PART I

Item 1. Business

Altice USA, Inc. ("Altice USA," "we" or the "Company") was incorporated in Delaware on September 14, 2015. We are controlled by Patrick Drahi through Next Alt. S.à.r.l. ("Next Alt"), who also controls Altice Group Lux S.à.r.l., formerly Altice Europe N.V. ("Altice Europe") and its subsidiaries and other entities.

Altice USA is a holding company that does not conduct any business operations of its own. Altice Europe, through a subsidiary, acquired Cequel Corporation ("Cequel") on December 21, 2015 (the "Cequel Acquisition") and Cequel was contributed to Altice USA on June 9, 2016. Altice USA acquired Cablevision Systems Corporation ("Cablevision") on June 21, 2016 (the "Cablevision Acquisition").

We principally provide broadband communications and video services in the United States and market our services under the Optimum brand. We deliver broadband, video, telephony and mobile services to approximately 4.6 million residential and business customers across our footprint. Our footprint extends across 21 states (primarily in the New York metropolitan area and various markets in the south-central United States) through a fiber-rich hybrid-fiber coaxial ("HFC") broadband network and a fiber-to-the-home ("FTTH") network with approximately 9.8 million total passings as of December 31, 2024. Additionally, we offer news programming and advertising services.

Our ongoing FTTH network build has enabled us to deliver multi-gig broadband speeds to meet the growing data needs of residential and business customers. Concurrent to our FTTH network deployment, we also continue to upgrade our existing HFC network through the deployment of digital and expansion of Data Over Cable Service Interface Specification ("DOCSIS") 3.1 technology in order to roll out enhanced broadband services to customers. Currently we make available 1 Gbps broadband services in most of our HFC footprint and up to 8 Gbps symmetrical speeds in our FTTH footprint, which provide a connectivity experience supporting the most data-intensive activities, including streaming 4K ultra-high-definition ("UHD") and high-definition ("HD") video on multiple devices, online multi-player video game streaming platforms, video chatting, streaming music, high-quality virtual-and augmented reality experiences, and downloading large files.

Our Mission

Our mission is to be the connectivity provider of choice in every community we serve.

Our Products and Services

We provide broadband, video, telephony and mobile services to both residential and business customers. We also provide enterprise-grade fiber connectivity, bandwidth and managed services to enterprise and hyperscaler customers and provide advertising time and services to advertisers. In 2024, we had approximately 3.0 million homes and businesses passed with our state-of-the-art FTTH network. In addition, we offer various news programming through traditional linear and digital platforms to consumers across our footprint.

The prices we charge for our services vary based on the number of services and associated service level or tier our customers choose, coupled with any promotions we may offer.

Broadband Services

We provide a variety of broadband service tiers tailored to meet the needs of our customers. Current offers include symmetrical speeds up to 8 Gbps for our residential customers.

Our FTTH broadband service is available to approximately 3.0 million homes, offering multi-gig symmetrical speed tiers to substantially all our FTTH customers and we plan to continue this expansion. In addition, we are deploying Smart WiFi 6 and 6E routers to our customers to provide whole home WiFi coverage.

Substantially all of our HFC network is digital and DOCSIS 3.1 compatible, which allows us to provide HFC customers with advanced broadband, video and telephony services.

Video Services

We currently offer a variety of video services through Optimum TV, which include delivery of broadcast stations and cable networks, over the top ("OTT") services such as Netflix, Amazon Prime, YouTube and others, advanced digital video services, such as video-on-demand ("VOD"), HD channels, digital video recorder ("DVR") and pay-per-view, to our residential markets. Depending on the market and level of service, customers have access to local broadcast networks and independent television stations, news, information, sports and entertainment channels, regional sports networks, international channels and premium services such as Max, Showtime and Starz. Additionally, we provide

app based solutions for TV, including a companion mobile app that allows viewing of television content on iOS or Android devices, as well as the available Optimum TV app on Apple TV, and on Optimum Stream for eligible customers.

Our residential customers pay a monthly charge based on the video programming level of service, tier or package they receive and the type of equipment they select. Customers who subscribe to seasonal sports packages, international channels and premium services may be charged an additional monthly amount. We may also charge additional fees for pay-per-view programming and events, DVR and certain VOD services.

We also provide advanced services, such as pay-per-view and VOD, that give residential video customers control over when they watch their favorite programming. Our pay-per-view service allows customers to pay to view single showings of programming on an unedited, commercial-free basis, including feature films, live sporting events, concerts and other special events. Our VOD service provides on-demand access to movies, special events, free prime time content and general interest titles. Subscription-based VOD premium content such as Max and Starz is made available to customers who subscribe to one of our premium programming packages.

For a monthly fee, we offer DVR services. Depending on the service area and market, customers may receive either a set-top box DVR with the ability to record, pause and rewind live television or an enhanced Cloud DVR with remote-storage capability to record 15 shows simultaneously while watching any live or pre-recorded show, and pause and rewind live television with three storage capacity options to select from.

Additionally, customers can use their credentials to access apps provided by programmers and networks on platforms where these apps are offered, including access to premium direct-to-consumer products such as Max with eligible subscriptions.

In 2024, we launched three new video offerings, Entertainment TV, Extra TV, and Everything TV. Together, these video offerings help make up Optimum's modern video model, bringing to life the new vision of Optimum TV, which helps break conventional all-or-nothing options to better provide content geared toward customers' unique and modern viewing preferences.

Telephony Services

Through Voice over Internet protocol ("VoIP") telephone service we also offer unlimited local, regional and long-distance calling within the United States, Canada, Puerto Rico and the U.S. Virgin Islands for a flat monthly rate, including popular calling features such as caller ID with name and number, call waiting, three-way calling and enhanced emergency 911 dialing. We also offer additional options designed to meet our customers' needs, including directory assistance, voicemail services and international calling.

Mobile

We offer a mobile service providing data, talk and text to consumers in or near our service footprint. The service is delivered over a nationwide network with long-term evolution ("LTE") and 5G (where available) coverage through our network partners, including our infrastructure-based mobile virtual network operator ("MVNO") agreement with T-Mobile U.S., Inc. ("T-Mobile"). We offload mobile traffic using our Optimum Wi-Fi network of hotspots in the New York metropolitan area as well as select customer premises equipment across our footprint. Our full infrastructure MVNO agreement with T-Mobile is differentiated from other light MVNOs in that it gives us full access control over our own core network, as well as the Home Location Register and subscriber identification module (SIM)/eSIM cards. This allows us to fully control seamless data offloading and the handover between the fixed and wireless networks. We also have full product, features and marketing flexibility with our mobile service. In addition, during 2024 we began offering to our customers additional services such as mobile device protection and connection-back-up service (wireless back-up on fixed Internet service) and we began offering customers the ability to purchase additional mobile equipment such as Apple iPads, in addition to phones.

Our mobile product is sold at Optimum stores, as well as online. Consumers can bring their own devices or purchase or finance a variety of phones (new or certified pre-owned) directly from us, including Apple, Samsung and Motorola devices.

Business Services

We offer a wide and growing variety of products and services to both large enterprise and small and medium-sized business ("SMB") customers, including broadband, telephony, networking and video services. As of December 31, 2024, we served approximately 376.6 thousand SMB customers across our footprint. We serve enterprise customers primarily through Cablevision Lightpath LLC ("Lightpath"), our 50.01% owned subsidiary.

Enterprise Customers

Lightpath, our fiber enterprise business, provides ethernet, data transport, IP-based virtual private networks, Internet access, telephony services, including session-initiated protocol ("SIP") trunking and VoIP services to the business market primarily in the New York, Boston and Miami metropolitan areas. In 2024, Lightpath completed the acquisition of substantially all of the assets of United Fiber and Data ("UFD"), acquiring UFD's fiber network between New York City and Ashburn, Virginia, as well as a metro network in New York City and New Jersey. Lightpath also provides managed services to businesses, including hosted telephony services (cloud based SIP-based private branch exchange), managed WiFi, managed desktop and server backup and managed collaboration services including audio and web conferencing. Through Lightpath, we also offer fiber-to-the-tower ("FTTT") services to wireless carriers for cell tower backhaul that enables wireline communications service providers to connect to towers that their own wireline networks do not reach. Lightpath's enterprise customers include companies in health care, financial, education, legal and professional services, and other industries, as well as the public sector and communication providers, incumbent local exchange carriers ("ILEC"), competitive local exchange carriers ("CLEC"), and hyperscaler customers. As of December 31, 2024, Lightpath had approximately 16,800 locations connected to its fiber network, which currently includes approximately 11,300 unique route miles (in each case, comprised of route miles that are owned by Lightpath or currently utilized by Lightpath pursuant to indefeasible right of use agreements with Altice USA and other parties). "Unique route miles" reflect the total aggregate distance measured in miles of all routes contained within the network that do not include overlap for multiple sheaths on similar routes.

In our footprint outside of the New York metropolitan area, for enterprise and larger commercial customers, we offer high capacity data services, including wide area networking and dedicated data access and advanced services such as wireless mesh networks. We also offer enterprise class telephone services which include traditional multi-line phone service over DOCSIS and trunking solutions via SIP for our Primary Rate Interface ("PRI") and SIP trunking applications. Similar to Lightpath, we also offer FTTT services in these areas. These services are offered on a standalone basis or in bundles that are developed specifically for our commercial customers.

SMB Customers

We provide broadband (with symmetrical speeds up to 8 Gbps), video, mobile, and telephony services to SMB customers. In addition to these services, we also offer managed services, including hosted private branch exchange, managed WiFi, premiere technical support and network solutions, security and network access and equipment for SMB customers. Telephony services include Optimum Voice for Business, Business Hosted Voice and Business Trunking (SIP and PRI). Optional telephony add-on services include international calling and toll free numbers. Optimum Business Mobile and Optimum Business Connection Backup (e.g., wireless failover) solutions are also available to our business customers, including SMBs. These services provide wireless connectivity for voice/data handsets, data only devices, and data failover solutions.

News and Advertising

News 12

Our News 12 networks consist of seven 24-hour local news channels in the New York metropolitan area—the Bronx, Brooklyn, Connecticut, Hudson Valley, Long Island, New Jersey and Westchester—providing each with complete access to hyper-local breaking news, traffic, weather, sports, community news, and more. News 12 also includes a streaming OTT regional news channel, News 12 New York, that showcases top stories and events from across the tri-state area.

News 12 has been widely recognized by the news industry with numerous prestigious honors and awards, including multiple Emmy Awards, Edward R. Murrow Awards, NY Press Club Awards, and more.

i24NEWS

Launched in July 2013, i24NEWS is an international news channel specializing in delivering international news focusing on the Middle East. i24NEWS' global news team covers top stories as they happen in four languages: English, French, Arabic and Hebrew. In December 2024, we entered into an agreement to transfer our ownership of the i24NEWS business to Next Alt or an affiliate thereof. This transaction is expected to close in the second quarter of 2025 following the satisfaction of closing conditions, including receipt of necessary regulatory approvals.

Optimum Media

Optimum Media (formerly a4 Advertising) is an advanced advertising and data company that provides audience-based, multiscreen advertising solutions to local, regional and national businesses and advertising clients. Optimum Media enables advertisers to reach millions of households on television through cable networks, on-demand and addressable inventory across the United States and through their proprietary technology and privacy-compliant database of aggregated consumer and TV viewership data.

Juice Media

Juice Media is a data-driven omnichannel media and advertising platform that combines proprietary technology, strategy, and activation to drive outcome-oriented solutions for advertisers. Its omnichannel approach empowers customers and partners to get the maximum return on their advertising campaigns.

New York Interconnect

In many markets, we have entered into agreements commonly referred to as "Interconnects" with other cable operators to jointly sell local advertising. This simplifies our clients' purchase of local advertising and expands their geographic reach. In some markets, we represent the advertising sales efforts of other cable operators; in other markets, alternative cable operators represent us. NY Interconnect, LLC is a joint venture between Altice USA, Charter Communications, Inc. ("Charter") and Comcast Corporation ("Comcast").

Franchises

As of December 31, 2024, our systems operated in more than 1,400 communities pursuant to franchises, permits and similar authorizations issued by state and local governmental authorities. Franchise agreements typically require the payment of franchise fees and contain regulatory provisions addressing, among other things, service quality, cable service to schools and other public institutions, insurance and indemnity. Franchise authorities generally charge a franchise fee of not more than 5% of certain of our cable service revenues that are derived from the operation of the system within such locality. We generally pass the franchise fee on to our customers.

Franchise agreements are usually for a term of five to fifteen years from the date of grant, however, approximately 490 of Altice USA's communities are located in states (Connecticut, Kansas, Missouri, Nevada, North Carolina and Texas) where by law franchise agreements do not have an expiration date. Franchise agreements are usually terminable only if the cable operator fails to comply with material provisions and then only after the franchising authority complies with substantive and procedural protections afforded by the franchise agreement and federal and state law. Prior to the scheduled expiration of most franchises, we generally initiate renewal proceedings with the granting authorities. This process usually takes less than three years but can take a longer period of time. The Communications Act of 1934, as amended (the "Communications Act"), which is the primary federal statute regulating interstate communications, provides for an orderly franchise renewal process in which granting authorities may not unreasonably withhold renewals. See "Regulation—Cable Television—Franchising." In connection with the franchise renewal process, many governmental authorities require the cable operator to make certain commitments, such as building out certain franchise areas, meeting customer service requirements and supporting and carrying public access channels.

Historically, we have been able to renew our franchises without incurring significant costs, although any particular franchise may not be renewed on commercially favorable terms or otherwise. We expect to renew or continue to operate under all or substantially all of these franchises. For more information regarding risks related to our franchises, see "Risk Factors—Risk Factors Relating to Regulatory and Legislative Matters—Our cable system franchises are subject to non-renewal or termination." The failure to renew a franchise in one or more key markets could adversely affect our business. Proposals to streamline cable franchising recently have been adopted at both the federal and state levels. For more information, see "Regulation—Cable Television—Franchising."

Programming

We design our channel line-ups for each system according to demographics, programming contract requirements, market research, viewership, local programming preferences, channel capacity, competition, price sensitivity and local regulation. We believe offering a wide variety of programming influences a customer's decision to subscribe to and retain our video services. We obtain programming, including basic, expanded basic, digital, HD, 4K UHD, VOD and broadband content, from a number of suppliers, including broadcast and cable networks.

We generally carry cable networks pursuant to written programming contracts, which continue for a fixed period of time, usually from two to five years, and are subject to negotiated renewal. Cable network programming is usually

made available to us for a license fee, which is generally paid based on the number of customers who subscribe to the level of service that provides such programming. Such license fees may include "volume" discounts available for higher numbers of customers, as well as discounts for channel placement or service penetration. For home shopping channels, we receive a percentage of the revenue attributable to our customers' purchases, as well as, in some instances, incentives for channel placement.

We typically seek flexible distribution terms that would permit services to be made available in a variety of retail offerings and on a variety of platforms and devices in order to maximize consumer choice. Suppliers typically insist that their most popular and attractive services be distributed to a minimum number or percentage of customers, which limits our ability to provide consumers with full purchasing flexibility.

Our cable programming costs for broadcast stations and cable networks have increased in excess of customary inflationary and cost-of-living type increases. We expect programming costs to continue to increase due to a variety of factors including annual increases imposed by stations and programmers and additional programming being provided to customers, including HD, 4K UHD, digital and VOD programming. In particular, broadcast and sports programming costs continue to increase significantly. In addition, contracts to purchase sports programming sometimes provide for optional additional programming to be available on a surcharge basis during the term of the contract.

We have programming contracts that have expired and others that will expire in the near term. We will seek to renegotiate the terms of these agreements, but there can be no assurance that these agreements will be renewed on favorable or comparable terms. To the extent that we are unable to reach an agreement with certain programmers on terms that we believe are reasonable, we have been, and may in the future be, forced to remove such programming channels from our line-up, which may result in a loss of customers. For more information, see "Risk Factors—Risk Factors Relating to Our Business—Programming and retransmission costs are increasing and we may not have the ability to pass these increases on to our customers. Disputes with programmers and the inability to retain or obtain popular programming can adversely affect our relationship with customers and lead to customer losses, which could materially adversely affect our business, financial condition and results of operations."

Sales and Marketing

Sales and marketing are managed through multiple channels that allow us to reach current and potential customers in a variety of ways, including through inbound call centers, outbound telemarketing, retail stores, e-commerce, and door-to-door sales. We also use mass media, including television, digital, radio, print and outdoor advertising, to attract potential customers and invite them to visit our website or call a service representative. Our sales and service teams use a variety of tools and technology to match customers' needs with our best-in-class connectivity products, with a focus on building and enhancing customer relationships.

We invest heavily in target marketing, due to our regional strategy and local focus. Our strategic priority is on building new customer relationships and expanding their use of our broadband, video, voice and mobile offerings, delivering innovative solutions matched to their needs. Most of our marketing is developed centrally then customized regionally, tailoring to local audiences. We have a diverse customer base, and a key focus of ours is to effectively serve a broad range of segments, and to reflect our community's diversity within marketing materials and advertisements. We also give back to our communities through initiatives and sponsorships focused on digital equity, future innovators (educational programs related to Science, Technology, Engineering and Math (STEM) and robotics) and SMBs.

