDA for purposes of Section 4.05(a)(C)(i) hereof to the extent that it is (at the Company's option) included under this Section 4.05(a)(C)(v); and

(vi) in the case of the designation of an Unrestricted Subsidiary as a Restricted Subsidiary or all of the assets of such Unrestricted Subsidiary are transferred to the Company or a Restricted Subsidiary, or the Unrestricted Subsidiary is merged or consolidated into the Company or a Restricted Subsidiary, 100% of such amount received in cash and the fair market value (as determined in accordance with Section 4.05(c) hereof) of any property, assets or marketable securities received by the Company or a Restricted Subsidiary in respect of such redesignation, merger, consolidation or transfer of assets, excluding any amount of any Investment in such Unrestricted Subsidiary as provided for in the definition of "Investment", in each case of this Section 4.05(a)(C)(vi), which Unrestricted Subsidiary was designated as such after the Original Issue Date; *provided however*, that no amount will be included in Consolidated EBITDA for purposes of Section 4.05(a)(C)(i) hereof to the extent that it is (at the Company's option) included under this Section 4.05(a)(C)(vi); *provided further, however*, that such amount shall not exceed the amount included in the calculation of the amount of Restricted Payments referred to in the first sentence of this Section 4.05(a)(C).

(1) the Company or such Restricted Subsidiary, as the case may be, receives consideration (including by way of relief from, or by any other Person assuming responsibility for, any liabilities, contingent or otherwise) at least equal to the fair market value (such fair market value to be determined on the date of contractually agreeing to such Asset Disposition), as determined in good faith by an Officer or the Board of Directors of the Company, of the shares and assets subject to such Asset Disposition (including, for the avoidance of doubt, if such Asset Disposition is a Permitted Asset Swap); and

(c) After the receipt of Net Available Cash from an Asset Disposition, the Company or a Restricted Subsidiary, as the case may be, may apply such Net Available Cash directly or indirectly (at the option of the Company or such Restricted Subsidiary):

(1) within 365 days from the later of (A) the date of such Asset Disposition and (B) the receipt of such Net Available Cash (i) to prepay, repay, purchase or redeem any Indebtedness incurred under Section 4.04(b)(1); *provided, however*, that, in connection with any prepayment, repayment or purchase of Indebtedness pursuant to this Section 4.08(c)(1), the Company or such Restricted Subsidiary will retire such Indebtedness and will cause the related commitment (if any) (except in the case of any revolving Indebtedness) to be permanently reduced in an amount equal to the principal amount so prepaid, repaid, purchased or redeemed;

(3) to make a capital expenditure within 365 days from the later of (A) the date of such Asset Disposition and (B) the receipt of such Net Available Cash; *provided, however*, that any such capital expenditure made pursuant to a definitive binding agreement or a commitment approved by the Board of Directors of the Company that is executed or approved within such time will satisfy this requirement, so long as such investment is consummated within 180 days of such 365th day; or

(4) any combination of clauses (1) through (3),

provided, that, pending the final application of any such Net Available Cash in accordance with clauses (1), (2), (3) or (4) of Section 4.08(c), the Company and the Restricted Subsidiaries may temporarily reduce Indebtedness or otherwise invest such Net Available Cash in any manner not prohibited by this Indenture.

(d) Any Net Available Cash from Asset Dispositions that is not applied or invested or committed to be applied or invested as provided in Section 4.08(c) hereof will be deemed to constitute "*Excess Proceeds*". (e) To the extent that the aggregate amount of Notes and Pari Passu Indebtedness so validly tendered and not properly withdrawn pursuant to an Asset Disposition Offer is less than the Excess Proceeds, the Company and the Restricted Subsidiaries may use any remaining Excess Proceeds for general corporate purposes, to the extent not prohibited by the other covenants contained in this Indenture. If the aggregate principal amount of the Notes surrendered in any Asset Disposition Offer by Holders and other Pari Passu Indebtedness surrendered by holders or lenders, collectively, exceeds the amount of Excess Proceeds, the Excess Proceeds shall be allocated among the Notes and Pari Passu Indebtedness to be purchased on a *pro rata* basis on the basis of the aggregate principal amount of tendered Notes and Pari Passu Indebtedness. For the purposes of calculating the principal amount of any such Indebtedness not denominated in dollars, such Indebtedness shall be calculated by converting any such principal amounts into their Dollar Equivalent determined as of a date selected by the Company that is within the Asset Disposition Offer Period (as defined below). Upon completion of any Asset Disposition Offer, the amount of Excess Proceeds shall be reset at zero.

(f) To the extent that any portion of Net Available Cash payable in respect of the Notes is denominated in a currency other than the currency in which the relevant Notes are denominated, the amount thereof payable in respect of such Notes shall not exceed the net amount of funds in the currency in which such Notes are denominated that is actually received by the Company upon converting such portion of the Net Available Cash into such currency.

(g) The Asset Disposition Offer, in so far as it relates to the Notes, will remain open for a period of not less than 20 Business Days following its commencement (the "*Asset Disposition Offer Period*"). (h) On or before the Asset Disposition Purchase Date, the Issuers will, to the extent lawful, accept for payment, on *pro rata* basis to the extent necessary, the Asset Disposition Offer Amount of Notes and Pari Passu Indebtedness or portions of Notes and Pari Passu Indebtedness so validly tendered and not properly withdrawn pursuant to the Asset Disposition Offer, or if less than the Asset Disposition Offer Amount has been validly tendered and not properly withdrawn, all Notes and Pari Passu Indebtedness so validly tendered and not properly withdrawn and, in the case of the Notes, in minimum denominations of \$200,000 and in integral multiples of \$1,000 in excess thereof.

(i) The Company will deliver to the Trustee an Officer's Certificate stating that such Notes or portions thereof were accepted for payment by the Company in accordance with the terms of this covenant. The Issuers or the Paying Agent, as the case may be, will promptly (but in any case not later than five (5) Business Days after termination of the Asset Disposition Offer Period) mail or deliver to each tendering Holder of Notes an amount equal to the purchase price of the Notes so validly tendered and not properly withdrawn by such Holder, and accepted by the Issuers for purchase, and the Issuers will promptly issue a new Note (or, in the case of Global Notes, cause the Paying Agent to reduce the aggregate principal amount and amend the applicable Global Note pursuant to Section 2.06(g) hereof and in the case of Definitive Registered Notes, deliver or cause to be delivered to the relevant Registrar for cancellation all Definitive Registered Notes accepted for purchase by the Company), and the Trustee, upon receipt of an Officer's Certificate from the Company, will, via an authenticating agent, authenticate and mail or deliver (or cause to be transferred by book-entry) such new Note to such

Holder, in a principal amount equal to any unpurchased portion of the Note surrendered;*provided* that each such new Note will be in a principal amount with a minimum denomination of \$200,000. Any Note not so accepted will be promptly mailed or delivered (or transferred by book-entry) by the Company to the Holder thereof.

(j) For the purposes of Section 4.08(b)(2), the following will be deemed to be cash:

(1) the assumption by the transferee (or other extinguishment in connection with the transactions relating to such Asset Dispositions) of Indebtedness and any other liabilities (as recorded on the balance sheet of the Company or any Restricted Subsidiary or in the footnotes thereto, or if incurred or accrued subsequent to the date of such balance sheet, such liabilities that would have been reflected on the Company's or such Restricted Subsidiary's balance sheet or in the footnotes thereof if such incurrence or accrual had taken place on or prior to the date of such balance sheet, as determined in good faith by the Company) of the Company or any Restricted Subsidiary (other than Subordinated Indebtedness of any of the Issuers) and the release of the Company or such Restricted Subsidiary from all liability on such Indebtedness in connection with such Asset Disposition;

(2) securities, notes or other obligations received by the Company or any Restricted Subsidiary from the transferee that are converted by the Company or such Restricted Subsidiary into cash or Cash Equivalents within 180 days following the closing of such Asset Disposition;

(k) The Issuers will comply, to the extent applicable, with the requirements of Section 14(e) of the Exchange Act and any other securities laws or regulations in connection with the repurchase of Notes pursuant to this Indenture. To the extent that the provisions of any securities laws or regulations conflict with provisions of this Section 4.08, the Issuers will comply with the applicable securities laws and regulations and will not be deemed to have breached its obligations under this Indenture by virtue of any conflict.

(9) any transaction in the ordinary course of business between or among the Company or any Restricted Subsidiary and any Affiliate of the Company or an Associate or similar entity (in each case, other than an Unrestricted Subsidiary) that would constitute an Affiliate Transaction solely because the Company or a Restricted Subsidiary or any Affiliate of the Company or a Restricted Subsidiary or any Affiliate of any Permitted Holder owns an equity interest in or otherwise controls such Affiliate, Associate or similar entity;

Section 4.11 *Suspension of Covenants on Achievement of Investment Grade Status.*

If on any date following the Issue Date, the Notes have achieved Investment Grade Status and no Default or Event of Default has occurred and is continuing (a “*Suspension Event*”), then the Company shall notify the Trustee of these events and beginning on that day and continuing until such time, if any, at which the Notes cease to have Investment Grade Status (the “*Reversion Date*”), the provisions of this Indenture contained in the following sections will not apply to the Notes: Section 4.4, Section 4.05, Section 4.07, Section 4.08, Section 4.09 and Section 5.03(a)(3) and any related default provision of this Indenture will cease to be effective and will not be applicable to the Company and the Restricted Subsidiaries. Such Sections and any related default provisions will again apply according to their terms from the first day on which a Suspension Event ceases to be in effect. Such Sections will not, however, be of any effect with regard to actions of the Issuers properly taken during the continuance of the Suspension Event, and Section 4.05 will be interpreted as if it has been in effect since the date of this Indenture except that no Default will be deemed to have occurred solely by reason of a Restricted Payment made while Section 4.05 was suspended. On the Reversion Date, all Indebtedness Incurred during the continuance of the Suspension Event will be classified, at the Company’s option, as having been Incurred pursuant to Section 4.04(a) or Section 4.04(b) (to the extent such Indebtedness would be permitted to be Incurred thereunder as of the Reversion Date and after giving effect to Indebtedness Incurred prior to the Suspension Event and outstanding on the Reversion Date). To the extent such Indebtedness would not be so permitted to be Incurred under Section 4.04(a) or Section 4.04(b), such Indebtedness will be deemed to have been outstanding on the Completion Date, so that it is classified as permitted under Section 4.04(b)(4)(b) hereof.

On and after each Reversion Date, the Company and its Subsidiaries will be permitted to consummate the transactions contemplated by any contract entered into during the period of time

between the Suspension Event and the Reversion Date (the “*Suspension Period*”), so long as such contract and such consummation would have been permitted during such Suspension Period.

Section 4.13 *[Reserved]*.

Section 4.14 *Compliance Certificate*.

Notwithstanding the foregoing, the Company and the Restricted Subsidiaries shall be permitted, in any offer or payment of consideration for, or as an inducement to, any consent, waiver or amendment of any of the terms or provisions of this Indenture, to exclude holders of Notes in any jurisdiction where (i) the solicitation of such consent, waiver or amendment, including in connection with an exchange offer or an offer to purchase for cash, or (ii) the payment of the consideration therefor would require the Company or any Restricted Subsidiary to file a registration statement, prospectus or similar document under any applicable securities laws (including, but not limited to, the United States federal securities laws and the laws of the European Union), which the Company in its sole discretion determine (acting in good faith) (A) would be materially burdensome (it being understood that it would not be materially burdensome to file the consent document(s) used in other jurisdictions, any substantially similar documents or any summary thereof with the securities or financial services authorities in such jurisdiction) or (B) such solicitation would otherwise not be permitted under applicable law in such jurisdiction.

Section 4.20 *Lines of Business.*

Section 4.22 *[Reserved].*

Section 4.23 *[Reserved].*

Section 4.24 *[Reserved].*

Section 4.25 *Permitted Transactions*

For the avoidance of doubt, notwithstanding anything to the contrary in this Indenture, this Indenture shall be deemed to have been in effect from, and be interpreted as if it had been entered into on, the Original Issue Date. Any events that occurred or actions taken or transactions entered into (or any transactions contemplated by contracts entered into), including (without limitation) the incurrence of any Indebtedness or Liens, the making of any Restricted Payments or Investments, the occurrence of any transaction that may have constituted a Change of Control, the transfer or other disposition of asset, the entry into of any Affiliate Transaction or the designation of an Unrestricted Subsidiary or re-designation of an Unrestricted Subsidiary as a Restricted Subsidiary, following the Original Issue Date but prior to the Issue Date shall be deemed to be permitted under this Indenture with the same effect as if the Indenture was entered into on the Original Issue Date so long as such event, action, contract or transaction was permitted under or not prohibited by the Original 2025 Notes Indenture on the relevant date of determination thereunder and without re-testing compliance with the relevant provisions as of the Issue Date or any time thereafter.

For the avoidance of doubt, any Additional Notes issued pursuant to the Automatic Exchange Transaction will be deemed to be issued under Section 4.04(b)(4)(a) and will not require compliance with Section 4.04(a) hereof.

The Automatic Exchange Transaction will be completed on a cashless basis by exchanging the outstanding Holdco Notes for Additional Notes, and no consent or any other action will be required by the Holders of the Notes, the holders of the Holdco Notes, the Trustee under this Indenture, or the trustee of the Holdco Notes under the Holdco Notes Indenture, for the Automatic Exchange Transaction. The Holdco Notes will be automatically cancelled, and the Holdco Notes Guarantee will be automatically released and terminated, upon consummation of the Automatic Exchange Transaction.

By accepting a Note, each Holder will be deemed to have (i) agreed to be bound by the Automatic Exchange Transaction, and (ii) irrevocably authorized and directed the Trustee, or any other Person required to complete the Automatic Exchange Transaction, to take all actions required to consummate the Automatic Exchange Transaction without the need for further direction from such Holder under the Indenture.

The Combination Exchange will be completed on a cashless basis and no consent or any other action will be required by the holders of the Notes for the Combination Exchange. The Notes will be automatically cancelled upon consummation of the Combination Exchange.

Each holder is deemed to have (i) agreed to be bound by the Combination Exchange and (ii) irrevocably authorized and directed the Trustee, or any other person required to complete the Combination Exchange, to take all actions required to consummate the Combination Exchange without the need for further direction from such holder under this Indenture.

If an Event of Default described in Section 6.01(a)(6) hereof occurs and is continuing, the principal of, premium, if any, and accrued and unpaid interest on all the Notes will become and be immediately due and payable without any declaration or other act on the part of the Trustee or any Holders. If any other Event of Default occurs and is continuing, the Trustee or the Holders of at least 25% in aggregate principal amount of the then outstanding Notes may and, if directed by Holders of at least 25% in aggregate principal amount of the then outstanding Notes, the Trustee shall, declare all the Notes to be due and payable immediately. In the event of a declaration of acceleration of the Notes because an Event of Default under Section 6.01(a)(5) has occurred and is continuing, the declaration of acceleration of the Notes shall be automatically annulled if the event of default or payment default triggering such Event of Default pursuant to Section 6.01(a)(5) shall be remedied or cured, or waived by the holders of the relevant Indebtedness, or the relevant Indebtedness that gave rise to such Event of Default shall have been discharged in full, within 30 days after the declaration of acceleration with respect thereto and if (i) the annulment of the acceleration of the Notes would not conflict with any judgment or decree of a court of competent jurisdiction and (ii) all existing Events of Default, except nonpayment of principal, premium or interest on the Notes that became due solely because of the acceleration of the Notes, have been cured or waived.

Section 6.03 *Other Remedies.*

Subject to Article 12 hereof and to the duties of the Trustee as provided for in Article 7 hereof, if an Event of Default occurs and is continuing, the Trustee may pursue any available remedy to collect the payment of principal of or interest on the Notes or to enforce the performance of any provision of the Notes or this Indenture.

The Trustee may maintain a proceeding even if it does not possess any of the Notes or does not produce any of them in the proceeding. A delay or omission by the Trustee or any Holder in exercising any right or remedy accruing upon an Event of Default shall not impair the right or remedy or constitute a waiver of or acquiescence in the Event of Default. No remedy is exclusive of any other remedy. All available remedies are cumulative to the extent permitted by law.

Section 6.04 *Waiver of Past Defaults.*

The Holders of a majority in aggregate principal amount of the outstanding Notes under this Indenture by written notice to the Trustee may waive all past or existing Defaults or Events of Default (except with respect to nonpayment of principal, premium, or interest) and rescind any such acceleration with respect to such Notes and its consequences if rescission would not conflict with any judgment or decree of a court of competent jurisdiction.

Section 6.05 *Control by Majority.*

The Holders of a majority in aggregate principal amount of the outstanding Notes are given the right to direct the time, method and place of conducting any proceeding for any remedy available to the Trustee on behalf of the Holders or of exercising any trust or power conferred on the Trustee on behalf of the Holders. However, the Trustee may refuse to follow any direction that conflicts with law or this Indenture or that the Trustee determines is unduly prejudicial to the rights of any other Holder or that would involve the Trustee in personal liability. Subject to Article 7, if an Event of Default occurs and is continuing, prior to taking any action under this Indenture, the Trustee will be entitled to indemnification and/or security satisfactory to it from the Holders in its sole discretion against all losses, liabilities and expenses caused by taking or not taking such action.

Section 6.06 *Limitation on Suits.*

(a) Except to enforce the right to receive payment of principal or interest when due, no Holder may pursue any remedy with respect to this Indenture or the Notes unless:

- (1) such Holder has previously given the Trustee notice that an Event of Default is continuing;
- (2) Holders of at least 25% in aggregate principal amount of the outstanding Notes have requested the Trustee to pursue the remedy;
- (3) such Holders have offered the Trustee, and the Trustee has received, security and/or indemnity satisfactory to it against any loss, liability or expense;
- (4) the Trustee has not complied with such request within 60 days after the receipt of the request and the offer of security and/or indemnity; and
- (5) the Holders of a majority in aggregate principal amount of the outstanding Notes have not given the Trustee a direction that, in the opinion of the Trustee, is inconsistent with such request within such 60-day period.

(b) A Holder may not use this Indenture to prejudice the rights of another Holder or to obtain a preference or priority over another Holder.

Section 6.07 *Rights of Holders to Receive Payment.*

Subject to Section 9.02, the right of any Holder to receive payment of principal of and interest on the Notes held by such Holder, on or after the respective due dates expressed or provided for in the Notes, or to bring suit for the enforcement of any such payment on or after such respective dates, shall not be impaired or affected without the consent of such Holder.

Section 6.08 *Collection Suit by Trustee.*

If an Event of Default specified in Sections 6.01(a)(1) or 6.01(a)(2) occurs and is continuing, the Trustee may recover judgment in its own name and as trustee of an express trust against the Issuers or any other obligor on the Notes for the whole amount then due and owing (together with interest on any unpaid interest to the extent lawful) and the amounts provided for in Section 7.07 hereof.

Section 6.09 *Trustee May File Proofs of Claim.*

The Trustee may file such proofs of claim and other papers or documents and take such actions as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the properly incurred compensation, expenses, disbursements and advances of the Trustee, its agent and counsel and any other amounts due to the Trustee under Section 7.07) and the Holders allowed in any judicial proceedings relative to the Issuers, their creditors or their property and, unless prohibited by law or applicable regulations, may vote on behalf of the Holders in any election of a trustee in bankruptcy or other Person performing similar functions, and any Custodian in any such judicial proceeding is hereby authorized by each Holder to make payments to the Trustee and, in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due it for the properly incurred compensation, expenses, disbursements and advances of the Trustee, its agents and its counsel, and any other amounts due the Trustee and the Agents under Section 7.07 hereof.

Section 6.10 *Priorities.*

If the Trustee collects any money or property pursuant to this Article 6, it shall pay out the money or property in the following order:

FIRST: to the Trustee, the Agents for amounts due under Section 7.02 and Section 7.07;

SECOND: to Holders for amounts due and unpaid on the Notes for principal and interest, ratably, without preference or priority of any kind, according to the amounts due and payable on the Notes for principal and interest, respectively; and

THIRD: to the Issuers or to such party as a court of competent jurisdiction shall direct.

The Trustee may fix a record date and payment date for any payment to Holders pursuant to this Section 6.10. At least 15 days before such record date, the Trustee shall mail to each Holder and the Issuers a notice that states the record date, the payment date and amount to be paid.

Section 6.11 *Undertaking for Costs.*

In any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee for any action taken or omitted by it as the Trustee, a court in its discretion may require the filing by any party litigant in the suit of an undertaking to pay the costs of the suit, and the court in its discretion may assess reasonable costs, including properly incurred attorneys' fees, against any party

litigant in the suit, having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section 6.11 does not apply to a suit by the Trustee or a Paying Agent, a suit by a Holder pursuant to Section 6.07 or a suit by Holders of more than 10% in principal amount of the Notes then outstanding.

Section 6.12 *Waiver of Stay or Extension Laws.*

Each Issuer (to the extent it may lawfully do so) shall not at any time insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay or extension law wherever enacted, now or at any time hereafter in force, which may affect the covenants or the performance of this Indenture; and each Issuer (to the extent that it may lawfully do so) hereby expressly waives all benefit or advantage of any such law, and shall not hinder, delay or impede the execution of any power herein granted to the Trustee, but shall suffer and permit the execution of every such power as though no such law had been enacted.

Section 6.13 *Restoration of Rights and Remedies.*

If the Trustee or any Holder has instituted any proceeding to enforce any right or remedy under this Indenture and such proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Trustee or to such Holder, then and in every such case, subject to any determination in such proceeding, the Issuers, the Trustee and the Holders shall be restored severally and respectively to their former positions hereunder and thereafter all rights and remedies of the Trustee and the Holders shall continue as though no such proceeding had been instituted.

Section 6.14 *Rights and Remedies Cumulative.*

Except as otherwise provided with respect to the replacement or payment of mutilated, destroyed, lost or stolen Notes in Section 2.07 hereof, no right or remedy herein conferred upon or reserved to the Trustee or to the Holders is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

Section 6.15 *Delay or Omission Not Waiver.*

No delay or omission of the Trustee or of any Holder to exercise any right or remedy accruing upon any Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein. Every right and remedy given by this Article 6 or by law to the Trustee or to the Holders may be exercised from time to time, and as often as may be deemed expedient, by the Trustee or by the Holders, as the case may be.

ARTICLE 7
TRUSTEE

Section 7.01 *Duties of Trustee.*

(a) In the event an Event of Default has occurred and is continuing of which a Responsible Officer of the Trustee has been notified in accordance with the provisions of this Indenture, the Trustee will exercise such of the rights and powers vested in it under this Indenture and use the same degree of care that a prudent Person would use in the conduct of its own affairs.

(b) Except during the continuance of an Event of Default:

(1) the Trustee undertakes to perform such duties and only such duties as are specifically set forth in this Indenture and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(2) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture. However, the Trustee shall examine such certificates and opinions to determine whether or not they conform to the requirements of this Indenture (but need not confirm or investigate the accuracy of mathematical calculations or other facts stated therein) and shall be entitled to seek advice from legal counsel in relation thereto.

(c) The Trustee may not be relieved from liability for its own grossly negligent action, its own grossly negligent failure to act or its own willful misconduct, except that:

(1) this Section 7.01(c) does not limit the effect of Section 7.01(a);

(2) the Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer unless it is proved that the Trustee was grossly negligent in ascertaining the pertinent facts; and

(3) the Trustee shall not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it pursuant to Section 7.02, Section 7.03 or Section 7.05;

(d) The Trustee shall not be deemed to have notice or any actual knowledge of any matter (including, without limitation, Defaults or Events of Default) unless written notice thereof is received by the Trustee in accordance with this Indenture and such notice clearly references the Notes, the Issuers or this Indenture.

(e) Every provision of this Indenture that in any way relates to the Trustee is subject to Section 7.01(a), Section 7.01(b), Section 7.01(c) and Section 7.01(f).

(f) No provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur liability in the performance of any of its duties hereunder or to take or omit to take any action under this Indenture or take any action at the request or direction of Holders if it has grounds for believing that repayment of such funds is not assured to it or it does not receive an agreement in writing from the Holders for full indemnity and/or security satisfactory to it in its discretion against any loss, liability or expense which might be incurred by it in compliance with such request or direction nor shall the Trustee be required to do anything which is illegal or contrary to applicable laws, this Indenture. The Trustee will not be liable to the Holders if prevented or delayed in performing any of its obligations or discretionary functions under this Indenture by reason of any present or future law applicable to it, by any governmental or regulatory authority or by any circumstances beyond its control.

(g) The Trustee shall not be liable for interest on any money received by it except as the Trustee may agree in writing with the Issuers.

(h) Money held in trust by the Trustee need not be segregated from other funds except to the extent required by law.

(i) The Trustee will (save as expressly otherwise provided herein) have absolute and uncontrolled discretion as to the exercise or non-exercise of its functions and will not be responsible for any loss, liability, cost, claim, action, demand, expense or inconvenience which may result from their exercise or non-exercise but, whenever the Trustee is under the provisions of this Indenture or the Notes bound to act at the request or direction of the Holders, the Trustee shall nevertheless not be so bound

unless first indemnified and/or secured to its satisfaction against all actions, proceedings, claims and demands to which it may render itself liable and all costs, charges, damages, expenses and liabilities which it may incur by so doing.

Section 7.02 *Rights of Trustee.*

- (a) The Trustee may refrain from taking any action in any jurisdiction if the taking of such action in that jurisdiction would, in its opinion, based upon legal advice in the relevant jurisdiction, be contrary to any law of that jurisdiction or, to the extent applicable, the State of New York. Furthermore, the Trustee may also refrain from taking such action if such action would otherwise render it liable to any person in that jurisdiction, the State of New York or if, in its opinion based upon such legal advice, it would not have the power to do the relevant thing in that jurisdiction by virtue of any applicable law in that jurisdiction, in the State of New York or if it is determined by any court or other competent authority in that jurisdiction, in the State of New York that it does not have such power.
- (b) The Trustee may conclusively rely and shall be fully protected in acting or refraining to act based upon any document believed by it to be genuine and to have been signed or presented by the proper Person. The Trustee need not investigate any fact or matter stated in the document.
- (c) Before the Trustee acts or refrains from acting, it may require an Officer's Certificate or an Opinion of Counsel. The Trustee shall not be liable for any action it takes or omits to take in good faith in reliance on such Officer's Certificate or Opinion of Counsel.
- (d) The Trustee may act through attorneys and agents and shall not be responsible for the misconduct or negligence of any agent appointed with due care.
- (e) The Trustee shall not be liable for any action it takes or omits to take in good faith which it believes to be authorized or within its rights or powers conferred upon it by this Indenture; *provided, however*, that the Trustee's conduct does not constitute willful misconduct or gross negligence.
- (f) The Trustee may retain professional advisers to assist it in performing its duties under this Indenture. The Trustee may consult with counsel of its selection, and the advice or opinion of counsel with respect to legal matters relating to this Indenture and the Notes shall be full and complete authorization and protection from liability in respect of any action taken, omitted or suffered by it hereunder in good faith and in accordance with the advice or opinion of such counsel.
- (g) The Trustee shall not be bound to make any investigation into the facts or matters stated in any Officer's Certificate, Opinion of Counsel, or any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, approval, appraisal, bond, debenture, note, coupon, security other evidence of indebtedness or other paper or document, but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine the books, records and premises of the Issuers, personally or by agent or attorney at the sole cost of the Issuers.
- (h) The Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request, order or direction of any of the Holders pursuant to the provisions of this Indenture, unless such Holders shall have offered to the Trustee indemnity and/or other security satisfactory to the Trustee against the costs, expenses and liabilities which may be incurred by it in compliance with such request, order or direction.
- (i) In the event the Trustee receives inconsistent or conflicting requests and indemnity from two or more groups of Holders, each representing less than the requisite majority in aggregate principal amount of the Notes then outstanding, pursuant to the provisions of this Indenture, the Trustee,

in its sole discretion, may determine what action, if any, shall be taken and shall be held harmless and shall not incur any liability for its failure to act until such inconsistency or conflict is, in its opinion, resolved, and absent willful misconduct or gross negligence, the Trustee shall not be liable for acting in good faith on instructions believed by them to be genuine and from the proper party.

(j) Delivery of reports, information and documents to the Trustee under Section 4.10 hereof is for informational purposes only and the Trustee's receipt of the foregoing shall not constitute actual or constructive notice of any information contained therein or determinable from information contained therein, including the Issuers' compliance with any of their covenants hereunder (as to which the Trustee is entitled to rely exclusively on Officer's Certificates).

(k) *[Reserved]*.

(l) The Trustee shall have no duty to inquire as to the performance of the covenants of the Issuers and/or its Restricted Subsidiaries in this Indenture and shall be entitled to assume that the Issuers and any Restricted Subsidiaries are in compliance with the terms of this Indenture.

(m) The Trustee shall not have any obligation or duty to monitor, determine or inquire as to compliance, and shall not be responsible or liable for compliance with restrictions on transfer, exchange, redemption, purchase or repurchase, as applicable, of minimum denominations imposed under this Indenture or under applicable law or regulation with respect to any transfer, exchange, redemption, purchase or repurchase, as applicable, of any interest in any Notes, but may at its sole discretion, choose to do so.

(n) *[Reserved]*.

(o) The Trustee and each Agent shall not be liable for acting in good faith on instructions believed by it to be genuine and from the proper party.

(p) The Trustee shall not be required to give any bond or surety with respect to the performance of its duties or the exercise of its powers under this Indenture.

(q) *[Reserved]*.

(r) The permissive rights of the Trustee to take the actions permitted by this Indenture will not be construed as an obligation or duty to do so.

(s) Anything in this Indenture to the contrary notwithstanding, in no event shall the Trustee be liable for punitive, special, indirect or consequential loss or damage of any kind whatsoever (including but not limited to loss of business, goodwill, opportunity or profits of any kind) of the Issuers, any Restricted Subsidiary or any other person, even if the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action.

(t) Except with respect to Section 4.01 hereof, and provided it or an affiliate of it is acting as the Paying Agent, the Trustee shall have no duty to inquire as to the performance of the Issuers with respect to the covenants contained in Article 4 hereof. The Trustee may assume without inquiry in the absence of written notice to the contrary that the Issuers is duly complying with its obligations contained in this Indenture required to be performed and observed by it, and that no Default or Event of Default or other event which would require repayment of the Notes has occurred.

(u) In no event shall the Trustee be responsible or liable for any failure or delay in the performance of its obligations hereunder arising out of, or caused by, directly or indirectly, forces beyond its control, including, without limitation, acts of war or terrorism, civil or military disturbances, nuclear or natural catastrophes or acts of God; it being understood that the Trustee shall use reasonable

efforts that are consistent with accepted practices in the banking industry to resume performance as soon as practicable under the circumstances.

(v) The Trustee may request that the Issuers deliver an Officer's Certificate setting forth the names of the individuals and/or titles of officers authorized at such time to take specified actions pursuant to this Indenture, which Officer's Certificate may be signed by any person authorized to sign an Officer's Certificate, including any person specified as so authorized in any such certificate previously delivered and not superseded.

(w) The Trustee may, in the execution and exercise of all or any of the trusts, powers, authorities and discretions vested in it by this Indenture, delegate to any person or persons all or any of the trusts, powers, authorities and discretions vested in it by this Indenture and any such delegation may be made upon such terms and conditions and subject to such regulations as the Trustee may think fit. The Trustee shall not be under any obligation to supervise the activities of such delegates and shall not be responsible for the misconduct or negligence of such delegates, or for any costs, expenses, losses or liabilities of, or caused by, such delegates, *provided* that such delegation has been made with reasonable care.

(x) No provision of this Indenture shall require the Trustee to do anything which, in its opinion, may be illegal or contrary to applicable law or regulation.

(y) The Trustee and the Paying Agent shall be entitled to make payments net of any taxes or other sums required by any applicable law to be withheld or deducted.

Section 7.03 *Individual Rights of Trustee.*

The Trustee in its individual or any other capacity may become the owner or pledgee of Notes and may otherwise deal with the Issuers, its Subsidiaries or their respective Affiliates with the same rights it would have if it were not Trustee. For the avoidance of doubt, any Paying Agent and Transfer Agent or Registrar may do the same with like rights.

Section 7.04 *Trustee's Disclaimer.*

The Trustee shall not be responsible for and makes no representation as to the validity, effectiveness, correctness or adequacy of this Indenture, the offering materials related to this Indenture or the Notes, it shall not be accountable for the Issuers' use of the proceeds from the Notes or any money paid to the Issuers or upon the Issuers' direction under any provision of this Indenture, and it shall not be responsible for any statement of the Issuers in this Indenture or in any document issued in connection with the sale of the Notes or in the Notes other than the Trustee's certificate of authentication. The Trustee shall not be charged with knowledge of the identity of any Significant Subsidiary unless either (a) a Responsible Officer shall have actual knowledge thereof or (b) the Trustee shall have received notice thereof in accordance with Section 12.01 hereof from the Issuers or any Holder.

Section 7.05 *Notice of Defaults.*

If a Default or Event of Default occurs and is continuing and a Responsible Officer of the Trustee is informed of such occurrence by the Issuers, the Trustee must give notice of the Default to the Holders within 60 days after being notified by the Issuers. Except in the case of a Default in the payment of principal of, or premium, if any, or interest on any Note, the Trustee may withhold notice if and so long as a Responsible Officer of the Trustee in good faith determines that withholding notice is in the interests of the Holders.

Section 7.06 [Reserved].

Section 7.07 *Compensation and Indemnity.*

The Issuers shall pay to the Trustee and the Agents from time to time such compensation as the Issuers and Trustee or the Agents, as applicable, may from time to time agree in writing for its acceptance of this Indenture and services hereunder and under the Notes. The Trustee's and the Agents' compensation shall not be limited by any law on compensation of a trustee of an express trust.

In the event of the occurrence of an Event of Default or the Trustee considering it expedient or necessary or being requested by the Issuers to undertake duties which the Trustee and the Issuers agree to be of an exceptional nature or otherwise outside the scope of the normal duties of the Trustee, the Issuers shall pay to the Trustee such additional remuneration as shall be agreed between them.

The Issuers shall reimburse the Trustee and the Agents promptly upon request for all properly incurred disbursements, advances and expenses incurred or made by it (as evidenced in an invoice from the Trustee or the Agents, as applicable), including costs of collection, in addition to the compensation for its services. Such expenses shall include the properly incurred compensation and expenses, disbursements and advances of the Trustee's agents, counsel, accountants and experts. The Issuers shall indemnify the Trustee, the Agents and their respective officers, directors, agents and employers against any and all loss, liability, taxes or expenses (including properly incurred attorneys' fees) incurred by or in connection with the acceptance or administration of its duties under this Indenture and the Notes including the costs and expenses of enforcing this Indenture against the Issuers (including this Section 7.07) and defending itself against any claim (whether asserted by the Issuers or any Holder or any other person) or liability in connection with the exercise or performance of any of its powers or duties hereunder.

The Trustee shall notify the Issuers of any claim for which it may seek indemnity promptly upon obtaining actual knowledge thereof *provided, however*, that any failure to so notify the Issuers shall not relieve the Issuers of its indemnity obligations hereunder. Except in cases where the interests of the Issuers and the Trustee may be adverse, the Issuers shall defend the claim and the indemnified party shall provide reasonable cooperation at the Issuers' expense in the defense. In cases where the interests of the Issuers and the Trustee are adverse, (i) such indemnified party may, in its sole discretion, assume the defense of the claim against it and the Issuers pay the properly incurred fees and expenses of the indemnified party's defense (as evidenced in an invoice from the Trustee) and (ii) such indemnified parties may have separate counsel of their choosing and the Issuers shall pay the properly incurred fees and expenses of such counsel (as evidenced in an invoice from the Trustee). The Issuers need not pay for any settlement made without its consent, which consent shall not be unreasonably withheld. The Issuers need not reimburse any expense or indemnify against any loss, liability or expense incurred by an indemnified party through such party's own willful misconduct, gross negligence or fraud.

To secure the Issuers' payment obligations in this Section 7.07, the Trustee and the Agents have a Lien senior to the Notes on all money or property held or collected by the Trustee other than money or property held in trust to pay principal of and interest on particular Notes.

The Issuers' payment obligations pursuant to this Section 7.07 and any lien arising thereunder shall survive the satisfaction or discharge of this Indenture, any rejection or termination of this Indenture under any Bankruptcy Law or the resignation or removal of the Trustee and the Agents. Without prejudice to any other rights available to the Trustee and the Agents under applicable law, when the Trustee and the Agents incur expenses (including the fees and expenses of counsel) after the occurrence of a Default specified in Section 6.01(a)(6) hereof with respect to the Issuers, the expenses are intended to constitute expenses of administration under any Bankruptcy Law.

For the avoidance of doubt, the rights, privileges, protections, immunities and benefits given to the Trustee in this Section 7.07, including its right to be indemnified, are extended to, and shall be enforceable by the Trustee in each of its capacities hereunder and by each agent (including the Agents), any custodian and any other Person employed with due care to act as agent hereunder.

Section 7.08 *Replacement of Trustee.*

(a) The Trustee may resign at any time by so notifying the Issuers in writing. The Holders of a majority in principal amount of the Notes then outstanding may remove the Trustee by so notifying the Trustee and the Issuers in writing and may appoint a successor Trustee. The Issuers shall be entitled to remove the Trustee and any Holder who has been a bona fide Holder for not less than six months may petition any court for removal of the Trustee and appointment of a successor Trustee, if:

- (1) the Trustee, in its capacity as such, has or acquires a conflict of interest that is not eliminated;
- (2) the Trustee is adjudged bankrupt or insolvent;
- (3) a receiver or other public officer takes charge of the Trustee or its property; or
- (4) the Trustee otherwise becomes incapable of acting as Trustee hereunder.

(b) If the Trustee resigns, is removed pursuant to Section 7.08(a) hereof or if a vacancy exists in the office of Trustee for any reason (the Trustee in such event being referred to herein as the retiring Trustee), the Issuers shall promptly appoint a successor Trustee.

(c) A successor Trustee shall deliver a written acceptance of its appointment to the retiring Trustee and to the Issuers. Thereupon the resignation or removal of the retiring Trustee shall become effective, and the successor Trustee shall have all the rights, powers and duties of the Trustee under this Indenture. The successor Trustee shall mail a notice of its succession to Holders. The retiring Trustee shall promptly transfer all property held by it as Trustee to the successor Trustee, *provided* that all sums owing to the Trustee hereunder have been paid and subject to the lien provided for in this Section 7.07 hereof. For the avoidance of doubt, any removal or resignation of the Trustee pursuant to this Section 7.07 shall not become effective until the acceptance of the appointment by the successor Trustee.

(d) If a successor Trustee does not take office within 30 days after the retiring Trustee resigns or is removed, (i) the retiring Trustee or the Holders of 10% in principal amount of the Notes may petition any court of competent jurisdiction for the appointment of a successor trustee, or (ii) the retiring Trustee may appoint a successor trustee at any time prior to the date on which a successor Trustee takes office; *provided* that such appointment is reasonably satisfactory to, and at the joint and several cost and expense of the Issuers.

(e) Notwithstanding the replacement of the Trustee pursuant to this Section, the Issuers' obligations under Section 7.07 hereof shall continue for the benefit of the retiring Trustee.

(f) For the avoidance of doubt, the rights, privileges, protections, immunities and benefits given to the Trustee in this Article 7, including its right to be indemnified, are extended to, and shall be enforceable by each Agent employed to act hereunder.

Section 7.09 *Successor Trustee by Merger.*

If the Trustee consolidates with, merges or converts into, or transfers all or substantially all its corporate trust business or assets to, another corporation or banking association, the resulting, surviving or transferee corporation without any further act shall be the successor Trustee.

In case at the time such successor or successors by merger, conversion or consolidation to the Trustee shall succeed to the trusts created by this Indenture any of the Notes shall have been authenticated but not delivered, any such successor to the Trustee may adopt the certificate of authentication of any predecessor trustee, and deliver such Notes so authenticated; and in case at that time any of the Notes shall not have been authenticated, any successor to the Trustee or its Authenticating Agent may authenticate such Notes either in the name of any predecessor hereunder or in the name of the successor to the Trustee; and in all such cases such certificates shall have the full force which it is anywhere in the Notes or in this Indenture provided that the certificate of the Trustee shall have.

Section 7.10 *[Reserved].*

Section 7.11 *Certain Provisions.*

Each Holder by accepting a Note authorizes and directs on his or her behalf the Trustee to enter into and to take such actions and to make such acknowledgements as are set forth in this Indenture or other documents entered into in connection therewith.

Section 7.12 *Resignation of Agents.*

(a) Any Agent may resign its appointment hereunder at any time without the need to give any reason and without being responsible for any costs associated therewith by giving notice to the Issuers and the Trustee (and in the case of resignation of the Paying Agent the Paying Agent giving 30 days' written notice) (waivable by the Issuers and the Trustee), provided that in the case of resignation of the Paying Agent no such resignation shall take effect until a new Paying Agent shall have been appointed by the Issuers to exercise the powers and undertake the duties hereby conferred and imposed upon the Paying Agent. Following receipt of a notice of resignation from any Agent, the Issuers shall promptly give notice thereof to the Holders in accordance with Section 12.01 Such notice shall expire at least 30 days before or after any due date for payment in respect of the Notes.

(b) If any Agent gives notice of its resignation in accordance with this Section 7.12 and a replacement Agent is required and by the tenth day before the expiration of such notice such replacement has not been duly appointed, such Agent may itself appoint as its replacement any reputable and experienced financial institution or may petition a court of competent jurisdiction, with costs and expenses properly incurred by the Agent in relation to such petition to be paid by the Issuers. Immediately following such appointment, the Issuers shall give notice of such appointment to the Trustee, the remaining Agents and the Holders whereupon the Issuers, the Trustee, the remaining Agents and the replacement Agent shall acquire and become subject to the same rights and obligations between themselves as if they had entered into an agreement in the form *mutatis mutandis* of this Indenture.

(c) Upon its resignation becoming effective the Paying Agent shall forthwith transfer all moneys held by it hereunder, if any, to the successor Paying Agent or, if none, the Trustee or to the Trustee's order, but shall have no other duties or responsibilities hereunder, and shall be entitled to the payment by the Issuers of their remuneration for the services previously rendered hereunder and to the reimbursement of all reasonable expenses (including legal fees) incurred in connection therewith.

ARTICLE 8 DISCHARGE OF INDENTURE; DEFEASANCE

Section 8.01 *Discharge of Liability on Notes; Defeasance.*

(a) This Indenture, and the rights of the Trustee and the Holders thereunder will be discharged and cease to be of further effect (except as to surviving rights of conversion or transfer or exchange of the Notes, as expressly provided for in this Indenture) as to all outstanding Notes when (1)

(b) Subject to Section 8.01(c) and Section 8.02, the Issuers at any time may terminate (i) all of their obligations and this Indenture (“*legal defeasance option*”) and cure all then existing Defaults and Events of Default or (ii) its obligations under the covenants in Article 4 and Article 5 hereof (other than Section 4.01, Section 5.03(a)(1) and (2)) and the default provisions relating to such covenants in Section 6.01(a)(3) (other than with respect to Section 5.03(a)(1) and (2)) and 6.01(a)(4), the operation of Sections 6.01(a)(5)(A) and Section 6.01(a)(5)(B), Section 6.01(a)(6) with respect to the Company and Significant Subsidiaries, and Section 6.01(a)(7). (“*covenant defeasance option*”). The Issuers at their option at any time may exercise its legal defeasance option notwithstanding its prior exercise of its covenant defeasance option. In the event that the Issuers terminate all of their obligations under the Notes and this Indenture by exercising its legal defeasance option, the obligations under any Guarantees shall each be terminated simultaneously with the termination of such obligations.

Upon satisfaction of the conditions set forth herein and upon request of the Issuers, the Trustee shall acknowledge in writing the discharge of those obligations that the Issuers terminate.

If the Issuers exercise their legal defeasance option, payment of the Notes may not be accelerated because of an Event of Default with respect to such Notes. If the Issuers exercise their covenant defeasance option with respect to the Notes, payment of the Notes may not be accelerated because of an Event of Default specified in Sections 6.01(a)(3) (other than with respect to Section 5.03(a)(3) and (4)), 6.01(a)(4), 6.01(a)(5), 6.01(a)(6) or 6.01(a)(7).

(c) Notwithstanding Section 8.01(a) and Section 8.01(b), the Issuers' obligations in Sections 2.03, Section 2.04, Section 2.05, Section 2.06, Section 2.07, Section 2.08, Section 2.09, Section 2.10, Section 2.11, Article 7 and this Article 8, as applicable, shall survive until the Notes have been paid in full. Thereafter, the Issuers' obligations in Section 7.07, Section 8.05 and Section 8.06, as applicable, shall survive.

Section 8.02 *Conditions to Defeasance.*

(a) The Issuers may exercise their legal defeasance option or their covenant defeasance option only if the Issuers have irrevocably deposited in trust (the “*defeasance trust*”) with the Trustee (or an entity designated or appointed as agent by it for this purpose) cash in dollars or dollar-denominated U.S. Government Obligations or a combination thereof for the payment of principal, premium, if any, and interest on the Notes to redemption or maturity, as the case may be, and has delivered to the Trustee:

(1) an Opinion of Counsel (subject to customary exceptions and exclusions) from United States counsel to the effect that Holders of the Notes will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such deposit and defeasance and will be subject to U.S. federal income tax on the same amount and in the same manner and at the same times as would have been the case if such deposit and defeasance had not occurred (and in the case of legal defeasance only, such Opinion of Counsel from United States counsel must be based on a ruling of the U.S. Internal Revenue Service or other change in applicable U.S. federal income tax law);

(2) an Officer's Certificate stating that the deposit was not made by the Company with the intent of defeating, hindering, delaying, defrauding or preferring any creditors of the Company;

(3) an Officer's Certificate stating that all conditions precedent provided for or relating to legal defeasance or covenant defeasance, as the case may be, have been complied with; and

(4) an Opinion of Counsel to the effect that the trust resulting from the deposit does not constitute, or is qualified as, a regulated investment company under the U.S. Investment Company Act of 1940, as amended.

(b) Before or after a deposit, the Issuers may make arrangements satisfactory to the Trustee for the redemption of Notes at a future date in accordance with Article 3.

Section 8.03 *Application of Trust Money.*

The Trustee (or an entity appointed or designated (as agent) by it for this purpose) shall hold in trust money, U.S. Government Obligations for the payment of principal, premium, if any, and interest deposited with it pursuant to this Article 8. It shall apply the deposited money and the money from the U.S. Government Obligations through the Paying Agent and in accordance with this Indenture to the payment of principal of and interest on the Notes.

Section 8.04 *Repayment to Issuers.*

The Trustee and the Paying Agent shall promptly turn over to the Issuers upon request any money, U.S. Government Obligations held by it as provided in this Article 8 which, in the written opinion of an internationally recognized firm of independent public accountants delivered to the Trustee (which delivery shall only be required if U.S. Government Obligations have been so deposited), are in excess of the amount thereof which would then be required to be deposited to effect an equivalent discharge or defeasance in accordance with this Article 8.

Subject to any applicable abandoned property law, the Trustee and the Paying Agent shall pay to the Issuers upon written request any money held by them for the payment of principal or interest that remains unclaimed for two years, and, thereafter, Holders entitled to the money must look to the Issuers for payment as general creditors, and the Trustee and the Paying Agent shall have no further liability with respect to such monies.

ARTICLE 9
AMENDMENTS AND WAIVERS

Section 9.01 *Without Consent of Holders.*

- (a) Without the consent of any Holder, the Issuers, the Trustee and the other parties thereto, as applicable, may amend or supplement any Notes Documents to:
- (1) cure any ambiguity, omission, defect, error or inconsistency;
 - (2) provide for the assumption by a successor Person of the obligations of any of the Issuers under any Notes Document;
 - (3) add to the covenants or provide for a Guarantee for the benefit of the Holders or surrender any right or power conferred upon the Company or any Restricted Subsidiary;
 - (4) make any change that would provide additional rights or benefits to the Trustee or the Holders or does not adversely affect the rights or benefits to the Trustee or any of the Holders in any material respect under the Notes Documents;
 - (5) make such provisions as necessary (as determined in good faith by the Company) for the issuance of Additional Notes Incurred in accordance with the terms of this Indenture;
 - (6) to add Guarantees with respect to the Notes (including any provisions relating to the release or limitations of such additional Guarantees), to add security to or for the benefit of the Notes, or to effectuate or confirm and evidence the release, termination, discharge or retaking of such Guarantee or security or any amendment in respect thereof;
 - (7) conform the text of this Indenture, or the Notes to any provision of the section of the Original Offering Memorandum entitled "*Description of Senior Notes*" or the section in the Exchange Offer Memorandum entitled "*Description of New Senior Notes*" was intended to be a *verbatim* recitation of a provision of this Indenture or the Notes;
 - (8) evidence and provide for the acceptance and appointment under this Indenture of a successor Trustee pursuant to the requirements thereof or to provide for the accession by the Trustee to any Notes Document; or
 - (9) make such provisions as necessary (as determined in good faith by the Company) for the implementation of the Automatic Exchange Transaction or the Combination Exchange; or

(10) make any change required to implement the Reorganization Transactions or any transactions or actions in connection thereto, or make any change to the Reorganization Transactions (including adding Cequel Corporation as an obligor of the Notes) that does not adversely affect the rights or benefits to the Trustee or any of the Holders in any material respect under the Notes Documents.

(b) In formulating its decision on the matters described in Section 9.01(a) hereof, the Trustee shall be entitled to require and rely absolutely on such evidence as it deems necessary, including Officer's Certificates and Opinions of Counsel.

(c) For the purpose of calculating the aggregate principal amount of Notes that have consented to or voted in favor of any amendment, supplement or waiver, the principal amount of any Note shall be as of the Issue Date.

Section 9.02 *With Consent of Holders.*

(a) The Issuers, the Trustee and the other parties thereto, as applicable, may amend, supplement or otherwise modify the Notes Documents with the consent of the Holders of a majority in principal amount of the Notes then outstanding (including consents obtained in connection with a purchase of, or tender offer or exchange offer for, Notes), and unless otherwise provided for in this Indenture, any default or compliance with any provisions thereof may be waived with the consent of the Holders of a majority in principal amount of the Notes then outstanding (including consents obtained in connection with a purchase of, or tender offer or exchange offer for, Notes). However, without the consent of each Holder of Notes affected (including consents obtained in connection with a purchase of, or tender offer or exchange offer for, Notes), an amendment, supplement or waiver may not:

- (1) reduce the principal amount of Notes whose Holders must consent to an amendment, waiver, supplement or modification;
- (2) reduce the stated rate of or extend the stated time for payment of interest on any Note (other than, for the avoidance of doubt, any payment pursuant to a Change of Control Offer or pursuant to the provisions of Section 4.08 hereof);
- (3) reduce the principal of, or extend the Stated Maturity of, any Note;
- (4) reduce the premium payable upon the redemption of any Note or change the time at which any Note may be redeemed, in each case under Section 3.07 hereof (other than, for the avoidance of doubt, any payment pursuant to a Change of Control Offer or pursuant to the provisions of Section 4.08 hereof);
- (5) make any Note payable in money other than that stated in the Note (except to the extent the currency stated in the Notes has been succeeded or replaced pursuant to applicable law);
- (6) impair the right of any Holder to receive payment of principal of and interest on such Holder's Notes on or after the due dates therefor or to institute suit for the enforcement of any such payment on or with respect to such Holder's Notes (it being understood that this clause (6) will not apply to a Change of Control Offer or the provisions of Section 4.08 hereof except to the extent payments thereunder are at such time due and payable);
- (7) waive a Default or Event of Default with respect to the nonpayment of principal, premium or interest on the Notes (except pursuant to a rescission of acceleration of the Notes by the Holders of at least a majority in aggregate principal amount of such Notes and a waiver of the payment default that resulted from such acceleration); or

(8) make any change in the amendment or waiver provisions which require the Holders' consent described in this Section 9.02(a).

(b) In formulating its decision on the matters described in Section 9.02(a) hereof, the Trustee shall be entitled to require and rely absolutely on such evidence as it deems necessary, including Officer's Certificates and Opinions of Counsel.

(c) For the purpose of calculating the aggregate principal amount of Notes that have consented to or voted in favor of any amendment, supplement or waiver, the principal amount of any Note shall be as of the Issue Date.

(d) The consent of the Holders is not necessary under this Indenture to approve the particular form of any proposed amendment. It is sufficient if such consent approves the substance of the proposed amendment. A consent to any amendment or waiver under this Indenture by any Holder of Notes given in connection with a tender of such Holder's Notes will not be rendered invalid by such tender.

(e) After an amendment under this Section 9.02 becomes effective, in the case of Holders of Definitive Notes, the Issuers shall mail to the Holders a notice briefly describing such amendment. The failure to give such notice to all Holders, or any defect therein, shall not impair or affect the validity of an amendment under this Section 9.02.

(f) The Notes issued on the Issue Date, and any Additional Notes, will be treated as a single class for all purposes under this Indenture, including with respect to waivers and amendments, except as otherwise stated in this Section 9.02.

Section 9.03 *Revocation and Effect of Consents and Waivers.*

(a) A written consent to an amendment or a waiver by a Holder shall bind the Holder and every subsequent Holder of that Note or portion of the Notes that evidences the same debt as the consenting Holder's Note, even if notation of the consent or waiver is not made on the Note. However, any such Holder or subsequent Holder may revoke the consent as to its Note if the Trustee receives written notice of revocation before the date the amendment, supplement or waiver becomes effective. After an amendment or waiver becomes effective, it shall bind every Holder. An amendment or waiver becomes effective upon the (i) receipt by the Issuers or the Trustee of the requisite number of consents, (ii) satisfaction of conditions to effectiveness as set forth in this Indenture and any indenture supplemental hereto containing such amendment or waiver and (iii) execution of such amendment or waiver (or supplemental indenture) by the Issuers and the Trustee.

(b) The Issuers may, but shall not be obligated to, fix a record date for the purpose of determining the Holders entitled to give their written consent or take any other action described above or required or permitted to be taken pursuant to this Indenture. If a record date is fixed, then notwithstanding Section 9.03(a) hereof, those Persons who were Holders at such record date (or their duly designated proxies), and only those Persons, shall be entitled to give such consent or to revoke any consent previously given or to take any such action, whether or not such Persons continue to be Holders after such record date. No such consent shall be valid or effective for more than 120 days after such record date.

Section 9.04 *Notation on or Exchange of Notes.*

If an amendment, modification or supplement changes the terms of a Note, the Trustee may require the Holder of the Note to deliver it to the Trustee. The Trustee may place an appropriate notation on the Note regarding the changed terms and return it to the Holder. Alternatively, if the Issuers or the Trustee so determines, the Issuers in exchange for the Note shall issue and the Trustee or an Authenticating Agent shall authenticate a new Note that reflects the changed terms. Failure to make the

appropriate notation or to issue a new Note shall not affect the validity of such amendment, modification or supplement.

Section 9.05 *Trustee to Sign Amendments.*

The Trustee shall sign any amendment authorized pursuant to this Article 9 if the amendment does not impose any personal obligations on the Trustee or adversely affect the rights, duties, liabilities or immunities of the Trustee under this Indenture. If it does, the Trustee may, but need not, sign it. In signing such amendment the Trustee shall be entitled to receive an indemnity and/or security satisfactory to it and to receive, and (subject to Section 7.01 and Section 7.02(n) hereof) shall be fully protected in relying upon, an Officer's Certificate and an Opinion of Counsel stating that such amendment complies with this Indenture and that such amendment has been duly authorized, executed and delivered and is the legally valid and binding obligation of the Issuers (if any) enforceable against it in accordance with its terms, subject to customary exceptions.

Notwithstanding the foregoing and Section 12.02(b) hereof, no Opinion of Counsel will be required for the Trustee to execute any amendment or supplement adding a new Guarantee of the Notes under this Indenture; *provided that* the execution thereof shall be deemed a representation by such guarantor(s) that (i) all conditions precedent and covenants, if any, relating to the execution of such supplemental indenture have been satisfied, (ii) that such executed supplemental indenture is substantially in the form attached as Exhibit D hereto (subject to the inclusion of any additional limitations under applicable laws on the obligations of such guarantor under its Guarantee of the Notes) and (iii) such supplemental indenture is enforceable in accordance with its terms subject to (A) bankruptcy, insolvency, reorganization, moratorium, fraudulent conveyance and similar laws affecting the rights and remedies of creditors generally and (B) general principles of equity.

For the avoidance of doubt, an Officer's Certificate (which the Trustee will be fully protected in relying upon and upon which the Trustee shall be entitled to rely without further enquiry or investigation) will be required for the Trustee to execute any amendment or supplement adding a new Guarantee of the Notes under this Indenture.

THE NOTES

Section 2.01 *Form and Dating.*

Each series of the Notes and the Trustee’s certificate of authentication with respect thereto will be substantially in the form of Exhibit A-1 (with respect to 2021 May Notes), Exhibit A-2 (with respect to 2021 September Notes), Exhibit A-3 (with respect to 2025 Notes) or Exhibit A-4 (with respect to 2028 Notes) hereto. The Notes may have notations, legends or endorsements required by law, stock exchange rule or usage and as provided herein. The Issuer shall approve the form of the Notes and any notation, legend or endorsement thereon. Each Note will be dated the date of its authentication. The terms and provisions contained in the Notes will constitute, and are hereby expressly made, a part of this Indenture, and the Issuer and the Trustee, by their execution and delivery of this Indenture, expressly agree to such terms and provisions and to be bound thereby. However, to the extent any provision of any Note conflicts

with the express provisions of this Indenture, the provisions of this Indenture shall govern and be controlling.

(a) *Global Notes.*

Global Notes issued in global form will be substantially in the form of Exhibit A-1 (with respect to 2021 May Notes), Exhibit A-2 (with respect to 2021 September Notes), Exhibit A-3 (with respect to 2025 Notes) or Exhibit A-4 (with respect to 2028 Notes) hereto (including the Global Note Legend thereon and the “Schedule of Increases or Decreases in the Global Note” attached thereto). Each Global Note will represent such of the outstanding Notes as will be specified therein and each shall provide that it represents the aggregate principal amount of outstanding Notes from time to time endorsed thereon and that the aggregate principal amount of outstanding Notes represented thereby may from time to time be reduced or increased, as appropriate, to reflect exchanges and redemptions and purchases and cancellations. Any endorsement of a Global Note to reflect the amount of any increase or decrease in the aggregate principal amount of outstanding Notes represented thereby will be made by the Registrar, the Notes Custodian or DTC, at the direction of the Registrar, in accordance with instructions given by the Holder thereof as required by Section 2.06.

(b) *Rule 144A Global Notes and Regulation S Global Notes.*

Notes offered and sold in reliance on Regulation S will be issued initially in the form of the Regulation S Temporary Global Note, each substantially in the form of Exhibit A-1 (with respect to 2021 May Notes), Exhibit A-2 (with respect to 2021 September Notes), Exhibit A-3 (with respect to 2025 Notes) or Exhibit A-4 (with respect to 2028 Notes) hereto, with such applicable legends as are provided in Exhibit A-1 (with respect to 2021 May Notes), Exhibit A-2 (with respect to 2021 September Notes), Exhibit A-3 (with respect to 2025 Notes) or Exhibit A-4 (with respect to 2028 Notes) except as otherwise permitted herein. Such Regulation S Temporary Global Note shall be deposited on behalf of the purchasers of the Notes represented thereby with the Registrar (or Notes Custodian), as custodian for the Depositary, and registered in the name of the Depositary or the nominee of the Depositary for the accounts of designated agents holding on behalf of Euroclear or Clearstream, duly executed by the Issuer and authenticated by the Trustee as hereinafter provided. Following the termination of the Restricted Period, beneficial interests in the Regulation S Temporary Global Note will be automatically exchanged for beneficial interests in the Regulation S Permanent Global Note, with no further action by the Issuer, pursuant to the Applicable Procedures, on the first day following the expiry of the Restricted Period. Simultaneously with the authentication of the Regulation S Permanent Global Note, the Trustee will cancel the Regulation S Temporary Global Note. The aggregate principal amount of the Regulation S Temporary Global Note and the Regulation S Permanent Global Note may from time to time be increased or decreased by adjustments made by the Trustee to the schedule of increases or decreases in the Global Note, in connection with transfers of interest as hereinafter provided.

Notes offered and sold to QIBs in reliance on Rule 144A shall be issued initially in the form of one or more Definitive Registered Notes or one or more Global Notes, each substantially in the form of Exhibit A-1 (with respect to 2021 May Notes), Exhibit A-2 (with respect to 2021 September Notes), Exhibit A-3 (with respect to 2025 Notes) or Exhibit A-4 (with respect to 2028 Notes) hereto, with such applicable legends as are provided in Exhibit A-1 (with respect to 2021 May Notes), Exhibit A-2 (with respect to 2021 September Notes), Exhibit A-3 (with respect to 2025 Notes) or Exhibit A-4 (with respect to 2028 Notes) except as otherwise permitted herein. Such Notes in the form of Global Notes (the “*Rule 144A Global Notes*”) shall be deposited on behalf of the purchasers of the Notes represented thereby with the Registrar (or Notes Custodian) as custodian for DTC, and registered in the name of Cede & Co., as nominee of DTC, for the accounts of DTC, duly executed by the Issuer and authenticated by the Trustee or the Authenticating Agent as hereinafter provided. The aggregate principal amount of the Rule 144A Global Notes may from

time to time be increased or decreased by adjustments made by the Registrar on Schedule A to the Rule 144A Global Notes and recorded in the register maintained by the Registrar, as hereinafter provided.

(c) *Definitive Registered Notes.*

Definitive Registered Notes shall be issued in accordance with this Indenture. Notes issued in definitive registered form will be substantially in the forms of Exhibit A-1 (with respect to 2021 May Notes), Exhibit A-2 (with respect to 2021 September Notes), Exhibit A-3 (with respect to 2025 Notes) or Exhibit A-4 (with respect to 2028 Notes) hereto (excluding the Global Note Legend thereon and without the "Schedule of Increases or Decreases in the Global Note" in the forms of Exhibits A-1, Exhibit A-2, Exhibit A-3, Exhibit A-4, attached thereto).

(d) *Book-Entry Provisions.*

The Applicable Procedures shall be applicable to Book-Entry Interests in the Global Notes that are held by Participants through DTC.

(e) *Denomination.*

The Notes shall be in minimum denominations of \$200,000 and in integral multiples of \$1,000 in excess thereof.

Section 2.02 *Execution and Authentication.*

At least one Officer must execute the Notes on behalf of the Issuer by manual, facsimile, or electronic (in ".pdf" format) signature. If an Officer whose signature is on a Note no longer holds that office at the time a Note is authenticated, the Note will nevertheless be valid.

A Note will not be valid until authenticated by the manual signature of the authorized signatory of the Trustee or its Authenticating Agent. The signature will be conclusive evidence that the Note has been authenticated under this Indenture. Notwithstanding the foregoing, if any Note shall have been authenticated and delivered hereunder but never issued and sold by the Issuer, the Issuer shall deliver such Note to the Trustee for cancellation pursuant to Section 2.11.

The Trustee or the Authenticating Agent will, upon receipt of a written order of the Issuer signed by an authorized representative (an "Authentication Order"), authenticate the Notes for original issue that may be validly issued under this Indenture, including any Additional Notes. The aggregate principal amount of Notes outstanding at any time may not exceed the aggregate principal amount of Notes authorized for issuance by the Issuer pursuant to one or more Authentication Orders, except as provided in Section 2.07.

The Trustee may appoint one or more authentication agents (each, an "Authenticating Agent") to authenticate Notes. Such an agent may authenticate Notes whenever the Trustee may do so. Each reference in this Indenture to authentication by the Trustee includes authentication by such agent. An Authenticating Agent has the same rights as an Agent to deal with Holders or an Affiliate of the Issuer. The Trustee hereby appoints Deutsche Bank Trust Company Americas as its Authenticating Agent in respect of the Notes. Deutsche Bank Trust Company Americas accepts such appointment, and the Issuer hereby confirms these appointments.

Section 2.03 *Transfer Agent, Registrar and Paying Agent.*

(a) The Issuer shall maintain an office or agency where Notes may be presented for registration (the “*Registrar*”) in New York, New York and where Notes may be presented for payment (the “*Paying Agent*”); provided that payments on Global Notes will be made to Cede & Co. as the registered holder of the Global Notes, which will in turn make such payments to DTC or its nominee. The Registrar shall keep a register reflecting ownership of the Notes outstanding from time to time and of their transfer and exchange. In addition, the Issuer shall maintain an office or agency in New York, New York where Notes may be presented for transfer or exchange (the “*Transfer Agent*”). The Issuer may have one or more co-registrars and one or more additional transfer and paying agents. The terms “*Paying Agent*” and “*Transfer Agent*” include the Paying Agent, the Transfer Agent and any additional paying agent or transfer agent, as applicable, and the term “*Registrar*” includes any co-registrars. The Issuer initially appoints Deutsche Bank Trust Company Americas, in New York, who accepts such appointment, as Paying Agent. The Issuer initially appoints Deutsche Bank Trust Company Americas, in respect of the Notes, who accepts such appointment, as Transfer Agent. The Issuer initially appoints Deutsche Bank Trust Company Americas, in respect of the Notes, who accepts such appointment, as Registrar. The Registrar shall provide a copy of the register and any update thereof to the Issuer upon request. The Company initially appoints The Depository Trust Company to act as Depository with respect to the Global Notes. The Company initially appoints the Trustee to act as Paying Agent and Registrar for the Notes and to act as Custodian with respect to the Global Notes.

(b) The Issuer shall enter into an appropriate agency agreement with any Registrar or Paying Agent not a party to this Indenture. Such agreement shall implement the provisions of this Indenture that relate to such agent. The Issuer shall notify the Trustee of the name and address of any such agent. If the Issuer fails to maintain a Transfer Agent, Registrar or Paying Agent, the Trustee may act, or may arrange for appropriate parties to act, as such and shall be entitled to appropriate compensation therefor pursuant to Section 7.07. The Issuer or any Restricted Subsidiary may act as Paying Agent or Registrar in respect of the Notes.

(c) The Issuer may change any Registrar, Paying Agent or Transfer Agent upon written notice to such Registrar, Paying Agent or Transfer Agent and to the Trustee, without prior notice to the Holders; *provided, however*, that no such removal shall become effective until (i) acceptance of an appointment by a successor as evidenced by an appropriate agreement entered into by the Issuer and such successor Registrar, Paying Agent, or Transfer Agent, as the case may be, and delivered to the Trustee or (ii) notification to the Trustee that the Trustee shall, to the extent that it determines that it is able, serve as Registrar or Paying Agent or Transfer Agent until the appointment of a successor in accordance with clause (i) above. The Registrar, Paying Agent or the Transfer Agent may resign by providing 30 days’ written notice to the Issuer and the Trustee.

If any Notes are listed on an exchange and the rules of such exchange so require, the Issuer will satisfy any requirement of such exchange as to Paying Agents, Registrars and Transfer Agents and will comply with any notice requirements required under such exchange in connection with any change of Paying Agent, Registrar or Transfer Agent.

Section 2.04 *Paying Agent not a party to this Indenture to Hold Money.*

No later than 10:00 a.m. (New York time) on the Business Day that is the due date of the principal of, interest and premium (if any) on any Note, the Issuer shall deposit with the Paying Agent (or if the Issuer or a Restricted Subsidiary of the Issuer is acting as Paying Agent, segregate and hold in trust for the benefit of, or to the extent the concept of trust is not recognized in the relevant jurisdiction, hold on behalf of and for the benefit of, the Persons entitled thereto) a sum sufficient to pay such principal, interest and premium (if any) when so becoming due and, subject to receipt of such moneys, the Paying Agent shall make payment on the Notes in accordance with this Indenture. The Issuer shall require each Paying Agent that is not a

party to this Indenture to agree in writing (and any Paying Agent party to this Indenture agrees) that such Paying Agent shall hold for the benefit of the Trustee all money held by the Paying Agent for the payment of principal of, interest and premium (if any) on the Notes and shall notify the Trustee of any default by the Issuer (or any other obligor on the Notes) in making such payment. The Issuer shall, no later than 10:00 a.m. (New York time) the Business Day prior to the date on which such payment is due, send to the Paying Agent an irrevocable payment instruction. If the Issuer or a Restricted Subsidiary acts as Paying Agent, it shall segregate the money held by it as Paying Agent and hold it as a separate trust fund. The Issuer at any time may require a Paying Agent to pay all money held by it to the Trustee and to account for any funds disbursed by the Paying Agent. Upon complying with this Section 2.04, the Paying Agent shall have no further liability for the money delivered to the Trustee. For the avoidance of doubt, the Paying Agent and the Trustee shall be held harmless and have no liability or obligation with respect to payments or disbursements to be made by the Paying Agent and Trustee (i) for which payment instructions are not made or that are not otherwise deposited by the respective times set forth in this Section 2.04, and (ii) until they have confirmed receipt of funds sufficient to make the relevant payment.

In the event that the funds received by the Paying Agent to be applied in accordance with this Section 2.04 exceeds the amount necessary to satisfy all of the Issuer's obligations pursuant to the Notes and this Indenture, upon request by the Issuer, the Paying Agent shall promptly furnish the Issuer with such excess amount.

Section 2.05 *Holder Lists.*

The Registrar shall preserve in as current a form as is reasonably practicable the most recent list available to it of the names and addresses of Holders. Following the exchange of beneficial interests in Global Notes for Definitive Registered Notes, the Issuer shall furnish, or cause the Registrar to furnish, to the Trustee, in writing at least five Business Days before each interest payment date, and at such other times as the Trustee may reasonably require, the names and addresses of Holders of such Definitive Registered Notes.

Section 2.06 *Transfer and Exchange.*

(a) *Transfer and Exchange of Global Notes.*

A Regulation S Global Note or Rule 144A Global Note may not be transferred except as a whole by DTC to a Notes Custodian or a nominee of such Notes Custodian, by a Notes Custodian or a nominee of such Notes Custodian to DTC or to another nominee or Notes Custodian of DTC, or by such Notes Custodian or DTC or any such nominee to a successor of DTC or a Notes Custodian or a nominee thereof.