Among other factors, we monitor customer perceptions, sales and marketing impact, and competition, to increase our responsiveness to customer needs and measure the effectiveness of our efforts. Our footprint also has several large college markets where we market specialized products and services for students who live in multiple dwelling units ("MDUs"), such as dormitories and apartments. Beyond serving consumers, we have separate dedicated sales, marketing and service team for our SMB, mid-market, and enterprise customers.

Customer Experience

We believe the customer experience is a cornerstone of our business. Our call center strategy is to demonstrate that we are reliable support experts, that are simple to interact with and work to the best of our ability to resolve the issue in the first attempt. Accordingly, we make a concerted effort to continually improve each customer interaction and have made significant investments in our people, processes and technology to enhance our customers' experience and to reduce the need for customers to contact us.

The insights from operational customer service metrics and our customer surveys help us focus our product, technology, process, and network improvement efforts. We proactively collect feedback from our customers on all frontline interactions, product experience and service experience. Listening to and acting upon customer and agent feedback is a major pillar in our customer experience program and as such we review feedback as part of our on-going operations.

From a call center operations standpoint, we provide technical and account support service to our customers 24 hours a day, seven days a week, and we have systems that allow our customer care centers to be accessed and managed remotely in the event that systems functionality is temporarily lost, which provides our customers access to customer service with limited disruption. To ensure the highest quality support, we have call routing to specialized agents based on certain call types. We continue to work on simplifying and improving our agent toolset to better serve our customer needs.

We also offer our customers the ability to interact with us and get support through digital channels, whether via our website, chat, interactive voice support, text messaging, mobile app, or social media (X and Meta). Customers can use our customer portal website and mobile app to manage and pay their bill online, obtain service and account information, and get self-help troubleshooting support. Our goal is to continue to improve upon those customer care experiences whether through traditional or digital methods (such as through the My Optimum app and chat).

Network Management

Our cable systems are generally designed with an HFC architecture that has proven to be highly flexible in meeting the increasing needs of our customers. We deliver our signals via laser-fed fiber optic cable from control centers known as headends and hubs to individual nodes. Each node is connected to the individual homes served by us. A primary benefit of this design is that it pushes fiber optics closer to our customers' homes, which allows us to subdivide our systems into smaller service groups and make capital investments only in service groups experiencing higher than average service growth.

We have upgraded our networks, both through the deployment of our FTTH network and through new DOCSIS technologies, and we are delivering download speeds of up to 1 Gbps in most of our HFC footprint and up to 8 Gbps in our FTTH footprint. We also have a networking caching architecture that places highly viewed Internet traffic from the largest Internet-based content providers at the edge of the network closest to the customer to reduce bandwidth requirements across our national backbone, thus reducing operating expense. This collective network architecture also provides us with the capability to manage traffic across several Internet access points, thus helping to ensure Internet access redundancy and quality of service for our customers. Additionally, our national backbone connects most of our systems, which allows for an efficient and economical deployment of services from our centralized platforms that include telephone, VOD, network DVR, common video content, broadband Internet, hosted business solutions, provisioning, e-mail and other related services.

Our ongoing FTTH network build passes approximately 3.0 million homes and businesses as of December 31, 2024, and has enabled us to deliver multi-gig broadband speeds to meet the growing data needs of residential and business customers. We believe our FTTH network is more resilient with reduced maintenance requirements, fewer service outages and lower power usage, which we expect will drive further structural cost efficiencies.

We have also focused on system reliability and disaster recovery as part of our national backbone and primary system strategy. For example, to help ensure a high level of reliability of our services, we implemented redundant power capability, as well as fiber route and carrier diversity in our networks. With respect to disaster recovery, we invested in our telephone platform architecture for geo-redundancy to minimize downtime in the event of a disaster to any single facility.

In addition, we continue to expand and refine our bandwidth utilization in order to meet demand for new and improved advanced services. A key component to reclaim bandwidth was the digital delivery of video channels that were previously distributed in analog through the launch of digital simulcast, which duplicates analog channels as digital channels. Additionally, the deployment of lower-cost digital customer premises equipment, such as HD digital transport adapters, enabled the use of more efficient digital channels instead of analog channels, thus allowing the reclamation of expanded basic analog bandwidth in the targeted systems. This reclaimed analog bandwidth is being repurposed for other advanced services such as additional HDTV services and faster Internet access speeds.

To support our mobile business, we have a nationwide mobile core network with multiple interconnection points (including Texas, California, Illinois, and two in New York), as well as the necessary interconnection points for our network partners T-Mobile and AT&T Inc. ("AT&T"), Appalachian Wireless and US Cellular.

Information Technology

Our information technology ("IT") systems consist of billing, customer relationship management, business and operational support and sales force management systems. We continue to update and simplify our IT infrastructure through further investments, focusing on cost efficiencies, improved system reliability, functionality and scalability and enhancing the ability of our IT infrastructure to meet our ongoing business objectives. Additionally, through investment in our IT platforms, AI, machine learning, automation, and focus on process improvement, we continue to simplify and harmonize our service offering bundles and improve our technical service delivery and customer service capabilities. We contract with managed service providers to deliver certain core Business Support Systems and Operations Support Systems. These services are integrated into our overall IT ecosystems to ensure an efficient operation. Backup services are provided through alternate systems and infrastructure.

Suppliers

Customer Premise and Network Equipment

We purchase set-top boxes and other customer premise equipment from a limited number of vendors because our cable systems use one or two proprietary technology architectures. We buy HD, HD/DVRs and VOD equipment, routers, including the components of our home communications platform, and other network equipment from a limited number of suppliers, including Altice Labs (Altice Europe's technology, services and innovation center), Sagemcom and Ubee. We also purchase outside plant material and equipment, including fiber optics and copper components, to support the expansion and maintenance of our networks. See "Risk Factors—Risk Factors Relating to Our Business—We depend on third-party vendors for certain equipment, hardware, licenses and services in the conduct of our business."

Broadband and Telephone Connectivity

We deliver broadband and telephony services through our HFC and FTTH network. We use circuits that are either owned by us or rented from third parties to connect to the Internet and the public switched telephone network. We pay fees for rented circuits based on the amount of capacity available to it and pay for Internet connectivity based on the amount of IP-based traffic received from and sent over the other carrier's network.

Mobile Voice and Data Equipment

We purchase for resale mobile handsets from a number of original equipment manufacturers including Apple, Samsung and Motorola. Customers of our mobile service are able to purchase these handsets with upfront or installment payments.

Intellectual Property

We rely on our patents, copyrights, trademarks and trade secrets, as well as licenses and other agreements with our vendors and other parties, to use our technologies, conduct our operations and sell our products and services. We also rely on our access to the proprietary technology of Altice Europe, including through Altice Labs, and licenses to the name "Altice" and derivatives from Next Alt. We believe we own or have the right to use all of the intellectual property that is necessary for the operation of our business as we currently conduct it.

Competition

We operate in a highly competitive, consumer-driven industry and we compete against a variety of broadband, video, mobile, fixed wireless broadband and fixed-line telephony providers and delivery systems, including broadband communications companies, wireless data and telephony providers, fiber-based service providers, satellite delivered video signals, Internet-delivered video content and broadcast television signals available to residential and business customers in our service areas. We believe our leading market position in our footprint, technologically advanced network infrastructure, including our FTTH build-out, our evolving video services, our mobile service, and our focus on enhancing the customer experience favorably position us to compete in our industry. See also "Risk Factors—Risk Factors Relating to Our Business—We operate in a highly competitive business environment which could materially adversely affect our business, financial condition, results of operations and liquidity."

Broadband Services Competition

Our broadband services face competition from broadband communications companies' digital subscriber line ("DSL"), FTTH/Fiber to the Premises ("FTTP") and wireless broadband offerings, as well as from a variety of companies that offer other forms of online services, including satellite-based broadband services. AT&T, Frontier

Communications Parent, Inc. ("Frontier") and Verizon Communications Inc.'s ("Verizon") Fios are our primary fiber-based competitors. T-Mobile fixed wireless, Verizon fixed wireless and AT&T Internet Air are our primary wireless broadband competitors. Current and future fixed and wireless Internet services, such as 4G, LTE and 5G (and variants) wireless broadband services and WiFi networks, and devices such as wireless data cards, tablets and smartphones, and mobile wireless routers that connect to such devices, may also compete with our broadband services both for in premises broadband service and mobile broadband. All major wireless carriers offer unlimited data plans, which could, in some cases, become a substitute for the fixed broadband services we provide. The Federal Communications Commission ("FCC") is likely to continue to make additional radio spectrum available for these wireless Internet access services, which in time could expand the quality and reach of these services. Additionally, federal legislation has substantially increased the amount of subsidies to entities deploying broadband to areas deemed to be "unserved" or "underserved," which could result in increased competition for our broadband services.

We face intense competition from broadband communications companies with fiber-based networks. Verizon has constructed a FTTH network that passes a significant number of households in our New York metropolitan service area; and AT&T has constructed a FTTP/Fiber to the Node infrastructure in various markets in our south-central United States service area. We estimate that Verizon, together with other fiber-based service providers, are able to sell fiber-based services to approximately two-thirds of the households in our footprint in New York, New Jersey and Connecticut combined and that AT&T and other fiber-based service providers are able to sell fiber products to more than one-third of the households in various markets in our south-central United States service area. Frontier offers DSL and FTTH broadband service and competes with us in most of our Connecticut service area, as well as parts of our Texas and West Virginia service areas.

Video Services Competition

Our video services face competition from cable providers as well as direct broadcast satellite ("DBS") providers, such as DirecTV (which is co-owned by AT&T) and DISH Network (a wholly-owned subsidiary of EchoStar Corporation, "DISH"). DirecTV and DISH offer one-way satellite-delivered pre-packaged programming services that are received by relatively small and inexpensive receiving dishes. We believe cable-delivered services, which include the ability to bundle additional services such as broadband, offer a competitive advantage to DBS service, because cable headends can provide two-way communication to deliver a large volume of programming that customers can access and control independently.

Our video services also face competition from a number of other sources, including companies that deliver movies, television shows and other video programming, including extensive on demand, live content, serials, exclusive and original content, over broadband Internet connections to televisions, computers, tablets and mobile devices, such as Netflix, Hulu, Disney+, Apple TV+, YouTube TV, Amazon Prime, Sling TV, DirecTV Stream and others. In addition, our programming partners continue to launch direct to consumer streaming products, delivering content to consumers that was formerly only available via video, such as Discovery+, Disney+, Max and Paramount+.

Telephony Services Competition

Our telephony service competes with wireline, wireless and VoIP phone service providers, such as Vonage, Skype, Facetime, WhatsApp and magicJack, as well as companies that sell phone cards at a cost per minute for both national and international service. We also compete with other forms of communication, such as text messaging on cellular phones, instant messaging, social networking services, video conferencing and email. The increased number of technologies capable of carrying telephony services and the number of alternative communication options available to customers have intensified the competitive environment in which we operate our telephony services.

Mobile Wireless Competition

Our mobile wireless service faces competition from a number of national incumbent network-based mobile service providers, such as AT&T, T-Mobile and Verizon and smaller regional service providers, as well as a number of reseller or MVNO providers, such as Tracfone, Boost Mobile and Cricket Wireless, among others. We believe that our approach to the mobile wireless service offering, including the ability to bundle and promote the product to our existing customer base, gives us advantages over pure MVNO resellers, and differentiates us from certain incumbent network-based operators. Improvements by incumbent and reseller mobile service providers on price, features, speeds, and service enhancements will continue to impact the competitiveness and attractiveness of our mobile service, and we will need to continue to invest in our services, product and marketing to answer that competition. Our mobile wireless strategy depends on the availability of wholesale access to radio access networks ("RAN") from one or more network-based providers with whom we are likely to compete. Our mobile service is vulnerable to

constraints on the availability of wholesale access or increases in price from the incumbents. Consolidation among wholesale RAN access providers could impair our ability to sustain our mobile service and be competitive.

Business Services Competition

We operate in highly competitive business telecommunications market and compete primarily with local incumbent telephone companies, especially AT&T, Frontier, Lumen Technologies, Inc. ("Lumen") and Verizon, as well as with a variety of other national and regional business services competitors. In recent years, local fiber providers and fixed wireless broadband providers have become more competitive in the business telecommunications services market.

Advertising Services Competition

We provide advertising and advanced advertising services on television and digital platforms, both directly and indirectly, within and outside our television service area. We face intense competition for advertising-related revenue across many different platforms and from a wide range of local and national competitors. Advertising competition has increased and will likely continue to increase as new formats seek to attract the same advertisers. We compete for advertising revenue against, among others, local broadcast stations, national cable and broadcast networks, radio stations, print media, social network platforms (such as Facebook and Instagram), online advertising companies (such as Google), content providers (such as Disney), connected TV providers, advertising agencies (such as Omnicom Group), measurement platforms, and digital advertising platforms.

Human Capital Resources

As of December 31, 2024, we had approximately 10,900 employees. Approximately 400 of our employees were represented by unions as of such date. Approximately 89% of our employees are U.S. based. Our employees perform work in a variety of environments, including customers' homes or businesses, in the field, and on site in retail stores, centers or offices.

Compensation and Benefits

We are committed to providing a competitive total incentive program that is conducive to attracting and retaining our talent. Our compensation program targets market competitive pay and provides an opportunity for our full time non-union employees to earn performance-based incentive compensation. Our market competitive and inclusive benefits program includes healthcare benefits, life and disability insurance, 401(k) plan with Company matching contributions, paid time off, and other voluntary benefit programs.

Employee Engagement

We are committed to creating an environment where every employee can be the difference, and where employees ask questions, demonstrate their expertise, create community, take ownership, and are nimble. We believe that fostering a best-in-class employee experience will enable our employees to provide a best-in-class customer experience. We value recognition and have many programs throughout each year that celebrate the achievements of employees across the Company. We also promote a culture that embraces equal opportunity for all, and we are committed to fostering a workplace where employees and customers alike experience a culture of respect, belonging, and opportunity. Our approach is guided by best practices in recruitment, retention, community engagement, and culture-building, ensuring that we attract and retain talent that reflects the diverse communities we serve.

We have earned certifications by Great Place to Work®, a global authority on workplace culture, employee experience, and effective leadership. Additionally, we earned recognition from the Cablefax Top Ops Awards earning the Work Culture Award, and Built In included us among multiple *Best Places to Work 2025* lists.

Learning and Development

We provide our leaders with development programs through the *Optimum Leader* framework, focusing on our three guiding principles: to set clear expectations and do what is right, drive ONE Optimum, and make it happen. We also provide employees with tuition benefits to ensure access to educational resources they need to continue their development and pursue their goals.

Regulation

General Company Regulation

Our cable and other services are subject to a variety of federal, state and local law and regulations, as well as, in instances where we operate outside of the U.S., the laws and regulations of the countries and regions where we operate. The Communications Act, and the rules, regulations and policies of the FCC, as well as other federal, state and other laws governing cable television, communications, consumer protection, privacy and related matters, affect significant aspects of the operations of our cable and other services.

The following paragraphs describe the existing legal and regulatory requirements we believe are most significant to our operations today. Our business can be dramatically impacted by changes to the existing regulatory framework, whether triggered by legislative, administrative or judicial rulings.

Cable Television

Franchising. The Communications Act requires cable operators to obtain a non-exclusive franchise from state or local franchising authorities to provide cable service. Although the terms of franchise agreements differ from jurisdiction to jurisdiction, they typically require payment of franchise fees and contain regulatory provisions addressing, among other things, use of the right of way, service quality, cable service to schools and other public institutions, insurance, indemnity and sales of assets or changes in ownership. State and local franchising authority, however, must be exercised consistent with the Communications Act, which sets limits on franchising authorities' powers, including limiting franchise fees to no more than 5% of gross revenues from the provision of cable service, prohibiting franchising authorities from requiring us to carry specific programming services, and protecting the renewal expectation of franchisees by limiting the factors a franchising authority may consider and requiring a due process hearing before denying renewal. When franchises are renewed, however, the franchise authority may, except where prohibited by applicable law, seek to impose new and more onerous requirements as a condition of renewal. Similarly, if a franchising authority's consent is required for the purchase or sale of a cable system, the franchising authority may attempt to impose more burdensome requirements as a condition for providing its consent. Cable franchises generally are granted for fixed terms and, in many cases, include monetary penalties for noncompliance. They may also be terminable if the franchisee fails to comply with material provisions.

In recent years, the traditional local cable franchising regime has undergone significant change as a result of federal and state action. Several states have reduced or eliminated the role of local or municipal government in franchising in favor of state- or system-wide franchises, and the trend has been toward consolidation of franchising authority at the state level, in part to accommodate the interests of new broadband and cable entrants over the last decade. At the same time, the FCC has adopted rules that streamline entry for new competitors (such as those affiliated with broadband communications companies) and reduce certain franchising burdens for these new entrants. In 2019, the FCC also extended to existing cable providers relief from certain fees and other regulatory requirements imposed by franchising authorities, including subjecting certain fees for access to the right-of-way and certain in-kind payments obligations to the statutory cap on franchise fees, as well as preempting states and localities from exercising their authority to regulate cable operators' non-cable services. The FCC's order was challenged by several municipalities and substantially upheld by the U.S. Sixth Circuit Court of Appeals on appeal, although the court curtailed the relief related to in-kind contributions. Some municipalities have asked the FCC to reopen consideration of these issues. We cannot predict whether or not the FCC will do so or what actions it may take if it does.

Pricing and Packaging. The Communications Act and the FCC's rules limit the scope of price regulation for cable television services. Among other limitations, franchising authorities may regulate rates only for "basic" cable service. In 2015, the FCC adopted a rule establishing a presumption against rate regulation absent an affirmative showing by the franchising authority that there is an absence of effective competition. Based on the 2015 FCC rule, none of our video customers are currently subject to basic rate regulation.

There have been frequent calls to impose further rate regulation on the cable industry. It is possible that Congress or the FCC may adopt new constraints on the retail pricing or packaging of cable programming. As we attempt to respond to a changing marketplace with competitive marketing and pricing practices, we may face regulations that impede our ability to compete. In 2024, the FCC adopted rules that require cable operators to disclose the "all-in" price for service, including fees related to the provision of cable service such as network fees, sports and broadcast programming fees, in subscriber bills, advertising, and promotional materials. The FCC has also proposed restricting the use of early termination fees imposed on customers who terminate long-term service contracts prior to the expiration of their contracts, and to require cable operators to prorate a subscriber's bill for the final month of service if the subscriber cancels service prior to the end of the final month. We do not charge early termination fees. We

currently charge for service in whole-month increments other than where prohibited by state law, so the adoption of this proposal would affect our customer service practices. We cannot predict whether these rules and restrictions, if adopted, would affect our cable revenue and subscribership.

In addition, a number of state and local regulatory authorities have imposed or seek to impose price- or price-related regulation that we believe is inconsistent with FCC direction, and these efforts if successful, will diminish the benefits of deregulation and hamper our ability to compete with our largely unregulated competitors. We brought a challenge in federal and state court against one such attempt to regulate our pricing by the New Jersey Board of Public Utilities ("Board"), but in 2023, the New Jersey Supreme Court upheld the Board's regulation.

Must-Carry/Retransmission Consent. Cable operators are required to carry, without compensation, programming transmitted by most local commercial and noncommercial broadcast television stations that elect "must carry" status. Alternatively, local commercial broadcast television stations may elect "retransmission consent," giving up their must-carry right and instead negotiating with cable systems the terms on which the cable systems may carry the station's programming content. Cable systems generally may not carry a broadcast station that has elected retransmission consent without the station's consent. The terms of retransmission consent agreements frequently include the payment of compensation to the station.

Broadcast stations must elect either "must carry" or retransmission consent every three years. A substantial number of local broadcast stations currently carried by our cable systems have elected to negotiate for retransmission consent. In the most recent retransmission consent negotiations, popular television stations have demanded substantial compensation increases, thereby increasing our operating costs. In the event a cable operator and a broadcast station electing retransmission consent cannot agree on terms and conditions for carriage, a cable operator must cease carrying the station until such an agreement is reached. The FCC recently adopted rules requiring cable operators to report such "blackouts" lasting more than 24 hours to the FCC. The FCC has also proposed that cable operators provide subscribers with a rebate if a broadcast station is blacked out during a retransmission consent dispute. The proposed rebate requirement would also apply if other video programming services are blacked out during a carriage dispute. This proposal remains pending at the FCC.

Ownership Limitations. Federal regulation of the communications field traditionally included a host of ownership restrictions, which limited the size of certain media entities and restricted their ability to enter into competing enterprises. Through a series of legislative, regulatory, and judicial actions, most of these restrictions have been either eliminated or substantially relaxed. In 2017, the FCC relaxed some broadcast media ownership rules, and the broadcast industry subsequently experienced consolidation. The FCC's order was subsequently affirmed by the U.S. Supreme Court, but the FCC has the statutory obligation to review its broadcast ownership rules every four years and revise them if it determines that the public interest so requires. The FCC recently affirmed its existing ownership rules and extended the rule prohibiting the same television licensee from acquiring an affiliation with more than one of the "top four" networks in the same local market to include affiliation via a low power television station or one of the licensee's available programming streams on its broadcast signal. This change may help reduce the leverage broadcasters can exercise in negotiating the fees we pay them to license their signals. Depending on the outcome of the FCC's 2022 quadrennial review of media ownership rules, the broadcast industry could consolidate further, which could adversely impact those fees.

Set-Top Boxes. The Communications Act includes a provision that requires the FCC to take certain steps to support the development of a retail market for "navigation devices," such as cable set-top boxes. Several years ago, the FCC began a proceeding to consider requiring cable operators to accommodate third-party navigation devices, which have imposed substantial development and operating requirements on the industry. Though there is currently no active effort to advance these proposals, the FCC may in the future consider implementing other measures to promote the competitive availability of retail set-top boxes or third-party navigation options that could impact our customers' experience, our ability to capture user interactions to refine and enhance our services, and our ability to provide a consistent customer support environment.

PEG and Leased Access. Franchising authorities may require that we support the delivery and support for public, educational, or governmental ("PEG") channels on our cable systems. In addition to providing PEG channels, we must make a limited number of commercial leased access channels available to third parties (including parties with potentially competitive video services) at regulated rates. Although commercial leased access activity historically has been relatively limited, increased activity in this area could further burden the channel capacity of our cable systems.

Pole Attachments. We make extensive use of utility poles and conduits to attach and install the facilities that are integral to our network and services. The Communications Act requires most utilities to provide cable systems with

access to poles and conduits to attach such facilities at regulated rates, but does not extend these requirements to other entities, such as municipalities and electric cooperatives. The FCC (or a state, if it chooses to regulate) regulates utility company rates for the rental of pole and conduit space used by companies, including operators like us, to provide cable, telecommunications services, and Internet access services. Many states in which we operate have elected to set their own pole attachment rules. Adverse changes to the pole attachment rate structure, rates, classifications, and access could significantly increase our annual pole attachment costs. Expansion of our business into new areas, including areas where poles and conduits are operated by electric cooperatives or municipalities not subject to FCC or state regulation, may be frustrated by delays, capacity constraints, "makeready" demands or the general inability to secure appropriate pole or conduit rights, as well as higher pole and conduit access costs.

Program Access. The program access rules generally prohibit a cable operator from improperly influencing an affiliated satellite-delivered cable programming service to discriminate unfairly against an unaffiliated distributor where the purpose or effect of such influence is to significantly hinder or prevent the competitor from providing satellite-delivered cable programming. FCC rules also allow a competing distributor to bring a complaint against a cable-affiliated terrestrially-delivered programmer or its affiliated cable operator for alleged violations of this rule, and seek reformed terms of carriage as a remedy.

Program Carriage. The FCC's program carriage rules prohibit us from requiring an unaffiliated programmer to grant us a financial interest or exclusive carriage rights as a condition of its carriage on our cable systems and prohibit us from unfairly discriminating against unaffiliated programmers in the terms and conditions of carriage on the basis of their nonaffiliation. The FCC has also proposed to prohibit cable and DBS operators from including most favored nation provisions and unreasonable alternative distribution method provisions in their carriage agreements with independent programmers (i.e., programmers unaffiliated with cable or DBS operators or a broadcast television network or licensee). The FCC has sought comment on whether these restrictions should apply to existing contracts. Some of our programming contracts include such provisions.

Exclusive Access to Multitenant Buildings. The FCC prohibits cable operators from entering into or enforcing exclusive agreements with owners of multitenant buildings under which the operator is the only multichannel video programming distributor ("MVPD") with access to the building. FCC rules also restrict certain business arrangements between cable operators and owners of multitenant buildings, including prohibiting operators from entering into certain types of revenue sharing agreements and requiring operators to disclose to tenants the existence of exclusive marketing arrangements and the availability of alternative providers. The FCC has also clarified that existing FCC rules regarding cable inside wiring prohibit so-called "sale-and-leaseback" arrangements that effectively deny access to alternative providers.

CALM Act. The FCC's rules require us to ensure that all commercials carried on our cable service comply with specified volume standards.

Privacy and Data Security. In the course of providing our services, we collect certain information about our customers and their use of our services. We also collect certain information regarding potential customers and other individuals. Our collection, use, disclosure and other handling of information is subject to a variety of federal and state privacy requirements, including those imposed specifically on cable operators and telecommunications service providers by the Communications Act. We are also subject to data security obligations, as well as requirements to provide notice to individuals and governmental entities in the event of certain data security breaches, and such breaches, depending on their scope and consequences, may lead to litigation and enforcement actions with the potential for substantial monetary forfeitures or to adversely affect our brand.

As cable operators provide interactive and other advanced services, additional privacy and data security requirements may arise through legislation, regulation or judicial decisions. For example, the Video Privacy Protection Act of 1988 has been interpreted in some instances to cover online interactive services. In addition, Congress, the Federal Trade Commission ("FTC"), and other lawmakers and regulators are all considering whether to adopt additional measures that could impact the collection, use, and disclosure of customer information in connection with the delivery of advertising and other services to consumers customized to their interests. See "Privacy Regulations" below.

Federal Copyright Regulation. We are required to pay copyright royalty fees on a semi-annual basis to receive a statutory compulsory license to carry broadcast television content. These fees are subject to periodic audit by the content owners. The amount of a cable operator's royalty fee payments is determined by a statutory formula that takes into account various factors, including the amount of "gross receipts" received from customers for "basic" service, the number of "distant" broadcast signals carried and the characteristics of those distant signals (e.g., network, independent or noncommercial). Certain elements of the royalty formula are subject to adjustment from time to time,

which can lead to increases in the amount of our semi-annual royalty payments. The U.S. Copyright Office, which administers the collection of royalty fees, has made recommendations to Congress for changes in or elimination of the statutory compulsory licenses for cable television carriage of broadcast signals. Changes to copyright regulations could adversely affect the ability of our cable systems to obtain such programming and could increase the cost of such programming. Similarly, we must obtain music rights for locally originated programming and advertising from the major music performing rights organizations. These licensing fees have been the source of litigation in the past, and we cannot predict with certainty whether license fee disputes may arise in the future. The legal framework for secondary copyright liability for Internet Service Providers ("ISPs"), including whether and to what extent an ISP may be liable for the alleged infringement of its subscribers' internet services, continues to evolve and could result in significant liability for us.

Access for Persons with Disabilities. The FCC's rules require us to ensure that persons with disabilities can more fully access the programming we carry. We are required to provide closed captions and pass through video description to customers on some networks we carry, and to provide an easy means of activating closed captioning and to ensure the audio accessibility of emergency information and on-screen text menus and guides provided by our navigation devices.

Other Regulation. We are subject to various other regulations, including those related to political broadcasting; home wiring; the blackout of certain network and syndicated programming; prohibitions on transmitting obscene programming; limitations on advertising in children's programming; and standards for emergency alerts, as well as telemarketing and general consumer protection laws, federal and state marketing and advertising standards and regulations, and equal employment opportunity obligations. For example, the Television Viewer Protection Act of 2019 imposes obligations on cable and fixed broadband providers, including required disclosures at the point of sale and in electronic billing and prohibitions on certain equipment charges. The FCC also imposes various technical standards on our operations. In the aftermath of extreme weather events, the FCC and certain states continue to examine whether new requirements are necessary to improve the resiliency of communications networks. In 2022, the FCC adopted disaster response requirements for facilities-based wireless providers but deferred imposing similar requirements on cable and other communications networks. The FCC requires cable operators to report network outages that exceed a specified threshold and, in 2024, put in place regulations that mandate reporting on operational status and restoration information during disasters. Some jurisdictions, such as California, have begun to impose new technical requirements on facilities-based wireline providers as part of their resiliency proceedings. Other states have undertaken examinations of storm resiliency, recovery, and customer impacts, which could lead to additional regulation of the industry. Each of these regulations restricts (or could restrict) our business practices to varying degrees and will impose (or could impose) substantial compliance costs. The FCC can aggressively enforce compliance with its regulations and consumer protection policies, including through the imposition of substantial monetary sanctions. It is possible that Congress or the FCC will expand or modify its regulations of cable systems in the future, and we cannot predict at this time how that might impact our business.

Broadband

Regulatory Classification. Broadband Internet access services were traditionally classified by the FCC as "information services" for regulatory purposes, a type of service that is subject to a lesser degree of regulation than "telecommunications services." In 2015, the FCC reversed this determination and classified broadband Internet access services as "telecommunications services." This reclassification had subjected our broadband Internet access service to greater regulation, although the FCC did not apply all telecommunications service obligations to broadband Internet access service. The 2015 Order (as defined below) could have had a material adverse impact on our business. In December 2017, the FCC adopted an order that in large part reversed again the 2015 Order and reestablished the "information service" classification for broadband Internet access service. The 2017 Order (as defined below) was affirmed in part on appeal in October 2019 insofar as it classified broadband Internet access services as information services subject to lesser federal regulation. However, the 2017 Order was also vacated in part on appeal insofar as it preempted states from subjecting broadband Internet access services to any requirements more stringent than the federal requirements. As a result, the precise extent to which state rules may impose such requirements, as well as other regulatory obligations, on broadband Internet access service providers is not fully settled. In 2024, the FCC reclassified broadband service as a common carrier telecommunications service under similar terms and conditions as the 2015 Order. The 2024 Order was stayed and, in 2025, vacated by the Sixth Circuit Court of Appeals. The court's decision may be appealed.

Net Neutrality. The FCC's 2015 and 2024 Orders would have imposed "net neutrality" requirements on providers of broadband Internet access services, which included prohibitions on blocking, throttling and prioritizing Internet

traffic. A number of states, including California and New York, have adopted legislation or executive orders that apply "net neutrality" rules to ISPs. The California legislation took effect in March 2021, and was upheld in 2022 by the Ninth Circuit Court of Appeals against a challenge by internet service providers. New York and New Jersey each have in place an executive order that requires entities contracting with state agencies to commit to and certify compliance with net neutrality principles across the market. These state requirements currently remain in place notwithstanding the court decision overturning the FCC's net neutrality rules. In the wake of the Sixth Circuit decision, Congress may consider legislation codifying some form of "net neutrality" rules. The FCC or Congress could also address the extent to which states may also impose such rules or otherwise regulate broadband service.

Digital Discrimination. Pursuant to a Congressional directive, the FCC adopted rules in 2023 to facilitate equal access to broadband internet access service by preventing digital discrimination of access, which the FCC defined as "policies or practices, not justified by genuine issues of technical or economic feasibility, that differentially impact consumers' access to broadband internet access service based on their income level, race, ethnicity, color, religion or national origin, or are intended to have such differential impact." The FCC rules include a process for bringing complaints against broadband providers that relate to digital discrimination. The rules took effect in March 2024 and have been challenged in court. We cannot predict the outcome of the litigation or how these rules will affect our broadband business, including deployment and pricing.

Consumer Labels. The FCC rules require broadband providers to display, at the point of sale, consumer labels with information about their broadband services. The labels must disclose certain information about broadband prices, introductory rates, data allowances, and speeds, and include links to information about network management practices, privacy policies, and, while it was in effect, the FCC's Affordable Connectivity Program ("ACP") for low-income households. The FCC's rules also require the labels to itemize monthly charges and fees, including regulatory fees passed through to consumers for any individual consumer's location. The requirement to display labels took effect in 2024.

Access for Persons with Disabilities. The FCC's rules require us to ensure that persons with disabilities have access to "advanced communications services", such as electronic messaging and interoperable video conferencing. They also require that certain video programming delivered via Internet Protocol include closed captioning and require entities distributing such programming to end users to pass through such captions and identify programming that should be captioned.

Government Subsidies. The FCC and other federal agencies, as well as some states, direct subsidies to entities deploying broadband to areas deemed to be "unserved" or "underserved." Federal legislation and state programs have substantially increased the amount of such subsidies in recent years. This increase is expected to continue in all states in the coming years in connection with federal funding, although it is possible that the current Administration may seek to make changes to the relevant programs and funding levels. Eligibility criteria for the use of such subsidies do not always limit their use exclusively to areas lacking broadband access. We have sought this funding as have many other entities, including broadband services competitors and new entrants into such services. We have also opposed subsidies directed to areas that we already serve. There is no assurance that we will be successful in securing such funding or in preventing funding from being directed to our competitors in areas we already serve, nor any guarantee of the amount of funding we could receive. In 2022, we were authorized to receive subsidies from the FCC as part of the Rural Digital Opportunity Fund ("RDOF"). RDOF awards include a number of regulatory requirements and construction milestones. In 2024, we exited the RDOF program and no longer receive FCC universal service subsidies. The FCC could audit our compliance with RDOF during the period we received subsidies. If the government found that we failed to meet certain obligations, we could be subject to government penalties. By accepting RDOF funding, we were required to participate in the federal Lifeline program, which provides low-income households with discounted voice and broadband services. After we exited RDOF, we also relinquished our eligible telecommunications carrier obligations, which eliminated our obligation to offer Lifeline. The FCC also administered the ACP, which provided subsidies for broadband providers that offered discounted broadband service to low-income households. Although funding for the program ended in 2024, the FCC continues to assess providers' compliance.