All Global Notes will be exchanged by the Issuer for Definitive Registered Notes:

- (1) if DTC notifies the Issuer that it is unwilling or unable to continue to act as depositary and a successor depositary is not appointed by the Issuer within 120 days;
- (2) if DTC so requests following an Event of Default under this Indenture; or
- (3) if the owner of a Book-Entry Interest requests such exchange in writing delivered through DTC, following an Event of Default under this Indenture; *provided* that in no event shall the Regulation S Temporary Global Note be exchanged by the Issuer for Definitive Notes prior to (A) the expiration of the Restricted Period and (B) the receipt by the Registrar of any certificates required pursuant to Rule 903(b)(3)(ii)(B) under the Securities Act.

Upon the occurrence of any of the preceding events in clauses (1) through (3) above, the Issuer shall issue Definitive Registered Notes registered in the name or names and issued in any approved denominations, as requested by or on behalf of DTC (in accordance with their respective customary procedures and based upon directions received from participants reflecting the beneficial ownership of Book-Entry Interests), to the Trustee and the Registrar, and such transfer or exchange shall be recorded in the Register.

Global Notes also may be exchanged or replaced, in whole or in part, as provided in Sections 2.07 and 2.10. A Global Note may not be exchanged for another Note other than as provided in this Section 2.06(a). Book-Entry Interests in a Global Note may be transferred and exchanged as provided in Section 2.06(b) or (c).

(b) *General Provisions Applicable to Transfer and Exchange of Book-Entry Interests in the Global Notes.*

The transfer and exchange of Book-Entry Interests shall be effected through DTC in accordance with the provisions of this Indenture and the Applicable Procedures. In connection with all transfers and exchanges of Book-Entry Interests (other than transfers of Book-Entry Interests in connection with which the transferee takes delivery thereof in the form of a Book-Entry Interest in the same Global Note), the Transfer Agent (copied to the Trustee) must receive: (i) a written order from a Participant or an Indirect Participant given to DTC in accordance with the Applicable Procedures directing DTC to debit from the transferor a Book-Entry Interest in an amount equal to the Book-Entry Interest to be transferred or exchanged; (ii) a written order from a Participant or an Indirect Participant given to DTC in accordance with the Applicable Procedures directing DTC to credit or cause to be credited a Book-Entry Interest in another Global Note in an amount equal to the Book-Entry Interest to be transferred or exchanged; and (iii) instructions given in accordance with the Applicable Procedures containing information regarding the Participant account to be credited or debited with such increase or decrease, if applicable.

In connection with a transfer or exchange of a Book-Entry Interest for a Definitive Registered Note, the Transfer Agent (copied to the Trustee and the Registrar) must receive: (i) a written order from a Participant or an Indirect Participant given to DTC in accordance with the Applicable Procedures directing DTC to debit from the transferor a Book-Entry Interest in an amount equal to the Book-Entry Interest to be transferred or exchanged; (ii) a written order from a Participant directing the Registrar to cause to be issued a Definitive Registered Note in an amount equal to the Book-Entry Interest to be transferred or exchanged; and (iii) instructions containing information regarding the Person in whose name such Definitive Registered Note shall be registered to effect the transfer or exchange referred to above.

In connection with any transfer or exchange of Definitive Registered Notes, the Holder of such Notes shall present or surrender to the Registrar the Definitive Registered Notes duly endorsed or accompanied by a written instruction of transfer in a form satisfactory to the Registrar duly executed by such Holder or by its attorney, duly authorized in writing. In addition, in connection with a transfer or exchange of a Definitive Registered Note for a Book-Entry Interest, the Transfer Agent (copied to the Trustee) must receive a written order directing DTC to credit the account of the transferee in an amount equal to the Book-Entry Interest to be transferred or exchanged.

Upon satisfaction of all of the requirements for transfer or exchange of Book-Entry Interests in Global Notes (other than transfers of Book-Entry Interests in connection with which the transferee takes delivery thereof in the form of a Book-Entry Interest in the same Global Note) contained in this Indenture, the Transfer Agent (copied to the Trustee or the Registrar), as specified in this Section 2.06, shall endorse the Global Note(s) with any increase or decrease and instruct DTC to reflect such increase or decrease in its systems.

53

Transfers of Book-Entry Interests shall be subject to restrictions on transfer comparable to those set forth herein to the extent required by the Securities Act. Transfers and exchanges of Book-Entry Interests for Book-Entry Interests also shall require compliance with either subparagraph (b)(1) or (b)(2) below, as applicable, as well as subparagraph (b)(3) below, if applicable:

(1) *Transfer of Book-Entry Interests in the Same Global Note.* Book-Entry Interests will be limited to persons that have accounts with DTC or persons that may hold interests through such participants. Book-Entry Interests in a Global Note may be transferred to Persons who take delivery thereof in the form of a Book-Entry Interest in a Global Note in accordance with the transfer restrictions set forth in the Private Placement Legend; *provided, however*, that prior to the expiration of the Restricted Period, Book-Entry Interests in the Regulation S Temporary Global Note will be limited to persons who hold interests in an Euroclear or Clearstream account, and any sale or transfer of such interest to U.S. persons shall not be permitted during the Restricted Period unless such resale or transfer is made pursuant to Rule 144A. No written orders or instructions shall be required to be delivered to the Trustee to effect the transfers described in this Section 2.06(b)(1).

(2) *All Other Transfers and Exchanges of Book-Entry Interests in Global Notes.* A Holder may transfer or exchange a Book-Entry Interest in Global Notes in a transaction not subject to Section 2.06(b)(1) above only if the Trustee and the Registrar or the Transfer Agent (copied to the Trustee) receives either:

(A) both:

(i) a written order from a Participant or an Indirect Participant given to DTC in accordance with the Applicable Procedures directing DTC to credit or cause to be credited a Book-Entry Interest in another Global Note in an amount equal to the Book-Entry Interest to be transferred or exchanged; and

(ii) instructions given by DTC in accordance with the Applicable Procedures containing information regarding the Participant's account to be credited with such increase; or

(B) both:

(i) a written order from a Participant or an Indirect Participant given to DTC in accordance with the Applicable Procedures directing DTC to cause to be issued a Definitive Registered Note in an amount equal to the Book-Entry Interest to be transferred or exchanged; and

54

(3) *Transfer of Book-Entry Interests to Another Global Note.* A Book-Entry Interest in any Global Note may be transferred to a Person who takes delivery thereof in the form of a Book-Entry Interest in another Global Note if the transfer complies with the requirements of Section 2.06(b)(2) above and the Registrar receives the following:

(A) if the transferee will take delivery in the form of a Book-Entry Interest in a Rule 144A Global Note, then the transferor must deliver a certificate in the form of Exhibit B hereto, including the certifications in item (1) thereof; and

(c) *Transfer or Exchange of Book-Entry Interests in Global Notes for Definitive Registered Notes.*

If any holder of a Book-Entry Interest in a Global Note proposes to exchange such Book-Entry Interest for a Definitive Registered Note or to transfer such Book-Entry Interest to a Person who takes delivery thereof in the form of a Definitive Registered Note, then, upon receipt by the Trustee and the Registrar of the following documentation:

the Paying Agent or Registrar shall cause the aggregate principal amount of the applicable Global Note to be reduced accordingly pursuant to Section 2.06(h), and the Issuer shall execute and the Trustee or its

Authenticating Agent shall authenticate and deliver to the Person designated in the instructions a Definitive Registered Note in the appropriate principal amount. Any Definitive Registered Note issued in exchange for, or upon transfer of, a Book-Entry Interest in a Global Note pursuant to this clause (c) shall be registered in such name or names and in such authorized denomination or denominations as the holder of such Book-Entry Interest shall instruct the Registrar through instructions from DTC and the Participant or Indirect Participant. The Registrar shall deliver (or cause to be delivered) such Definitive Registered Notes to the Persons in whose names such Notes are so registered. Any Definitive Registered Note issued in exchange for a Book-Entry Interest in a Global Note pursuant to this clause (c) shall bear the Private Placement Legend and shall be subject to all restrictions on transfer contained therein.

(d) *Transfer and Exchange of Definitive Registered Notes for Book-Entry Interests in the Global Notes.* If any Holder of a Definitive Registered Note proposes to exchange such Note for a Book-Entry Interest in a Global Note or to transfer such Definitive Registered Notes to a Person who takes delivery thereof in the form of a Book-Entry Interest in a Global Note, then, upon receipt by the Trustee, the Transfer Agent and the Registrar of the following documentation:

Definitive Registered Notes may be transferred or exchanged in whole or in part, in minimum denominations of \$200,000 in principal amount and integral multiples of \$1,000 in excess thereof to persons who take delivery thereof in the form of Definitive Registered Notes in accordance with this clause (e). Upon request by a Holder of Definitive Registered Notes and such Holder's compliance with the provisions of this clause (e), the Transfer Agent or the Registrar will register the transfer or exchange of Definitive Registered Notes of which registration the Issuer will be informed of by the Transfer Agent or the Registrar (as the case may be) upon request. Prior to such registration of transfer or exchange, the requesting Holder must present or surrender to the Transfer Agent or the Registrar the Definitive Registered Notes duly endorsed and accompanied by a written instruction of transfer in a form satisfactory to the Transfer Agent or the Registrar duly executed by such Holder or its attorney, duly authorized to execute the same in writing. In the event that the Holder of such Definitive Registered Notes does not transfer the entire principal amount

of Notes represented by any such Definitive Registered Note, the Transfer Agent or the Registrar will cancel or cause to be cancelled such Definitive Registered Note and the Issuer (who has been informed of such cancellation) shall execute and the Trustee or the Authenticating Agent, upon receipt of an Authentication Order, shall authenticate and deliver to the requesting Holder and any transferee Definitive Registered Notes in the appropriate principal amounts. In addition, the requesting Holder shall provide any additional certifications, documents and information, as applicable, required pursuant to the following provisions of this clause (e).

Any Definitive Registered Note may be transferred to and registered in the name of Persons who take delivery thereof in the form of a Definitive Registered Note if the Registrar receives the following:

(4) All Global Notes and Definitive Registered Notes issued upon any registration of transfer or exchange of Global Notes or Definitive Registered Notes will be the valid obligations of the Issuer, evidencing the same debt, and entitled to the same benefits under this Indenture, as the Global Notes or Definitive Registered Notes surrendered upon such registration of transfer or exchange.

(5) Except as may be separately agreed by the Issuer, the Issuer shall not be required to register the transfer into its register kept at its registered office of any Definitive Registered Notes: (A) for a period of 15 calendar days prior to any date fixed for the redemption of the Notes under Section 3.03; (B) for a period of 15 calendar days immediately prior to the date fixed for selection of Notes to be redeemed in part; (C) for a period of 15 calendar days prior to the record date with respect to any interest payment date; or (D) which the Holder has tendered (and not withdrawn) for repurchase in connection with a Change of Control Offer or an Asset Disposition Offer. Any such transfer will be made without charge to the Holder, other than any taxes, duties and governmental charges payable in connection with such transfer.

(6) The Trustee, any Agent and the Issuer shall deem and treat the Person in whose name any Note is registered in the register maintained by the Registrar as the absolute owner of such Note for the purpose of receiving payment of principal of (and premium, if any) or interest on such Notes and for all other purposes, and none of the Trustee, any Agent or the Issuer shall be affected by notice to the contrary.

(7) All certifications, certificates and Opinions of Counsel required to be submitted to the Issuer, the Trustee or the Registrar pursuant to this Section 2.06 to effect a registration of transfer or exchange may be submitted initially by facsimile with originals to be delivered promptly thereafter to the Trustee.

None of the Trustee or any Agent shall have any responsibility or obligation to any beneficial owner in a Global Note, a Participant or other Person with respect to the accuracy of the records of the Depositary or its nominee or of any Participant, with respect to any ownership interest in a Global Note or with respect to the delivery to any Participant, beneficial owner or other Person (other than the Depositary or its nominee) of any notice (including any notice of redemption) or the payment of any amount (other than the Depositary or its nominee), under or with respect to such Global Notes. All notices and communications to be given to the Holders and all payments to be made to Holders under the Notes and this Indenture shall be given or made only to or upon the order of the registered holders (which shall be the Depositary or its nominee in the case of the Global Note). The rights of beneficial owners in the Global Note shall be exercised only through the Depositary subject to the applicable procedures. The Trustee and the Agents shall be entitled to rely and shall be fully protected in relying upon information furnished by the Depositary with respect to its members, Participants and any beneficial owners. The Trustee and the Agents shall be entitled to deal with the Depositary, and any nominee thereof, that is the registered holder of any Global Note for all purposes of this Indenture relating to such Global Note (including the payment of principal, premium, if any, and interest and additional amounts, if any, and the giving of instructions or directions by or to the owner or holder of a beneficial ownership interest in such Global Note) as the sole holder of such

Section 2.07 *Replacement Notes.*

If a mutilated Note is surrendered to the Registrar or if the Holder claims that the Note has been lost, destroyed or wrongfully taken, the Issuer shall issue and the Trustee or the Authenticating Agent, upon receipt of an Authentication Order, shall authenticate a replacement Note if the requirements of Section 8-405 of the Uniform Commercial Code are met, such that the Holder (a) notifies the Issuer or the Trustee within a reasonable time after such Holder has notice of such loss, destruction or wrongful taking and the Registrar does not register a transfer prior to receiving such notification, (b) makes such request to the Issuer or the Trustee prior to the Note being acquired by a protected purchaser as defined in Section 8-303 of the Uniform Commercial Code (a “*protected purchaser*”) and (c) satisfies any other reasonable requirements of the Trustee. If required by the Trustee or the Issuer, such Holder shall furnish an indemnity bond sufficient in the judgment of the Trustee and the Issuer to protect the Issuer, the Trustee, the Authenticating Agent, Paying Agent and the Registrar from any loss that any of them may suffer if a Note is replaced. The Issuer and the Trustee may charge the Holder for their expenses in replacing a Note including, but not limited to, reasonable fees and expenses of counsel and any tax that may be imposed with respect to the replacement of such Note. In the event any such mutilated, lost, destroyed or wrongfully taken Note has become or is about to become due and payable, the Issuer in its discretion may pay such Note instead of issuing a new Note in replacement thereof.

Every replacement Note is an additional obligation of the Issuer.

The provisions of this Section 2.07 are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, lost, destroyed or wrongfully taken Notes.

Section 2.08 *Outstanding Notes.*

Notes outstanding at any time are all Notes authenticated by the Trustee or the Authenticating Agent except for those canceled by it pursuant to Section 2.11, those delivered to it for cancellation and those described in this Section 2.08 as not outstanding. Subject to Section 12.04, a Note does not cease to be outstanding because the Issuer or an Affiliate of the Issuer holds the Note. If a Note is replaced pursuant to Section 2.07, it ceases to be outstanding unless the Trustee and the Issuer receive proof satisfactory to them that the replaced Note is held by a protected purchaser (as defined in Section 8-303 of the Uniform Commercial Code).

If the principal amount of any Note is considered paid under Section 4.01, it ceases to be outstanding and interest on it ceases to accrue.

If the Paying Agent receives (or if the Issuer or a Subsidiary of the Issuer is acting as Paying Agent and such Paying Agent segregates and holds in trust) in accordance with this Indenture, no later than 10:00 a.m. (New York time) on the Business Day that is a redemption date or maturity date, money sufficient to pay all principal and interest and premium, if any, payable on that date with respect to the Notes (or portions thereof) to be redeemed or maturing, as the case may be, and the Paying Agent is not prohibited from paying

such amount to the Holders on that date pursuant to the terms of this Indenture, then on and after that date such Notes (or portions thereof) cease to be outstanding and interest on them ceases to accrue.

Section 2.09 *Treasury Notes.*

- (a) The Issuer shall promptly notify the Trustee of any Notes owned by the Issuer or any Affiliate of the Issuer.

Section 2.10 *Temporary Notes.*

In the event that Definitive Registered Notes are to be issued under the terms of this Indenture, until such Definitive Registered Notes are ready for delivery, the Issuer, may prepare and the Trustee or the Authenticating Agent, upon receipt of an Authentication Order, shall authenticate temporary Notes. Temporary Notes shall be substantially in the form of Definitive Registered Notes but may have variations that the Issuer considers appropriate for temporary Notes. Without unreasonable delay, the Issuer shall prepare and the Trustee or the Authenticating Agent, upon receipt of an Authentication Order, shall authenticate Definitive Registered Notes and deliver them in exchange for temporary Notes upon surrender of such temporary Notes at the office or agency of the Issuer, without charge to the Holder.

Section 2.11 *Cancellation.*

The Issuer at any time may deliver Notes to the Registrar for cancellation. The Trustee and the Paying Agent shall forward to the Registrar any Notes surrendered to them for registration of transfer, exchange or payment. The Registrar (or an agent authorized by the Registrar) and no one else shall cancel all Notes surrendered for registration of transfer, exchange, payment or cancellation and shall dispose of canceled Notes in accordance with its customary procedures or deliver canceled Notes to the Issuer pursuant to written direction by an Officer of the Issuer. Upon the written request of the Issuer, certification of the destruction of all canceled Notes shall be delivered to the Issuer. The Issuer may not issue new Notes to replace Notes it has redeemed or delivered to the Registrar for cancellation. If the Issuer shall acquire any of the Notes, such acquisition shall not operate as a redemption or satisfaction of the Indebtedness represented by such Notes, unless and until the same are surrendered to the Registrar for cancellation pursuant to this Section 2.11. Neither the Trustee nor the Authenticating Agent shall authenticate Notes in place of canceled Notes other than pursuant to the terms of this Indenture.

Section 2.12 *Defaulted Interest.*

If the Issuer defaults in a payment of interest on the Notes, it will pay the defaulted interest in any lawful manner plus, to the extent lawful, interest payable on the defaulted interest, to the Persons who are Holders on a subsequent special record date, in each case at the rate provided in the Notes and in Section 4.01. The Issuer will notify the Trustee in writing of the amount of defaulted interest proposed to be paid on each series of Notes and the date of the proposed payment. The Issuer will fix or cause to be fixed each such special record date and payment date; *provided* that no such special record date may be less than 10 days prior to the related payment date for such defaulted interest. At least 15 days before the special record date, the Issuer (or, upon the written request of the Issuer, the Trustee in the name and at the expense of the Issuer) will mail or cause to be mailed to the Holders in accordance with Section 12.01 a notice that states the special record date, the related payment date and the amount of such interest to be paid.

Section 2.13 *Series of Notes; Further Issues*

- (a) Each of the 2021 May Notes, 2021 September Notes, 2025 Notes and 2028 Notes will constitute a separate series of Notes but will be treated as a single class of securities for all purposes of this

Indenture, including for purposes of voting and taking all other actions by Holders of the Notes, except as otherwise specified in this Indenture.

(b) Subject to compliance with Section 4.04, the Issuer may from time to time issue Additional Notes ranking *pari passu* with the Initial Notes and with the same terms as to status, redemption and otherwise as such Notes (save for payment of interest accruing prior to the issue date of such Additional Notes or for the first payment of interest following the issue date of such Additional Notes). Each series of Additional Notes, each series of Initial Notes and any previously issued Additional Notes of such series will be consolidated and treated as a single class for all purposes under this Indenture, including, without limitation, waivers, amendments, redemptions, and offers to purchase except as otherwise specified with respect to each series of Notes. Unless the context otherwise requires, for all purposes of this Indenture, references to the Notes include any Additional Notes actually issued. Additional Notes may also be designated as 2021 May Additional Notes, 2021 September Additional Notes, 2025 Additional Notes or 2028 Additional Notes, but only if having terms substantially identical in all material respects to the 2021 May Original Notes, the 2021 September Original Notes, the 2025 Original Notes or the 2028 Original Notes, respectively. The 2021 May Original Notes and any 2021 May Additional Notes shall be deemed to form one series, and references to the 2021 May Notes shall be deemed to refer to the 2021 May Notes originally issued on the Combination Date as well as any 2021 May Additional Notes. The 2021 September Original Notes and any 2021 September Additional Notes shall be deemed to form one series, and references to the 2021 September Notes shall be deemed to include the 2021 September Notes originally issued on the Combination Date as well as any 2021 September Additional Notes. The 2025 Original Notes and any 2025 Additional Notes shall be deemed to form one series, and references to the 2025 Notes shall be deemed to refer to the 2025 Notes originally issued on the Combination Date as well as any 2025 Additional Notes. The 2028 Original Notes and any 2028 Additional Notes shall be deemed to form one series, and references to the 2028 Notes shall be deemed to refer to the 2028 Notes originally issued on the Combination Date as well as any 2028 Additional Notes.

(c) Whenever it is proposed to create and issue any Additional Notes, the Issuer shall give to the Trustee not less than three Business Days' notice in writing of its intention to do so, stating the amount of Additional Notes proposed to be created and issued.

Section 2.14 *Common Codes, ISIN and CUSIP Numbers.*

The Issuer in issuing the Notes may use Common Codes, ISIN and CUSIP numbers (if then generally in use) and, if so, the Issuer shall use Common Codes, ISIN and CUSIP numbers in notices of redemption as a convenience to Holders; *provided, however*, that any such notice may state that no representation is made as to the correctness of such numbers either as printed on the Notes or as contained in any notice of a redemption and that reliance may be placed only on the other identification numbers printed on the Notes, and any such redemption shall not be affected by any defect in or omission of such numbers. In order for any Initial Notes and/or Additional Notes to have the same CUSIP number and ISIN as another applicable series of Notes, such Initial Notes and/or Additional Notes must be fungible with the applicable Notes for U.S. federal income tax purposes. If any Initial Notes and/or Additional Notes are not fungible with the applicable series of Notes, such Initial Notes and/or Additional Notes shall have a different ISIN and/or Common Code number (or other applicable identifying number). The Issuer will promptly notify the Trustee and the Paying Agent, in writing, of any change in the Common Code, ISIN or CUSIP numbers.

Section 2.15 *Currency Indemnity.*

The sole currency of account and payment for all sums payable by the Issuer under or in connection with the Notes is U.S. dollars, including damages. Any amount received or recovered in a currency other

than U.S. dollars, whether as a result of, or the enforcement of, a judgment or order of a court of any jurisdiction, in the winding-up or dissolution of the Issuer or otherwise by any Holder or by the Trustee, in respect of any sum expressed to be due to it from the Issuer will only constitute a discharge to the Issuer, to the extent of the U.S. dollar, as the case may be, which the recipient is able to purchase with the amount so received or recovered in that other currency on the date of that receipt or recovery (or, if it is not practicable to make that purchase on that date, on the first date on which it is practicable to do so).

If that U.S. dollar amount is less than the U.S. dollar amount expressed to be due to the recipient or the Trustee under any Note, the Issuer will indemnify them against any loss sustained by such recipient or the Trustee as a result. In any event, the Issuer will indemnify the recipient or the Trustee on a joint or several basis against the cost of making any such purchase. For the purposes of this currency indemnity provision, it will be *prima facie* evidence of the matter stated therein for the Holder of a Note or the Trustee to certify in a manner reasonably satisfactory to the Issuer (indicating the sources of information used) the loss it Incurred in making any such purchase. These indemnities constitute a separate and independent obligation from the Issuer's other obligations, will give rise to a separate and independent cause of action, will apply irrespective of any waiver granted by any Holder of a Note or the Trustee (other than a waiver of the indemnities set out herein) and will continue in full force and effect despite any other judgment, order, claim or proof for a liquidated amount in respect of any sum due under any Note or to the Trustee.

Section 2.16 *Deposit of Moneys.*

No later than 10:00 a.m. (New York time) on the Business Day that is an interest payment date, the maturity date of the Notes and each payment date relating to an Asset Disposition Offer or a Change of Control Offer, and on the Business Day immediately following any acceleration of the Notes pursuant to Section 6.02, the Issuer shall deposit with the Paying Agent, in immediately available funds, money in dollars sufficient to make cash payments, if any, due on such day or date, as the case may be. Subject to actual receipt of such funds as provided by this Section 2.16 by the designated Paying Agent, such Paying Agent shall remit such payment in a timely manner to the Holders on such day or date, as the case may be, to the Persons and in the manner set forth in paragraph 2 of the Notes; *provided, however*, that no Paying Agent shall be obliged to make a payment until it has received funds sufficient to make such payment. The Issuer shall promptly notify the Trustee and the Paying Agent of its failure to so act.

Section 2.17 *Agents.*

(a) The rights, powers, duties and obligations and actions of each Agent under this Indenture are several and not joint or joint and several, and the Agents shall only be obliged to perform those duties expressly set out in this Indenture and shall have no implied duties.

(b) The Issuer and the Agents acknowledge and agree that in the event of a Default or Event of Default, the Trustee may, by notice in writing to the Issuer and the Agents, require that the Agents act as agents of, and take instructions exclusively from, the Trustee. Until they have received such written notice from the Trustee, the Agents shall act solely as agents of the Issuer and need have no concern for the interests of the Holders.

ARTICLE 3
REDEMPTION

Section 3.01 *Notices to Trustee.*

If the Issuer elects to redeem Notes pursuant to Section 3.07, it shall notify the Trustee and the Paying Agent of the redemption date and the principal amount of Notes to be redeemed and the section of the Note pursuant to which the redemption will occur.

Unless otherwise specified, the Issuer shall give each notice in writing to the Trustee and the Paying Agent in writing provided for in this Article 3 at least 10 days, but not more than 60 days, before the redemption date unless the Trustee or the Paying Agent (as the case may be) consents to a shorter period in its sole discretion. In the case of a redemption pursuant to Section 3.07, prior to the publication or, where relevant, mailing of any notice of redemption of the Notes pursuant to Section 3.03, the Issuer will deliver such notice along with an Officer's Certificate from the Issuer to the Trustee to the effect that such redemption will comply with the conditions herein. The Trustee will accept and shall be entitled to rely conclusively and without further inquiry on such Officer's Certificate and Opinion of Counsel as sufficient evidence of the existence and satisfaction of the conditions precedent as described in Sections 3.07, in which event it will be conclusive and binding on the Holders.

Section 3.02 *Selection of Notes to Be Redeemed or Repurchased.*

If less than all of the Notes of a series are to be redeemed at any time, the Notes of such series for redemption will be selected in accordance with the procedures of DTC, or if DTC prescribes no method of selection, then the Issuer will instruct the Trustee or the Registrar to select the Notes for redemption in compliance with the requirements of the principal securities exchange, if any, on which the Notes of such series are listed, as certified to the Trustee or the Registrar or if the Notes of such series are not so listed or such exchange prescribes no method of selection, then based on a method that most nearly approximates a *pro rata* selection or by lot; *provided, however*, that no Note of \$200,000 in aggregate principal amount or less shall be redeemed in part and only Notes in integral multiples of \$1,000 will be redeemed. Neither the Trustee nor the Registrar will be liable for any selections made by it or DTC in accordance with this Section 3.02.

Section 3.03 *Notice of Redemption.*

(a) Other than as provided in Section 3.03(b), not less than 10 days but not more than 60 days before a date for redemption of Notes, the Issuer shall transmit a notice of redemption in accordance with Section 12.01. If such Notes are in global form, notice of redemption will be delivered to DTC for communication to the entitled account holders.

The notice shall identify the Notes to be redeemed and shall state:

- (1) the redemption date and the record date;
- (2) the redemption price, and, if applicable, the appropriate calculation of such redemption price and the amount of accrued interest to the redemption date;
- (3) the name and address of the Paying Agent;
- (4) that Notes called for redemption must be surrendered to the Paying Agent to collect the redemption price;
- (5) if fewer than all the outstanding Notes of a series are to be redeemed, the certificate numbers and principal amounts of the particular Notes to be redeemed;

- (6) that, unless the Issuer defaults in making such redemption payment or the Paying Agent is prohibited from making such payment pursuant to the terms of this Indenture, interest on Notes (or portion thereof) called for redemption ceases to accrue on and after the redemption date;
- (7) the Common Codes, ISIN or CUSIP number, as applicable, if any, printed on the Notes being redeemed;
- (8) the paragraph of the Notes or section of this Indenture pursuant to which the Notes are being redeemed;
- (9) that no representation is made as to the correctness or accuracy of the Common Codes, ISIN or CUSIP number, as applicable, if any, listed in such notice or printed on the Notes; and
- (10) if any series of Notes is to be redeemed in part only, the portion of the principal amount thereof to be redeemed.

(b) At the Issuer's request and expense, the Trustee or the Paying Agent shall give the notice of redemption in the Issuer's name. In such event, the Issuer shall provide the Trustee and the Paying Agent at least two Business Days prior to the date on which notice of redemption is to be delivered to Holders (unless a shorter period of time is acceptable to the Trustee and the Paying Agent), an Officer's Certificate requesting the Trustee or the Paying Agent to give such notice and also containing the information required to be contained in such notice pursuant to this Section 3.03.

Section 3.04 *Effect of Notice of Redemption.*

Once notice of redemption is delivered, Notes called for redemption become due and payable, on the redemption date and at the redemption price stated in the notice, plus accrued interest, if any, to, but not including, the redemption date, *provided, however*, that any redemption notice given in respect of the redemption referred to in Section 3.07 may, at the Issuer's discretion, be subject to the satisfaction of one or more conditions precedent as set forth in Section 3.07(d). Upon surrender to the Paying Agent, the Notes shall be paid at the redemption price stated in the notice, plus accrued interest, if any, to, but not including, the redemption date; *provided, however*, that if the redemption date is after a regular record date and on or prior to the interest payment date, the accrued interest shall be payable to the Holder of the redeemed Notes registered on the relevant record date. Failure to give notice or any defect in the notice to any Holder shall not affect the validity of the notice to any other Holder.

Section 3.05 *Deposit of Redemption Price.*

Section 3.10 *[Reserved]*

ARTICLE 4
COVENANTS

Section 4.01 *Payment of Notes.*

The Issuer shall promptly pay the principal of and interest on the Notes on the dates and in the manner provided in the Notes and in this Indenture. Principal and interest shall be considered paid on the date due if on such date the Trustee or the Paying Agent holds in accordance with this Indenture money sufficient to pay all principal and interest then due and the Trustee or the Paying Agent, as the case may be, is not prohibited from paying such money to the Holders on that date pursuant to the terms of this Indenture.

Section 4.02 *[Reserved]*.

Section 4.03 *Change of Control.*

(a) If a Change of Control occurs, subject to the terms of this Section 4.03, each Holder will have the right to require the Issuer to repurchase all or any part (equal to \$200,000 or an integral multiple of \$1,000 in excess thereof) of such Holder's Notes at a purchase price in cash equal to 101% of the principal amount of such Notes, plus accrued and unpaid interest, to the date of purchase (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date); *provided, however*, that the Issuer shall not be obliged to repurchase Notes as described under this Section 4.03 in the event and to the extent that it has unconditionally exercised its right to redeem all of the Notes of such series pursuant to Section 3.07 or all conditions to such redemption have been satisfied or waived. No such purchase in part shall reduce the principal amount at maturity of the Notes held by any holder to below \$200,000.

(b) Unless the Issuer has unconditionally exercised its right to redeem all the Notes of each series pursuant to Section 3.07 or all conditions to such redemption have been satisfied or waived, no later than the date that is 60 days after any Change of Control or, at the Issuer's option, at any time prior to a Change of Control following the public announcement thereof or if a definitive agreement is in place for the Change of Control, the Issuer will send a notice (the "*Change of Control Offer*") to each Holder of any such Notes by mail or otherwise in accordance with the procedures set forth in this Indenture, with a copy to the Trustee:

(1) stating that a Change of Control has occurred or may occur and that such Holder has the right to require the Issuer to purchase all or any part of such Holder's Notes at a purchase price in cash equal to 101% of the principal amount of such Notes plus accrued and unpaid interest to, but not including, the date of purchase (subject to the right of Holders of record on a record date to receive interest on the relevant interest payment date) (the "*Change of Control Payment*");

(2) stating the repurchase date (which shall be no earlier than 10 days from the date such notice is mailed nor later than the later of 60 days from the date such notice is mailed and 60 days after the Change of Control) (the “*Change of Control Payment Date*”) and the record date;

(3) stating that any Note accepted for payment pursuant to the Change of Control Offer will cease to accrue interest after the Change of Control Payment Date unless the Change of Control Payment is not paid, and that any Notes or part thereof not tendered will continue to accrue interest;

(4) describing the circumstances and relevant facts regarding the transaction or transactions that constitute the Change of Control;

(5) describing the procedures determined by the Issuer, consistent with this Indenture, that a Holder must follow in order to have its Notes repurchased;

(6) if such notice is mailed prior to the occurrence of a Change of Control, stating that the Change of Control Offer is conditional on the occurrence of such Change of Control; and

(7) certain other procedures that a holder of Notes must follow to accept a Change of Control Offer or to withdraw such acceptance.

(c) The Issuer shall cause to be published the notice described above through the newswire service of Bloomberg (or if Bloomberg does not then operate, any similar agency). In addition, if any Notes are listed on an exchange, and the rules of the exchange so require, the Issuer will notify the exchange of the results of any Change of Control Offer.

(d) On the Change of Control Payment Date, if the Change of Control shall have occurred, the Issuer will, to the extent lawful:

(1) accept for payment all Notes or portion thereof properly tendered pursuant to the Change of Control Offer;

(2) deposit with the Paying Agent an amount equal to the Change of Control Payment in respect of all Notes so tendered;

(3) deliver or cause to be delivered to the Trustee an Officer’s Certificate stating the aggregate principal amount of Notes or portions of the Notes being purchased by the Issuer in the Change of Control Offer;

(4) in the case of Global Notes, deliver, or cause to be delivered, to the Paying Agent the applicable Global Notes in order to reflect thereon the portion of such Notes or portions thereof that have been tendered to and purchased by the Issuer; and

(5) in the case of Definitive Registered Notes, deliver, or cause to be delivered, to the Registrar for cancellation all Definitive Registered Notes accepted for purchase by the Issuer.

If any Definitive Registered Notes have been issued, the Paying Agent, at the Issuer’s expense, will promptly mail to each Holder of Definitive Registered Notes so tendered the Change of Control Payment for such Notes, and the Trustee will promptly instruct its authenticating agent to authenticate and, at the Issuer’s expense, mail (or cause to be transferred by book-entry) to each Holder of Definitive Registered Notes a new Definitive Registered Note equal in principal amount to the unpurchased portion of the Notes

surrendered, if any; *provided* that each such new Note will be in a principal amount that is at least \$200,000 and integral multiples of \$1,000 in excess thereof.

(e) This Section 4.03 will be applicable whether or not any other provisions of this Indenture are applicable.

(f) The Issuer will not be required to make a Change of Control Offer upon a Change of Control if a third party makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth in this Indenture applicable to a Change of Control Offer made by the Issuer and purchases all Notes validly tendered and not validly withdrawn under such Change of Control Offer.

(g) Notwithstanding anything to the contrary herein, a Change of Control Offer may be made in advance of a Change of Control, conditional upon such Change of Control, if a definitive agreement is in place for the Change of Control at the time of making of the Change of Control Offer. The Issuer will comply, to the extent applicable, with the requirements of Section 14(e) of the Exchange Act and any other securities laws or regulations in connection with the repurchase of Notes pursuant to this Section 4.03. To the extent that the provisions of any securities laws or regulations conflict with provisions of this Indenture, the Issuer will comply with the applicable securities laws and regulations and will not be deemed to have breached its obligations under the Change of Control provisions of this Indenture by virtue of the conflict.

(h) If Holders of not less than 90% in aggregate principal amount of the outstanding Notes of a series validly tender and do not validly withdraw such Notes in a Change of Control Offer and the Issuer, or any third party making a Change of Control Offer in lieu of the Issuer in accordance with this Section 4.03, purchases all of the Notes of such series validly tendered and not validly withdrawn by such Holders, the Issuer or such third party will have the right, upon not less than 10 nor more than 60 days' prior notice, given not more than 30 days following such purchase pursuant to the Change of Control Offer described above, to redeem all Notes of such series that remain outstanding following such purchase at a price in cash equal to 101% of the principal amount thereof plus accrued and unpaid interest to but excluding the date of the delivery of the notice for such redemption. Any redemption pursuant to this Section 4.03 shall be made in accordance with Section 3.03 (other than the time periods specified therein, which shall be made in accordance with this Section 4.03). In determining whether the Holders of at least 90% of the aggregate principal amount of the then outstanding series of Notes have validly tendered and not validly withdrawn Notes of such series in a tender offer or other offer to purchase for all of Notes of such series, as applicable, Notes of such series owned by an Affiliate of the Issuer or by funds controlled or managed by any Affiliate of the Issuer, or any successor thereof, shall be deemed to be outstanding for the purposes of any such tender offer or other offer, as applicable.

(i) The provisions of this Indenture relating to the Issuer's obligation to make an offer to repurchase the Notes as a result of a Change of Control may be waived or modified with the written consent of holders of a majority in outstanding principal amount of the Notes.

Section 4.04 *Limitation on Indebtedness.*

(a) The Issuer will not, and will not permit any of its Restricted Subsidiaries to, Incur any Indebtedness (including Acquired Indebtedness); *provided, however*, that the Issuer and any Restricted Subsidiary may Incur Indebtedness if on the date on which such Indebtedness is Incurred, the Consolidated Net Leverage Ratio would have been no greater than 5.5 to 1.0 determined on a *pro forma* basis (including a *pro forma* application of the net proceeds therefrom), as if such Indebtedness had been incurred at the beginning of the relevant period.

73

(b) Section 4.04(a) will not prohibit the Incurrence of the following items of Indebtedness:

(1) Indebtedness Incurred pursuant to any Credit Facility (including in respect of letters of credit or bankers' acceptances issued or created thereunder), Indebtedness represented by the Existing Senior Guaranteed Notes and the guarantees thereof, Indebtedness represented by the New Senior Guaranteed Notes issued on the Combination Date and the Guarantees thereof, and, in each case, any Refinancing Indebtedness in respect thereof, in a maximum aggregate principal amount at any time outstanding not to exceed the greater of (i) (x) \$7.0 billion reduced by (y) the amount of any Indebtedness Incurred pursuant to this clause (1) on the Original Notes Issue Date or the Existing 2027 Senior Guaranteed Notes issued on September 23, 2016 that is subsequently reclassified (other than pursuant to the second proviso of Section 4.04(f)(1)) subject to the limitations on reclassification in Section 4.04(f)(1) and (ii) *provided* that after giving effect to any Incurrence of Indebtedness hereunder, together with any Incurrence of Indebtedness pursuant to clauses (5) and (14) of this Section 4.04(b) on the date on which Indebtedness pursuant to this Section 4.04(b)(1)(ii) is Incurred, the Issuer could Incur at least \$1.00 of additional Indebtedness under Section 4.04(a), an amount such that, after giving effect thereto on a *pro forma* basis as if such Indebtedness had been incurred on the first day of the relevant period, the Consolidated Net Senior Secured Leverage Ratio is not greater than 4.0 to 1.0; *provided, further*, that any Indebtedness incurred under this clause (1) may be refinanced with additional Indebtedness in an amount equal to the principal of the Indebtedness so refinanced, plus any additional amount to pay premiums (including tender premiums), accrued and unpaid interest, expenses, defeasance costs and fees in connection therewith; *provided, further*, that solely for the purpose of calculating the Consolidated Net Senior Secured Leverage Ratio under this clause (1), any outstanding Indebtedness incurred under this clause (1) that is unsecured or secured on a junior basis (in whole or in part) shall nevertheless be deemed to be secured by a *pari passu* Lien;

(2) (a) Guarantees by the Issuer or any Restricted Subsidiary of Indebtedness of the Issuer or any Restricted Subsidiary to the extent such guaranteed Indebtedness was permitted to be incurred by another provision of this Section 4.04; *provided* that if such Indebtedness is subordinated in right of payment to, or *pari passu* in right of payment with, the Notes, then the Guarantee of such Indebtedness shall be subordinated in right of payment to, or *pari passu* in right of payment with, the Notes substantially to the same extent as such guaranteed Indebtedness; or (b) without limiting Section 4.06, Indebtedness arising by reason of any Lien granted by or applicable to the Issuer or any Restricted Subsidiary securing Indebtedness of the Issuer or any Restricted Subsidiary so long as the Incurrence of such Indebtedness is not prohibited by the terms of this Indenture;

(ii) any sale or other transfer of any such Indebtedness to a Person other than the Issuer or a Restricted Subsidiary,

shall be deemed, in each case, to constitute an Incurrence of such Indebtedness not permitted by this clause (3) by the Issuer or such Restricted Subsidiary, as the case may be;

74

(4) (a) Indebtedness represented by the Notes (other than any Additional Notes) issued on the Combination Date, (b) any Indebtedness (other than Indebtedness described in clauses (1) and (3) of Section 4.04(b)) outstanding on the Combination Date, after giving effect to the Transactions, including the issuance of the Notes and the New Senior Guaranteed Notes, and the application of the proceeds thereof and the Existing Notes, *excluding* for the avoidance of doubt the New Senior Guaranteed Notes incurred in reliance on Section 4.04(b)(1), subject to Section 4.04(f)(1) and the Existing Senior Guaranteed Notes (incurred in reliance of Section 4.04(b)(1), subject to Section 4.04(f)(1), (c) Refinancing Indebtedness Incurred in exchange for, or the net proceeds of which are used to renew, refund, refinance, replace, defease or discharge any, or otherwise Incurred in respect of any, Indebtedness described in sub-clauses (a), (b) or (c) of this Section 4.04(b)(4) or Section 4.04(b)(5) or Incurred pursuant to Section 4.04(a) and (d) Management Advances;

(15) Indebtedness of the Issuer or any of its Restricted Subsidiaries arising pursuant to any Permitted Reorganization; and

(16) Indebtedness Incurred (including any Refinancing Indebtedness in respect thereof) in an aggregate outstanding principal amount which, when taken together with the principal amount of all other Indebtedness Incurred pursuant to this clause (16) and then outstanding, will not exceed the greater of \$1,400 million and 50% of L2QA Pro Forma EBITDA; *provided* that any Indebtedness incurred under this clause (16) may be refinanced with additional Indebtedness in an amount equal to the principal of the Indebtedness so refinanced, plus any additional amount to pay premiums (including tender premiums), accrued and unpaid interest, expenses, defeasance costs and fees in connection therewith.

(c) Notwithstanding any other provisions of this Section 4.04, the Issuer will not, and will not permit any Restricted Subsidiary to Incur any Ratio Priority Indebtedness unless on the date on which such Ratio Priority Indebtedness is Incurred, the Priority Indebtedness Ratio would not have been greater than 4.0 to 1.0 or solely with respect to any Ratio Priority Indebtedness Incurred pursuant to Section 4.04(b)(5), the Priority Indebtedness Ratio would not be greater than it was prior to such Incurrence, in each case, determined on a pro forma basis (including a pro forma application of the net proceeds therefrom), after giving pro forma effect to the Incurrence and application of the proceeds from such Indebtedness; *provided* that this Section 4.04(c) shall not apply to (x) revolving Indebtedness Incurred pursuant to Section 4.04(b)(1) for working capital purposes or to finance capital expenditures, Permitted Investments (other than Permitted Investments permitted by clause (2) of the definition thereof as to which this paragraph shall apply) or Restricted Payments (other than Restricted Payments made pursuant to clauses (2), (15)(b), (17) or (18) (with respect to clause (18), in excess of \$100 million) of Section 4.05(b) as to which this paragraph shall apply); (y) any Indebtedness Incurred pursuant to Section 4.04(b)(5)(i) to the extent not Incurred in contemplation of the applicable transaction (and any Refinancing Indebtedness in respect thereof); and (z) any Refinancing Indebtedness of any Ratio Priority Indebtedness that was not Incurred in violation of this paragraph.

(d) *[Reserved]*.

(e) *[Reserved]*.

(f) For purposes of determining compliance with, and the outstanding principal amount of any particular Indebtedness Incurred pursuant to and in compliance with, this Section 4.04:

(1) in the event that Indebtedness meets the criteria of more than one of the types of Indebtedness described in Section 4.04(a) and Section 4.04(b), the Issuer, in its sole discretion, will classify, and may from time to time reclassify, such item of Indebtedness and only be required to include the amount and type of such Indebtedness in one of the clauses of Section 4.04(a) or Section 4.04(b); *provided* that Indebtedness Incurred (or deemed Incurred) on the Original Notes

Issue Date or any Refinancing Indebtedness in respect thereof under Section 4.04(b)(1) cannot be reclassified; *provided further* that if the New Senior Guaranteed Notes, the Existing Senior Guaranteed Notes, or any Refinancing Indebtedness in respect thereof, shall on any date (including the date of Incurrence of such Refinancing Indebtedness) not be Guaranteed by any of the Restricted Subsidiaries of the Issuer, the New Senior Guaranteed Notes, the Existing Senior Guaranteed Notes or such Refinancing Indebtedness shall automatically be reclassified and from such date be deemed to have been Incurred under Section 4.04(b)(4)(b) and not Section 4.04(b)(1);

(2) subject to Section 4.04(f)(1), all Indebtedness (x) outstanding on the Original Notes Issue Date under the Term Facility and the Existing Senior Guaranteed Notes and (y) outstanding on the Completion Date under the Revolving Facility shall be deemed Incurred on the Combination Date under Section 4.04(b)(1) and not Sections 4.04(a) or Section 4.04(b)(4)(b);

(3) Guarantees of, or obligations in respect of letters of credit, bankers' acceptances or other similar instruments relating to, or Liens securing, Indebtedness that is otherwise included in the determination of a particular amount of Indebtedness shall not be included;

(4) if obligations in respect of letters of credit, bankers' acceptances or other similar instruments are Incurred pursuant to any Credit Facility and are being treated as Incurred pursuant to clauses (1), (8), (14) or (16) of Section 4.04(b) or Section 4.04(a) and the letters of credit, bankers' acceptances or other similar instruments relate to other Indebtedness, then such other Indebtedness shall not be included;

(5) the principal amount of any Disqualified Stock of the Issuer or a Restricted Subsidiary, or Preferred Stock of a Restricted Subsidiary, will be equal to the greater of the maximum mandatory redemption or repurchase price (not including, in either case, any redemption or repurchase premium) or the liquidation preference thereof;

(6) Indebtedness permitted by this Section 4.04 need not be permitted solely by reference to one provision permitting such Indebtedness but may be permitted in part by one such provision and in part by one or more other provisions of this Section 4.04 permitting such Indebtedness; and

(7) the amount of Indebtedness issued at a price that is less than the principal amount thereof will be equal to the amount of the liability in respect thereof determined on the basis of GAAP.

(g) Accrual of interest, accrual of dividends, the accretion of accreted value, the accretion or amortization of original issue discount, the payment of interest in the form of additional Indebtedness, the payment of dividends in the form of additional shares of Preferred Stock or Disqualified Stock or the reclassification of commitments or obligations not treated as Indebtedness due to a change in GAAP will not be deemed to be an Incurrence of Indebtedness for purposes of this Section 4.04. The amount of any Indebtedness outstanding as of any date shall be (a) the accreted value thereof in the case of any Indebtedness issued with original issue discount and (b) the principal amount, or liquidation preference thereof, in the case of any other Indebtedness.

(h) If at any time an Unrestricted Subsidiary becomes a Restricted Subsidiary, any Indebtedness of such Subsidiary shall be deemed to be Incurred by a Restricted Subsidiary as of such date (and, if such Indebtedness is not permitted to be Incurred as of such date under this Section 4.04, the Issuer shall be in Default of this Section 4.04).

(i) For purposes of determining compliance with any dollar-denominated restriction on the Incurrence of Indebtedness, the Dollar Equivalent of the principal amount of Indebtedness denominated in another currency shall be calculated based on the relevant currency exchange rate in effect on the date such Indebtedness was Incurred, or at the option of the Issuer, on the date first committed; *provided* that (a) if such Indebtedness is Incurred to refinance other Indebtedness denominated in a currency other than dollars, and such refinancing would cause the applicable dollar-denominated restriction to be exceeded if calculated at the relevant currency exchange rate in effect on the date of such refinancing, such dollar-denominated restriction shall be deemed not to have been exceeded so long as the principal amount of such Refinancing Indebtedness does not exceed the principal amount of such Indebtedness being refinanced plus any amount to pay premiums (including tender premiums), accrued and unpaid interest, expenses, defeasance costs and fees in connection therewith; (b) the Dollar Equivalent of the principal amount of any such Indebtedness outstanding on the Combination Date shall be calculated based on the relevant currency exchange rate in effect on the Combination Date; and (c) if any such Indebtedness that is denominated in a currency other than dollars is subject to a Currency Agreement with respect to the currency in which such Indebtedness is denominated covering principal amount and interest payable on such Indebtedness, the amount of such Indebtedness, will be the Dollar Equivalent of the principal payment required to be made under such Currency Agreement plus the Dollar Equivalent of any premium which is at such time due and payable but is not covered by such Currency Agreement.

(j) For purposes of determining compliance with the Consolidated Net Leverage Ratio, the Consolidated Net Senior Secured Leverage Ratio or the Priority Indebtedness Ratio on the Incurrence of Indebtedness, the Dollar Equivalent of the principal amount of Indebtedness denominated in another currency shall be calculated based on the relevant currency exchange rate in effect on the date such Indebtedness was Incurred or, at the option of the Issuer, the date first committed; *provided* that (a) if such Indebtedness is Incurred to refinance other Indebtedness denominated in a currency other than dollars, and such refinancing would cause the applicable dollar-denominated restriction to be exceeded if calculated at the relevant currency exchange rate in effect on the date of such refinancing, such dollar-denominated restriction shall be deemed not to have been exceeded so long as the principal amount of such Refinancing Indebtedness does not exceed the principal amount of such Indebtedness being refinanced plus any amount to pay premiums (including tender premiums), accrued and unpaid interest, expenses, defeasance costs and fees in connection therewith; and (b) the Dollar Equivalent of the principal amount of any such Indebtedness outstanding on the Combination Date shall be calculated based on the relevant currency exchange rate in effect on the Combination Date.

In addition, for purposes of calculating the Consolidated Net Leverage Ratio, the Consolidated Net Senior Secured Leverage Ratio or the Priority Indebtedness Ratio to test compliance with any covenant in this Indenture, in determining the amount of Indebtedness outstanding in dollars on any date of determination, with respect to any Indebtedness denominated in a currency other than dollars (the "*Foreign Currency*"):

(1) subject to a currency swap arrangement or contract, the aggregate principal amount of such Foreign Currency Indebtedness on any such date of determination shall be the dollar amount of the aggregate principal amount to be paid by the Issuer or a Restricted Subsidiary on the maturity date of such currency swap arrangement or contract pursuant to the terms thereof; or

(2) subject to a currency forward arrangement, forward accretion curve or contract, the aggregate principal amount of such Foreign Currency Indebtedness shall be converted into dollars at the exchange rate specified under the terms of such currency forward arrangement, forward accretion curve or contract as applicable to such Foreign Currency Indebtedness on such date of determination.

For the avoidance of doubt, notwithstanding a Group member entering into any such arrangement or contract hedging foreign exchange exposure of any Foreign Currency Indebtedness, for the purposes of calculating the Consolidated Net Leverage Ratio, the Consolidated Net Senior Secured Leverage Ratio or the Priority Indebtedness Ratio, the aggregate principal amount of Indebtedness subject to any such arrangement or contract shall be attributed to the total Indebtedness of the Person that originally Incurred such Indebtedness.

Notwithstanding any other provision of this Section 4.04, the maximum amount of Indebtedness that the Issuer or a Restricted Subsidiary may Incur pursuant to this Section 4.04 shall not be deemed to be exceeded solely as a result of fluctuations in the exchange rate of currencies.

The Issuer will not incur any Indebtedness (including any Indebtedness permitted to be Incurred pursuant to Section 4.04(b)) that is contractually subordinated in right of payment to any other Indebtedness of the Issuer unless such Indebtedness is also contractually subordinated in right of payment to the Notes on substantially identical terms (as determined in good faith by the Issuer); *provided, however*, that no Indebtedness will be deemed to be contractually subordinated in right of payment to any other Indebtedness of the Issuer solely by virtue of being unsecured, by virtue of being secured with different collateral, by virtue of being secured on a junior priority basis, by virtue of not being guaranteed by one or more of the Issuer's Subsidiaries or by virtue of the application of waterfall or other payment-ordering provisions affecting different tranches of Indebtedness under Credit Facilities.

Section 4.05 *Limitation on Restricted Payments.*

- (a) The Issuer will not, and will not permit any of its Restricted Subsidiaries to, directly or indirectly:
- (1) declare or pay any dividend or make any other payment or distribution on account of or in respect of the Issuer's or any Restricted Subsidiary's Capital Stock (including, without limitation, any payment in connection with any merger or consolidation involving the Issuer or any Restricted Subsidiary) except:
 - (A) dividends or distributions payable in Capital Stock of the Issuer (other than Disqualified Stock) or in options, warrants or other rights to purchase such Capital Stock of the Issuer (other than Disqualified Stock) or in Subordinated Shareholder Funding; and
 - (B) dividends or distributions payable to the Issuer or a Restricted Subsidiary (and, in the case of any such Restricted Subsidiary making such dividend or distribution, to holders of its Capital Stock other than the Issuer or another Restricted Subsidiary on no more than a *pro rata* basis, measured by value);
 - (2) purchase, redeem, retire or otherwise acquire for value (including, without limitation, any payment in connection with any merger or consolidation involving the Issuer) any Capital Stock of the Issuer or any direct or indirect Parent of the Issuer held by Persons other than the Issuer or a Restricted Subsidiary (other than in exchange for Capital Stock of the Issuer (other than Disqualified Stock));
 - (3) make any principal payment on, or purchase, repurchase, redeem, defease or otherwise acquire or retire for value, prior to scheduled maturity, scheduled repayment or scheduled sinking fund payment, any Subordinated Indebtedness (other than (a) any such payment, purchase, repurchase, redemption, defeasance or other acquisition or retirement or in anticipation of satisfying a sinking fund obligation, principal installment or final maturity, in each case, due within

one year of the date of payment, purchase, repurchase, redemption, defeasance or other acquisition or retirement, and (b) any Indebtedness Incurred pursuant to Section 4.04(b)(3));

(4) make any cash payment on or with respect to, or purchase, redeem, defease or otherwise acquire or retire for value any Subordinated Shareholder Funding (other than in exchange for Capital Stock of the Issuer (other than Disqualified Stock) or for options, warrants or other rights to purchase such Capital Stock of the Issuer (other than Disqualified Stock)); or

(5) make any Restricted Investment in any Person;

(any such dividend, distribution, payment, purchase, redemption, repurchase, defeasance, other acquisition, retirement or Restricted Investment referred to in clauses (1) through (5) of this Section 4.05(a) are referred to herein as a “*Restricted Payment*”), if at the time the Issuer or a Restricted Subsidiary makes such Restricted Payment:

(A) a Default or Event of Default (or in the case of a Restricted Investment, an Event of Default under clauses (1), (2) or (6) of Section 6.01(a)) shall have occurred and be continuing (or would result immediately thereafter therefrom);

(B) except in the case of a Restricted Investment, if such Restricted Payment is made in reliance on Section 4.05(a)(C)(i), the Issuer is not able to Incur an additional \$1.00 of Indebtedness pursuant to Section 4.04(a) after giving effect, on a pro forma basis, to such Restricted Payment; or

(C) the aggregate amount of such Restricted Payment and all other Restricted Payments made by the Issuer and the Restricted Subsidiaries subsequent to the Completion Date (and not returned or rescinded) (including Permitted Payments permitted below by clauses (5) (without duplication of amounts paid pursuant to any other clause of Section 4.05(b)), (6), (10), (15), (17), (18) and (20) of Section 4.05(b) (to the extent it relates to Restricted Payments permitted by clauses (5), (10), (15), (17) or (18) of Section 4.05(b)), but excluding all other Restricted Payments permitted by Section 4.05(b)) would exceed the sum of (without duplication):

(i) an amount equal to 100% of the Consolidated EBITDA for the period beginning on the first day of the first full fiscal quarter commencing prior to the Completion Date to the end of the Issuer’s most recently ended full fiscal quarter ending prior to the date of such Restricted Payment for which internal consolidated financial statements of the Issuer are available, taken as a single accounting period, less the product of 1.3 times the Consolidated Interest Expense for such period;

(ii) 100% of the aggregate Net Cash Proceeds, and the fair market value (as determined in accordance with Section 4.05(c)) of property or assets or marketable securities, received by the Issuer from the issue or sale of its Capital Stock (other than Disqualified Stock or Designated Preference Shares) or Subordinated Shareholder Funding subsequent to the Completion Date or otherwise contributed to the equity (other than through the issuance of Disqualified Stock or Designated Preference Shares) of the Issuer subsequent to the Completion Date (other than (x) Net Cash Proceeds or property or assets or marketable securities received from an issuance or sale of such Capital Stock to the Issuer or a Restricted Subsidiary or an employee stock ownership plan or trust established by the Issuer or any Subsidiary of the Issuer for the benefit of its employees to the extent funded by

the Issuer or any Restricted Subsidiary, (y) Net Cash Proceeds or property or assets or marketable securities to the extent that any Restricted Payment has been made from such proceeds in reliance on Section 4.05(b)(6), and (z) Excluded Contributions);

(iii) 100% of the aggregate Net Cash Proceeds, and the fair market value (as determined in accordance with Section 4.05(c)) of property or assets or marketable securities, received by the Issuer or any Restricted Subsidiary from the issuance or sale (other than to the Issuer or a Restricted Subsidiary or an employee stock ownership plan or trust established by the Issuer or any Subsidiary of the Issuer for the benefit of its employees to the extent funded by the Issuer or any Restricted Subsidiary) by the Issuer or any Restricted Subsidiary subsequent to the Completion Date of any Indebtedness that has been converted into or exchanged for Capital Stock of the Issuer (other than Disqualified Stock or Designated Preference Shares) or Subordinated Shareholder Funding (plus the amount of any cash, and the fair market value (as determined in accordance with Section 4.05(c)) of property or assets or marketable securities, received by the Issuer or any Restricted Subsidiary upon such conversion or exchange) but excluding (x) Net Cash Proceeds or property or assets or marketable securities to the extent that any Restricted Payment has been made from such proceeds in reliance on Section 4.05(b)(6), and (y) Excluded Contributions;

(v) the amount of the cash and the fair market value (as determined in accordance with Section 4.05(c)) of property, assets or marketable securities received by the Issuer or any Restricted Subsidiary after the Completion Date in connection with:

(D) the sale or other disposition (other than to the Issuer or a Restricted Subsidiary or an employee stock ownership plan or trust established by the Issuer or any Subsidiary of the Issuer for the benefit of its employees to the extent funded by the Issuer or any Restricted Subsidiary) of Capital Stock of an Unrestricted Subsidiary of the Issuer and; and

(E) any dividend or distribution made by an Unrestricted Subsidiary to the Issuer or a Restricted Subsidiary;

provided, however, that no amount will be included in Consolidated EBITDA for purposes of Section 4.05(a)(C)(i) to the extent that it is (at the Issuer's option) included under this clause (v); and

(b) Section 4.05(a) will not prohibit any of the following (collectively, “Permitted Payments”):

(20) Restricted Payments to finance Investments or other acquisitions by a Parent or any Affiliate (other than the Issuer or a Restricted Subsidiary) which would be otherwise permitted to be made pursuant to this Section 4.05 if made by the Issuer or a Restricted Subsidiary; *provided*, that (i) such Restricted Payment shall be made within 120 days of the closing of such Investment or other acquisition, (ii) such Parent or Affiliate of the Issuer shall, on or prior to the date such Restricted Payment is made or if later, promptly following the closing of the Investment or the

acquisition, cause (1) all property acquired (whether assets or Capital Stock) to be contributed to the Issuer or one of its Restricted Subsidiaries or (2) the merger, amalgamation, consolidation, or sale of the Person formed or acquired into the Issuer or one of its Restricted Subsidiaries (in a manner not prohibited by Section 5.03) in order to consummate such Investment or other acquisition, (iii) such Parent or Affiliate of the Issuer receives no consideration or other payment in connection with such transaction except to the extent the Issuer or a Restricted Subsidiary could have given such consideration or made such payment in compliance with this Section 4.05 or Section 4.09 (without reference to this clause (20)) and (iv) any property received in connection with such transaction shall not constitute an Excluded Contribution up to the amount of such Restricted Payment made under this clause (20);

(21) any payments in cash or in kind relating to the settlement of any future, forward or other derivative contract entered into for non-speculative purposes; and

(22) the declaration and payment of dividends or distributions by the Issuer to, or the making of loans to, a CVC Parent in amounts required for a CVC Parent to pay or cause to be paid, in each case without duplication, fees and expenses related to any equity or debt offering (whether or not successful) of the CVC Parent or incurred in connection with the Altice USA Distribution.

(c) The amount of all Restricted Payments (other than cash) shall be the fair market value on the date of such Restricted Payment of the asset(s) or securities proposed to be paid, transferred or issued by the Issuer or such Restricted Subsidiary, as the case may be, pursuant to such Restricted Payment. The fair market value of any cash Restricted Payment shall be its face amount, and the fair market value of any non-cash Restricted Payment or any other property, assets or securities required to be valued by this Section 4.05 shall be determined conclusively by an Officer or the Board of Directors of the Issuer acting in good faith.

(d) For purposes of determining compliance with this Section 4.05 and the definition of "Permitted Investments," as applicable, in the event that a Restricted Payment or a Permitted Investment meets the criteria of more than one of the categories described in clauses (1) through (22) of Section 4.05(b) or in the definition of "Permitted Investments," as applicable, or is permitted pursuant to Section 4.05(a), the Issuer will be entitled to classify such Restricted Payment (or portion thereof) or such Permitted Investment (or portion thereof) on the date of its payment or later reclassify such Restricted Payment (or portion thereof) or such Permitted Investment (or portion thereof) in any manner that complies with this Section 4.05.

Section 4.06 *Limitation on Liens.*

(a) The Issuer will not, and will not permit any of its Restricted Subsidiaries to, directly or indirectly, create, incur or suffer to exist any Lien upon any of their property or assets (including Capital Stock of a Restricted Subsidiary), whether owned on the Combination Date or acquired after that date, or any interest therein or any income or profits therefrom, which Lien is securing any Indebtedness, except Permitted Liens.

(b) For purposes of determining compliance with this Section 4.06, in the event that a Lien (or any portion thereof) meets the criteria of one or more of the clauses contained in the definition of "Permitted Liens," the Issuer shall be entitled to, in its sole discretion, divide or classify or subsequently reclassify, in whole or in part, at any time such Lien (or any portion thereof) among one or more of the clauses contained in the definition of "Permitted Liens."

Section 4.07 *Limitation on Restrictions on Distributions from Restricted Subsidiaries.*

(a) The Issuer will not, and will not permit any of its Restricted Subsidiaries to, create or otherwise cause or permit to exist or become effective any consensual encumbrance or consensual restriction on the ability of any Restricted Subsidiary to:

- (1) pay dividends or make any other distributions in cash or otherwise on its Capital Stock to the Issuer or any Restricted Subsidiary or pay any Indebtedness or other obligations owed to the Issuer or any Restricted Subsidiary;
- (2) make any loans or advances to the Issuer or any Restricted Subsidiary; or
- (3) sell, lease or transfer any of its property or assets to the Issuer or any Restricted Subsidiary,

provided that (x) the priority of any Preferred Stock in receiving dividends or liquidating distributions prior to dividends or liquidating distributions being paid on common stock and (y) the subordination of (including the application of any standstill requirements to) loans or advances made to the Issuer or any Restricted Subsidiary to other Indebtedness Incurred by the Issuer or any Restricted Subsidiary, or any prohibition on securing such loans or advances made to the Issuer or any Restricted Subsidiary, shall not be deemed to constitute such an encumbrance or restriction.

(b) Section 4.07(a) will not prohibit:

(1) any encumbrance or restriction pursuant to any Credit Facility or any other agreement or instrument, in each case, in effect at or entered into on the Combination Date, and any amendments, restatements, modifications, renewals, supplements, refundings, replacements or refinancings of such agreements; *provided* that the amendments, restatements, modifications, renewals, supplements, refundings, replacements or refinancings are not materially more restrictive, taken as a whole, with respect to such dividend and other payment restrictions than those contained in those agreements on the Combination Date (as determined in good faith by the Issuer);

(2) *[Reserved]*;

(3) encumbrances or restrictions existing under or by reason of this Indenture, the Notes, the New Senior Guaranteed Notes, the New Senior Guaranteed Notes Indenture, the Existing Notes, the Existing Notes Indentures, the Existing Cablevision Notes, the Existing Cablevision Notes Indentures, the Legacy Cequel Senior Notes, the Legacy Cequel Senior Notes Indentures, the Senior Secured Facilities, the guarantees thereof and the Senior Secured Facilities Security Documents;

assumed by the Issuer or any Restricted Subsidiary when such Person becomes the Successor Company;

(5) any encumbrance or restriction pursuant to an agreement or instrument effecting a refunding, replacement or refinancing of Indebtedness Incurred pursuant to, or that otherwise extends, renews, refunds, refinances or replaces an agreement or instrument referred to in clauses (1), (3), (4) or (5) of this Section 4.07(b) (an “*Initial Agreement*”) or contained in any amendment, supplement or other modification to an agreement referred to in clauses (1), (3), (4) or (5) of this Section 4.07(b); *provided, however*, that the encumbrances and restrictions with respect to such Restricted Subsidiary contained in any such agreement or instrument are no less favorable in any material respect to the Holders taken as a whole than the encumbrances and restrictions contained in the Initial Agreement or Initial Agreements to which such refinancing or amendment, supplement or other modification relates (as determined in good faith by the Issuer);

(6) any encumbrance or restriction:

(A) that restricts in a customary manner the subletting, assignment or transfer of any property or asset that is subject to a lease, license or similar contract, or the assignment or transfer of any lease, license or other contract;

(B) contained in mortgages, pledges or other security agreements permitted under this Indenture or securing Indebtedness of the Issuer or a Restricted Subsidiary permitted under this Indenture to the extent such encumbrances or restrictions restrict the transfer of the property or assets subject to such mortgages, pledges or other security agreements;

(C) pursuant to customary provisions restricting dispositions of real property interests set forth in any reciprocal easement agreements of the Issuer or any Restricted Subsidiary; or

(D) pursuant to the terms of any license, authorization, concession or permit;

(7) any encumbrance or restriction pursuant to Purchase Money Obligations and Capitalized Lease Obligations permitted under this Indenture, in each case, that impose encumbrances or restrictions on the property so acquired or any encumbrance or restriction pursuant to a joint venture agreement that imposes restrictions on the transfer of the assets of the joint venture;

(8) any encumbrance or restriction with respect to a Restricted Subsidiary (or any of its property or assets) imposed pursuant to an agreement entered into for the direct or indirect sale or disposition to a Person of all or substantially all the Capital Stock or assets of such Restricted Subsidiary (or the property or assets that are subject to such restriction) pending the closing of such sale or disposition;

(9) customary provisions in leases, licenses, joint venture agreements and other similar agreements and instruments entered into in the ordinary course of business;

(10) encumbrances or restrictions arising or existing by reason of applicable law or any applicable rule, regulation, governmental license or order, or required by any regulatory authority or stock exchange;

- (14) any encumbrance or restrictions arising in connection with any Purchase Money Note, other Indebtedness or a Qualified Receivables Financing that, in the good faith determination of an Officer or the Board of Directors of the Issuer, are necessary or advisable to effect such Qualified Receivables Financing; or
- (15) any encumbrance or restriction existing by reason of any Lien permitted under Section 4.06.

Section 4.08 *Limitation on Sales of Assets and Subsidiary Stock.*

- (a) *[Reserved]*.
- (b) The Issuer will not, and will not permit any of its Restricted Subsidiaries to, make any Asset Disposition unless:
 - (1) the Issuer or such Restricted Subsidiary, as the case may be, receives consideration (including by way of relief from, or by any other Person assuming responsibility for, any liabilities, contingent or otherwise) at least equal to the fair market value (such fair market value to be determined on the date of contractually agreeing to such Asset Disposition), as determined in good faith by an Officer or the Board of Directors of the Issuer, of the shares and assets subject to such Asset Disposition (including, for the avoidance of doubt, if such Asset Disposition is a Permitted Asset Swap); and
 - (2) in any such Asset Disposition, or series of related Asset Dispositions (except to the extent the Asset Disposition is a Permitted Asset Swap), at least 75% of the consideration from such Asset Disposition or such series of related Asset Dispositions (excluding any consideration by way of relief from, or by any other Person assuming responsibility for, any liabilities, contingent or otherwise, other than Indebtedness), together with all other Asset Dispositions since the Combination Date (except to the extent any such Asset Disposition was a Permitted Asset Swap) on a cumulative basis received by the Issuer or such Restricted Subsidiary, as the case may be, is in the form of cash, Cash Equivalents or Temporary Cash Investments.