Other Regulation. Providers of broadband Internet access services must comply with the Communications Assistance for Law Enforcement Act ("CALEA"), which requires providers to make their services and facilities accessible for law enforcement intercept requests. Various other federal and state laws apply to providers of services that are accessible through broadband Internet access service, including copyright laws, telemarketing laws, prohibitions on obscenity, a ban on unsolicited commercial e-mail, and privacy and data security laws. The online content we provide is also subject to some of these laws.

Other forms of regulation of broadband Internet access service currently being considered by the FCC, Congress or state legislatures include consumer protection requirements, billing and notifications requirements, cybersecurity requirements, consumer service standards, requirements to contribute to universal service programs and requirements to protect personally identifiable customer data from theft. Pending and future legislation in this area could adversely affect our operations as an ISP and our relationship with our Internet customers. While neither the FCC nor states currently regulate the price for broadband services generally, the state of New York enacted legislation that would regulate the price and terms for the broadband service offered to low-income households. This law was enjoined by a New York federal court, but the injunction was vacated on appeal and the Supreme Court has declined to hear an appeal. The plaintiff ISPs have petitioned for the Supreme Court to reconsider that decision, and the request is currently pending. Numerous states are also seeking to impose price caps on broadband service provided to low-income households as a condition of awarding subsidies for the construction of broadband networks to unserved and underserved areas.

Additionally, from time to time the FCC and Congress have considered whether to subject broadband Internet access services to the federal Universal Service Fund ("USF") contribution requirements. Any contribution requirements adopted for Internet access services would impose significant new costs on our broadband Internet service. At the same time, the FCC may also change the manner in which Universal Service funds are distributed. By focusing on broadband and wireless deployment, rather than traditional telephone service, changes could assist some of our competitors in more effectively competing with our service offerings.

Telephony Services

We provide telephony services using VoIP technology ("interconnected VoIP") and traditional switched telephony via our CLEC subsidiaries.

The FCC has adopted several regulations for interconnected VoIP services, as have several states, especially as it relates to core customer and safety issues such as E911, local number portability, disability access, outage reporting, universal service contributions, and regulatory reporting requirements. The FCC has not, however, formally classified interconnected VoIP services as either information services or telecommunications services. In this vacuum, some states have asserted more expansive rights to regulate interconnected VoIP services, while others have adopted laws that bar the state commission from regulating VoIP service. Several advocacy and labor organizations petitioned the FCC in 2022 to formally classify VoIP as a telecommunications service; however, the FCC has not taken any action on the petition. Classification of our VoIP services as telecommunications services could result in additional regulatory requirements and compliance costs. In 2025, in response to increased regulation of VoIP providers in California, several providers petitioned the FCC to preempt California's rules; the FCC has not yet taken action on that petition either.

Universal Service. Interconnected VoIP services must contribute to the USF used to subsidize communication services provided to low-income households, to customers in rural and high-cost areas, and to schools, libraries, and rural health care providers. The amount of universal service contribution required of interconnected VoIP service providers is based on a percentage of revenues earned from interstate and international services provided to end users. We allocate our end user revenues and remit payments to the universal service fund in accordance with FCC rules. The FCC has ruled that states may impose state universal service fees on interconnected VoIP providers.

Local Number Portability. The FCC requires interconnected VoIP service providers and their "numbering partners" to ensure that their customers have the ability to port their telephone numbers when changing providers. We also contribute to federal funds to meet the shared costs of local number portability and the costs of North American Numbering Plan Administration.

Other Regulation. Interconnected VoIP service providers are required to provide enhanced 911 emergency services to their customers; protect customer proprietary network information from unauthorized disclosure to third parties; report to the FCC on service outages; comply with telemarketing regulations and other privacy and data security requirements; (see "*Privacy Regulations*" below); comply with disabilities access requirements and service discontinuance obligations; comply with call signaling requirements; and comply with CALEA standards. In August 2015, the FCC adopted rules to improve the resiliency of the communications network. Under the rules, providers of telephony services, including interconnected VoIP service providers, must make available twenty-four hours of standby backup power for consumers to purchase at the point of sale. The rules also require that providers inform new and current customers about service limitations during power outages and steps that consumers can take to address those risks. In addition, the FCC is currently considering whether to require VoIP providers to maintain backup power for certain network equipment, and California has adopted rules requiring VoIP providers to maintain seventy-

two hours of network backup power in certain areas of the state facing elevated fire risks. The FCC also requires interconnect VoIP providers to report network outages that exceed a specified threshold.

We provide traditional telecommunications services in various states through our operating subsidiaries, and those services are largely governed under rules established for CLECs under the Communications Act. The Communications Act entitles our CLEC subsidiaries to certain rights, but as telecommunications carriers, it also subjects them to regulation by the FCC and the states. Their designation as telecommunications carriers results in other regulations that may affect them and the services they offer.

Interconnection and Intercarrier Compensation. The Communications Act requires telecommunications carriers to interconnect directly or indirectly with other telecommunications carriers and networks, including VoIP. Under the FCC's intercarrier compensation rules, we are entitled, in some cases, to compensation from carriers when they use our network to terminate or originate calls and in other cases are required to compensate another carrier for using its network to originate or terminate traffic. The FCC and state regulatory commissions, including those in the states in which we operate, have adopted limits on the amounts of compensation that may be charged for certain types of traffic. In an October 2011 Order, the FCC determined that intercarrier compensation for all terminating traffic would be phased down over several years to a "bill-and-keep" regime, with no compensation between carriers for most terminating traffic. In 2020, the FCC adopted further reforms to phase down the rates for the origination of "toll-free" calls. The FCC also has a pending proceeding that could further reduce or eliminate compensation for remaining traffic.

Universal Service. Our CLEC subsidiaries are required to contribute to the USF. The amount of universal service contribution required of us is based on a percentage of revenues earned from interstate and international services provided to end users. We allocate our end user revenues and remit payments to the universal service fund in accordance with FCC rules.

Other Regulation. Our CLEC subsidiaries' telecommunications services are subject to other FCC requirements, including protecting the use and disclosure of customer proprietary network information; meeting certain notice requirements in the event of service termination; compliance with disabilities access requirements; compliance with CALEA standards; outage reporting; and the payment of fees to fund local number portability administration and the North American Numbering Plan. As noted above, the FCC and states are examining whether new requirements are necessary to improve the resiliency of communications networks, including heightened backup power requirements within the provider's network. Communications with our customers are also subject to FCC, FTC and state regulations on telemarketing and the sending of unsolicited commercial e-mail and fax messages, as well as additional privacy and data security requirements.

State Regulation. Our CLEC subsidiaries' telecommunications services are subject to regulation by state commissions in each state where we provide services. In order to provide our services, we must seek approval from the state regulatory commission or be registered to provide services in each state where we operate and may at times require local approval to construct facilities. Regulatory obligations vary from state to state and include some or all of the following requirements: filing tariffs (rates, terms and conditions); filing operational, financial, and customer service reports; seeking approval to transfer the assets or capital stock of the broadband communications company; network resiliency and disaster recovery requirements; seeking approval to issue stocks, bonds and other forms of indebtedness of the broadband communications company; reporting customer service and quality of service requirements; outage reporting; making contributions to state universal service support programs; paying regulatory and state Telecommunications Relay Service and E911 fees; geographic build-out; and other matters relating to competition.

In 2019, we launched a mobile service using our own core infrastructure and our infrastructure mobile virtual network operator ("iMVNO") agreements with Sprint (now T-Mobile) and other roaming partners, including AT&T. Our mobile wireless service is subject to most of the same FCC and consumer protection regulations as typical, network-based wireless carriers (such as E911 services, local number portability, privacy protection, and constraints on billing and advertising practices). The FCC or other regulatory authorities may adopt new or different regulations that apply to our services or similarly situated providers, impose new taxes or fees, or modify the obligations of other network-based carriers to provide wholesale RAN access to providers like Altice USA.

Other Services

We may provide other services and features over our cable system, such as games and interactive advertising, which may be subject to a range of federal, state and local laws, such as privacy and consumer protection regulations and

federal and state standards and regulations. We also maintain various websites that provide information and content regarding our businesses. The operation of these websites is also subject to a similar range of regulations.

Privacy Regulations

Our cable, Internet, voice, wireless and advertising services are subject to various federal, state and local laws and regulations, as well as, in instances where we operate outside of the U.S., the laws and regulations of the countries and regions where we operate, regarding subscriber privacy, data security, data protection, and data use. Our provision of Internet services subjects us to the limitations on use and disclosure of user communications and records contained in the Electronic Communications Privacy Act of 1986. Broadband Internet access service is also subject to various privacy laws applicable to electronic communications. We are subject to various state regulations and enforcement oversight related to our policies and practices covering the collection, use, and disclosure of personal information. The California Consumer Privacy Act ("CCPA"), a comprehensive privacy act aimed at increasing disclosure requirements, privacy protections, and the rights of consumers to identify and delete stored private data, subject to some limited business exceptions, has been in effect since January 1, 2020. Amendments to the CCPA under the California Privacy Rights Act of 2020 took effect on January 1, 2023, and provide certain additional disclosure requirements, privacy protections, and rights of consumers. Virginia adopted the Consumer Data Protection Act in 2021 which took effect on January 1, 2023. Colorado also adopted a comprehensive privacy act in 2021, as did Utah and Connecticut in 2022, that also impose disclosure requirements, privacy protections, and the rights of consumers to opt out of certain data sharing. Those laws took effect in 2023. The Texas Data Privacy and Security Act, which creates similar disclosure requirements, privacy protections, and consumer privacy rights, took effect on January 1, 2024.

The FCC, in 2023, expanded its data breach notification reporting obligations applicable to telecommunications carriers and interconnected VoIP providers, which could cause us to incur additional compliance costs. In 2024, Kentucky, among other states, passed a comprehensive consumer privacy law. As with existing state consumer privacy laws in California, Virginia, and Connecticut, among other states, this law creates disclosure requirements, privacy protections, and consumer privacy rights for covered businesses. The Kentucky law will take effect January 1, 2026. Similarly, the New Jersey legislature passed a comprehensive consumer privacy law in January 2024, which took effect January 16, 2025. We expect further scrutiny of privacy practices at all levels of government in the areas where we operate. Implementing and updating systems and processes to comply with new rules could impact our business opportunities and impose operating costs on the business.

Our i24NEWS operation has employees and offices in the European Union ("EU") that are subject to the General Data Protection Regulation ("GDPR"). Further, our Optimum Media business conducts limited business with customers that advertise in the EU and in the United Kingdom ("UK"). As such, we have certain compliance obligations with EU member state, as well as UK laws and regulations, including compliance obligations under the GDPR and UK GDPR, and bear potential enforcement risks and fines if we fail to comply, even as the application of those regulations to some of our operations are unclear or are unknown.

Environmental Regulations

Our business operations are subject to environmental laws and regulations, including regulations governing the use, storage, disposal of, and exposure to hazardous materials, the release of pollutants into the environment and the remediation of contamination. These requirements may also be more stringent in some areas where we receive federal broadband subsidies. In part as a result of the increasing public awareness concerning the importance of environmental regulations, these regulations have become more stringent over time. Amended or new regulations could impact our operations and costs.

Risk Factors Relating to Our Business

We operate in a highly competitive business environment which could materially adversely affect our business, financial condition, results of operations and liquidity.

We operate in a highly competitive, consumer-driven industry and we compete against a variety of broadband, video and telephony providers and delivery systems, including broadband communications companies, wireless data and telephony providers, fiber-based service providers, satellite-delivered video providers, Internet-delivered video content and broadcast television signals available to residential and business customers in our service areas. Some of our competitors include AT&T, DirecTV, DISH, Frontier, Lumen and Verizon. In addition, our video services compete with all other sources of leisure, news, information and entertainment, including movies, sporting or other live events, radio broadcasts, home-video services, console games, print media and the Internet.

In some instances, our competitors have fewer regulatory burdens, easier access to financing, greater resources, greater operating capabilities and efficiencies of scale, stronger brand-name recognition, longstanding relationships with regulatory authorities and customers, more customers, more flexibility to offer promotional packages at prices lower than ours and greater access to programming or other services. This competition creates pressure on our pricing and has adversely affected, and may continue to affect, our ability to add and retain customers, which in turn adversely affects our business, financial condition and results of operations. The effects of competition may also adversely affect our liquidity and ability to service our debt. For example, we face intense competition from Verizon, which has constructed FTTH network infrastructure that passes a significant number of households in our New York metropolitan service area. We estimate that Verizon, together with other fiber-based service providers, are able to sell fiber-based services to approximately two-thirds of the households in our footprint in New York, New Jersey and Connecticut combined and may expand these and other service offerings to more customers in the future. We also face increasing competition from AT&T and other fiber-based service providers in various markets in our south-central United States service area, who we estimate are currently able to sell fiber products to more than one-third of these households. While the extent of our competitors' build-out and sales activity in service areas is difficult to assess because it is based on visual inspections and other limited estimating techniques and therefore serves only as an approximation, the fiber build out by competitors in our service areas is significant.

Our competitive risks are heightened by the rapid technological change inherent in our business, evolving consumer preferences and the need to acquire, develop and adopt new technology to differentiate our products and services from those of our competitors, and to meet consumer demand. We may need to anticipate far in advance which technology we should use for the development of new products and services or the enhancement of existing products and services. The failure to accurately anticipate such changes may adversely affect our ability to attract and retain customers, which in turn could adversely affect our business, financial condition and results of operations. Consolidation and cooperation in our industry may allow our competitors to acquire service capabilities or offer products that are not available to us or offer similar products and services at prices lower than ours.

In addition, certain of our competitors own directly or are affiliated with companies that own programming content or have exclusive arrangements with content providers that may enable them to obtain lower programming costs or offer exclusive programming that may be attractive to prospective customers.

Another source of competition for our video services is the delivery of video content over the Internet directly to customers, some of which is offered without charging a fee for access to the content. This competition comes from a number of different sources, including companies that deliver movies, television shows and other video programming, including extensive on demand, live content, serials, exclusive and original content, over broadband Internet connections to televisions, computers, tablets and mobile devices, such as Netflix, Hulu, Disney+, Apple TV+, YouTube TV, Amazon Prime, Sling TV, DirecTV Stream and others. It is possible that additional competitors will enter the market and begin providing video content over the Internet directly to customers. Increasingly, content owners, such as Max, CBS, Disney and ESPN, are selling their programming directly to consumers over the Internet without requiring a video subscription. The availability of these services has and will continue to adversely affect customer demand for our video services, including premium and on-demand services. Further, due to consumer electronics innovations, consumers can watch such Internet-delivered content on television sets and mobile devices, such as smartphones and tablets. Internet access services are also offered by providers of wireless services, including traditional cellular phone carriers and others focused solely on wireless data services.

Our video services also face competition from broadcast television stations, entities that make digital video recorded movies and programs available for home rental or sale, satellite master antenna television ("SMATV") systems, which generally serve large MDUs under an agreement with the landlord and service providers and open video

system operators. Private cable systems can offer improved reception of local television stations and many of the same satellite-delivered program services that are offered by cable systems. SMATV systems currently benefit from operating advantages not available to franchised cable systems, including fewer regulatory burdens. Cable television has also long competed with broadcast television, which consists of television signals that the viewer is able to receive without charge using an "off-air" antenna. The extent of such competition is dependent upon the quality and quantity of broadcast signals available through "off-air" reception, compared to the services provided by the local cable system. The use of radio spectrum now provides traditional broadcasters with the ability to deliver HD television pictures and multiple digital-quality program streams. There can be no assurance that existing, proposed or as yet undeveloped technologies will not become dominant in the future and render our video service offering less profitable or even obsolete.

Our broadband service faces competition from wired and wireless providers. Most broadband communications companies, which already have wired networks, an existing customer base and other operational functions in place (such as billing and service personnel), offer DSL, cable or FTTH/FTTP services. We believe these services compete with our broadband service and are often offered at prices comparable to or lower than our Internet services and, despite sometimes being offered at speeds lower than the speeds we offer, are capable of serving as substitutes for some consumers. In addition, to the extent that these providers' networks are more ubiquitously deployed, such as traditional telephone networks, they may be in a better position to offer Internet services to businesses passed by their networks on a more economic or timely basis than we can, even if the services they offer are arguably inferior. They may also increasingly have the ability to combine video services, mobile services and telephone and Internet services offered to their customers, either directly or through co-marketing agreements with other service providers. Additionally, federal legislation has substantially increased the amount of subsidies to entities deploying broadband to areas deemed to be "unserved" or "underserved" in recent years, which could result in increased competition for our broadband services.

Mobile broadband providers increasingly provide Fixed Wireless Broadband ("FWB") services that can substitute for our fixed broadband service. These 5G FWB services from T-Mobile and Verizon, for example, in addition to services such as 4G, LTE and other 5G (and variants) wireless broadband services and WiFi networks, and devices such as wireless data cards, tablets and smartphones, and mobile wireless routers that connect to such devices, also compete with our broadband services both for in premises broadband service and mobile broadband. All major wireless carriers have started to offer unlimited data plans, which could, in some cases, become a substitute for the fixed broadband services we provide. The FCC is likely to continue to make additional radio spectrum available for these wireless Internet access services, which in time could expand the quality and reach of these services.