(c) After the receipt of Net Available Cash from an Asset Disposition, the Issuer or a Restricted Subsidiary, as the case may be, may apply such Net Available Cash directly or indirectly (at the option of the Issuer or such Restricted Subsidiary):

(1) within 365 days from the later of (A) the date of such Asset Disposition and (B) the receipt of such Net Available Cash (i) to prepay, repay, purchase or redeem any Indebtedness incurred under Section 4.04(b)(1) or any Priority Indebtedness; *provided, however*, that, in connection with any prepayment, repayment or purchase of Indebtedness pursuant to this Section 4.08(c)(1)(B)(i), the Issuer or such Restricted Subsidiary will retire such Indebtedness and will cause the related commitment (if any) (except in the case of any revolving Indebtedness) to be permanently reduced in an amount equal to the principal amount so prepaid, repaid, purchased or redeemed; (ii) unless included in Section 4.08(c)(1)(B)(i), to prepay, repay, purchase or redeem any Pari Passu Indebtedness of the Issuer at a price of no more than 100% of the principal amount of such Pari Passu Indebtedness plus accrued and unpaid interest to the date of such prepayment, repayment, purchase or redemption; *provided* that the Issuer shall prepay, redeem, repay or repurchase Pari Passu Indebtedness that is Public Debt pursuant to this clause (ii) only if the Issuer purchases through open-market purchases at a price equal to or higher than 100% of the principal amount thereof, or makes an offer to the Holders of each series of the Notes to purchase their Notes at a purchase price in cash equal to at least 100% of the principal amount of such Notes, plus accrued and unpaid interest to, but not including, the date of purchase (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date) for, in each case, an aggregate principal amount of Notes of each series at least equal to the proportion that (x) the total aggregate principal amount of Notes of such series outstanding bears to (y) the sum of the total aggregate principal amount of Notes of such series outstanding plus the total aggregate principal amount outstanding of such Pari Passu Indebtedness; (iii) to prepay, repay, purchase or redeem any Indebtedness of a Restricted Subsidiary or any Indebtedness that is secured on assets (other than Subordinated Indebtedness of the Issuer or Indebtedness owed to the Issuer or any Restricted Subsidiary); (iv) to purchase the Notes through open-market purchases at a price equal to or higher than 100% of the principal amount thereof, or make an offer to all holders of each series of Notes at a purchase price in cash equal to at least 100% of the principal amount of such Notes, plus accrued and unpaid interest to, but not including, the date of purchase (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date) or (v) to redeem each series of Notes as described under Section 3.07;

(2) to the extent the Issuer or such Restricted Subsidiary elects, to invest in or purchase or commit to invest in or purchase Additional Assets (including by means of an investment in Additional Assets by a Restricted Subsidiary with Net Available Cash received by the Issuer or another Restricted Subsidiary) within 365 days from the later of (i) the date of such Asset Disposition and (ii) the receipt of such Net Available Cash; *provided, however*, that any such reinvestment in Additional Assets made pursuant to a definitive binding agreement or a commitment approved by the Board of Directors of the Issuer that is executed or approved within such time will satisfy this requirement, so long as such investment or commitment to invest is consummated within 180 days of such 365th day;

(3) to make a capital expenditure within 365 days from the later of (A) the date of such Asset Disposition and (B) the receipt of such Net Available Cash; *provided, however*, that any such capital expenditure made pursuant to a definitive binding agreement or a commitment approved by the Board of Directors of the Issuer that is executed or approved within such time will satisfy this requirement, so long as such investment is consummated within 180 days of such 365th day; or

(4) any combination of clauses (1) through (3) of Section 4.08(c),

provided that, pending the final application of any such Net Available Cash in accordance with clauses (1), (2), (3) or (4) of Section 4.08(c), the Issuer and the Restricted Subsidiaries may temporarily reduce Indebtedness or otherwise invest such Net Available Cash in any manner not prohibited by this Indenture.

(d) Any Net Available Cash from Asset Dispositions that is not applied or invested or committed to be applied or invested as provided in Section 4.08(c) will be deemed to constitute "Excess Proceeds". On the 366th day (or the 546th day, in the case of any Net Available Cash committed to be used pursuant to a definitive binding agreement or commitment approved by the Board of Directors of the Issuer pursuant to clause (2) or (3) of Section 4.08(c)) after the later of (A) the date of such Asset Disposition and (B) the receipt of such Net Available Cash, if the aggregate amount of Excess Proceeds exceeds \$100 million, the Issuer will be required within ten (10) Business Days thereof to make an offer ("Asset Disposition Offer") to all holders of each series of Notes and, to the extent the Issuer elects, or the Issuer is required by the terms of other outstanding Pari Passu Indebtedness, to all holders of such other outstanding Pari Passu Indebtedness to purchase the maximum principal amount of such Notes and any such Pari Passu Indebtedness to which the Asset Disposition Offer applies that may be purchased out of the Excess Proceeds, at an offer price in respect of the Notes of a series in an amount equal to (and, in the case of any Pari Passu Indebtedness, an offer price of no more than) 100% of the principal amount of such Notes and 100% of the principal amount of Pari Passu Indebtedness, in each case, plus accrued and unpaid interest, if any, to, but not including, the date of purchase, in accordance with the procedures set forth in this Indenture or the agreements governing the Pari Passu Indebtedness, as applicable, and in the case of the Notes, in minimum denominations of \$200,000 and in integral multiples of \$1,000 in excess thereof. No such purchase in part shall reduce the principal amount at maturity of the Notes held by any holder to below \$200,000.

(e) Any Net Available Cash payable in respect of the Notes pursuant to this Section 4.08 will be allocated between the 2021 May Notes, the 2021 September Notes, the 2025 Notes and the 2028 Notes in proportion to the respective aggregate principal amounts of such 2021 May Notes, the 2021 September Notes, the 2025 Notes and the 2028 Notes validly tendered and not withdrawn.

(f) To the extent that the aggregate amount of Notes and Pari Passu Indebtedness so validly tendered and not properly withdrawn pursuant to an Asset Disposition Offer is less than the Excess Proceeds, the Issuer and the Restricted Subsidiaries may use any remaining Excess Proceeds for general corporate purposes, to the extent not prohibited by the other covenants contained in this Indenture. If the aggregate principal amount of the Notes surrendered in any Asset Disposition Offer by Holders and other Pari Passu Indebtedness surrendered by holders or lenders, collectively, exceeds the amount of Excess Proceeds, the Excess Proceeds shall be allocated among the Notes and Pari Passu Indebtedness to be purchased on a *pro rata* basis on the basis of the aggregate principal amount of tendered Notes and Pari Passu Indebtedness. For the purposes of calculating the principal amount of any such Indebtedness not denominated in dollars, such Indebtedness shall be calculated by converting any such principal amounts into their Dollar Equivalent determined as of a date selected by the Issuer that is within the Asset Disposition Offer Period (as defined below). Upon completion of any Asset Disposition Offer, the amount of Excess Proceeds shall be reset at zero.

(g) To the extent that any portion of Net Available Cash payable in respect of the Notes is denominated in a currency other than dollars, the amount thereof payable in respect of the Notes shall not exceed the net Dollar Equivalent of the amount that is actually received by the Issuer.

(h) The Asset Disposition Offer, in so far as it relates to the Notes, will remain open for a period of not less than 20 Business Days following its commencement or such shorter period of time required to comply with Section 14(e) of the Exchange Act and any other applicable securities laws or regulations in connection with the Asset Disposition Offer (the "Asset Disposition Offer Period"). No later

than five (5) Business Days after the termination of the Asset Disposition Offer Period (the “*Asset Disposition Purchase Date*”), the Issuer will purchase the principal amount of Notes and, to the extent it elects, Pari Passu Indebtedness required to be purchased by it pursuant to this Section 4.08 (the “*Asset Disposition Offer Amount*”) or, if less than the Asset Disposition Offer Amount has been so validly tendered, all Notes and Pari Passu Indebtedness validly tendered in response to the Asset Disposition Offer.

(i) On or before the Asset Disposition Purchase Date, the Issuer will, to the extent lawful, accept for payment, on *apro rata* basis to the extent necessary, the Asset Disposition Offer Amount of Notes and Pari Passu Indebtedness or portions of Notes and Pari Passu Indebtedness so validly tendered and not properly withdrawn pursuant to the Asset Disposition Offer, or if less than the Asset Disposition Offer Amount has been validly tendered and not properly withdrawn, all Notes and Pari Passu Indebtedness so validly tendered and not properly withdrawn and, in the case of the Notes, in minimum denominations of \$200,000 and in integral multiples of \$1,000 in excess thereof.

(j) The Issuer will deliver to the Trustee an Officer’s Certificate stating that such Notes or portions thereof were accepted for payment by the Issuer in accordance with the terms of this Section 4.08. The Issuer or the Paying Agent, as the case may be, will promptly (but in any case not later than five Business Days after termination of the Asset Disposition Offer Period) mail or deliver to each tendering Holder of Notes an amount equal to the purchase price of the Notes so validly tendered and not properly withdrawn by such Holder, and accepted by the Issuer for purchase, and the Issuer will promptly issue a new Note (or, in the case of Global Notes, cause the Paying Agent to reduce the aggregate principal amount and amend the applicable Global Note pursuant to Section 2.06(h) hereof and in the case of Definitive Registered Notes, deliver or cause to be delivered to the relevant Registrar for cancellation all Definitive Registered Notes accepted for purchase by the Issuer), and the Trustee, upon receipt of an Officer’s Certificate from the Issuer, will, via an authenticating agent, authenticate and mail or deliver (or cause to be transferred by book-entry) such new Note to such Holder, in a principal amount equal to any unpurchased portion of the Note surrendered; *provided* that each such new Note will be in a principal amount with a minimum denomination of \$200,000. Any Note not so accepted will be promptly mailed or delivered (or transferred by book-entry) by the Issuer to the Holder thereof.

(k) For the purposes of Section 4.08(b)(2), the following will be deemed to be cash:

(1) the assumption by the transferee (or other extinguishment in connection with the transactions relating to such Asset Dispositions) of Indebtedness and any other liabilities (as recorded on the balance sheet of the Issuer or any Restricted Subsidiary or in the footnotes thereto, or if incurred or accrued subsequent to the date of such balance sheet, such liabilities that would have been reflected on the Issuer’s or such Restricted Subsidiary’s balance sheet or in the footnotes thereof if such incurrence or accrual had taken place on or prior to the date of such balance sheet, as determined in good faith by the Issuer) of the Issuer or any Restricted Subsidiary (other than Subordinated Indebtedness of the Issuer) and the release of the Issuer or such Restricted Subsidiary from all liability on such Indebtedness in connection with such Asset Disposition;

(2) securities, notes or other obligations received by the Issuer or any Restricted Subsidiary from the transferee that are converted by the Issuer or such Restricted Subsidiary into cash or Cash Equivalents within 180 days following the closing of such Asset Disposition;

(3) Indebtedness of any Restricted Subsidiary that is no longer a Restricted Subsidiary as a result of such Asset Disposition, to the extent that the Issuer and each other Restricted Subsidiary (as applicable) are released from any Guarantee of payment of such Indebtedness in connection with such Asset Disposition;

93

(4) consideration consisting of Indebtedness of the Issuer (other than Subordinated Indebtedness) received after the Combination Date from Persons who are not the Issuer or any Restricted Subsidiary; and

(5) any Designated Non-Cash Consideration received by the Issuer or any Restricted Subsidiary in such Asset Dispositions having an aggregate fair market value, taken together with all other Designated Non-Cash Consideration received pursuant to this Section 4.08 that is at that time outstanding, not to exceed (at the time of the receipt of such Designated Non-Cash Consideration or, at the Issuer’s option, at the time of contractually agreeing to such Asset Disposition) the greater of \$300 million and 10% of L2QA Pro Forma EBITDA (with the fair market value of each item of Designated Non-Cash Consideration being measured at the time received and without giving effect to subsequent changes in value).

(l) The Issuer will comply, to the extent applicable, with the requirements of Section 14(e) of the Exchange Act and any other securities laws or regulations in connection with the repurchase of Notes pursuant to this Indenture. To the extent that the provisions of any securities laws or regulations conflict with provisions of this Section 4.08, the Issuer will comply with the applicable securities laws and regulations and will not be deemed to have breached its obligations under this Indenture by virtue of any conflict.

Section 4.09 *Limitation on Affiliate Transactions.*

(a) The Issuer will not, and will not permit any of its Restricted Subsidiaries to, directly or indirectly, enter into or conduct any transaction or series of related transactions (including the purchase, sale, lease or exchange of any property or the rendering of any service) with any Affiliate of the Issuer (any such transaction or series of related transactions being “*Affiliate Transactions*”) involving aggregate value in excess of \$50 million unless:

(1) the terms of such Affiliate Transaction taken as a whole are not materially less favorable to the Issuer or such Restricted Subsidiary, as the case may be, than those that could be obtained in a comparable transaction at the time of such transaction or the execution of the agreement providing for such transaction in arm’s-length dealings with a Person who is not such an Affiliate or, if there are no comparable transactions involving non-Affiliates to apply for comparative purposes, the transaction is otherwise on terms that, taken as a whole, the Issuer has conclusively determined in good faith to be fair to the Issuer or such Restricted Subsidiary; and

(2) in the event such Affiliate Transaction involves an aggregate value in excess of \$100 million, the terms of such transaction or series of related transactions have been approved by a resolution of the majority of the members of the Board of Directors of the Issuer resolving that such transaction complies with Section 4.09(a)(1). An Affiliate Transaction shall be deemed to have satisfied the requirements set forth in this clause (2) if either (x) such Affiliate Transaction is approved by a majority of the Disinterested Directors or (y) if the Issuer or any of its Restricted Subsidiaries, as the case may be, delivers to the Trustee a letter from an Independent Financial Advisor stating that such transaction is fair to the Issuer or such Restricted Subsidiary from a financial point of view or stating that the terms are not materially less favorable to the Issuer or its relevant Restricted Subsidiary than those that would have been obtained in a comparable transaction by the Issuer or such Restricted Subsidiary with an unrelated Person on arm’s-length basis.

(b) Section 4.09(a) will not apply to:

94

- (1) any Restricted Payment permitted to be made pursuant to Section 4.05, any Permitted Payments (other than pursuant to Section 4.05(b)(9)(B) or Section 4.05(b)(20)) or any Permitted Investment (other than Permitted Investments as defined in clauses (1)(b) or (2) of the definition thereof);
- (2) any issuance or sale of Capital Stock, options, other equity-related interests or other securities, or other payments, awards or grants in cash, securities or otherwise pursuant to, or the funding of, or entering into, or maintenance of, any employment, consulting, collective bargaining or benefit plan, program, agreement or arrangement, related trust or other similar agreement and other compensation arrangements, options, warrants or other rights to purchase Capital Stock of the Issuer, any Restricted Subsidiary or any Parent, restricted stock plans, long-term incentive plans, stock appreciation rights plans, participation plans or similar employee benefits or consultants' plans (including valuation, health, insurance, deferred compensation, severance, retirement, savings or similar plans, programs or arrangements) or indemnities provided on behalf of officers, employees, directors or consultants approved by the Board of Directors of the Issuer, in each case in the ordinary course of business;
- (3) any Management Advances and any waiver or transaction with respect thereto;
- (4) any transaction between or among the Issuer and any Restricted Subsidiary (or entity that becomes a Restricted Subsidiary as a result of such transaction), or between or among the Issuer, Restricted Subsidiaries or any Receivables Subsidiary;
- (5) the payment of reasonable fees and reimbursement of expenses to, and customary indemnities and employee benefit and pension expenses provided on behalf of, directors, officers, consultants or employees of the Issuer, any Restricted Subsidiary or any CVC Parent (whether directly or indirectly and including through any Person owned or controlled by any of such directors, officers or employees);
- (6) the Existing Transactions, the Transactions, any Permitted Reorganization, and the entry into and performance of obligations of the Issuer or any of its Restricted Subsidiaries under the terms of any transaction arising out of, and any payments pursuant to or for purposes of funding, any agreement or instrument in effect as of or on the Combination Date or entered into after the Combination Date in connection with the Altice USA Distribution (other than, for the avoidance of doubt, any share repurchase program to take effect following the Altice USA Distribution), in each case, as these agreements and instruments may be amended, modified, supplemented, extended, renewed or refinanced from time to time (including, without limitation, to add additional Persons in connection with any such Person becoming a Restricted Subsidiary) in accordance with the other terms of this Section 4.09 or to the extent not more disadvantageous to the Holders in any material respect and the entry into and performance of any registration rights or other listing agreement in connection with any Public Offering;
- (7) execution, delivery and performance of any Tax Sharing Agreement or the formation and maintenance of any consolidated group for tax, accounting or management purposes in the ordinary course of business;
- (8) transactions with customers, clients, suppliers or purchasers or sellers of goods or services and Associates, in each case in the ordinary course of business (including, without limitation, pursuant to joint venture arrangements), which are fair to the Issuer or the relevant Restricted Subsidiary in the reasonable determination of the Board of Directors or an officer of the

Issuer or the relevant Restricted Subsidiary, or are on terms no less favorable than those that could reasonably have been obtained at such time from an unaffiliated party;

(9) any transaction in the ordinary course of business between or among the Issuer or any Restricted Subsidiary and any Affiliate of the Issuer or an Associate or similar entity (in each case, other than an Unrestricted Subsidiary) that would constitute an Affiliate Transaction solely because the Issuer or a Restricted Subsidiary or any Affiliate of the Issuer or a Restricted Subsidiary or any Affiliate of any Permitted Holder owns an equity interest in or otherwise controls such Affiliate, Associate or similar entity;

(10) (a) issuances or sales of Capital Stock (other than Disqualified Stock or Designated Preference Shares) of the Issuer or options, warrants or other rights to acquire such Capital Stock or Subordinated Shareholder Funding; *provided* that the interest rate and other financial terms of such Subordinated Shareholder Funding are approved by a majority of the members of the Board of Directors of the Issuer in their reasonable determination and (b) any amendment, waiver or other transaction with respect to any Subordinated Shareholder Funding in compliance with the other provisions of this Indenture;

(11) without duplication in respect of payments made pursuant to the definition of Parent Expenses, (a) payments by the Issuer or any Restricted Subsidiary to any Permitted Holder (whether directly or indirectly, including through any Parent) of annual management, consulting, monitoring or advisory fees and related expenses in an aggregate amount not to exceed an amount equal to the greater of \$50 million or 1.5% of L2QA Pro Forma EBITDA per annum (with unused amounts in any calendar year being carried over to the succeeding calendar years) and; (b) customary payments by the Issuer or any Restricted Subsidiary to any Permitted Holder (whether directly or indirectly, including through any Parent) for financial advisory, financing, underwriting or placement services or in respect of other investment banking activities, including in connection with acquisitions or divestitures, which payments in respect of this clause (b) are approved by a majority of the Board of Directors of the Issuer in good faith; and (c) payments of all fees and expenses related to the Existing Transactions, the Transactions, the Altice USA Distribution and any Permitted Reorganization;

(14) transactions between the Issuer or any Restricted Subsidiary and any other Person that would constitute an Affiliate Transaction solely because a director of such other Person is also a director of the Issuer or any Parent; *provided, however*, that such director abstains from voting as a director of the Issuer or such Parent, as the case may be, at any board meeting approving such transaction, on any matter including such other Person;

(15) payments to and from, and transactions with, any joint ventures entered into in the ordinary course of business or consistent with past practices (including, without limitation, any cash management activities related thereto); and

(a) Section 302, Section 404 or Section 906 of the Sarbanes-Oxley Act of 2002, or related Items 307 and 308 of Regulation S-K under the Securities Act (“*Regulation S-K*”);

(b) Rule 3-10 of Regulation S-X under the Securities Act (“*Regulation S-X*”);

(c) Rule 11-01 of Regulation S-X, give *pro forma* effect to the Transactions, or contain all purchase accounting adjustments relating to the Transactions; or

(2) be required to include trade secrets and other confidential information that is competitively sensitive in the good faith and reasonable determination of the Issuer.

(c) Notwithstanding the foregoing, the Issuer may satisfy its obligations under clauses (1), (2) and (3) of Section 4.10(a) by delivering the corresponding annual, quarterly or other reports of the CVC Parent; *provided* that to the extent that the Issuer is not the reporting entity and material differences exist between the management, business, assets, shareholding or results of operations or financial condition of the Issuer and the CVC Parent, the annual and quarterly reports shall give a reasonably detailed description of such differences or shall include the consolidated balance sheet, income statements and cash flow statement of the Issuer and its subsidiaries;

(d) The Issuer will be deemed to have furnished the reports referred to in clauses (1), (2) and (3) of Section 4.10(a) if the Issuer or a CVC Parent has filed reports containing such information with the SEC or posted such reports on its website. The Trustee shall have no responsibility to determine if and when any of the above reports have been filed or posted on any website. Delivery of the above reports to the Trustee is for informational purposes only and the Trustee's receipt of such reports will not constitute constructive notice of any information contained therein or determinable from information contained therein, including the Issuer's or any other parties' compliance with any of its covenants in this Indenture (as to which the Trustee will be entitled to rely exclusively on Officer's Certificates that are delivered).

(e) All financial statement information shall be prepared in accordance with GAAP as in effect on the date of such report or financial statement (or otherwise on the basis of GAAP as then in effect) and on a consistent basis for the periods presented; *provided, however*, that the reports set forth in clauses (1), (2) and (3) of Section 4.10(a) may in the event of a change in GAAP, present earlier periods on a basis that applied to such periods. Except as provided for in Section 4.10(f) below, no report need include separate financial statements for the Issuer or Subsidiaries of the Issuer or any disclosure with respect to the results of operations or any other financial or statistical disclosure not of a type included in the Offering Memorandum and, subject to the Issuer's election to apply IFRS, in no event shall IFRS information or reconciliation to IFRS be required.

(f) At any time if any Subsidiary of the Issuer is an Unrestricted Subsidiary and any such Unrestricted Subsidiary or group of Unrestricted Subsidiaries, if taken together as one Subsidiary, constitutes a Significant Subsidiary, then the quarterly and annual financial information required by clauses (1) and (2) of Section 4.10(a) will include a reasonably detailed presentation, either on the face of the financial statements or in the footnotes thereto, of the financial condition and results of operations of the Issuer and its Restricted Subsidiaries separate from the financial condition and results of operations of the Unrestricted Subsidiaries of the Issuer; *provided* that with respect to the Combination Date Unrestricted Subsidiaries, the requirements of this clause (f) shall be satisfied by the inclusion of information relating to the Combination Date Unrestricted Subsidiaries substantially similar to that provided in, or included by reference in, the Offering Memorandum.

(g) Substantially concurrently with the issuance to the Trustee of the reports specified in clauses (1), (2) and (3) of Section 4.10(a), the Issuer shall also (A) use its commercially reasonable efforts (i) to post copies of such reports on such website as may be then maintained by the Issuer and its Subsidiaries or any CVC Parent or (ii) otherwise to provide substantially comparable public availability of such reports (as determined by the Issuer in good faith) or (B) to the extent the Issuer determines in good faith that such reports cannot be made available in the manner described in Section 4.10(g)(A) owing to applicable law or after the use of its commercially reasonable efforts, furnish such reports to the Holders and, upon their request, prospective purchasers of the Notes.

prospective purchasers of the Notes or prospective and purchasers of beneficial interests in the Notes, the information required to be delivered pursuant to Rule 144A(d) (4) under the Securities Act.

(i) The Trustee shall have no obligation to determine if and when the Issuer's financial statements or reports are publicly available and accessible electronically. Delivery of these reports, information and documents to the Trustee is for informational purposes only and the Trustee's receipt of any of those will not constitute constructive notice of any information contained therein or determinable from information contained therein, including the Issuer's compliance with any of its covenants hereunder (as to which the Trustee is entitled to rely exclusively on Officer's Certificates).

Section 4.11 *Suspension of Covenants on Achievement of Investment Grade Status.*

If on any date following the Combination Date, any series of Notes have achieved Investment Grade Status and no Default or Event of Default has occurred and is continuing (a "*Suspension Event*"), then the Issuer shall notify the Trustee of these events and beginning on that day and continuing until such time, if any, at which the applicable series of Notes cease to have Investment Grade Status (the "*Reversion Date*"), the following sections will not apply to such series of Notes: Section 4.04, Section 4.05, Section 4.07, Section 4.08, Section 4.09 and Section 5.03(a)(3) and any related default provision of this Indenture will cease to be effective and will not be applicable to the Issuer and the Restricted Subsidiaries. Such Sections and any related default provisions will again apply according to their terms from the first day on which a Suspension Event ceases to be in effect. Such Sections will not, however, be of any effect with regard to actions of the Issuer properly taken during the continuance of the Suspension Event, and Section 4.05 will be interpreted as if it has been in effect since the date of this Indenture except that no Default will be deemed to have occurred solely by reason of a Restricted Payment made while Section 4.05 was suspended. On the Reversion Date, all Indebtedness Incurred during the continuance of the Suspension Event will be classified, at the Issuer's option, as having been Incurred pursuant to Section 4.04(a) or Section 4.04(b) (to the extent such Indebtedness would be permitted to be Incurred thereunder as of the Reversion Date and after giving effect to Indebtedness Incurred prior to the Suspension Event and outstanding on the Reversion Date). To the extent such Indebtedness would not be so permitted to be Incurred under Section 4.04(a) or Section 4.04(b), such Indebtedness will be deemed to have been outstanding on the Combination Date, so that it is classified as permitted under Section 4.04(b)(4)(b). The Issuer shall give the Trustee written notice of any Covenant Suspension Event and in any event not later than five Business Days after such Covenant Suspension Event has occurred. In the absence of such notice, the Trustee shall assume the Suspended Covenants apply and are in full force and effect. The Issuer shall give the Trustee written notice of any occurrence of a Reversion Date not later than five Business Days after such Reversion Date. After any such notice of the occurrence of a Reversion Date, the Trustee shall assume the Suspended Covenants apply and are in full force and effect. The Issuer shall give the Trustee written notice of any Suspension Event and in any event not later than five Business Days after such Suspension Event has occurred. The Issuer shall give the Trustee written notice of any occurrence of a Reversion Date not later than five Business Days after such Reversion Date. Absent such written notice the Trustee shall be entitled to assume that no Suspension Event or the occurrence of any Reversion Date has occurred.

Section 4.12 *[Reserved].*

Section 4.13 *[Reserved].*

Section 4.14 *Compliance Certificate.*

The Issuer shall deliver to the Trustee, within 120 days after the end of each fiscal year (beginning with the fiscal year ending December 31, 2018), an Officer's Certificate indicating whether the signers thereof know of any Default that occurred during the previous year. The Issuer shall deliver to the Trustee,

within 30 days after the occurrence of a Default or Event of Default a written notice of any events of which it is aware which would constitute certain Defaults, their status and what action the Issuer is taking or proposes to take with respect thereto.

The Trustee shall not be deemed to have knowledge of any Default except any Default under clauses (1) or (2) of Section 6.01(a) or any other Default of which a Responsible Officer shall have received written notification in accordance with Section 12.01 or obtained actual knowledge.

If a Default occurs for a failure to deliver a required certificate in connection with another default (such other default, an *Initial Default*) then at the time such Initial Default is cured, such Default for a failure to report or deliver a required certificate in connection with the Initial Default will also be cured without any further action and (ii) any Default or Event of Default for the failure to comply with the time periods prescribed in Section 4.10 or otherwise to deliver any notice or certificate pursuant to any other provision of this Indenture shall be deemed to be cured upon the delivery of any such report required by such covenant or notice or certificate, as applicable, even though such delivery is not within the prescribed period specified in this Indenture.

Section 4.15 *[Reserved].*

Section 4.16 *[Reserved].*

Section 4.17 *[Reserved].*

Section 4.18 *[Reserved].*

Section 4.19 *Payments for Consents.*

The Issuer will not, and will not permit any of its Restricted Subsidiaries to, directly or indirectly, pay or cause to be paid any consideration to or for the benefit of any Holder for or as an inducement to any consent, waiver or amendment of any of the terms of the provisions of this Indenture or the Notes unless such consideration is offered to be paid and is paid to all holders of Notes that consent, waive or agree to amend in the time-frame set forth in the solicitation documents relating to such consent, waiver or amendment; *provided, however*, that if any consent, waiver or amendment will only affect the 2021 May Notes, 2021 September Notes, 2025 Notes or 2028 Notes such consideration shall only be required to be offered to be paid and be paid to all Holders of the relevant series of Notes that consent, waive or agree to amend in the time-frame set forth in the solicitation documents relating to such consent, waiver or amendment. Notwithstanding the foregoing, the Issuer and the Restricted Subsidiaries shall be permitted, in any offer or payment of consideration for, or as an inducement to, any consent, waiver or amendment of any of the terms or provisions of this Indenture, to exclude holders of Notes in any jurisdiction where (i) the solicitation of such consent, waiver or amendment, including in connection with an exchange offer or an offer to purchase for cash, or (ii) the payment of the consideration therefor would require the Issuer or any Restricted Subsidiary to file a registration statement, prospectus or similar document under any applicable securities laws (including, but not limited to, the United States federal securities laws and the laws of the European Union), which the Issuer in its sole discretion determine (acting in good faith) (A) would be materially burdensome (it being understood that it would not be materially burdensome to file the consent document(s) used in other jurisdictions, any substantially similar documents or any summary thereof with the securities or financial services authorities in such jurisdiction) or (B) such solicitation would otherwise not be permitted under applicable law in such jurisdiction.

Section 4.20 *Lines of Business.*

The Issuer will not, and will not permit any of its Restricted Subsidiaries to, engage in any business other than a Similar Business, except to such extent as would not be material to the Issuer and the Restricted Subsidiaries, taken as a whole.

Section 4.21 *[Reserved].*

Section 4.22 *[Reserved].*

Section 4.23 *[Reserved].*

Section 4.24 *[Reserved].*

Section 4.25 *[Reserved].*

Section 4.26 *[Reserved].*

Section 4.27 *Limited Condition Transaction*

In connection with any action being taken in connection with a Limited Condition Transaction, for purposes of determining compliance with any provision of this Indenture which requires that no Default or Event of Default, as applicable, has occurred, is continuing or would result from any such action, as applicable, such condition shall, at the option of the Issuer, be deemed satisfied, so long as no Default or Event of Default, as applicable, exists on the date the definitive agreements or irrevocable notice, as applicable, for such Limited Condition Transaction are entered into or has been delivered, as applicable. For the avoidance of doubt, if the Issuer has exercised its option under the first sentence of this Section 4.27, and any Default or Event of Default occurs following the date the definitive agreements or irrevocable notice, as applicable, for the applicable Limited Condition Transaction were entered into or has been delivered, as applicable, and prior to the consummation of such Limited Condition Transaction, any such Default or Event of Default shall be deemed to not have occurred or be continuing for purposes of determining whether any action being taken in connection with such Limited Condition Transaction is permitted hereunder.

In connection with any action being taken in connection with a Limited Condition Transaction for purposes of:

- (1) determining compliance with any provision of this Indenture which requires the calculation of the Consolidated Net Senior Secured Leverage Ratio, Consolidated Net Leverage Ratio or Priority Indebtedness Ratio; or
- (2) testing baskets set forth in this Indenture (including baskets measured as a percentage of L2QA Pro Forma EBITDA);

in each case, at the option of the Issuer (the Issuer's election to exercise such option in connection with any Limited Condition Transaction, an *ECT Election*"), the date of determination of whether any such action is permitted hereunder, shall be deemed to be the date the definitive agreements or irrevocable notice, as applicable, for such Limited Condition Transaction are entered into or has been delivered, as applicable (the *LCT Test Date*"). If, after giving pro forma effect to the Limited Condition Transaction and the other transactions to be entered into in connection therewith (including any Incurrence of Indebtedness and the use of proceeds thereof) as if they had occurred at the beginning of the most recent two consecutive fiscal quarters ending prior to the LCT Test Date for which consolidated financial statements of the Issuer are available, the Issuer could have taken such action on the relevant LCT Test Date in compliance with such ratio or basket, such ratio or basket shall be deemed to have been complied with.

If the Issuer has made an LCT Election and any of the ratios or baskets for which compliance was determined or tested as of the LCT Test Date are exceeded as a result of fluctuations in any such ratio or basket, including due to fluctuations in L2QA Pro Forma EBITDA of the Issuer or the Person subject to such Limited Condition Transaction, at or prior to the consummation of the relevant transaction or action, such baskets or ratios will not be deemed to have been exceeded as a result of such fluctuations. If the Issuer has made an LCT Election for any Limited Condition Transaction, then in connection with any subsequent calculation of any ratio or basket availability with respect to the Incurrence of Indebtedness or Liens, or the making of Asset Dispositions, mergers, the conveyance, lease or other transfer of all or substantially all of the assets of the Issuer or the designation of an Unrestricted Subsidiary or the making of Investments or Restricted Payments on or following the relevant LCT Test Date and prior to the earlier of the date on which such Limited Condition Transaction is consummated or the definitive agreement or irrevocable notice, as applicable, for such Limited Condition Transaction is terminated or expires without consummation of such Limited Condition Transaction, any such ratio or basket shall be calculated on a pro forma basis assuming such Limited Condition Transaction and other transactions in connection therewith (including any Incurrence of Indebtedness and the use of proceeds thereof) have been consummated.

(c) The Successor Company will succeed to, and be substituted for, and may exercise every right and power of, the Issuer under this Indenture but in the case of a lease of all or substantially all its assets, the predecessor company will not be released from its obligations under this Indenture or the Notes.

(d) Notwithstanding clauses (2) and (3) (which do not apply to transactions referred to in this sentence) and (4) of Section 5.03(a) (which does not apply to transactions referred to in this sentence in which the Issuer is the Successor Company), (a) any Restricted Subsidiary may consolidate or otherwise combine with, merge into or transfer all or part of its properties and assets to the Issuer; (b) any Restricted Subsidiary may consolidate or otherwise combine with, merge into or transfer all or part of its properties and assets to any other Restricted Subsidiary or the Issuer and (c) the Issuer and the Restricted Subsidiaries may effect any Permitted Reorganization. (c) The Trustee shall not be deemed to have notice of any Default or Event of Default (other than Default under clauses (1) or (2) of Section 6.01(a)) unless a written notice of any event which is in fact such a Default is received by a Responsible Officer of the Trustee at the Corporate Trust Office of the Trustee, and such notice references the Notes and this Indenture.

(d) If a Default occurs for a failure to deliver a required certificate in connection with another Default (such other Default, an *'Initial Default'*) then at the time such Initial Default is cured, such Default for a failure to report or deliver a required certificate in connection with the Initial Default will also be cured without any further action.

(e) Any Default or Event of Default for the failure to comply with the time periods prescribed in Section 4.10 or otherwise to deliver any notice or certificate pursuant to any other provision of this Indenture shall be deemed to be cured upon the delivery of any such report required by such covenant or notice or certificate, as applicable, even though such delivery is not within the prescribed period specified in this Indenture.

Section 6.02 *Acceleration.*

If an Event of Default described in clause (6) of Section 6.01(a) occurs and is continuing, the principal of, premium, if any, and accrued and unpaid interest on all the Notes will become and be immediately due and payable without any declaration or other act on the part of the Trustee or any Holders. If any other Event of Default (other than an Event of Default pursuant to Section 6.01(a)(6)) occurs and is continuing, the Trustee or the Holders of at least 25% in aggregate principal amount of the then outstanding Notes may and, if directed by holders of at least 25% in aggregate principal amount of the then outstanding Notes, the Trustee shall, declare all the Notes to be due and payable immediately. In the event of a declaration of acceleration of the Notes because an Event of Default under Section 6.01(a)(5) has occurred and is continuing, the declaration of acceleration of the Notes shall be automatically annulled if the event of default or payment default triggering such Event of Default pursuant to Section 6.01(a)(5) shall be remedied or cured, or waived by the holders of the relevant Indebtedness, or the relevant Indebtedness that gave rise to such Event of Default shall have been discharged in full, within 30 days after the declaration of acceleration with respect thereto and if (i) the annulment of the acceleration of the Notes would not conflict with any judgment or decree of a court of competent jurisdiction and (ii) all existing Events of Default, except nonpayment of principal, premium or interest on the Notes that became due solely because of the acceleration of the Notes, have been cured or waived.

Section 6.03 *Other Remedies.*

Subject to Article 12 and to the duties of the Trustee as provided for in Article 7, if an Event of Default occurs and is continuing, the Trustee may pursue any available remedy to collect the payment of

principal of or interest on the Notes or to enforce the performance of any provision of the Notes or this Indenture.

The Trustee may maintain a proceeding even if it does not possess any of the Notes or does not produce any of them in the proceeding. A delay or omission by the Trustee or any Holder in exercising any right or remedy accruing upon an Event of Default shall not impair the right or remedy or constitute a waiver of or acquiescence in the Event of Default. No remedy is exclusive of any other remedy. All available remedies are cumulative to the extent permitted by law.

Section 6.04 *Waiver of Past Defaults.*

The Holders of a majority in the aggregate principal amount of the outstanding Notes under this Indenture may waive all past or existing Defaults or Events of Default (except with respect to nonpayment of principal, premium or interest) and rescind any such acceleration with respect to such Notes and its consequences if rescission would not conflict with any judgment or decree of a court of competent jurisdiction.

Section 6.05 *Control by Majority.*

The Holders of a majority in aggregate principal amount of the outstanding Notes are given the right to direct the time, method and place of conducting any proceeding for any remedy available to the Trustee (on behalf of the Holders) or of exercising any trust or power conferred on the Trustee (on behalf of the Holders). However, the Trustee may refuse to follow any direction that conflicts with law or this Indenture or that the Trustee determines is unduly prejudicial to the rights of any other Holder or that would involve the Trustee in personal liability. Subject to Article 7, if an Event of Default occurs and is continuing, prior to taking any action under this Indenture, the Trustee will be entitled to indemnification and/or security satisfactory to it in its sole discretion against all losses and expenses caused by taking or not taking such action.

Section 6.06 *Limitation on Suits.*

(a) Except to enforce the right to receive payment of principal or interest when due, no Holder may pursue any remedy with respect to this Indenture or the Notes unless:

- (1) such Holder has previously given the Trustee notice that an Event of Default is continuing;
- (2) Holders of at least 25% in aggregate principal amount of the outstanding Notes have requested the Trustee to pursue the remedy;
- (3) such Holders have offered the Trustee, and the Trustee has received, security and/or indemnity satisfactory to it against any loss, liability or expense;
- (4) the Trustee has not complied with such request within 60 days after the receipt of the request and the offer of security and/or indemnity; and
- (5) the Holders of a majority in aggregate principal amount of the outstanding Notes have not given the Trustee a direction that, in the opinion of the Trustee, is inconsistent with such request within such 60-day period.

(b) A Holder may not use this Indenture to prejudice the rights of another Holder or to obtain a preference or priority over another Holder.

Section 6.07 *Rights of Holders to Receive Payment*

Subject to Section 9.02, the right of any Holder to receive payment of principal of and interest on the Notes held by such Holder, on or after the respective due dates expressed or provided for in the Notes, or to bring suit for the enforcement of any such payment on or after such respective dates, shall not be impaired or affected without the consent of such Holder.

Section 6.08 *Collection Suit by Trustee.*

If an Event of Default specified in clause (1) or (2) of Section 6.01(a) occurs and is continuing, the Trustee may recover judgment in its own name and as trustee of an express trust against the Issuer or any other obligor on the Notes for the whole amount then due and owing (together with interest on any unpaid interest to the extent lawful) and the amounts provided for in Section 7.07.

Section 6.09 *Trustee May File Proofs of Claim.*

The Trustee may file such proofs of claim and other papers or documents and take such actions as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the properly incurred compensation, expenses, disbursements and advances of the Trustee, its agent and counsel and any other amounts due to the Trustee under Section 7.07) and the Holders allowed in any judicial proceedings relative to the Issuer, their creditors or their property and, unless prohibited by law or applicable regulations, may vote on behalf of the Holders in any election of a trustee in bankruptcy or other Person performing similar functions, and any Custodian in any such judicial proceeding is hereby authorized by each Holder to make payments to the Trustee and, in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due it for the properly incurred compensation, expenses, disbursements and advances of the Trustee, its agents and its counsel, and any other amounts due the Trustee and the Agents under Section 7.07.

Section 6.10 *Priorities.*

If the Trustee collects any money or property pursuant to this Article 6, it shall pay out the money or property in the following order:

FIRST: to the Trustee and the Agents for amounts due under Section 7.02 and Section 7.07;

SECOND: to Holders for amounts due and unpaid on the Notes for principal and interest, ratably, without preference or priority of any kind, according to the amounts due and payable on the Notes for principal and interest, respectively; and

THIRD: to the Issuer or to such party as a court of competent jurisdiction shall direct.

The Trustee may fix a record date and payment date for any payment to Holders pursuant to this Section 6.10. At least 15 days before such record date, the Trustee shall mail to each Holder and the Issuer a notice that states the record date, the payment date and amount to be paid.

Section 6.11 *Undertaking for Costs.*

In any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee for any action taken or omitted by it as the Trustee, a court in its discretion may require the filing by any party litigant in the suit of an undertaking to pay the costs of the suit, and the court in its discretion may assess reasonable costs, including properly incurred attorneys' fees, against any party litigant in the suit, having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section 6.11 does not apply to a suit by the Trustee or a Paying Agent, a suit by a Holder pursuant to Section 6.07 or a suit by Holders of more than 10% in principal amount of the Notes then outstanding.

Section 6.12 *Waiver of Stay or Extension Laws.*

The Issuer (to the extent it may lawfully do so) shall not at any time insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay or extension law wherever enacted, now or at any time hereafter in force, which may affect the covenants or the performance of this Indenture; and the Issuer (to the extent that it may lawfully do so) hereby expressly waives all benefit or advantage of any such law, and shall not hinder, delay or impede the execution of any power herein granted to the Trustee, but shall suffer and permit the execution of every such power as though no such law had been enacted.

Section 6.13 *Restoration of Rights and Remedies.*

If the Trustee or any Holder has instituted any proceeding to enforce any right or remedy under this Indenture and such proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Trustee or to such Holder, then and in every such case, subject to any determination in such proceeding, the Issuer, the Trustee and the Holders shall be restored severally and respectively to their former positions hereunder and thereafter all rights and remedies of the Trustee and the Holders shall continue as though no such proceeding had been instituted.

Section 6.14 *Rights and Remedies Cumulative.*

Except as otherwise provided with respect to the replacement or payment of mutilated, destroyed, lost or stolen Notes in Section 2.07, no right or remedy herein conferred upon or reserved to the Trustee or to the Holders is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

Section 6.15 *Delay or Omission Not Waiver.*

No delay or omission of the Trustee or of any Holder to exercise any right or remedy accruing upon any Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein. Every right and remedy given by this Article 6 or by law to the Trustee or to the Holders may be exercised from time to time, and as often as may be deemed expedient, by the Trustee or by the Holders, as the case may be.

ARTICLE 7
TRUSTEE

Section 7.01 *Duties of Trustee.*

(a) In the event an Event of Default has occurred and is continuing of which a Responsible Officer of the Trustee has received written notification in accordance with the provisions of this Indenture, the Trustee will exercise such of the rights and powers vested in it under this Indenture and use the same degree of care that a prudent Person would use in the conduct of its own affairs.

(b) Except during the continuance of an Event of Default:

(1) the Trustee undertakes to perform such duties and only such duties as are specifically set forth in this Indenture and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(2) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture. However, the Trustee shall examine such certificates and opinions to determine whether or not they conform to the requirements of this Indenture (but need not confirm or investigate the accuracy of mathematical calculations or other facts stated therein) and shall be entitled to seek advice from legal counsel in relation thereto.

(c) The Trustee may not be relieved from liability for its own grossly negligent action, its own grossly negligent failure to act or its own willful misconduct, except that:

(1) this Section 7.01(c) does not limit the effect of Section 7.01(a);

(2) the Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer unless it is proved that the Trustee was grossly negligent in ascertaining the pertinent facts; and

(3) the Trustee shall not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it pursuant to Section 7.02, Section 7.03 or Section 7.05;

(d) The Trustee shall not be deemed to have notice or any actual knowledge of any matter (including, without limitation, Defaults or Events of Default (other than default under Section 6.01(a)(1) or 6.01(a)(2))), unless written notice thereof is received by the Responsible Officer of the Trustee at the Corporate Trust Office of the Trustee in accordance with this Indenture and such notice clearly references the Notes, the Issuer or this Indenture.

(e) Every provision of this Indenture that in any way relates to the Trustee is subject to Section 7.01(a), Section 7.01(b), Section 7.01(c) and Section 7.01(f).

(f) No provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur liability in the performance of any of its duties hereunder or to take or omit to take any action under this Indenture or take any action at the request or direction of Holders if it has grounds for believing that repayment of such funds is not assured to it or it does not receive an agreement in writing from the Holders for full indemnity and/or security satisfactory to it in its discretion against any loss, liability or expense which might be incurred by it in compliance with such request or direction nor shall the Trustee be required to do anything which is illegal or contrary to applicable laws or this Indenture. The Trustee will not be liable to the Holders if prevented or delayed in performing any of its obligations or discretionary functions under this Indenture by reason of any present or future law applicable to it, by any governmental or regulatory authority or by any circumstances beyond its control.

(g) The Trustee shall not be liable for interest on any money received by it except as the Trustee may agree in writing with the Issuer.

(h) Money held in trust by the Trustee need not be segregated from other funds except to the extent required by law.

(i) The Trustee will (save as expressly otherwise provided herein) have absolute and uncontrolled discretion as to the exercise or non-exercise of its functions and will not be responsible for any loss, liability, cost, claim, action, demand, expense or inconvenience which may result from their exercise or non-exercise but, whenever the Trustee is under the provisions of this Indenture or the Notes bound to act at the request or direction of the Holders, the Trustee shall nevertheless not be so bound unless first indemnified and/or secured to its satisfaction against all actions, proceedings, claims and demands to which it may render itself liable and all costs, charges, damages, expenses and liabilities which it may incur by so doing.

Section 7.02 *Rights of Trustee.*

(a) The Trustee may refrain from taking any action in any jurisdiction if the taking of such action in that jurisdiction would, in its opinion, based upon legal advice in the relevant jurisdiction, be contrary to any law of that jurisdiction or, to the extent applicable, the State of New York. Furthermore, the Trustee may also refrain from taking such action if such action would otherwise render it liable to any person in that jurisdiction, the State of New York or if, in its opinion based upon such legal advice, it would not have the power to do the relevant thing in that jurisdiction by virtue of any applicable law in that jurisdiction, in the State of New York or if it is determined by any court or other competent authority in that jurisdiction, in the State of New York that it does not have such power.

(b) The Trustee may conclusively rely and shall be fully protected in acting or refraining to act based upon any document believed by it to be genuine and to have been signed or presented by the proper Person. The Trustee need not investigate any fact or matter stated in the document.

(c) Before the Trustee acts or refrains from acting, it may require an Officer's Certificate or an Opinion of Counsel. The Trustee shall not be liable for any action it takes or omits to take in good faith in reliance on such Officer's Certificate or Opinion of Counsel.

(d) The Trustee may act through attorneys and agents and shall not be responsible for the misconduct or negligence of any agent appointed with due care.

(e) The Trustee shall not be liable for any action it takes or omits to take in good faith which it believes to be authorized or within its rights or powers conferred upon it by this Indenture; *provided, however*, that the Trustee's conduct does not constitute willful misconduct or gross negligence.

(f) The Trustee may retain professional advisers to assist it in performing its duties under this Indenture. The Trustee may consult with counsel of its selection, and the advice or Opinion of Counsel with respect to legal matters relating to this Indenture and the Notes shall be full and complete authorization and protection from liability in respect of any action taken, omitted or suffered by it hereunder in good faith and in accordance with the advice or opinion of such counsel.

(g) The Trustee shall not be bound to make any investigation into the facts or matters stated in any Officer's Certificate, Opinion of Counsel, or any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, approval, appraisal, bond, debenture, note, coupon, security other evidence of indebtedness or other paper or document, but the Trustee, in its discretion, may

make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine the books, records and premises of the Issuer, personally or by agent or attorney at the sole cost of the Issuer.

(h) The Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request, order or direction of any of the Holders pursuant to the provisions of this Indenture, unless such Holders shall have offered to the Trustee indemnity and/or other security satisfactory to the Trustee against any loss, liability or expense which may be incurred by it in compliance with such request, order or direction.

(i) In the event the Trustee receives inconsistent or conflicting requests and indemnity from two or more groups of Holders, each representing less than the requisite majority in aggregate principal amount of the Notes then outstanding, pursuant to the provisions of this Indenture, the Trustee, in its sole discretion, may determine what action, if any, shall be taken and shall be held harmless and shall not incur any liability for its failure to act until such inconsistency or conflict is, in its opinion, resolved, and absent willful misconduct or gross negligence, the Trustee shall not be liable for acting in good faith on instructions believed by them to be genuine and from the proper party.

(j) *[Reserved]*.

(k) *[Reserved]*.

(l) The Trustee shall have no duty to inquire as to the performance of the covenants of the Issuer and/or its Restricted Subsidiaries in this Indenture and shall be entitled to assume that the Issuer and any Restricted Subsidiaries are in compliance with the terms of this Indenture.

(m) The Trustee shall not have any obligation or duty to monitor, determine or inquire as to compliance, and shall not be responsible or liable for compliance with restrictions on transfer, exchange, redemption, purchase or repurchase, as applicable, of minimum denominations imposed under this Indenture or under applicable law or regulation with respect to any transfer, exchange, redemption, purchase or repurchase, as applicable, of any interest in any Notes, but may at its sole discretion, choose to do so.

(n) *[Reserved]*.

(o) The Trustee and each Agent shall not be liable for acting in good faith on instructions believed by it to be genuine and from the proper party.

(p) The Trustee shall not be required to give any bond or surety with respect to the performance of its duties or the exercise of its powers under this Indenture.

(q) *[Reserved]*.

(r) The permissive rights of the Trustee to take the actions permitted by this Indenture will not be construed as an obligation or duty to do so.

(s) Anything in this Indenture to the contrary notwithstanding, in no event shall the Trustee be liable for punitive, special, indirect or consequential loss or damage of any kind whatsoever (including but not limited to loss of business, goodwill, opportunity or profits of any kind) of the Issuer, any Restricted Subsidiary or any other person, even if the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action.

(t) Except with respect to Section 4.01, and provided it or an affiliate of it is acting as the Paying Agent, the Trustee shall have no duty to inquire as to the performance of the Issuer with respect to the covenants contained in Article 4. The Trustee may assume without inquiry in the absence of written notice to the contrary that the Issuer is duly complying with its obligations contained in this Indenture required to be performed and observed by it, and that no Default or Event of Default or other event which would require repayment of the Notes has occurred.

(u) In no event shall the Trustee be responsible or liable for any failure or delay in the performance of its obligations hereunder arising out of, or caused by, directly or indirectly, forces beyond its control, including, without limitation, acts of war or terrorism, civil or military disturbances, nuclear or natural catastrophes or acts of God; it being understood that the Trustee shall use reasonable efforts that are consistent with accepted practices in the banking industry to resume performance as soon as practicable under the circumstances.

(v) The Trustee may request that the Issuer deliver an Officer's Certificate setting forth the names of the individuals and/or titles of officers authorized at such time to take specified actions pursuant to this Indenture, which Officer's Certificate may be signed by any person authorized to sign an Officer's Certificate, including any person specified as so authorized in any such certificate previously delivered and not superseded.

(w) The Trustee may, in the execution and exercise of all or any of the trusts, powers, authorities and discretions vested in it by this Indenture, delegate to any person or persons all or any of the trusts, powers, authorities and discretions vested in it by this Indenture and any such delegation may be made upon such terms and conditions and subject to such regulations as the Trustee may think fit. The Trustee shall not be under any obligation to supervise the activities of such delegates and shall not be responsible for the misconduct or negligence of such delegates, or for any costs, expenses, losses or liabilities of, or caused by, such delegates, *provided* that such delegation has been made with reasonable care.

(x) No provision of this Indenture shall require the Trustee to do anything which, in its opinion, may be illegal or contrary to applicable law or regulation.

(y) The Trustee and the Paying Agent shall be entitled to make payments net of any taxes or other sums required by any applicable law to be withheld or deducted.

(z) The permissive rights of the Trustee enumerated herein shall not be construed as duties.

Section 7.03 *Individual Rights of Trustee.*

The Trustee in its individual or any other capacity may become the owner or pledgee of Notes and may otherwise deal with the Issuer, its Subsidiaries or their respective Affiliates with the same rights it would have if it were not Trustee. For the avoidance of doubt, any Paying Agent, Transfer Agent or Registrar may do the same with like rights.

Section 7.04 *Trustee's Disclaimer.*

The Trustee shall not be responsible for and makes no representation as to the validity, effectiveness, correctness or adequacy of this Indenture, the offering materials related to this Indenture or the Notes, it shall not be accountable for the Issuer's use of the proceeds from the Notes or any money paid to the Issuer or upon the Issuer's direction under any provision of this Indenture, and it shall not be responsible for any statement of the Issuer in this Indenture or in any document issued in connection with

113

the sale of the Notes or in the Notes other than the Trustee's certificate of authentication. The Trustee shall not be charged with knowledge of the identity of any Significant Subsidiary unless either (a) a Responsible Officer shall have actual knowledge thereof or (b) the Trustee shall have received notice thereof in accordance with Section 12.01 from the Issuer or any Holder.

Section 7.05 *Notice of Defaults.*

If a Default occurs and is continuing and a Responsible Officer of the Trustee has received written notification thereof by the Issuer, the Trustee shall give notice of the Default to the Holders within 60 days after being notified by the Issuer. Except in the case of a Default in the payment of principal of, or premium, if any, or interest on any Note, the Trustee may withhold notice if and so long as a committee of trust officers of the Trustee in good faith determines that withholding notice is in the interests of the Holders.

Section 7.06 *[Reserved].*

Section 7.07 *Compensation and Indemnity.*

The Issuer shall pay to the Trustee and the Agents from time to time such compensation as the Issuer and Trustee or the Agents, as applicable, may from time to time agree in writing for its acceptance of this Indenture and services hereunder and under the Notes. The Trustee's and the Agents' compensation shall not be limited by any law on compensation of a trustee of an express trust.

In the event of the occurrence of an Event of Default or the Trustee considering it expedient or necessary or being requested by the Issuer to undertake duties which the Trustee and the Issuer agree to be of an exceptional nature or otherwise outside the scope of the normal duties of the Trustee, the Issuer shall pay to the Trustee such additional remuneration as shall be agreed between them.

The Issuer shall reimburse the Trustee and the Agents promptly upon request for all properly incurred disbursements, advances and expenses incurred or made by it (as evidenced in an invoice from the Trustee or the Agents, as applicable), including costs of collection, in addition to the compensation for its services. Such expenses shall include the properly incurred compensation and expenses, disbursements and advances of the Trustee's agents, counsel, accountants and experts. The Issuer shall indemnify the Trustee, the Agents and their respective officers, directors, agents and employers against any and all loss, liability, taxes or expenses (including properly incurred attorneys' fees) incurred by or in connection with the acceptance or administration of its duties under this Indenture and the Notes including the costs and expenses of enforcing this Indenture against the Issuer (including this Section 7.07) and defending itself against any claim (whether asserted by the Issuer or any Holder or any other person) or liability in connection with the exercise or performance of any of its powers or duties hereunder.

The Trustee shall notify the Issuer of any claim for which it may seek indemnity promptly upon obtaining actual knowledge thereof *provided, however*, that any failure to so notify the Issuer shall not relieve the Issuer of its indemnity obligations hereunder. Except in cases where the interests of the Issuer and the Trustee may be adverse, the Issuer shall defend the claim and the indemnified party shall provide reasonable cooperation at the Issuer's expense in the defense. In cases where the interests of the Issuer and the Trustee are adverse, (i) such indemnified party may, in its sole discretion, assume the defense of the claim against it and the Issuer pay the properly incurred fees and expenses of the indemnified party's defense (as evidenced in an invoice from the Trustee) and (ii) such indemnified parties may have separate counsel of their choosing and the Issuer shall pay the properly incurred fees and expenses of such counsel (as evidenced in an invoice from the Trustee). The Issuer need not pay for any settlement made without its consent, which consent shall not be unreasonably withheld. The Issuer need not reimburse any expense or

114

indemnify against any loss, liability or expense incurred by an indemnified party through such party's own willful misconduct, gross negligence or fraud.

To secure the Issuer's payment obligations in this Section 7.07, the Trustee and the Agents have a Lien senior to the Notes on all money or property held or collected by the Trustee other than money or property held in trust to pay principal of and interest on particular Notes.

The Issuer's payment obligations pursuant to this Section 7.07 and any lien arising thereunder shall survive the satisfaction or discharge of this Indenture, any rejection or termination of this Indenture under any Bankruptcy Law or the resignation or removal of the Trustee and the Agents. Without prejudice to any other rights available to the Trustee and the Agents under applicable law, when the Trustee and the Agents incur expenses (including the fees and expenses of counsel) after the occurrence of a Default specified in Section 6.01(a)(6) with respect to the Issuer, the expenses are intended to constitute expenses of administration under any Bankruptcy Law.

For the avoidance of doubt, the rights, privileges, protections, immunities and benefits given to the Trustee in this Section 7.07, including its right to be indemnified, are extended to, and shall be enforceable by the Trustee in each of its capacities hereunder and by each agent (including the Agents), any custodian and any other Person employed with due care to act as agent hereunder.

Section 7.08 *Replacement of Trustee.*

(a) The Trustee may resign at any time by so notifying the Issuer in writing. The Holders of a majority in principal amount of the Notes then outstanding may remove the Trustee by so notifying the Trustee and the Issuer in writing and may appoint a successor Trustee. The Issuer shall be entitled to remove the Trustee and any Holder who has been a bona fide Holder for not less than six months may petition any court for removal of the Trustee and appointment of a successor Trustee, if:

- (1) the Trustee, in its capacity as such, has or acquires a conflict of interest that is not eliminated;
- (2) the Trustee is adjudged bankrupt or insolvent;
- (3) a receiver or other public officer takes charge of the Trustee or its property; or
- (4) the Trustee otherwise becomes incapable of acting as Trustee hereunder.

(b) If the Trustee resigns, is removed pursuant to Section 7.08(a) or if a vacancy exists in the office of Trustee for any reason (the Trustee in such event being referred to herein as the retiring Trustee), the Issuer shall promptly appoint a successor Trustee.

(c) A successor Trustee shall deliver a written acceptance of its appointment to the retiring Trustee and to the Issuer. Thereupon the resignation or removal of the retiring Trustee shall become effective, and the successor Trustee shall have all the rights, powers and duties of the Trustee under this Indenture. The successor Trustee shall mail a notice of its succession to Holders. The retiring Trustee shall promptly transfer all property held by it as Trustee to the successor Trustee, *provided* that all sums owing to the Trustee hereunder have been paid and subject to the lien provided for in this Section 7.08. For the avoidance of doubt, any removal or resignation of the Trustee pursuant to this Section 7.08 shall not become effective until the acceptance of the appointment by the successor Trustee.

(d) If a successor Trustee does not take office within 30 days after the retiring Trustee resigns or is removed, (i) the retiring Trustee, at the expense of the Issuer, or the Holders of 10% in principal amount of the Notes may petition any court of competent jurisdiction for the appointment of a successor trustee, or (ii) the retiring Trustee may appoint a successor trustee at any time prior to the date on which a successor Trustee takes office; *provided* that such appointment is reasonably satisfactory to, and at the joint and several cost and expense of, the Issuer.

(e) Notwithstanding the replacement of the Trustee pursuant to this Section, the Issuer's obligations under Section 7.07 shall continue for the benefit of the retiring Trustee.

(f) For the avoidance of doubt, the rights, privileges, protections, immunities and benefits given to the Trustee in this Article 7, including its right to be indemnified, are extended to, and shall be enforceable by each Agent employed to act hereunder.

Section 7.09 *Successor Trustee by Merger.*

If the Trustee consolidates with, merges or converts into, or transfers all or substantially all its corporate trust business or assets to, another corporation or banking association, the resulting, surviving or transferee corporation without any further act shall be the successor Trustee.

In case at the time such successor or successors by merger, conversion or consolidation to the Trustee shall succeed to the trusts created by this Indenture any of the Notes shall have been authenticated but not delivered, any such successor to the Trustee may adopt the certificate of authentication of any predecessor trustee, and deliver such Notes so authenticated; and in case at that time any of the Notes shall not have been authenticated, any successor to the Trustee or its Authenticating Agent may authenticate such Notes either in the name of any predecessor hereunder or in the name of the successor to the Trustee; and in all such cases such certificates shall have the full force which it is anywhere in the Notes or in this Indenture provided that the certificate of the Trustee shall have.

Section 7.10 *[Reserved].*

Section 7.11 *Certain Provisions.*

Each Holder by accepting a Note authorizes and directs on his or her behalf the Trustee to enter into and to take such actions and to make such acknowledgements as are set forth in this Indenture or other documents entered into in connection therewith.

Section 7.12 *Resignation of Agents.*

(a) Any Agent may resign its appointment hereunder at any time without the need to give any reason and without being responsible for any costs associated therewith by giving notice to the Issuer and the Trustee (and in the case of resignation of the Paying Agent the Paying Agent giving 30 days' written notice) (waivable by the Issuer and the Trustee), *provided* that in the case of resignation of the Paying Agent no such resignation shall take effect until a new Paying Agent shall have been appointed by the Issuer to exercise the powers and undertake the duties hereby conferred and imposed upon the Paying Agent. Following receipt of a notice of resignation from any Agent, the Issuer shall promptly give notice thereof to the Holders in accordance with Section 12.01 Such notice shall expire at least 30 days before or after any due date for payment in respect of the Notes.

(b) If any Agent gives notice of its resignation in accordance with this Section 7.12 and a replacement Agent is required and by the tenth day before the expiration of such notice such replacement

has not been duly appointed, such Agent may itself appoint as its replacement any reputable and experienced financial institution or may petition a court of competent jurisdiction, with costs and expenses properly incurred by the Agent in relation to such petition to be paid by the Issuer. Immediately following such appointment, the Issuer shall give notice of such appointment to the Trustee, the remaining Agents and the Holders whereupon the Issuer, the Trustee, the remaining Agents and the replacement Agent shall acquire and become subject to the same rights and obligations between themselves as if they had entered into an agreement in the form *mutatis mutandis* of this Indenture.

(c) Upon its resignation becoming effective the Paying Agent shall forthwith transfer all moneys held by it hereunder, if any, to the successor Paying Agent or, if none, the Trustee or to the Trustee's order, but shall have no other duties or responsibilities hereunder, and shall be entitled to the payment by the Issuer of its remuneration for the services previously rendered hereunder and to the reimbursement of all reasonable expenses (including legal fees) incurred in connection therewith.

ARTICLE 8
DISCHARGE OF INDENTURE; DEFEASANCE

Section 8.01 *Discharge of Liability on Notes; Defeasance.*

(a) This Indenture, and the rights of the Trustee and the Holders of the applicable series of Notes hereunder will be discharged and cease to be of further effect (except as to surviving rights of conversion or transfer or exchange of the Notes, as expressly provided for in this Indenture) as to all outstanding Notes of a series when (1) either (a) all the Notes of such series previously authenticated and delivered (other than certain lost, stolen or destroyed Notes, and certain Notes for which provision for payment was previously made and thereafter the funds have been released to the Issuer) have been delivered to the relevant Paying Agent for cancellation; or (b) all the Notes of such series not previously delivered to the relevant Paying Agent for cancellation (i) have become due and payable, (ii) will become due and payable at their Stated Maturity within one year or (iii) are to be called for redemption within one year under arrangements reasonably satisfactory to the Trustee for the giving of notice of redemption by the Trustee in the name, and at the expense, of the Issuer; (2) the Issuer has deposited or caused to be deposited with the Trustee (or an entity designated or appointed as agent by it for this purpose), cash in U.S. dollars or U.S. dollar-denominated U.S. Government Obligations or a combination thereof, in an amount sufficient to pay and discharge the entire Indebtedness on the Notes of such series not previously delivered to the Trustee for cancellation, for principal, premium, if any, and interest to the date of deposit (in the case of Notes that have become due and payable), or to the Stated Maturity or redemption date, as the case may be; (3) the Issuer has paid or caused to be paid all other sums payable under this Indenture with respect to the applicable series of Notes (and, in the case of a discharge of this Indenture, all series of Notes); (4) the Issuer has delivered irrevocable instructions under this Indenture to apply the deposited money toward payment of the Notes of such series at maturity or on the redemption date, as the case may be; and (5) the Issuer has delivered to the Trustee an Officer's Certificate to the effect that all conditions precedent under this Section 8.01 relating to the satisfaction and discharge of this Indenture or the applicable series of Notes, as the case may be, have been complied with.

(b) Subject to Section 8.01(c) and Section 8.02, the Issuer at any time may terminate (i) all of its obligations under the Notes of a series and this Indenture ("*legal defeasance option*") and cure all then existing Defaults and Events of Default or (ii) its obligations under the covenants in Article 4 and Article 5 and the default provisions relating to such covenants in clauses (3) of Section 6.01(a), the operation of clauses (5), (6) with respect to the Issuer and Significant Subsidiaries and (7) of Section 6.01(a) ("*covenant defeasance option*"). The Issuer at its option at any time may exercise its legal defeasance option notwithstanding its prior exercise of its covenant defeasance option. In the event that the Issuer terminates all of its obligations under a series of Notes and this Indenture by exercising its legal defeasance option, the

obligations under any Guarantees (if any) shall each be terminated simultaneously with the termination of such obligations.

If the Issuer exercises its legal defeasance option, the rights of the Trustee and the Holders under this Indenture in effect at such time will terminate (other than with respect to the defeasance trust).

Upon satisfaction of the conditions set forth herein and upon request of the Issuer, the Trustee shall acknowledge in writing the discharge of those obligations that the Issuer terminates.

If the Issuer exercises its legal defeasance option with respect to a series of the Notes, payment of such Notes may not be accelerated because of an Event of Default with respect to such Notes. If the Issuer exercises its covenant defeasance option with respect to a series of Notes, payment of such Notes may not be accelerated because of an Event of Default specified in clause (3) (other than with respect to clauses (1) and (2) of Section 5.03(a)), (5), (6) or (7) of Section 6.01(a).

(c) Notwithstanding Section 8.01(a) and Section 8.01(b), the Issuer's obligations in Sections 2.03, Section 2.04, Section 2.05, Section 2.06, Section 2.07, Section 2.08, Section 2.09, Section 2.10, Section 2.11, Article 7 and this Article 8, as applicable, and the rights of Holders to receive payments in respect of the principal, premium, if any, and interest on the Notes when such payments are due, solely out of the trust created pursuant to this Indenture referred to in Section 8.01(a) and Section 8.02(a), shall survive until the Notes have been paid in full. Thereafter, the Issuer's obligations in Section 7.07, Section 8.05 and Section 8.06, as applicable, shall survive.

Section 8.02 *Conditions to Defeasance.*

(a) The Issuer may exercise its legal defeasance option or its covenant defeasance option with respect to a series of Notes only if the Issuer has irrevocably deposited in trust (the "*defeasance trust*") with the Trustee (or an entity designated or appointed as agent by it for this purpose) cash in U.S. dollars or U.S. dollar-denominated U.S. Government Obligations or a combination thereof for the payment of principal, premium, if any, and interest on such Notes to redemption or maturity, as the case may be, and has delivered to the Trustee:

- (1) an Opinion of Counsel (subject to customary exceptions and exclusions) from United States counsel to the effect that Holders of such Notes will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such deposit and defeasance and will be subject to U.S. federal income tax on the same amount and in the same manner and at the same times as would have been the case if such deposit and defeasance had not occurred (and in the case of legal defeasance only, such Opinion of Counsel from United States counsel must be based on a ruling of the U.S. Internal Revenue Service or other change in applicable U.S. federal income tax law);
- (2) an Officer's Certificate stating that the deposit was not made by the Issuer with the intent of defeating, hindering, delaying, defrauding or preferring any creditors of the Issuer;
- (3) an Officer's Certificate stating that all conditions precedent provided for or relating to legal defeasance or covenant defeasance, as the case may be, have been complied with; and
- (4) an Opinion of Counsel to the effect that the trust resulting from the deposit does not constitute, or is qualified as, a regulated investment company under the U.S. Investment Company Act of 1940, as amended.

(b) Before or after a deposit, the Issuer may make arrangements satisfactory to the Trustee for the redemption of Notes at a future date in accordance with Article 3.

Section 8.03 *Application of Trust Money.*

The Trustee (or an entity appointed or designated (as agent) by it for this purpose) shall hold in trust money, U.S. Government Obligations for the payment of principal, premium, if any, and interest deposited with it pursuant to this Article 8. It shall apply the deposited money and the money from the U.S. Government Obligations through the Paying Agent and in accordance with this Indenture to the payment of principal of and interest on the Notes.

Section 8.04 *Repayment to Issuer.*

The Trustee and the Paying Agent shall promptly turn over to the Issuer upon request any money, U.S. Government Obligations held by it as provided in this Article 8 which, in the written opinion of an internationally recognized firm of independent public accountants delivered to the Trustee (which delivery shall only be required if U.S. Government Obligations have been so deposited), are in excess of the amount thereof which would then be required to be deposited to effect an equivalent discharge or defeasance in accordance with this Article 8.

Subject to any applicable abandoned property law, the Trustee and the Paying Agent shall pay to the Issuer upon written request any money held by them for the payment of principal or interest that remains unclaimed for two years, and, thereafter, Holders entitled to the money must look to the Issuer for payment as general creditors, and the Trustee and the Paying Agent shall have no further liability with respect to such moneys.

Section 8.05 *Indemnity for Government Obligations.*

The Issuer shall pay and shall indemnify the Trustee against any tax, fee or other charge imposed on or assessed against deposited U.S. Government Obligations or the principal and interest received on such U.S. Government Obligations.

Section 8.06 *Reinstatement.*

If the Trustee or Paying Agent is unable to apply any money, U.S. Government Obligations in accordance with this Article 8 by reason of any legal proceeding or by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, the Issuer's obligations under this Indenture and the Notes shall be revived and reinstated as though no deposit had occurred pursuant to this Article 8 until such time as the Trustee or Paying Agent is permitted to apply all such money, U.S. Government Obligations in accordance with this Article 8; *provided, however*, that if the Issuer has made any payment of principal of or interest on any Notes because of the reinstatement of its obligations, the Issuer shall be subrogated to the rights of the Holders of such Notes to receive such payment from the money, U.S. Government Obligations held by the Trustee or Paying Agent.

ARTICLE 9
AMENDMENTS AND WAIVERS

Section 9.01 *Without Consent of Holders.*

(a) Without the consent of any Holder, the Issuer, the Trustee and the other parties thereto, as applicable, may amend or supplement any Notes Documents to:

- (1) cure any ambiguity, omission, defect, error or inconsistency;
 - (2) provide for the assumption by a successor Person of the obligations of the Issuer under any Notes Document;
 - (3) add to the covenants for the benefit of the Holders or surrender any right or power conferred upon the Issuer or any Restricted Subsidiary;
 - (4) make any change that would provide additional rights or benefits to the Trustee or the Holders or does not adversely affect the rights or benefits to the Trustee or any of the Holders in any material respect under the Notes Documents;
 - (5) make such provisions as necessary (as determined in good faith by the Issuer) for the issuance of Additional Notes Incurred in accordance with the terms of this Indenture;
 - (6) to add Guarantees with respect to the Notes (including any provisions relating to the release or limitations of such Additional Guarantees), to add security to or for the benefit of the Notes, or to effectuate or confirm and evidence the release, termination, discharge or retaking of any such note guarantee or Lien or any amendment in respect thereof with respect to the Notes when such release, termination, discharge or retaking or amendment is provided for under this Indenture;
 - (7) conform the text of this Indenture or the Notes to any provision of the section of the Offering Memorandum entitled “*Description of the New CSC Senior Notes*” to the extent that such provision in the section of the Offering Memorandum entitled “*Description of the New CSC Senior Notes*” was intended to be a *verbatim* recitation of a provision of this Indenture or the Notes; or
 - (8) evidence and provide for the acceptance and appointment under this Indenture of a successor Trustee pursuant to the requirements thereof or to provide for the accession by the Trustee to any Notes Document.
- (b) In formulating its decision on the matters described in Section 9.01(a), the Trustee shall be entitled to require and rely absolutely on such evidence as it deems necessary, including Officer’s Certificates and Opinions of Counsel.

Section 9.02 *With Consent of Holders.*

(a) The Issuer may amend, supplement or otherwise modify the Notes Documents with the consent of the Holders of a majority in principal amount of the Notes then outstanding (including consents obtained in connection with a purchase of, or tender offer or exchange offer for, Notes) and, unless otherwise provided for in this Indenture, any default or compliance with any provisions thereof may be waived with the consent of the Holders of a majority in principal amount of the Notes then outstanding (including consents obtained in connection with a purchase of, or tender offer or exchange offer for, Notes); *provided, however*, that if any amendment, supplement or waiver will only affect the, 2021 May Notes, 2021 September Notes, 2025 Notes or 2028 Notes, only the consent of Holders of a majority in principal amount of the then outstanding 2021 May Notes, 2021 September Notes, 2025 Notes or 2028 Notes (and not the consent of Holders of a majority in principal amount of all Notes then outstanding), as the case may be, shall be required. However, without the consent of each Holder of Notes affected (*provided, however*, that if any amendment, supplement or waiver will only affect the 2021 May Notes, 2021 September Notes, 2025 Notes or 2028 Notes only the consent of each Holder of the outstanding 2021 May Notes, 2021

September Notes, 2025 Notes or 2028 Notes (and not the consent of each Holder of Notes then outstanding), as the case may be, shall be required) (including consents obtained in connection with a purchase of, or tender offer or exchange offer for, Notes), an amendment, supplement or waiver may not, with respect to any Notes held by a non-consenting Holder:

- (1) reduce the principal amount of such Notes whose Holders must consent to an amendment, waiver, supplement or modification;
 - (2) reduce the stated rate of or extend the stated time for payment of interest on any such Note (other than, for the avoidance of doubt, any payment pursuant to a Change of Control Offer or pursuant to Section 4.08);
 - (3) reduce the principal of, or extend the Stated Maturity of, any such Note;
 - (4) reduce the premium payable upon the redemption of any such Note or change the time at which any such Note may be redeemed, in each case under Section 3.07 (other than, for the avoidance of doubt, any payment pursuant to a Change of Control Offer or pursuant to Section 4.08);
 - (5) make any such Note payable in money other than that stated in such Note (except to the extent the currency stated in such Notes has been succeeded or replaced pursuant to applicable law);
 - (6) impair the right of any Holder to receive payment of principal of and interest on such Holder's Notes on or after the due dates therefor or to institute suit for the enforcement of any such payment on or with respect to such Holder's Notes (it being understood that this clause (6) will not apply to Section 4.03 or Section 4.08 except to the extent payments thereunder are at such time due and payable);
 - (7) *[Reserved]*;
 - (8) waive a Default or Event of Default with respect to the nonpayment of principal, premium or interest on such Notes (except pursuant to a rescission of acceleration of the Notes by the Holders of at least a majority in aggregate principal amount of such Notes and a waiver of the payment default that resulted from such acceleration); or
 - (9) make any change in the amendment or waiver provisions which require the Holders' consent described in this Section 9.02(a).
- (b) In formulating its decision on the matters described in Section 9.02(a), the Trustee shall be entitled to require and rely absolutely on such evidence as it deems necessary, including Officer's Certificates and Opinions of Counsel.
- (c) The consent of the Holders is not necessary under this Indenture to approve the particular form of any proposed amendment. It is sufficient if such consent approves the substance of the proposed amendment. A consent to any amendment or waiver under this Indenture by any Holder of Notes given in connection with a tender of such Holder's Notes will not be rendered invalid by such tender.
- (d) After an amendment under this Section 9.02 becomes effective, in the case of Holders of Definitive Notes, the Issuer shall mail to the Holders a notice briefly describing such amendment. The

failure to give such notice to all Holders, or any defect therein, shall not impair or affect the validity of an amendment under this Section 9.02.

(c) The Notes issued on the Combination Date, and any Additional Notes, will be treated as a single class for all purposes under this Indenture, including with respect to waivers and amendments, except as otherwise stated in this Section 9.02.

Section 9.03 *Revocation and Effect of Consents and Waivers.*

(a) A written consent to an amendment or a waiver by a Holder shall bind the Holder and every subsequent Holder of that Note or portion of the Notes that evidences the same debt as the consenting Holder's Note, even if notation of the consent or waiver is not made on the Note. However, any such Holder or subsequent Holder may revoke the consent as to its Note if the Trustee receives written notice of revocation before the date the amendment, supplement or waiver becomes effective. After an amendment or waiver becomes effective, it shall bind every Holder. An amendment or waiver becomes effective upon the (i) receipt by the Issuer or the Trustee of the requisite number of consents, (ii) satisfaction of conditions to effectiveness as set forth in this Indenture and any indenture supplemental hereto containing such amendment or waiver and (iii) execution of such amendment or waiver (or supplemental indenture) by the Issuer and the Trustee.

(b) The Issuer may, but shall not be obligated to, fix a record date for the purpose of determining the Holders entitled to give their written consent or take any other action described above or required or permitted to be taken pursuant to this Indenture. If a record date is fixed, then notwithstanding Section 9.03(a), those Persons who were Holders at such record date (or their duly designated proxies), and only those Persons, shall be entitled to give such consent or to revoke any consent previously given or to take any such action, whether or not such Persons continue to be Holders after such record date. No such consent shall be valid or effective for more than 120 days after such record date.

Section 9.04 *Notation on or Exchange of Notes.*

If an amendment, modification or supplement changes the terms of a Note, the Trustee may require the Holder of the Note to deliver it to the Trustee. The Trustee may place an appropriate notation on the Note regarding the changed terms and return it to the Holder. Alternatively, if the Issuer or the Trustee so determines, the Issuer in exchange for the Note shall issue and the Trustee or an Authenticating Agent shall authenticate a new Note that reflects the changed terms. Failure to make the appropriate notation or to issue a new Note shall not affect the validity of such amendment, modification or supplement.

Section 9.05 *Trustee to Sign Amendments.*

The Trustee shall sign any amendment authorized pursuant to this Article 9 if the amendment does not impose any personal obligations on the Trustee or adversely affect the rights, duties, liabilities or immunities of the Trustee under this Indenture. If it does, the Trustee may, but need not, sign it. In signing such amendment the Trustee shall be entitled to receive an indemnity and/or security satisfactory to it and to receive, and (subject to Section 7.01 and Section 7.02(o)) shall be fully protected in relying upon, an Officer's Certificate and an Opinion of Counsel stating that such amendment complies with this Indenture and that such amendment has been duly authorized, executed and delivered and is the legally valid and binding obligation of the Issuer (if any) enforceable against it in accordance with its terms, subject to customary exceptions.

Notwithstanding the foregoing and Section 12.02(b), no Opinion of Counsel will be required for the Trustee to execute any amendment or supplement adding a new Guarantee of the Notes under this

Indenture; *provided that* the execution thereof shall be deemed a representation by such guarantor(s) that (i) all conditions precedent and covenants, if any, relating to the execution of such supplemental indenture have been satisfied, (ii) that such executed supplemental indenture is substantially in the form attached as Exhibit D hereto (subject to the inclusion of any additional limitations under applicable laws on the obligations of such guarantor under its Guarantee of the Notes) and (iii) such supplemental indenture is enforceable in accordance with its terms subject to (A) bankruptcy, insolvency, reorganization, moratorium, fraudulent conveyance and similar laws affecting the rights and remedies of creditors generally and (B) general principles of equity.

For the avoidance of doubt, an Officer's Certificate (which the Trustee will be fully protected in relying upon and upon which the Trustee shall be entitled to rely without further enquiry or investigation) will be required for the Trustee to execute any amendment or supplement adding a new Guarantee of the Notes under this Indenture.

(d) a statement as to whether or not, in the opinion of such Person, such covenant or condition has been complied with; *provided, however*, that with respect to matters of fact, an Opinion of Counsel may rely on an Officer's Certificate or certificates of public officials.

Section 12.04 *When Notes Disregarded.*

(a) Except as otherwise provided under Section 3.07 and 4.03, in determining whether the Holders of the required principal amount of the Notes or a series of Notes, as applicable, have concurred in any direction, waiver or consent, any such Notes or series of Notes, as applicable, owned by the Issuer or by any Person directly or indirectly controlling, or controlled by, or under direct or indirect common control with the Issuer will be disregarded and deemed not to be outstanding, except that, for the purpose of determining whether the Trustee shall be protected in relying on any such direction, waiver or consent, only Notes which the Trustee knows are so owned shall be so disregarded. Subject to the foregoing, only Notes outstanding at the time shall be considered in any such determination.

Section 12.05 *Rules by Trustee, Paying Agent and Registrar.*

Section 12.08 *Consent to Jurisdiction and Service.*

In the event any such mutilated, lost, destroyed or wrongfully taken Note has become or is about to become due and payable, the Issuer in its discretion may pay such Note instead of issuing a new Note in replacement thereof.

Every replacement Note is an additional obligation of the Issuers.

The provisions of this Section 2.07 are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, lost, destroyed or wrongfully taken Notes.

Section 2.08 *Outstanding Notes.*

Notes outstanding at any time are all Notes authenticated by the Trustee or the Authenticating Agent except for those canceled by it, those delivered to it for cancellation and those described in this Section 2.08 as not outstanding. Subject to Section 12.04, a Note does not cease to be outstanding because the Issuers or an Affiliate of the Issuer holds the Note. If a Note is replaced pursuant to Section 2.07, it ceases to be outstanding unless the Trustee and the Issuers receive proof satisfactory to them that the replaced Note is held by a protected purchaser (as defined in Section 8-303 of the Uniform Commercial Code).

If the principal amount of any Note is considered paid under Section 4.01 hereof, it ceases to be outstanding and interest on it ceases to accrue.

Section 2.09 *Treasury Notes.*

(a) The Issuers shall promptly notify the Trustee of any Notes owned by the Issuers or any Affiliate of the Issuers. Except as otherwise provided under Article III, in determining whether the Holders of the required principal amount of Notes have concurred in any direction, waiver or consent, or any amendment, modification or other change to this Indenture, Notes owned by the Company, or by any Person directly or indirectly controlling or controlled by or under direct or indirect common control with the Company, will be considered as though not outstanding, except that for the purposes of determining whether the Trustee will be protected in relying on any such direction, waiver or consent, only Notes that a Responsible Officer of the Trustee actually knows are so owned will be so disregarded.

(b) Notwithstanding any provision to the contrary in this Indenture (including Section 2.09(a) hereof), in determining whether the Holders of at least 90% of the aggregate principal amount of the then outstanding Notes have validly tendered and not withdrawn Notes in a Change of Control Offer, other tender offer or offer to purchase for all of the Notes, as applicable, Notes owned by any Affiliate of the Issuers or funds controlled or managed by any Affiliate of the Issuers, or any successor thereof, shall be deemed to be outstanding for the purposes of such Change of Control Offer, tender offer or other offer to purchase, as applicable.

Section 2.10 *Temporary Notes.*

In the event that Definitive Registered Notes are to be issued under the terms of this Indenture, until such Definitive Registered Notes are ready for delivery, the Issuers may prepare and the Trustee or the Authenticating Agent, upon receipt of an Authentication Order, shall authenticate temporary Notes. Temporary Notes shall be substantially in the form of Definitive Registered Notes but may have variations that the Issuers consider appropriate for temporary Notes. Without unreasonable delay, the Issuers shall prepare and the Trustee or the Authenticating Agent, upon receipt of an Authentication Order, shall authenticate Definitive Registered Notes and deliver them in exchange for temporary Notes upon surrender of such temporary Notes at the office or agency of the Issuer, without charge to the Holder.

Section 2.11 *Cancellation.*

The Issuers at any time may deliver Notes to the Registrar for cancellation. The Trustee and the Paying Agent shall forward to the Registrar any Notes surrendered to them for registration of transfer, exchange or payment. The Registrar (or an agent authorized by the Registrar) and no one else shall cancel all Notes surrendered for registration of transfer, exchange, payment or cancellation and shall dispose of canceled Notes in accordance with its customary procedures or deliver canceled Notes to the Issuers pursuant to written direction by an Officer of the Issuers. Upon request of the Issuers, certification of the destruction of all canceled Notes shall be delivered to the Issuers. The Issuers may not issue new Notes to replace Notes it has redeemed or delivered to the Registrar for cancellation. If the Issuers shall acquire any of the Notes, such acquisition shall not operate as a redemption or satisfaction of the Indebtedness represented by such Notes, unless and until the same are surrendered to the Registrar for cancellation pursuant to this Section 2.11. Neither the Trustee nor the Authenticating Agent shall authenticate Notes in place of canceled Notes other than pursuant to the terms of this Indenture.

Section 2.12 *Defaulted Interest.*

If the Issuers default in a payment of interest on the Notes, it will pay the defaulted interest in any lawful manner plus, to the extent lawful, interest payable on the defaulted interest, to the Persons who are Holders on a subsequent special record date, in each case at the rate provided in the Notes and in Section 4.01 hereof. The Issuers will notify the Trustee in writing of the amount of defaulted interest proposed to be paid on each Note and the date of the proposed payment. The Issuers will fix or cause to be fixed each such special record date and payment date; *provided* that no such special record date may be less than 10 days prior to the related payment date for such defaulted interest. At least 15 days before the special record date, the Issuers (or, upon the written request of the Issuer, the Trustee in the name and at the expense of the Issuers) will mail or cause to be mailed to the Holders in accordance with Section 12.01 hereof a notice that states the special record date, the related payment date and the amount of such interest to be paid.

Section 2.13 *Further Issues.*

(a) Subject to compliance with Section 4.04 hereof, the Issuers may from time to time issue Additional Notes ranking *pari passu* with the Initial Notes and with the same terms as to status, redemption and otherwise as such Notes (save for payment of interest accruing prior to the issue date of such Additional Notes or for the first payment of interest following the issue date of such Additional Notes). Any Additional Notes, the Initial Notes and any previously issued Additional Notes will be consolidated and treated as a single class for all purposes under this Indenture, including, without limitation, waivers, amendments, redemptions, and offers to purchase except as otherwise specified with respect to each series of Notes.

(b) Whenever it is proposed to create and issue any Additional Notes (other than Additional Notes issued on the Second Issue Date), the Issuers shall give to the Trustee not less than three Business

Days' notice in writing of its intention to do so, stating the amount of Additional Notes proposed to be created and issued.

Section 2.14 *Common Codes, ISIN and CUSIP Numbers.*

The Issuers, in issuing the Notes may use Common Codes, ISIN and CUSIP numbers (if then generally in use) and, if so, the Issuers shall use Common Codes, ISIN and CUSIP numbers in notices of redemption as a convenience to Holders; *provided, however*, that any such notice may state that no representation is made as to the correctness of such numbers either as printed on the Notes or as contained in any notice of a redemption and that reliance may be placed only on the other identification numbers printed on the Notes, and any such redemption shall not be affected by any defect in or omission of such numbers; *provided, further*, that if any Additional Notes are not fungible with the Notes, such Additional Notes shall have a different ISIN and/or Common Code number (or other applicable identifying number). The Issuer will promptly notify the Trustee and the Paying Agent, in writing, of any change in the Common Code, ISIN or CUSIP numbers.

Section 2.15 *Currency Indemnity.*

The sole currency of account and payment for all sums payable by the Issuers under or in connection with the Notes is dollars, including damages. Any amount received or recovered in a currency other than dollars, whether as a result of, or the enforcement of, a judgment or order of a court of any jurisdiction, in the winding-up or dissolution of the Issuers, or otherwise by any Holder or by the Trustee, in respect of any sum expressed to be due to it from the Issuers, will only constitute a discharge to the Issuers to the extent of the dollars amount which the recipient is able to purchase with the amount so received or recovered in that other currency on the date of that receipt or recovery (or, if it is not practicable to make that purchase on that date, on the first date on which it is practicable to do so).

If that dollar amount is less than the dollar amount expressed to be due to the recipient or the Trustee under any Note, the Issuers will indemnify them against any loss sustained by such recipient or the Trustee as a result. In any event, the Issuers will indemnify the recipient or the Trustee on a joint or several basis against the cost of making any such purchase. For the purposes of this currency indemnity provision, it will be *prima facie* evidence of the matter stated therein for the Holder or the Trustee to certify in a manner reasonably satisfactory to the Issuers (indicating the sources of information used) the loss it Incurred in making any such purchase. These indemnities constitute a separate and independent obligation from the Issuers' other obligations, will give rise to a separate and independent cause of action, will apply irrespective of any waiver granted by any Holder or the Trustee (other than a waiver of the indemnities set out herein) and will continue in full force and effect despite any other judgment, order, claim or proof for a liquidated amount in respect of any sum due under any Note or to the Trustee.

Section 2.16 *Deposit of Moneys*

No later than 10:00 a.m. (New York time) on the Business Day that is an interest payment date, the maturity date of the Notes and each payment date relating to an Asset Disposition Offer or a Change of Control Offer, and on the Business Day immediately following any acceleration of the Notes pursuant to Section 6.02 hereof, the Issuers shall deposit with the Paying Agent, in immediately available funds, money in dollars sufficient to make cash payments, if any, due on such day or date, as the case may be. The Issuers shall promptly notify the Trustee and the Paying Agent of its failure to so act.

Section 2.17 *Agents*

(a) The rights, powers, duties and obligations and actions of each Agent under this Indenture are several and not joint or joint and several, and the Agents shall only be obliged to perform those duties expressly set out in this Indenture and shall have no implied duties.

(b) The Issuers and the Agents acknowledge and agree that in the event of a Default or Event of Default, the Trustee may, by notice in writing to the Issuers and the Agents, require that the Agents act as agents of, and take instructions exclusively from, the Trustee. Until they have received such written notice from the Trustee, the Agents shall act solely as agents of the Issuers and need have no concern for the interests of the Holders.

Unless otherwise specified, the Issuers shall give each notice in writing to the Trustee and the Paying Agent in writing provided for in this Article 3 at least 10 days, but not more than 60 days, before the redemption date unless the Trustee or the Paying Agent (as the case may be) consents to a shorter period in its sole discretion. In the case of a redemption pursuant to Section 3.07 hereof, prior to the publication or, where relevant, mailing of any notice of redemption of the Notes pursuant to Section 3.03, the Issuers will deliver such notice along with an Officer's Certificate from the Issuers to the effect that such redemption will comply with the conditions herein. The Trustee will accept and shall be entitled to rely conclusively and without further inquiry on such Officer's Certificate and opinion of counsel as sufficient evidence of the existence and satisfaction of the conditions precedent as described in Sections 3.07 hereof, as the case may be, in which event it will be conclusive and binding on the Holders.

Section 3.02 *Selection of Notes To Be Redeemed or Repurchased.*

If less than all of the Notes are to be redeemed at any time, the Notes for redemption will be selected in accordance with the procedures of DTC, or if DTC prescribes no method of selection, then the Issuers will instruct the Trustee or the Registrar to select the Notes for redemption in compliance with the requirements of the principal securities exchange, if any, on which the Notes are listed, as certified to the Trustee or the Registrar or if the Notes are not so listed or such exchange prescribes no method of selection, then based on a method that most nearly approximates a *pro rata* selection or by lot; *provided, however*, that no Note of \$200,000 in aggregate principal amount or less shall be redeemed in part and only Notes in integral multiples of \$1,000 will be redeemed. Provisions of this Indenture that apply to Notes called for redemption also apply to portions of Notes called for redemption. Neither the Trustee nor the Registrar will be liable for any selections made in accordance with this Section 3.02.

(a) Other than as provided in Section 3.03(b), not less than 10 days but not more than 60 days before a date for redemption of Notes, the Issuers shall transmit a notice of redemption in accordance with Section 12.01 hereof. If such Notes are in global form, notice of redemption will be delivered to DTC for communication to the entitled account holders.

The notice shall identify the Notes to be redeemed and shall state:

- (7) the Common Codes, ISIN or CUSIP number, as applicable, if any, printed on the Notes being redeemed;
- (8) the paragraph of the Notes or section of this Indenture pursuant to which the Notes are being redeemed;

- (10) if any Notes is to be redeemed in part only, the portion of the principal amount thereof to be redeemed.

(b) At the Issuers' request and expense, the Trustee or the Paying Agent shall give the notice of redemption in the Issuers' name. In such event, the Issuers shall provide the Trustee and the Paying Agent at least 2 Business Days prior to the date on which notice of redemption is to be delivered to Holders (unless a shorter period of time is acceptable to the Trustee and the Paying Agent), an Officer's Certificate requesting the Trustee or the Paying Agent to give such notice and also containing the information required to be contained in such notice pursuant to Section 3.03 hereof.

Section 3.04 *Effect of Notice of Redemption.*

Once notice of redemption is delivered, Notes called for redemption cease to accrue interest, and become due and payable, on the redemption date and at the redemption price stated in the notice, *provided, however*, that any redemption notice given in respect of the redemption referred to in Section 3.07 hereof may, at the Issuers' discretion, be subject to the satisfaction of one or more conditions precedent to the extent permitted under Section 3.07. Upon surrender to the Paying Agent, the Notes shall be paid at the redemption price stated in the notice, plus accrued interest, if any, to, but not including, the redemption date; *provided, however*, that if the redemption date is after a regular record date and on or prior to the interest payment date, the accrued interest shall be payable to the Holder of the redeemed Notes registered on the relevant record date. Failure to give notice or any defect in the notice to any Holder shall not affect the validity of the notice to any other Holder.

Section 3.05 *Deposit of Redemption Price.*

On and after the redemption date, interest shall cease to accrue on Notes or portions thereof called for redemption so long as the Issuers have deposited with the Paying Agent funds sufficient to pay the principal of, plus accrued and unpaid interest, if any, on, the Notes to be redeemed, unless the Paying Agent is prohibited from making such payment pursuant to the terms of this Indenture. For the avoidance of doubt, the Paying Agent and the Trustee shall be held harmless and have no liability or obligation with respect to payments or disbursements to be made by the Paying Agent and Trustee (i) for which payment instructions are not made or that are not otherwise deposited by the respective times set forth in this Section 3.05 and (ii) until they have confirmed receipt of funds sufficient to make the relevant payment.

Section 3.06 *Notes Redeemed in Part.*

Subject to the terms hereof, upon surrender of a Note that is redeemed in part, (i) in the case of a Definitive Registered Note, a new Definitive Registered Note in principal amount equal to the unredeemed portion of any Definitive Registered Note redeemed in part will be issued in the name of the Holder thereof upon cancellation of the original Definitive Registered Note and (ii) in the case of a Global Note, an appropriate notation will be made on such Note to decrease the principal amount thereof to an amount equal to the unredeemed portion thereof.

Section 3.07 *Optional Redemption.*

(a) On and after April 1, 2023 the Issuers may redeem all or, from time to time, part of the Notes upon not less than 10 nor more than 60 days' notice, at the following redemption prices (expressed as a percentage of the principal amount) plus accrued and unpaid interest to, but not including, the applicable redemption date (subject to the right of the Holders of record on the relevant record date to receive interest due on the relevant interest payment date), if redeemed during the twelve-month period beginning on April 1 of the years indicated below:

| Year | Redemption Price |
|---------------------|-------------------------|
| 2023 | 103.750% |
| 2024 | 101.875% |
| 2025 | 101.250% |
| 2026 and thereafter | 100.000% |

Unless the Issuers default in the payment of the redemption price, interest will cease to accrue on the Notes or the portion thereof called for redemption on the applicable redemption date. Any such redemption and notice may, in the Issuers' discretion, be subject to the satisfaction of one or more conditions precedent.

(b) Prior to April 1, 2021, the Issuers may on any one or more occasions redeem up to 40% of the original principal amount of the Notes (including, in each case, the principal amount of any Additional Notes denominated in such currencies), upon not less than 10 nor more than 60 days' notice, with funds in an aggregate amount (the "*Redemption Amount*") not exceeding the Net Cash Proceeds of one or more Equity Offerings at a redemption price of 107.500% of the principal amount of the Notes, plus accrued and unpaid interest to, but not including, the applicable redemption date (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date); *provided that*:

(1) at least 60% of the original principal amount of the Notes (including the principal amount of any Additional Notes) remains outstanding after each such redemption; and

(2) the redemption occurs within 180 days after the closing of such Equity Offering.

Any redemption notice given in respect of the redemption of the Notes (including upon an Equity Offering or in connection with a transaction (or series of related transactions) or an event that constitutes a Change of Control) may, at the Issuers' discretion, be subject to the satisfaction of one or more conditions precedent, including, but not limited to, the completion or occurrence of the relevant transaction or event, as the case may be. In addition, if such redemption or purchase is subject to satisfaction of one or more conditions precedent, such notice shall describe each such condition, and if applicable, shall state that, in the Issuers' discretion, the redemption date may be delayed until such time (including more than 60 days after the date the notice of redemption was mailed or delivered, including by electronic transmission) as any or all such conditions shall be satisfied or waived, or such redemption or purchase may not occur and such notice may be rescinded in the event that any or all such conditions shall not have been satisfied or waived by the redemption date, or by the redemption date as so delayed, or such notice may be rescinded at any time in the Issuers' discretion if in the good faith judgment of the Issuers any or all of such conditions will not be satisfied. In addition, the Issuers may provide in such notice that payment of the redemption price and performance of the Issuers' obligations with respect to such redemption may be performed by another Person. In no event shall the Trustee be responsible for monitoring, or charged with knowledge of, the maximum aggregate amount of the Notes eligible under this Indenture to be redeemed.

(c) Prior to April 1, 2023, the Issuers may redeem all or, from time to time, a part of the Notes upon not less than 10 nor more than 60 days' notice at a redemption price equal to 100% of the principal amount thereof plus the Applicable Premium and accrued and unpaid interest to, but not including, the applicable redemption date (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date). Any such redemption and notice may, at the Issuers' discretion, be subject to the satisfaction of one or more conditions precedent.

(d) In connection with any tender offer or other offer to purchase for all of the Notes, if Holders of not less than 90% of the aggregate principal amount of the then outstanding Notes validly tender and do not validly withdraw such Notes in such tender offer and the Issuers, or any third party making such tender offer in lieu of the Issuers, purchase all of the Notes validly tendered and not validly withdrawn by such Holders, the Issuers or such third party will have the right upon not less than 10 nor more than 60 days' notice following such purchase date, to redeem all Notes that remain outstanding following such purchase at a price equal to the price paid to each other Holder in such tender offer (other than any incentive payment for early tenders), plus, to the extent not included in the tender offer payment, accrued and unpaid interest, if any, thereon, to, but not including, the repurchase date (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date). In determining whether the Holders of at least 90% of the aggregate principal amount of the then outstanding Notes have validly tendered and not validly withdrawn Notes in a tender offer or other offer to purchase for all of the Notes, as applicable, Notes owned by an Affiliate of the Issuers or by funds controlled or managed by any Affiliate of the Issuers, or any successor thereof, shall be deemed to be outstanding for the purposes of any such tender offer or other offer, as applicable. If a redemption date is not a Business Day, payment may be made on the next succeeding day that is a Business Day, and no interest shall accrue on any amount that would have been otherwise payable on such redemption date if it were a Business Day for the intervening period.

(e) Any redemption pursuant to this Section 3.07 shall be made pursuant to the provisions of Sections 3.01 through Section 3.06 hereof.

(f) If any Notes are listed on an exchange, and the rules of the exchange so require, the Issuers will notify the exchange of any such redemption and the principal amount of any Notes outstanding following any partial redemption of such Notes. In no event will the Trustee be responsible for monitoring, or charged with knowledge of, the maximum aggregate amount of Notes eligible under this Indenture to be redeemed.

The Issuers are not required to make mandatory redemption payments or sinking fund payments with respect to the Notes.

Section 4.01 *Payment of Notes.*

The Issuers shall promptly pay the principal of and interest on the Notes on the dates and in the manner provided in the Notes and in this Indenture. Principal and interest shall be considered paid on the date due if on such date the Trustee or the Paying Agent holds in accordance with this Indenture money sufficient to pay all principal and interest then due and the Trustee or the Paying Agent, as the case may be, is not prohibited from paying such money to the Holders on that date pursuant to the terms of this Indenture.

Section 4.02 *[Reserved]*.

(a) If a Change of Control occurs, subject to the terms of this Section 4.03, each Holder will have the right to require the Issuers to repurchase all or any part (equal to \$200,000 or an integral multiple of \$1,000 in excess thereof) of such Holder's Notes at a purchase price in cash equal to 101% of the principal amount of the Notes, plus accrued and unpaid interest to the date of purchase (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date); *provided, however*, that the Issuers shall not be obliged to repurchase Notes as described under this Section 4.03 in the event and to the extent that they have unconditionally exercised their right to redeem all of the Notes pursuant to Section 3.07 hereof or all conditions to such redemption have been satisfied or waived. No such purchase in part shall reduce the principal amount at maturity of the Notes held by any holder to below \$200,000.

(b) Unless the Issuers has unconditionally exercised its right to redeem all the Notes pursuant to Section 3.07 hereof or all conditions to such redemption have been satisfied or waived, no later than the date that is 60 days after any Change of Control or, at the Issuers' option, at any time prior to a Change of Control following the public announcement thereof or if a definitive agreement is in place for the Change of Control, the Issuers will send a notice (the "Change of Control Offer") to each Holder of any such Notes by mail or otherwise in accordance with the procedures set forth in this Indenture, with a copy to the Trustee:

- (5) describing the procedures determined by the Issuers, consistent with this Indenture, that a Holder must follow in order to have its Notes repurchased;

- (7) certain other procedures that a holder of Notes must follow to accept a Change of Control Offer or to withdraw such acceptance.

(c) The Issuers shall cause to be published the notice described above through the newswire service of Bloomberg (or if Bloomberg does not then operate, any similar agency). In addition, if any Notes are listed on an exchange, and the rules of the exchange so require, the Issuers will notify the exchange of the results of any Change of Control Offer.

(e) This Section 4.03 will be applicable whether or not any other provisions of this Indenture are applicable.

(f) The Issuers will not be required to make a Change of Control Offer upon a Change of Control if a third party makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth in this Indenture applicable to a Change of Control Offer made by the Issuers and purchases all Notes validly tendered and not validly withdrawn under such Change of Control Offer.

(g) Notwithstanding anything to the contrary herein, a Change of Control Offer may be made in advance of a Change of Control, conditional upon such Change of Control, if a definitive agreement is in place for the Change of Control at the time of making of the Change of Control Offer. The Issuers will comply, to the extent applicable, with the requirements of Section 14(e) of the Exchange Act and any other securities laws or regulations in connection with the repurchase of Notes pursuant to this Section 4.03. (14) Indebtedness Incurred by the Issuers, a Credit Facility Subsidiary or a Restricted Subsidiary that Guarantees the Notes or Disqualified Stock of the Company in an aggregate outstanding principal amount which, when taken together with the principal amount of all other Indebtedness Incurred pursuant to this Section 4.04(b)(14) and then outstanding, will not exceed 100% of the Net Cash Proceeds received by the Company and the Restricted Subsidiaries from the issuance or sale (other than to the Company or a Restricted Subsidiary) of its Subordinated Shareholder Funding or Capital Stock (other than Disqualified Stock, Designated Preference Shares or an Excluded Contribution) or otherwise contributed to the equity (other than through the issuance of Disqualified Stock, Designated Preference Shares or an Excluded Contribution) of the Company, in each case, subsequent to the Completion Date; *provided, however*, that (i) any such Net Cash Proceeds that are so received or contributed shall be excluded for purposes of making Restricted Payments under Section 4.05(a) hereof and Section 4.05(b)(1), Section 4.05(b)(6) and Section 4.05(b)(10) hereof to the extent the Company or a Restricted Subsidiary Incurs Indebtedness in reliance thereon and (ii) any Net Cash Proceeds that are so received or contributed shall be excluded for purposes of Incurring Indebtedness pursuant to this Section 4.04(b)(14) to the extent the Company or any Restricted Subsidiary makes a Restricted Payment under Section 4.05(a) hereof and Section 4.05(b)(1), Section 4.05(b)(6) and Section 4.05(b)(10) hereof in reliance thereon; *provided* that any Indebtedness incurred under this Section 4.04(b)(14) may be refinanced with additional Indebtedness in an amount equal to the principal of the Indebtedness so refinanced, plus any additional amount to pay premiums (including tender premiums), accrued and unpaid interest, expenses, defeasance costs and fees in connection therewith;

(15) Indebtedness of the Company or any of its Restricted Subsidiaries arising pursuant to any Permitted Reorganization; *provided* that any Indebtedness incurred under this Section 4.04(b)(15) may be refinanced with additional Indebtedness in an amount equal to the principal of the Indebtedness so refinanced, plus any additional amount to pay premiums (including tender premiums), accrued and unpaid interest, expenses, defeasance costs and fees in connection therewith; and

(16) Indebtedness Incurred in an aggregate outstanding principal amount which, when taken together with the principal amount of all other Indebtedness Incurred pursuant to this Section 4.04(b)(16) and then outstanding, will not exceed the greater of \$650 million and 50% of L2QA Pro Forma EBITDA; *provided* that any Indebtedness incurred under this Section 4.04(b)(16) may be refinanced with additional Indebtedness in an amount equal to the principal of the Indebtedness so refinanced, plus any additional amount to pay premiums (including tender premiums), accrued and unpaid interest, expenses, defeasance costs and fees in connection therewith.

(c) Notwithstanding any other provision of this Section 4.04 or Section 4.06 hereof, the Company will not, and will not permit any of its Restricted Subsidiaries to incur Priority Indebtedness, or permit any Indebtedness to become Priority Indebtedness by virtue of the granting of a Lien or by

reclassifying any such Indebtedness such that it becomes Priority Indebtedness; *provided, however*, that the Company and its Restricted Subsidiaries may Incur Priority Indebtedness if on the date on which such Priority Indebtedness is Incurred, the Priority Indebtedness Ratio would have been no greater than 4.0 to 1.0 determined on a *pro forma* basis (including a *pro forma* application of the net proceeds therefrom), after giving *pro forma* effect to the incurrence and application of the proceeds from such Indebtedness; *provided further*, however, that the Company and its Restricted Subsidiaries may Incur Refinancing Indebtedness permitted under Section 4.04(a) and Section 4.04(b) hereof.

(d) [Reserved].

(e) [Reserved].

(f) For purposes of determining compliance with, and the outstanding principal amount of any particular Indebtedness Incurred pursuant to and in compliance with, this Section 4.04:

(1) in the event that Indebtedness meets the criteria of more than one of the types of Indebtedness described in Section 4.04(a) and Section 4.04(b) hereof, the Company, in its sole discretion, will classify, and may from time to time reclassify, such item of Indebtedness and only be required to include the amount and type of such Indebtedness in one of the clauses of Section 4.04(a) or Section 4.04(b) hereof;

(2) all Indebtedness outstanding on the Completion Date under the Existing Credit Facility shall be deemed Incurred on the Completion Date under Section 4.04(a) or Section 4.04(b)(1), excluding Section 4.04(b)(4) hereof;

(3) Any Indebtedness incurred following the Original Issue Date but on or prior to the Issue Date shall be deemed to be incurred under the provisions of this Indenture corresponding to the provisions under which such Indebtedness was originally incurred or subsequently reclassified under the Original 2028 Notes Indenture (as of the relevant date of determination thereunder and without re-testing compliance with such provisions as of the Issue Date), and to the extent such Indebtedness would not be so permitted to be incurred under this Indenture, such Indebtedness will be deemed to have been outstanding on the Original Issue Date, so that it is classified as permitted under Section 4.04(b)(4) hereof;

(4) Guarantees of, or obligations in respect of letters of credit, bankers' acceptances or other similar instruments relating to, or Liens securing, Indebtedness that is otherwise included in the determination of a particular amount of Indebtedness shall not be included;

(5) if obligations in respect of letters of credit, bankers' acceptances or other similar instruments are Incurred pursuant to any Credit Facility and are being treated as Incurred pursuant to Section 4.04(b)(1), Section 4.04(b)(8), Section 4.04(b)(14) or Section 4.04(b)(16) or Section 4.04(a) hereof and the letters of credit, bankers' acceptances or other similar instruments relate to other Indebtedness, then such other Indebtedness shall not be included;

(6) the principal amount of any Disqualified Stock of the Company or a Restricted Subsidiary, or Preferred Stock of a Restricted Subsidiary, will be equal to the greater of the maximum mandatory redemption or repurchase price (not including, in either case, any redemption or repurchase premium) or the liquidation preference thereof;

(7) Indebtedness permitted by this Section 4.04 need not be permitted solely by reference to one provision permitting such Indebtedness but may be permitted in part by one such provision and in part by one or more other provisions of this covenant permitting such Indebtedness; and

(8) the amount of Indebtedness issued at a price that is less than the principal amount thereof will be equal to the amount of the liability in respect thereof determined on the basis of GAAP.

(g) Accrual of interest, accrual of dividends, the accretion of accreted value, the accretion or amortization of original issue discount, the payment of interest in the form of additional Indebtedness, the payment of dividends in the form of additional shares of Preferred Stock or Disqualified Stock or the reclassification of commitments or obligations not treated as Indebtedness due to a change in GAAP will not be deemed to be an Incurrence of Indebtedness for purposes of this Section 4.04. The amount of any Indebtedness outstanding as of any date shall be (a) the accreted value thereof in the case of any Indebtedness issued with original issue discount and (b) the principal amount, or liquidation preference thereof, in the case of any other Indebtedness.

(h) If at any time an Unrestricted Subsidiary becomes a Restricted Subsidiary, any Indebtedness of such Subsidiary shall be deemed to be Incurred by a Restricted Subsidiary as of such date (and, if such Indebtedness is not permitted to be Incurred as of such date under this Section 4.04, the Company shall be in Default of this Section 4.04).

(i) For purposes of determining compliance with any dollar-denominated restriction on the Incurrence of Indebtedness, the Dollar Equivalent of the principal amount of Indebtedness denominated in another currency shall be calculated based on the relevant currency exchange rate in effect on the date such Indebtedness was Incurred, or at the option of the Company, on the date first committed; *provided* that (a) if such Indebtedness is Incurred to refinance other Indebtedness denominated in a currency other than dollars, and such refinancing would cause the applicable dollar-denominated restriction to be exceeded if calculated at the relevant currency exchange rate in effect on the date of such refinancing, such dollar-denominated restriction shall be deemed not to have been exceeded so long as the principal amount of such Refinancing Indebtedness does not exceed the principal amount of such Indebtedness being refinanced, plus any amount to pay premiums (including tender premiums), accrued and unpaid interest, expenses, defeasance costs and fees in connection therewith; (b) the Dollar Equivalent of the principal amount of any such Indebtedness outstanding on the Original Issue Date shall be calculated based on the relevant currency exchange rate in effect on the Original Issue Date; and (c) if any such Indebtedness that is denominated in a currency other than dollars is subject to a Currency Agreement with respect to the currency in which such Indebtedness is denominated covering principal amount and interest payable on such Indebtedness, the amount of such Indebtedness, will be the Dollar Equivalent of the principal payment required to be made under such Currency Agreement plus the Dollar Equivalent of any premium which is at such time due and payable but is not covered by such Currency Agreement.

(j) For purposes of determining compliance with the Consolidated Net Leverage Ratio or the Priority Indebtedness Ratio on the Incurrence of Indebtedness, the Dollar Equivalent of the principal amount of Indebtedness denominated in another currency shall be calculated based on the relevant currency exchange rate in effect on the date such Indebtedness was Incurred, or at the option of the Company, the date first committed, in the case of Indebtedness Incurred under a revolving credit facility; *provided* that (a) if such Indebtedness is Incurred to refinance other Indebtedness denominated in a currency other than dollars, and such refinancing would cause the applicable dollar-denominated restriction to be exceeded if calculated at the relevant currency exchange rate in effect on the date of such refinancing, such dollar-denominated restriction shall be deemed not to have been exceeded so long as the principal amount of such Refinancing Indebtedness does not exceed the principal amount of such Indebtedness being refinanced, plus any amount to pay premiums (including tender premiums), accrued and unpaid interest, expenses, defeasance costs and fees in connection therewith; and (b) the Dollar Equivalent of the principal amount of any such Indebtedness outstanding on the Original Issue Date shall be calculated based on the relevant currency exchange rate in effect on the Original Issue Date.

In addition, for purposes of calculating the Consolidated Net Leverage Ratio or the Priority Indebtedness Ratio to test compliance with any covenant in this Indenture, in determining the amount of Indebtedness outstanding in dollars on any date of determination, with respect to any Indebtedness denominated in a currency other than dollars (the “*Foreign Currency*”):

- (1) subject to a currency swap arrangement or contract, the aggregate principal amount of such Foreign Currency Indebtedness on any such date of determination shall be the dollar amount of the aggregate principal amount to be paid by the Company or a Restricted Subsidiary on the maturity date of such currency swap arrangement or contract pursuant to the terms thereof; or
- (2) subject to a currency forward arrangement, forward accretion curve or contract, the aggregate principal amount of such Foreign Currency Indebtedness shall be converted into dollars at the exchange rate specified under the terms of such currency forward arrangement, forward accretion curve or contract as applicable to such Foreign Currency Indebtedness on such date of determination.

For the avoidance of doubt, notwithstanding a Group member entering into any such arrangement or contract hedging foreign exchange exposure of any Foreign Currency Indebtedness, for the purposes of calculating the Consolidated Net Leverage Ratio or the Priority Indebtedness Ratio, the aggregate principal amount of Indebtedness subject to any such arrangement or contract shall be attributed to the total Indebtedness of the Person that originally Incurred such Indebtedness.

Notwithstanding any other provision of this Section 4.04, the maximum amount of Indebtedness that the Company or a Restricted Subsidiary may Incur pursuant to this covenant shall not be deemed to be exceeded solely as a result of fluctuations in the exchange rate of currencies.

The Issuers will not incur any Indebtedness (including any Indebtedness permitted to be Incurred pursuant to Section 4.04(b)) that is contractually subordinated in right of payment to any other Indebtedness of the Issuers unless such Indebtedness is also contractually subordinated in right of payment to the Notes on substantially identical terms (as determined in good faith by the relevant Issuer); *provided, however*, that no Indebtedness will be deemed to be contractually subordinated in right of payment to any other Indebtedness of the Issuers solely by virtue of being unsecured, by virtue of being secured with different collateral, by virtue of being secured on a junior priority basis, by virtue of not being guaranteed by one or more of the Company’s Subsidiaries or by virtue of the application of waterfall or other payment-ordering provisions affecting different tranches of Indebtedness under Credit Facilities.

Section 4.05 *Limitation on Restricted Payments.*

- (a) The Company will not, and will not permit any of its Restricted Subsidiaries to, directly or indirectly:
 - (1) declare or pay any dividend or make any other payment or distribution on account of or in respect of the Company’s or any Restricted Subsidiary’s Capital Stock (including, without limitation, any payment in connection with any merger or consolidation involving the Company or any Restricted Subsidiary) except:

 - (B) dividends or distributions payable to the Company or a Restricted Subsidiary (and, in the case of any such Restricted Subsidiary making such dividend

(3) make any principal payment on, or purchase, repurchase, redeem, defease or otherwise acquire or retire for value, prior to scheduled maturity, scheduled repayment or scheduled sinking fund payment, any Subordinated Indebtedness (other than (a) any such payment, purchase, repurchase, redemption, defeasance or other acquisition or retirement or in anticipation of satisfying a sinking fund obligation, principal installment or final maturity, in each case, due within one year of the date of payment, purchase, repurchase, redemption, defeasance or other acquisition or retirement; and (b) any Indebtedness Incurred pursuant to Section 4.04(b)(3) hereof;

(4) make any cash payment on or with respect to, or purchase, redeem, defease or otherwise acquire or retire for value any Subordinated Shareholder Funding (other than in exchange for Capital Stock of the Company (other than Disqualified Stock) or for options, warrants or other rights to purchase such Capital Stock of the Company (other than Disqualified Stock)); or

(5) make any Restricted Investment in any Person;

(any such dividend, distribution, payment, purchase, redemption, repurchase, defeasance, other acquisition, retirement or Restricted Investment referred to in clauses (1) through (5) of this Section 4.05(a) are referred to herein as a "*Restricted Payment*"), if at the time the Company or a Restricted Subsidiary makes such Restricted Payment:

(A) a Default or Event of Default (or in the case of a Restricted Investment, an Event of Default under clauses (1), (2) or (6) of Section 6.01) shall have occurred and be continuing (or would result immediately thereafter therefrom);

(B) except in the case of a Restricted Investment, if such Restricted Payment is made in reliance on clause (C)(i) below, the Company is not able to Incur an additional \$1.00 of Indebtedness pursuant to Section 4.04(a) hereof,

in each case, after giving effect, on a *pro forma* basis, to such Restricted Payment; or

(C) the aggregate amount of such Restricted Payment and all other Restricted Payments made by the Company and the Restricted Subsidiaries subsequent to the Original Notes Issue Date (and not returned or rescinded) (including Permitted Payments permitted by Section 4.05(b)(5) hereof (without duplication of amounts paid pursuant to any other clause of Section 4.05(b)) but excluding all other Restricted Payments permitted by Section 4.05(b) hereof) would exceed the sum of (without duplication):

(i) an amount equal to 100% of the Consolidated EBITDA for the period beginning on the first day of the first full fiscal quarter commencing prior to the Original Notes Issue Date to the end of the Company's most recently ended full fiscal quarter ending prior to the date of such Restricted Payment for which internal consolidated financial statements of the Company

(ii) 100% of the aggregate Net Cash Proceeds, and the fair market value (as determined in accordance with Section 4.05(c)) of property or assets or marketable securities, received by the Company from the issue or sale of its Capital Stock (other than Disqualified Stock or Designated Preference Shares) or Subordinated Shareholder Funding subsequent to the Original Notes Issue Date or otherwise contributed to the equity (other than through the issuance of Disqualified Stock or Designated Preference Shares) of the Company subsequent to the Original Notes Issue Date (other than (w) Net Cash Proceeds or property or assets or marketable securities received from an issuance or sale of such Capital Stock to the Company or a Restricted Subsidiary or an employee stock ownership plan or trust established by the Company or any Subsidiary of the Company for the benefit of its employees to the extent funded by the Company or any Restricted Subsidiary, (x) Net Cash Proceeds or property or assets or marketable securities to the extent that any Restricted Payment has been made from such proceeds in reliance on Section 4.05(b)(6) hereof, and (y) Excluded Contributions;

(iii) 100% of the aggregate Net Cash Proceeds, and the fair market value (as determined in accordance with Section 4.05(c)) of property or assets or marketable securities, received by the Company or any Restricted Subsidiary from the issuance or sale (other than to the Company or a Restricted Subsidiary or an employee stock ownership plan or trust established by the Company or any Subsidiary of the Company for the benefit of its employees to the extent funded by the Company or any Restricted Subsidiary) by the Company or any Restricted Subsidiary subsequent to the Original Notes Issue Date of any Indebtedness that has been converted into or exchanged for Capital Stock of the Company (other than Disqualified Stock or Designated Preference Shares) or Subordinated Shareholder Funding (plus the amount of any cash, and the fair market value (as determined in accordance with Section 4.05(c)) of property or assets or marketable securities, received by the Company or any Restricted Subsidiary upon such conversion or exchange) but excluding (x) Net Cash Proceeds or property or assets or marketable securities to the extent that any Restricted Payment has been made from such proceeds in reliance on Section 4.05(b)(6) hereof and (y) Excluded Contributions;

(iv) the amount equal to the net reduction in Restricted Investments made by the Company or any of the Restricted Subsidiaries resulting from repurchases, redemptions or other acquisitions or retirements of any such Restricted Investment, proceeds realized upon the sale or other disposition to a Person other than the Company or a Restricted Subsidiary of any such Restricted Investment, repayments of loans or advances or other transfers of assets (including by way of dividend, distribution, interest payments or returns of capital) to the Company or any Restricted Subsidiary, which amount, in each case under this clause (iv), constituted a Restricted Payment made after the Original Notes Issue Date; *provided, however*, that no amount will be included in Consolidated EBITDA for purposes of Section 4.05(a)(C)(i) hereof to the extent that it is (at the Company's option) included under this Section 4.05(a)(C)(iv);

(v) the amount of the cash and the fair market value (as determined in accordance with Section 4.05(c) hereof) of property, assets or

(a) the sale or other disposition (other than to the Company or a Restricted Subsidiary or an employee stock ownership plan or trust established by the Company or any Subsidiary of the Company for the benefit of its employees to the extent funded by the Company or any Restricted Subsidiary) of Capital Stock of an Unrestricted Subsidiary of the Company; and

(b) any dividend or distribution made by an Unrestricted Subsidiary to the Company or a Restricted Subsidiary;

which Unrestricted Subsidiary was designated as such after the Original Notes Issue Date; *provided, however*, that no amount will be included in Consolidated EBITDA for purposes of Section 4.05(a)(C)(i) hereof to the extent that it is (at the Company's option) included under this Section 4.05(a)(C)(v); and

(vi) in the case of the designation of an Unrestricted Subsidiary as a Restricted Subsidiary or all of the assets of such Unrestricted Subsidiary are transferred to the Company or a Restricted Subsidiary, or the Unrestricted Subsidiary is merged or consolidated into the Company or a Restricted Subsidiary, in each case, after the Original Notes Issue Date, 100% of such amount received in cash and the fair market value (as determined in accordance with Section 4.05(c) hereof) of any property, assets or marketable securities received by the Company or a Restricted Subsidiary in respect of such redesignation, merger, consolidation or transfer of assets, excluding any amount of any Investment in such Unrestricted Subsidiary as provided for pursuant to clause (16) of the definition of "Permitted Investment", in each case of this Section 4.05(a)(C)(vi), which Unrestricted Subsidiary was designated as such after the Original Notes Issue Date; *provided, however*, that no amount will be included in Consolidated EBITDA for purposes of Section 4.05(a)(C)(i) hereof to the extent that it is (at the Company's option) included under this Section 4.05(a)(C)(vi); *provided further*, however, that such amount shall not exceed the amount included in the calculation of the amount of Restricted Payments referred to in the first sentence of this Section 4.05(a)(C).

(20) Restricted Payments to finance Investments or other acquisitions by a Parent or any Affiliate (other than the Company or a Restricted Subsidiary) which would be otherwise permitted to be made pursuant to this Section 4.05 if made by the Company or a Restricted Subsidiary; *provided*, that (i) such Restricted Payment shall be made within 120 days of the closing of such Investment or other acquisition, (ii) such Parent or Affiliate of the Company shall, on or prior to the date such Restricted Payment is made or if later, promptly following the closing of the Investment or the acquisition, cause (1) all property acquired (whether assets or Capital Stock) to be contributed to the Company or one of the Restricted Subsidiaries or (2) the merger, amalgamation, consolidation, or sale of the Person formed or acquired into the Company or one of the Restricted Subsidiaries (in a manner not prohibited by the covenant described Section 5.03) in order to consummate such Investment or other acquisition, (iii) such Parent or Affiliate of the Company receives no consideration or other payment in connection with such transaction except to the extent the Company or a Restricted Subsidiary could have given such consideration or made such payment in compliance with this Section 4.05 or Section 4.09 (without reference to this clause (20)) and (iv) any property received in connection with such transaction shall not constitute an Excluded Contribution up to the amount of such Restricted Payment made under this clause (20); and

(21) any payments in cash or in kind relating to the settlement of any future, forward or other derivative contract entered into for non-speculative purposes.

(c) The amount of all Restricted Payments (other than cash) shall be the fair market value on the date of such Restricted Payment of the asset(s) or securities proposed to be paid, transferred or issued by the Company or such Restricted Subsidiary, as the case may be, pursuant to such Restricted Payment. The fair market value of any cash Restricted Payment shall be its face amount, and the fair market value of any non-cash Restricted Payment or any other property, assets or securities required to be valued by this covenant shall be determined conclusively by an Officer or the Board of Directors of the Company acting in good faith.

(d) For purposes of determining compliance with this covenant and the definition of "Permitted Investments", as applicable, in the event that a Restricted Payment or a Permitted Investment meets the criteria of more than one of the categories described in Section 4.05(b)(1) through 21 or in the definition of "Permitted Investments", as applicable, or is permitted pursuant to Section 4.05(a) hereof, the Issuer will be entitled to classify such Restricted Payment (or portion thereof) or such Permitted Investment (or portion thereof) on the date of its payment or later reclassify such Restricted Payment (or portion thereof) or such Permitted Investment (or portion thereof) in any manner that complies with this covenant.

(e) Any Restricted Payment or Permitted Investment made following the Original Issue Date but on or prior to the Issue Date shall be deemed to be made under the provisions of this Indenture corresponding to the provisions under which such Restricted Payment or Permitted Investment was originally made or subsequently reclassified under the Original 2028 Notes Indenture (as of the relevant date of determination thereunder and without re-testing compliance with such provisions as of the Issue Date), and to the extent such Restricted Payment or Permitted Investment would not be so permitted to be made under this Indenture, such Restricted Payment or Permitted Investment will be deemed to have been made prior to the Original Issue Date and permitted by this Indenture (and in the case of a Permitted Investment, so that it is classified as permitted under clause (9) of the definition of Permitted Investments).

Section 4.06 *Limitation on Liens.*

(a) The Company will not, and will not permit any of its Restricted Subsidiaries to, directly or indirectly, create, incur or suffer to exist any Lien upon any of their property or assets (including Capital Stock of a Restricted Subsidiary), whether owned on the Original Issue Date or acquired after that date, or any interest therein or any income or profits therefrom, which Lien is securing any

Indebtedness (such Lien, the “*Initial Lien*”), except (i) Permitted Liens or (ii) Liens on assets that are not Permitted Liens if the Notes and this Indenture are directly secured equally and ratably with, or prior to, in the case of Liens with respect to Subordinated Indebtedness, the Indebtedness secured by such Initial Lien for so long as such Indebtedness is so secured.

(b) Any such Lien created in favor of the Notes pursuant to Section 4.06(a)(ii) will be automatically and unconditionally released and discharged upon the release and discharge of the Initial Lien to which it relates.

(c) For purposes of determining compliance with this covenant, (x) a Lien need not be Incurred solely by reference to one category of Permitted Liens, but may be Incurred under any combination of such categories (including in part under one such category and in part under any other such category) and (y) in the event that a Lien (or any portion thereof) meets the criteria of one or more of such categories of Permitted Liens, the Company shall, in its sole discretion, divide, classify or may subsequently reclassify at any time such Lien (or any portion thereof) among one or more of the clauses contained in the definition of “Permitted Liens.”

(d) Any Lien incurred following the Original Issue Date but on or prior to the Issue Date shall be deemed to be incurred under the provisions of this Indenture corresponding to the provisions under which such Lien was originally incurred or subsequently reclassified under the Original 2028 Notes Indenture (as of the relevant date of determination thereunder and without re-testing compliance with such provisions as of the Issue Date), and to the extent such Lien would not be so permitted to be incurred under this Indenture, such Lien will be deemed to have been outstanding on the Original Issue Date, so that it is classified as permitted under clause (13) of the definition of Permitted Liens.

Section 4.07 *Limitation on Restrictions on Distributions from Restricted Subsidiaries.*

(a) The Company will not, and will not permit any of its Restricted Subsidiaries to, create or otherwise cause or permit to exist or become effective any consensual encumbrance or consensual restriction on the ability of any Restricted Subsidiary to:

- (2) make any loans or advances to the Company or any Restricted Subsidiary; or
- (3) sell, lease or transfer any of its property or assets to the Company or any Restricted Subsidiary,

provided that (x) the priority of any Preferred Stock in receiving dividends or liquidating distributions prior to dividends or liquidating distributions being paid on common stock and (y) the subordination of (including the application of any standstill requirements to) loans or advances made to the Company or any Restricted Subsidiary to other Indebtedness Incurred by the Company or any Restricted Subsidiary, or any prohibition on securing such loans or advances made to the Company or any Restricted Subsidiary, shall not be deemed to constitute such an encumbrance or restriction.

(b) The provisions of Section 4.07(a) hereof will not prohibit:

- (1) any encumbrance or restriction pursuant to any Credit Facility or any other agreement or instrument, in each case, in effect at or entered into on the Original Issue Date, and any amendments, restatements, modifications, renewals, supplements, refundings, replacements or refinancings of such agreements; *provided* that the amendments, restatements, modifications, renewals, supplements, refundings, replacements or refinancings are not

materially more restrictive, taken as a whole, with respect to such dividend and other payment restrictions than those contained in those agreements on the Original Issue Date (as determined in good faith by the Company);

(2) [Reserved];

(3) encumbrances or restrictions existing under or by reason of this Indenture, the Notes, the Existing Senior Notes, the Existing Senior Notes Indentures, the Existing Senior Secured Notes and the guarantees thereof, the Existing Senior Secured Notes Indentures, the Existing Credit Facility and the guarantees thereof, the Intercreditor Agreement (or any additional intercreditor agreement) and the Senior Secured Notes Security Documents;

(4) any encumbrance or restriction pursuant to an agreement or instrument of a Person or relating to any Capital Stock or Indebtedness of a Person, entered into on or before the date on which (i) such Person was acquired by or merged, consolidated or otherwise combined with or into the Company or any Restricted Subsidiary, (ii) such agreement or instrument is assumed by the Company or any Restricted Subsidiary in connection with an acquisition of assets or (iii) such Person became a Restricted Subsidiary (in each case, other than Capital Stock or Indebtedness Incurred as consideration in, or to provide all or any portion of the funds utilized to consummate, the transaction or series of related transactions pursuant to which such Person became a Restricted Subsidiary or was acquired by the Company or was merged, consolidated or otherwise combined with or into the Company or any Restricted Subsidiary) and outstanding on such date; *provided* that, for the purposes of this Section 4.07(b)(4), if another Person is the Successor Company, or any Subsidiary thereof, any agreement or instrument of such Person or any such Subsidiary shall be deemed acquired or assumed by the Company or any Restricted Subsidiary when such Person becomes the Successor Company;

(5) any encumbrance or restriction pursuant to an agreement or instrument effecting a refunding, replacement or refinancing of Indebtedness Incurred pursuant to, or that otherwise extends, renews, refunds, refinances or replaces an agreement or instrument referred to in Section 4.07(b)(1), Section 4.07(b)(3) or Section 4.07(b)(4) hereof or this Section 4.07(b)(5) (an "*Initial Agreement*") or contained in any amendment, supplement or other modification to an agreement referred to in Section 4.07(b)(1), Section 4.07(b)(3) or Section 4.07(b)(4) hereof or this Section 4.07(b)(5); *provided, however*, that the encumbrances and restrictions with respect to such Restricted Subsidiary contained in any such agreement or instrument are no less favorable in any material respect to the Holders taken as a whole than the encumbrances and restrictions contained in the Initial Agreement or Initial Agreements to which such refinancing or amendment, supplement or other modification relates (as determined in good faith by the Company);

(6) any encumbrance or restriction:

(A) that restricts in a customary manner the subletting, assignment or transfer of any property or asset that is subject to a lease, license or similar contract, or the assignment or transfer of any lease, license or other contract;

(B) contained in mortgages, pledges or other security agreements permitted under this Indenture or securing Indebtedness of the Company or a Restricted Subsidiary permitted under this Indenture to the extent such encumbrances or restrictions restrict the transfer of the property or assets subject to such mortgages, pledges or other security agreements;

(C) pursuant to customary provisions restricting dispositions of real property interests set forth in any reciprocal easement agreements of the Company or any Restricted Subsidiary; or

(D) pursuant to the terms of any license, authorization, concession or permit;

(7) any encumbrance or restriction pursuant to Purchase Money Obligations and Capitalized Lease Obligations permitted under this Indenture, in each case, that impose encumbrances or restrictions on the property so acquired or any encumbrance or restriction pursuant to a joint venture agreement that imposes restrictions on the transfer of the assets of the joint venture;

(8) any encumbrance or restriction with respect to a Restricted Subsidiary (or any of its property or assets) imposed pursuant to an agreement entered into for the direct or indirect sale or disposition to a Person of all or substantially all the Capital Stock or assets of such Restricted Subsidiary (or the property or assets that are subject to such restriction) pending the closing of such sale or disposition;

(9) customary provisions in leases, licenses, joint venture agreements and other similar agreements and instruments entered into in the ordinary course of business;

(13) any encumbrance or restriction arising pursuant to an agreement or instrument relating to any Indebtedness permitted to be Incurred subsequent to the Original Issue Date pursuant to Section 4.04 hereof if the encumbrances and restrictions contained in any such agreement or instrument taken as a whole are not materially less favorable to the Holders of the Notes than (i) the encumbrances and restrictions contained in the Existing Credit Facility on the Original Issue Date, together with the security documents associated therewith, if any, and the Intercreditor Agreement, as in effect on or immediately prior to the Original Issue Date or (ii) is customary in comparable financings (as determined in good faith by the Company) and where, in the case of clause (ii), the Company determines at the time of issuance of such Indebtedness that such encumbrances or restrictions (x) will not adversely affect, in any material respect, the Company's ability to make principal or interest payments on the Notes as and when they become due or (y) such encumbrances and restrictions apply only if a default occurs in respect of a payment or financial covenant relating to such Indebtedness;

(14) any encumbrance or restrictions arising in connection with any Purchase Money Note, other Indebtedness or a Qualified Receivables Financing that, in the good faith determination of an Officer or the Board of Directors of the Company, are necessary or advisable to effect such Qualified Receivables Financing; or

(15) any encumbrance or restriction existing by reason of any Lien permitted under Section 4.06 hereof.

(c) Any encumbrance or restriction subject to Section 4.07 that is created or becomes effective following the Original Issue Date but on or prior to the Issue Date shall be deemed to be incurred under the provisions of this Indenture corresponding to the provisions under which such encumbrance or restriction was originally created or became effective or subsequently reclassified under the Original 2028 Notes Indenture (as of the relevant date of determination thereunder and without re-testing compliance with such provisions as of the Issue Date), and to the extent such encumbrance or restriction would not be so permitted to be created or become effective under this Indenture, such encumbrance or restriction will be deemed to have been outstanding on the Original Issue Date, so that it is classified as permitted under Section 4.07(b) (1) hereof.

Section 4.08 *Limitation on Sales of Assets and Subsidiary Stock.*

(a) *[Reserved]*.

(b) The Company will not, and will not permit any of its Restricted Subsidiaries to, make any Asset Disposition unless:

(1) the Company or such Restricted Subsidiary, as the case may be, receives consideration (including by way of relief from, or by any other Person assuming responsibility for, any liabilities, contingent or otherwise) at least equal to the fair market value (such fair market value to be determined on the date of contractually agreeing to such Asset Disposition), as determined in good faith by an Officer or the Board of Directors of the Company, of the shares and assets subject to such Asset Disposition (including, for the avoidance of doubt, if such Asset Disposition is a Permitted Asset Swap); and

(2) in any such Asset Disposition, or series of related Asset Dispositions (except to the extent the Asset Disposition is a Permitted Asset Swap), at least 75% of the consideration from such Asset Disposition or such series of related Asset Dispositions (excluding any consideration by way of relief from, or by any other Person assuming responsibility for, any liabilities, contingent or otherwise, other than Indebtedness), together with all other Asset Dispositions since the Original Notes Issue Date (except to the extent any such Asset Disposition was a Permitted Asset Swap) on a cumulative basis received by the Company or such Restricted Subsidiary, as the case may be, is in the form of cash, Cash Equivalents or Temporary Cash Investments.

(c) After the receipt of Net Available Cash from an Asset Disposition, the Company or a Restricted Subsidiary, as the case may be, may apply such Net Available Cash directly or indirectly (at the option of the Company or such Restricted Subsidiary):

(1) within 365 days from the later of (A) the date of such Asset Disposition and (B) the receipt of such Net Available Cash (i) to prepay, repay, purchase or redeem any Indebtedness incurred under Section 4.04(b)(1); *provided, however*, that, in connection with any prepayment, repayment or purchase of Indebtedness pursuant to this Section 4.08(c)(1), the Company or such Restricted Subsidiary will retire such Indebtedness and will cause the related commitment (if any) (except in the case of any revolving Indebtedness) to be permanently reduced in an amount equal to the principal amount so prepaid, repaid, purchased or redeemed; (ii) unless included in this Section 4.08(c)(1), to prepay, repay, purchase or redeem any Pari Passu Indebtedness of any of the Issuers at a price of no more than 100% of the principal amount of such Pari Passu Indebtedness plus accrued and unpaid interest to the date of such prepayment, repayment, purchase or redemption; *provided* that the Company or the Co-Issuer, as applicable, shall prepay, redeem, repay or repurchase Pari Passu Indebtedness that is Public Debt pursuant to this clause (ii) only if the Issuers purchase through open market purchases at a price equal to or higher than 100% of the principal amount thereof, or makes an offer to the Holders to purchase their Notes at a purchase price in cash equal to at least 100% of the principal amount of the Notes, plus accrued and unpaid interest to, but not including, the date

of purchase (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date) for, in each case, for an aggregate principal amount of Notes at least equal to the proportion that (x) the total aggregate principal amount of Notes outstanding bears to (y) the sum of the total aggregate principal amount of Notes outstanding plus the total aggregate principal amount outstanding of such Pari Passu Indebtedness; (iii) to prepay, repay, purchase or redeem any Indebtedness of a Restricted Subsidiary or any Indebtedness that is secured on assets (other than Subordinated Indebtedness of any of the Issuers or Indebtedness owed to the Company or any Restricted Subsidiary); or (iv) to purchase the Notes through open market purchases at a price equal to or higher than 100% of the principal amount thereof, or make an offer to all holders of Notes at a purchase price in cash equal to at least 100% of the principal amount of the Notes, plus accrued and unpaid interest to, but not including, the date of purchase (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date), or (v) to redeem the Notes as described under Section 3.07;

(2) to the extent the Company or such Restricted Subsidiary elects, to invest in or purchase or commit to invest in or purchase Additional Assets (including by means of an investment in Additional Assets by a Restricted Subsidiary with Net Available Cash received by the Company or another Restricted Subsidiary) within 365 days from the later of (i) the date of such Asset Disposition and (ii) the receipt of such Net Available Cash; provided, however, that any such reinvestment in Additional Assets made pursuant to a definitive binding agreement or a commitment approved by the Board of Directors of the Company that is executed or approved within such time will satisfy this requirement, so long as such investment or commitment to invest is consummated within 180 days of such 365th day;

(3) to make a capital expenditure within 365 days from the later of (A) the date of such Asset Disposition and (B) the receipt of such Net Available Cash; *provided, however*, that any such capital expenditure made pursuant to a definitive binding agreement or a commitment approved by the Board of Directors of the Company that is executed or approved within such time will satisfy this requirement, so long as such investment is consummated within 180 days of such 365th day; or

(4) any combination of clauses (1) through (3),

provided, that, pending the final application of any such Net Available Cash in accordance with clauses (1), (2), (3) or (4) of Section 4.08(c), the Company and the Restricted Subsidiaries may temporarily reduce Indebtedness or otherwise invest such Net Available Cash in any manner not prohibited by this Indenture.

(d) Any Net Available Cash from Asset Dispositions that is not applied or invested or committed to be applied or invested as provided in Section 4.08(c) hereof will be deemed to constitute "*Excess Proceeds*". On the 366th day (or the 546th day, in the case of any Net Available Cash committed to be used pursuant to a definitive binding agreement or commitment approved by the Board of Directors of the Company pursuant to Section 4.08(c)(2) or Section 4.08(c)(3) hereof) after the later of (A) the date of such Asset Disposition and (B) the receipt of such Net Available Cash, if the aggregate amount of Excess Proceeds exceeds \$50 million, the Issuers will be required within ten (10) Business Days thereof to make an offer ("*Asset Disposition Offer*") to all holders of Notes and, to the extent the Company or the Co-Issuer, as applicable, elects, or the Company or the Co-Issuer, as applicable, are required by the terms of other outstanding Pari Passu Indebtedness, to all holders of such other outstanding Pari Passu Indebtedness to purchase the maximum principal amount of Notes and any such Pari Passu Indebtedness to which the Asset Disposition Offer applies that may be purchased out of the Excess Proceeds, at an offer price in respect of the Notes in an amount equal to (and, in the case of any Pari Passu Indebtedness, an offer price of no more than) 100% of the principal amount of the Notes and 100% of the principal amount of Pari Passu Indebtedness, in each case, plus accrued and unpaid interest, if any, to, but not including, the date of purchase, in accordance with the procedures set forth

in this Indenture or the agreements governing the Pari Passu Indebtedness, as applicable, and in the case of the Notes, in minimum denominations of \$200,000 and in integral multiples of \$1,000 in excess thereof. No such purchase in part shall reduce the principal amount at maturity of the Notes held by any holder to below \$200,000

(e) To the extent that the aggregate amount of Notes and Pari Passu Indebtedness so validly tendered and not properly withdrawn pursuant to an Asset Disposition Offer is less than the Excess Proceeds, the Company and the Restricted Subsidiaries may use any remaining Excess Proceeds for general corporate purposes, to the extent not prohibited by the other covenants contained in this Indenture. If the aggregate principal amount of the Notes surrendered in any Asset Disposition Offer by Holders and other Pari Passu Indebtedness surrendered by holders or lenders, collectively, exceeds the amount of Excess Proceeds, the Excess Proceeds shall be allocated among the Notes and Pari Passu Indebtedness to be purchased on a *pro rata* basis on the basis of the aggregate principal amount of tendered Notes and Pari Passu Indebtedness. For the purposes of calculating the principal amount of any such Indebtedness not denominated in dollars, such Indebtedness shall be calculated by converting any such principal amounts into their Dollar Equivalent determined as of a date selected by the Company that is within the Asset Disposition Offer Period (as defined below). Upon completion of any Asset Disposition Offer, the amount of Excess Proceeds shall be reset at zero.