Our telephony services, including the mobile wireless voice and data service that we launched in 2019, compete directly with established broadband communications companies and other carriers, including wireless providers, as increasing numbers of homes are replacing their traditional telephone service with wireless telephone service. We also compete against VoIP providers like Vonage, Skype, Facetime, WhatsApp and magicJack that do not own networks but can provide service to any person with a broadband connection, in some cases free of charge. Our telephony services also face competition from substitute services such as SMS, chat, Apple Messaging, WhatsApp and similar communications services.

In addition, we compete against ILECs, other CLECs and long-distance voice-service companies for large commercial and enterprise customers. While we compete with the ILECs, we also enter into interconnection agreements with ILECs so that our customers can make and receive calls to and from customers served by the ILECs and other telecommunications providers. Federal and state law and regulations require ILECs to enter into such agreements and provide facilities and services necessary for connection, at prices subject to regulation. The specific price, terms and conditions of each agreement, however, depend on the outcome of negotiations between us and each ILEC. Interconnection agreements are also subject to approval by the state regulatory commissions, which may arbitrate negotiation impasses. We have entered into interconnection agreements with Verizon for New York, New Jersey and portions of Connecticut, and with Frontier for portions of Connecticut, which have been approved by the respective state commissions. We have also entered into interconnection agreements with other ILECs in New York and New Jersey and in each of the other states where we offer VoIP and telecommunications services. These agreements, like all interconnection agreements, are for limited terms and upon expiration are subject to renegotiation, potential arbitration and approval under the laws in effect at that time.

Our advertising business faces competition from traditional and non-traditional media outlets, such as television and radio stations, traditional print media and the Internet, including Meta, Google and others.

We face significant risks as a result of rapid changes in technology, consumer expectations and behavior.

The broadband communications industry has undergone significant technological development over time and these changes continue to affect our business, financial condition and results of operations. Such changes have had, and will continue to have, a profound impact on consumer expectations and behavior. Our video business faces technological change risks as a result of the continuing development of new and changing methods for delivery of programming content such as Internet-based delivery of movies, shows and other content which can be viewed on televisions, wireless devices and other developing mobile devices. Consumers' video consumption patterns are also evolving, for example, with more content being downloaded for time-shifted consumption. A proliferation of delivery systems for video content can adversely affect our ability to attract and retain customers and demand for our services and it can also decrease advertising demand on our delivery systems. Our broadband business faces technological challenges from rapidly evolving wireless Internet solutions. Our telephony service offerings face technological developments in the proliferation of telephony delivery systems including those based on Internet and wireless delivery. If we do not develop or acquire and successfully implement new technologies, we will limit our ability to compete effectively for customers, content and advertising.

Many of our video customers take delivery of their services through our set-top box, although customers are increasingly able to enjoy these services through other devices, for example, Apple TV, which eliminates or reduces the need to use our devices. We may be required to make material capital and other investments to keep up with technological change. These challenges could adversely affect our business, financial condition and results of operations.

In 2019, we launched our mobile wireless voice and data service. We believe this product offering will enable us to deliver greater value and more benefits to customers by offering mobile voice and data services, in addition to our broadband, video and telephony services. Some of our competitors already offer, or have announced plans to offer, their own offerings that bundle two or more of their broadband, video, telephony and mobile voice and data services. If our customers do not view our service offerings as competitive with those offered by our competitors, we could experience increased customer churn. We cannot provide any assurance that we will realize, in full or in part, the anticipated benefits we expect from offering mobile voice and data services to new or existing customers, in the timeframe we anticipate. In addition, we may be required to make material capital and other investments to develop and maintain this business and to keep up with technological change. These challenges could adversely affect our business, financial condition and results of operations.

Programming and retransmission costs are increasing and we may not have the ability to pass these increases on to our customers. Disputes with programmers and the inability to retain or obtain popular programming can adversely affect our relationship with customers and lead to customer losses, which could materially adversely affect our business, financial condition and results of operations.

Programming costs are one of our largest categories of expenses. In recent years, the cost of programming in the multichannel video distribution industry has increased significantly and is expected to continue to increase, particularly with respect to costs for sports programming and broadcast networks. We may not be able to pass programming cost increases on to our customers due to the increasingly competitive environment. If we are unable to pass these increased programming costs on to our customers, our results of operations would be adversely affected. Moreover, programming costs are related directly to the number of customers to whom the programming is provided. Our smaller customer base relative to our competitors may limit our ability to negotiate lower per-customer programming costs, which could result in reduced operating margins relative to our competitors with a larger customer base.

The expiration dates of our various programming contracts are staggered, which results in the expiration of a portion of our programming contracts throughout each year. We attempt to control our programming costs and, therefore, the cost of our video services to our customers, by negotiating favorable terms for the renewal of our affiliation agreements with programmers. On certain occasions in the past, such negotiations have led to disputes with programmers that have resulted in periods during which we did not carry, or decided to stop carrying, a particular broadcast network or programming service or services. For example, in January 2025, we were unable to reach an agreement with Nexstar Media Group, Inc. ("Nexstar") upon equitable terms, and effective January 10, 2025, Nexstar owned and operated broadcast stations and services were removed from our lineups. On January 17, 2025, we and Nexstar agreed to renewal terms and the applicable broadcast stations and services were promptly restored to our lineups. Additionally, in January 2025, MSG Networks' services were removed from our lineups. Negotiating impasses are common. To the extent we are unable to reach agreement with certain programmers on terms we believe are reasonable, we may be forced to, or determine for strategic or business reasons to, cease negotiations with such

programmers and remove the associated programming channels from our line-up and may decide to replace such programming channels with other programming channels, which may not be available on acceptable terms or be as attractive to customers. Such disputes, or the removal or replacement of programming, may inconvenience some of our customers and can lead to customer dissatisfaction, negative publicity, regulatory inquiries, and the potential loss of customers, which could have a material adverse effect on our business, financial condition, results of operations and liquidity. There can be no assurance that our existing programming contracts will be renewed on favorable or comparable terms, or at all, or that the rights we negotiate will be adequate for us to execute our business strategy.

We may also be subject to increasing financial and other demands by broadcast stations. Federal law allows commercial television broadcast stations to make an election between "must-carry" rights and an alternative "retransmission consent" regime. Local stations that elect "must-carry" are entitled to mandatory carriage on our systems, but at no fee. When a station opts for retransmission consent, cable operators negotiate for the right to carry the station's signal, which typically requires payment of a per-customer fee. Our retransmission agreements with stations expire from time to time. Upon expiration of these agreements, we may carry some stations under short-term arrangements while we attempt to negotiate new long-term retransmission agreements. In connection with any negotiation of new retransmission agreements, we may become subject to increased or additional costs, which we may not be able to pass on to our customers. To the extent that we cannot pass on such increased or additional costs to customers or offset such increased or additional costs through the sale of additional services, our business, financial condition, results of operations and liquidity could be materially adversely affected. In addition, in the event contract negotiations with stations are unsuccessful, we could be required, or determine for strategic or business reasons, to cease carrying such stations' signals, possibly for an indefinite period. Any loss of stations could make our video service less attractive to our customers, which could result in a loss of customers, which could have a material adverse effect on our business, financial condition, results of operations and liquidity. There can be no assurance that any expiring retransmission agreements will be renewed on favorable or comparable terms, or at all.

We may not be able to successfully implement our growth strategy.

Our future growth, profitability and results of operations depend upon our ability to successfully implement our business strategy, which, in turn, is dependent upon a number of factors, including our ability to continue to:

- simplify and optimize our organization;
- reinvest in infrastructure and content;
- invest in sales, marketing and innovation;
- enhance the customer experience;
- drive revenue and cash flow growth; and
- opportunistically grow through value-accretive acquisitions.

There can be no assurance that we can successfully achieve any or all of the above initiatives in the manner or time period that we expect. Furthermore, achieving these objectives will require investments which may result in short-term costs without generating any current revenues and therefore may be dilutive to our earnings. We cannot provide any assurance that we will realize, in full or in part, the anticipated benefits we expect our strategy will achieve. The failure to realize those benefits could have a material adverse effect on our business, financial condition and results of operations. In addition, if we are unable to continue improving our operational performance and customer experience we may face a decrease in new customers and an increase in customer churn, which could have a material adverse effect on our business, financial condition and results of operations. For example, there can be no assurance that we will be able to successfully implement our plan to expand and upgrade our network within the anticipated timeline or at all or within the cost parameters we currently expect. Similarly, we may not be successful in growing our mobile voice and data services on our anticipated timeline or realize, in full or in part, the anticipated benefits we expect from offering such services, and we may face technological, financial, legal, regulatory or other challenges in pursuing these or other initiatives.

The financial markets are subject to volatility and disruptions, which have in the past, and may in the future, adversely affect our business, including by affecting the cost of new capital and our ability to fund acquisitions or other strategic transactions.

From time to time the capital markets experience volatility and disruption. Volatility in the capital markets may be impacted by a number of factors. Some of the main factors which have recently contributed to capital markets volatility include, but are not limited to, inflationary pressures, the outlook for interest rates, and the military conflicts

between Russia and Ukraine and in the Middle East. There can be no assurance that market conditions will not continue to be volatile or worsen in the future.

Financial market disruptions may be accompanied by a broader economic downturn, which historically has led to lower demand for our products, such as video services, as well as lower levels of television advertising, and increased incidence of customers' inability to pay for the services we provide. A recurrence of these conditions may adversely impact our business, financial condition and results of operations.

We rely on the capital markets, particularly for offerings of debt securities and borrowings under syndicated facilities, to meet our financial commitments and liquidity needs if we are unable to generate sufficient cash from operations to fund such anticipated commitments and needs and to fund acquisitions or other strategic transactions. Adverse changes in credit markets, including rising interest rates, could increase our cost of borrowing or make it more difficult for us to obtain financing for our operations or to refinance existing indebtedness. Disruptions or volatility in the capital markets could also adversely affect our ability to refinance on satisfactory terms, or at all, our scheduled debt maturities and could adversely affect our ability to draw on our revolving credit facilities.

Persistent disruptions in the capital markets as well as the broader global financial market could increase our interest expense, adversely affecting our business, financial position, results of operations and liquidity.

Our access to funds under our revolving credit facilities is dependent on the ability of the financial institutions that are parties to those facilities to meet their funding commitments. Those financial institutions may not be able to meet their funding commitments if they experience shortages of capital and liquidity or if they experience excessive volumes of borrowing requests within a short period of time. Moreover, the obligations of the financial institutions under our revolving credit facilities are several and not joint and, as a result, a funding default by one or more institutions does not need to be made up by the others.

Longer term, volatility and disruptions in the capital markets and the broader global financial market as a result of uncertainty, changing or increased regulation of financial institutions, reduced alternatives or failures of significant financial institutions could adversely affect our access to the liquidity needed for our businesses. Such disruptions could require us to take measures to conserve cash or impede or delay potential acquisitions, strategic transactions and refinancing transactions until the markets stabilize or until alternative credit arrangements or other funding for our business needs can be arranged.

We are highly leveraged and have substantial indebtedness, which reduces our capability to withstand adverse developments or business conditions. If we incur additional indebtedness, such indebtedness could further exacerbate the risks associated with our substantial indebtedness.

Our subsidiaries have incurred substantial amounts of indebtedness in connection with acquisitions and to finance the Cequel Acquisition, the Cablevision Acquisition, our operations, upgrades to our cable plant and acquisitions of other cable systems, sources of programming and other businesses. We have also incurred substantial indebtedness in order to offer new or upgraded services to our current and potential customers. At December 31, 2024, the carrying value of our total aggregate indebtedness, including finance leases and supply chain financing was approximately \$25.1 billion. Because we are highly leveraged, our payments on our indebtedness are significant in relation to our revenues and cash flow, which exposes us to significant risk in the event of downturns in our businesses (whether through competitive pressures or otherwise), our industry or the economy generally, since our cash flows would decrease but our required payments under our indebtedness would not. Decreases in our revenues or increases in operating costs (and corresponding reduction in our cash flows) would therefore adversely affect our ability to make interest or principal payments on our indebtedness as they come due.

Economic downturns may also impact our ability to comply with the covenants and restrictions in our indentures, credit facilities and other agreements governing our indebtedness and may impact our ability to pay or refinance our indebtedness as it comes due. If we do not repay or refinance our debt obligations when they become due and do not otherwise comply with the covenants and restrictions in our indentures, credit facilities and other agreements governing our indebtedness, we would be in default under those agreements and the underlying debt could be declared immediately due and payable. In addition, any default under any of our indentures, credit facilities or other agreements governing our indebtedness could lead to an acceleration of debt under any other debt instruments or agreements that contain cross-acceleration or cross-default provisions. If the indebtedness incurred under our indentures, credit facilities and other agreements governing our indebtedness were accelerated, we would not have sufficient cash to repay amounts due thereunder. To avoid a default, we could be required to defer capital expenditures, sell assets, seek strategic investments from third parties or otherwise reduce or eliminate discretionary uses of cash. However, if such measures were to become necessary, there can be no assurance that we would be able

to sell sufficient assets or raise strategic investment capital sufficient to meet our scheduled debt maturities as they come due. In addition, any significant reduction in necessary capital expenditures could adversely affect our ability to retain our existing customer base and obtain new customers, which would adversely affect our business, financial position and results of operations.

Our overall leverage and the terms of our financing arrangements could also:

- make it more difficult for us to satisfy obligations under our outstanding indebtedness;
- limit our ability to obtain additional debt or equity financing in the future, including for working capital, capital expenditures or acquisitions, and increase the costs of such financing;
- limit our ability to refinance our indebtedness on terms acceptable to us or at all;
- limit our ability to adapt to changing market conditions;
- restrict us from making strategic acquisitions or cause us to make non-strategic divestitures;
- require us to dedicate a significant portion of our cash flow from operations to paying the principal of and interest on our indebtedness, thereby limiting the availability of our cash flow to fund future capital expenditures, working capital, research and development, and other corporate purposes;
- increase our vulnerability to or limit our flexibility in planning for, or reacting to, changes in our business and the broadband communications industry generally as well as general economic conditions, including the risk of increased interest rates;
- place us at a competitive disadvantage compared with competitors that have a less significant debt burden; and
- adversely affect public perception of us and our brands.

In addition, a substantial amount of our indebtedness bears interest at variable rates. If market interest rates increase, our variable-rate debt will have higher debt service requirements, which could adversely affect our cash flows and financial condition. For more information, see "Item 7A. Quantitative and Qualitative Disclosures About Market Risk—Interest Rate Risk." Although we have historically entered into, and may in the future enter into, hedging arrangements to limit our exposure to an increase in interest rates or to other risks, such arrangements may not offer complete protection from these risks. In addition, the nature of these hedges could prevent us from realizing benefits we would have received had the hedge not been put in place, such as if interest rates fall.

The terms of our existing indebtedness restrict, but do not prohibit, us from incurring additional indebtedness. We may increase our consolidated indebtedness for various business reasons, which might include, among others, financing acquisitions or other strategic transactions, funding prepayment premiums, if any, on the debt we refinance, funding distributions to our shareholders or general corporate purposes. If we incur additional indebtedness, such indebtedness will be added to our current debt levels and the above-described risks we currently face could be magnified.

We have in past periods incurred substantial losses from operations, and we may do so in the future, which may reduce our ability to raise needed capital.

We have in the past incurred substantial losses from operations and we may do so in the future. Significant losses from operations could limit our ability to raise any needed financing, or to do so on favorable terms, as such losses could be taken into account by potential investors, lenders and the organizations that issue investment ratings on our indebtedness.

A lowering or withdrawal of the ratings assigned to our subsidiaries' debt securities and credit facilities by ratings agencies may increase our future borrowing costs and reduce our access to capital.

Credit rating agencies continually revise their ratings for companies they follow. The condition of the financial and credit markets and prevailing interest rates have fluctuated in the past and are likely to fluctuate in the future. In addition, developments in our business and operations or the amount of indebtedness incurred could lead to a ratings downgrade on our or our subsidiaries' indebtedness. The debt ratings for our subsidiaries' debt securities and credit facilities are currently below the "investment grade" category, which could result in higher borrowing costs and more restrictive covenants in our indentures and credit facilities, as well as a reduced pool of potential investors of that debt as some investors will not purchase debt securities or become lenders under credit facilities that are not rated in an investment grade rating category. In addition, there can be no assurance that any rating assigned will remain for any given period of time or that a rating will not be lowered or withdrawn entirely by a rating agency, if in that rating agency's judgment, future circumstances relating to the basis of the rating, such as adverse changes, so warrant. Our

credit rating (including the credit rating assigned to our subsidiaries' debt securities and credit facilities) has in the past been and may continue to be impacted by a number of factors, including the state of the U.S. economy, factors affecting the broadband communications and video service industry, our operating performance and our financing activities. In 2024, S&P downgraded our credit rating to "CCC+" and Moody's Investors Service downgraded our credit rating to "Caa2." A deterioration of our financial position or a further downgrade of our or our subsidiaries' ratings for any reason may impact our ability to access debt markets in the future or increase our cost of future debt which could have a material adverse effect on our business, financial condition and results of operations, which in return may adversely affect the market price of shares of our Class A common stock.