(f) To the extent that any portion of Net Available Cash payable in respect of the Notes is denominated in a currency other than the currency in which the relevant Notes are denominated, the amount thereof payable in respect of such Notes shall not exceed the net amount of funds in the currency in which such Notes are denominated that is actually received by the Company upon converting such portion of the Net Available Cash into such currency.

(g) The Asset Disposition Offer, in so far as it relates to the Notes, will remain open for a period of not less than 20 Business Days following its commencement (or such shorter period of time required to comply with Section 14(e) of the Exchange Act and any other applicable securities laws or regulations in connection with the Asset Disposition Offer) (the "*Asset Disposition Offer Period*"). No later than five (5) Business Days after the termination of the Asset Disposition Offer Period (the "*Asset Disposition Purchase Date*"), the Issuers will purchase the principal amount of Notes and, to the extent they elect, Pari Passu Indebtedness required to be purchased by them pursuant to this Section 4.08 (the "*Asset Disposition Offer Amount*") or, if less than the Asset Disposition Offer Amount has been so validly tendered, all Notes and Pari Passu Indebtedness validly tendered in response to the Asset Disposition Offer.

(h) On or before the Asset Disposition Purchase Date, the Issuers will, to the extent lawful, accept for payment, on *pro rata* basis to the extent necessary, the Asset Disposition Offer Amount of Notes and Pari Passu Indebtedness or portions of Notes and Pari Passu Indebtedness so validly tendered and not properly withdrawn pursuant to the Asset Disposition Offer, or if less than the Asset Disposition Offer Amount has been validly tendered and not properly withdrawn, all Notes and Pari Passu Indebtedness so validly tendered and not properly withdrawn and, in the case of the Notes, in minimum denominations of \$200,000 and in integral multiples of \$1,000 in excess thereof.

(i) The Company will deliver to the Trustee an Officer's Certificate stating that such Notes or portions thereof were accepted for payment by the Company in accordance with the terms of this covenant. The Issuers or the Paying Agent, as the case may be, will promptly (but in any case not later than five (5) Business Days after termination of the Asset Disposition Offer Period) mail or deliver to each tendering Holder of Notes an amount equal to the purchase price of the Notes so validly tendered and not properly withdrawn by such Holder, and accepted by the Issuers for purchase, and the Issuers will promptly issue a new Note (or, in the case of Global Notes, cause the Paying Agent to reduce the aggregate principal amount and amend the applicable Global Note pursuant to Section 2.06(g) hereof and in the case of Definitive Registered Notes, deliver or cause to be delivered to the relevant Registrar for cancellation all Definitive Registered Notes accepted for purchase by the Company), and the Trustee, upon receipt of an Officer's Certificate from the Company, will, via an authenticating agent,

authenticate and mail or deliver (or cause to be transferred by book-entry) such new Note to such Holder, in a principal amount equal to any unpurchased portion of the Note surrendered; *provided* that each such new Note will be in a principal amount with a minimum denomination of \$200,000. Any Note not so accepted will be promptly mailed or delivered (or transferred by book-entry) by the Company to the Holder thereof.

(j) For the purposes of Section 4.08(b)(2), the following will be deemed to be cash:

(1) the assumption by the transferee (or other extinguishment in connection with the transactions relating to such Asset Dispositions) of Indebtedness and any other liabilities (as recorded on the balance sheet of the Company or any Restricted Subsidiary or in the footnotes thereto, or if incurred or accrued subsequent to the date of such balance sheet, such liabilities that would have been reflected on the Company's or such Restricted Subsidiary's balance sheet or in the footnotes thereof if such incurrence or accrual had taken place on or prior to the date of such balance sheet, as determined in good faith by the Company) of the Company or any Restricted Subsidiary (other than Subordinated Indebtedness of any of the Issuers) and the release of the Company or such Restricted Subsidiary from all liability on such Indebtedness in connection with such Asset Disposition;

(2) securities, notes or other obligations received by the Company or any Restricted Subsidiary from the transferee that are converted by the Company or such Restricted Subsidiary into cash or Cash Equivalents within 180 days following the closing of such Asset Disposition;

(3) Indebtedness of any Restricted Subsidiary that is no longer a Restricted Subsidiary as a result of such Asset Disposition, to the extent that the Company and each other Restricted Subsidiary (as applicable) are released from any Guarantee of payment of such Indebtedness in connection with such Asset Disposition;

(4) consideration consisting of Indebtedness of any of the Issuers (other than Subordinated Indebtedness) received after the Original Issue Date from Persons who are not the Company or any Restricted Subsidiary; and

(5) any Designated Non-Cash Consideration received by the Company or any Restricted Subsidiary in such Asset Dispositions having an aggregate fair market value, taken together with all other Designated Non-Cash Consideration received pursuant to this covenant that is at that time outstanding, not to exceed (at the time of the receipt of such Designated Non-Cash Consideration or, at the Company's option, at the time of contractually agreeing to such Asset Disposition) the greater of \$150 million and 1.5% of Total Assets (with the fair market value of each item of Designated Non-Cash Consideration being measured at the time received and without giving effect to subsequent changes in value).

(k) The Issuers will comply, to the extent applicable, with the requirements of Section 14(e) of the Exchange Act and any other securities laws or regulations in connection with the repurchase of Notes pursuant to this Indenture. To the extent that the provisions of any securities laws or regulations conflict with provisions of this Section 4.08, the Issuers will comply with the applicable securities laws and regulations and will not be deemed to have breached their obligations under this Indenture by virtue of any conflict.

Section 4.09 *Limitation on Affiliate Transactions.*

(a) The Company will not, and will not permit any of its Restricted Subsidiaries to, directly or indirectly, enter into or conduct any transaction or series of related transactions (including the purchase, sale, lease or exchange of any property or the rendering of any service) with any Affiliate of

86

the Company (any such transaction or series of related transactions being "*Affiliate Transactions*" involving aggregate value in excess of \$50 million unless:

(1) the terms of such Affiliate Transaction taken as a whole are not materially less favorable to the Company or such Restricted Subsidiary, as the case may be, than those that could be obtained in a comparable transaction at the time of such transaction or the execution of the agreement providing for such transaction in arm's-length dealings with a Person who is not such an Affiliate, or, if there are no comparable transactions involving non-Affiliates to apply for comparative purposes, the transaction is otherwise on terms that, taken as a whole, the Company has conclusively determined in good faith to be fair to the Company or such Restricted Subsidiary; and

(2) in the event such Affiliate Transaction involves an aggregate value in excess of \$100 million, the terms of such transaction or series of related transactions have been approved by a resolution of the majority of the members of the Board of Directors of the Company resolving that such transaction complies with Section 4.09(a)(1) hereof. An Affiliate Transaction shall be deemed to have satisfied the requirements set forth in this Section 4.09(a)(2) if either (x) such Affiliate Transaction is approved by a majority of the Disinterested Directors or (y) the Company or any of its Restricted Subsidiaries, as the case may be, delivers to the Trustee a letter from an Independent Financial Advisor stating that such transaction is fair to the Company or such Restricted Subsidiary from a financial point of view or stating that the terms are not materially less favorable to the Company or its relevant Restricted Subsidiary than those that would have been obtained in a comparable transaction by the Company or such Restricted Subsidiary with an unrelated Person on arm's length basis.

(b) The provisions of Section 4.09(a) hereof will not apply to:

(1) any Restricted Payment permitted to be made pursuant to Section 4.05 hereof, any Permitted Payments (other than pursuant to Section 4.05(b)(9) (B) or Section 4.05(b)(20) hereof) or any Permitted Investment (other than Permitted Investments as defined in clauses (1)(b) or (2) of the definition thereof);

(2) any issuance or sale of Capital Stock, options, other equity-related interests or other securities, or other payments, awards or grants in cash, securities or otherwise pursuant to, or the funding of, or entering into, or maintenance of, any employment, consulting, collective bargaining or benefit plan, program, agreement or arrangement, related trust or other similar agreement and other compensation arrangements, options, warrants or other rights to purchase Capital Stock of the Company, any Restricted Subsidiary or any Parent, restricted stock plans, long-term incentive plans, stock appreciation rights plans, participation plans or similar employee benefits or consultants' plans (including valuation, health, insurance, deferred compensation, severance, retirement, savings or similar plans, programs or arrangements) or indemnities provided on behalf of officers, employees, directors or consultants approved by the Board of Directors of the Company, in each case in the ordinary course of business;

(3) any Management Advances and any waiver or transaction with respect thereto;

(4) any transaction between or among the Company and any Restricted Subsidiary (or entity that becomes a Restricted Subsidiary as a result of such transaction), or between or among the Company, Restricted Subsidiaries or any Receivables Subsidiary;

(5) the payment of reasonable fees and reimbursement of expenses to, and customary indemnities and employee benefit and pension expenses provided on behalf of, directors, officers, consultants or employees of the Company, any Restricted Subsidiary or any Parent (whether directly or indirectly and including through any CVC Person owned or controlled by any of such directors, officers or employees);

87

(6) the Existing Transactions, any Permitted Reorganization, and the entry into and performance of obligations of the Company or any of its Restricted Subsidiaries under the terms of any transaction arising out of, and any payments pursuant to or for purposes of funding, any agreement or instrument in effect as of or on the Original Issue Date or entered into after the Original Issue Date in connection with the Altice USA Distribution (other than, for the avoidance of doubt, any share repurchase program to take effect following the Altice USA Distribution), in each case as these agreements and instruments may be amended, modified, supplemented, extended, renewed or refinanced from time to time (including, without limitation, to add additional Persons in connection with any such Person becoming a Restricted Subsidiary) in accordance with the other terms of this covenant or to the extent not more disadvantageous to the Holders in any material respect and the entry into and performance of any registration rights or other listing agreement in connection with any Public Offering;

(7) execution, delivery and performance of any Tax Sharing Agreement or the formation and maintenance of any consolidated group for tax, accounting or management purposes in the ordinary course of business;

(8) transactions with customers, clients, suppliers or purchasers or sellers of goods or services and Associates, in each case in the ordinary course of business (including, without limitation, pursuant to joint venture arrangements), which are fair to the Company or the relevant Restricted Subsidiary in the reasonable determination of the Board of Directors or an officer of the Company or the relevant Restricted Subsidiary, or are on terms no less favorable than those that could reasonably have been obtained at such time from an unaffiliated party;

(9) any transaction in the ordinary course of business between or among the Company or any Restricted Subsidiary and any Affiliate of the Company or an Associate or similar entity (in each case, other than an Unrestricted Subsidiary) that would constitute an Affiliate Transaction solely because the Company or a Restricted Subsidiary or any Affiliate of the Company or a Restricted Subsidiary or any Affiliate of any Permitted Holder owns an equity interest in or otherwise controls such Affiliate, Associate or similar entity;

(10) (a) issuances or sales of Capital Stock (other than Disqualified Stock or Designated Preference Shares) of the Company or options, warrants or other rights to acquire such Capital Stock or Subordinated Shareholder Funding; *provided* that the interest rate and other financial terms of such Subordinated Shareholder Funding are approved by a majority of the members of the Board of Directors of the Company in their reasonable determination and (b) any amendment, waiver or other transaction with respect to any Subordinated Shareholder Funding in compliance with the other provisions of this Indenture;

(11) without duplication in respect of payments made pursuant to the definition of Parent Expenses, (a) payments by the Company or any Restricted Subsidiary to any Permitted Holder (whether directly or indirectly, including through any Parent) of annual management, consulting, monitoring or advisory fees and related expenses in an aggregate amount not to exceed an amount equal to the greater of \$20 million or 1.5% of L2QA Pro Forma EBITDA per year (with unused amounts in any calendar year being carried over to the succeeding calendar year); (b) customary payments by the Company or any Restricted Subsidiary to any Permitted Holder (whether directly or indirectly, including through any Parent) for financial advisory, financing, underwriting or placement services or in respect of other investment banking activities, including in connection with acquisitions or divestitures, which payments in respect of this clause (b) are approved by a majority of the Board of Directors of the Company in good faith; and (c) payments of all fees and expenses related to the Existing Transactions, the Transactions, the Altice USA Distribution and any Permitted Reorganization;

(12) any transaction effected as part of a Qualified Receivables Financing and other Investments in Receivables Subsidiaries consisting of cash or Securitization Assets;

(13) any participation in a rights offer or public tender or exchange offers for securities or debt instruments issued by the Company or any of its Subsidiaries that are conducted on arm's length terms and provide for the same price or exchange ratio, as the case may be, to all holders accepting such rights, tender or exchange offer;

(14) transactions between the Company or any Restricted Subsidiary and any other Person that would constitute an Affiliate Transaction solely because a director of such other Person is also a director of the Company or any Parent; *provided, however*, that such director abstains from voting as a director of the Company or such Parent, as the case may be, at any board meeting approving such transaction on any matter including such other Person;

(15) payments to and from, and transactions with, any joint ventures entered into in the ordinary course of business or consistent with past practices (including, without limitation, any cash management activities related thereto); and

(16) commercial contracts (including franchising agreements, business services related agreements or other similar arrangements) between an Affiliate of the Company and the Company or any Restricted Subsidiary that are on arm's length terms or on a basis that senior management of the Company reasonably believes allocates costs fairly.

(c) Any Affiliate Transaction entered into following the Original Issue Date but on or prior to the Issue Date shall be deemed to be entered into under the provisions of this Indenture corresponding to the provisions under which such Affiliate Transaction was originally entered into or subsequently reclassified under the Original 2028 Notes Indenture (as of the relevant date of determination thereunder and without re-testing compliance with such provisions as of the Issue Date), and to the extent such Affiliate Transaction would not be so permitted to be entered into under this Indenture, such Affiliate Transaction will be deemed to have been outstanding on the Original Issue Date, so that it is classified as permitted under Section 4.09(b)(6) of this Indenture.

Section 4.10 *Reports.*

(a) For so long as any Notes are outstanding, the Company will provide to the Trustee the following reports:

(1) within 120 days after the end of the Company's (or, if the Company elects to satisfy its obligation under this Section 4.10(a)(1) by delivering the annual reports of a CVC Parent as permitted below, of such CVC Parent's) fiscal year beginning with the fiscal year ending December 31, 2018, annual reports containing, to the extent applicable, and (subject to the next succeeding paragraph) in a level of detail that is comparable in all material respects to the annual report of the Company for the year ended December 31, 2017, the following information: audited consolidated balance sheet of the Company as of the end of the most recent fiscal year (and comparative information as of the end of the prior fiscal year) and audited consolidated income statements and statements of cash flow of the Company for the most recent fiscal year (and comparative information as of the end of the prior fiscal year), including complete footnotes to such financial statements and the report of the independent auditors on the financial statements; unaudited *pro forma* income statement information and balance sheet information of the Company (which, for the avoidance of doubt, shall not include the provision of a full income statement or balance sheet to the extent not reasonably available), together with explanatory footnotes, for (i) any acquisition or disposition by the Company or a Restricted Subsidiary that, individually or in the aggregate when considered with all other acquisitions or dispositions that have occurred during the most recently completed fiscal year as to which such annual report relates, represent greater than 20% of the consolidated revenues, EBITDA, or assets of the Company on a *pro forma* consolidated basis or (ii) recapitalizations by the Company or a Restricted Subsidiary, in each case, that have occurred since the beginning of the most recently completed fiscal year (unless such *pro forma* information has been provided

in a prior report pursuant to Section 4.10(a)(2) or Section 4.10(a)(3)); *provided* that such *pro forma* financial information will be provided only to the extent available without unreasonable expense and in the case *pro forma* financial information is not provided, the Company will provide, in the case of a material acquisition, financial statements of the acquired company for the most recent fiscal year, and in the case of a material disposition, financial statements of the business or assets comprising the disposition perimeter for the most recent fiscal year which, in each case, may be unaudited; (c) an operating and financial review of the audited financial statements, including a discussion of the results of operations, financial condition, and liquidity and capital resources of the Company, and a discussion of material commitments and contingencies and critical accounting policies; (d) description of the business, management and shareholders of the Company, all material affiliate transactions and a description of all material contractual arrangements, including material debt instruments; and (e) a description of material risk factors and material recent developments (to the extent not previously reported pursuant to Section 4.10(a)(2) or Section 4.10(a)(3));

(2) within 60 days following the end of the first three fiscal quarters in each fiscal year of the Company (or, if the Company elects to satisfy its obligation under this Section 4.10(a)(2) by delivering the quarterly reports of a CVC Parent as permitted below, of such CVC Parent) beginning with the fiscal quarter ending March 31, 2018, all quarterly reports of the Company containing the following information in a level of detail comparable in all material respects to the quarterly report of the Company for the three months ended September 30, 2017: (a) an unaudited condensed consolidated balance sheet as of the end of such quarter and unaudited condensed consolidated statements of income and cash flow for the most recent quarter year-to-date period ending on the date of the unaudited condensed balance sheet, and the comparable prior year periods, together with condensed footnote disclosure; (b) unaudited *pro forma* income statement information and balance sheet information (which, for the avoidance of doubt, shall not include the provision of a full income statement or balance sheet to the extent not reasonably available), together with explanatory footnotes, for any acquisition or disposition by the Company or a Restricted Subsidiary that, individually or in the aggregate when considered with all other acquisitions or dispositions that have occurred during the relevant quarter, represent greater than 20% of the consolidated revenues, EBITDA, or assets of the Company on a *pro forma* consolidated basis (unless such *pro forma* information has been provided in a prior report pursuant to Section 4.10(a)(3)), *provided* that such *pro forma* financial information will be provided only to the extent available without unreasonable expense and in the case *pro forma* financial information is not provided, the Company will provide, in the case of a material acquisition, financial statements of the acquired company for the most recent fiscal year, and in the case of a material disposition, financial statements of the business or assets comprising the disposition perimeter for the most recent fiscal year which, in each case, may be unaudited; (c) a summary operating and financial review of the unaudited financial statements, including a discussion of revenues, EBITDA, capital expenditures, operating cash flow, and material changes in liquidity and capital resources, and a discussion of material changes not in the ordinary course of business in commitments and contingencies since the most recent report; and (d) material recent developments (to the extent not previously reported pursuant to Section 4.10(a)(3)); and

(3) promptly after the occurrence of such event, information with respect to (a) any change in the independent public accountants of the Company, (b) any material acquisition, disposal, merger or similar transaction or (c) any development determined by an Officer of the Company to be material to the business of the Company and its Restricted Subsidiaries (taken as a whole).

Notwithstanding the foregoing, the Company may satisfy its obligations under clauses (1), (2) and (3) of this Section 4.10(a) by delivering the corresponding annual, quarterly or other reports of a CVC Parent; *provided* that to the extent that the Company is not the reporting entity and material differences exist between the management, business, assets, shareholding or results of operations or

financial condition of the Company and such CVC Parent, as applicable, the annual and quarterly reports shall give a reasonably detailed description of such differences or shall include the consolidated balance sheet, income statements and cash flow statements of the Company and its subsidiaries. The Company will be deemed to have furnished the reports referred to in clauses (1), (2) and (3) of this Section 4.10(a) if the Company or a CVC Parent has filed reports containing such information with the SEC or posted such reports on its website. The Trustee shall have no responsibility to determine if and when any of the above reports have been filed or posted on any website. Delivery of the above reports to the Trustee is for informational purposes only and the Trustee's receipt of such reports will not constitute constructive notice of any information contained therein or determinable from information contained therein, including the Company's or any other parties' compliance with any of its covenants in the Indenture (as to which the Trustee will be entitled to rely exclusively on Officer's Certificates that are delivered).

All financial statement information shall be prepared in accordance with GAAP as in effect on the date of such report or financial statement (or otherwise on the basis of GAAP as then in effect) and on a consistent basis for the periods presented; *provided, however*, that the reports set forth in clauses (1), (2) and (3) of this Section 4.10(a) may in the event of a change in GAAP, present earlier periods on a basis that applied to such periods. Except as provided for in Section 4.10(b) below, no report need include separate financial statements for the Company or Subsidiaries of the Company or any disclosure with respect to the results of operations or any other financial or statistical disclosure not of a type included in the Original Offering Memorandum and subject to the Company's election to apply IFRS, in no event shall IFRS information or reconciliation to IFRS be required.

(b) At any time if any Subsidiary of the Company is an Unrestricted Subsidiary and any such Unrestricted Subsidiary or group of Unrestricted Subsidiaries, if taken together as one Subsidiary, constitutes a Significant Subsidiary, then the quarterly and annual financial information required by Section 4.10(a)(1) will include a reasonably detailed presentation, either on the face of the financial statements or in the footnotes thereto, of the financial condition and results of operations of the Company and its Restricted Subsidiaries separate from the financial condition and results of operations of the Unrestricted Subsidiaries of the Company.

(c) Substantially concurrently with the issuance to the Trustee of the reports specified in Section 4.10(a)(1), Section 4.10(a)(2) and Section 4.10(a)(3) hereof, the Company shall also (a) use its commercially reasonable efforts (i) to post copies of such reports on such website as may be then maintained by the Company and its Subsidiaries or any CVC Parent or (ii) otherwise to provide substantially comparable public availability of such reports (as determined by the Company in good faith) or (b) to the extent the Company determines in good faith that such reports cannot be made available in the manner described in Section 4.10(a) owing to applicable law or after the use of its commercially reasonable efforts, furnish such reports to the Holders and, upon their request, prospective purchasers of the Notes.

(d) For so long as the Notes remain outstanding and during any period during which the Issuers are not subject to Section 13 or 15(d) of the Exchange Act nor exempt therefrom pursuant to Rule 12g3-2(b), the Issuers shall furnish to the Holders and holders of beneficial interests in the Notes and, upon their request, prospective purchasers of the Notes or prospective and purchasers of beneficial interests in the Notes, the information required to be delivered pursuant to Rule 144A(d)(4) under the Securities Act.

The Trustee shall have no obligation to determine if and when the Issuers' financial statements or reports are publicly available and accessible electronically. Delivery of these reports, information and documents to the Trustee is for informational purposes only and the Trustee's receipt of any of those will not constitute constructive notice of any information contained therein or determinable from information contained therein, including the Issuers' compliance with any of its covenants hereunder (as to which the Trustee is entitled to rely exclusively on Officer's Certificates).

(c) Any Holder of the Notes or holder of a beneficial interest in the Notes, following the Issue Date, may obtain a copy of this Indenture and the form of Notes without charge by writing to the Issuers, 1 Court Square West, Long Island City, NY 11101, United States of America, Attention: David Connolly, Executive Vice President, General Counsel and Secretary.

Section 4.11 *Suspension of Covenants on Achievement of Investment Grade Status.*

If on any date following the Issue Date, the Notes have achieved Investment Grade Status and no Default or Event of Default has occurred and is continuing (a “*Suspension Event*”), then the Company shall notify the Trustee of these events and beginning on that day and continuing until such time, if any, at which the Notes cease to have Investment Grade Status (the “*Reversion Date*”), the provisions of this Indenture contained in the following sections will not apply to the Notes: Section 4.04, Section 4.05, Section 4.07, Section 4.08, Section 4.09 and Section 5.03(a)(3) and any related default provision of this Indenture will cease to be effective and will not be applicable to the Company and the Restricted Subsidiaries. Such Sections and any related default provisions will again apply according to their terms from the first day on which a Suspension Event ceases to be in effect. Such Sections will not, however, be of any effect with regard to actions of the Issuers properly taken during the continuance of the Suspension Event, and Section 4.05 will be interpreted as if it has been in effect since the date of this Indenture except that no Default will be deemed to have occurred solely by reason of a Restricted Payment made while Section 4.05 was suspended. On the Reversion Date, all Indebtedness Incurred during the continuance of the Suspension Event will be classified, at the Company’s option, as having been Incurred pursuant to Section 4.04(a) or Section 4.04(b) (to the extent such Indebtedness would be permitted to be Incurred thereunder as of the Reversion Date and after giving effect to Indebtedness Incurred prior to the Suspension Event and outstanding on the Reversion Date). To the extent such Indebtedness would not be so permitted to be Incurred under Section 4.04(a) or Section 4.04(b), such Indebtedness will be deemed to have been outstanding on the Original Issue Date, so that it is classified as permitted under Section 4.04(b)(4)(b) hereof.

On and after each Reversion Date, the Company and its Subsidiaries will be permitted to perform under, or consummate the transactions contemplated by, any contract entered into during the period of time between the Suspension Event and the Reversion Date (the “*Suspension Period*”), so long as such contract and such consummation would have been permitted during such Suspension Period.

The Company shall give the Trustee written notice of any Suspension Event and in any event not later than five Business Days after such Suspension Event has occurred. The Company shall give the Trustee written notice of any occurrence of a Reversion Date not later than five Business Days after such Reversion Date. Absent such written notice the Trustee shall be entitled to assume that no Suspension Event or the occurrence of any Reversion Date has occurred.

Section 4.12 *[Reserved].*

Section 4.13 *[Reserved].*

Section 4.14 *Compliance Certificate.*

The Company shall deliver to the Trustee, within 120 days after the end of each fiscal year (beginning with the fiscal year ending December 31, 2018) an Officer’s Certificate stating that a review of the activities of the Issuers during the preceding fiscal year has been made under the supervision of the signing Officer with a view to determining whether the Issuers have kept, observed, performed and fulfilled its respective obligations under this Indenture, and further stating, as to the Officer signing such Officer’s Certificate, that to the best of his or her knowledge, the Issuers are not in Default in the performance or observance of any of the terms, provisions and conditions of this Indenture (or, if a Default or Event of Default shall have occurred, describing all such Defaults or Events of Default of which he or she may have knowledge and what action the Issuers are taking or proposes to take with

respect thereto). Within 30 days after the occurrence of a Default or Event of Default, the Company shall deliver to the Trustee a written notice of any events of which it is aware would constitute certain Defaults, their status and what action the Company is taking or proposes to take with respect thereto.

The Trustee shall not be deemed to have knowledge of any Default or Event of Default except any Default or Event of Default of which its Responsible Officer shall have received written notification in accordance with Section 12.01 or obtained actual knowledge.

Section 4.15 *[Reserved]*.

Section 4.16 *[Reserved]*.

Section 4.17 *[Reserved]*.

Section 4.18 *[Reserved]*.

Section 4.19 *Payments for Consents*.

The Company will not, and will not permit any of its Restricted Subsidiaries to, directly or indirectly, pay or cause to be paid any consideration to or for the benefit of any Holder for or as an inducement to any consent, waiver or amendment of any of the terms of the provisions of this Indenture or the Notes unless such consideration is offered to be paid and is paid to all holders of Notes that consent, waive or agree to amend in the time frame set forth in the solicitation documents relating to such consent, waiver or agreement. Notwithstanding the foregoing, the Company and the Restricted Subsidiaries shall be permitted, in any offer or payment of consideration for, or as an inducement to, any consent, waiver or amendment of any of the terms or provisions of this Indenture, to exclude holders of Notes in any jurisdiction where (i) the solicitation of such consent, waiver or amendment, including in connection with an exchange offer or an offer to purchase for cash, or (ii) the payment of the consideration therefor would require the Company or any Restricted Subsidiary to file a registration statement, prospectus or similar document under any applicable securities laws (including, but not limited to, the United States federal securities laws and the laws of the European Union), which the Company in its sole discretion determines (acting in good faith) (A) would be materially burdensome (it being understood that it would not be materially burdensome to file the consent document(s) used in other jurisdictions, any substantially similar documents or any summary thereof with the securities or financial services authorities in such jurisdiction) or (B) such solicitation would otherwise not be permitted under applicable law in such jurisdiction.

Section 4.20 *Lines of Business*.

The Company will not, and will not permit any of its Restricted Subsidiaries to, engage in any business other than a Similar Business, except to such extent as would not be material to the Company and the Restricted Subsidiaries, taken as a whole.

Section 4.21 *Limited Condition Transaction*.

In connection with any action being taken in connection with a Limited Condition Transaction, for purposes of determining compliance with any provision of the Indenture which requires that no Default or Event of Default, as applicable, has occurred, is continuing or would result from any such action, as applicable, such condition shall, at the option of the Company, be deemed satisfied, so long as no Default or Event of Default, as applicable, exists on the date the definitive agreements or irrevocable notice, as applicable, for such Limited Condition Transaction are entered into or has been delivered, as applicable. For the avoidance of doubt, if the Company has exercised its option under the first sentence of this paragraph, and any Default or Event of Default occurs following the date the definitive agreements or irrevocable notice, as applicable, for the applicable Limited Condition Transaction were entered into or has been delivered, as applicable, and prior to the consummation of

such Limited Condition Transaction, any such Default or Event of Default shall be deemed to not have occurred or be continuing for purposes of determining whether any action being taken in connection with such Limited Condition Transaction is permitted hereunder.

In connection with any action being taken in connection with a Limited Condition Transaction for purposes of:

- (1) determining compliance with any provision of the Indenture which requires the calculation of the Consolidated Net Leverage Ratio or Priority Indebtedness Ratio; or
- (2) testing baskets set forth in the Indenture (including baskets measured as a percentage of L2QA Pro Forma EBITDA or Total Assets, as applicable);

in each case, at the option of the Company (the Company's election to exercise such option in connection with any Limited Condition Transaction, an *LCT Election*"), the date of determination of whether any such action is permitted hereunder, shall be deemed to be the date the definitive agreements or irrevocable notice, as applicable, for such Limited Condition Transaction are entered into or has been delivered, as applicable (the *LCT Test Date*"). If, after giving pro forma effect to the Limited Condition Transaction and the other transactions to be entered into in connection therewith (including any Incurrence of Indebtedness and the use of proceeds thereof) as if they had occurred at the beginning of the most recent two consecutive fiscal quarters ending prior to the LCT Test Date for which consolidated financial statements of the Company are available, the Company could have taken such action on the relevant LCT Test Date in compliance with such ratio or basket, such ratio or basket shall be deemed to have been complied with.

If the Company has made an LCT Election and any of the ratios or baskets for which compliance was determined or tested as of the LCT Test Date are exceeded as a result of fluctuations in any such ratio or basket, including due to fluctuations in L2QA Pro Forma EBITDA or Total Assets of the Company or the Person subject to such Limited Condition Transaction, at or prior to the consummation of the relevant transaction or action, such baskets or ratios will not be deemed to have been exceeded as a result of such fluctuations. If the Company has made an LCT Election for any Limited Condition Transaction, then in connection with any subsequent calculation of any ratio or basket availability with respect to the Incurrence of Indebtedness or Liens, or the making of Asset Dispositions, mergers, the conveyance, lease or other transfer of all or substantially all of the assets of the Company, or the designation of an Unrestricted Subsidiary or the making of Investments or Restricted Payments on or following the relevant LCT Test Date and prior to the earlier of the date on which such Limited Condition Transaction is consummated or the definitive agreement or irrevocable notice, as applicable, for such Limited Condition Transaction is terminated or expires without consummation of such Limited Condition Transaction, any such ratio or basket shall be calculated on a pro forma basis assuming such Limited Condition Transaction and other transactions in connection therewith (including any Incurrence of Indebtedness and the use of proceeds thereof) have been consummated.

Section 4.22 *The Combination Exchange*

If, on any date on or following the Expiration Time, the Combination is, or will be, consummated, then upon no less than three Business Days notice by the Issuers to the Trustee, the Notes will be automatically exchanged for an equal aggregate principal amount of New 2028 CSC Notes issued under the New 2028 CSC Notes Indenture (the *Combination Exchange*) substantially in the form of Exhibit E hereto; provided that such form of indenture may be amended or modified to conform the text of the New 2028 CSC Notes Indenture or the New 2028 CSC Notes to any provision of the section of the Exchange Offer Memorandum entitled *Description of the New CSC Senior Notes* to the extent that such provision was intended to be *verbatim* recitation of a provision of such New 2028 CSC Notes Indenture or to make any other amendments or modifications permitted under Section 9.01 of Exhibit E.

The Combination Exchange will be completed on a cashless basis and no consent or any other action will be required by the holders of the Notes for the Combination Exchange. The Notes will be automatically cancelled upon consummation of the Combination Exchange.

Each holder is deemed to have (i) agreed to be bound by the Combination Exchange and (ii) irrevocably authorized and directed the Trustee, or any other person required to complete the Combination Exchange, to take all actions required to consummate the Combination Exchange without the need for further direction from such holder under this Indenture.

Section 4.23 *Permitted Transaction*

Notwithstanding anything under the covenants described under this Article 4 to the contrary, this Indenture will not restrict or in any manner limit the ability of the Company or the Restricted Subsidiaries to effect the Combination Exchange and any transactions or actions in connection thereto.

For the avoidance of doubt, notwithstanding anything to the contrary in this Indenture, this Indenture shall be deemed to have been in effect from, and be interpreted as if it had been entered into on, the Original Issue Date. Any events that occurred or actions taken or transactions entered into (or any transactions contemplated by contracts entered into), including (without limitation) the incurrence of any Indebtedness or Liens, the making of any Restricted Payments or Investments, the occurrence of any transaction that may have constituted a Change of Control, the transfer or other disposition of asset, the entry into of any Affiliate Transaction or the designation of an Unrestricted Subsidiary or re-designation of an Unrestricted Subsidiary as a Restricted Subsidiary, following the Original Issue Date but prior to the Issue Date shall be deemed to be permitted under this Indenture with the same effect as if the Indenture was entered into on the Original Issue Date so long as such event, action, contract or transaction was permitted under or not prohibited by the Original 2028 Notes Indenture on the relevant date of determination thereunder and without re-testing compliance with the relevant provisions as of the Issue Date or any time thereafter.

ARTICLE 5

(a) The Company will not consolidate with or merge with or into, or assign, convey, transfer, lease or otherwise dispose all or substantially all its assets as an entirety or substantially as an entirety, in one transaction or a series of related transactions to, any Person, unless:

(1) the resulting, surviving or transferee Person (the "*Successor Company*") (if not the Company) will be a Person organized and existing under the laws of any member state of the European Union as of the Original Issue Date or the date on which such Person becomes the Successor Company, the United Kingdom, Switzerland, Canada or the United States of America, any State of the United States or the District of Columbia and the Successor Company (if not the Company) will expressly assume, (a) by supplemental indenture, executed and delivered to the Trustee, in form reasonably satisfactory to the Trustee, all the obligations of the Company under the Notes and this Indenture;

(2) immediately after giving effect to such transaction (and treating any Indebtedness that becomes an obligation of the Successor Company or any Subsidiary of the Successor Company as a result of such transaction as having been Incurred by the Successor Company or such Subsidiary at the time of such transaction), no Default or Event of Default shall have occurred and be continuing;

(3) immediately after giving *pro forma* effect to such transaction and any related financing transactions, as if such transactions had occurred at the beginning of applicable two consecutive fiscal quarter period, either (a) the Company or the Successor Company would have been able to Incur at least \$1.00 of additional Indebtedness under pursuant to Section 4.04(a) hereof; or (b) the Consolidated Net Leverage Ratio would not be greater than it was immediately prior to giving effect to such transaction; and

(4) the Company shall have delivered to the Trustee an Officer's Certificate and an Opinion of Counsel, each to the effect that such consolidation, merger or transfer and such supplemental indenture (if any) comply with this Indenture and an Opinion of Counsel to the effect that such supplemental indenture (if any) has been duly authorized, executed and delivered and is a legal, valid and binding agreement enforceable against the Successor Company (in each case, in form and substance reasonably satisfactory to the Trustee); *provided* that in giving an Opinion of Counsel, counsel may rely on an Officer's Certificate as to any matters of fact.

(c) The Successor Company will succeed to, and be substituted for, and may exercise every right and power of, the Company under this Indenture but in the case of a lease of all or substantially all its assets, the predecessor company will not be released from its obligations under this Indenture or the Notes.

(d) Notwithstanding Section 5.03(a)(2) and Section 5.03(a)(3) (which do not apply to transactions referred to in this sentence) and Section 5.03(a)(4) (which does not apply to transactions referred to in this sentence in which the Company is the Successor Company) hereof, (a) any Restricted Subsidiary may consolidate or otherwise combine with, merge into or transfer all or part of its properties and assets to any other Restricted Subsidiary or the Company, and (b) the Company and the Restricted Subsidiaries may effect any Permitted Reorganization. Notwithstanding Section 5.03(a)(3) hereof (which does not apply to the transactions referred to in this sentence), the Company may consolidate or otherwise combine with or merge into an Affiliate incorporated or organized for the purpose of changing the legal domicile of the Company, reincorporating the Company in another jurisdiction, or changing the legal form of the Company.

Section 5.04 *[Reserved]*.

Section 5.05 *[Reserved]*.

Section 5.06 *[Reserved]*.

(A) is caused by the failure to pay principal of such Indebtedness at the Stated Maturity thereof (after giving effect to any applicable grace periods provided in such Indebtedness) ("*payment default*"); or

(B) results in the acceleration of such Indebtedness prior to its maturity,

and, in each case, the principal amount of any such Indebtedness, together with the principal amount of any other such Indebtedness under which there has been a payment default or the maturity of which has been so accelerated, aggregates \$25 million or more;

(6) the Company or a Significant Subsidiary or any group of Restricted Subsidiaries that, taken together, would constitute a Significant Subsidiary pursuant to or within the meaning of Bankruptcy Law:

(A) commences proceedings to be adjudicated bankrupt or insolvent;

(B) consents to the institution of bankruptcy or insolvency proceedings against it, or the filing by it of a petition or answer or consent seeking reorganization or relief under applicable Bankruptcy Law;

(C) consents to the appointment of a receiver, liquidator, assignee, trustee, sequestrator or other similar official of it or for all or substantially all of its property;

(D) makes a general assignment for the benefit of its creditors; or

(E) generally is not paying its debts as they become due;

(7) failure by the Company or any Significant Subsidiary or any group of Restricted Subsidiaries that, taken together, would constitute a Significant Subsidiary to pay final judgments aggregating in excess of \$25 million, exclusive of any amounts that a solvent insurance company has acknowledged liability for, which judgments are not paid, discharged or stayed for a period of 60 days after the judgment becomes final;

(8) [Reserved]; and

(9) [Reserved].

The foregoing shall constitute Events of Default whatever the reason for any such Event of Default and whether it is voluntary or involuntary or is effected by operation of law or pursuant to any judgment, decree or order of any court of any order, rule or regulation of any administrative or governmental body.

(b) A default under clauses (3), (5) or (7) of Section 6.01(a) hereof will not constitute an Event of Default until the Trustee or the Holders of 25% in principal amount of the outstanding Notes under this Indenture notify the Company of the default and, with respect to clauses (3), (5) and (7) of Section 6.01(a) hereof the Company does not cure such default within the time specified in clauses (3), (5) or (7) of Section 6.01(a) hereof, as applicable, after receipt of such notice.

The Trustee shall not be deemed to have notice of any Default or Event of Default (other than a payment default) unless a written notice of any event which is in fact such a default is received by a Responsible Officer of the Trustee at the Corporate Trust Office of the Trustee, and such notice references the Notes and the Indenture.

Notwithstanding anything in this Indenture (i) if a Default occurs for a failure to deliver a required certificate in connection with another default (such other default, an "Initial Default") then at the time such Initial Default is cured, such Default for a failure to report or deliver a required certificate in connection with the Initial Default will also be cured without any further action and (ii) any Default or Event of Default for the failure to comply with the time periods prescribed in Section 4.10 or otherwise to deliver any notice or certificate pursuant to any other provision of the Indenture shall be deemed to be cured upon the delivery of any such report required by such covenant or notice or certificate, as applicable, even though such delivery is not within the prescribed period specified in the Indenture.

Section 6.02 *Acceleration.*

If an Event of Default described in Section 6.01(a)(6) hereof occurs and is continuing, the principal of, premium, if any, and accrued and unpaid interest on all the Notes will become due and payable without any declaration or other act on the part of the Trustee or any Holders. If any other Event of Default (other than an Event of Default described in Section 6.01(a)(6) above) occurs and is continuing, the Trustee or the Holders of at least 25% in aggregate principal amount of the then outstanding Notes may and, if directed by Holders of at least 25% in aggregate principal amount of the then outstanding Notes, the Trustee shall, declare all the Notes to be due and payable immediately. In the event of a declaration of acceleration of the Notes because an Event of Default under Section 6.01(a)(5) has occurred and is continuing, the declaration of acceleration of the Notes shall be automatically annulled if the event of default or payment default triggering such Event of Default pursuant to Section 6.01(a)(5) shall be remedied or cured, or waived by the holders of the relevant Indebtedness, or the relevant Indebtedness that gave rise to such Event of Default shall have been discharged in full, within 30 days after the declaration of acceleration with respect thereto and if (i) the annulment of the acceleration of the Notes would not conflict with any judgment or decree of a court of competent jurisdiction and (ii) all existing Events of Default, except nonpayment of principal, premium or interest on the Notes that became due solely because of the acceleration of the Notes, have been cured or waived.

Section 6.03 *Other Remedies.*

Subject to Article 12 hereof and to the duties of the Trustee as provided for in Article 7 hereof, if an Event of Default occurs and is continuing, the Trustee may pursue any available remedy to collect

98

the payment of principal of or interest on the Notes or to enforce the performance of any provision of the Notes or this Indenture.

The Trustee may maintain a proceeding even if it does not possess any of the Notes or does not produce any of them in the proceeding. A delay or omission by the Trustee or any Holder in exercising any right or remedy accruing upon an Event of Default shall not impair the right or remedy or constitute a waiver of or acquiescence in the Event of Default. No remedy is exclusive of any other remedy. All available remedies are cumulative to the extent permitted by law.

Section 6.04 *Waiver of Past Defaults.*

The Holders of a majority in aggregate principal amount of the outstanding Notes under this Indenture by written notice to the Trustee may waive all past or existing Defaults or Events of Default (except with respect to nonpayment of principal, premium, or interest) and rescind any such acceleration with respect to such Notes and its consequences if rescission would not conflict with any judgment or decree of a court of competent jurisdiction.

Section 6.05 *Control by Majority.*

The Holders of a majority in aggregate principal amount of the outstanding Notes are given the right to direct the time, method and place of conducting any proceeding for any remedy available to the Trustee on behalf of the Holders or of exercising any trust or power conferred on the Trustee on behalf of the Holders. However, the Trustee may refuse to follow any direction that conflicts with law or this Indenture or that the Trustee determines is unduly prejudicial to the rights of any other Holder or that would involve the Trustee in personal liability. Subject to Article 7, if an Event of Default occurs and is continuing, prior to taking any action under this Indenture, the Trustee will be entitled to indemnification and/or security satisfactory to it from the Holders in its sole discretion against all losses, liabilities and expenses caused by taking or not taking such action.

Section 6.06 *Limitation on Suits.*

(a) Except to enforce the right to receive payment of principal or interest when due, no Holder may pursue any remedy with respect to this Indenture or the Notes unless:

- (1) such Holder has previously given the Trustee notice that an Event of Default is continuing;
- (2) Holders of at least 25% in aggregate principal amount of the outstanding Notes have requested the Trustee to pursue the remedy;
- (3) such Holders have offered the Trustee, and the Trustee has received, security and/or indemnity (including by way of pre-funding) reasonably satisfactory to it against any loss, liability or expense;
- (4) the Trustee has not complied with such request within 60 days after the receipt of the request and the offer of security and/or indemnity; and
- (5) the Holders of a majority in aggregate principal amount of the outstanding Notes have not given the Trustee a direction that, in the opinion of the Trustee, is inconsistent with such request within such 60-day period.

(b) A Holder may not use this Indenture to prejudice the rights of another Holder or to obtain a preference or priority over another Holder.

99

Section 6.07 *Rights of Holders to Receive Payment.*

Subject to Section 9.02, the right of any Holder to receive payment of principal of and interest on the Notes held by such Holder, on or after the respective due dates expressed or provided for in the Notes, or to bring suit for the enforcement of any such payment on or after such respective dates, shall not be impaired or affected without the consent of such Holder.

Section 6.08 *Collection Suit by Trustee.*

If an Event of Default specified in Sections 6.01(a)(1) or 6.01(a)(2) occurs and is continuing, the Trustee may recover judgment in its own name and as trustee of an express trust against the Issuer or any other obligor on the Notes for the whole amount then due and owing (together with interest on any unpaid interest to the extent lawful) and the amounts provided for in Section 7.07 hereof.

Section 6.09 *Trustee May File Proofs of Claim.*

The Trustee may file such proofs of claim and other papers or documents and take such actions as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the properly incurred compensation, expenses, disbursements and advances of the Trustee, its agent and counsel and any other amounts due to the Trustee under Section 7.07) and the Holders allowed in any judicial proceedings relative to the Issuer, their creditors or their property and, unless prohibited by law or applicable regulations, may vote on behalf of the Holders in any election of a trustee in bankruptcy or other Person performing similar functions, and any Custodian in any such judicial proceeding is hereby authorized by each Holder to make payments to the Trustee and, in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due it for the properly incurred compensation, expenses, disbursements and advances of the Trustee, its agents and its counsel, and any other amounts due the Trustee and the Agents under Section 7.07 hereof.

Section 6.10 *Priorities.*

If the Trustee collects any money or property pursuant to this Article 6, it shall pay out the money or property in the following order:

FIRST: to the Trustee, the Agents for amounts due under Section 7.02 and Section 7.07;

SECOND: to Holders for amounts due and unpaid on the Notes for principal and interest, ratably, without preference or priority of any kind, according to the amounts due and payable on the Notes for principal and interest, respectively; and

THIRD: to the Issuer or to such party as a court of competent jurisdiction shall direct.

The Trustee may fix a record date and payment date for any payment to Holders pursuant to this Section 6.10. At least 15 days before such record date, the Trustee shall mail to each Holder and the Issuer a notice that states the record date, the payment date and amount to be paid.

Section 6.11 *Undertaking for Costs.*

In any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee for any action taken or omitted by it as the Trustee, a court in its discretion may require the filing by any party litigant in the suit of an undertaking to pay the costs of the suit, and the court in its discretion may assess reasonable costs, including properly incurred attorneys' fees, against any party litigant in the suit, having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section 6.11 does not apply to a suit by the Trustee or a Paying Agent, a suit by a Holder pursuant to Section 6.07 or a suit by Holders of more than 10% in principal amount of the Notes then outstanding.

Section 6.12 *Waiver of Stay or Extension Laws.*

The Issuer (to the extent it may lawfully do so) shall not at any time insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay or extension law wherever enacted, now or at any time hereafter in force, which may affect the covenants or the performance of this Indenture; and the Issuer (to the extent that it may lawfully do so) hereby expressly waives all benefit or advantage of any such law, and shall not hinder, delay or impede the execution of any power herein granted to the Trustee, but shall suffer and permit the execution of every such power as though no such law had been enacted.

Section 6.13 *Restoration of Rights and Remedies.*

If the Trustee or any Holder has instituted any proceeding to enforce any right or remedy under this Indenture and such proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Trustee or to such Holder, then and in every such case, subject to any determination in such proceeding, the Issuer, the Trustee and the Holders shall be restored severally and respectively to their former positions hereunder and thereafter all rights and remedies of the Trustee and the Holders shall continue as though no such proceeding had been instituted.

Section 6.14 *Rights and Remedies Cumulative.*

Except as otherwise provided with respect to the replacement or payment of mutilated, destroyed, lost or stolen Notes in Section 2.07 hereof, no right or remedy herein conferred upon or reserved to the Trustee or to the Holders is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

Section 6.15 *Delay or Omission Not Waiver.*

No delay or omission of the Trustee or of any Holder to exercise any right or remedy accruing upon any Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein. Every right and remedy given by this Article 6 or by law to the Trustee or to the Holders may be exercised from time to time, and as often as may be deemed expedient, by the Trustee or by the Holders, as the case may be.

ARTICLE 7
TRUSTEE

Section 7.01 *Duties of Trustee.*

(a) In the event an Event of Default has occurred and is continuing of which a Responsible Officer of the Trustee has been notified in accordance with the provisions of this Indenture, the Trustee will exercise such of the rights and powers vested in it under this Indenture and use the same degree of care that a prudent Person would use in the conduct of its own affairs.

(b) Except during the continuance of an Event of Default:

(1) the Trustee undertakes to perform such duties and only such duties as are specifically set forth in this Indenture and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(2) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon

certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture. However, the Trustee shall examine such certificates and opinions to determine whether or not they conform to the requirements of this Indenture (but need not confirm or investigate the accuracy of mathematical calculations or other facts stated therein) and shall be entitled to seek advice from legal counsel in relation thereto.

(c) The Trustee may not be relieved from liability for its own grossly negligent action, its own grossly negligent failure to act or its own willful misconduct, except that:

(1) this Section 7.01(c) does not limit the effect of Section 7.01(a);

(2) the Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer unless it is proved that the Trustee was grossly negligent in ascertaining the pertinent facts; and

(3) the Trustee shall not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it pursuant to Section 7.02, Section 7.03 or Section 7.05;

(d) The Trustee shall not be deemed to have notice or any actual knowledge of any matter (including, without limitation, Defaults or Events of Default) unless written notice thereof is received by the Trustee in accordance with this Indenture and such notice clearly references the Notes, the Issuer or this Indenture.

(e) Every provision of this Indenture that in any way relates to the Trustee is subject to Section 7.01(a), Section 7.01(b), Section 7.01(c) and Section 7.01(f).

(f) No provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur liability in the performance of any of its duties hereunder or to take or omit to take any action under this Indenture or take any action at the request or direction of Holders if it has grounds for believing that repayment of such funds is not assured to it or it does not receive an agreement in writing from the Holders for full indemnity and/or security satisfactory to it in its discretion against any loss, liability or expense which might be incurred by it in compliance with such request or direction nor shall the Trustee be required to do anything which is illegal or contrary to applicable laws, this Indenture. The Trustee will not be liable to the Holders if prevented or delayed in performing any of its obligations or discretionary functions under this Indenture by reason of any present or future law applicable to it, by any governmental or regulatory authority or by any circumstances beyond its control.

(g) The Trustee shall not be liable for interest on any money received by it except as the Trustee may agree in writing with the Issuer.

(h) Money held in trust by the Trustee need not be segregated from other funds except to the extent required by law.

(i) The Trustee will (save as expressly otherwise provided herein) have absolute and uncontrolled discretion as to the exercise or non-exercise of its functions and will not be responsible for any loss, liability, cost, claim, action, demand, expense or inconvenience which may result from their exercise or non-exercise but, whenever the Trustee is under the provisions of this Indenture or the Notes bound to act at the request or direction of the Holders, the Trustee shall nevertheless not be so bound unless first indemnified and/or secured to its satisfaction against all actions, proceedings, claims and demands to which it may render itself liable and all costs, charges, damages, expenses and liabilities which it may incur by so doing.

- (a) The Trustee may refrain from taking any action in any jurisdiction if the taking of such action in that jurisdiction would, in its opinion, based upon legal advice in the relevant jurisdiction, be contrary to any law of that jurisdiction or, to the extent applicable, the State of New York. Furthermore, the Trustee may also refrain from taking such action if such action would otherwise render it liable to any person in that jurisdiction, the State of New York or if, in its opinion based upon such legal advice, it would not have the power to do the relevant thing in that jurisdiction by virtue of any applicable law in that jurisdiction, in the State of New York or if it is determined by any court or other competent authority in that jurisdiction, in the State of New York that it does not have such power.
- (b) The Trustee may conclusively rely and shall be fully protected in acting or refraining to act based upon any document believed by it to be genuine and to have been signed or presented by the proper Person. The Trustee need not investigate any fact or matter stated in the document.
- (c) Before the Trustee acts or refrains from acting, it may require an Officer's Certificate or an Opinion of Counsel. The Trustee shall not be liable for any action it takes or omits to take in good faith in reliance on such Officer's Certificate or Opinion of Counsel.
- (d) The Trustee may act through attorneys and agents and shall not be responsible for the misconduct or negligence of any agent appointed with due care.
- (e) The Trustee shall not be liable for any action it takes or omits to take in good faith which it believes to be authorized or within its rights or powers conferred upon it by this Indenture; *provided, however*, that the Trustee's conduct does not constitute willful misconduct or gross negligence.
- (f) The Trustee may retain professional advisers to assist it in performing its duties under this Indenture. The Trustee may consult with counsel of its selection, and the advice or opinion of counsel with respect to legal matters relating to this Indenture and the Notes shall be full and complete authorization and protection from liability in respect of any action taken, omitted or suffered by it hereunder in good faith and in accordance with the advice or opinion of such counsel.
- (g) The Trustee shall not be bound to make any investigation into the facts or matters stated in any Officer's Certificate, Opinion of Counsel, or any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, approval, appraisal, bond, debenture, note, coupon, security other evidence of indebtedness or other paper or document, but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine the books, records and premises of the Issuer, personally or by agent or attorney at the sole cost of the Issuer.
- (h) The Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request, order or direction of any of the Holders pursuant to the provisions of this Indenture, unless such Holders shall have offered to the Trustee indemnity and/or other security (including by way of pre-funding) satisfactory to the Trustee against the costs, expenses and liabilities which may be incurred by it in compliance with such request, order or direction.
- (i) In the event the Trustee receives inconsistent or conflicting requests and indemnity from two or more groups of Holders, each representing less than the requisite majority in aggregate principal amount of the Notes then outstanding, pursuant to the provisions of this Indenture, the Trustee, in its sole discretion, may determine what action, if any, shall be taken and shall be held harmless and shall not incur any liability for its failure to act until such inconsistency or conflict is, in its opinion, resolved, and absent willful misconduct or gross negligence, the Trustee shall not be liable for acting in good faith on instructions believed by them to be genuine and from the proper party.

(j) Delivery of reports, information and documents to the Trustee under Section 4.10 hereof is for informational purposes only and the Trustee's receipt of the foregoing shall not constitute actual or constructive notice of any information contained therein or determinable from information contained therein, including the Issuer's compliance with any of their covenants hereunder (as to which the Trustee is entitled to rely exclusively on Officer's Certificates).

(k) *[Reserved]*.

(l) The Trustee shall have no duty to inquire as to the performance of the covenants of the Company and/or its Restricted Subsidiaries in this Indenture and shall be entitled to assume that the Company and any Restricted Subsidiaries are in compliance with the terms of this Indenture.

(m) The Trustee shall not have any obligation or duty to monitor, determine or inquire as to compliance, and shall not be responsible or liable for compliance with restrictions on transfer, exchange, redemption, purchase or repurchase, as applicable, of minimum denominations imposed under this Indenture or under applicable law or regulation with respect to any transfer, exchange, redemption, purchase or repurchase, as applicable, of any interest in any Notes, but may at its sole discretion, choose to do so.

(n) *[Reserved]*.

(o) The Trustee and each Agent shall not be liable for acting in good faith on instructions believed by it to be genuine and from the proper party.

(p) The Trustee shall not be required to give any bond or surety with respect to the performance of its duties or the exercise of its powers under this Indenture.

(q) *[Reserved]*.

(r) The permissive rights of the Trustee to take the actions permitted by this Indenture will not be construed as an obligation or duty to do so.

(s) Anything in this Indenture to the contrary notwithstanding, in no event shall the Trustee be liable for punitive, special, indirect or consequential loss or damage of any kind whatsoever (including but not limited to loss of business, goodwill, opportunity or profits of any kind) of the Issuers, any Restricted Subsidiary or any other person, even if the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action.

(t) Except with respect to Section 4.01 hereof, and provided it or an affiliate of it is acting as the Paying Agent, the Trustee shall have no duty to inquire as to the performance of the Issuers with respect to the covenants contained in Article 4 hereof. The Trustee may assume without inquiry in the absence of written notice to the contrary that the Issuers are duly complying with their obligations contained in this Indenture required to be performed and observed by it, and that no Default or Event of Default or other event which would require repayment of the Notes has occurred.

(u) In no event shall the Trustee be responsible or liable for any failure or delay in the performance of its obligations hereunder arising out of, or caused by, directly or indirectly, forces beyond its control, including, without limitation, acts of war or terrorism, civil or military disturbances, nuclear or natural catastrophes or acts of God; it being understood that the Trustee shall use reasonable efforts that are consistent with accepted practices in the banking industry to resume performance as soon as practicable under the circumstances.

(v) The Trustee may request that the Issuers deliver an Officer's Certificate setting forth the names of the individuals and/or titles of officers authorized at such time to take specified actions pursuant to this Indenture, which Officer's Certificate may be signed by any person authorized to sign

an Officer's Certificate, including any person specified as so authorized in any such certificate previously delivered and not superseded.

(w) The Trustee may, in the execution and exercise of all or any of the trusts, powers, authorities and discretions vested in it by this Indenture, delegate to any person or persons all or any of the trusts, powers, authorities and discretions vested in it by this Indenture and any such delegation may be made upon such terms and conditions and subject to such regulations as the Trustee may think fit. The Trustee shall not be under any obligation to supervise the activities of such delegates and shall not be responsible for the misconduct or negligence of such delegates, or for any costs, expenses, losses or liabilities of, or caused by, such delegates, *provided* that such delegation has been made with reasonable care.

(x) No provision of this Indenture shall require the Trustee to do anything which, in its opinion, may be illegal or contrary to applicable law or regulation.

(y) The Trustee and the Paying Agent shall be entitled to make payments net of any taxes or other sums required by any applicable law to be withheld or deducted.

Section 7.03 *Individual Rights of Trustee.*

The Trustee in its individual or any other capacity may become the owner or pledgee of Notes and may otherwise deal with the Issuers, their Subsidiaries or their respective Affiliates with the same rights it would have if it were not Trustee. For the avoidance of doubt, any Paying Agent and Transfer Agent or Registrar may do the same with like rights.

Section 7.04 *Trustee's Disclaimer.*

The Trustee shall not be responsible for and makes no representation as to the validity, effectiveness, correctness or adequacy of this Indenture, the offering materials related to this Indenture or the Notes, it shall not be accountable for the Issuers' use of the proceeds from the Notes or any money paid to the Issuer or upon the Issuer's direction under any provision of this Indenture, and it shall not be responsible for any statement of the Issuers in this Indenture or in any document issued in connection with the sale of the Notes or in the Notes other than the Trustee's certificate of authentication. The Trustee shall not be charged with knowledge of the identity of any Significant Subsidiary unless either (a) a Responsible Officer shall have actual knowledge thereof or (b) the Trustee shall have received notice thereof in accordance with Section 12.01 hereof from the Issuer or any Holder.

Section 7.05 *Notice of Defaults.*

If a Default or Event of Default occurs and is continuing and a Responsible Officer of the Trustee is informed of such occurrence by the Issuer, the Trustee must give notice of the Default to the Holders within 60 days after being notified by the Issuers. Except in the case of a Default in the payment of principal of, or premium, if any, or interest on any Note, the Trustee may withhold notice if and so long as a Responsible Officer of the Trustee in good faith determines that withholding notice is in the interests of the Holders.

Section 7.06 *[Reserved].*

Section 7.07 *Compensation and Indemnity.*

The Issuers shall pay to the Trustee and the Agents from time to time such compensation as the Issuers and Trustee or the Agents, as applicable, may from time to time agree in writing for its acceptance of this Indenture and services hereunder and under the Notes. The Trustee's and the Agents' compensation shall not be limited by any law on compensation of a trustee of an express trust.

In the event of the occurrence of an Event of Default or the Trustee considering it expedient or necessary or being requested by the Issuers to undertake duties which the Trustee and the Issuers agree to be of an exceptional nature or otherwise outside the scope of the normal duties of the Trustee, the Issuers shall pay to the Trustee such additional remuneration as shall be agreed between them.

The Issuers shall reimburse the Trustee and the Agents promptly upon request for all properly incurred disbursements, advances and expenses incurred or made by it (as evidenced in an invoice from the Trustee or the Agents, as applicable), including costs of collection, in addition to the compensation for its services. Such expenses shall include the properly incurred compensation and expenses, disbursements and advances of the Trustee's agents, counsel, accountants and experts. The Issuers shall indemnify the Trustee, the Agents and their respective officers, directors, agents and employers against any and all loss, liability, taxes or expenses (including properly incurred attorneys' fees) incurred by or in connection with the acceptance or administration of its duties under this Indenture and the Notes including the costs and expenses of enforcing this Indenture against the Issuers (including this Section 7.07) and defending itself against any claim (whether asserted by the Issuers or any Holder or any other person) or liability in connection with the exercise or performance of any of its powers or duties hereunder.

The Trustee shall notify the Issuers of any claim for which it may seek indemnity promptly upon obtaining actual knowledge thereof *provided, however*, that any failure to so notify the Issuers shall not relieve the Issuers of their indemnity obligations hereunder. Except in cases where the interests of the Issuers and the Trustee may be adverse, the Issuers shall defend the claim and the indemnified party shall provide reasonable cooperation at the Issuers' expense in the defense. In cases where the interests of the Issuers and the Trustee are adverse, (i) such indemnified party may, in its sole discretion, assume the defense of the claim against it and the Issuers pay the properly incurred fees and expenses of the indemnified party's defense (as evidenced in an invoice from the Trustee) and (ii) such indemnified parties may have separate counsel of their choosing and the Issuers shall pay the properly incurred fees and expenses of such counsel (as evidenced in an invoice from the Trustee).

The Issuers need not pay for any settlement made without its consent, which consent shall not be unreasonably withheld. The Issuers need not reimburse any expense or indemnify against any loss, liability or expense incurred by an indemnified party through such party's own willful misconduct, gross negligence or fraud.

To secure the Issuers' payment obligations in this Section 7.07, the Trustee and the Agents have a Lien senior to the Notes on all money or property held or collected by the Trustee other than money or property held in trust to pay principal of and interest on particular Notes.

The Issuers' payment obligations pursuant to this Section 7.07 and any lien arising thereunder shall survive the satisfaction or discharge of this Indenture, any rejection or termination of this Indenture under any Bankruptcy Law or the resignation or removal of the Trustee and the Agents. Without prejudice to any other rights available to the Trustee and the Agents under applicable law, when the Trustee and the Agents incur expenses (including the fees and expenses of counsel) after the occurrence of a Default specified in Section 6.01(a)(6) hereof with respect to the Issuers, the expenses are intended to constitute expenses of administration under any Bankruptcy Law.

For the avoidance of doubt, the rights, privileges, protections, immunities and benefits given to the Trustee in this Section 7.07, including its right to be indemnified, are extended to, and shall be enforceable by the Trustee in each of its capacities hereunder and by each agent (including the Agents), any custodian and any other Person employed with due care to act as agent hereunder.

Section 7.08 *Replacement of Trustee.*

(a) The Trustee may resign at any time by so notifying the Issuers in writing. The Holders of a majority in principal amount of the Notes then outstanding may remove the Trustee by so notifying

the Trustee and the Issuers in writing and may appoint a successor Trustee. The Issuers shall be entitled to remove the Trustee and any Holder who has been a bona fide Holder for not less than six months may petition any court for removal of the Trustee and appointment of a successor Trustee, if:

- (1) the Trustee, in its capacity as such, has or acquires a conflict of interest that is not eliminated;
- (2) the Trustee is adjudged bankrupt or insolvent;
- (3) a receiver or other public officer takes charge of the Trustee or its property; or
- (4) the Trustee otherwise becomes incapable of acting as Trustee hereunder.

(b) If the Trustee resigns, is removed pursuant to Section 7.08(a) hereof or if a vacancy exists in the office of Trustee for any reason (the Trustee in such event being referred to herein as the retiring Trustee), the Issuers shall promptly appoint a successor Trustee.

(c) A successor Trustee shall deliver a written acceptance of its appointment to the retiring Trustee and to the Issuers. Thereupon the resignation or removal of the retiring Trustee shall become effective, and the successor Trustee shall have all the rights, powers and duties of the Trustee under this Indenture. The successor Trustee shall mail a notice of its succession to Holders. The retiring Trustee shall promptly transfer all property held by it as Trustee to the successor Trustee, *provided* that all sums owing to the Trustee hereunder have been paid and subject to the lien provided for in this Section 7.07 hereof. For the avoidance of doubt, any removal or resignation of the Trustee pursuant to this Section 7.07 shall not become effective until the acceptance of the appointment by the successor Trustee.

(d) If a successor Trustee does not take office within 30 days after the retiring Trustee resigns or is removed, (i) the retiring Trustee, at the expense of the Issuers, or the Holders of 10% in principal amount of the Notes may petition any court of competent jurisdiction for the appointment of a successor trustee, or (ii) the retiring Trustee may appoint a successor trustee at any time prior to the date on which a successor Trustee takes office; *provided* that such appointment is reasonably satisfactory to, and at the joint and several cost and expense of, the Issuers.

(e) Notwithstanding the replacement of the Trustee pursuant to this Section, the Issuers' obligations under Section 7.07 hereof shall continue for the benefit of the retiring Trustee.

(f) For the avoidance of doubt, the rights, privileges, protections, immunities and benefits given to the Trustee in this Article 7, including its right to be indemnified, are extended to, and shall be enforceable by each Agent employed to act hereunder.

Section 7.09 *Successor Trustee by Merger.*

If the Trustee consolidates with, merges or converts into, or transfers all or substantially all its corporate trust business or assets to, another corporation or banking association, the resulting, surviving or transferee corporation without any further act shall be the successor Trustee.

In case at the time such successor or successors by merger, conversion or consolidation to the Trustee shall succeed to the trusts created by this Indenture any of the Notes shall have been authenticated but not delivered, any such successor to the Trustee may adopt the certificate of authentication of any predecessor trustee, and deliver such Notes so authenticated; and in case at that time any of the Notes shall not have been authenticated, any successor to the Trustee or its Authenticating Agent may authenticate such Notes either in the name of any predecessor hereunder or in the name of the successor to the Trustee; and in all such cases such certificates shall have the full

force which it is anywhere in the Notes or in this Indenture provided that the certificate of the Trustee shall have.

Section 7.10 *[Reserved]*.

Section 7.11 *Certain Provisions*.

Each Holder by accepting a Note authorizes and directs on his or her behalf the Trustee to enter into and to take such actions and to make such acknowledgements as are set forth in this Indenture or other documents entered into in connection therewith.

Section 7.12 *Resignation of Agents*.

(a) Any Agent may resign its appointment hereunder at any time without the need to give any reason and without being responsible for any costs associated therewith by giving notice to the Issuer and the Trustee (and in the case of resignation of the Paying Agent the Paying Agent giving 30 days' written notice) (waivable by the Issuers and the Trustee), *provided* that in the case of resignation of the Paying Agent no such resignation shall take effect until a new Paying Agent shall have been appointed by the Issuers to exercise the powers and undertake the duties hereby conferred and imposed upon the Paying Agent. Following receipt of a notice of resignation from any Agent, the Issuers shall promptly give notice thereof to the Holders in accordance with Section 12.01 Such notice shall expire at least 30 days before or after any due date for payment in respect of the Notes.

(b) If any Agent gives notice of its resignation in accordance with this Section 7.12 and a replacement Agent is required and by the tenth day before the expiration of such notice such replacement has not been duly appointed, such Agent may itself appoint as its replacement any reputable and experienced financial institution or may petition a court of competent jurisdiction, with costs and expenses properly incurred by the Agent in relation to such petition to be paid by the Issuers. Immediately following such appointment, the Issuers shall give notice of such appointment to the Trustee, the remaining Agents and the Holders whereupon the Issuers, the Trustee, the remaining Agents and the replacement Agent shall acquire and become subject to the same rights and obligations between themselves as if they had entered into an agreement in the form mutatis mutandis of this Indenture.

(c) Upon its resignation becoming effective the Paying Agent shall forthwith transfer all moneys held by it hereunder, if any, to the successor Paying Agent or, if none, the Trustee or to the Trustee's order, but shall have no other duties or responsibilities hereunder, and shall be entitled to the payment by the Issuers of its remuneration for the services previously rendered hereunder and to the reimbursement of all reasonable expenses (including legal fees) incurred in connection therewith.

ARTICLE 8
DISCHARGE OF INDENTURE; DEFEASANCE

Section 8.01 *Discharge of Liability on Notes; Defeasance*.

(a) This Indenture, and the rights of the Trustee and the Holders thereunder will be discharged and cease to be of further effect (except as to surviving rights of conversion or transfer or exchange of the Notes, as expressly provided for in this Indenture) as to all outstanding Notes when (1) either (a) all the Notes previously authenticated and delivered (other than certain lost, stolen or destroyed Notes, and certain Notes for which provision for payment was previously made and thereafter the funds have been released to the Issuers) have been delivered to the Paying Agent for cancellation; or (b) all Notes not previously delivered to the Paying Agent for cancellation (i) have become due and payable, (ii) will become due and payable at their Stated Maturity within one year or (iii) are to be called for redemption within one year under arrangements reasonably satisfactory to the Trustee for the giving of notice of redemption by the Trustee in the name, and at the expense, of the Issuers; (2) the Issuers

have irrevocably deposited or caused to be deposited with the Trustee (or an entity designated or appointed as agent by it for this purpose), cash in dollars or dollar-denominated U.S. Government Obligations or a combination thereof, in an amount sufficient to pay and discharge the entire Indebtedness on the Notes not previously delivered to the Trustee for cancellation, for principal, premium, if any, and interest to the date of deposit (in the case of Notes that have become due and payable), or to the Stated Maturity or redemption date, as the case may be; (3) the Issuers have paid or caused to be paid all other sums payable under this Indenture; (4) the Issuers have delivered irrevocable instructions under this Indenture to apply the deposited money toward payment of the Notes at maturity or on the redemption date, as the case may be; and (5) the Issuers have delivered to the Trustee an Officer's Certificate to the effect that all conditions precedent under this Section 8.01 relating to the satisfaction and discharge of this Indenture have been complied with.

(b) Subject to Section 8.01(c) and Section 8.02, the Issuers at any time may terminate (i) all of their obligations and this Indenture ("legal defeasance option") and cure all then existing Defaults and Events of Default or (ii) its obligations under the covenants in Article 4 and Article 5 hereof (other than Section 4.01, Section 5.03(a)(1) and (2)) and the default provisions relating to such covenants in Section 6.01(a)(3) (other than with respect to Section 5.03(a)(1) and (2)) and 6.01(a)(4), the operation of Sections 6.01(a)(5)(A) and Section 6.01(a)(5)(B), Section 6.01(a)(6) with respect to the Issuer and Significant Subsidiaries, and Section 6.01(a)(7) ("covenant defeasance option"). The Issuers at their option at any time may exercise its legal defeasance option notwithstanding its prior exercise of its covenant defeasance option. In the event that the Issuers terminate all of their obligations under the Notes and this Indenture by exercising its legal defeasance option, the obligations under any Guarantees shall each be terminated simultaneously with the termination of such obligations.

Upon satisfaction of the conditions set forth herein and upon request of the Issuers, the Trustee shall acknowledge in writing the discharge of those obligations that the Issuers terminate.

If the Issuers exercise their legal defeasance option, payment of the Notes may not be accelerated because of an Event of Default with respect to such Notes. If the Issuers exercise their covenant defeasance option with respect to the Notes, payment of the Notes may not be accelerated because of an Event of Default specified in Sections 6.01(a)(3) (other than with respect to Section 5.03(a)(1) and (2)), 6.01(a)(4), 6.01(a)(5), 6.01(a)(6) or 6.01(a)(7).

(c) Notwithstanding Section 8.01(a) and Section 8.01(b), the Issuers' obligations in Sections 2.03, Section 2.04, Section 2.05, Section 2.06, Section 2.07, Section 2.08, Section 2.09, Section 2.10, Section 2.11, Article 7 and this Article 8, as applicable, shall survive until the Notes have been paid in full. Thereafter, the Issuers' obligations in Section 7.07, Section 8.05 and Section 8.06, as applicable, shall survive.

Section 8.02 *Conditions to Defeasance.*

(a) The Issuers may exercise their legal defeasance option or their covenant defeasance option only if the Issuers have irrevocably deposited in trust (the "defeasance trust") with the Trustee (or an entity designated or appointed as agent by it for this purpose) cash in dollars or dollar-denominated U.S. Government Obligations or a combination thereof for the payment of principal, premium, if any, and interest on the Notes to redemption or maturity, as the case may be, and has delivered to the Trustee:

(1) an Opinion of Counsel (subject to customary exceptions and exclusions) from United States counsel to the effect that Holders or beneficial owners of the Notes will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such deposit and defeasance and will be subject to U.S. federal income tax on the same amount and in the same manner and at the same times as would have been the case if such deposit and defeasance had not occurred (and in the case of legal defeasance only, such Opinion of Counsel from

109

United States counsel must be based on a ruling of the U.S. Internal Revenue Service or other change in applicable U.S. federal income tax law);

(2) an Officer's Certificate stating that the deposit was not made by the Company with the intent of defeating, hindering, delaying, defrauding or preferring any creditors of the Company;

(3) an Officer's Certificate stating that all conditions precedent provided for or relating to legal defeasance or covenant defeasance, as the case may be, have been complied with; and

(4) an Opinion of Counsel to the effect that the trust resulting from the deposit does not constitute, or is qualified as, a regulated investment company under the U.S. Investment Company Act of 1940, as amended.

(b) Before or after a deposit, the Issuers may make arrangements satisfactory to the Trustee for the redemption of Notes at a future date in accordance with Article 3.

Section 8.03 *Application of Trust Money.*

The Trustee (or an entity appointed or designated (as agent) by it for this purpose) shall hold in trust money, U.S. Government Obligations for the payment of principal, premium, if any, and interest deposited with it pursuant to this Article 8. It shall apply the deposited money and the money from the U.S. Government Obligations through the Paying Agent and in accordance with this Indenture to the payment of principal of and interest on the Notes.

Section 8.04 *Repayment to Issuers.*

The Trustee and the Paying Agent shall promptly turn over to the Issuers upon request any money, U.S. Government Obligations held by it as provided in this Article 8 which, in the written opinion of an internationally recognized firm of independent public accountants delivered to the Trustee (which delivery shall only be required if U.S. Government Obligations have been so deposited), are in excess of the amount thereof which would then be required to be deposited to effect an equivalent discharge or defeasance in accordance with this Article 8.

Subject to any applicable abandoned property law, the Trustee and the Paying Agent shall pay to the Issuers upon written request any money held by them for the payment of principal or interest that remains unclaimed for two years, and, thereafter, Holders entitled to the money must look to the Issuers for payment as general creditors, and the Trustee and the Paying Agent shall have no further liability with respect to such monies.

Section 8.05 *Indemnity for Government Obligations.*

The Issuers shall pay and shall indemnify the Trustee against any tax, fee or other charge imposed on or assessed against deposited U.S. Government Obligations or the principal and interest received on such U.S. Government Obligations.

Section 8.06 *Reinstatement.*

If the Trustee or Paying Agent is unable to apply any money, U.S. Government Obligations in accordance with this Article 8 by reason of any legal proceeding or by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, the Issuers' obligations under this

Indenture and the Notes shall be revived and reinstated as though no deposit had occurred pursuant to this Article 8 until such time as the Trustee or Paying Agent is permitted to apply all such money, U.S. Government Obligations in accordance with this Article 8;

provided, however, that if the Issuers have made any payment of principal of or interest on any Notes because of the reinstatement of its obligations, the Issuers shall be subrogated to the rights of the Holders of such Notes to receive such payment from the money, U.S. Government Obligations held by the Trustee or Paying Agent.

ARTICLE 9
AMENDMENTS AND WAIVERS

Section 9.01 *Without Consent of Holders.*

(a) Without the consent of any Holder, the Issuers, the Trustee and the other parties thereto, as applicable, may amend or supplement any Notes Documents to:

- (1) cure any ambiguity, omission, defect, error or inconsistency;
- (2) provide for the assumption by a successor Person of the obligations of any of the Issuers under any Notes Document;
- (3) add to the covenants or provide for a Guarantee for the benefit of the Holders or surrender any right or power conferred upon the Issuers or any Restricted Subsidiary;
- (4) make any change that would provide additional rights or benefits to the Trustee or the Holders or does not adversely affect the rights or benefits to the Trustee or any of the Holders in any material respect under the Notes Documents;
- (5) make such provisions as necessary (as determined in good faith by the Company) for the issuance of Additional Notes Incurred in accordance with the terms of this Indenture;
- (6) to add Guarantees with respect to the Notes (including any provisions relating to the release or limitations of such additional Guarantees), to add security to or for the benefit of the Notes, or to effectuate or confirm and evidence the release, termination, discharge or retaking of such Guarantee or security or any amendment in respect thereof with respect to the Notes when such release, termination, discharge or retaking or amendment is provided for under the Indenture;
- (7) conform the text of this Indenture, or the Notes to any provision of the section of the Original Offering Memorandum entitled "Description of the Notes" or the section of the Exchange Offer Memorandum entitled "Description of the New Senior Notes" to the extent that such provision was intended to be a verbatim recitation of a provision of this Indenture or the Notes; or
- (8) evidence and provide for the acceptance and appointment under this Indenture of a successor Trustee pursuant to the requirements thereof or to provide for the accession by the Trustee to any Notes Document.

(b) In formulating its decision on the matters described in Section 9.01(a) hereof, the Trustee shall be entitled to require and rely absolutely on such evidence as it deems necessary, including Officer's Certificates and Opinions of Counsel.

Section 9.02 *With Consent of Holders.*

(a) The Issuer, the Trustee and the other parties thereto, as applicable, may amend, supplement or otherwise modify the Notes Documents with the consent of the Holders of a majority in principal amount of the Notes then outstanding (including consents obtained in connection with a

purchase of, or tender offer or exchange offer for, Notes), and unless otherwise provided for in this Indenture, any default or compliance with any provisions thereof may be waived with the consent of the Holders of a majority in principal amount of the Notes then outstanding (including consents obtained in connection with a purchase of, or tender offer or exchange offer for, Notes). However, without the consent of each Holder of Notes affected (including consents obtained in connection with a purchase of, or tender offer or exchange offer for, Notes), an amendment, supplement or waiver may not, with respect to any Notes held by a non-consenting Holder:

- (1) reduce the principal amount of Notes whose Holders must consent to an amendment, waiver, supplement or modification;
 - (2) reduce the stated rate of or extend the stated time for payment of interest on any Note (other than, for the avoidance of doubt, any payment pursuant to a Change of Control Offer or pursuant to the provisions of Section 4.08 hereof);
 - (3) reduce the principal of, or extend the Stated Maturity of, any Note;
 - (4) reduce the premium payable upon the redemption of any Note or change the time at which any Note may be redeemed, in each case under Section 3.07 hereof (other than, for the avoidance of doubt, any payment pursuant to a Change of Control Offer or pursuant to the provisions of Section 4.08 hereof);
 - (5) make any Note payable in money other than that stated in the Note (except to the extent the currency stated in the Notes has been succeeded or replaced pursuant to applicable law);
 - (6) impair the right of any Holder to receive payment of principal of and interest on such Holder's Notes on or after the due dates therefor or to institute suit for the enforcement of any such payment on or with respect to such Holder's Notes (it being understood that this clause (6) will not apply to a Change of Control Offer or the provisions of Section 4.08 hereof except to the extent payments thereunder are at such time due and payable);
 - (7) waive a Default or Event of Default with respect to the nonpayment of principal, premium or interest on the Notes (except pursuant to a rescission of acceleration of the Notes by the Holders of at least a majority in aggregate principal amount of such Notes and a waiver of the payment default that resulted from such acceleration); or
 - (8) make any change in the amendment or waiver provisions which require the Holders' consent described in this Section 9.02(a).
- (b) In formulating its decision on the matters described in Section 9.02(a) hereof, the Trustee shall be entitled to require and rely absolutely on such evidence as it deems necessary, including Officer's Certificates and Opinions of Counsel.
- (c) [Reserved].
- (d) The consent of the Holders is not necessary under this Indenture to approve the particular form of any proposed amendment. It is sufficient if such consent approves the substance of the proposed amendment. A consent to any amendment or waiver under this Indenture by any Holder of Notes given in connection with a tender of such Holder's Notes will not be rendered invalid by such tender.
- (e) After an amendment under this Section 9.02 becomes effective, in the case of Holders of Definitive Notes, the Issuers shall mail to the Holders a notice briefly describing such amendment.

The failure to give such notice to all Holders, or any defect therein, shall not impair or affect the validity of an amendment under this Section 9.02.

(f) The Notes issued on the Issue Date, and any Additional Notes, will be treated as a single class for all purposes under this Indenture, including with respect to waivers and amendments, except as otherwise stated in this Section 9.02.

Section 9.03 *Revocation and Effect of Consents and Waivers.*

(a) A written consent to an amendment or a waiver by a Holder shall bind the Holder and every subsequent Holder of that Note or portion of the Notes that evidences the same debt as the consenting Holder's Note, even if notation of the consent or waiver is not made on the Note. However, any such Holder or subsequent Holder may revoke the consent as to its Note if the Trustee receives written notice of revocation before the date the amendment, supplement or waiver becomes effective. After an amendment or waiver becomes effective, it shall bind every Holder. An amendment or waiver becomes effective upon the (i) receipt by the Issuers or the Trustee of the requisite number of consents, (ii) satisfaction of conditions to effectiveness as set forth in this Indenture and any indenture supplemental hereto containing such amendment or waiver and (iii) execution of such amendment or waiver (or supplemental indenture) by the Issuers and the Trustee.

(b) The Issuers may, but shall not be obligated to, fix a record date for the purpose of determining the Holders entitled to give their written consent or take any other action described above or required or permitted to be taken pursuant to this Indenture. If a record date is fixed, then notwithstanding Section 9.03(a) hereof, those Persons who were Holders at such record date (or their duly designated proxies), and only those Persons, shall be entitled to give such consent or to revoke any consent previously given or to take any such action, whether or not such Persons continue to be Holders after such record date. No such consent shall be valid or effective for more than 120 days after such record date.

Section 9.04 *Notation on or Exchange of Notes.*

If an amendment, modification or supplement changes the terms of a Note, the Trustee may require the Holder of the Note to deliver it to the Trustee. The Trustee may place an appropriate notation on the Note regarding the changed terms and return it to the Holder. Alternatively, if the Issuers or the Trustee so determines, the Issuers in exchange for the Note shall issue and the Trustee or an Authenticating Agent shall authenticate a new Note that reflects the changed terms. Failure to make the appropriate notation or to issue a new Note shall not affect the validity of such amendment, modification or supplement.

Section 9.05 *Trustee to Sign Amendments.*

The Trustee shall sign any amendment authorized pursuant to this Article 9 if the amendment does not impose any personal obligations on the Trustee or adversely affect the rights, duties, liabilities or immunities of the Trustee under this Indenture. If it does, the Trustee may, but need not, sign it. In signing such amendment the Trustee shall be entitled to receive an indemnity and/or security satisfactory to it and to receive, and (subject to Section 7.01 and Section 7.02(n) hereof) shall be fully protected in relying upon, an Officer's Certificate and an Opinion of Counsel stating that such amendment complies with this Indenture and that such amendment has been duly authorized, executed and delivered and is the legally valid and binding obligation of the Issuer (if any) enforceable against it in accordance with its terms, subject to customary exceptions.

Notwithstanding the foregoing and Section 12.02(b) hereof, no Opinion of Counsel will be required for the Trustee to execute any amendment or supplement adding a new Guarantee of the Notes under this Indenture; *provided* that the execution thereof shall be deemed a representation by such guarantor(s) that (i) all conditions precedent and covenants, if any, relating to the execution of such

supplemental indenture have been satisfied, (ii) that such executed supplemental indenture is substantially in the form attached as Exhibit D hereto (subject to the inclusion of any additional limitations under applicable laws on the obligations of such guarantor under its Guarantee of the Notes) and (iii) such supplemental indenture is enforceable in accordance with its terms subject to (A) bankruptcy, insolvency, reorganization, moratorium, fraudulent conveyance and similar laws affecting the rights and remedies of creditors generally and (B) general principles of equity.

For the avoidance of doubt, an Officer's Certificate (which the Trustee will be fully protected in relying upon and upon which the Trustee shall be entitled to rely without further enquiry or investigation) will be required for the Trustee to execute any amendment or supplement adding a new Guarantee of the Notes under this Indenture.

Section 12.02 *Certificate and Opinion as to Conditions Precedent.*

Upon any request or application by the Issuers to the Trustee to take or refrain from taking any action under this Indenture, the Issuers shall furnish to the Trustee:

- (a) an Officer's Certificate in form and substance reasonably satisfactory to the Trustee stating that, in the opinion of the signers, all conditions precedent, if any, provided for in this Indenture relating to the proposed action have been complied with and any other matters that the Trustee may reasonably request; and
- (b) if requested by the Trustee, an Opinion of Counsel in form and substance reasonably satisfactory to the Trustee stating that, in the opinion of such counsel, all such conditions precedent have been complied with and any other matters that the Trustee may reasonably request.

Section 12.03 *Statements Required in Certificate or Opinion.*

Each certificate or opinion with respect to compliance with a covenant or condition provided for in this Indenture (other than pursuant to Section 4.14 hereof) shall include:

- (a) a statement that the Person making such certificate or opinion has read such covenant or condition;
- (b) a brief statement as to the nature and scope of the examination or investigation upon which the statements or opinions contained in such certificate or opinion are based;
- (c) a statement that, in the opinion of such Person, such Person has made such examination or investigation as is necessary to enable him to express an informed opinion as to whether or not such covenant or condition has been complied with (and, in the case of an Opinion of Counsel, may be limited to reliance on an Officer's Certificate as to matters of fact); and

(d) a statement as to whether or not, in the opinion of such Person, such covenant or condition has been complied with; *provided, however*, that with respect to matters of fact, an Opinion of Counsel may rely on an Officer's Certificate or certificates of public officials.

Section 12.04 *When Notes Disregarded.*

(a) Except as otherwise provided under Section 3.07 and Section 3.11, in determining whether the Holders of the required principal amount of the Notes have concurred in any direction, waiver or consent, the Notes owned by the Company or by any Person directly or indirectly controlling, or controlled by, or under direct or indirect common control with the Company will be disregarded and deemed not to be outstanding, except that, for the purpose of determining whether the Trustee shall be protected in relying on any such direction, waiver or consent, only Notes which the Trustee knows are so owned shall be so disregarded. Subject to the foregoing, only Notes outstanding at the time shall be considered in any such determination.

(b) Notwithstanding any provision to the contrary in this Indenture (including Section 12.04(a) hereof), in determining whether the Holders of at least 90% of the aggregate principal amount of the then outstanding Notes have validly tendered and not validly withdrawn their Notes in a Change of Control Offer, other tender offer or offer to purchase for all of the Notes, as applicable, Notes owned by any Affiliate of the Issuers or funds controlled or managed by any Affiliate of the Issuers, or any successor thereof, shall be deemed to be outstanding for the purposes of such Change of Control Offer, tender offer or offer to purchase, as applicable.

Section 12.05 *Rules by Trustee, Paying Agent and Registrar.*

The Trustee may make reasonable rules for action by or a meeting of Holders. The Registrar and the Paying Agent may make reasonable rules for their functions.

Section 12.06 *Legal Holidays.*

If a payment date (including any redemption date selected by the Issuers) is not a Business Day at the place at which such payment is due to be paid, payment shall be made on the next succeeding day that is a Business Day at such place, and no interest shall accrue for the intervening period. If a regular record date is not a Business Day, the record date shall not be affected.

Section 12.07 *Governing Law and Waiver of Trial by Jury.*

This Indenture and the Notes shall be governed by, and construed in accordance with, the laws of the State of New York. Each of the Issuer, the Holders and the Trustee hereby irrevocably waives, to the fullest extent permitted by applicable law, any and all right to trial by jury in any legal proceeding arising out of or relating to this Indenture or the Notes.

Section 12.08 *Consent to Jurisdiction and Service.*

Section 12.09 *No Recourse Against Others.*

No director, officer, employee, incorporator or shareholder of the Issuers, or any of their respective Subsidiaries or Affiliates, as such, shall have any liability for any obligations of the Issuers under the Notes Documents or for any claim based on, in respect of, or by reason of, such obligations

or their creation. Each Holder by accepting a Note waives and releases all such liability. The waiver and release are part of the consideration for issuance of the Notes.

Section 12.10 *Successors.*

All agreements of the Issuers in this Indenture and the Notes shall bind their successors. All agreements of the Trustee in this Indenture shall bind its successors.

Section 12.11 *Multiple Originals.*

Interest shall be computed on the basis of a 360-day year of twelve months of 30 days each.

2. *Method of Payment*

Holders must surrender Notes to the Paying Agent to collect principal payments. The Issuers shall pay principal, premium, if any, and interest in dollars. Principal, interest and premium, if any, on the Global Notes will be payable at the specified office or agency of one or more Paying Agents; *provided* that payments on the Regulation S Global Notes and the Rule 144A Global Notes will be made to Cede & Co. as the registered holder of the Regulation S Global Notes and the Rule 144A Global Notes by wire transfer of immediately available funds to the account specified by the Holder or Holders thereof.

3. *Paying Agent, Transfer Agent and Registrar*

Initially, Deutsche Bank Trust Company Americas will act as Paying Agent, Transfer Agent and Registrar. The Issuers may appoint and change any Registrar, Transfer Agent and Paying Agent. The Issuers or any of their Subsidiaries may act as Registrar, Transfer Agent and Paying Agent.

4. *Indenture*

The Issuers issued the Notes under the Indenture dated as of October [], 2018 (the “*Indenture*”), among the Issuers and Deutsche Bank Trust Company Americas, as trustee (the “*Trustee*”), Paying Agent, Transfer Agent, and Registrar. The terms of the Notes include those stated in the Indenture. Terms defined in the Indenture and not defined herein have the meanings ascribed thereto in the Indenture. The Notes are subject to all terms and provisions of the Indenture, and Holders are referred

(1) For the first issuance, insert: October 1, 2018 or, if interest has already been paid on the Original 2028 Notes as of a later date, from the date it was most recently paid

to the Indenture for a statement of such terms and provisions. In the event of a conflict between the Indenture and the terms of the Notes, the terms of the Indenture control.

The Notes are general, senior obligations of the Issuers. This Note is one of the Notes referred to in the Indenture. The Notes and, if issued, any Additional Notes are treated as a single class for all purposes under the Indenture, including, without limitation, with respect to waivers, amendments, redemptions and offers to purchase, except as otherwise provided for therein.

5. *Optional Redemption*

(a) On and after April 1, 2023 the Issuers may redeem all or, from time to time, part of the Notes, upon not less than 10 nor more than 60 days' notice, at the following redemption prices (expressed as a percentage of the principal amount) plus accrued and unpaid interest to, but not including, the applicable redemption date (subject to the right of the Holders of record on the relevant record date to receive interest due on the relevant interest payment date), if redeemed during the twelve-month period beginning on April 1 of the years indicated below:

| Year | Redemption Price |
|---------------------|-------------------------|
| 2023 | 103.750% |
| 2024 | 101.875% |
| 2025 | 101.250% |
| 2026 and thereafter | 100.000% |

Unless the Issuers default in the payment of the redemption price, interest will cease to accrue on the Notes or the portion thereof called for redemption on the applicable redemption date. Any such redemption and notice may, in the Issuers' discretion, be subject to the satisfaction of one or more conditions precedent.

In connection with any tender offer or other offer to purchase for all of the Notes, if Holders of not less than 90% of the aggregate principal amount of the then outstanding Notes validly tender and do not validly withdraw such Notes in such tender offer and the Issuers, or any third party making such tender offer in lieu of the Issuers, purchase all of the Notes validly tendered and not validly withdrawn by such Holders, the Issuers or such third party will have the right upon not less than 10 nor more than 60 days' notice following such purchase date, to redeem all Notes that remain outstanding following such purchase at a price equal to the price paid to each other Holder in such tender offer (other than any incentive payment for early tenders), plus, to the extent not included in the tender offer payment, accrued and unpaid interest, if any, thereon, to, but not including, the repurchase date (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date). In determining whether the Holders of at least 90% of the aggregate principal amount of the then outstanding Notes have validly tendered and not validly withdrawn Notes in a tender offer or other offer to purchase for all of the Notes, as applicable, Notes owned by an Affiliate of the Issuers or by funds controlled or managed by any Affiliate of the Issuers, or any successor thereof, shall be deemed to be outstanding for the purposes of any such tender offer or other offer, as applicable. If a redemption date is not a Business Day, payment may be made on the next succeeding day that is a Business Day, and no interest shall accrue on any amount that would have been otherwise payable on such redemption date if it were a Business Day for the intervening period.

(b) Prior to April 1, 2021, the Issuers may on any one or more occasions redeem up to 40% of the original principal amount of the Notes (including the principal amount of any Additional Notes denominated in such currency), upon not less than 10 nor more than 60 days' notice, with funds in an aggregate amount not exceeding the Net Cash Proceeds of one or more Equity Offerings at a redemption price of 107.500% of the principal amount of the Notes, plus accrued and unpaid interest to, but not including, the applicable redemption date (subject to the

right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date);*provided that*:

- (i) at least 60% of the original principal amount of the Notes (including the principal amount of any Additional Notes) remains outstanding after each such redemption; and
- (ii) the redemption occurs within 180 days after the closing of such Equity Offering.

Any redemption notice given in respect of the redemption referred to in this paragraph 5(b) may be given prior to completion of the related Equity Offering, and any such redemption or notice may, at the Issuers' discretion, be subject to the satisfaction of one or more conditions precedent, including the completion of the related Equity Offering.

(c) Prior to April 1, 2023, the Issuers may redeem all or, from time to time, a part of the Notes upon not less than 10 nor more than 60 days' notice at a redemption price equal to 100% of the principal amount thereof plus the Applicable Premium and accrued and unpaid interest to, but not including, the applicable redemption date (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date). Any such redemption and notice may, at the Issuers' discretion, be subject to the satisfaction of one or more conditions precedent.

(d) If Holders of not less than 90% in aggregate principal amount of the outstanding Notes of a series validly tender and do not validly withdraw such Notes in a Change of Control Offer and the Issuers or any third party making a Change of Control Offer in lieu of the Issuers in accordance with Section 4.03 of the Indenture, purchase all of the Notes of a series validly tendered and not validly withdrawn by such Holders, the Issuers or such third party will have the right, upon not less than 10 nor more than 60 days' prior notice, given not more than 30 days following such purchase pursuant to the Change of Control Offer described above, to redeem all Notes of a series that remain outstanding following such purchase at a price in cash equal to 101% of the principal amount thereof plus accrued and unpaid interest to but excluding the date of the delivery of the notice for such redemption. In determining whether the Holders of at least 90% of the aggregate principal amount of the then outstanding Notes have validly tendered and not validly withdrawn Notes in a Change of Control Offer, Notes owned by any Affiliate of the Issuers or funds controlled or managed by any Affiliate of the Issuers, or any successor thereof, shall be deemed to be outstanding for the purposes of such Change of Control Offer. Any redemption pursuant to Section 3.11 of the Indenture shall be made in accordance with Section 3.03 of the Indenture (other than the time periods specified therein, which shall be in accordance with Section 3.11 of the Indenture).

6. *[Reserved]*.

7. *Mandatory Redemption*

The Issuers shall not be required to make mandatory redemption payments or sinking fund payments with respect to the Notes.

8. [Reserved].

9. *Notice of Redemption*

Not less than 10 days but not more than 60 days before a date for redemption of Notes, the Issuers shall transmit a notice of redemption in accordance with Section 3.03 of the Indenture.

If less than all of the Notes are to be redeemed at any time, the Notes for redemption will be selected in accordance with the procedures of DTC, or if DTC prescribes no method of selection, then the Issuers will instruct the Trustee or the Registrar to select the Notes for redemption in compliance with the requirements of the principal securities exchange, if any, on which the Notes are listed, as certified to the Trustee or the Registrar or if the Notes are not so listed or such exchange prescribes no method of selection, then based on a method that most nearly approximates a *pro rata* selection or by lot; *provided, however*, that no Note of \$200,000 in aggregate principal amount or less shall be redeemed in part and only Notes in integral multiples of \$1,000 will be redeemed. Provisions of the Indenture that apply to Notes called for redemption also apply to portions of Notes called for redemption. The Trustee shall notify the Issuers promptly of the Notes or portions of Notes to be redeemed. Neither the Trustee nor the Registrar will be liable for any selections made in accordance with this paragraph.

If the Notes are listed on an exchange, not less than 10 nor more than 60 days prior to the redemption date, the Issuers will (if such Notes are in certificated form) mail notice of redemption to Holders by first-class mail, postage prepaid, at their respective addresses as they appear on the registration books of the Registrar. If such Notes are in global form, notice of redemption will be delivered to DTC for communication to the entitled account holders. Such notice of redemption may also be posted on the official website of such exchange, to the extent and in the manner permitted by the rules and regulations of such exchange.

If any Note is to be redeemed in part only, the notice of redemption that relates to that Note shall state the portion of the principal amount thereof to be redeemed. Subject to the terms hereof, upon surrender of a Note that is redeemed in part, (i) in the case of a Definitive Registered Note, a new Definitive Registered Note in principal amount equal to the unredeemed portion of any Definitive Registered Note redeemed in part will be issued in the name of the Holder thereof upon cancellation of the original Definitive Registered Note and (ii) in the case of a Global Note, an appropriate notation will be made on such Note to decrease the principal amount thereof to an amount equal to the unredeemed portion thereof. Subject to the terms of the applicable redemption notice, Notes called for redemption become due on the date fixed for redemption. On and after the redemption date, interest ceases to accrue on Notes or portions of Notes called for redemption.

10. [Reserved]

11. *Repurchase of Notes at the Option of Holders*

If a Change of Control occurs, each Holder will have the right, subject to certain conditions specified in the Indenture, to require the Issuers to repurchase all or any part of such Holder's Notes at a purchase price in cash equal to 101% of the principal amount of the Notes, plus accrued and unpaid interest to the date of purchase (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date) as provided in, and subject to the terms of, the Indenture.

In accordance with Section 4.08 of the Indenture, the Issuers will be required to, or may be permitted to, offer to purchase Notes upon the occurrence of certain events, including certain Asset Dispositions.

12. *Denominations; Transfer; Exchange*

The Notes are in registered form without interest coupons in minimum denominations of \$200,000 and multiples of \$1,000 in excess thereof. A Holder may transfer or exchange Notes in accordance with the Indenture.

13. *Persons Deemed Owners*

The registered Holder of this Note will be treated as the owner of it for all purposes.

14. *Prescription*

Claims against the Issuers for the payment of principal, or premium, if any, on the Notes will be prescribed ten years after the applicable due date for payment thereof. Claims against the Issuers for the payment of interest on the Notes will be prescribed five years after the applicable due date for payment of interest.

15. *Discharge and Defeasance*

Subject to certain conditions described in Article 8 of the Indenture, the Issuers at any time may terminate all of its obligations if the Issuers among other things, deposits or causes to be deposited with the Trustee cash in dollars or dollar-denominated U.S. Government Obligations or a combination thereof in an amount sufficient to pay and discharge the entire indebtedness on the Notes not previously delivered to the Trustee for cancellation, for principal, premium, if any, and interest to the date of deposit (in the case of Notes that have become due and payable), or to the Stated Maturity or redemption date, as the case may be.

16. *Amendment, Waiver*

The Indenture and the Notes may be amended as set forth in the Indenture.

17. *Defaults and Remedies*

- (3) failure by the Company or any Restricted Subsidiary to comply for 60 days after notice by the Trustee or the Holders of at least 25% in principal amount of the outstanding Notes with its other agreements under the Indenture; *provided* that in the case of failure to comply with Section 4.10 of the Indenture, such period of continuance of such default or breach shall be 90 days after notice described in this clause (3) is given;
- (4) [Reserved];
- (5) default under any mortgage, indenture or instrument under which there may be issued or by which there may be secured or evidenced any Indebtedness for money borrowed by the Company or any Restricted Subsidiary (or the payment of

which is Guaranteed by the Company or any Restricted Subsidiary) other than Indebtedness owed to the Company or a Restricted Subsidiary whether such Indebtedness or Guarantee now exists, or is created after the Issue Date, which default:

(A) is caused by the failure to pay principal of such Indebtedness at the Stated Maturity thereof (after giving effect to any applicable grace periods provided in such Indebtedness) (“*payment default*”); or

(B) results in the acceleration of such Indebtedness prior to its maturity,

and, in each case, the principal amount of any such Indebtedness, together with the principal amount of any other such Indebtedness under which there has been a payment default or the maturity of which has been so accelerated, aggregates \$25 million or more;

(8) *[Reserved]*; and

(9) *[Reserved]*.

The foregoing shall constitute Events of Default whatever the reason for any such Event of Default and whether it is voluntary or involuntary or is effected by operation of law or pursuant to any judgment, decree or order of any court of any order, rule or regulation of any administrative or governmental body.

(b) A default under clauses (3), (5) or (7) of this first paragraph of this section will not constitute an Event of Default until the Trustee or the Holders of 25% in principal amount of the outstanding Notes under the Indenture notify the Issuer of the default and, with respect to clauses (3), (5) and (7) of this first paragraph of this section the Issuer does not cure such

A-9

default within the time specified in clauses (3), (5) or (7) of this first paragraph of this section, as applicable, after receipt of such notice.

If an Event of Default described in Section 6.01(a)(6) of the Indenture occurs and is continuing, the principal of, premium, if any, and accrued and unpaid interest on all the Notes will become and be immediately due and payable without any declaration or other act on the part of the Trustee or any Holders. The Trustee shall not be deemed to have notice of any Default or Event of Default (other than a payment default) unless a written notice of any event which is in fact such a default is received by a Responsible Officer of the Trustee at the Corporate Trust Office of the Trustee, and such notice references the Notes and the Indenture. In the event of a declaration of acceleration of the Notes because an Event of Default under Section 6.01(a)(5) of the Indenture has occurred and is continuing, the declaration of acceleration of the Notes shall be automatically annulled if the event of default or payment default triggering such Event of Default pursuant to Section 6.01(a)(5) of the Indenture shall be remedied or cured, or waived by the holders of the relevant Indebtedness, or the relevant Indebtedness that gave rise to such Event of Default shall have been discharged in full, within 30 days after the declaration of acceleration with respect thereto and if (i) the annulment of the acceleration of the Notes would not conflict with any judgment or decree of a court of competent jurisdiction and (ii) all existing Events of Default, except nonpayment of principal, premium or interest on the Notes that became due solely because of the acceleration of the Notes, have been cured or waived.

18. *Trustee Dealings with the Issuers*

The Trustee under the Indenture, in its individual or any other capacity, may become the owner or pledgee of Notes and may otherwise deal with and collect obligations owed to it by the Issuers or their Affiliates and may otherwise deal with the Issuers or their Affiliates with the same rights it would have if it were not Trustee.

19. *No Recourse Against Others*

No director, officer, employee, incorporator or shareholder of the Issuers or any of their respective Subsidiaries or Affiliates, as such, shall have any liability for any obligations of the Issuers under the Notes Documents or for any claim based on, in respect of, or by reason of, such obligations or their creation. ARTICLE 2
THE NOTES

Section 2.01 *Form and Dating.*

Each series of the Notes and the Trustee’s certificate of authentication with respect thereto will be substantially in the form of Exhibit A-1 (with respect to 2021 May Notes), Exhibit A-2 (with respect to 2021 September Notes), Exhibit A-3 (with respect to 2025 Notes) or Exhibit A-4 (with respect to 2028 Notes) hereto. The Notes may have notations, legends or endorsements required by law, stock exchange rule or usage and as provided herein. The Issuer shall approve the form of the Notes and any notation, legend or endorsement thereon. Each Note will be dated the date of its authentication. The terms and provisions contained in the Notes will constitute, and are hereby expressly made, a part of this Indenture, and the Issuer and the Trustee, by their execution and delivery of this Indenture, expressly agree to such terms and provisions and to be bound thereby. However, to the extent any provision of any Note conflicts

with the express provisions of this Indenture, the provisions of this Indenture shall govern and be controlling.

(a) *Global Notes.*

Global Notes issued in global form will be substantially in the form of Exhibit A-1 (with respect to 2021 May Notes), Exhibit A-2 (with respect to 2021 September Notes), Exhibit A-3 (with respect to 2025 Notes) or Exhibit A-4 (with respect to 2028 Notes) hereto (including the Global Note Legend thereon and the “Schedule of Increases or Decreases in the Global Note” attached thereto). Each Global Note will represent such of the outstanding Notes as will be specified therein and each shall provide that it represents the aggregate principal amount of outstanding Notes from time to time endorsed thereon and that the aggregate principal amount of outstanding Notes represented thereby may from time to time be reduced or increased, as appropriate, to reflect exchanges and redemptions and purchases and cancellations. Any endorsement of a Global Note to reflect the amount of any increase or decrease in the aggregate principal amount of outstanding Notes represented thereby will be made by the Registrar, the Notes Custodian or DTC, at the direction of the Registrar, in accordance with instructions given by the Holder thereof as required by Section 2.06.

(b) *Rule 144A Global Notes and Regulation S Global Notes.*

Notes offered and sold in reliance on Regulation S will be issued initially in the form of the Regulation S Temporary Global Note, each substantially in the form of Exhibit A-1 (with respect to 2021 May Notes), Exhibit A-2 (with respect to 2021 September Notes), Exhibit A-3 (with respect to 2025 Notes) or Exhibit A-4 (with respect to 2028 Notes) hereto, with such applicable legends as are provided in Exhibit A-1 (with respect to 2021 May Notes), Exhibit A-2 (with respect to 2021 September Notes), Exhibit A-3 (with respect to 2025 Notes) or Exhibit A-4 (with respect to 2028 Notes) except as otherwise permitted herein. Such Regulation S Temporary Global Note shall be deposited on behalf of the purchasers of the Notes represented thereby with the Registrar (or Notes Custodian), as custodian for the Depositary, and registered in the name of the Depositary or the nominee of the Depositary for the accounts of designated agents holding on behalf of Euroclear or Clearstream, duly executed by the Issuer and authenticated by the Trustee as hereinafter provided. Following the termination of the Restricted Period, beneficial interests in the Regulation S Temporary Global Note will be automatically exchanged for beneficial interests in the Regulation S Permanent Global Note, with no further action by the Issuer, pursuant to the Applicable Procedures, on the first day following the expiry of the Restricted Period. Simultaneously with the authentication of the Regulation S Permanent Global Note, the Trustee will cancel the Regulation S Temporary Global Note. The aggregate principal amount of the Regulation S Temporary Global Note and the Regulation S Permanent Global Note may from time to time be increased or decreased by adjustments made by the Trustee to the schedule of increases or decreases in the Global Note, in connection with transfers of interest as hereinafter provided.

Notes offered and sold to QIBs in reliance on Rule 144A shall be issued initially in the form of one or more Definitive Registered Notes or one or more Global Notes, each substantially in the form of Exhibit A-1 (with respect to 2021 May Notes), Exhibit A-2 (with respect to 2021 September Notes), Exhibit A-3 (with respect to 2025 Notes) or Exhibit A-4 (with respect to 2028 Notes) hereto, with such applicable legends as are provided in Exhibit A-1 (with respect to 2021 May Notes), Exhibit A-2 (with respect to 2021 September Notes), Exhibit A-3 (with respect to 2025 Notes) or Exhibit A-4 (with respect to 2028 Notes) except as otherwise permitted herein. Such Notes in the form of Global Notes (the “*Rule 144A Global Notes*”) shall be deposited on behalf of the purchasers of the Notes represented thereby with the Registrar (or Notes Custodian) as custodian for DTC, and registered in the name of Cede & Co., as nominee of DTC, for the accounts of DTC, duly executed by the Issuer and authenticated by the Trustee or the Authenticating Agent as hereinafter provided. The aggregate principal amount of the Rule 144A Global Notes may from

time to time be increased or decreased by adjustments made by the Registrar on Schedule A to the Rule 144A Global Notes and recorded in the register maintained by the Registrar, as hereinafter provided.

(c) *Definitive Registered Notes.*

Definitive Registered Notes shall be issued in accordance with this Indenture. Notes issued in definitive registered form will be substantially in the forms of Exhibit A-1 (with respect to 2021 May Notes), Exhibit A-2 (with respect to 2021 September Notes), Exhibit A-3 (with respect to 2025 Notes) or Exhibit A-4 (with respect to 2028 Notes) hereto (excluding the Global Note Legend thereon and without the "Schedule of Increases or Decreases in the Global Note" in the forms of Exhibits A-1, Exhibit A-2, Exhibit A-3, Exhibit A-4, attached thereto).

(d) *Book-Entry Provisions.*

The Applicable Procedures shall be applicable to Book-Entry Interests in the Global Notes that are held by Participants through DTC.

(e) *Denomination.*

The Notes shall be in minimum denominations of \$200,000 and in integral multiples of \$1,000 in excess thereof.

Section 2.02 *Execution and Authentication.*

At least one Officer must execute the Notes on behalf of the Issuer by manual, facsimile, or electronic (in ".pdf" format) signature. If an Officer whose signature is on a Note no longer holds that office at the time a Note is authenticated, the Note will nevertheless be valid.

A Note will not be valid until authenticated by the manual signature of the authorized signatory of the Trustee or its Authenticating Agent. The signature will be conclusive evidence that the Note has been authenticated under this Indenture. Notwithstanding the foregoing, if any Note shall have been authenticated and delivered hereunder but never issued and sold by the Issuer, the Issuer shall deliver such Note to the Trustee for cancellation pursuant to Section 2.11.

The Trustee or the Authenticating Agent will, upon receipt of a written order of the Issuer signed by an authorized representative (an "*Authentication Order*"), authenticate the Notes for original issue that may be validly issued under this Indenture, including any Additional Notes. The aggregate principal amount of Notes outstanding at any time may not exceed the aggregate principal amount of Notes authorized for issuance by the Issuer pursuant to one or more Authentication Orders, except as provided in Section 2.07.

The Trustee may appoint one or more authentication agents (each, an "*Authenticating Agent*") to authenticate Notes. Such an agent may authenticate Notes whenever the Trustee may do so. Each reference in this Indenture to authentication by the Trustee includes authentication by such agent. An Authenticating Agent has the same rights as an Agent to deal with Holders or an Affiliate of the Issuer. The Trustee hereby appoints Deutsche Bank Trust Company Americas as its Authenticating Agent in respect of the Notes. Deutsche Bank Trust Company Americas accepts such appointment, and the Issuer hereby confirms these appointments.

Section 2.03 *Transfer Agent, Registrar and Paying Agent.*

(a) The Issuer shall maintain an office or agency where Notes may be presented for registration (the “*Registrar*”) in New York, New York and where Notes may be presented for payment (the “*Paying Agent*”); provided that payments on Global Notes will be made to Cede & Co. as the registered holder of the Global Notes, which will in turn make such payments to DTC or its nominee. The Registrar shall keep a register reflecting ownership of the Notes outstanding from time to time and of their transfer and exchange. In addition, the Issuer shall maintain an office or agency in New York, New York where Notes may be presented for transfer or exchange (the “*Transfer Agent*”). The Issuer may have one or more co-registrars and one or more additional transfer and paying agents. The terms “*Paying Agent*” and “*Transfer Agent*” include the Paying Agent, the Transfer Agent and any additional paying agent or transfer agent, as applicable, and the term “*Registrar*” includes any co-registrars. The Issuer initially appoints Deutsche Bank Trust Company Americas, in New York, who accepts such appointment, as Paying Agent. The Issuer initially appoints Deutsche Bank Trust Company Americas, in respect of the Notes, who accepts such appointment, as Transfer Agent. The Issuer initially appoints Deutsche Bank Trust Company Americas, in respect of the Notes, who accepts such appointment, as Registrar. The Registrar shall provide a copy of the register and any update thereof to the Issuer upon request. The Company initially appoints The Depository Trust Company to act as Depository with respect to the Global Notes. The Company initially appoints the Trustee to act as Paying Agent and Registrar for the Notes and to act as Custodian with respect to the Global Notes.

(b) The Issuer shall enter into an appropriate agency agreement with any Registrar or Paying Agent not a party to this Indenture. Such agreement shall implement the provisions of this Indenture that relate to such agent. The Issuer shall notify the Trustee of the name and address of any such agent. If the Issuer fails to maintain a Transfer Agent, Registrar or Paying Agent, the Trustee may act, or may arrange for appropriate parties to act, as such and shall be entitled to appropriate compensation therefor pursuant to Section 7.07. The Issuer or any Restricted Subsidiary may act as Paying Agent or Registrar in respect of the Notes.

(c) The Issuer may change any Registrar, Paying Agent or Transfer Agent upon written notice to such Registrar, Paying Agent or Transfer Agent and to the Trustee, without prior notice to the Holders; *provided, however*, that no such removal shall become effective until (i) acceptance of an appointment by a successor as evidenced by an appropriate agreement entered into by the Issuer and such successor Registrar, Paying Agent, or Transfer Agent, as the case may be, and delivered to the Trustee or (ii) notification to the Trustee that the Trustee shall, to the extent that it determines that it is able, serve as Registrar or Paying Agent or Transfer Agent until the appointment of a successor in accordance with clause (i) above. The Registrar, Paying Agent or the Transfer Agent may resign by providing 30 days’ written notice to the Issuer and the Trustee.

If any Notes are listed on an exchange and the rules of such exchange so require, the Issuer will satisfy any requirement of such exchange as to Paying Agents, Registrars and Transfer Agents and will comply with any notice requirements required under such exchange in connection with any change of Paying Agent, Registrar or Transfer Agent.

Section 2.04 *Paying Agent not a party to this Indenture to Hold Money.*

No later than 10:00 a.m. (New York time) on the Business Day that is the due date of the principal of, interest and premium (if any) on any Note, the Issuer shall deposit with the Paying Agent (or if the Issuer or a Restricted Subsidiary of the Issuer is acting as Paying Agent, segregate and hold in trust for the benefit of, or to the extent the concept of trust is not recognized in the relevant jurisdiction, hold on behalf of and for the benefit of, the Persons entitled thereto) a sum sufficient to pay such principal, interest and premium (if any) when so becoming due and, subject to receipt of such moneys, the Paying Agent shall make payment on the Notes in accordance with this Indenture. The Issuer shall require each Paying Agent that is not a

party to this Indenture to agree in writing (and any Paying Agent party to this Indenture agrees) that such Paying Agent shall hold for the benefit of the Trustee all money held by the Paying Agent for the payment of principal of, interest and premium (if any) on the Notes and shall notify the Trustee of any default by the Issuer (or any other obligor on the Notes) in making such payment. The Issuer shall, no later than 10:00 a.m. (New York time) the Business Day prior to the date on which such payment is due, send to the Paying Agent an irrevocable payment instruction. If the Issuer or a Restricted Subsidiary acts as Paying Agent, it shall segregate the money held by it as Paying Agent and hold it as a separate trust fund. The Issuer at any time may require a Paying Agent to pay all money held by it to the Trustee and to account for any funds disbursed by the Paying Agent. Upon complying with this Section 2.04, the Paying Agent shall have no further liability for the money delivered to the Trustee. For the avoidance of doubt, the Paying Agent and the Trustee shall be held harmless and have no liability or obligation with respect to payments or disbursements to be made by the Paying Agent and Trustee (i) for which payment instructions are not made or that are not otherwise deposited by the respective times set forth in this Section 2.04, and (ii) until they have confirmed receipt of funds sufficient to make the relevant payment.

In the event that the funds received by the Paying Agent to be applied in accordance with this Section 2.04 exceeds the amount necessary to satisfy all of the Issuer's obligations pursuant to the Notes and this Indenture, upon request by the Issuer, the Paying Agent shall promptly furnish the Issuer with such excess amount.

Section 2.05 *Holder Lists.*

The Registrar shall preserve in as current a form as is reasonably practicable the most recent list available to it of the names and addresses of Holders. Following the exchange of beneficial interests in Global Notes for Definitive Registered Notes, the Issuer shall furnish, or cause the Registrar to furnish, to the Trustee, in writing at least five Business Days before each interest payment date, and at such other times as the Trustee may reasonably require, the names and addresses of Holders of such Definitive Registered Notes.

Section 2.06 *Transfer and Exchange.*

(a) *Transfer and Exchange of Global Notes.*

A Regulation S Global Note or Rule 144A Global Note may not be transferred except as a whole by DTC to a Notes Custodian or a nominee of such Notes Custodian, by a Notes Custodian or a nominee of such Notes Custodian to DTC or to another nominee or Notes Custodian of DTC, or by such Notes Custodian or DTC or any such nominee to a successor of DTC or a Notes Custodian or a nominee thereof.

All Global Notes will be exchanged by the Issuer for Definitive Registered Notes:

- (1) if DTC notifies the Issuer that it is unwilling or unable to continue to act as depositary and a successor depositary is not appointed by the Issuer within 120 days;
- (2) if DTC so requests following an Event of Default under this Indenture; or
- (3) if the owner of a Book-Entry Interest requests such exchange in writing delivered through DTC, following an Event of Default under this Indenture; *provided* that in no event shall the Regulation S Temporary Global Note be exchanged by the Issuer for Definitive Notes prior to (A) the expiration of the Restricted Period and (B) the receipt by the Registrar of any certificates required pursuant to Rule 903(b)(3)(ii)(B) under the Securities Act.

Upon the occurrence of any of the preceding events in clauses (1) through (3) above, the Issuer shall issue Definitive Registered Notes registered in the name or names and issued in any approved denominations, as requested by or on behalf of DTC (in accordance with their respective customary procedures and based upon directions received from participants reflecting the beneficial ownership of Book-Entry Interests), to the Trustee and the Registrar, and such transfer or exchange shall be recorded in the Register.

Global Notes also may be exchanged or replaced, in whole or in part, as provided in Sections 2.07 and 2.10. A Global Note may not be exchanged for another Note other than as provided in this Section 2.06(a). Book-Entry Interests in a Global Note may be transferred and exchanged as provided in Section 2.06(b) or (c).

(b) *General Provisions Applicable to Transfer and Exchange of Book-Entry Interests in the Global Notes.*

The transfer and exchange of Book-Entry Interests shall be effected through DTC in accordance with the provisions of this Indenture and the Applicable Procedures. In connection with all transfers and exchanges of Book-Entry Interests (other than transfers of Book-Entry Interests in connection with which the transferee takes delivery thereof in the form of a Book-Entry Interest in the same Global Note), the Transfer Agent (copied to the Trustee) must receive: (i) a written order from a Participant or an Indirect Participant given to DTC in accordance with the Applicable Procedures directing DTC to debit from the transferor a Book-Entry Interest in an amount equal to the Book-Entry Interest to be transferred or exchanged; (ii) a written order from a Participant or an Indirect Participant given to DTC in accordance with the Applicable Procedures directing DTC to credit or cause to be credited a Book-Entry Interest in another Global Note in an amount equal to the Book-Entry Interest to be transferred or exchanged; and (iii) instructions given in accordance with the Applicable Procedures containing information regarding the Participant account to be credited or debited with such increase or decrease, if applicable.

In connection with a transfer or exchange of a Book-Entry Interest for a Definitive Registered Note, the Transfer Agent (copied to the Trustee and the Registrar) must receive: (i) a written order from a Participant or an Indirect Participant given to DTC in accordance with the Applicable Procedures directing DTC to debit from the transferor a Book-Entry Interest in an amount equal to the Book-Entry Interest to be transferred or exchanged; (ii) a written order from a Participant directing the Registrar to cause to be issued a Definitive Registered Note in an amount equal to the Book-Entry Interest to be transferred or exchanged; and (iii) instructions containing information regarding the Person in whose name such Definitive Registered Note shall be registered to effect the transfer or exchange referred to above.

In connection with any transfer or exchange of Definitive Registered Notes, the Holder of such Notes shall present or surrender to the Registrar the Definitive Registered Notes duly endorsed or accompanied by a written instruction of transfer in a form satisfactory to the Registrar duly executed by such Holder or by its attorney, duly authorized in writing. In addition, in connection with a transfer or exchange of a Definitive Registered Note for a Book-Entry Interest, the Transfer Agent (copied to the Trustee) must receive a written order directing DTC to credit the account of the transferee in an amount equal to the Book-Entry Interest to be transferred or exchanged.

Upon satisfaction of all of the requirements for transfer or exchange of Book-Entry Interests in Global Notes (other than transfers of Book-Entry Interests in connection with which the transferee takes delivery thereof in the form of a Book-Entry Interest in the same Global Note) contained in this Indenture, the Transfer Agent (copied to the Trustee or the Registrar), as specified in this Section 2.06, shall endorse the Global Note(s) with any increase or decrease and instruct DTC to reflect such increase or decrease in its systems.

53

Transfers of Book-Entry Interests shall be subject to restrictions on transfer comparable to those set forth herein to the extent required by the Securities Act. Transfers and exchanges of Book-Entry Interests for Book-Entry Interests also shall require compliance with either subparagraph (b)(1) or (b)(2) below, as applicable, as well as subparagraph (b)(3) below, if applicable:

(1) *Transfer of Book-Entry Interests in the Same Global Note.* Book-Entry Interests will be limited to persons that have accounts with DTC or persons that may hold interests through such participants. Book-Entry Interests in a Global Note may be transferred to Persons who take delivery thereof in the form of a Book-Entry Interest in a Global Note in accordance with the transfer restrictions set forth in the Private Placement Legend; *provided, however*, that prior to the expiration of the Restricted Period, Book-Entry Interests in the Regulation S Temporary Global Note will be limited to persons who hold interests in an Euroclear or Clearstream account, and any sale or transfer of such interest to U.S. persons shall not be permitted during the Restricted Period unless such resale or transfer is made pursuant to Rule 144A. No written orders or instructions shall be required to be delivered to the Trustee to effect the transfers described in this Section 2.06(b)(1).

(2) *All Other Transfers and Exchanges of Book-Entry Interests in Global Notes.* A Holder may transfer or exchange a Book-Entry Interest in Global Notes in a transaction not subject to Section 2.06(b)(1) above only if the Trustee and the Registrar or the Transfer Agent (copied to the Trustee) receives either:

(A) both:

(ii) instructions given by DTC in accordance with the Applicable Procedures containing information regarding the Participant's account to be credited with such increase; or

(B) both:

(i) a written order from a Participant or an Indirect Participant given to DTC in accordance with the Applicable Procedures directing DTC to cause to be issued a Definitive Registered Note in an amount equal to the Book-Entry Interest to be transferred or exchanged; and

54

(3) *Transfer of Book-Entry Interests to Another Global Note.* A Book-Entry Interest in any Global Note may be transferred to a Person who takes delivery thereof in the form of a Book-Entry Interest in another Global Note if the transfer complies with the requirements of Section 2.06(b)(2) above and the Registrar receives the following:

(A) if the transferee will take delivery in the form of a Book-Entry Interest in a Rule 144A Global Note, then the transferor must deliver a certificate in the form of Exhibit B hereto, including the certifications in item (1) thereof; and

(B) if the transferee will take delivery in the form of a Book-Entry Interest in a Regulation S Temporary Global Note or the Regulation S Permanent Global Note, then the transferor must deliver a certificate in the form of Exhibit B hereto, including the certifications in item (2) thereof.

(c) *Transfer or Exchange of Book-Entry Interests in Global Notes for Definitive Registered Notes.*

If any holder of a Book-Entry Interest in a Global Note proposes to exchange such Book-Entry Interest for a Definitive Registered Note or to transfer such Book-Entry Interest to a Person who takes delivery thereof in the form of a Definitive Registered Note, then, upon receipt by the Trustee and the Registrar of the following documentation:

the Paying Agent or Registrar shall cause the aggregate principal amount of the applicable Global Note to be reduced accordingly pursuant to Section 2.06(h), and the Issuer shall execute and the Trustee or its

Authenticating Agent shall authenticate and deliver to the Person designated in the instructions a Definitive Registered Note in the appropriate principal amount. Any Definitive Registered Note issued in exchange for, or upon transfer of, a Book-Entry Interest in a Global Note pursuant to this clause (c) shall be registered in such name or names and in such authorized denomination or denominations as the holder of such Book-Entry Interest shall instruct the Registrar through instructions from DTC and the Participant or Indirect Participant. The Registrar shall deliver (or cause to be delivered) such Definitive Registered Notes to the Persons in whose names such Notes are so registered. Any Definitive Registered Note issued in exchange for a Book-Entry Interest in a Global Note pursuant to this clause (c) shall bear the Private Placement Legend and shall be subject to all restrictions on transfer contained therein.

(d) *Transfer and Exchange of Definitive Registered Notes for Book-Entry Interests in the Global Notes.* If any Holder of a Definitive Registered Note proposes to exchange such Note for a Book-Entry Interest in a Global Note or to transfer such Definitive Registered Notes to a Person who takes delivery thereof in the form of a Book-Entry Interest in a Global Note, then, upon receipt by the Trustee, the Transfer Agent and the Registrar of the following documentation:

the Registrar will cancel the Definitive Registered Note and record such exchange or transfer in the Register, and the Registrar will increase or cause to be increased the aggregate principal amount of, in the case of clause (1) above, the appropriate Global Note, in the case of clause (2) above, the appropriate Rule 144A Global Note, in the case of clause (3) above, the appropriate Global Note, and in the case of clause (4) above, the appropriate Global Note.

(e) *Transfer and Exchange of Definitive Registered Notes for Definitive Registered Notes.*

Definitive Registered Notes may be transferred or exchanged in whole or in part, in minimum denominations of \$200,000 in principal amount and integral multiples of \$1,000 in excess thereof to persons who take delivery thereof in the form of Definitive Registered Notes in accordance with this clause (e). Upon request by a Holder of Definitive Registered Notes and such Holder's compliance with the provisions of this clause (e), the Transfer Agent or the Registrar will register the transfer or exchange of Definitive Registered Notes of which registration the Issuer will be informed of by the Transfer Agent or the Registrar (as the case may be) upon request. Prior to such registration of transfer or exchange, the requesting Holder must present or surrender to the Transfer Agent or the Registrar the Definitive Registered Notes duly endorsed and accompanied by a written instruction of transfer in a form satisfactory to the Transfer Agent or the Registrar duly executed by such Holder or its attorney, duly authorized to execute the same in writing. In the event that the Holder of such Definitive Registered Notes does not transfer the entire principal amount

(4) All Global Notes and Definitive Registered Notes issued upon any registration of transfer or exchange of Global Notes or Definitive Registered Notes will be the valid obligations of the Issuer, evidencing the same debt, and entitled to the same benefits under this Indenture, as the Global Notes or Definitive Registered Notes surrendered upon such registration of transfer or exchange.

(5) Except as may be separately agreed by the Issuer, the Issuer shall not be required to register the transfer into its register kept at its registered office of any Definitive Registered Notes: (A) for a period of 15 calendar days prior to any date fixed for the redemption of the Notes under Section 3.03; (B) for a period of 15 calendar days immediately prior to the date fixed for selection of Notes to be redeemed in part; (C) for a period of 15 calendar days prior to the record date with respect to any interest payment date; or (D) which the Holder has tendered (and not withdrawn) for repurchase in connection with a Change of Control Offer or an Asset Disposition Offer. Any such transfer will be made without charge to the Holder, other than any taxes, duties and governmental charges payable in connection with such transfer.

(6) The Trustee, any Agent and the Issuer shall deem and treat the Person in whose name any Note is registered in the register maintained by the Registrar as the absolute owner of such Note for the purpose of receiving payment of principal of (and premium, if any) or interest on such Notes and for all other purposes, and none of the Trustee, any Agent or the Issuer shall be affected by notice to the contrary.

(7) All certifications, certificates and Opinions of Counsel required to be submitted to the Issuer, the Trustee or the Registrar pursuant to this Section 2.06 to effect a registration of transfer or exchange may be submitted initially by facsimile with originals to be delivered promptly thereafter to the Trustee.

None of the Trustee or any Agent shall have any responsibility or obligation to any beneficial owner in a Global Note, a Participant or other Person with respect to the accuracy of the records of the Depositary or its nominee or of any Participant, with respect to any ownership interest in a Global Note or with respect to the delivery to any Participant, beneficial owner or other Person (other than the Depositary or its nominee) of any notice (including any notice of redemption) or the payment of any amount (other than the Depositary or its nominee), under or with respect to such Global Notes. All notices and communications to be given to the Holders and all payments to be made to Holders under the Notes and this Indenture shall be given or made only to or upon the order of the registered holders (which shall be the Depositary or its nominee in the case of the Global Note). The rights of beneficial owners in the Global Note shall be exercised only through the Depositary subject to the applicable procedures. The Trustee and the Agents shall be entitled to rely and shall be fully protected in relying upon information furnished by the Depositary with respect to its members, Participants and any beneficial owners. The Trustee and the Agents shall be entitled to deal with the Depositary, and any nominee thereof, that is the registered holder of any Global Note for all purposes of this Indenture relating to such Global Note (including the payment of principal, premium, if any, and interest and additional amounts, if any, and the giving of instructions or directions by or to the owner or holder of a beneficial ownership interest in such Global Note) as the sole holder of such

Section 2.07 *Replacement Notes.*

If a mutilated Note is surrendered to the Registrar or if the Holder claims that the Note has been lost, destroyed or wrongfully taken, the Issuer shall issue and the Trustee or the Authenticating Agent, upon receipt of an Authentication Order, shall authenticate a replacement Note if the requirements of Section 8-405 of the Uniform Commercial Code are met, such that the Holder (a) notifies the Issuer or the Trustee within a reasonable time after such Holder has notice of such loss, destruction or wrongful taking and the Registrar does not register a transfer prior to receiving such notification, (b) makes such request to the Issuer or the Trustee prior to the Note being acquired by a protected purchaser as defined in Section 8-303 of the Uniform Commercial Code (a “*protected purchaser*”) and (c) satisfies any other reasonable requirements of the Trustee. If required by the Trustee or the Issuer, such Holder shall furnish an indemnity bond sufficient in the judgment of the Trustee and the Issuer to protect the Issuer, the Trustee, the Authenticating Agent, Paying Agent and the Registrar from any loss that any of them may suffer if a Note is replaced. The Issuer and the Trustee may charge the Holder for their expenses in replacing a Note including, but not limited to, reasonable fees and expenses of counsel and any tax that may be imposed with respect to the replacement of such Note. In the event any such mutilated, lost, destroyed or wrongfully taken Note has become or is about to become due and payable, the Issuer in its discretion may pay such Note instead of issuing a new Note in replacement thereof.

Every replacement Note is an additional obligation of the Issuer.

The provisions of this Section 2.07 are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, lost, destroyed or wrongfully taken Notes.

Section 2.08 *Outstanding Notes.*

Notes outstanding at any time are all Notes authenticated by the Trustee or the Authenticating Agent except for those canceled by it pursuant to Section 2.11, those delivered to it for cancellation and those described in this Section 2.08 as not outstanding. Subject to Section 12.04, a Note does not cease to be outstanding because the Issuer or an Affiliate of the Issuer holds the Note. If a Note is replaced pursuant to Section 2.07, it ceases to be outstanding unless the Trustee and the Issuer receive proof satisfactory to them that the replaced Note is held by a protected purchaser (as defined in Section 8-303 of the Uniform Commercial Code).

If the principal amount of any Note is considered paid under Section 4.01, it ceases to be outstanding and interest on it ceases to accrue.

If the Paying Agent receives (or if the Issuer or a Subsidiary of the Issuer is acting as Paying Agent and such Paying Agent segregates and holds in trust) in accordance with this Indenture, no later than 10:00 a.m. (New York time) on the Business Day that is a redemption date or maturity date, money sufficient to pay all principal and interest and premium, if any, payable on that date with respect to the Notes (or portions thereof) to be redeemed or maturing, as the case may be, and the Paying Agent is not prohibited from paying

such amount to the Holders on that date pursuant to the terms of this Indenture, then on and after that date such Notes (or portions thereof) cease to be outstanding and interest on them ceases to accrue.

Section 2.09 *Treasury Notes.*

- (a) The Issuer shall promptly notify the Trustee of any Notes owned by the Issuer or any Affiliate of the Issuer.

Section 2.10 *Temporary Notes.*

In the event that Definitive Registered Notes are to be issued under the terms of this Indenture, until such Definitive Registered Notes are ready for delivery, the Issuer, may prepare and the Trustee or the Authenticating Agent, upon receipt of an Authentication Order, shall authenticate temporary Notes. Temporary Notes shall be substantially in the form of Definitive Registered Notes but may have variations that the Issuer considers appropriate for temporary Notes. Without unreasonable delay, the Issuer shall prepare and the Trustee or the Authenticating Agent, upon receipt of an Authentication Order, shall authenticate Definitive Registered Notes and deliver them in exchange for temporary Notes upon surrender of such temporary Notes at the office or agency of the Issuer, without charge to the Holder.

Section 2.11 *Cancellation.*

The Issuer at any time may deliver Notes to the Registrar for cancellation. The Trustee and the Paying Agent shall forward to the Registrar any Notes surrendered to them for registration of transfer, exchange or payment. The Registrar (or an agent authorized by the Registrar) and no one else shall cancel all Notes surrendered for registration of transfer, exchange, payment or cancellation and shall dispose of canceled Notes in accordance with its customary procedures or deliver canceled Notes to the Issuer pursuant to written direction by an Officer of the Issuer. Upon the written request of the Issuer, certification of the destruction of all canceled Notes shall be delivered to the Issuer. The Issuer may not issue new Notes to replace Notes it has redeemed or delivered to the Registrar for cancellation. If the Issuer shall acquire any of the Notes, such acquisition shall not operate as a redemption or satisfaction of the Indebtedness represented by such Notes, unless and until the same are surrendered to the Registrar for cancellation pursuant to this Section 2.11. Neither the Trustee nor the Authenticating Agent shall authenticate Notes in place of canceled Notes other than pursuant to the terms of this Indenture.

Section 2.12 *Defaulted Interest.*

If the Issuer defaults in a payment of interest on the Notes, it will pay the defaulted interest in any lawful manner plus, to the extent lawful, interest payable on the defaulted interest, to the Persons who are Holders on a subsequent special record date, in each case at the rate provided in the Notes and in Section 4.01. The Issuer will notify the Trustee in writing of the amount of defaulted interest proposed to be paid on each series of Notes and the date of the proposed payment. The Issuer will fix or cause to be fixed each such special record date and payment date; *provided* that no such special record date may be less than 10 days prior to the related payment date for such defaulted interest. At least 15 days before the special record date, the Issuer (or, upon the written request of the Issuer, the Trustee in the name and at the expense of the Issuer) will mail or cause to be mailed to the Holders in accordance with Section 12.01 a notice that states the special record date, the related payment date and the amount of such interest to be paid.

Section 2.13 *Series of Notes; Further Issues*

- (a) Each of the 2021 May Notes, 2021 September Notes, 2025 Notes and 2028 Notes will constitute a separate series of Notes but will be treated as a single class of securities for all purposes of this

Indenture, including for purposes of voting and taking all other actions by Holders of the Notes, except as otherwise specified in this Indenture.

(b) Subject to compliance with Section 4.04, the Issuer may from time to time issue Additional Notes ranking *pari passu* with the Initial Notes and with the same terms as to status, redemption and otherwise as such Notes (save for payment of interest accruing prior to the issue date of such Additional Notes or for the first payment of interest following the issue date of such Additional Notes). Each series of Additional Notes, each series of Initial Notes and any previously issued Additional Notes of such series will be consolidated and treated as a single class for all purposes under this Indenture, including, without limitation, waivers, amendments, redemptions, and offers to purchase except as otherwise specified with respect to each series of Notes. Unless the context otherwise requires, for all purposes of this Indenture, references to the Notes include any Additional Notes actually issued. Additional Notes may also be designated as 2021 May Additional Notes, 2021 September Additional Notes, 2025 Additional Notes or 2028 Additional Notes, but only if having terms substantially identical in all material respects to the 2021 May Original Notes, the 2021 September Original Notes, the 2025 Original Notes or the 2028 Original Notes, respectively. The 2021 May Original Notes and any 2021 May Additional Notes shall be deemed to form one series, and references to the 2021 May Notes shall be deemed to refer to the 2021 May Notes originally issued on the Combination Date as well as any 2021 May Additional Notes. The 2021 September Original Notes and any 2021 September Additional Notes shall be deemed to form one series, and references to the 2021 September Notes shall be deemed to include the 2021 September Notes originally issued on the Combination Date as well as any 2021 September Additional Notes. The 2025 Original Notes and any 2025 Additional Notes shall be deemed to form one series, and references to the 2025 Notes shall be deemed to refer to the 2025 Notes originally issued on the Combination Date as well as any 2025 Additional Notes. The 2028 Original Notes and any 2028 Additional Notes shall be deemed to form one series, and references to the 2028 Notes shall be deemed to refer to the 2028 Notes originally issued on the Combination Date as well as any 2028 Additional Notes.

(c) Whenever it is proposed to create and issue any Additional Notes, the Issuer shall give to the Trustee not less than three Business Days' notice in writing of its intention to do so, stating the amount of Additional Notes proposed to be created and issued.

Section 2.14 *Common Codes, ISIN and CUSIP Numbers.*

The Issuer in issuing the Notes may use Common Codes, ISIN and CUSIP numbers (if then generally in use) and, if so, the Issuer shall use Common Codes, ISIN and CUSIP numbers in notices of redemption as a convenience to Holders; *provided, however*, that any such notice may state that no representation is made as to the correctness of such numbers either as printed on the Notes or as contained in any notice of a redemption and that reliance may be placed only on the other identification numbers printed on the Notes, and any such redemption shall not be affected by any defect in or omission of such numbers. In order for any Initial Notes and/or Additional Notes to have the same CUSIP number and ISIN as another applicable series of Notes, such Initial Notes and/or Additional Notes must be fungible with the applicable Notes for U.S. federal income tax purposes. If any Initial Notes and/or Additional Notes are not fungible with the applicable series of Notes, such Initial Notes and/or Additional Notes shall have a different ISIN and/or Common Code number (or other applicable identifying number). The Issuer will promptly notify the Trustee and the Paying Agent, in writing, of any change in the Common Code, ISIN or CUSIP numbers.

Section 2.15 *Currency Indemnity.*

The sole currency of account and payment for all sums payable by the Issuer under or in connection with the Notes is U.S. dollars, including damages. Any amount received or recovered in a currency other

than U.S. dollars, whether as a result of, or the enforcement of, a judgment or order of a court of any jurisdiction, in the winding-up or dissolution of the Issuer or otherwise by any Holder or by the Trustee, in respect of any sum expressed to be due to it from the Issuer will only constitute a discharge to the Issuer, to the extent of the U.S. dollar, as the case may be, which the recipient is able to purchase with the amount so received or recovered in that other currency on the date of that receipt or recovery (or, if it is not practicable to make that purchase on that date, on the first date on which it is practicable to do so).

If that U.S. dollar amount is less than the U.S. dollar amount expressed to be due to the recipient or the Trustee under any Note, the Issuer will indemnify them against any loss sustained by such recipient or the Trustee as a result. In any event, the Issuer will indemnify the recipient or the Trustee on a joint or several basis against the cost of making any such purchase. For the purposes of this currency indemnity provision, it will be *prima facie* evidence of the matter stated therein for the Holder of a Note or the Trustee to certify in a manner reasonably satisfactory to the Issuer (indicating the sources of information used) the loss it Incurred in making any such purchase. These indemnities constitute a separate and independent obligation from the Issuer's other obligations, will give rise to a separate and independent cause of action, will apply irrespective of any waiver granted by any Holder of a Note or the Trustee (other than a waiver of the indemnities set out herein) and will continue in full force and effect despite any other judgment, order, claim or proof for a liquidated amount in respect of any sum due under any Note or to the Trustee.

Section 2.16 *Deposit of Moneys.*

No later than 10:00 a.m. (New York time) on the Business Day that is an interest payment date, the maturity date of the Notes and each payment date relating to an Asset Disposition Offer or a Change of Control Offer, and on the Business Day immediately following any acceleration of the Notes pursuant to Section 6.02, the Issuer shall deposit with the Paying Agent, in immediately available funds, money in dollars sufficient to make cash payments, if any, due on such day or date, as the case may be. Subject to actual receipt of such funds as provided by this Section 2.16 by the designated Paying Agent, such Paying Agent shall remit such payment in a timely manner to the Holders on such day or date, as the case may be, to the Persons and in the manner set forth in paragraph 2 of the Notes; *provided, however*, that no Paying Agent shall be obliged to make a payment until it has received funds sufficient to make such payment. The Issuer shall promptly notify the Trustee and the Paying Agent of its failure to so act.

Section 2.17 *Agents.*

(a) The rights, powers, duties and obligations and actions of each Agent under this Indenture are several and not joint or joint and several, and the Agents shall only be obliged to perform those duties expressly set out in this Indenture and shall have no implied duties.