Our subsidiaries' ability to meet obligations under their indebtedness may be restricted by limitations on our other subsidiaries' ability to send funds.

Our primary debt obligations have been incurred by our subsidiaries, mainly CSC Holdings, LLC ("CSC Holdings"). A portion of the indebtedness incurred by CSC Holdings is not guaranteed by any of its subsidiaries. CSC Holdings is primarily a holding company whose ability to pay interest and principal on such indebtedness is wholly or partially dependent upon the operations of its subsidiaries and the distributions or other payments of cash, in the form of distributions, loans or advances, those other subsidiaries deliver to our indebted subsidiaries. Our subsidiaries are separate and distinct legal entities and, unless any such subsidiaries has guaranteed the underlying indebtedness, have no obligation, contingent or otherwise, to pay any amounts due on our indebted subsidiaries' indebtedness or to make any funds available to our indebted subsidiaries to do so. These subsidiaries may not generate enough cash to make such funds available to our indebted subsidiaries and in certain circumstances legal and contractual restrictions may also limit their ability to do so.

Also, our subsidiaries' creditors, including trade creditors, in the event of a liquidation or reorganization of any subsidiary, would be entitled to a claim on the assets of such subsidiaries, including any assets transferred to those subsidiaries, prior to any of our claims as a stockholder and those creditors are likely to be paid in full before any distribution is made to us. To the extent that we are a creditor of a subsidiary, our claims could be subordinated to any security interest in the assets of that subsidiary or any indebtedness of that subsidiary senior to that held by us.

We are subject to significant restrictive covenants under the agreements governing our indebtedness.

The indentures, credit facilities and agreements governing the indebtedness of our subsidiaries contain various negative covenants that restrict our subsidiaries' (and their respective subsidiaries') ability to, among other things:

- incur additional indebtedness and guarantee indebtedness;
- pay dividends or make other distributions, or repurchase or redeem capital stock;
- prepay, redeem or repurchase subordinated debt or equity;
- issue certain preferred stock;
- make loans and investments;
- sell assets;
- incur liens;
- enter into transactions with affiliates;
- create or permit any encumbrances or restrictions on the ability of their respective subsidiaries to pay dividends or make other distributions, make loans or advances or transfer assets, in each case to such subsidiary, or its other restricted subsidiaries; and
- consolidate, merge or sell all or substantially all of their assets.

We are also subject to certain affirmative covenants under our subsidiary's revolving credit facility, which, among other things, require our operating subsidiaries to maintain a specified financial ratio if there are any outstanding loans thereunder. Our ability to meet these financial ratios may be affected by events beyond our control and, as a result, there can be no assurance that we will be able to meet these ratios.

Violation of these covenants could result in a default that would permit the relevant creditors to require the immediate repayment of the borrowings thereunder, which could result in a default under other debt instruments and agreements that contain cross-default provisions and, in the case of our revolving credit facility, permit the relevant lenders to restrict the relevant borrower's ability to borrow undrawn funds under such revolving credit facility. A default under any of the agreements governing our indebtedness could materially adversely affect our financial condition and results of operations.

As a result, we may be:

- limited in how we conduct our business;
- unable to raise additional debt or equity financing to operate during general economic or business downturns; or
- unable to compete effectively or to take advantage of new business opportunities.

These restrictions could have a material adverse effect on our ability to grow in accordance with our strategy and on the value of our debt and equity securities.

We will need to raise significant amounts of funding over the next several years to fund capital expenditures, repay existing obligations and meet other obligations and the failure to do so successfully could adversely affect our business. We may also engage in extraordinary transactions that involve the incurrence of large amounts of indebtedness.

Our business is capital intensive. Operating and maintaining our cable systems requires significant amounts of cash payments to third parties. Capital expenditures were \$1,433.0 million, \$1,704.8 million and \$1,914.3 million in 2024, 2023 and 2022, respectively, and primarily include payments for customer premise equipment, network infrastructure, support and other costs.

We expect these capital expenditures to continue to be significant as we further enhance our service offerings. We may have substantial future capital commitments in the form of long-term contracts that require substantial payments over a period of time. In the longer term, our ability to fund our operations, make planned capital expenditures, make scheduled payments on our indebtedness and repay our indebtedness depends on our future operating performance and cash flows and our ability to access the capital markets, which, in turn, are subject to prevailing economic conditions and to financial, business and other factors, some of which are beyond our control. Competition, market disruptions or deterioration in economic conditions have in the past, and could in the future, lead to lower demand for our products, as well as lower levels of advertising, and increased incidence of customers' inability to pay for the services we provide. These events would adversely impact our results of operations, cash flows and financial position. As such, we may not be able to generate sufficient cash internally to fund anticipated capital expenditures, make ongoing interest payments and repay our indebtedness at maturity. Accordingly, we may have to do one or more of the following:

- refinance existing obligations to extend maturities;
- raise additional capital, through bank loans, debt or equity issuances or a combination thereof;
- cancel or scale back current and future spending programs; or
- sell assets or interests in one or more of our businesses.

However, we may not be able to refinance existing obligations or raise any required additional capital on terms acceptable to us or at all. Borrowing costs related to future capital raising activities may be significantly higher than our current borrowing costs and we may not be able to raise additional capital on favorable terms, or at all, if financial markets experience volatility. In addition, we have become aware that certain of our creditors (collectively, the "Co-Op") have entered into a cooperation agreement, which we believe restricts such creditors from participating in financing transactions with us, except as approved by the Co-Op. Members of the Co-Op represent a significant percentage of the holders of our outstanding indebtedness, and the existence of the Co-Op may result in a significant limitation on our ability to access the syndicated loan market or the market for high yield bonds, along with our ability to refinance our existing indebtedness, extend the maturities of our indebtedness or consummate strategic transactions to manage our liabilities, on favorable terms, or at all.

If we are unable to pursue our current and future spending programs, we may be forced to cancel or scale back those programs. Our choice of which spending programs to cancel or reduce may be limited. Failure to successfully pursue our capital expenditure and other spending plans could materially and adversely affect our ability to compete effectively. It is possible that in the future we may also engage in extraordinary transactions and such transactions could result in the incurrence of substantial additional indebtedness.

Changes or uncertainty in respect of interest rate benchmarks may affect our sources of funding.

The interest rates applicable to our term loan due April 2027 were previously linked to the London Interbank Offered Rate ("LIBOR"), which has recently been the subject of international reform proposals. Certain LIBOR settings were discontinued at the end of 2021, and the remaining settings were phased out by the end of June 2023. In the United

States, the Alternative Reference Rates Committee proposed the Term Secured Overnight Financing Rate ("Term SOFR") as an alternative to LIBOR for use in contracts that were indexed to U.S. dollar LIBOR and proposed a phased market transition plan to Term SOFR. Term SOFR significantly differs from LIBOR and may not yield the same or similar economic results as LIBOR which could have a material adverse effect on the liquidity of, and the amount payable under, our sources of funding.

Pursuant to the terms of our credit facilities agreement, subsequent to the phase-out of LIBOR on June 30, 2023, the interest rate on our outstanding LIBOR-linked borrowings became linked to synthetic USD LIBOR, calculated as Term SOFR plus the spread adjustment for the corresponding LIBOR setting, until March 31, 2025. Thereafter, the interest rate on outstanding synthetic USD LIBOR-linked borrowings will become linked to the alternate base rate, where the alternative base rate is the greater of (x) the prime rate or (y) the federal funds effective rate plus 50 basis points.

If we are unable to transition our outstanding borrowings that accrue interest at alternative reference rates to Term SOFR, or if there are any further significant changes to the setting of alternative interest rate benchmarks, and in the event of the discontinuation of, or changes in the manner of administration of, interest rate benchmarks, the interest rates on our borrowings could be materially different than expected. These developments may cause us to renegotiate some of these agreements and may have an adverse effect on our financial condition and results of operations.

We depend on third-party vendors for certain equipment, hardware, licenses and services in the conduct of our business. If we do not have access to such items and services on reasonable terms and on a timely basis, our ability to offer our products and services could be impaired, and our business, results of operations and financial condition could be adversely affected.

We use third-party suppliers, service providers and licensors to supply some of the equipment, hardware, services, software and operational support necessary to provide some of our products and services. Some of these vendors are our sole source of supply or have, either through contract or as a result of intellectual property rights, a position of some exclusivity. Some of these vendors do not have a long operating history or may not be able to continue to supply the products or services we desire. In addition, because of the pace at which technological innovations occur in our industry, we may not be able to obtain access to the latest technology on reasonable terms. The termination or disruption in these relationships as a result of contractual disagreements, operational or financial failures on the part of our vendors, the imposition of tariffs, or other events that prevent vendors from providing the equipment or services we need, with the level of quality we require, in a timely manner, and at reasonable prices, could result in significant costs to us and have a negative effect on our ability to provide our products and services. It is also possible that, under some circumstances, we could be forced to switch to different key vendors. Because of the cost and time lag that can be associated with transitioning from one vendor to another, our business could be substantially disrupted if we were required to or chose to do so, especially if the replacement became necessary on short notice. As a result, our business, results of operations and financial condition could be materially adversely affected.

Changes to trade policy, to the extent applicable to equipment we or our customers use, could adversely affect our business and results of operations.

We cannot predict future trade policy in the United States or other countries, nor the terms of any trade agreements, treaties or tariffs and their impact on our business. However, changes in United States and foreign trade policy, including the imposition of new or increased tariffs on foreign goods imported into the United States and used in our business, could subject us to additional risks. Among other effects, the imposition of tariffs may increase our operating costs, which could have an adverse effect on our business, financial condition and results of operations.

Disruptions to our networks, infrastructure and facilities could impair our operating activities and negatively impact our reputation and financial results.

Our network, infrastructure and facilities are critical to our operating activities.

Events such as natural disasters, power outages, accidents, maintenance failures, telecommunications failures, degradation of plant assets, cyber attacks, terrorist attacks and similar events pose risks of potentially significant service disruptions or possible shutdowns. While we have developed and maintain systems designed to prevent service disruptions and shutdowns, and we have developed system redundancy and disaster recovery plans designed to mitigate such network and system-related disruptions and to expeditiously recover from such events, these measures may be ineffective or inadequate and may not be sufficient for all eventualities.

Any of these events, if experienced by or directed at us or technologies or assets upon which we depend, could have adverse consequences on our network, infrastructure or facilities, as well as our customers and business, including

degradation of service, service disruption, excessive call volume to call centers, and damage to our or our customers' equipment and data. Large expenditures may be necessary to repair or replace damaged property, networks and system infrastructure following one of the identified or similar events or to protect property, networks and infrastructure from other events in the future. Moreover, the amount and scope of insurance that we maintain against losses resulting from any such events may not be sufficient to cover our losses or otherwise adequately compensate us for any disruptions to our business that may result. A significant shutdown or service disruption could result in damage to our reputation and credibility, customer dissatisfaction and ultimately a loss of customers or revenue. Any significant loss of customers or revenue, or significant increase in costs of serving those customers, could adversely affect our growth, financial condition and results of operations. Further, any of such events could lead to claims against us and could result in regulatory penalties, particularly if we encounter difficulties in restoring service to our customers on a timely basis or if the related losses are found to be the result of our practices or failures.

The combined effects of extreme weather and climate change may compound this risk. Portions of our geographic service areas have experienced one or more severe weather and storm events over the past several years. In September 2024, for example, the rain, wind and flooding from Hurricane Helene impacted our Western North Carolina service area, resulting in power outages and service disruptions to customers as well as damage to our cable network in the area. Severe weather events and other natural disasters, including storms, floods, fires, tornadoes, rising sea levels, solar events, electromagnetic events, could result in severe business disruptions, property damage, prolonged service disruption, significant decreases in revenues and earnings, or significant additional costs, reputational and regulatory consequences.

If we experience a significant cybersecurity incident or fail to detect and appropriately respond to a significant cybersecurity incident, our results of operations and reputation could suffer.

In the conduct of our business, we rely on systems, networks and infrastructure to provide our services to our customers. Additionally, the nature of our business involves the receipt and storage of information about our customers and employees.

We are regularly the target of attempted cyber intrusions, including by means of hacking, phishing, denial of service attacks and dissemination of computer viruses, ransomware and other malicious software. We are also targeted by unauthorized parties, including nation states, that seek to gain access to our systems or facilities and to our proprietary business information. Cyber attacks targeting companies like ours have become more frequent and damaging over time (including through the use of AI and machine learning). To the extent these cyber attacks are successful, our IT systems, networks, and infrastructure could face damage, disruptions, or shutdowns, and the personal information of our customers and employees could be misappropriated.

While we commit substantial resources to continuously monitor and further develop our network and infrastructure to detect, protect and address the risk of unauthorized access, misuse, computer viruses and other events, our security programs and measures do not prevent all intrusions. Further, because the techniques used to obtain unauthorized access, disable or degrade service, or sabotage systems change frequently and may be difficult to detect for long periods of time, we may be unable to anticipate these techniques or implement adequate preventive measures. In addition, hardware, software or applications we develop or procure from third parties may contain defects in design or manufacture or other problems that could unexpectedly compromise information security.

Cyber intrusions require a significant amount of resources to address, and our incident response efforts may not be effective in all cases. If our efforts to protect our systems, networks and infrastructure are unsuccessful, or the security of information about our customers and employees is compromised, a significant data security breach may harm our ability to provide services to our customers or result in costly government enforcement actions, private litigation and negative publicity resulting in reputation or brand damage, and our financial condition and results of operations could suffer. For example, in November 2019, a phishing attack against employee email accounts resulted in the exposure of certain employees' email credentials and, as a result, the exposure of information in those accounts including personal information of current and former employees as well as some customers. We took measures to secure against these attacks and responded by notifying affected persons, relevant state and federal agencies and law enforcement agencies. While the November 2019 attack was contained both from an exposure and cost perspective, similar attacks could impose costs, liability and reputational harm that could adversely affect our operations and financial results. While we maintain insurance for cyber incidents, due to policy terms, limits and exclusions, it may not apply in all cases, and may not be adequate to cover all liabilities.

Issues related to the use of AI in our business could give rise to legal or regulatory action, damage our reputation or otherwise materially harm our business.

We currently incorporate AI technology in certain parts of our business operations. AI presents risks and challenges, and its use could have unintended consequences. AI algorithms and training methodologies may be flawed. Additionally, AI technologies are complex and rapidly evolving. While we aim to develop and use AI responsibly and attempt to identify and mitigate ethical and legal issues presented by its use, we may be unsuccessful in identifying or resolving issues before they arise. The United States has taken initial steps to regulate AI, which could ultimately increase the risks associated with utilizing AI in our business, including with respect to data protection, privacy, intellectual property infringement and cybersecurity, or decrease its usefulness. These challenges could adversely affect our reputation or otherwise materially harm our business.

A portion of our workforce is represented by labor unions under established collective bargaining agreements. The terms of existing or new collective bargaining agreements can increase our expenses. Labor disruptions could adversely affect our business, financial condition and results of operations.

As of December 31, 2024, approximately 400 of our employees were represented by either the Communications Workers of America ("CWA") or the International Brotherhood of Electrical Workers ("IBEW"). We have existing collective bargaining agreements with the CWA and IBEW that cover these unionized employees in New York, New Jersey and West Virginia, which expire at various times between February 2026 through April 2027.

The collective bargaining agreements with the CWA and IBEW covering these groups of employees or any other agreements with unions may increase our expenses or affect our ability to implement operational changes. Increased unionization of our workforce and any labor disputes we experience could create disruption or have an adverse effect on our business, financial condition and results of operations.

A significant amount of our book value consists of intangible assets that may not generate cash in the event of a voluntary or involuntary sale.

At December 31, 2024, we reported approximately \$31.7 billion of consolidated total assets, of which approximately \$22.2 billion were intangible. Intangible assets primarily included franchises from city and county governments to operate cable systems, goodwill, customer relationships and trade names. While we believe the carrying values of our intangible assets are recoverable, we may not receive any cash in the event of a voluntary or involuntary sale of these intangible assets, particularly if we were not continuing as an operating business. We urge our stockholders to read carefully the notes to our consolidated financial statements contained herein, which provide more detailed information about these intangible assets.

We have engaged and may in the future engage in acquisitions, dispositions and other strategic transactions and the integration of such acquisitions, the sales of assets and other strategic transactions could materially adversely affect our business, financial condition and results of operations.

Our business has grown significantly as a result of acquisitions, which entail numerous risks including:

- distraction of our management team in identifying potential acquisition targets, conducting due diligence and negotiating acquisition agreements;
- difficulties in integrating the operations, personnel, products, technologies and systems of acquired businesses;
- difficulties in enhancing our customer support resources to adequately service our existing customers and the customers of acquired businesses;
- the potential loss of key employees or customers of the acquired businesses;
- unanticipated liabilities or contingencies of acquired businesses;
- unbudgeted costs which we may incur in connection with pursuing potential acquisitions which are not consummated;
- failure to achieve projected cost savings or cash flow from acquired businesses, which are based on projections that are inherently uncertain;
- fluctuations in our operating results caused by incurring considerable expenses to acquire and integrate businesses before receiving the anticipated revenues expected to result from the acquisitions; and
- difficulties in obtaining regulatory approvals required to consummate acquisitions, or costs associated with obtaining such approvals in the form of additional expenses or ongoing conditions on the operation of the business.