(b) The Issuer and the Agents acknowledge and agree that in the event of a Default or Event of Default, the Trustee may, by notice in writing to the Issuer and the Agents, require that the Agents act as agents of, and take instructions exclusively from, the Trustee. Until they have received such written notice from the Trustee, the Agents shall act solely as agents of the Issuer and need have no concern for the interests of the Holders.

ARTICLE 3
REDEMPTION

Section 3.01 *Notices to Trustee.*

If the Issuer elects to redeem Notes pursuant to Section 3.07, it shall notify the Trustee and the Paying Agent of the redemption date and the principal amount of Notes to be redeemed and the section of the Note pursuant to which the redemption will occur.

Unless otherwise specified, the Issuer shall give each notice in writing to the Trustee and the Paying Agent in writing provided for in this Article 3 at least 10 days, but not more than 60 days, before the redemption date unless the Trustee or the Paying Agent (as the case may be) consents to a shorter period in its sole discretion. In the case of a redemption pursuant to Section 3.07, prior to the publication or, where relevant, mailing of any notice of redemption of the Notes pursuant to Section 3.03, the Issuer will deliver such notice along with an Officer's Certificate from the Issuer to the Trustee to the effect that such redemption will comply with the conditions herein. The Trustee will accept and shall be entitled to rely conclusively and without further inquiry on such Officer's Certificate and Opinion of Counsel as sufficient evidence of the existence and satisfaction of the conditions precedent as described in Sections 3.07, in which event it will be conclusive and binding on the Holders.

Section 3.02 *Selection of Notes to Be Redeemed or Repurchased.*

If less than all of the Notes of a series are to be redeemed at any time, the Notes of such series for redemption will be selected in accordance with the procedures of DTC, or if DTC prescribes no method of selection, then the Issuer will instruct the Trustee or the Registrar to select the Notes for redemption in compliance with the requirements of the principal securities exchange, if any, on which the Notes of such series are listed, as certified to the Trustee or the Registrar or if the Notes of such series are not so listed or such exchange prescribes no method of selection, then based on a method that most nearly approximates a *pro rata* selection or by lot; *provided, however*, that no Note of \$200,000 in aggregate principal amount or less shall be redeemed in part and only Notes in integral multiples of \$1,000 will be redeemed. Neither the Trustee nor the Registrar will be liable for any selections made by it or DTC in accordance with this Section 3.02.

Section 3.03 *Notice of Redemption.*

(a) Other than as provided in Section 3.03(b), not less than 10 days but not more than 60 days before a date for redemption of Notes, the Issuer shall transmit a notice of redemption in accordance with Section 12.01. If such Notes are in global form, notice of redemption will be delivered to DTC for communication to the entitled account holders.

The notice shall identify the Notes to be redeemed and shall state:

- (1) the redemption date and the record date;
- (2) the redemption price, and, if applicable, the appropriate calculation of such redemption price and the amount of accrued interest to the redemption date;
- (3) the name and address of the Paying Agent;
- (4) that Notes called for redemption must be surrendered to the Paying Agent to collect the redemption price;
- (5) if fewer than all the outstanding Notes of a series are to be redeemed, the certificate numbers and principal amounts of the particular Notes to be redeemed;

- (6) that, unless the Issuer defaults in making such redemption payment or the Paying Agent is prohibited from making such payment pursuant to the terms of this Indenture, interest on Notes (or portion thereof) called for redemption ceases to accrue on and after the redemption date;
- (7) the Common Codes, ISIN or CUSIP number, as applicable, if any, printed on the Notes being redeemed;
- (8) the paragraph of the Notes or section of this Indenture pursuant to which the Notes are being redeemed;
- (9) that no representation is made as to the correctness or accuracy of the Common Codes, ISIN or CUSIP number, as applicable, if any, listed in such notice or printed on the Notes; and
- (10) if any series of Notes is to be redeemed in part only, the portion of the principal amount thereof to be redeemed.

(b) At the Issuer's request and expense, the Trustee or the Paying Agent shall give the notice of redemption in the Issuer's name. In such event, the Issuer shall provide the Trustee and the Paying Agent at least two Business Days prior to the date on which notice of redemption is to be delivered to Holders (unless a shorter period of time is acceptable to the Trustee and the Paying Agent), an Officer's Certificate requesting the Trustee or the Paying Agent to give such notice and also containing the information required to be contained in such notice pursuant to this Section 3.03.

Section 3.04 *Effect of Notice of Redemption.*

Once notice of redemption is delivered, Notes called for redemption become due and payable, on the redemption date and at the redemption price stated in the notice, plus accrued interest, if any, to, but not including, the redemption date, *provided, however*, that any redemption notice given in respect of the redemption referred to in Section 3.07 may, at the Issuer's discretion, be subject to the satisfaction of one or more conditions precedent as set forth in Section 3.07(d). Upon surrender to the Paying Agent, the Notes shall be paid at the redemption price stated in the notice, plus accrued interest, if any, to, but not including, the redemption date; *provided, however*, that if the redemption date is after a regular record date and on or prior to the interest payment date, the accrued interest shall be payable to the Holder of the redeemed Notes registered on the relevant record date. Failure to give notice or any defect in the notice to any Holder shall not affect the validity of the notice to any other Holder.

Section 3.05 *Deposit of Redemption Price.*

No later than 10:00 a.m. (New York time) on the Business Day that is a redemption date, the Issuer shall deposit with the Paying Agent (or, if the Issuer or a Restricted Subsidiary of the Issuer is the Paying Agent, shall segregate and hold in trust) money sufficient to pay the redemption price of and accrued interest on all Notes or portions thereof to be redeemed on that date other than Notes or portions of Notes called for redemption that have been delivered by the Issuer to the Registrar for cancellation. On and after the redemption date, interest shall cease to accrue on Notes or portions thereof called for redemption so long as the Issuer has deposited with the Paying Agent funds sufficient to pay the principal of, plus accrued and unpaid interest, if any, on, the Notes to be redeemed, unless the Paying Agent is prohibited from making such payment pursuant to the terms of this Indenture. For the avoidance of doubt, the Paying Agent and the Trustee shall be held harmless and have no liability or obligation with respect to payments or disbursements to be made by the Paying Agent and Trustee (i) for which payment instructions are not made

or that are not otherwise deposited by the respective times set forth in this Section 3.05 and (ii) until they have confirmed receipt of funds sufficient to make the relevant payment.

Section 3.06 *Notes Redeemed in Part.*

Subject to the terms hereof, upon surrender of a Note that is redeemed in part, (i) in the case of a Definitive Registered Note, a new Definitive Registered Note in principal amount equal to the unredeemed portion of any Definitive Registered Note redeemed in part will be issued in the name of the Holder thereof upon cancellation of the original Definitive Registered Note and (ii) in the case of a Global Note, an appropriate notation will be made on such Note to decrease the principal amount thereof to an amount equal to the unredeemed portion thereof.

(d) Optional Redemption of 2028 Notes due 2028

(1) Except as described below, the 2028 Notes are not redeemable until April 1, 2023. On and after April 1, 2023, the Issuer may redeem all or, from time to time, part of the 2028 Notes upon not less than 10 nor more than 60 days' notice, at the following redemption prices (expressed as a percentage of the principal amount) plus accrued and unpaid interest, to, but not including, the applicable redemption date (subject to the right of the Holders of record on the relevant record date to receive interest due on the relevant interest payment date), if redeemed during the twelve-month period beginning on April 1, of the years indicated below:

(3) Prior to April 1, 2021, the Issuer may on any one or more occasions redeem up to 40% of the original principal amount of the 2028 Notes (including, in each case, the principal amount of any 2028 Additional Notes), upon not less than 10 nor more than 60 days' notice, with funds in an aggregate amount not exceeding the Net Cash Proceeds of one or more Equity Offerings at a redemption price of 107.500% of the principal amount of the 2028 Notes, plus, accrued and unpaid interest to, but not including, the applicable redemption date (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date); provided that: (1) at least 60% of the original principal amount of the 2028 Notes (including the principal amount of any 2028 Additional Notes remains outstanding after each such redemption); and (2) the redemption occurs within 180 days after the closing of such Equity Offering.

(e) Unless the Issuer defaults in the payment of the redemption price, interest will cease to accrue on the relevant series of Notes or the portion thereof called for redemption on the applicable redemption date.

(f) Any redemption notice given in respect of the redemption of any series of the Notes (including upon an Equity Offering or in connection with a transaction (or series of related transactions) or an event that constitutes a Change of Control) may, at the Issuer's discretion, be subject to the satisfaction of one or more conditions precedent, including, but not limited to, the completion or occurrence of the related transaction, as the case may be. In addition, if such redemption or purchase is subject to satisfaction of one or more conditions precedent, such notice shall describe each such condition, and if applicable, shall state that, in the Issuer's discretion, the redemption date may be delayed until such time (including more than 60 days after the date the notice of redemption was mailed or delivered, including by electronic transmission) as any or all such conditions shall be satisfied or waived, or such redemption or purchase may not occur and such notice may be rescinded in the event that any or all such conditions shall not have been satisfied or waived by the redemption date, or by the redemption date as so delayed, or such notice may be rescinded at any time in the Issuer's discretion if in the good faith judgment of the Issuer any or all of such conditions will not be satisfied. In addition, the Issuer may provide in such notice that payment of the redemption price and performance of the Issuer's obligations with respect to such redemption may be performed by another Person. In no event shall the Trustee be responsible for monitoring, or charged with knowledge of, the maximum aggregate amount of the Notes eligible under this Indenture to be redeemed.

(g) Any redemption pursuant to this Section 3.07 shall be made pursuant to Sections 3.01 through 3.06.

(h) If a series of Notes is listed on an exchange, and the rules of the exchange so require, the Issuer will notify the exchange of any such redemption and the principal amount of such Notes outstanding following any partial redemption of such series of Notes. In no event will the Trustee be responsible for monitoring, or charged with knowledge of, the maximum aggregate amount of Notes eligible under this Indenture to be redeemed.

If a redemption date is not a Business Day, payment may be made on the next succeeding day that is a Business Day, and no interest shall accrue on any amount that would have been otherwise payable on such redemption date if it were a Business Day for the intervening period.

Section 3.08 *Tender Offer Redemption.*

In connection with any tender offer or other offer to purchase for all of the Notes of a series, if Holders of not less than 90% of the aggregate principal amount of the then outstanding Notes of such series validly tender and do not validly withdraw such Notes in such tender offer and the Issuer, or any third party making such tender offer in lieu of the Issuer, purchases all of the Notes of such series validly tendered and not validly withdrawn by such Holders, the Issuer or such third party will have the right upon not less than 10 nor more than 60 days' notice following such purchase date, to redeem all Notes of such series that remain outstanding following such purchase at a price equal to the price paid to each other Holder in such tender offer (other than any incentive payment for early tenders), plus, to the extent not included in the tender offer payment, accrued and unpaid interest, if any, thereon, to, but not including, the repurchase date (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date). In determining whether the Holders of at least 90% of the aggregate principal amount of the then outstanding series of Notes have validly tendered and not validly withdrawn Notes of such series in a tender offer or other offer to purchase for all of the Notes of such series, as applicable, Notes owned by an Affiliate of the Issuer or by funds controlled or managed by any Affiliate of the Issuer,

or any successor thereof, shall be deemed to be outstanding for the purposes of any such tender offer or other offer, as applicable.

Section 3.09 *Mandatory Redemption.*

The Issuer is not required to make mandatory redemption payments or sinking fund payments with respect to the Notes.

Section 3.10 *[Reserved]*

ARTICLE 4
COVENANTS

Section 4.01 *Payment of Notes.*

The Issuer shall promptly pay the principal of and interest on the Notes on the dates and in the manner provided in the Notes and in this Indenture. Principal and interest shall be considered paid on the date due if on such date the Trustee or the Paying Agent holds in accordance with this Indenture money sufficient to pay all principal and interest then due and the Trustee or the Paying Agent, as the case may be, is not prohibited from paying such money to the Holders on that date pursuant to the terms of this Indenture.

Section 4.02 *[Reserved]*.

Section 4.03 *Change of Control.*

(a) If a Change of Control occurs, subject to the terms of this Section 4.03, each Holder will have the right to require the Issuer to repurchase all or any part (equal to \$200,000 or an integral multiple of \$1,000 in excess thereof) of such Holder's Notes at a purchase price in cash equal to 101% of the principal amount of such Notes, plus accrued and unpaid interest, to the date of purchase (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date); *provided, however*, that the Issuer shall not be obliged to repurchase Notes as described under this Section 4.03 in the event and to the extent that it has unconditionally exercised its right to redeem all of the Notes of such series pursuant to Section 3.07 or all conditions to such redemption have been satisfied or waived. No such purchase in part shall reduce the principal amount at maturity of the Notes held by any holder to below \$200,000.

(b) Unless the Issuer has unconditionally exercised its right to redeem all the Notes of each series pursuant to Section 3.07 or all conditions to such redemption have been satisfied or waived, no later than the date that is 60 days after any Change of Control or, at the Issuer's option, at any time prior to a Change of Control following the public announcement thereof or if a definitive agreement is in place for the Change of Control, the Issuer will send a notice (the "*Change of Control Offer*") to each Holder of any such Notes by mail or otherwise in accordance with the procedures set forth in this Indenture, with a copy to the Trustee:

(1) stating that a Change of Control has occurred or may occur and that such Holder has the right to require the Issuer to purchase all or any part of such Holder's Notes at a purchase price in cash equal to 101% of the principal amount of such Notes plus accrued and unpaid interest to, but not including, the date of purchase (subject to the right of Holders of record on a record date to receive interest on the relevant interest payment date) (the "*Change of Control Payment*");

(2) stating the repurchase date (which shall be no earlier than 10 days from the date such notice is mailed nor later than the later of 60 days from the date such notice is mailed and 60 days after the Change of Control) (the “*Change of Control Payment Date*”) and the record date;

(3) stating that any Note accepted for payment pursuant to the Change of Control Offer will cease to accrue interest after the Change of Control Payment Date unless the Change of Control Payment is not paid, and that any Notes or part thereof not tendered will continue to accrue interest;

(4) describing the circumstances and relevant facts regarding the transaction or transactions that constitute the Change of Control;

(5) describing the procedures determined by the Issuer, consistent with this Indenture, that a Holder must follow in order to have its Notes repurchased;

(6) if such notice is mailed prior to the occurrence of a Change of Control, stating that the Change of Control Offer is conditional on the occurrence of such Change of Control; and

(7) certain other procedures that a holder of Notes must follow to accept a Change of Control Offer or to withdraw such acceptance.

(c) The Issuer shall cause to be published the notice described above through the newswire service of Bloomberg (or if Bloomberg does not then operate, any similar agency). In addition, if any Notes are listed on an exchange, and the rules of the exchange so require, the Issuer will notify the exchange of the results of any Change of Control Offer.

(d) On the Change of Control Payment Date, if the Change of Control shall have occurred, the Issuer will, to the extent lawful:

(1) accept for payment all Notes or portion thereof properly tendered pursuant to the Change of Control Offer;

(2) deposit with the Paying Agent an amount equal to the Change of Control Payment in respect of all Notes so tendered;

(3) deliver or cause to be delivered to the Trustee an Officer’s Certificate stating the aggregate principal amount of Notes or portions of the Notes being purchased by the Issuer in the Change of Control Offer;

(4) in the case of Global Notes, deliver, or cause to be delivered, to the Paying Agent the applicable Global Notes in order to reflect thereon the portion of such Notes or portions thereof that have been tendered to and purchased by the Issuer; and

(5) in the case of Definitive Registered Notes, deliver, or cause to be delivered, to the Registrar for cancellation all Definitive Registered Notes accepted for purchase by the Issuer.

If any Definitive Registered Notes have been issued, the Paying Agent, at the Issuer’s expense, will promptly mail to each Holder of Definitive Registered Notes so tendered the Change of Control Payment for such Notes, and the Trustee will promptly instruct its authenticating agent to authenticate and, at the Issuer’s expense, mail (or cause to be transferred by book-entry) to each Holder of Definitive Registered Notes a new Definitive Registered Note equal in principal amount to the unpurchased portion of the Notes

surrendered, if any; *provided* that each such new Note will be in a principal amount that is at least \$200,000 and integral multiples of \$1,000 in excess thereof.

(e) This Section 4.03 will be applicable whether or not any other provisions of this Indenture are applicable.

(f) The Issuer will not be required to make a Change of Control Offer upon a Change of Control if a third party makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth in this Indenture applicable to a Change of Control Offer made by the Issuer and purchases all Notes validly tendered and not validly withdrawn under such Change of Control Offer.

(g) Notwithstanding anything to the contrary herein, a Change of Control Offer may be made in advance of a Change of Control, conditional upon such Change of Control, if a definitive agreement is in place for the Change of Control at the time of making of the Change of Control Offer. The Issuer will comply, to the extent applicable, with the requirements of Section 14(e) of the Exchange Act and any other securities laws or regulations in connection with the repurchase of Notes pursuant to this Section 4.03. To the extent that the provisions of any securities laws or regulations conflict with provisions of this Indenture, the Issuer will comply with the applicable securities laws and regulations and will not be deemed to have breached its obligations under the Change of Control provisions of this Indenture by virtue of the conflict.

(h) If Holders of not less than 90% in aggregate principal amount of the outstanding Notes of a series validly tender and do not validly withdraw such Notes in a Change of Control Offer and the Issuer, or any third party making a Change of Control Offer in lieu of the Issuer in accordance with this Section 4.03, purchases all of the Notes of such series validly tendered and not validly withdrawn by such Holders, the Issuer or such third party will have the right, upon not less than 10 nor more than 60 days' prior notice, given not more than 30 days following such purchase pursuant to the Change of Control Offer described above, to redeem all Notes of such series that remain outstanding following such purchase at a price in cash equal to 101% of the principal amount thereof plus accrued and unpaid interest to but excluding the date of the delivery of the notice for such redemption. Any redemption pursuant to this Section 4.03 shall be made in accordance with Section 3.03 (other than the time periods specified therein, which shall be made in accordance with this Section 4.03). In determining whether the Holders of at least 90% of the aggregate principal amount of the then outstanding series of Notes have validly tendered and not validly withdrawn Notes of such series in a tender offer or other offer to purchase for all of Notes of such series, as applicable, Notes of such series owned by an Affiliate of the Issuer or by funds controlled or managed by any Affiliate of the Issuer, or any successor thereof, shall be deemed to be outstanding for the purposes of any such tender offer or other offer, as applicable.

(i) The provisions of this Indenture relating to the Issuer's obligation to make an offer to repurchase the Notes as a result of a Change of Control may be waived or modified with the written consent of holders of a majority in outstanding principal amount of the Notes.

Section 4.04 *Limitation on Indebtedness.*

(a) The Issuer will not, and will not permit any of its Restricted Subsidiaries to, Incur any Indebtedness (including Acquired Indebtedness); *provided, however*, that the Issuer and any Restricted Subsidiary may Incur Indebtedness if on the date on which such Indebtedness is Incurred, the Consolidated Net Leverage Ratio would have been no greater than 5.5 to 1.0 determined on a *pro forma* basis (including a *pro forma* application of the net proceeds therefrom), as if such Indebtedness had been incurred at the beginning of the relevant period.

73

(b) Section 4.04(a) will not prohibit the Incurrence of the following items of Indebtedness:

(1) Indebtedness Incurred pursuant to any Credit Facility (including in respect of letters of credit or bankers' acceptances issued or created thereunder), Indebtedness represented by the Existing Senior Guaranteed Notes and the guarantees thereof, Indebtedness represented by the New Senior Guaranteed Notes issued on the Combination Date and the Guarantees thereof, and, in each case, any Refinancing Indebtedness in respect thereof, in a maximum aggregate principal amount at any time outstanding not to exceed the greater of (i) (x) \$7.0 billion reduced by (y) the amount of any Indebtedness Incurred pursuant to this clause (1) on the Original Notes Issue Date or the Existing 2027 Senior Guaranteed Notes issued on September 23, 2016 that is subsequently reclassified (other than pursuant to the second proviso of Section 4.04(f)(1)) subject to the limitations on reclassification in Section 4.04(f)(1) and (ii) *provided* that after giving effect to any Incurrence of Indebtedness hereunder, together with any Incurrence of Indebtedness pursuant to clauses (5) and (14) of this Section 4.04(b) on the date on which Indebtedness pursuant to this Section 4.04(b)(1)(ii) is Incurred, the Issuer could Incur at least \$1.00 of additional Indebtedness under Section 4.04(a), an amount such that, after giving effect thereto on a *pro forma* basis as if such Indebtedness had been incurred on the first day of the relevant period, the Consolidated Net Senior Secured Leverage Ratio is not greater than 4.0 to 1.0; *provided, further*, that any Indebtedness incurred under this clause (1) may be refinanced with additional Indebtedness in an amount equal to the principal of the Indebtedness so refinanced, plus any additional amount to pay premiums (including tender premiums), accrued and unpaid interest, expenses, defeasance costs and fees in connection therewith; *provided, further*, that solely for the purpose of calculating the Consolidated Net Senior Secured Leverage Ratio under this clause (1), any outstanding Indebtedness incurred under this clause (1) that is unsecured or secured on a junior basis (in whole or in part) shall nevertheless be deemed to be secured by a *pari passu* Lien;

(2) (a) Guarantees by the Issuer or any Restricted Subsidiary of Indebtedness of the Issuer or any Restricted Subsidiary to the extent such guaranteed Indebtedness was permitted to be incurred by another provision of this Section 4.04; *provided* that if such Indebtedness is subordinated in right of payment to, or *pari passu* in right of payment with, the Notes, then the Guarantee of such Indebtedness shall be subordinated in right of payment to, or *pari passu* in right of payment with, the Notes substantially to the same extent as such guaranteed Indebtedness; or (b) without limiting Section 4.06, Indebtedness arising by reason of any Lien granted by or applicable to the Issuer or any Restricted Subsidiary securing Indebtedness of the Issuer or any Restricted Subsidiary so long as the Incurrence of such Indebtedness is not prohibited by the terms of this Indenture;

(3) Indebtedness of the Issuer owing to and held by any Restricted Subsidiary or Indebtedness of a Restricted Subsidiary owing to and held by the Issuer or any other Restricted Subsidiary; *provided* that:

(i) any subsequent issuance or transfer of Capital Stock or any other event which results in any such Indebtedness being beneficially held by a Person other than the Issuer or a Restricted Subsidiary; and

(ii) any sale or other transfer of any such Indebtedness to a Person other than the Issuer or a Restricted Subsidiary,

shall be deemed, in each case, to constitute an Incurrence of such Indebtedness not permitted by this clause (3) by the Issuer or such Restricted Subsidiary, as the case may be;

74

(4) (a) Indebtedness represented by the Notes (other than any Additional Notes) issued on the Combination Date, (b) any Indebtedness (other than Indebtedness described in clauses (1) and (3) of Section 4.04(b)) outstanding on the Combination Date, after giving effect to the Transactions, including the issuance of the Notes and the New Senior Guaranteed Notes, and the application of the proceeds thereof and the Existing Notes, *excluding* for the avoidance of doubt the New Senior Guaranteed Notes incurred in reliance on Section 4.04(b)(1), subject to Section 4.04(f)(1) and the Existing Senior Guaranteed Notes (incurred in reliance of Section 4.04(b)(1), subject to Section 4.04(f)(1), (c) Refinancing Indebtedness Incurred in exchange for, or the net proceeds of which are used to renew, refund, refinance, replace, defease or discharge any, or otherwise Incurred in respect of any, Indebtedness described in sub-clauses (a), (b) or (c) of this Section 4.04(b)(4) or Section 4.04(b)(5) or Incurred pursuant to Section 4.04(a) and (d) Management Advances;

(5) Indebtedness of (i) any Person Incurred or outstanding on the date on which such Person becomes a Restricted Subsidiary or is merged, consolidated, amalgamated or otherwise combined with (the Issuer or any Restricted Subsidiary or pursuant to any acquisition of assets and assumption of related liabilities) by the Issuer or a Restricted Subsidiary (including in contemplation of such transaction) or (ii) the Issuer or any Restricted Subsidiary Incurred to provide all or any portion of the funds utilized to consummate the transaction or series of related transactions pursuant to which a Person became a Restricted Subsidiary or was otherwise acquired by the Issuer or a Restricted Subsidiary or pursuant to any acquisition of assets and assumption of related liabilities by the Issuer or a Restricted Subsidiary or otherwise in connection with or contemplation of such acquisition or other transaction; *provided, however*, with respect to each of clause (5)(i) and (5)(ii) of this Section 4.04(b), that immediately following the consummation of such acquisition or other transaction, (i) the Issuer would have been able to incur \$1.00 of additional Indebtedness pursuant to Section 4.04(a) after giving effect to the Incurrence of such Indebtedness pursuant to this clause (5) or (ii) the Consolidated Net Leverage Ratio would not be greater than it was immediately prior to giving effect to such acquisition or other transaction;

(6) *[Reserved]*;

(7) (a) Indebtedness under Currency Agreements (other than Currency Agreements described in (b) below), Interest Rate Agreements and Commodity Hedging Agreements and (b) Indebtedness under Currency Agreements entered into in order to hedge any operating expenses and capital expenditures Incurred in the ordinary course of business; in each case with respect to clauses (a) and (b) of this clause (7), entered into for bona fide hedging purposes of the Issuer or the Restricted Subsidiaries or (in respect of Currency Agreements and Interest Rate Agreements related to Indebtedness of Cablevision) Cablevision and not for speculative purposes (as determined in good faith by an Officer or the Board of Directors of the Issuer);

(8) Indebtedness consisting of (A) mortgage financings, Purchase Money Obligations or other financings Incurred for the purpose of financing all or any part of the purchase price or cost of design, construction, installation or improvement of property (real or personal), plant or equipment or other assets (including Capital Stock) used or useful in a Similar Business or (B) Indebtedness otherwise Incurred to finance the purchase, lease, rental or cost of design, construction, installation or improvement of property (real or personal), plant or equipment that is used or useful in a Similar Business, whether through the direct purchase of assets or the Capital Stock of any Person owning such assets, in an aggregate outstanding principal amount which, when taken together with the principal amount of all other Indebtedness Incurred pursuant to this clause (8) and then outstanding, will not exceed at any time outstanding the greater of \$250 million and 9% L2QA Pro Forma EBITDA; *provided* that any Indebtedness incurred under this clause (8)

may be refinanced with additional Indebtedness in an amount equal to the principal of the Indebtedness so refinanced, plus any additional amount to pay premiums (including tender premiums), accrued and unpaid interest, expenses, defeasance costs and fees in connection therewith;

(c) Notwithstanding any other provisions of this Section 4.04, the Issuer will not, and will not permit any Restricted Subsidiary to Incur any Ratio Priority Indebtedness unless on the date on which such Ratio Priority Indebtedness is Incurred, the Priority Indebtedness Ratio would not have been greater than 4.0 to 1.0 or solely with respect to any Ratio Priority Indebtedness Incurred pursuant to Section 4.04(b)(5), the Priority Indebtedness Ratio would not be greater than it was prior to such Incurrence, in each case, determined on a pro forma basis (including a pro forma application of the net proceeds therefrom), after giving pro forma effect to the Incurrence and application of the proceeds from such Indebtedness; *provided* that this Section 4.04(c) shall not apply to (x) revolving Indebtedness Incurred pursuant to Section 4.04(b)(1) for working capital purposes or to finance capital expenditures, Permitted Investments (other than Permitted Investments permitted by clause (2) of the definition thereof as to which this paragraph shall apply) or Restricted Payments (other than Restricted Payments made pursuant to clauses (2), (15)(b), (17) or (18) (with respect to clause (18), in excess of \$100 million) of Section 4.05(b) as to which this paragraph shall apply); (y) any Indebtedness Incurred pursuant to Section 4.04(b)(5)(i) to the extent not Incurred in contemplation of the applicable transaction (and any Refinancing Indebtedness in respect thereof); and (z) any Refinancing Indebtedness of any Ratio Priority Indebtedness that was not Incurred in violation of this paragraph.

(d) *[Reserved]*.

(e) *[Reserved]*.

(f) For purposes of determining compliance with, and the outstanding principal amount of any particular Indebtedness Incurred pursuant to and in compliance with, this Section 4.04:

(1) in the event that Indebtedness meets the criteria of more than one of the types of Indebtedness described in Section 4.04(a) and Section 4.04(b), the Issuer, in its sole discretion, will classify, and may from time to time reclassify, such item of Indebtedness and only be required to include the amount and type of such Indebtedness in one of the clauses of Section 4.04(a) or Section 4.04(b); *provided* that Indebtedness Incurred (or deemed Incurred) on the Original Notes

Issue Date or any Refinancing Indebtedness in respect thereof under Section 4.04(b)(1) cannot be reclassified; *provided further* that if the New Senior Guaranteed Notes, the Existing Senior Guaranteed Notes, or any Refinancing Indebtedness in respect thereof, shall on any date (including the date of Incurrence of such Refinancing Indebtedness) not be Guaranteed by any of the Restricted Subsidiaries of the Issuer, the New Senior Guaranteed Notes, the Existing Senior Guaranteed Notes or such Refinancing Indebtedness shall automatically be reclassified and from such date be deemed to have been Incurred under Section 4.04(b)(4)(b) and not Section 4.04(b)(1);

(2) subject to Section 4.04(f)(1), all Indebtedness (x) outstanding on the Original Notes Issue Date under the Term Facility and the Existing Senior Guaranteed Notes and (y) outstanding on the Completion Date under the Revolving Facility shall be deemed Incurred on the Combination Date under Section 4.04(b)(1) and not Sections 4.04(a) or Section 4.04(b)(4)(b);

(3) Guarantees of, or obligations in respect of letters of credit, bankers' acceptances or other similar instruments relating to, or Liens securing, Indebtedness that is otherwise included in the determination of a particular amount of Indebtedness shall not be included;

(4) if obligations in respect of letters of credit, bankers' acceptances or other similar instruments are Incurred pursuant to any Credit Facility and are being treated as Incurred pursuant to clauses (1), (8), (14) or (16) of Section 4.04(b) or Section 4.04(a) and the letters of credit, bankers' acceptances or other similar instruments relate to other Indebtedness, then such other Indebtedness shall not be included;

(5) the principal amount of any Disqualified Stock of the Issuer or a Restricted Subsidiary, or Preferred Stock of a Restricted Subsidiary, will be equal to the greater of the maximum mandatory redemption or repurchase price (not including, in either case, any redemption or repurchase premium) or the liquidation preference thereof;

(6) Indebtedness permitted by this Section 4.04 need not be permitted solely by reference to one provision permitting such Indebtedness but may be permitted in part by one such provision and in part by one or more other provisions of this Section 4.04 permitting such Indebtedness; and

(7) the amount of Indebtedness issued at a price that is less than the principal amount thereof will be equal to the amount of the liability in respect thereof determined on the basis of GAAP.

(g) Accrual of interest, accrual of dividends, the accretion of accreted value, the accretion or amortization of original issue discount, the payment of interest in the form of additional Indebtedness, the payment of dividends in the form of additional shares of Preferred Stock or Disqualified Stock or the reclassification of commitments or obligations not treated as Indebtedness due to a change in GAAP will not be deemed to be an Incurrence of Indebtedness for purposes of this Section 4.04. The amount of any Indebtedness outstanding as of any date shall be (a) the accreted value thereof in the case of any Indebtedness issued with original issue discount and (b) the principal amount, or liquidation preference thereof, in the case of any other Indebtedness.

(h) If at any time an Unrestricted Subsidiary becomes a Restricted Subsidiary, any Indebtedness of such Subsidiary shall be deemed to be Incurred by a Restricted Subsidiary as of such date (and, if such Indebtedness is not permitted to be Incurred as of such date under this Section 4.04, the Issuer shall be in Default of this Section 4.04).

(i) For purposes of determining compliance with any dollar-denominated restriction on the Incurrence of Indebtedness, the Dollar Equivalent of the principal amount of Indebtedness denominated in another currency shall be calculated based on the relevant currency exchange rate in effect on the date such Indebtedness was Incurred, or at the option of the Issuer, on the date first committed; *provided* that (a) if such Indebtedness is Incurred to refinance other Indebtedness denominated in a currency other than dollars, and such refinancing would cause the applicable dollar-denominated restriction to be exceeded if calculated at the relevant currency exchange rate in effect on the date of such refinancing, such dollar-denominated restriction shall be deemed not to have been exceeded so long as the principal amount of such Refinancing Indebtedness does not exceed the principal amount of such Indebtedness being refinanced plus any amount to pay premiums (including tender premiums), accrued and unpaid interest, expenses, defeasance costs and fees in connection therewith; (b) the Dollar Equivalent of the principal amount of any such Indebtedness outstanding on the Combination Date shall be calculated based on the relevant currency exchange rate in effect on the Combination Date; and (c) if any such Indebtedness that is denominated in a currency other than dollars is subject to a Currency Agreement with respect to the currency in which such Indebtedness is denominated covering principal amount and interest payable on such Indebtedness, the amount of such Indebtedness, will be the Dollar Equivalent of the principal payment required to be made under such Currency Agreement plus the Dollar Equivalent of any premium which is at such time due and payable but is not covered by such Currency Agreement.

(j) For purposes of determining compliance with the Consolidated Net Leverage Ratio, the Consolidated Net Senior Secured Leverage Ratio or the Priority Indebtedness Ratio on the Incurrence of Indebtedness, the Dollar Equivalent of the principal amount of Indebtedness denominated in another currency shall be calculated based on the relevant currency exchange rate in effect on the date such Indebtedness was Incurred or, at the option of the Issuer, the date first committed; *provided* that (a) if such Indebtedness is Incurred to refinance other Indebtedness denominated in a currency other than dollars, and such refinancing would cause the applicable dollar-denominated restriction to be exceeded if calculated at the relevant currency exchange rate in effect on the date of such refinancing, such dollar-denominated restriction shall be deemed not to have been exceeded so long as the principal amount of such Refinancing Indebtedness does not exceed the principal amount of such Indebtedness being refinanced plus any amount to pay premiums (including tender premiums), accrued and unpaid interest, expenses, defeasance costs and fees in connection therewith; and (b) the Dollar Equivalent of the principal amount of any such Indebtedness outstanding on the Combination Date shall be calculated based on the relevant currency exchange rate in effect on the Combination Date.

In addition, for purposes of calculating the Consolidated Net Leverage Ratio, the Consolidated Net Senior Secured Leverage Ratio or the Priority Indebtedness Ratio to test compliance with any covenant in this Indenture, in determining the amount of Indebtedness outstanding in dollars on any date of determination, with respect to any Indebtedness denominated in a currency other than dollars (the "*Foreign Currency*"):

(1) subject to a currency swap arrangement or contract, the aggregate principal amount of such Foreign Currency Indebtedness on any such date of determination shall be the dollar amount of the aggregate principal amount to be paid by the Issuer or a Restricted Subsidiary on the maturity date of such currency swap arrangement or contract pursuant to the terms thereof; or

(2) subject to a currency forward arrangement, forward accretion curve or contract, the aggregate principal amount of such Foreign Currency Indebtedness shall be converted into dollars at the exchange rate specified under the terms of such currency forward arrangement, forward accretion curve or contract as applicable to such Foreign Currency Indebtedness on such date of determination.

For the avoidance of doubt, notwithstanding a Group member entering into any such arrangement or contract hedging foreign exchange exposure of any Foreign Currency Indebtedness, for the purposes of calculating the Consolidated Net Leverage Ratio, the Consolidated Net Senior Secured Leverage Ratio or the Priority Indebtedness Ratio, the aggregate principal amount of Indebtedness subject to any such arrangement or contract shall be attributed to the total Indebtedness of the Person that originally Incurred such Indebtedness.

Notwithstanding any other provision of this Section 4.04, the maximum amount of Indebtedness that the Issuer or a Restricted Subsidiary may Incur pursuant to this Section 4.04 shall not be deemed to be exceeded solely as a result of fluctuations in the exchange rate of currencies.

The Issuer will not incur any Indebtedness (including any Indebtedness permitted to be Incurred pursuant to Section 4.04(b)) that is contractually subordinated in right of payment to any other Indebtedness of the Issuer unless such Indebtedness is also contractually subordinated in right of payment to the Notes on substantially identical terms (as determined in good faith by the Issuer); *provided, however*, that no Indebtedness will be deemed to be contractually subordinated in right of payment to any other Indebtedness of the Issuer solely by virtue of being unsecured, by virtue of being secured with different collateral, by virtue of being secured on a junior priority basis, by virtue of not being guaranteed by one or more of the Issuer's Subsidiaries or by virtue of the application of waterfall or other payment-ordering provisions affecting different tranches of Indebtedness under Credit Facilities.

Section 4.05 *Limitation on Restricted Payments.*

- (a) The Issuer will not, and will not permit any of its Restricted Subsidiaries to, directly or indirectly:
- (1) declare or pay any dividend or make any other payment or distribution on account of or in respect of the Issuer's or any Restricted Subsidiary's Capital Stock (including, without limitation, any payment in connection with any merger or consolidation involving the Issuer or any Restricted Subsidiary) except:
 - (A) dividends or distributions payable in Capital Stock of the Issuer (other than Disqualified Stock) or in options, warrants or other rights to purchase such Capital Stock of the Issuer (other than Disqualified Stock) or in Subordinated Shareholder Funding; and
 - (B) dividends or distributions payable to the Issuer or a Restricted Subsidiary (and, in the case of any such Restricted Subsidiary making such dividend or distribution, to holders of its Capital Stock other than the Issuer or another Restricted Subsidiary on no more than a *pro rata* basis, measured by value);
 - (2) purchase, redeem, retire or otherwise acquire for value (including, without limitation, any payment in connection with any merger or consolidation involving the Issuer) any Capital Stock of the Issuer or any direct or indirect Parent of the Issuer held by Persons other than the Issuer or a Restricted Subsidiary (other than in exchange for Capital Stock of the Issuer (other than Disqualified Stock));
 - (3) make any principal payment on, or purchase, repurchase, redeem, defease or otherwise acquire or retire for value, prior to scheduled maturity, scheduled repayment or scheduled sinking fund payment, any Subordinated Indebtedness (other than (a) any such payment, purchase, repurchase, redemption, defeasance or other acquisition or retirement or in anticipation of satisfying a sinking fund obligation, principal installment or final maturity, in each case, due within

one year of the date of payment, purchase, repurchase, redemption, defeasance or other acquisition or retirement, and (b) any Indebtedness Incurred pursuant to Section 4.04(b)(3));

(4) make any cash payment on or with respect to, or purchase, redeem, defease or otherwise acquire or retire for value any Subordinated Shareholder Funding (other than in exchange for Capital Stock of the Issuer (other than Disqualified Stock) or for options, warrants or other rights to purchase such Capital Stock of the Issuer (other than Disqualified Stock)); or

(5) make any Restricted Investment in any Person;

(any such dividend, distribution, payment, purchase, redemption, repurchase, defeasance, other acquisition, retirement or Restricted Investment referred to in clauses (1) through (5) of this Section 4.05(a) are referred to herein as a “*Restricted Payment*”), if at the time the Issuer or a Restricted Subsidiary makes such Restricted Payment:

(A) a Default or Event of Default (or in the case of a Restricted Investment, an Event of Default under clauses (1), (2) or (6) of Section 6.01(a)) shall have occurred and be continuing (or would result immediately thereafter therefrom);

(B) except in the case of a Restricted Investment, if such Restricted Payment is made in reliance on Section 4.05(a)(C)(i), the Issuer is not able to Incur an additional \$1.00 of Indebtedness pursuant to Section 4.04(a) after giving effect, on a pro forma basis, to such Restricted Payment; or

(C) the aggregate amount of such Restricted Payment and all other Restricted Payments made by the Issuer and the Restricted Subsidiaries subsequent to the Completion Date (and not returned or rescinded) (including Permitted Payments permitted below by clauses (5) (without duplication of amounts paid pursuant to any other clause of Section 4.05(b)), (6), (10), (15), (17), (18) and (20) of Section 4.05(b) (to the extent it relates to Restricted Payments permitted by clauses (5), (10), (15), (17) or (18) of Section 4.05(b)), but excluding all other Restricted Payments permitted by Section 4.05(b)) would exceed the sum of (without duplication):

(i) an amount equal to 100% of the Consolidated EBITDA for the period beginning on the first day of the first full fiscal quarter commencing prior to the Completion Date to the end of the Issuer’s most recently ended full fiscal quarter ending prior to the date of such Restricted Payment for which internal consolidated financial statements of the Issuer are available, taken as a single accounting period, less the product of 1.3 times the Consolidated Interest Expense for such period;

the Issuer or any Restricted Subsidiary, (y) Net Cash Proceeds or property or assets or marketable securities to the extent that any Restricted Payment has been made from such proceeds in reliance on Section 4.05(b)(6), and (z) Excluded Contributions);

(iii) 100% of the aggregate Net Cash Proceeds, and the fair market value (as determined in accordance with Section 4.05(c)) of property or assets or marketable securities, received by the Issuer or any Restricted Subsidiary from the issuance or sale (other than to the Issuer or a Restricted Subsidiary or an employee stock ownership plan or trust established by the Issuer or any Subsidiary of the Issuer for the benefit of its employees to the extent funded by the Issuer or any Restricted Subsidiary) by the Issuer or any Restricted Subsidiary subsequent to the Completion Date of any Indebtedness that has been converted into or exchanged for Capital Stock of the Issuer (other than Disqualified Stock or Designated Preference Shares) or Subordinated Shareholder Funding (plus the amount of any cash, and the fair market value (as determined in accordance with Section 4.05(c)) of property or assets or marketable securities, received by the Issuer or any Restricted Subsidiary upon such conversion or exchange) but excluding (x) Net Cash Proceeds or property or assets or marketable securities to the extent that any Restricted Payment has been made from such proceeds in reliance on Section 4.05(b)(6), and (y) Excluded Contributions;

(v) the amount of the cash and the fair market value (as determined in accordance with Section 4.05(c)) of property, assets or marketable securities received by the Issuer or any Restricted Subsidiary after the Completion Date in connection with:

(E) any dividend or distribution made by an Unrestricted Subsidiary to the Issuer or a Restricted Subsidiary;

(b) Section 4.05(a) will not prohibit any of the following (collectively, “Permitted Payments”):

assumed by the Issuer or any Restricted Subsidiary when such Person becomes the Successor Company;

(5) any encumbrance or restriction pursuant to an agreement or instrument effecting a refunding, replacement or refinancing of Indebtedness Incurred pursuant to, or that otherwise extends, renews, refunds, refinances or replaces an agreement or instrument referred to in clauses (1), (3), (4) or (5) of this Section 4.07(b) (an “*Initial Agreement*”) or contained in any amendment, supplement or other modification to an agreement referred to in clauses (1), (3), (4) or (5) of this Section 4.07(b); *provided, however*, that the encumbrances and restrictions with respect to such Restricted Subsidiary contained in any such agreement or instrument are no less favorable in any material respect to the Holders taken as a whole than the encumbrances and restrictions contained in the Initial Agreement or Initial Agreements to which such refinancing or amendment, supplement or other modification relates (as determined in good faith by the Issuer);

(6) any encumbrance or restriction:

(A) that restricts in a customary manner the subletting, assignment or transfer of any property or asset that is subject to a lease, license or similar contract, or the assignment or transfer of any lease, license or other contract;

(B) contained in mortgages, pledges or other security agreements permitted under this Indenture or securing Indebtedness of the Issuer or a Restricted Subsidiary permitted under this Indenture to the extent such encumbrances or restrictions restrict the transfer of the property or assets subject to such mortgages, pledges or other security agreements;

- (14) any encumbrance or restrictions arising in connection with any Purchase Money Note, other Indebtedness or a Qualified Receivables Financing that, in the good faith determination of an Officer or the Board of Directors of the Issuer, are necessary or advisable to effect such Qualified Receivables Financing; or

Section 4.08 *Limitation on Sales of Assets and Subsidiary Stock.*

- (a) *[Reserved]*.
- (b) The Issuer will not, and will not permit any of its Restricted Subsidiaries to, make any Asset Disposition unless:
 - (1) the Issuer or such Restricted Subsidiary, as the case may be, receives consideration (including by way of relief from, or by any other Person assuming responsibility for, any liabilities, contingent or otherwise) at least equal to the fair market value (such fair market value to be determined on the date of contractually agreeing to such Asset Disposition), as determined in good faith by an Officer or the Board of Directors of the Issuer, of the shares and assets subject to such Asset Disposition (including, for the avoidance of doubt, if such Asset Disposition is a Permitted Asset Swap); and
 - (2) in any such Asset Disposition, or series of related Asset Dispositions (except to the extent the Asset Disposition is a Permitted Asset Swap), at least 75% of the consideration from such Asset Disposition or such series of related Asset Dispositions (excluding any consideration by way of relief from, or by any other Person assuming responsibility for, any liabilities, contingent or otherwise, other than Indebtedness), together with all other Asset Dispositions since the Combination Date (except to the extent any such Asset Disposition was a Permitted Asset Swap) on a cumulative basis received by the Issuer or such Restricted Subsidiary, as the case may be, is in the form of cash, Cash Equivalents or Temporary Cash Investments.

(c) After the receipt of Net Available Cash from an Asset Disposition, the Issuer or a Restricted Subsidiary, as the case may be, may apply such Net Available Cash directly or indirectly (at the option of the Issuer or such Restricted Subsidiary):

(1) within 365 days from the later of (A) the date of such Asset Disposition and (B) the receipt of such Net Available Cash (i) to prepay, repay, purchase or redeem any Indebtedness incurred under Section 4.04(b)(1) or any Priority Indebtedness; *provided, however*, that, in connection with any prepayment, repayment or purchase of Indebtedness pursuant to this Section 4.08(c)(1)(B)(i), the Issuer or such Restricted Subsidiary will retire such Indebtedness and will cause the related commitment (if any) (except in the case of any revolving Indebtedness) to be permanently reduced in an amount equal to the principal amount so prepaid, repaid, purchased or redeemed; (ii) unless included in Section 4.08(c)(1)(B)(i), to prepay, repay, purchase or redeem any Pari Passu Indebtedness of the Issuer at a price of no more than 100% of the principal amount of such Pari Passu Indebtedness plus accrued and unpaid interest to the date of such prepayment, repayment, purchase or redemption; *provided* that the Issuer shall prepay, redeem, repay or repurchase Pari Passu Indebtedness that is Public Debt pursuant to this clause (ii) only if the Issuer purchases through open-market purchases at a price equal to or higher than 100% of the principal amount thereof, or makes an offer to the Holders of each series of the Notes to purchase their Notes at a purchase price in cash equal to at least 100% of the principal amount of such Notes, plus accrued and unpaid interest to, but not including, the date of purchase (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date) for, in each case, an aggregate principal amount of Notes of each series at least equal to the proportion that (x) the total aggregate principal amount of Notes of such series outstanding bears to (y) the sum of the total aggregate principal amount of Notes of such series outstanding plus the total aggregate principal amount outstanding of such Pari Passu Indebtedness; (iii) to prepay, repay, purchase or redeem any Indebtedness of a Restricted Subsidiary or any Indebtedness that is secured on assets (other than Subordinated Indebtedness of the Issuer or Indebtedness owed to the Issuer or any Restricted Subsidiary); (iv) to purchase the Notes through open-market purchases at a price equal to or higher than 100% of the principal amount thereof, or make an offer to all holders of each series of Notes at a purchase price in cash equal to at least 100% of the principal amount of such Notes, plus accrued and unpaid interest to, but not including, the date of purchase (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date) or (v) to redeem each series of Notes as described under Section 3.07;

(2) to the extent the Issuer or such Restricted Subsidiary elects, to invest in or purchase or commit to invest in or purchase Additional Assets (including by means of an investment in Additional Assets by a Restricted Subsidiary with Net Available Cash received by the Issuer or another Restricted Subsidiary) within 365 days from the later of (i) the date of such Asset Disposition and (ii) the receipt of such Net Available Cash; *provided, however*, that any such reinvestment in Additional Assets made pursuant to a definitive binding agreement or a commitment approved by the Board of Directors of the Issuer that is executed or approved within such time will satisfy this requirement, so long as such investment or commitment to invest is consummated within 180 days of such 365th day;

(3) to make a capital expenditure within 365 days from the later of (A) the date of such Asset Disposition and (B) the receipt of such Net Available Cash; *provided, however*, that any such capital expenditure made pursuant to a definitive binding agreement or a commitment approved by the Board of Directors of the Issuer that is executed or approved within such time will satisfy this requirement, so long as such investment is consummated within 180 days of such 365th day; or

(4) any combination of clauses (1) through (3) of Section 4.08(c),

provided that, pending the final application of any such Net Available Cash in accordance with clauses (1), (2), (3) or (4) of Section 4.08(c), the Issuer and the Restricted Subsidiaries may temporarily reduce Indebtedness or otherwise invest such Net Available Cash in any manner not prohibited by this Indenture.

(d) Any Net Available Cash from Asset Dispositions that is not applied or invested or committed to be applied or invested as provided in Section 4.08(c) will be deemed to constitute "Excess Proceeds". On the 366th day (or the 546th day, in the case of any Net Available Cash committed to be used pursuant to a definitive binding agreement or commitment approved by the Board of Directors of the Issuer pursuant to clause (2) or (3) of Section 4.08(c)) after the later of (A) the date of such Asset Disposition and (B) the receipt of such Net Available Cash, if the aggregate amount of Excess Proceeds exceeds \$100 million, the Issuer will be required within ten (10) Business Days thereof to make an offer ("Asset Disposition Offer") to all holders of each series of Notes and, to the extent the Issuer elects, or the Issuer is required by the terms of other outstanding Pari Passu Indebtedness, to all holders of such other outstanding Pari Passu Indebtedness to purchase the maximum principal amount of such Notes and any such Pari Passu Indebtedness to which the Asset Disposition Offer applies that may be purchased out of the Excess Proceeds, at an offer price in respect of the Notes of a series in an amount equal to (and, in the case of any Pari Passu Indebtedness, an offer price of no more than) 100% of the principal amount of such Notes and 100% of the principal amount of Pari Passu Indebtedness, in each case, plus accrued and unpaid interest, if any, to, but not including, the date of purchase, in accordance with the procedures set forth in this Indenture or the agreements governing the Pari Passu Indebtedness, as applicable, and in the case of the Notes, in minimum denominations of \$200,000 and in integral multiples of \$1,000 in excess thereof. No such purchase in part shall reduce the principal amount at maturity of the Notes held by any holder to below \$200,000.

(e) Any Net Available Cash payable in respect of the Notes pursuant to this Section 4.08 will be allocated between the 2021 May Notes, the 2021 September Notes, the 2025 Notes and the 2028 Notes in proportion to the respective aggregate principal amounts of such 2021 May Notes, the 2021 September Notes, the 2025 Notes and the 2028 Notes validly tendered and not withdrawn.

(f) To the extent that the aggregate amount of Notes and Pari Passu Indebtedness so validly tendered and not properly withdrawn pursuant to an Asset Disposition Offer is less than the Excess Proceeds, the Issuer and the Restricted Subsidiaries may use any remaining Excess Proceeds for general corporate purposes, to the extent not prohibited by the other covenants contained in this Indenture. If the aggregate principal amount of the Notes surrendered in any Asset Disposition Offer by Holders and other Pari Passu Indebtedness surrendered by holders or lenders, collectively, exceeds the amount of Excess Proceeds, the Excess Proceeds shall be allocated among the Notes and Pari Passu Indebtedness to be purchased on a *pro rata* basis on the basis of the aggregate principal amount of tendered Notes and Pari Passu Indebtedness. For the purposes of calculating the principal amount of any such Indebtedness not denominated in dollars, such Indebtedness shall be calculated by converting any such principal amounts into their Dollar Equivalent determined as of a date selected by the Issuer that is within the Asset Disposition Offer Period (as defined below). Upon completion of any Asset Disposition Offer, the amount of Excess Proceeds shall be reset at zero.

(g) To the extent that any portion of Net Available Cash payable in respect of the Notes is denominated in a currency other than dollars, the amount thereof payable in respect of the Notes shall not exceed the net Dollar Equivalent of the amount that is actually received by the Issuer.

(h) The Asset Disposition Offer, in so far as it relates to the Notes, will remain open for a period of not less than 20 Business Days following its commencement or such shorter period of time required to comply with Section 14(e) of the Exchange Act and any other applicable securities laws or regulations in connection with the Asset Disposition Offer (the "Asset Disposition Offer Period"). No later

than five (5) Business Days after the termination of the Asset Disposition Offer Period (the “*Asset Disposition Purchase Date*”), the Issuer will purchase the principal amount of Notes and, to the extent it elects, Pari Passu Indebtedness required to be purchased by it pursuant to this Section 4.08 (the “*Asset Disposition Offer Amount*”) or, if less than the Asset Disposition Offer Amount has been so validly tendered, all Notes and Pari Passu Indebtedness validly tendered in response to the Asset Disposition Offer.

(i) On or before the Asset Disposition Purchase Date, the Issuer will, to the extent lawful, accept for payment, on *apro rata* basis to the extent necessary, the Asset Disposition Offer Amount of Notes and Pari Passu Indebtedness or portions of Notes and Pari Passu Indebtedness so validly tendered and not properly withdrawn pursuant to the Asset Disposition Offer, or if less than the Asset Disposition Offer Amount has been validly tendered and not properly withdrawn, all Notes and Pari Passu Indebtedness so validly tendered and not properly withdrawn and, in the case of the Notes, in minimum denominations of \$200,000 and in integral multiples of \$1,000 in excess thereof.

(j) The Issuer will deliver to the Trustee an Officer’s Certificate stating that such Notes or portions thereof were accepted for payment by the Issuer in accordance with the terms of this Section 4.08. The Issuer or the Paying Agent, as the case may be, will promptly (but in any case not later than five Business Days after termination of the Asset Disposition Offer Period) mail or deliver to each tendering Holder of Notes an amount equal to the purchase price of the Notes so validly tendered and not properly withdrawn by such Holder, and accepted by the Issuer for purchase, and the Issuer will promptly issue a new Note (or, in the case of Global Notes, cause the Paying Agent to reduce the aggregate principal amount and amend the applicable Global Note pursuant to Section 2.06(h) hereof and in the case of Definitive Registered Notes, deliver or cause to be delivered to the relevant Registrar for cancellation all Definitive Registered Notes accepted for purchase by the Issuer), and the Trustee, upon receipt of an Officer’s Certificate from the Issuer, will, via an authenticating agent, authenticate and mail or deliver (or cause to be transferred by book-entry) such new Note to such Holder, in a principal amount equal to any unpurchased portion of the Note surrendered; *provided* that each such new Note will be in a principal amount with a minimum denomination of \$200,000. Any Note not so accepted will be promptly mailed or delivered (or transferred by book-entry) by the Issuer to the Holder thereof.

(k) For the purposes of Section 4.08(b)(2), the following will be deemed to be cash:

(1) the assumption by the transferee (or other extinguishment in connection with the transactions relating to such Asset Dispositions) of Indebtedness and any other liabilities (as recorded on the balance sheet of the Issuer or any Restricted Subsidiary or in the footnotes thereto, or if incurred or accrued subsequent to the date of such balance sheet, such liabilities that would have been reflected on the Issuer’s or such Restricted Subsidiary’s balance sheet or in the footnotes thereof if such incurrence or accrual had taken place on or prior to the date of such balance sheet, as determined in good faith by the Issuer) of the Issuer or any Restricted Subsidiary (other than Subordinated Indebtedness of the Issuer) and the release of the Issuer or such Restricted Subsidiary from all liability on such Indebtedness in connection with such Asset Disposition;

(2) securities, notes or other obligations received by the Issuer or any Restricted Subsidiary from the transferee that are converted by the Issuer or such Restricted Subsidiary into cash or Cash Equivalents within 180 days following the closing of such Asset Disposition;

(3) Indebtedness of any Restricted Subsidiary that is no longer a Restricted Subsidiary as a result of such Asset Disposition, to the extent that the Issuer and each other Restricted Subsidiary (as applicable) are released from any Guarantee of payment of such Indebtedness in connection with such Asset Disposition;

93

(4) consideration consisting of Indebtedness of the Issuer (other than Subordinated Indebtedness) received after the Combination Date from Persons who are not the Issuer or any Restricted Subsidiary; and

(5) any Designated Non-Cash Consideration received by the Issuer or any Restricted Subsidiary in such Asset Dispositions having an aggregate fair market value, taken together with all other Designated Non-Cash Consideration received pursuant to this Section 4.08 that is at that time outstanding, not to exceed (at the time of the receipt of such Designated Non-Cash Consideration or, at the Issuer’s option, at the time of contractually agreeing to such Asset Disposition) the greater of \$300 million and 10% of L2QA Pro Forma EBITDA (with the fair market value of each item of Designated Non-Cash Consideration being measured at the time received and without giving effect to subsequent changes in value).

(l) The Issuer will comply, to the extent applicable, with the requirements of Section 14(e) of the Exchange Act and any other securities laws or regulations in connection with the repurchase of Notes pursuant to this Indenture. To the extent that the provisions of any securities laws or regulations conflict with provisions of this Section 4.08, the Issuer will comply with the applicable securities laws and regulations and will not be deemed to have breached its obligations under this Indenture by virtue of any conflict.

Section 4.09 *Limitation on Affiliate Transactions.*

(a) The Issuer will not, and will not permit any of its Restricted Subsidiaries to, directly or indirectly, enter into or conduct any transaction or series of related transactions (including the purchase, sale, lease or exchange of any property or the rendering of any service) with any Affiliate of the Issuer (any such transaction or series of related transactions being “*Affiliate Transactions*”) involving aggregate value in excess of \$50 million unless:

(1) the terms of such Affiliate Transaction taken as a whole are not materially less favorable to the Issuer or such Restricted Subsidiary, as the case may be, than those that could be obtained in a comparable transaction at the time of such transaction or the execution of the agreement providing for such transaction in arm’s-length dealings with a Person who is not such an Affiliate or, if there are no comparable transactions involving non-Affiliates to apply for comparative purposes, the transaction is otherwise on terms that, taken as a whole, the Issuer has conclusively determined in good faith to be fair to the Issuer or such Restricted Subsidiary; and

(2) in the event such Affiliate Transaction involves an aggregate value in excess of \$100 million, the terms of such transaction or series of related transactions have been approved by a resolution of the majority of the members of the Board of Directors of the Issuer resolving that such transaction complies with Section 4.09(a)(1). An Affiliate Transaction shall be deemed to have satisfied the requirements set forth in this clause (2) if either (x) such Affiliate Transaction is approved by a majority of the Disinterested Directors or (y) if the Issuer or any of its Restricted Subsidiaries, as the case may be, delivers to the Trustee a letter from an Independent Financial Advisor stating that such transaction is fair to the Issuer or such Restricted Subsidiary from a financial point of view or stating that the terms are not materially less favorable to the Issuer or its relevant Restricted Subsidiary than those that would have been obtained in a comparable transaction by the Issuer or such Restricted Subsidiary with an unrelated Person on arm’s-length basis.

(b) Section 4.09(a) will not apply to:

94

- (1) any Restricted Payment permitted to be made pursuant to Section 4.05, any Permitted Payments (other than pursuant to Section 4.05(b)(9)(B) or Section 4.05(b)(20)) or any Permitted Investment (other than Permitted Investments as defined in clauses (1)(b) or (2) of the definition thereof);

(a) Section 302, Section 404 or Section 906 of the Sarbanes-Oxley Act of 2002, or related Items 307 and 308 of Regulation S-K under the Securities Act (“*Regulation S-K*”);

(b) Rule 3-10 of Regulation S-X under the Securities Act (“*Regulation S-X*”);

(c) Rule 11-01 of Regulation S-X, give *pro forma* effect to the Transactions, or contain all purchase accounting adjustments relating to the Transactions; or

(c) Notwithstanding the foregoing, the Issuer may satisfy its obligations under clauses (1), (2) and (3) of Section 4.10(a) by delivering the corresponding annual, quarterly or other reports of the CVC Parent; *provided* that to the extent that the Issuer is not the reporting entity and material differences exist between the management, business, assets, shareholding or results of operations or financial condition of the Issuer and the CVC Parent, the annual and quarterly reports shall give a reasonably detailed description of such differences or shall include the consolidated balance sheet, income statements and cash flow statement of the Issuer and its subsidiaries;

(d) The Issuer will be deemed to have furnished the reports referred to in clauses (1), (2) and (3) of Section 4.10(a) if the Issuer or a CVC Parent has filed reports containing such information with the SEC or posted such reports on its website. The Trustee shall have no responsibility to determine if and when any of the above reports have been filed or posted on any website. Delivery of the above reports to the Trustee is for informational purposes only and the Trustee's receipt of such reports will not constitute constructive notice of any information contained therein or determinable from information contained therein, including the Issuer's or any other parties' compliance with any of its covenants in this Indenture (as to which the Trustee will be entitled to rely exclusively on Officer's Certificates that are delivered).

(e) All financial statement information shall be prepared in accordance with GAAP as in effect on the date of such report or financial statement (or otherwise on the basis of GAAP as then in effect) and on a consistent basis for the periods presented; *provided, however*, that the reports set forth in clauses (1), (2) and (3) of Section 4.10(a) may in the event of a change in GAAP, present earlier periods on a basis that applied to such periods. Except as provided for in Section 4.10(f) below, no report need include separate financial statements for the Issuer or Subsidiaries of the Issuer or any disclosure with respect to the results of operations or any other financial or statistical disclosure not of a type included in the Offering Memorandum and, subject to the Issuer's election to apply IFRS, in no event shall IFRS information or reconciliation to IFRS be required.

(f) At any time if any Subsidiary of the Issuer is an Unrestricted Subsidiary and any such Unrestricted Subsidiary or group of Unrestricted Subsidiaries, if taken together as one Subsidiary, constitutes a Significant Subsidiary, then the quarterly and annual financial information required by clauses (1) and (2) of Section 4.10(a) will include a reasonably detailed presentation, either on the face of the financial statements or in the footnotes thereto, of the financial condition and results of operations of the Issuer and its Restricted Subsidiaries separate from the financial condition and results of operations of the Unrestricted Subsidiaries of the Issuer; *provided* that with respect to the Combination Date Unrestricted Subsidiaries, the requirements of this clause (f) shall be satisfied by the inclusion of information relating to the Combination Date Unrestricted Subsidiaries substantially similar to that provided in, or included by reference in, the Offering Memorandum.

(g) Substantially concurrently with the issuance to the Trustee of the reports specified in clauses (1), (2) and (3) of Section 4.10(a), the Issuer shall also (A) use its commercially reasonable efforts (i) to post copies of such reports on such website as may be then maintained by the Issuer and its Subsidiaries or any CVC Parent or (ii) otherwise to provide substantially comparable public availability of such reports (as determined by the Issuer in good faith) or (B) to the extent the Issuer determines in good faith that such reports cannot be made available in the manner described in Section 4.10(g)(A) owing to applicable law or after the use of its commercially reasonable efforts, furnish such reports to the Holders and, upon their request, prospective purchasers of the Notes.

(h) For so long as the Notes remain outstanding and during any period during which the Issuer is not subject to Section 13 or 15(d) of the Exchange Act nor exempt therefrom pursuant to Rule 12g3-2(b), the Issuer shall furnish to the Holders and holders of beneficial interests in the Notes and, upon their request,

prospective purchasers of the Notes or prospective and purchasers of beneficial interests in the Notes, the information required to be delivered pursuant to Rule 144A(d) (4) under the Securities Act.

(i) The Trustee shall have no obligation to determine if and when the Issuer's financial statements or reports are publicly available and accessible electronically. Delivery of these reports, information and documents to the Trustee is for informational purposes only and the Trustee's receipt of any of those will not constitute constructive notice of any information contained therein or determinable from information contained therein, including the Issuer's compliance with any of its covenants hereunder (as to which the Trustee is entitled to rely exclusively on Officer's Certificates).

Section 4.11 *Suspension of Covenants on Achievement of Investment Grade Status.*

If on any date following the Combination Date, any series of Notes have achieved Investment Grade Status and no Default or Event of Default has occurred and is continuing (a "*Suspension Event*"), then the Issuer shall notify the Trustee of these events and beginning on that day and continuing until such time, if any, at which the applicable series of Notes cease to have Investment Grade Status (the "*Reversion Date*"), the following sections will not apply to such series of Notes: Section 4.04, Section 4.05, Section 4.07, Section 4.08, Section 4.09 and Section 5.03(a)(3) and any related default provision of this Indenture will cease to be effective and will not be applicable to the Issuer and the Restricted Subsidiaries. Such Sections and any related default provisions will again apply according to their terms from the first day on which a Suspension Event ceases to be in effect. Such Sections will not, however, be of any effect with regard to actions of the Issuer properly taken during the continuance of the Suspension Event, and Section 4.05 will be interpreted as if it has been in effect since the date of this Indenture except that no Default will be deemed to have occurred solely by reason of a Restricted Payment made while Section 4.05 was suspended. On the Reversion Date, all Indebtedness Incurred during the continuance of the Suspension Event will be classified, at the Issuer's option, as having been Incurred pursuant to Section 4.04(a) or Section 4.04(b) (to the extent such Indebtedness would be permitted to be Incurred thereunder as of the Reversion Date and after giving effect to Indebtedness Incurred prior to the Suspension Event and outstanding on the Reversion Date). To the extent such Indebtedness would not be so permitted to be Incurred under Section 4.04(a) or Section 4.04(b), such Indebtedness will be deemed to have been outstanding on the Combination Date, so that it is classified as permitted under Section 4.04(b)(4)(b). The Issuer shall give the Trustee written notice of any Covenant Suspension Event and in any event not later than five Business Days after such Covenant Suspension Event has occurred. In the absence of such notice, the Trustee shall assume the Suspended Covenants apply and are in full force and effect. The Issuer shall give the Trustee written notice of any occurrence of a Reversion Date not later than five Business Days after such Reversion Date. After any such notice of the occurrence of a Reversion Date, the Trustee shall assume the Suspended Covenants apply and are in full force and effect. The Issuer shall give the Trustee written notice of any Suspension Event and in any event not later than five Business Days after such Suspension Event has occurred. The Issuer shall give the Trustee written notice of any occurrence of a Reversion Date not later than five Business Days after such Reversion Date. Absent such written notice the Trustee shall be entitled to assume that no Suspension Event or the occurrence of any Reversion Date has occurred.

Section 4.12 *[Reserved].*

Section 4.13 *[Reserved].*

Section 4.14 *Compliance Certificate.*

The Issuer shall deliver to the Trustee, within 120 days after the end of each fiscal year (beginning with the fiscal year ending December 31, 2018), an Officer's Certificate indicating whether the signers thereof know of any Default that occurred during the previous year. The Issuer shall deliver to the Trustee,

within 30 days after the occurrence of a Default or Event of Default a written notice of any events of which it is aware which would constitute certain Defaults, their status and what action the Issuer is taking or proposes to take with respect thereto.

The Trustee shall not be deemed to have knowledge of any Default except any Default under clauses (1) or (2) of Section 6.01(a) or any other Default of which a Responsible Officer shall have received written notification in accordance with Section 12.01 or obtained actual knowledge.

If a Default occurs for a failure to deliver a required certificate in connection with another default (such other default, an *Initial Default*) then at the time such Initial Default is cured, such Default for a failure to report or deliver a required certificate in connection with the Initial Default will also be cured without any further action and (ii) any Default or Event of Default for the failure to comply with the time periods prescribed in Section 4.10 or otherwise to deliver any notice or certificate pursuant to any other provision of this Indenture shall be deemed to be cured upon the delivery of any such report required by such covenant or notice or certificate, as applicable, even though such delivery is not within the prescribed period specified in this Indenture.

Section 4.15 *[Reserved]*.

Section 4.16 *[Reserved]*.

Section 4.17 *[Reserved]*.

Section 4.18 *[Reserved]*.

Section 4.19 *Payments for Consents*.

The Issuer will not, and will not permit any of its Restricted Subsidiaries to, directly or indirectly, pay or cause to be paid any consideration to or for the benefit of any Holder for or as an inducement to any consent, waiver or amendment of any of the terms of the provisions of this Indenture or the Notes unless such consideration is offered to be paid and is paid to all holders of Notes that consent, waive or agree to amend in the time-frame set forth in the solicitation documents relating to such consent, waiver or amendment; *provided, however*, that if any consent, waiver or amendment will only affect the 2021 May Notes, 2021 September Notes, 2025 Notes or 2028 Notes such consideration shall only be required to be offered to be paid and be paid to all Holders of the relevant series of Notes that consent, waive or agree to amend in the time-frame set forth in the solicitation documents relating to such consent, waiver or amendment. Notwithstanding the foregoing, the Issuer and the Restricted Subsidiaries shall be permitted, in any offer or payment of consideration for, or as an inducement to, any consent, waiver or amendment of any of the terms or provisions of this Indenture, to exclude holders of Notes in any jurisdiction where (i) the solicitation of such consent, waiver or amendment, including in connection with an exchange offer or an offer to purchase for cash, or (ii) the payment of the consideration therefor would require the Issuer or any Restricted Subsidiary to file a registration statement, prospectus or similar document under any applicable securities laws (including, but not limited to, the United States federal securities laws and the laws of the European Union), which the Issuer in its sole discretion determine (acting in good faith) (A) would be materially burdensome (it being understood that it would not be materially burdensome to file the consent document(s) used in other jurisdictions, any substantially similar documents or any summary thereof with the securities or financial services authorities in such jurisdiction) or (B) such solicitation would otherwise not be permitted under applicable law in such jurisdiction.

Section 4.20 *Lines of Business.*

The Issuer will not, and will not permit any of its Restricted Subsidiaries to, engage in any business other than a Similar Business, except to such extent as would not be material to the Issuer and the Restricted Subsidiaries, taken as a whole.

Section 4.21 *[Reserved].*

Section 4.22 *[Reserved].*

Section 4.23 *[Reserved].*

Section 4.24 *[Reserved].*

Section 4.25 *[Reserved].*

Section 4.26 *[Reserved].*

Section 4.27 *Limited Condition Transaction*

In connection with any action being taken in connection with a Limited Condition Transaction, for purposes of determining compliance with any provision of this Indenture which requires that no Default or Event of Default, as applicable, has occurred, is continuing or would result from any such action, as applicable, such condition shall, at the option of the Issuer, be deemed satisfied, so long as no Default or Event of Default, as applicable, exists on the date the definitive agreements or irrevocable notice, as applicable, for such Limited Condition Transaction are entered into or has been delivered, as applicable. For the avoidance of doubt, if the Issuer has exercised its option under the first sentence of this Section 4.27, and any Default or Event of Default occurs following the date the definitive agreements or irrevocable notice, as applicable, for the applicable Limited Condition Transaction were entered into or has been delivered, as applicable, and prior to the consummation of such Limited Condition Transaction, any such Default or Event of Default shall be deemed to not have occurred or be continuing for purposes of determining whether any action being taken in connection with such Limited Condition Transaction is permitted hereunder.