We also participate in competitive bidding processes, some of which may involve significant cable systems. We also may sell all or portions of the businesses we own, including cable systems or business units. If we engage in acquisitions, dispositions or other strategic transactions in the future, we may incur additional debt, contingent liabilities and amortization expenses, which could materially adversely affect our business, financial condition and results of operations. We could also issue substantial additional equity which could dilute existing stockholders.

If our acquisitions do not result in the anticipated operating efficiencies, are not effectively integrated, or result in costs which exceed our expectations, or if our dispositions fail to generate adequate consideration, result in contingent liabilities, adversely affect our ability to generate revenue or are disruptive to our other businesses, our business, financial condition and results of operations could be materially adversely affected.

Significant unanticipated increases in the use of bandwidth-intensive Internet-based services could increase our costs.

The rising popularity of bandwidth-intensive Internet-based services poses risks for our broadband and wireless services. Examples of such services include gaming services, the delivery of video via streaming technology and by download and peer-to-peer file sharing services. If heavy usage of bandwidth-intensive broadband and wireless services grows beyond our current expectations or capacity, we may need to incur more expenses than currently anticipated to expand the bandwidth capacity of our systems or our customers could have a suboptimal experience when using our broadband or wireless services, which could adversely affect our business, reputation, financial condition and results of operations. In order to provide quality services at attractive prices, we need the continued flexibility to develop and refine business models that respond to changing consumer uses and demands and to manage bandwidth usage efficiently. Our ability to undertake such actions could be restricted by regulatory and legislative efforts to impose so-called "net neutrality" requirements on broadband communication providers like us that provide broadband services. For more information, see "Regulation—Broadband."

Our business depends on intellectual property rights and on not infringing on the intellectual property rights of others.

We rely on our patents, copyrights, trademarks and trade secrets, as well as licenses and other agreements with our vendors and other parties, to use our technologies, conduct our operations and sell our products and services. It is possible that our intellectual property rights are challenged or invalidated by third-party proceedings and may ultimately not be strong enough to provide meaningful commercial competitive advantage. Third parties have in the past, and may in the future, assert claims or initiate litigation related to exclusive patent, copyright, trademark and other intellectual property rights to technologies and related standards that are relevant to us. These assertions have increased over time as a result of our growth and the general increase in the pace of patent claims assertions, particularly in the United States. Because of the existence of a large number of patents in the networking field, the secrecy of some pending patents and the rapid rate of issuance of new patents, we believe it is not always possible to determine with precision in advance whether a particular service, product or any of their components infringes or will infringe on the patent rights of others. Asserted claims and initiated litigation can include claims against us or our manufacturers, suppliers or customers, alleging infringement of their proprietary rights with respect to our existing or future products or services or components of those products or services.

Regardless of the merit of these claims, they can be time-consuming, result in costly litigation and diversion of technical and management personnel, or require us to modify our business, develop a non-infringing technology, cause us to be enjoined from use of certain intellectual property, use alternate technology or enter into license and royalty agreements. There can be no assurance that licenses will be available on acceptable terms and conditions, if at all, or that our indemnification by our suppliers will be adequate to cover our costs if a claim were brought directly against us or our customers. Furthermore, because of the potential for high court awards that are not necessarily predictable and the high cost of litigation, it is not unusual to find even arguably unmeritorious claims settled for significant amounts. If any infringement or other intellectual property claim made against us by any third-party is successful, if we are required to indemnify a customer with respect to a claim against the customer, or if we fail to modify our business, develop non-infringing technology, use alternate technology or license the proprietary rights on commercially reasonable terms and conditions, our business, financial condition and results of operations could be materially adversely affected.

We may be liable for the material that content providers distribute over our networks.

The law in most cases limits the liability of private network operators for information carried on, stored on or disseminated through their networks. However, these limitations on liability are subject to certain exceptions and the contours of those exceptions are not fully settled. Among other things, the limitation of copyright liability for network

operators with respect to materials transmitted over their networks is conditioned upon the network operators' terminating the accounts of repeat infringers in certain circumstances, and the law is unsettled as to the circumstances in which such termination is required to maintain the operator's limitation of liability. As such, we could be exposed to legal claims relating to content disseminated on our networks or asserting that we are not eligible for statutory limitations on liability for network operators with respect to such content. Claims could involve matters such as defamation, invasion of privacy or copyright infringement. For example, we have been in active litigation on two recent cases relating to copyright infringement, one of which is ongoing and one of which has been settled. Each of the complaints were filed in the U.S. District Court for the Eastern District of Texas and alleged that certain of our Internet subscribers infringed the plaintiffs' copyrighted works. There can be no assurance as to the outcome of these types of litigation. We may incur significant costs in defending these or similar actions, and if we need to take measures to reduce our exposure to these risks or are required to pay damages in relation to, such claims or choose to settle such claims, our business, reputation, financial condition and results of operations could be materially adversely affected. See "[Note 17](#), Commitments and Contingencies – Legal Matters."

If we are unable to retain and hire new key employees, our ability to manage our business could be adversely affected.

Our operational results have depended, and our future results will depend upon the retention and continued performance of our management team. The competitive environment for management talent in the broadband communications industry could adversely impact our ability to retain and hire new key employees for management positions. The loss of the services of key members of management and the inability or delay in hiring new key employees could adversely affect our ability to manage our business and our future operational and financial results.

The success of our business is also dependent on our ability to recruit qualified and skilled professionals, including those who are citizens of other countries. Immigration laws in the U.S. are subject to legislative and regulatory changes, as well as variations in the standards of application and enforcement. It is difficult to predict the events that could affect immigration laws or their enforcement, and the resulting restrictive impact on our ability to obtain or renew work visas for our professionals. If immigration laws are changed or if new and more restrictive government regulations are enacted or enforcement is increased, our access to qualified and skilled professionals may be limited.

Impairment of the Altice brand or Mr. Drahi's reputation could adversely affect current and future customers' perception of Altice USA.

Our ability to attract and retain customers depends, in part, upon the external perceptions of Altice USA, which in turn may be affected by the Altice brand and Mr. Drahi's reputation and the quality of Altice products outside the U.S. and corporate and management integrity. The broadband communications and video services industry is by its nature more prone to reputational risks than other industries. This has been compounded in recent years by the free flow of unverified information on the Internet and on social media. Impairment of, including any loss of goodwill or reputational advantages, the Altice brand or Mr. Drahi's reputation could adversely affect current and future customers', regulators', investors' and others' perception of Altice USA.

Macroeconomic developments may adversely affect our business.

Our performance is subject to global economic conditions and the related impact on consumer spending levels. Continued uncertainty about global economic conditions poses a risk as consumers and businesses may postpone spending in response to tighter credit, unemployment, negative financial news, and declines in income or asset values, which could have a material negative effect on demand for our products and services. As our business depends on consumer discretionary spending, our results of operations are sensitive to changes in macroeconomic conditions. Our customers may have less money for discretionary purchases as a result of inflation, job losses, foreclosures, bankruptcies, increased fuel and energy costs, higher interest rates, higher taxes, reduced access to credit, and lower home values. These and other economic factors could adversely affect demand for our products, which in turn could adversely affect our financial condition and results of operations.

Online piracy of entertainment and media content could result in reduced revenues and increased expenditures which could materially harm our business, financial condition and results of operations.

Online entertainment and media content piracy is extensive in many parts of the world and is made easier by technological advances. This trend facilitates the creation, transmission and sharing of high-quality unauthorized copies of entertainment and media content. The proliferation of unauthorized copies of this content will likely continue, and if it does, could have an adverse effect on our business, financial condition and results of operations because these products could reduce the demand for and revenue we receive from our products. Additionally, in order

to contain this problem, we may have to implement elaborate and costly security and antipiracy measures, which could result in significant expenses and losses of revenue. There can be no assurance that even the highest levels of security and anti-piracy measures will prevent piracy.

Risk Factors Relating to Regulatory and Legislative Matters

Our business is subject to extensive governmental legislation and regulation, which could adversely affect our business, increase our operational and administrative expenses and limit our revenues.

Regulation of the cable, telephone, mobile, and broadband industries imposes operational and administrative expenses and limits their revenues. We operate in all of these industries and are therefore subject to, among other things:

- rules governing the provisioning and marketing of cable equipment and compatibility with new digital technologies;
- rules governing the manner in which we advertise, market or price our products and services in the marketplace, and how we position those products and services against competing products and services;
- rules and regulations relating to data protection and customer and employee privacy;
- rules establishing limited rate regulation of video service;
- rules governing the copyright royalties that must be paid for retransmitting broadcast signals;
- rules governing when a cable system must carry a particular broadcast station and when it must first obtain retransmission consent to carry a broadcast station;
- rules governing the provision of channel capacity to unaffiliated commercial leased access programmers;
- rules limiting the ability to enter into exclusive agreements with MDUs and control inside wiring;
- rules for cable franchise renewals and transfers;
- other requirements covering a variety of operational areas such as equal employment opportunity, emergency alert systems, disability access, technical standards and customer service and consumer protection requirements;
- rules, regulations and regulatory policies relating to the provision of broadband service, including "net neutrality" requirements;
- rules, regulations and regulatory policies relating to the provision of telephony services; and
- rules, regulations and regulatory policies relating to licensed mobile network operators, wholesale access to mobile networks by resellers or MVNOs, and regulation of the prices, terms, or service provided by mobile operators.

Many aspects of these regulations are currently the subject of judicial proceedings and administrative or legislative proposals. There are also efforts to amend or expand the federal, state and local regulation of some of our cable systems, which may compound the regulatory risks we already face, and proposals that might make it easier for our employees to unionize. The Permanent Internet Tax Freedom Act prohibits many taxes on Internet access service and the Federal Communications Commission has issued orders affirming that states and localities may not exercise their franchising authority to regulate our non-cable services, but certain states and localities are considering new taxes and fees on our provision of cable, broadband, and telecommunications taxes that could increase operating expenses. Certain states are also considering adopting energy efficiency regulations governing the operation of equipment that we use, which could constrain innovation. Congress periodically considers whether to rewrite the entire Communications Act, or to adopt more focused changes to that Act, to account for changes in the communications marketplace. Congress has in the past considered, and continues to consider, additional regulations on cable providers and ISPs to address specific consumer or customer issues. In response to recent data breaches and increasing concerns regarding the protection of consumers' personal information, Congress, states, and regulatory agencies are considering the adoption of new privacy and data security laws and regulations that could result in additional privacy, as well as network and information security, requirements for our business. These new laws, as well as existing legal and regulatory obligations, could require significant expenditures.

Additionally, there have been statements by federal government officials indicating that some laws and regulations applicable to our industry may be repealed or modified in a way that could be favorable to us and our competitors.

There can be no assurance that any such repeal or modification will be beneficial to us or will not be more beneficial to our current and future competitors.

Our cable system franchises are subject to non-renewal or termination. The failure to renew a franchise in one or more key markets could adversely affect our business.

Our cable systems generally operate pursuant to franchises, permits and similar authorizations issued by a state or local governmental authority controlling the public rights-of-way. Some franchises establish comprehensive facilities and service requirements, as well as specific customer service standards and monetary penalties for non-compliance. In many cases, franchises are terminable if the franchisee fails to comply with significant provisions set forth in the franchise agreement governing system operations. Franchises are generally granted for fixed terms and must be periodically renewed. Franchising authorities may resist granting a renewal if either past performance or the prospective operating proposal is considered inadequate. Franchise authorities often demand concessions or other commitments as a condition to renewal. In some instances, local franchises have not been renewed at expiration, and we have operated and are operating under either temporary operating agreements or without a franchise while negotiating renewal terms with the local franchising authorities.

As of December 31, 2024, our largest franchise, New York City, comprising approximately 279 thousand video customers was expired. We are currently lawfully operating in this franchise area under temporary authority recognized by the State of New York. In addition, Lightpath holds a franchise from New York City that expired on December 20, 2008 and the renewal process is pending. We believe New York City is treating the expiration date of this franchise as extended until a formal determination on renewal is made, but there can be no assurance that we will be successful in renewing this franchise on anticipated terms or at all. We expect to renew or continue to operate under all or substantially all of our franchises.

The traditional cable franchising regime has undergone significant change as a result of various federal and state actions. Some state franchising laws do not allow incumbent operators like us to immediately opt into favorable statewide franchising as quickly as new entrants, and often require us to retain certain franchise obligations that are more burdensome than those applied to new entrants.

There can be no assurance that we will be able to comply with all significant provisions of our franchise agreements and certain of our franchisors have from time to time alleged that we have not complied with these agreements. Additionally, although historically we have renewed our franchises without incurring significant costs, there can be no assurance that we will be able to renew, or to renew on terms as favorable, our franchises in the future. A termination of or a sustained failure to renew a franchise in one or more key markets could adversely affect our business in the affected geographic area.

Our cable system franchises are non-exclusive. Accordingly, local and state franchising authorities can grant additional franchises and create competition in market areas where none existed previously, resulting in overbuilds, which could adversely affect our results of operations.

Cable systems are operated under non-exclusive franchises historically granted by local authorities. More than one cable system may legally be built in the same area, which is referred to as an overbuild. It is possible that a franchising authority might grant a second franchise to another cable operator and that such franchise might contain terms and conditions more favorable than those afforded to us. Although entry into the cable industry involves significant cost barriers and risks, well-financed businesses from outside the cable industry, such as online service providers, or public utilities that already possess fiber optic and other transmission lines in the areas they serve, may over time become competitors. In addition, there are a few cities that have constructed their own cable systems, in a manner similar to city-provided utility services, and private cable companies not affiliated with established local exchange carriers have also demonstrated an interest in constructing overbuilds. We believe that for any potential competitor to be successful, such competitor's overbuild would need to be able to serve the homes and businesses in the overbuilt area with equal or better service quality, on a more cost-effective basis than we can.

In some cases, local government entities and municipal utilities may legally compete with us without securing a local franchise or on more favorable franchise terms. In recent years, federal legislative and regulatory proposals have sought to facilitate the ability of municipalities to construct and deploy broadband facilities that could compete with our cable systems, and in the past three years, state and local governments have received substantial federal broadband subsidies that can be used to construct and operate such networks. In addition, certain telephone companies and competitive broadband providers have obtained or are seeking authority to operate in communities through a local franchise or other form of right-of-way authority. As a result, competing operators may build systems in areas in which we hold franchises. The FCC has adopted rules that streamline entry for new competitors (including

those affiliated with telephone companies) and reduce franchising burdens for these new entrants. The FCC subsequently extended more modest relief to incumbent cable operators like us, affirming that the Communications Act bars states and localities from exercising their cable franchising authority to regulate cable operators' non-cable services, and subjecting certain fees for access to the right-of-way and certain in-kind payments obligations to the statutory cap on franchise fees. The FCC's order was challenged by several municipalities and substantially upheld by the U.S. Sixth Circuit Court of Appeals on appeal, although the court curtailed the relief related to in-kind contributions.

Local franchising authorities have the ability to impose additional regulatory constraints on our business, which could reduce our revenues or increase our expenses.

In addition to the franchise agreement, local franchising authorities in some jurisdictions have adopted cable regulatory ordinances that further regulate the operation of cable systems. This additional regulation increases the cost of operating our business. For example, some local franchising authorities impose minimum customer service standards on our operations. There are no assurances that the local franchising authorities will not impose new and more restrictive requirements.

Further regulation of the cable industry could restrict our marketing options or impair our ability to raise rates to cover our increasing costs.

The cable industry has operated under a federal rate regulation regime for more than three decades. Currently, rate regulation by franchising authorities is strictly limited to the basic service tier and associated equipment and installation activities. A franchising authority that wishes to regulate basic cable service offered by a particular cable system must certify and demonstrate that the cable system is not subject to "effective competition" as defined by federal law. Our franchise authorities have not certified to exercise this limited rate regulation authority. If any of our local franchising authorities obtain certification to regulate rates, they would have the power to reduce rates and order refunds on the rates charged for basic service and equipment, which could reduce our revenues. The FCC and Congress also continue to be concerned that cable rate increases are exceeding inflation. It is possible that either the FCC or Congress will adopt more extensive rate regulation for our video services or regulate our other services, such as broadband and telephony services, which could impede our ability to raise rates, or require rate reductions. Recent FCC price regulation initiatives are described in *Regulation—Cable Television—Pricing and Packaging*. To the extent we are unable to raise our rates in response to increasing costs, or are required to reduce our rates, our business, financial condition, results of operations and liquidity will be materially adversely affected. There has been legislative and regulatory interest in requiring cable operators to offer historically bundled programming services on an à la carte basis. It is possible that new marketing restrictions could be adopted in the future. These restrictions could affect how we provide, and limit, customer equipment used in connection with our services and how we provide access to video programming beyond conventional cable delivery. A number of state and local regulatory authorities have imposed or seek to impose price- or price-related regulation that we believe is inconsistent with FCC direction, and these efforts, if successful, will diminish the benefits of deregulation and hamper our ability to compete with our largely unregulated competitors. We brought a challenge in federal and state court against one such attempt to regulate our pricing by the New Jersey Board of Public Utilities, but that regulation was upheld by the New Jersey Supreme Court.