In connection with any action being taken in connection with a Limited Condition Transaction for purposes of:

- (1) determining compliance with any provision of this Indenture which requires the calculation of the Consolidated Net Senior Secured Leverage Ratio, Consolidated Net Leverage Ratio or Priority Indebtedness Ratio; or
- (2) testing baskets set forth in this Indenture (including baskets measured as a percentage of L2QA Pro Forma EBITDA);

in each case, at the option of the Issuer (the Issuer's election to exercise such option in connection with any Limited Condition Transaction, an *ECT Election*"), the date of determination of whether any such action is permitted hereunder, shall be deemed to be the date the definitive agreements or irrevocable notice, as applicable, for such Limited Condition Transaction are entered into or has been delivered, as applicable (the *LCT Test Date*"). If, after giving pro forma effect to the Limited Condition Transaction and the other transactions to be entered into in connection therewith (including any Incurrence of Indebtedness and the use of proceeds thereof) as if they had occurred at the beginning of the most recent two consecutive fiscal quarters ending prior to the LCT Test Date for which consolidated financial statements of the Issuer are available, the Issuer could have taken such action on the relevant LCT Test Date in compliance with such ratio or basket, such ratio or basket shall be deemed to have been complied with.

If the Issuer has made an LCT Election and any of the ratios or baskets for which compliance was determined or tested as of the LCT Test Date are exceeded as a result of fluctuations in any such ratio or basket, including due to fluctuations in L2QA Pro Forma EBITDA of the Issuer or the Person subject to such Limited Condition Transaction, at or prior to the consummation of the relevant transaction or action, such baskets or ratios will not be deemed to have been exceeded as a result of such fluctuations. If the Issuer has made an LCT Election for any Limited Condition Transaction, then in connection with any subsequent calculation of any ratio or basket availability with respect to the Incurrence of Indebtedness or Liens, or the making of Asset Dispositions, mergers, the conveyance, lease or other transfer of all or substantially all of the assets of the Issuer or the designation of an Unrestricted Subsidiary or the making of Investments or Restricted Payments on or following the relevant LCT Test Date and prior to the earlier of the date on which such Limited Condition Transaction is consummated or the definitive agreement or irrevocable notice, as applicable, for such Limited Condition Transaction is terminated or expires without consummation of such Limited Condition Transaction, any such ratio or basket shall be calculated on a pro forma basis assuming such Limited Condition Transaction and other transactions in connection therewith (including any Incurrence of Indebtedness and the use of proceeds thereof) have been consummated.

(c) The Successor Company will succeed to, and be substituted for, and may exercise every right and power of, the Issuer under this Indenture but in the case of a lease of all or substantially all its assets, the predecessor company will not be released from its obligations under this Indenture or the Notes.

(d) Notwithstanding clauses (2) and (3) (which do not apply to transactions referred to in this sentence) and (4) of Section 5.03(a) (which does not apply to transactions referred to in this sentence in which the Issuer is the Successor Company), (a) any Restricted Subsidiary may consolidate or otherwise combine with, merge into or transfer all or part of its properties and assets to the Issuer; (b) any Restricted Subsidiary may consolidate or otherwise combine with, merge into or transfer all or part of its properties and assets to any other Restricted Subsidiary or the Issuer and (c) the Issuer and the Restricted Subsidiaries may effect any Permitted Reorganization. (3) failure by the Issuer or any Restricted Subsidiary to comply for 60 days after notice by the Trustee or the Holders of at least 25% in principal amount of the outstanding Notes with its other agreements under this Indenture; provided that in the case of a failure to comply with the Indenture provisions described under Section 4.05, such period of continuance of such default or breach shall be 90 days after notice described in this clause (3) is given;

(4) [Reserved];

(5) default under any mortgage, indenture or instrument under which there may be issued or by which there may be secured or evidenced any Indebtedness for money borrowed by the Issuer or any Restricted Subsidiary (or the payment of which is Guaranteed by the Issuer or any Restricted Subsidiary) other than Indebtedness owed to the Issuer or a Restricted Subsidiary whether such Indebtedness or Guarantee now exists, or is created after the Combination Date, which default:

(A) is caused by the failure to pay principal of such Indebtedness at the Stated Maturity thereof (after giving effect to any applicable grace periods provided in such Indebtedness) ("*payment default*"); or

(B) results in the acceleration of such Indebtedness prior to its maturity (the "*cross-acceleration provision*"),

and, in each case, the principal amount of any such Indebtedness, together with the principal amount of any other such Indebtedness under which there has been a payment default or the maturity of which has been so accelerated, aggregates \$25 million or more;

(6) certain events of bankruptcy, insolvency or court protection of the Issuer or a Significant Subsidiary or group of Restricted Subsidiaries that, taken together, would constitute a Significant Subsidiary pursuant to or within the meaning of Bankruptcy Law:

(A) commences proceedings to be adjudicated bankrupt or insolvent;

(B) consents to the institution of bankruptcy or insolvency proceedings against it, or the filing by it of a petition or answer or consent seeking reorganization or relief under applicable Bankruptcy Law;

(C) consents to the appointment of a receiver, liquidator, assignee, trustee, sequestrator or other similar official of it or for all or substantially all of its property;

(D) makes a general assignment for the benefit of its creditors; or

(E) generally is not paying its debts as they become due;

(7) failure by the Issuer or a Significant Subsidiary or a group of Restricted Subsidiaries that, taken together, would constitute a Significant Subsidiary to pay final judgments aggregating in excess of \$25 million, exclusive of any amounts that a solvent insurance company has acknowledged liability for, which judgments are not paid, discharged or stayed for a period of 60 days after the judgment becomes final (the "*judgment default provision*");

(8) [Reserved]; and

(9) [Reserved].

The foregoing shall constitute Events of Default whatever the reason for any such Event of Default and whether it is voluntary or involuntary or is effected by operation of law or pursuant to any judgment, decree or order of any court of any order, rule or regulation of any administrative or governmental body.

(b) A Default under clauses (3), (5), (7) of Section 6.01(a) will not constitute an Event of Default until the Trustee or the Holders of 25% in principal amount of the outstanding Notes under this Indenture notify the Issuer of the Default and, with respect to clauses (3), (5) and (7) of Section 6.01(a) the Issuer does not cure such Default within the time specified in clauses (3), (5) and (7) of Section 6.01(a), as applicable, after receipt of such notice.

(c) The Trustee shall not be deemed to have notice of any Default or Event of Default (other than Default under clauses (1) or (2) of Section 6.01(a)) unless a written notice of any event which is in fact such a Default is received by a Responsible Officer of the Trustee at the Corporate Trust Office of the Trustee, and such notice references the Notes and this Indenture.

(d) If a Default occurs for a failure to deliver a required certificate in connection with another Default (such other Default, an *'Initial Default'*) then at the time such Initial Default is cured, such Default for a failure to report or deliver a required certificate in connection with the Initial Default will also be cured without any further action.

(e) Any Default or Event of Default for the failure to comply with the time periods prescribed in Section 4.10 or otherwise to deliver any notice or certificate pursuant to any other provision of this Indenture shall be deemed to be cured upon the delivery of any such report required by such covenant or notice or certificate, as applicable, even though such delivery is not within the prescribed period specified in this Indenture.

Section 6.02 *Acceleration.*

If an Event of Default described in clause (6) of Section 6.01(a) occurs and is continuing, the principal of, premium, if any, and accrued and unpaid interest on all the Notes will become and be immediately due and payable without any declaration or other act on the part of the Trustee or any Holders. If any other Event of Default (other than an Event of Default pursuant to Section 6.01(a)(6)) occurs and is continuing, the Trustee or the Holders of at least 25% in aggregate principal amount of the then outstanding Notes may and, if directed by holders of at least 25% in aggregate principal amount of the then outstanding Notes, the Trustee shall, declare all the Notes to be due and payable immediately. In the event of a declaration of acceleration of the Notes because an Event of Default under Section 6.01(a)(5) has occurred and is continuing, the declaration of acceleration of the Notes shall be automatically annulled if the event of default or payment default triggering such Event of Default pursuant to Section 6.01(a)(5) shall be remedied or cured, or waived by the holders of the relevant Indebtedness, or the relevant Indebtedness that gave rise to such Event of Default shall have been discharged in full, within 30 days after the declaration of acceleration with respect thereto and if (i) the annulment of the acceleration of the Notes would not conflict with any judgment or decree of a court of competent jurisdiction and (ii) all existing Events of Default, except nonpayment of principal, premium or interest on the Notes that became due solely because of the acceleration of the Notes, have been cured or waived.

Section 6.03 *Other Remedies.*

Subject to Article 12 and to the duties of the Trustee as provided for in Article 7, if an Event of Default occurs and is continuing, the Trustee may pursue any available remedy to collect the payment of

principal of or interest on the Notes or to enforce the performance of any provision of the Notes or this Indenture.

The Trustee may maintain a proceeding even if it does not possess any of the Notes or does not produce any of them in the proceeding. A delay or omission by the Trustee or any Holder in exercising any right or remedy accruing upon an Event of Default shall not impair the right or remedy or constitute a waiver of or acquiescence in the Event of Default. No remedy is exclusive of any other remedy. All available remedies are cumulative to the extent permitted by law.

Section 6.04 *Waiver of Past Defaults.*

The Holders of a majority in the aggregate principal amount of the outstanding Notes under this Indenture may waive all past or existing Defaults or Events of Default (except with respect to nonpayment of principal, premium or interest) and rescind any such acceleration with respect to such Notes and its consequences if rescission would not conflict with any judgment or decree of a court of competent jurisdiction.

Section 6.05 *Control by Majority.*

The Holders of a majority in aggregate principal amount of the outstanding Notes are given the right to direct the time, method and place of conducting any proceeding for any remedy available to the Trustee (on behalf of the Holders) or of exercising any trust or power conferred on the Trustee (on behalf of the Holders). However, the Trustee may refuse to follow any direction that conflicts with law or this Indenture or that the Trustee determines is unduly prejudicial to the rights of any other Holder or that would involve the Trustee in personal liability. Subject to Article 7, if an Event of Default occurs and is continuing, prior to taking any action under this Indenture, the Trustee will be entitled to indemnification and/or security satisfactory to it in its sole discretion against all losses and expenses caused by taking or not taking such action.

Section 6.06 *Limitation on Suits.*

(a) Except to enforce the right to receive payment of principal or interest when due, no Holder may pursue any remedy with respect to this Indenture or the Notes unless:

- (1) such Holder has previously given the Trustee notice that an Event of Default is continuing;
- (2) Holders of at least 25% in aggregate principal amount of the outstanding Notes have requested the Trustee to pursue the remedy;
- (3) such Holders have offered the Trustee, and the Trustee has received, security and/or indemnity satisfactory to it against any loss, liability or expense;
- (4) the Trustee has not complied with such request within 60 days after the receipt of the request and the offer of security and/or indemnity; and
- (5) the Holders of a majority in aggregate principal amount of the outstanding Notes have not given the Trustee a direction that, in the opinion of the Trustee, is inconsistent with such request within such 60-day period.

(b) A Holder may not use this Indenture to prejudice the rights of another Holder or to obtain a preference or priority over another Holder.

Section 6.07 *Rights of Holders to Receive Payment*

Subject to Section 9.02, the right of any Holder to receive payment of principal of and interest on the Notes held by such Holder, on or after the respective due dates expressed or provided for in the Notes, or to bring suit for the enforcement of any such payment on or after such respective dates, shall not be impaired or affected without the consent of such Holder.

Section 6.08 *Collection Suit by Trustee.*

If an Event of Default specified in clause (1) or (2) of Section 6.01(a) occurs and is continuing, the Trustee may recover judgment in its own name and as trustee of an express trust against the Issuer or any other obligor on the Notes for the whole amount then due and owing (together with interest on any unpaid interest to the extent lawful) and the amounts provided for in Section 7.07.

Section 6.09 *Trustee May File Proofs of Claim.*

The Trustee may file such proofs of claim and other papers or documents and take such actions as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the properly incurred compensation, expenses, disbursements and advances of the Trustee, its agent and counsel and any other amounts due to the Trustee under Section 7.07) and the Holders allowed in any judicial proceedings relative to the Issuer, their creditors or their property and, unless prohibited by law or applicable regulations, may vote on behalf of the Holders in any election of a trustee in bankruptcy or other Person performing similar functions, and any Custodian in any such judicial proceeding is hereby authorized by each Holder to make payments to the Trustee and, in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due it for the properly incurred compensation, expenses, disbursements and advances of the Trustee, its agents and its counsel, and any other amounts due the Trustee and the Agents under Section 7.07.

Section 6.10 *Priorities.*

If the Trustee collects any money or property pursuant to this Article 6, it shall pay out the money or property in the following order:

FIRST: to the Trustee and the Agents for amounts due under Section 7.02 and Section 7.07;

SECOND: to Holders for amounts due and unpaid on the Notes for principal and interest, ratably, without preference or priority of any kind, according to the amounts due and payable on the Notes for principal and interest, respectively; and

THIRD: to the Issuer or to such party as a court of competent jurisdiction shall direct.

The Trustee may fix a record date and payment date for any payment to Holders pursuant to this Section 6.10. At least 15 days before such record date, the Trustee shall mail to each Holder and the Issuer a notice that states the record date, the payment date and amount to be paid.

Section 6.11 *Undertaking for Costs.*

In any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee for any action taken or omitted by it as the Trustee, a court in its discretion may require the filing by any party litigant in the suit of an undertaking to pay the costs of the suit, and the court in its discretion may assess reasonable costs, including properly incurred attorneys' fees, against any party litigant in the suit, having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section 6.11 does not apply to a suit by the Trustee or a Paying Agent, a suit by a Holder pursuant to Section 6.07 or a suit by Holders of more than 10% in principal amount of the Notes then outstanding.

Section 6.12 *Waiver of Stay or Extension Laws.*

The Issuer (to the extent it may lawfully do so) shall not at any time insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay or extension law wherever enacted, now or at any time hereafter in force, which may affect the covenants or the performance of this Indenture; and the Issuer (to the extent that it may lawfully do so) hereby expressly waives all benefit or advantage of any such law, and shall not hinder, delay or impede the execution of any power herein granted to the Trustee, but shall suffer and permit the execution of every such power as though no such law had been enacted.

Section 6.13 *Restoration of Rights and Remedies.*

If the Trustee or any Holder has instituted any proceeding to enforce any right or remedy under this Indenture and such proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Trustee or to such Holder, then and in every such case, subject to any determination in such proceeding, the Issuer, the Trustee and the Holders shall be restored severally and respectively to their former positions hereunder and thereafter all rights and remedies of the Trustee and the Holders shall continue as though no such proceeding had been instituted.

Section 6.14 *Rights and Remedies Cumulative.*

Except as otherwise provided with respect to the replacement or payment of mutilated, destroyed, lost or stolen Notes in Section 2.07, no right or remedy herein conferred upon or reserved to the Trustee or to the Holders is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

Section 6.15 *Delay or Omission Not Waiver.*

No delay or omission of the Trustee or of any Holder to exercise any right or remedy accruing upon any Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein. Every right and remedy given by this Article 6 or by law to the Trustee or to the Holders may be exercised from time to time, and as often as may be deemed expedient, by the Trustee or by the Holders, as the case may be.

ARTICLE 7
TRUSTEE

Section 7.01 *Duties of Trustee.*

(a) In the event an Event of Default has occurred and is continuing of which a Responsible Officer of the Trustee has received written notification in accordance with the provisions of this Indenture, the Trustee will exercise such of the rights and powers vested in it under this Indenture and use the same degree of care that a prudent Person would use in the conduct of its own affairs.

(b) Except during the continuance of an Event of Default:

(1) the Trustee undertakes to perform such duties and only such duties as are specifically set forth in this Indenture and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(2) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture. However, the Trustee shall examine such certificates and opinions to determine whether or not they conform to the requirements of this Indenture (but need not confirm or investigate the accuracy of mathematical calculations or other facts stated therein) and shall be entitled to seek advice from legal counsel in relation thereto.

(c) The Trustee may not be relieved from liability for its own grossly negligent action, its own grossly negligent failure to act or its own willful misconduct, except that:

(1) this Section 7.01(c) does not limit the effect of Section 7.01(a);

(2) the Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer unless it is proved that the Trustee was grossly negligent in ascertaining the pertinent facts; and

(3) the Trustee shall not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it pursuant to Section 7.02, Section 7.03 or Section 7.05;

(d) The Trustee shall not be deemed to have notice or any actual knowledge of any matter (including, without limitation, Defaults or Events of Default (other than default under Section 6.01(a)(1) or 6.01(a)(2))), unless written notice thereof is received by the Responsible Officer of the Trustee at the Corporate Trust Office of the Trustee in accordance with this Indenture and such notice clearly references the Notes, the Issuer or this Indenture.

(e) Every provision of this Indenture that in any way relates to the Trustee is subject to Section 7.01(a), Section 7.01(b), Section 7.01(c) and Section 7.01(f).

(f) No provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur liability in the performance of any of its duties hereunder or to take or omit to take any action under this Indenture or take any action at the request or direction of Holders if it has grounds for believing that repayment of such funds is not assured to it or it does not receive an agreement in writing from the Holders for full indemnity and/or security satisfactory to it in its discretion against any loss, liability or expense which might be incurred by it in compliance with such request or direction nor shall the Trustee be required to do anything which is illegal or contrary to applicable laws or this Indenture. The Trustee will not be liable to the Holders if prevented or delayed in performing any of its obligations or discretionary functions under this Indenture by reason of any present or future law applicable to it, by any governmental or regulatory authority or by any circumstances beyond its control.

(g) The Trustee shall not be liable for interest on any money received by it except as the Trustee may agree in writing with the Issuer.

(h) Money held in trust by the Trustee need not be segregated from other funds except to the extent required by law.

(i) The Trustee will (save as expressly otherwise provided herein) have absolute and uncontrolled discretion as to the exercise or non-exercise of its functions and will not be responsible for any loss, liability, cost, claim, action, demand, expense or inconvenience which may result from their exercise or non-exercise but, whenever the Trustee is under the provisions of this Indenture or the Notes bound to act at the request or direction of the Holders, the Trustee shall nevertheless not be so bound unless first indemnified and/or secured to its satisfaction against all actions, proceedings, claims and demands to which it may render itself liable and all costs, charges, damages, expenses and liabilities which it may incur by so doing.

Section 7.02 *Rights of Trustee.*

(a) The Trustee may refrain from taking any action in any jurisdiction if the taking of such action in that jurisdiction would, in its opinion, based upon legal advice in the relevant jurisdiction, be contrary to any law of that jurisdiction or, to the extent applicable, the State of New York. Furthermore, the Trustee may also refrain from taking such action if such action would otherwise render it liable to any person in that jurisdiction, the State of New York or if, in its opinion based upon such legal advice, it would not have the power to do the relevant thing in that jurisdiction by virtue of any applicable law in that jurisdiction, in the State of New York or if it is determined by any court or other competent authority in that jurisdiction, in the State of New York that it does not have such power.

(b) The Trustee may conclusively rely and shall be fully protected in acting or refraining to act based upon any document believed by it to be genuine and to have been signed or presented by the proper Person. The Trustee need not investigate any fact or matter stated in the document.

(c) Before the Trustee acts or refrains from acting, it may require an Officer's Certificate or an Opinion of Counsel. The Trustee shall not be liable for any action it takes or omits to take in good faith in reliance on such Officer's Certificate or Opinion of Counsel.

(d) The Trustee may act through attorneys and agents and shall not be responsible for the misconduct or negligence of any agent appointed with due care.

(e) The Trustee shall not be liable for any action it takes or omits to take in good faith which it believes to be authorized or within its rights or powers conferred upon it by this Indenture; *provided, however*, that the Trustee's conduct does not constitute willful misconduct or gross negligence.

(f) The Trustee may retain professional advisers to assist it in performing its duties under this Indenture. The Trustee may consult with counsel of its selection, and the advice or Opinion of Counsel with respect to legal matters relating to this Indenture and the Notes shall be full and complete authorization and protection from liability in respect of any action taken, omitted or suffered by it hereunder in good faith and in accordance with the advice or opinion of such counsel.

(g) The Trustee shall not be bound to make any investigation into the facts or matters stated in any Officer's Certificate, Opinion of Counsel, or any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, approval, appraisal, bond, debenture, note, coupon, security other evidence of indebtedness or other paper or document, but the Trustee, in its discretion, may

make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine the books, records and premises of the Issuer, personally or by agent or attorney at the sole cost of the Issuer.

(h) The Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request, order or direction of any of the Holders pursuant to the provisions of this Indenture, unless such Holders shall have offered to the Trustee indemnity and/or other security satisfactory to the Trustee against any loss, liability or expense which may be incurred by it in compliance with such request, order or direction.

(i) In the event the Trustee receives inconsistent or conflicting requests and indemnity from two or more groups of Holders, each representing less than the requisite majority in aggregate principal amount of the Notes then outstanding, pursuant to the provisions of this Indenture, the Trustee, in its sole discretion, may determine what action, if any, shall be taken and shall be held harmless and shall not incur any liability for its failure to act until such inconsistency or conflict is, in its opinion, resolved, and absent willful misconduct or gross negligence, the Trustee shall not be liable for acting in good faith on instructions believed by them to be genuine and from the proper party.

(j) *[Reserved]*.

(k) *[Reserved]*.

(l) The Trustee shall have no duty to inquire as to the performance of the covenants of the Issuer and/or its Restricted Subsidiaries in this Indenture and shall be entitled to assume that the Issuer and any Restricted Subsidiaries are in compliance with the terms of this Indenture.

(m) The Trustee shall not have any obligation or duty to monitor, determine or inquire as to compliance, and shall not be responsible or liable for compliance with restrictions on transfer, exchange, redemption, purchase or repurchase, as applicable, of minimum denominations imposed under this Indenture or under applicable law or regulation with respect to any transfer, exchange, redemption, purchase or repurchase, as applicable, of any interest in any Notes, but may at its sole discretion, choose to do so.

(n) *[Reserved]*.

(o) The Trustee and each Agent shall not be liable for acting in good faith on instructions believed by it to be genuine and from the proper party.

(p) The Trustee shall not be required to give any bond or surety with respect to the performance of its duties or the exercise of its powers under this Indenture.

(q) *[Reserved]*.

(r) The permissive rights of the Trustee to take the actions permitted by this Indenture will not be construed as an obligation or duty to do so.

(s) Anything in this Indenture to the contrary notwithstanding, in no event shall the Trustee be liable for punitive, special, indirect or consequential loss or damage of any kind whatsoever (including but not limited to loss of business, goodwill, opportunity or profits of any kind) of the Issuer, any Restricted Subsidiary or any other person, even if the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action.

(t) Except with respect to Section 4.01, and provided it or an affiliate of it is acting as the Paying Agent, the Trustee shall have no duty to inquire as to the performance of the Issuer with respect to the covenants contained in Article 4. The Trustee may assume without inquiry in the absence of written notice to the contrary that the Issuer is duly complying with its obligations contained in this Indenture required to be performed and observed by it, and that no Default or Event of Default or other event which would require repayment of the Notes has occurred.

(u) In no event shall the Trustee be responsible or liable for any failure or delay in the performance of its obligations hereunder arising out of, or caused by, directly or indirectly, forces beyond its control, including, without limitation, acts of war or terrorism, civil or military disturbances, nuclear or natural catastrophes or acts of God; it being understood that the Trustee shall use reasonable efforts that are consistent with accepted practices in the banking industry to resume performance as soon as practicable under the circumstances.

(v) The Trustee may request that the Issuer deliver an Officer's Certificate setting forth the names of the individuals and/or titles of officers authorized at such time to take specified actions pursuant to this Indenture, which Officer's Certificate may be signed by any person authorized to sign an Officer's Certificate, including any person specified as so authorized in any such certificate previously delivered and not superseded.

(w) The Trustee may, in the execution and exercise of all or any of the trusts, powers, authorities and discretions vested in it by this Indenture, delegate to any person or persons all or any of the trusts, powers, authorities and discretions vested in it by this Indenture and any such delegation may be made upon such terms and conditions and subject to such regulations as the Trustee may think fit. The Trustee shall not be under any obligation to supervise the activities of such delegates and shall not be responsible for the misconduct or negligence of such delegates, or for any costs, expenses, losses or liabilities of, or caused by, such delegates, *provided* that such delegation has been made with reasonable care.

(x) No provision of this Indenture shall require the Trustee to do anything which, in its opinion, may be illegal or contrary to applicable law or regulation.

(y) The Trustee and the Paying Agent shall be entitled to make payments net of any taxes or other sums required by any applicable law to be withheld or deducted.

(z) The permissive rights of the Trustee enumerated herein shall not be construed as duties.

Section 7.03 *Individual Rights of Trustee.*

The Trustee in its individual or any other capacity may become the owner or pledgee of Notes and may otherwise deal with the Issuer, its Subsidiaries or their respective Affiliates with the same rights it would have if it were not Trustee. For the avoidance of doubt, any Paying Agent, Transfer Agent or Registrar may do the same with like rights.

Section 7.04 *Trustee's Disclaimer.*

The Trustee shall not be responsible for and makes no representation as to the validity, effectiveness, correctness or adequacy of this Indenture, the offering materials related to this Indenture or the Notes, it shall not be accountable for the Issuer's use of the proceeds from the Notes or any money paid to the Issuer or upon the Issuer's direction under any provision of this Indenture, and it shall not be responsible for any statement of the Issuer in this Indenture or in any document issued in connection with

113

the sale of the Notes or in the Notes other than the Trustee's certificate of authentication. The Trustee shall not be charged with knowledge of the identity of any Significant Subsidiary unless either (a) a Responsible Officer shall have actual knowledge thereof or (b) the Trustee shall have received notice thereof in accordance with Section 12.01 from the Issuer or any Holder.

Section 7.05 *Notice of Defaults.*

If a Default occurs and is continuing and a Responsible Officer of the Trustee has received written notification thereof by the Issuer, the Trustee shall give notice of the Default to the Holders within 60 days after being notified by the Issuer. Except in the case of a Default in the payment of principal of, or premium, if any, or interest on any Note, the Trustee may withhold notice if and so long as a committee of trust officers of the Trustee in good faith determines that withholding notice is in the interests of the Holders.

Section 7.06 *[Reserved].*

Section 7.07 *Compensation and Indemnity.*

The Issuer shall pay to the Trustee and the Agents from time to time such compensation as the Issuer and Trustee or the Agents, as applicable, may from time to time agree in writing for its acceptance of this Indenture and services hereunder and under the Notes. The Trustee's and the Agents' compensation shall not be limited by any law on compensation of a trustee of an express trust.

In the event of the occurrence of an Event of Default or the Trustee considering it expedient or necessary or being requested by the Issuer to undertake duties which the Trustee and the Issuer agree to be of an exceptional nature or otherwise outside the scope of the normal duties of the Trustee, the Issuer shall pay to the Trustee such additional remuneration as shall be agreed between them.

The Issuer shall reimburse the Trustee and the Agents promptly upon request for all properly incurred disbursements, advances and expenses incurred or made by it (as evidenced in an invoice from the Trustee or the Agents, as applicable), including costs of collection, in addition to the compensation for its services. Such expenses shall include the properly incurred compensation and expenses, disbursements and advances of the Trustee's agents, counsel, accountants and experts. The Issuer shall indemnify the Trustee, the Agents and their respective officers, directors, agents and employers against any and all loss, liability, taxes or expenses (including properly incurred attorneys' fees) incurred by or in connection with the acceptance or administration of its duties under this Indenture and the Notes including the costs and expenses of enforcing this Indenture against the Issuer (including this Section 7.07) and defending itself against any claim (whether asserted by the Issuer or any Holder or any other person) or liability in connection with the exercise or performance of any of its powers or duties hereunder.

The Trustee shall notify the Issuer of any claim for which it may seek indemnity promptly upon obtaining actual knowledge thereof *provided, however*, that any failure to so notify the Issuer shall not relieve the Issuer of its indemnity obligations hereunder. Except in cases where the interests of the Issuer and the Trustee may be adverse, the Issuer shall defend the claim and the indemnified party shall provide reasonable cooperation at the Issuer's expense in the defense. In cases where the interests of the Issuer and the Trustee are adverse, (i) such indemnified party may, in its sole discretion, assume the defense of the claim against it and the Issuer pay the properly incurred fees and expenses of the indemnified party's defense (as evidenced in an invoice from the Trustee) and (ii) such indemnified parties may have separate counsel of their choosing and the Issuer shall pay the properly incurred fees and expenses of such counsel (as evidenced in an invoice from the Trustee). The Issuer need not pay for any settlement made without its consent, which consent shall not be unreasonably withheld. The Issuer need not reimburse any expense or

114

indemnify against any loss, liability or expense incurred by an indemnified party through such party's own willful misconduct, gross negligence or fraud.

To secure the Issuer's payment obligations in this Section 7.07, the Trustee and the Agents have a Lien senior to the Notes on all money or property held or collected by the Trustee other than money or property held in trust to pay principal of and interest on particular Notes.

The Issuer's payment obligations pursuant to this Section 7.07 and any lien arising thereunder shall survive the satisfaction or discharge of this Indenture, any rejection or termination of this Indenture under any Bankruptcy Law or the resignation or removal of the Trustee and the Agents. Without prejudice to any other rights available to the Trustee and the Agents under applicable law, when the Trustee and the Agents incur expenses (including the fees and expenses of counsel) after the occurrence of a Default specified in Section 6.01(a)(6) with respect to the Issuer, the expenses are intended to constitute expenses of administration under any Bankruptcy Law.

For the avoidance of doubt, the rights, privileges, protections, immunities and benefits given to the Trustee in this Section 7.07, including its right to be indemnified, are extended to, and shall be enforceable by the Trustee in each of its capacities hereunder and by each agent (including the Agents), any custodian and any other Person employed with due care to act as agent hereunder.

Section 7.08 *Replacement of Trustee.*

(a) The Trustee may resign at any time by so notifying the Issuer in writing. The Holders of a majority in principal amount of the Notes then outstanding may remove the Trustee by so notifying the Trustee and the Issuer in writing and may appoint a successor Trustee. The Issuer shall be entitled to remove the Trustee and any Holder who has been a bona fide Holder for not less than six months may petition any court for removal of the Trustee and appointment of a successor Trustee, if:

- (1) the Trustee, in its capacity as such, has or acquires a conflict of interest that is not eliminated;
- (2) the Trustee is adjudged bankrupt or insolvent;
- (3) a receiver or other public officer takes charge of the Trustee or its property; or
- (4) the Trustee otherwise becomes incapable of acting as Trustee hereunder.

(b) If the Trustee resigns, is removed pursuant to Section 7.08(a) or if a vacancy exists in the office of Trustee for any reason (the Trustee in such event being referred to herein as the retiring Trustee), the Issuer shall promptly appoint a successor Trustee.

(c) A successor Trustee shall deliver a written acceptance of its appointment to the retiring Trustee and to the Issuer. Thereupon the resignation or removal of the retiring Trustee shall become effective, and the successor Trustee shall have all the rights, powers and duties of the Trustee under this Indenture. The successor Trustee shall mail a notice of its succession to Holders. The retiring Trustee shall promptly transfer all property held by it as Trustee to the successor Trustee, *provided* that all sums owing to the Trustee hereunder have been paid and subject to the lien provided for in this Section 7.08. For the avoidance of doubt, any removal or resignation of the Trustee pursuant to this Section 7.08 shall not become effective until the acceptance of the appointment by the successor Trustee.

(d) If a successor Trustee does not take office within 30 days after the retiring Trustee resigns or is removed, (i) the retiring Trustee, at the expense of the Issuer, or the Holders of 10% in principal amount of the Notes may petition any court of competent jurisdiction for the appointment of a successor trustee, or (ii) the retiring Trustee may appoint a successor trustee at any time prior to the date on which a successor Trustee takes office; *provided* that such appointment is reasonably satisfactory to, and at the joint and several cost and expense of, the Issuer.

(e) Notwithstanding the replacement of the Trustee pursuant to this Section, the Issuer's obligations under Section 7.07 shall continue for the benefit of the retiring Trustee.

(f) For the avoidance of doubt, the rights, privileges, protections, immunities and benefits given to the Trustee in this Article 7, including its right to be indemnified, are extended to, and shall be enforceable by each Agent employed to act hereunder.

Section 7.09 *Successor Trustee by Merger.*

If the Trustee consolidates with, merges or converts into, or transfers all or substantially all its corporate trust business or assets to, another corporation or banking association, the resulting, surviving or transferee corporation without any further act shall be the successor Trustee.

In case at the time such successor or successors by merger, conversion or consolidation to the Trustee shall succeed to the trusts created by this Indenture any of the Notes shall have been authenticated but not delivered, any such successor to the Trustee may adopt the certificate of authentication of any predecessor trustee, and deliver such Notes so authenticated; and in case at that time any of the Notes shall not have been authenticated, any successor to the Trustee or its Authenticating Agent may authenticate such Notes either in the name of any predecessor hereunder or in the name of the successor to the Trustee; and in all such cases such certificates shall have the full force which it is anywhere in the Notes or in this Indenture provided that the certificate of the Trustee shall have.

Section 7.10 *[Reserved].*

Section 7.11 *Certain Provisions.*

Each Holder by accepting a Note authorizes and directs on his or her behalf the Trustee to enter into and to take such actions and to make such acknowledgements as are set forth in this Indenture or other documents entered into in connection therewith.

Section 7.12 *Resignation of Agents.*

(a) Any Agent may resign its appointment hereunder at any time without the need to give any reason and without being responsible for any costs associated therewith by giving notice to the Issuer and the Trustee (and in the case of resignation of the Paying Agent the Paying Agent giving 30 days' written notice) (waivable by the Issuer and the Trustee), *provided* that in the case of resignation of the Paying Agent no such resignation shall take effect until a new Paying Agent shall have been appointed by the Issuer to exercise the powers and undertake the duties hereby conferred and imposed upon the Paying Agent. Following receipt of a notice of resignation from any Agent, the Issuer shall promptly give notice thereof to the Holders in accordance with Section 12.01 Such notice shall expire at least 30 days before or after any due date for payment in respect of the Notes.

(b) If any Agent gives notice of its resignation in accordance with this Section 7.12 and a replacement Agent is required and by the tenth day before the expiration of such notice such replacement

has not been duly appointed, such Agent may itself appoint as its replacement any reputable and experienced financial institution or may petition a court of competent jurisdiction, with costs and expenses properly incurred by the Agent in relation to such petition to be paid by the Issuer. Immediately following such appointment, the Issuer shall give notice of such appointment to the Trustee, the remaining Agents and the Holders whereupon the Issuer, the Trustee, the remaining Agents and the replacement Agent shall acquire and become subject to the same rights and obligations between themselves as if they had entered into an agreement in the form *mutatis mutandis* of this Indenture.

(c) Upon its resignation becoming effective the Paying Agent shall forthwith transfer all moneys held by it hereunder, if any, to the successor Paying Agent or, if none, the Trustee or to the Trustee's order, but shall have no other duties or responsibilities hereunder, and shall be entitled to the payment by the Issuer of its remuneration for the services previously rendered hereunder and to the reimbursement of all reasonable expenses (including legal fees) incurred in connection therewith.

ARTICLE 8
DISCHARGE OF INDENTURE; DEFEASANCE

Section 8.01 *Discharge of Liability on Notes; Defeasance.*

(a) This Indenture, and the rights of the Trustee and the Holders of the applicable series of Notes hereunder will be discharged and cease to be of further effect (except as to surviving rights of conversion or transfer or exchange of the Notes, as expressly provided for in this Indenture) as to all outstanding Notes of a series when (1) either (a) all the Notes of such series previously authenticated and delivered (other than certain lost, stolen or destroyed Notes, and certain Notes for which provision for payment was previously made and thereafter the funds have been released to the Issuer) have been delivered to the relevant Paying Agent for cancellation; or (b) all the Notes of such series not previously delivered to the relevant Paying Agent for cancellation (i) have become due and payable, (ii) will become due and payable at their Stated Maturity within one year or (iii) are to be called for redemption within one year under arrangements reasonably satisfactory to the Trustee for the giving of notice of redemption by the Trustee in the name, and at the expense, of the Issuer; (2) the Issuer has deposited or caused to be deposited with the Trustee (or an entity designated or appointed as agent by it for this purpose), cash in U.S. dollars or U.S. dollar-denominated U.S. Government Obligations or a combination thereof, in an amount sufficient to pay and discharge the entire Indebtedness on the Notes of such series not previously delivered to the Trustee for cancellation, for principal, premium, if any, and interest to the date of deposit (in the case of Notes that have become due and payable), or to the Stated Maturity or redemption date, as the case may be; (3) the Issuer has paid or caused to be paid all other sums payable under this Indenture with respect to the applicable series of Notes (and, in the case of a discharge of this Indenture, all series of Notes); (4) the Issuer has delivered irrevocable instructions under this Indenture to apply the deposited money toward payment of the Notes of such series at maturity or on the redemption date, as the case may be; and (5) the Issuer has delivered to the Trustee an Officer's Certificate to the effect that all conditions precedent under this Section 8.01 relating to the satisfaction and discharge of this Indenture or the applicable series of Notes, as the case may be, have been complied with.

(b) Subject to Section 8.01(c) and Section 8.02, the Issuer at any time may terminate (i) all of its obligations under the Notes of a series and this Indenture ("*legal defeasance option*") and cure all then existing Defaults and Events of Default or (ii) its obligations under the covenants in Article 4 and Article 5 and the default provisions relating to such covenants in clauses (3) of Section 6.01(a), the operation of clauses (5), (6) with respect to the Issuer and Significant Subsidiaries and (7) of Section 6.01(a) ("*covenant defeasance option*"). The Issuer at its option at any time may exercise its legal defeasance option notwithstanding its prior exercise of its covenant defeasance option. In the event that the Issuer terminates all of its obligations under a series of Notes and this Indenture by exercising its legal defeasance option, the

obligations under any Guarantees (if any) shall each be terminated simultaneously with the termination of such obligations.

If the Issuer exercises its legal defeasance option, the rights of the Trustee and the Holders under this Indenture in effect at such time will terminate (other than with respect to the defeasance trust).

Upon satisfaction of the conditions set forth herein and upon request of the Issuer, the Trustee shall acknowledge in writing the discharge of those obligations that the Issuer terminates.

If the Issuer exercises its legal defeasance option with respect to a series of the Notes, payment of such Notes may not be accelerated because of an Event of Default with respect to such Notes. If the Issuer exercises its covenant defeasance option with respect to a series of Notes, payment of such Notes may not be accelerated because of an Event of Default specified in clause (3) (other than with respect to clauses (1) and (2) of Section 5.03(a)), (5), (6) or (7) of Section 6.01(a).

(c) Notwithstanding Section 8.01(a) and Section 8.01(b), the Issuer's obligations in Sections 2.03, Section 2.04, Section 2.05, Section 2.06, Section 2.07, Section 2.08, Section 2.09, Section 2.10, Section 2.11, Article 7 and this Article 8, as applicable, and the rights of Holders to receive payments in respect of the principal, premium, if any, and interest on the Notes when such payments are due, solely out of the trust created pursuant to this Indenture referred to in Section 8.01(a) and Section 8.02(a), shall survive until the Notes have been paid in full. Thereafter, the Issuer's obligations in Section 7.07, Section 8.05 and Section 8.06, as applicable, shall survive.

Section 8.02 *Conditions to Defeasance.*

(a) The Issuer may exercise its legal defeasance option or its covenant defeasance option with respect to a series of Notes only if the Issuer has irrevocably deposited in trust (the "*defeasance trust*") with the Trustee (or an entity designated or appointed as agent by it for this purpose) cash in U.S. dollars or U.S. dollar-denominated U.S. Government Obligations or a combination thereof for the payment of principal, premium, if any, and interest on such Notes to redemption or maturity, as the case may be, and has delivered to the Trustee:

- (1) an Opinion of Counsel (subject to customary exceptions and exclusions) from United States counsel to the effect that Holders of such Notes will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such deposit and defeasance and will be subject to U.S. federal income tax on the same amount and in the same manner and at the same times as would have been the case if such deposit and defeasance had not occurred (and in the case of legal defeasance only, such Opinion of Counsel from United States counsel must be based on a ruling of the U.S. Internal Revenue Service or other change in applicable U.S. federal income tax law);
- (2) an Officer's Certificate stating that the deposit was not made by the Issuer with the intent of defeating, hindering, delaying, defrauding or preferring any creditors of the Issuer;
- (3) an Officer's Certificate stating that all conditions precedent provided for or relating to legal defeasance or covenant defeasance, as the case may be, have been complied with; and
- (4) an Opinion of Counsel to the effect that the trust resulting from the deposit does not constitute, or is qualified as, a regulated investment company under the U.S. Investment Company Act of 1940, as amended.

(b) Before or after a deposit, the Issuer may make arrangements satisfactory to the Trustee for the redemption of Notes at a future date in accordance with Article 3.

Section 8.03 *Application of Trust Money.*

The Trustee (or an entity appointed or designated (as agent) by it for this purpose) shall hold in trust money, U.S. Government Obligations for the payment of principal, premium, if any, and interest deposited with it pursuant to this Article 8. It shall apply the deposited money and the money from the U.S. Government Obligations through the Paying Agent and in accordance with this Indenture to the payment of principal of and interest on the Notes.

Section 8.04 *Repayment to Issuer.*

The Trustee and the Paying Agent shall promptly turn over to the Issuer upon request any money, U.S. Government Obligations held by it as provided in this Article 8 which, in the written opinion of an internationally recognized firm of independent public accountants delivered to the Trustee (which delivery shall only be required if U.S. Government Obligations have been so deposited), are in excess of the amount thereof which would then be required to be deposited to effect an equivalent discharge or defeasance in accordance with this Article 8.

Subject to any applicable abandoned property law, the Trustee and the Paying Agent shall pay to the Issuer upon written request any money held by them for the payment of principal or interest that remains unclaimed for two years, and, thereafter, Holders entitled to the money must look to the Issuer for payment as general creditors, and the Trustee and the Paying Agent shall have no further liability with respect to such moneys.

Section 8.05 *Indemnity for Government Obligations.*

The Issuer shall pay and shall indemnify the Trustee against any tax, fee or other charge imposed on or assessed against deposited U.S. Government Obligations or the principal and interest received on such U.S. Government Obligations.

Section 8.06 *Reinstatement.*

If the Trustee or Paying Agent is unable to apply any money, U.S. Government Obligations in accordance with this Article 8 by reason of any legal proceeding or by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, the Issuer's obligations under this Indenture and the Notes shall be revived and reinstated as though no deposit had occurred pursuant to this Article 8 until such time as the Trustee or Paying Agent is permitted to apply all such money, U.S. Government Obligations in accordance with this Article 8; *provided, however*, that if the Issuer has made any payment of principal of or interest on any Notes because of the reinstatement of its obligations, the Issuer shall be subrogated to the rights of the Holders of such Notes to receive such payment from the money, U.S. Government Obligations held by the Trustee or Paying Agent.

ARTICLE 9
AMENDMENTS AND WAIVERS

Section 9.01 *Without Consent of Holders.*

(a) Without the consent of any Holder, the Issuer, the Trustee and the other parties thereto, as applicable, may amend or supplement any Notes Documents to:

- (1) cure any ambiguity, omission, defect, error or inconsistency;
 - (2) provide for the assumption by a successor Person of the obligations of the Issuer under any Notes Document;
 - (3) add to the covenants for the benefit of the Holders or surrender any right or power conferred upon the Issuer or any Restricted Subsidiary;
 - (4) make any change that would provide additional rights or benefits to the Trustee or the Holders or does not adversely affect the rights or benefits to the Trustee or any of the Holders in any material respect under the Notes Documents;
 - (5) make such provisions as necessary (as determined in good faith by the Issuer) for the issuance of Additional Notes Incurred in accordance with the terms of this Indenture;
 - (6) to add Guarantees with respect to the Notes (including any provisions relating to the release or limitations of such Additional Guarantees), to add security to or for the benefit of the Notes, or to effectuate or confirm and evidence the release, termination, discharge or retaking of any such note guarantee or Lien or any amendment in respect thereof with respect to the Notes when such release, termination, discharge or retaking or amendment is provided for under this Indenture;
 - (7) conform the text of this Indenture or the Notes to any provision of the section of the Offering Memorandum entitled “*Description of the New CSC Senior Notes*” to the extent that such provision in the section of the Offering Memorandum entitled “*Description of the New CSC Senior Notes*” was intended to be a *verbatim* recitation of a provision of this Indenture or the Notes; or
 - (8) evidence and provide for the acceptance and appointment under this Indenture of a successor Trustee pursuant to the requirements thereof or to provide for the accession by the Trustee to any Notes Document.
- (b) In formulating its decision on the matters described in Section 9.01(a), the Trustee shall be entitled to require and rely absolutely on such evidence as it deems necessary, including Officer’s Certificates and Opinions of Counsel.

Section 9.02 *With Consent of Holders.*

(a) The Issuer may amend, supplement or otherwise modify the Notes Documents with the consent of the Holders of a majority in principal amount of the Notes then outstanding (including consents obtained in connection with a purchase of, or tender offer or exchange offer for, Notes) and, unless otherwise provided for in this Indenture, any default or compliance with any provisions thereof may be waived with the consent of the Holders of a majority in principal amount of the Notes then outstanding (including consents obtained in connection with a purchase of, or tender offer or exchange offer for, Notes); *provided, however*, that if any amendment, supplement or waiver will only affect the, 2021 May Notes, 2021 September Notes, 2025 Notes or 2028 Notes, only the consent of Holders of a majority in principal amount of the then outstanding 2021 May Notes, 2021 September Notes, 2025 Notes or 2028 Notes (and not the consent of Holders of a majority in principal amount of all Notes then outstanding), as the case may be, shall be required. However, without the consent of each Holder of Notes affected (*provided, however*, that if any amendment, supplement or waiver will only affect the 2021 May Notes, 2021 September Notes, 2025 Notes or 2028 Notes only the consent of each Holder of the outstanding 2021 May Notes, 2021

September Notes, 2025 Notes or 2028 Notes (and not the consent of each Holder of Notes then outstanding), as the case may be, shall be required) (including consents obtained in connection with a purchase of, or tender offer or exchange offer for, Notes), an amendment, supplement or waiver may not, with respect to any Notes held by a non-consenting Holder:

- (1) reduce the principal amount of such Notes whose Holders must consent to an amendment, waiver, supplement or modification;
 - (2) reduce the stated rate of or extend the stated time for payment of interest on any such Note (other than, for the avoidance of doubt, any payment pursuant to a Change of Control Offer or pursuant to Section 4.08);
 - (3) reduce the principal of, or extend the Stated Maturity of, any such Note;
 - (4) reduce the premium payable upon the redemption of any such Note or change the time at which any such Note may be redeemed, in each case under Section 3.07 (other than, for the avoidance of doubt, any payment pursuant to a Change of Control Offer or pursuant to Section 4.08);
 - (5) make any such Note payable in money other than that stated in such Note (except to the extent the currency stated in such Notes has been succeeded or replaced pursuant to applicable law);
 - (6) impair the right of any Holder to receive payment of principal of and interest on such Holder's Notes on or after the due dates therefor or to institute suit for the enforcement of any such payment on or with respect to such Holder's Notes (it being understood that this clause (6) will not apply to Section 4.03 or Section 4.08 except to the extent payments thereunder are at such time due and payable);
 - (7) *[Reserved]*;
 - (8) waive a Default or Event of Default with respect to the nonpayment of principal, premium or interest on such Notes (except pursuant to a rescission of acceleration of the Notes by the Holders of at least a majority in aggregate principal amount of such Notes and a waiver of the payment default that resulted from such acceleration); or
 - (9) make any change in the amendment or waiver provisions which require the Holders' consent described in this Section 9.02(a).
- (b) In formulating its decision on the matters described in Section 9.02(a), the Trustee shall be entitled to require and rely absolutely on such evidence as it deems necessary, including Officer's Certificates and Opinions of Counsel.
- (c) The consent of the Holders is not necessary under this Indenture to approve the particular form of any proposed amendment. It is sufficient if such consent approves the substance of the proposed amendment. A consent to any amendment or waiver under this Indenture by any Holder of Notes given in connection with a tender of such Holder's Notes will not be rendered invalid by such tender.
- (d) After an amendment under this Section 9.02 becomes effective, in the case of Holders of Definitive Notes, the Issuer shall mail to the Holders a notice briefly describing such amendment. The

failure to give such notice to all Holders, or any defect therein, shall not impair or affect the validity of an amendment under this Section 9.02.

(c) The Notes issued on the Combination Date, and any Additional Notes, will be treated as a single class for all purposes under this Indenture, including with respect to waivers and amendments, except as otherwise stated in this Section 9.02.

Section 9.03 *Revocation and Effect of Consents and Waivers.*

(a) A written consent to an amendment or a waiver by a Holder shall bind the Holder and every subsequent Holder of that Note or portion of the Notes that evidences the same debt as the consenting Holder's Note, even if notation of the consent or waiver is not made on the Note. However, any such Holder or subsequent Holder may revoke the consent as to its Note if the Trustee receives written notice of revocation before the date the amendment, supplement or waiver becomes effective. After an amendment or waiver becomes effective, it shall bind every Holder. An amendment or waiver becomes effective upon the (i) receipt by the Issuer or the Trustee of the requisite number of consents, (ii) satisfaction of conditions to effectiveness as set forth in this Indenture and any indenture supplemental hereto containing such amendment or waiver and (iii) execution of such amendment or waiver (or supplemental indenture) by the Issuer and the Trustee.

(b) The Issuer may, but shall not be obligated to, fix a record date for the purpose of determining the Holders entitled to give their written consent or take any other action described above or required or permitted to be taken pursuant to this Indenture. If a record date is fixed, then notwithstanding Section 9.03(a), those Persons who were Holders at such record date (or their duly designated proxies), and only those Persons, shall be entitled to give such consent or to revoke any consent previously given or to take any such action, whether or not such Persons continue to be Holders after such record date. No such consent shall be valid or effective for more than 120 days after such record date.

Section 9.04 *Notation on or Exchange of Notes.*

If an amendment, modification or supplement changes the terms of a Note, the Trustee may require the Holder of the Note to deliver it to the Trustee. The Trustee may place an appropriate notation on the Note regarding the changed terms and return it to the Holder. Alternatively, if the Issuer or the Trustee so determines, the Issuer in exchange for the Note shall issue and the Trustee or an Authenticating Agent shall authenticate a new Note that reflects the changed terms. Failure to make the appropriate notation or to issue a new Note shall not affect the validity of such amendment, modification or supplement.

Section 9.05 *Trustee to Sign Amendments.*

The Trustee shall sign any amendment authorized pursuant to this Article 9 if the amendment does not impose any personal obligations on the Trustee or adversely affect the rights, duties, liabilities or immunities of the Trustee under this Indenture. If it does, the Trustee may, but need not, sign it. In signing such amendment the Trustee shall be entitled to receive an indemnity and/or security satisfactory to it and to receive, and (subject to Section 7.01 and Section 7.02(o)) shall be fully protected in relying upon, an Officer's Certificate and an Opinion of Counsel stating that such amendment complies with this Indenture and that such amendment has been duly authorized, executed and delivered and is the legally valid and binding obligation of the Issuer (if any) enforceable against it in accordance with its terms, subject to customary exceptions.

Notwithstanding the foregoing and Section 12.02(b), no Opinion of Counsel will be required for the Trustee to execute any amendment or supplement adding a new Guarantee of the Notes under this

Indenture; *provided that* the execution thereof shall be deemed a representation by such guarantor(s) that (i) all conditions precedent and covenants, if any, relating to the execution of such supplemental indenture have been satisfied, (ii) that such executed supplemental indenture is substantially in the form attached as Exhibit D hereto (subject to the inclusion of any additional limitations under applicable laws on the obligations of such guarantor under its Guarantee of the Notes) and (iii) such supplemental indenture is enforceable in accordance with its terms subject to (A) bankruptcy, insolvency, reorganization, moratorium, fraudulent conveyance and similar laws affecting the rights and remedies of creditors generally and (B) general principles of equity.

For the avoidance of doubt, an Officer's Certificate (which the Trustee will be fully protected in relying upon and upon which the Trustee shall be entitled to rely without further enquiry or investigation) will be required for the Trustee to execute any amendment or supplement adding a new Guarantee of the Notes under this Indenture.

(a) Except as otherwise provided under Section 3.07 and 4.03, in determining whether the Holders of the required principal amount of the Notes or a series of Notes, as applicable, have concurred in any direction, waiver or consent, any such Notes or series of Notes, as applicable, owned by the Issuer or by any Person directly or indirectly controlling, or controlled by, or under direct or indirect common control with the Issuer will be disregarded and deemed not to be outstanding, except that, for the purpose of determining whether the Trustee shall be protected in relying on any such direction, waiver or consent, only Notes which the Trustee knows are so owned shall be so disregarded. Subject to the foregoing, only Notes outstanding at the time shall be considered in any such determination.

1. **Establishment of the October 2018 Incremental Term Loan Commitments.**

(a) Subject to the satisfaction of the conditions precedent set forth in Section 2 hereof and effective as of the date on which such conditions precedent are satisfied (the "**Effective Date**"), and in accordance with the provisions of the Credit Agreement, including Section 2.22 of the Credit Agreement:

- (i) there is hereby established under the Credit Agreement a new Class of Incremental Term Loan Commitments;
- (ii) such Incremental Term Loan Commitments shall be referred to as the "**October 2018 Incremental Term Loan Commitments**", and the Loans made pursuant to the October 2018 Incremental Term Loan Commitments shall be referred to as the "**October 2018 Incremental Term Loans**";

(b) As of the Effective Date, each of the October 2018 Incremental Term Lenders hereby agrees to provide its Incremental Term Loan Commitment as set forth on Schedule 1 hereto pursuant to and in accordance with Section 2.22 of the Credit Agreement. The October 2018 Incremental Term Loan Commitments provided pursuant to this Amendment and the October 2018 Incremental Term Loans shall in each case be subject to all of the terms and conditions in the Credit Agreement and this Amendment, and shall be entitled to all the benefits afforded by the Credit Agreement and the other Loan Documents, and shall, without limiting the foregoing, benefit equally and ratably from the Facility Guaranty, liens and security interests created by the Security Documents.

(c) The proceeds (or deemed proceeds) of the October 2018 Incremental Term Loans will be used by the Borrower on the Incremental Draw Date (as defined below) to refinance in full the Suddenlink Term Loans and to pay fees,

accrued and unpaid interest and expenses in connection with the Combination (as defined below) and the other transactions contemplated by this Amendment.

(d) Each October 2018 Incremental Term Lender having an October 2018 Incremental Term Loan Commitment hereby agrees, subject to satisfaction of the conditions precedent set forth in Section 3 of this Amendment, to make October 2018 Incremental Term Loans to the Borrower denominated in Dollars on any Business Day (such date, the “**Incremental Draw Date**”) after the Effective Date and on or prior to the earlier of (x) July 15, 2019 and (y) the date on which the Borrower notifies the Administrative Agent in writing that it no longer intends to pursue the Combination (such earlier date, the “**Termination Date**”), in accordance with Section 2.03 of the Credit Agreement in an aggregate principal amount not to exceed its October 2018 Incremental Term Loan Commitment set forth on Schedule 1 hereto (and it being understood there shall be only one Incremental Draw Date).

(e) [reserved].

(f) The October 2018 Incremental Term Loan Commitments shall constitute “Commitments”, “Incremental Loan Commitments”, “Incremental Term Loan Commitments” and “Term Commitments”, as the context may require, the October 2018 Incremental Term Loans shall constitute “Loans”, “Term Loans”, “Incremental Loans”, “Incremental Term Loans”, “Other Loans” and “Other Term Loans”; this Amendment shall be an “Incremental Loan Assumption Agreement” and a “Loan Document” as the context may require, each October 2018 Incremental Term Lender having an October 2018 Incremental Term Loan Commitment shall be a “Term Lender”, “Incremental Term Lender” and a “Lender” and each Lead Arranger shall be an “Incremental Arranger”, in each case, for all purposes under the Credit Agreement and the other Loan Documents.

(g) The October 2018 Incremental Term Loans will mature on January 15, 2026 (the “**October 2018 Incremental Term Loan Maturity Date**”).

(h) At the option of the Borrower, the October 2018 Incremental Term Loans (i) may participate on a pro rata basis, less than pro rata basis or greater than pro rata basis in any mandatory prepayment of Term Loans under the Credit Agreement (except that, unless otherwise permitted under the Credit Agreement, the October 2018 Incremental Term Loans may not participate on a greater than pro rata basis as compared to any earlier maturing Class of Term Loans) and (ii) may participate on a pro rata basis, less than pro rata basis or greater than pro rata basis in any voluntary prepayment of Term Loans under the Credit Agreement.

(i) The October 2018 Incremental Term Loans may be repaid or prepaid in accordance with the provisions of the Credit Agreement and this Amendment, but once repaid or prepaid may not be re-borrowed.

(j) With respect to the October 2018 Incremental Term Loans, (A) the “**Adjusted LIBO Rate**” shall mean, with respect to any Eurodollar Borrowing for any Interest Period, an interest rate per annum equal to the greater of (1) 0% per annum and (2) the LIBO Rate in effect for such Interest Period; provided, that,

anything in Section 2.08 of the Credit Agreement to the contrary notwithstanding, if the LIBO Rate is not available at such time for any reason (including that adequate and reasonable means do not exist for ascertaining the LIBO Rate for any requested Interest Period, including because the applicable screen rate is not available or published on a current basis and such circumstances are unlikely to be temporary), as reasonably determined by the Borrower and the Administrative Agent, then the "LIBO Rate" for such Interest Period shall be (i) a successor or alternative index rate as the Administrative Agent (but not, for the avoidance of doubt, any other Lender) and the Borrower may reasonably determine or (ii) absent such mutual selection by the Borrower and the Administrative Agent, a comparable successor or alternative interbank rate for deposits in dollars that is, at such time, broadly accepted as the prevailing market practice for syndicated leveraged loans of this type in lieu of the "LIBO Rate" as reasonably determined by the Administrative Agent, in each case pursuant to an amendment to this Amendment and, if applicable, the Credit Agreement, in each case among the Borrower and the Administrative Agent (but not, for the avoidance of doubt, any Lender) that will become effective at 5:00 p.m., New York City time, on the fifth Business Day after the Administrative Agent shall have posted such proposed amendment to the Lenders in respect of the October 2018 Incremental Term Loans unless, prior to such time, the Required Class Lenders in respect of the October 2018 Incremental Term Loans have delivered to the Administrative Agent written notice that such Lenders do not accept such amendment (which such notice shall note with specificity the particular provisions of the amendment to which such Lender objects); provided that (i) any such successor or alternative rate shall be applied by the Administrative Agent in a manner consistent with market practice and (ii) to the extent such market practice is not administratively feasible for the Administrative Agent, such successor or alternative rate shall be applied in a manner as otherwise reasonably determined by the Administrative Agent in consultation with the Borrower. provided further that, if no such successor LIBO Rate is able to be reasonably determined in accordance with the foregoing proviso (or pending the resolution of any such determination) and the circumstances described in such proviso continue to exist, then the Administrative Agent will promptly notify the Borrower and the Lenders in respect of the October 2018 Incremental Term Loans that the provisions of Section 2.08 of the Credit Agreement shall control, (B) the Applicable Margin for the October 2018 Incremental Term Loans is (1) with respect to any ABR Loan, 1.25% per annum and (2) with respect to any Eurodollar Loan, 2.25% per annum and (C) the initial Interest Period with respect to the October 2018 Incremental Term Loans shall commence on the Incremental Draw Date and end on a date reasonably satisfactory to the Administrative Agent.

(k) The Borrower shall pay to the Administrative Agent for the account of the Lenders with respect to the October 2018 Incremental Term Loans, (A) on April 15th, July 15th, October 15th and January 15th of each year (each such date being called a "**Repayment Date**"), commencing with the first such date occurring after the date that is 3 months after the Incremental Draw Date, and on each such date thereafter through the October 2018 Incremental Term Loan Maturity Date (*provided* that if such day is not a Business Day, the Repayment Date shall be the next succeeding Business Day), amortization installments equal to 0.25% of the aggregate principal amount of the October 2018 Incremental Term Loans outstanding on the Incremental Draw Date; as adjusted from time to time pursuant

to Sections 2.11(b), 2.12, 2.13(f) and 2.22(d) of the Credit Agreement, and which payments shall be further reduced as a result of the application of prepayments in accordance with the order of priority set forth in Section 2.12 of the Credit Agreement and (B) on the October 2018 Incremental Term Loan Maturity Date, the aggregate unpaid principal amount of all October 2018 Incremental Term Loans on such date, together with accrued and unpaid interest on the principal amount to be paid to but excluding such date.

(l) The Borrower shall pay to the Lead Arrangers for the ratable account of the Lenders (other than Defaulting Lenders) holding the October 2018 Incremental Term Loans, a ticking fee (the “**Ticking Fee**”), accruing on the unutilized October 2018 Incremental Term Loan Commitments of the applicable Lenders for each day, from (and including) the Effective Date to (but excluding) the Ticking Fee Payment Date (as defined below) equal to the applicable percentage set forth below of the Applicable Margin in respect of Eurodollar Loans that would otherwise be payable in respect of the October 2018 Incremental Term Loans:

| <u>Period</u> | <u>Applicable Percentage</u> |
|--|-------------------------------------|
| From the Effective Date through the date that is 45 days following the Effective Date | 0% per annum of Applicable Margin |
| From the date that is 46 days following the Effective Date through the date that is 60 days following the Effective Date | 50% per annum of Applicable Margin |
| From the date that is 61 days following the Effective Date and thereafter | 100% per annum of Applicable Margin |

The Ticking Fee will be determined on the basis of a 360-day year and actual elapsed days and will be payable upon the earlier of (x) the Incremental Draw Date and (y) following the Effective Date, the Termination Date (such earlier date, the “**Ticking Fee Payment Date**”).

(m) In the event that on or prior to the date that is 6 months after the Incremental Draw Date either (x) the Borrower makes any prepayment of the October 2018 Incremental Term Loans in connection with an Additional Term Loan Repricing Transaction (including by way of a Refinancing Amendment) or (y) effects any amendment of this Amendment or the Credit Agreement resulting in an Additional Term Loan Repricing Transaction, the Borrower shall pay to the Administrative Agent for the ratable account of the Lenders in respect of the October 2018 Incremental Term Loans, in the case of clause (x) 1.00% of the principal amount of the October 2018 Incremental Term Loans so repaid, or in the case of clause (y) a payment equal to 1.00% of the aggregate amount of the October 2018 Incremental Term Loans subject to such Additional Term Loan Repricing Transaction. For purposes of this paragraph, “**Additional Term Loan Repricing Transaction**” shall mean (a) the prepayment, refinancing, substitution or

replacement of all or a portion of the October 2018 Incremental Term Loans with the incurrence by the Borrower or any Subsidiary of any senior secured loan financing, the primary purpose of which (as determined in good faith by the Borrower) is to reduce the All-In Yield of such debt financing relative to the October 2018 Incremental Term Loans so repaid, refinanced, substituted or replaced and (b) any amendment to this Amendment or the Credit Agreement the primary purpose of which (as determined by the Borrower in good faith) is to reduce the All-In Yield applicable to the October 2018 Incremental Term Loans; *provided* that any refinancing or repricing of October 2018 Incremental Term Loans in connection with (i) any Public Offering, (ii) any acquisition the aggregate consideration with respect to which equals or exceeds \$50,000,000 or (iii) a transaction that would result in a Change of Control shall not constitute an Additional Term Loan Repricing Transaction.

(n) In the event that prior to the date that is twelve months from the Incremental Draw Date, the Borrower seeks Incremental Term Loan Commitments pursuant to Section 2.22 of the Credit Agreement, the All-In Yield applicable to the resulting Incremental Term Loans (the “*New Incremental Term Loans*”) shall be determined by the Borrower and the applicable Incremental Lenders and shall be set forth in each applicable Incremental Loan Assumption Agreement; *provided, however*, that the All-In Yield applicable to such New Incremental Term Loans of the same currency as the October 2018 Incremental Term Loans (other than New Incremental Term Loans (w) Incurred pursuant to Section 4.04(b)(1)(ii) of Annex I of the Credit Agreement, (x) established pursuant to the second proviso to Section 4.04(b)(1) of Annex I of the Credit Agreement, (y) having a maturity date that is more than two years after the October 2018 Incremental Term Loan Maturity Date or (z) Incurred in connection with an acquisition) shall not be greater than the applicable All-In Yield payable pursuant to the terms of the Loan Documents as amended through the date of such calculation with respect to the October 2018 Incremental Term Loans plus 50 basis points per annum unless the interest rate (together with, as provided in the proviso below, any Adjusted LIBO Rate floor or Alternate Base Rate floor) with respect to the October 2018 Incremental Term Loans is increased so as to cause the then applicable All-In Yield under the Loan Documents on the October 2018 Incremental Term Loans to equal the All-In Yield then applicable to the New Incremental Term Loans minus 50 basis points; *provided* that any increase in All-In Yield to the October 2018 Incremental Term Loans due to the application or imposition of an Adjusted LIBO Rate floor or an Alternate Base Rate floor on any New Incremental Term Loan shall be effected, at the Borrower’s option, (x) through an increase in (or implementation of, as applicable) any Adjusted LIBO Rate floor or Alternate Base Rate floor, as applicable, with respect to the October 2018 Incremental Term Loans (for the avoidance of doubt, not to exceed the applicable Adjusted LIBO Rate Floor or Alternate Base Rate floor, as applicable, of the applicable New Incremental Term Loans), (y) through an increase in the Applicable Margin for the October 2018 Incremental Term Loans or (z) any combination of (x) and (y) above.

(o) The Borrower and the Administrative Agent hereby consent, pursuant to Section 9.04(b) of the Credit Agreement, to the inclusion as a “Lender” of each October 2018 Incremental Term Lender, to the extent such consent would be required pursuant to Section 9.04(b) of the Credit Agreement. For the avoidance of

doubt, each Lead Arranger and each October 2018 Incremental Term Lender hereby agrees that the 10 Business Day minimum period in clause (ii) of the third sentence of Section 2.22(a) of the Credit Agreement shall not apply to the October 2018 Incremental Term Loan Commitments and the October 2018 Incremental Term Loans.

(p) Each October 2018 Incremental Term Lender (i) confirms that it has received a copy of the Credit Agreement and the Intercreditor Agreement, and has received or has been accorded the opportunity to receive copies of the most recent financial statements delivered pursuant to Section 4.10(a)(1) and (a)(2) of Annex I to the Credit Agreement and such other documents and information as it has deemed appropriate to make its own credit analysis and decision to enter into this Amendment; (ii) agrees that it will, independently and without reliance upon the Administrative Agent, any Lead Arranger or any other Lender or Agent and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit decisions in taking or not taking action under the Credit Agreement; (iii) appoints and authorizes the Administrative Agent to take such action as agent on its behalf and to exercise such powers and discretion under the Credit Agreement and the other Loan Documents as are delegated to the Administrative Agent by the terms thereof, together with such powers and discretion as are reasonably incidental thereto; and (iv) agrees that it will perform in accordance with their terms all of the obligations which by the terms of the Credit Agreement are required to be performed by it as a Lender, Term Lender, Incremental Lender or Incremental Term Lender, as applicable.

(q) For each October 2018 Incremental Term Lender, delivered herewith to the Administrative Agent or the Borrower, as applicable, are such forms, certificates or other evidence with respect to United States federal income tax withholding matters as such October 2018 Incremental Term Lender may be required to deliver to the Administrative Agent or the Borrower, as applicable, pursuant to Section 2.20 of the Credit Agreement.

(r) Except as set forth herein, the October 2018 Incremental Term Loans shall have the same terms and conditions as the January 2018 Incremental Term Loans (as defined in the Fifth Amendment).

(s) The October 2018 Incremental Term Loan Commitments and the October 2018 Incremental Term Loans shall constitute a separate Class of Commitments and Loans, as applicable, under the Credit Agreement.

(t) Notwithstanding anything to the contrary contained in this Amendment or the Credit Agreement, except for assignments among the October 2018 Incremental Term Lenders and their respective Affiliates, no assignment of any October 2018 Incremental Term Loan Commitments (or related Loans) shall be effective prior to the Incremental Draw Date.

2. **Effectiveness.** The effectiveness of this Amendment is subject to the satisfaction of the following conditions:

- (a) this Amendment shall have been duly executed by the Borrower, the Administrative Agent and the October 2018 Incremental Term Lenders;

6. **Entire Agreement.** As of the date hereof, this Amendment, the Credit Agreement and the other Loan Documents constitute the entire agreement among the parties with respect to the subject matter hereof and thereof and supersede all other prior agreements and understandings, both written and verbal, among the parties or any of them with respect to the subject matter hereof and thereof.

7. **Applicable Law.** THIS AMENDMENT AND ANY CLAIMS, CONTROVERSY, DISPUTE OR CAUSE OF ACTION (WHETHER SOUNDING IN CONTRACT OR TORT OR OTHERWISE) BASED UPON OR ARISING OUT OF OR RELATING TO THIS AMENDMENT AND THE TRANSACTIONS CONTEMPLATED HEREBY SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK.

The invalidity of a provision in a particular jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

9. **Counterparts.** This Amendment may be executed in counterparts (and by different parties hereto in different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. Delivery of an executed counterpart of a signature page of this Amendment by facsimile transmission or other electronic imaging means shall be effective as delivery of a manually executed counterpart of this Amendment.

10. **Miscellaneous.** Except as amended or consented to hereby, the Credit Agreement and other Loan Documents remain unmodified and in full force and effect. Except as expressly set forth herein, the Lead Arrangers shall have no obligations, duties or responsibilities hereunder in their respective capacities as such.