In addition, in the past, there has been interest at the FCC and in Congress in proposals that would allow customers to receive cable service without having to rent a set-top box from their cable operator. These proposals could, if adopted, adversely affect our relationship with our customers and programmers and our operations. It is also possible that regulations will be adopted affecting the negotiations between MVPDs (like us) and programmers. While these regulations might provide us with additional rights and protections in our programming negotiations, they might also limit our flexibility in ways that adversely affect our operations.

We may be materially adversely affected by regulatory changes related to pole attachments and the regulatory environment related to pole attachments could impede our ability to expand into new markets.

Pole attachments are cable wires that are attached to utility poles. Cable system pole attachments to utility poles operated by investor-owned utilities historically have been regulated at the federal or state level, generally resulting in favorable pole attachment rates and rights for attachments used to provide cable service. Adverse changes in the current pole attachment approach could result in a substantial increase in our pole attachment costs. Moreover, expansion of our business into new areas, including areas where poles are operated by electric cooperatives or municipalities not subject to FCC or state regulation, may be frustrated by delays, capacity constraints, "makeready"

demands or the general inability to secure appropriate pole or conduit rights, as well as higher pole and conduit access costs.

Changes in channel carriage regulations could impose significant additional costs on us.

Cable operators also face significant regulation affecting the carriage of broadcast and other programming channels. We can be required to devote substantial capacity to the carriage of programming that we might not otherwise carry voluntarily, including certain local broadcast signals; local public, educational and governmental access programming; and unaffiliated, commercial leased access programming (channel capacity designated for use by programmers unaffiliated with the cable operator). Regulatory changes in this area could disrupt existing programming commitments and contracts, interfere with our preferred use of limited channel capacity and limit our ability to offer services that would maximize our revenue potential. It is possible that other legal restraints will be adopted limiting our discretion over programming decisions.

Increasing regulation of our Internet-based products and services could adversely affect our ability to provide new products and services.

On February 26, 2015, the FCC adopted a new "net neutrality" or Open Internet order (the "2015 Order") that: (1) reclassified broadband Internet access service from an information service to a Title II common carrier service, (2) applied certain existing Title II provisions and associated regulations; (3) forbore from applying a range of other existing Title II provisions and associated regulations, but to varying degrees indicated that this forbearance may be only temporary and (4) issued new rules expanding disclosure requirements and prohibiting blocking, throttling, paid prioritization and unreasonable interference with the ability of end users and edge providers to reach each other. The 2015 Order also subjected broadband providers' Internet traffic exchange rates and practices to potential FCC oversight and created a mechanism for third parties to file complaints regarding these matters. The 2015 Order could have had a material adverse impact on our business by limiting our ability to efficiently manage our cable systems and respond to operational and competitive challenges. In December 2017, the FCC adopted an order (the "2017 Order") that in large part reverses the 2015 Order and reestablishes the "information service" classification for broadband services. The 2017 Order was affirmed in part on appeal in October 2019 insofar as it classified broadband Internet access services as information services subject to lesser federal regulation. However, the 2017 Order was also vacated in part on appeal insofar as it preempted states from subjecting broadband Internet access services to any requirements more stringent than the federal requirements. As a result, the precise extent to which state rules may impose such requirements on broadband Internet access service providers, as well as other regulations that differ from federal requirements, is not fully settled. A number of states, including California and New York, have adopted legislation and executive orders that apply "net neutrality" rules to ISPs. The California legislation took effect in March 2021, and was upheld in 2022 by the Ninth Circuit Court of Appeals against a challenge by internet service providers. New York has in place an executive order that requires entities contracting with state agencies to commit to and certify compliance with net neutrality principles across the market. In 2024 the FCC reclassified broadband service as a common carrier telecommunications service and reinstated net neutrality rules substantially similar to those in the 2015 Order. The 2024 Order was stayed and, in 2025, vacated by the Sixth Circuit Court of Appeals. The court's decision may be appealed. New York and New Jersey each has in place an executive order that requires entities contracting with state agencies to commit to and certify compliance with net neutrality principles across the market. These state net neutrality requirements currently remain in place notwithstanding the court decision overturning the FCC's net neutrality rules. In the wake of the Sixth Circuit decision, Congress may consider legislation codifying some form of "net neutrality" rules. The FCC or Congress could also address the extent to which states may also impose such rules or otherwise regulate broadband service. While neither the FCC nor states currently regulate the price for broadband services generally, the state of New York enacted legislation that would regulate the price and terms for the broadband service offered to low-income households. This law was enjoined by a New York federal court, but the injunction was vacated on appeal and the Supreme Court has declined to hear an appeal. A petition for the Supreme Court to reconsider that denial remains pending. Numerous states are also seeking to impose price caps on broadband service provided to low-income households as a condition of awarding subsidies for the construction of broadband networks to unserved and underserved areas.

Offering telephone services may subject us to additional regulatory burdens, causing us to incur additional costs.

We offer telephone services over our broadband network and continue to develop and deploy interconnected VoIP services. The FCC has ruled that competitive telephone companies that support VoIP services, such as those that we offer to our customers, are entitled to interconnect with incumbent providers of traditional telecommunications services, which ensures that our VoIP services can operate in the market. It remains unclear precisely to what extent federal and state regulators will subject VoIP services to traditional telephone service regulation. Expanding our

offering of these services may require us to obtain certain authorizations, including federal and state licenses. We may not be able to obtain such authorizations in a timely manner, or conditions could be imposed upon such licenses or authorizations that may not be favorable to us. The FCC has already extended certain traditional telecommunications requirements, such as E911 capabilities, USF contribution, CALEA, measures to protect Customer Proprietary Network Information, customer privacy, disability access, number porting, battery back-up, network outage reporting, rural call completion reporting and other regulatory requirements to many VoIP providers such as us. If additional telecommunications regulations are applied to our VoIP service, it could cause us to incur additional costs and may otherwise materially adversely impact our operations. In 2011, the FCC released an order significantly changing the rules governing intercarrier compensation for the origination and termination of telephone traffic between interconnected carriers. In 2020, the FCC adopted further reforms to intercarrier compensation for the origination of certain calls.

Our mobile service exposes us to regulatory risk.

In 2019, we launched our mobile service using our own core infrastructure and our iMVNO agreements with Sprint (now T-Mobile) and other roaming partners, including AT&T. Our iMVNO service is subject to many of the same FCC regulations as traditional mobile service as well as some state and local regulations. The FCC or other regulatory authorities may adopt new or different regulations for iMVNOs or mobile carriers, or impose new fees, which could adversely affect our service or the business opportunity generally.

We may be materially adversely affected by regulatory, legal and economic changes relating to our physical plant.

Our systems depend on physical facilities, including transmission equipment and miles of fiber and coaxial cable. Significant portions of those physical facilities occupy public rights-of-way and are subject to local ordinances and governmental regulations. Other portions occupy private property under express or implied easements, and many miles of the cable are attached to utility poles governed by pole attachment agreements. No assurances can be given that we will be able to maintain and use our facilities in their current locations and at their current costs. Changes in governmental regulations or changes in these relationships could have a material adverse effect on our business and our results of operations.

We may be adversely affected if other parties are able to get government subsidies to overbuild our plant, or if subsidies we receive to construct facilities or support low-income subscribers run out.

As part of various government initiatives including the American Rescue Plan Act and the Infrastructure Investment and Jobs Act, federal and state governments have made available subsidies to entities deploying broadband to areas deemed to be "unserved" or "underserved," and have in some cases funded overbuilds. We and many other entities, including broadband services competitors and new entrants into such services, have applied for or received these funds. We have generally opposed such subsidies when directed to areas that we serve and have deployed broadband capable networks. Despite those efforts, we could be placed at a competitive disadvantage if recipients use these funds to subsidize services that compete with our broadband services.

From December 31, 2021 through June 1, 2024, the ACP provided broadband providers with a monthly reimbursement of up to \$30 (up to \$75 in Tribal areas) to offset the costs of providing a subscriber bill credit for broadband service to qualified ACP-enrolled low-income households. Funding for the ACP ended on June 1, 2024. We cannot predict whether Congress will authorize additional ACP or other funding.

Risk Factors Relating to Ownership of Our Class A Common Stock and Class B Common Stock

An active, liquid trading market for our Class B common stock has not developed and we cannot assure you that an active, liquid trading market will develop in the future. Holders of shares of our Class B common stock may need to convert them into shares of our Class A common stock to realize their full potential value, which over time could further concentrate voting power with remaining holders of our Class B common stock.

Our Class B common stock is not listed on the NYSE or any other stock exchange and we do not currently intend to list our Class B common stock on the NYSE or any other stock exchange. There is currently no active, liquid trading market for the Class B common stock and we cannot assure you that an active trading market will develop or be sustained at any time in the future. If an active market is not developed or sustained, the price and liquidity of the Class B common stock may be adversely affected. Because the Class B common stock is unlisted, holders of shares of Class B common stock may need to convert them into shares of our Class A common stock, which is listed on the NYSE, in order to realize their full potential value. Sellers of a significant number of shares of Class B common stock may be more likely to convert them into shares of Class A common stock and sell them on the NYSE. This could

over time reduce the number of shares of Class B common stock outstanding and potentially further concentrate voting power with remaining holders of Class B common stock.

Our stockholders' percentage ownership in us may be diluted by future issuances of capital stock, which could reduce their influence over matters on which stockholders vote.

Pursuant to our amended and restated certificate of incorporation, our Board of Directors has the authority, without action or vote of our stockholders, to issue all or any part of our authorized but unissued shares of Class A common stock, including shares issuable upon the exercise of options, Class B common stock, Class C common stock or shares of our authorized but unissued preferred stock. We may issue such capital stock to meet a number of our business needs, including funding any potential acquisitions or other strategic transactions. Future issuances of Class A common stock, Class B common stock or voting preferred stock could reduce our stockholders' influence over matters on which our stockholders vote and, in the case of issuances of preferred stock, would likely result in their interest in us being subject to the prior rights of holders of that preferred stock.

Because we have no current plans to pay cash dividends on our Class A common stock or Class B common stock for the foreseeable future, our stockholders may not receive any return on investment unless they sell their Class A common stock or Class B common stock.

We intend to retain future earnings, if any, for future operations, expansion and debt repayment and have no current plans to pay any cash dividends for the foreseeable future. The declaration, amount and payment of any future dividends on shares of Class A common stock and shares of Class B common stock will be at the sole discretion of our Board of Directors. Our Board of Directors may take into account general and economic conditions, our financial condition and results of operations, our available cash and current and anticipated cash needs, capital requirements, contractual, legal, tax and regulatory restrictions and implications on the payment of dividends by us to our stockholders or by our subsidiaries to us and such other factors as our Board of Directors may deem relevant. In addition, our ability to pay dividends is limited by covenants contained in the agreements governing our existing indebtedness and may be limited by covenants contained in any future indebtedness we or our subsidiaries incur. As a result, our stockholders may not receive any return on an investment in our Class A common stock or Class B common stock unless our stockholders sell our Class A common stock or Class B common stock.

Future sales, or the perception of future sales, by us or our existing stockholders in the public market could cause the market price of our Class A common stock to decline.

The sale of substantial amounts of shares of our Class A common stock (including shares of Class A common stock issuable upon conversion of shares of our Class B common stock), or the perception that such sales could occur, could cause the prevailing market price of shares of our Class A common stock to decline. These sales, or the possibility that these sales may occur, also might make it more difficult for us to sell equity securities in the future at a time and at a price that we deem appropriate.

As of December 31, 2024, we had a total of 279.0 million shares of Class A common stock outstanding and 184.2 million shares of Class B common stock outstanding.

Any shares held by our affiliates, as that term is defined under Rule 144 ("Rule 144") of the Securities Act of 1933, as amended (the "Securities Act"), including Next Alt and its affiliates, may be sold only in compliance with certain limitations.

Pursuant to a stockholders and registration rights agreement between us, Next Alt, Altice N.V. and certain former shareholders, the Altice parties thereto have the right, subject to certain conditions, to require us to register the sale of their shares of our Class A common stock, or shares of Class A common stock issuable upon conversion of shares of our Class B common stock, under the Securities Act. Registration of any of these outstanding shares of capital stock would result in such shares becoming freely tradable without compliance with Rule 144 upon effectiveness of the registration statement, except for shares received by individuals who are our affiliates.

If these stockholders exercise their registration rights and sell shares of common stock, or if the market perceives that they intend to sell such shares, the market price of our Class A common stock could drop significantly. These factors could also make it more difficult for us to raise additional funds through future offerings of our Class A common stock or Class B common stock or other securities. In the future, we may also issue our securities in connection with investments or acquisitions. The number of shares of our Class A common stock, Class B common stock or Class C common stock issued in connection with an investment or acquisition could constitute a material portion of then-outstanding shares of our Class A common stock and Class B common stock. Any issuance of additional securities in connection with investments or acquisitions may result in additional dilution to our stockholders.

In addition, to the extent large holders of our common stock pledge some or all of the shares they own as collateral for loans, the forced sale of the common stock subject to a pledge into the market in a short period could negatively impact the market price of our common stock.

The tri-class structure of Altice USA common stock has the effect of concentrating voting control with Next Alt. This will limit or preclude our stockholders' ability to influence corporate matters, including the election of directors, amendments of our organizational documents and any merger, consolidation, sale of all or substantially all of our assets or other major corporate transaction requiring stockholder approval. Shares of Class B common stock will not automatically convert to shares of Class A common stock upon transfer to a third-party.

Each share of Class B common stock is entitled to twenty-five votes per share and each share of Class A common stock is entitled to one vote per share. If we issue any shares of Class C common stock, they will be non-voting.

Because of the twenty-five-to-one voting ratio between our Class B common stock and Class A common stock, a majority of the combined voting power of our capital stock is controlled by Next Alt. This allows Next Alt to control all matters submitted to our stockholders for approval until such date as Next Alt ceases to own, or to have the right to vote, shares of our capital stock representing a majority of the outstanding votes. This concentrated control will limit or preclude our stockholders' ability to influence corporate matters for the foreseeable future, including the election of directors, amendments of our organizational documents and any merger, consolidation, sale of all or substantially all of our assets or other major corporate transaction requiring stockholder approval. The disparate voting rights of Altice USA common stock may also prevent or discourage unsolicited acquisition proposals or offers for our capital stock that our stockholders may feel are in their best interest as one of our stockholders.

Shares of our Class B common stock are convertible into shares of our Class A common stock at the option of the holder at any time. Our amended and restated certificate of incorporation does not provide for the automatic conversion of shares of Class B common stock upon transfer under any circumstances. The holders of Class B common stock thus will be free to transfer them without converting them into shares of Class A common stock.

Next Alt controls us and its interests may conflict with ours or our stockholders in the future.

As of February 7, 2025, Next Alt and other entities controlled by Patrick Drahi own or have the right to vote approximately 41% of our issued and outstanding Class A and Class B common stock, which represents approximately 94% of the voting power of our outstanding capital stock. So long as Next Alt continues to control a majority of the voting power of our capital stock, Next Alt and, through his control of Next Alt, Mr. Drahi, will be able to significantly influence the composition of our Board of Directors and thereby influence our policies and operations, including the appointment of management, future issuances of Altice USA common stock or other securities, the payment of dividends, if any, on Altice USA common stock, the incurrence or modification of debt by us, amendments to our amended and restated certificate of incorporation and amended and restated bylaws and the entering into extraordinary transactions, and their interests may not in all cases be aligned with our stockholders' interests. In addition, Next Alt may have an interest in pursuing acquisitions, divestitures and other transactions that, in its judgment, could enhance its investment or improve its financial condition, even though such transactions might involve risks to our stockholders. For example, Next Alt could cause us to make acquisitions that increase our indebtedness or cause us to sell revenue-generating assets.

In addition, Next Alt is able to determine the outcome of all matters requiring stockholder approval and is able to cause or prevent a change of control of the Company or a change in the composition of our Board of Directors and could preclude any unsolicited acquisition of the Company. The concentration of ownership could deprive our stockholders of an opportunity to receive a premium for their shares of our Class A common stock or Class B common stock as part of a sale of the Company and ultimately might affect the market price of our Class A common stock.

If conflicts arise between us and Next Alt, these conflicts could be resolved in a manner that is unfavorable to us and as a result, our business, financial condition and results of operations could be materially adversely affected. In addition, if Next Alt ceases to control us, our business, financial condition and results of operations could be adversely affected.

Anti-takeover provisions in our organizational documents could delay or prevent a change of control transaction.

Certain provisions of our amended and restated certificate of incorporation and amended and restated bylaws may have an anti-takeover effect and may delay, defer or prevent a merger, acquisition, tender offer, takeover attempt or other change of control transaction that a stockholder might consider in its best interest, including those attempts that might result in a premium over the market price for the shares held by our stockholders.

These provisions provide for, among other things:

- a tri-class common stock structure, as a result of which Next Alt generally will be able to control the outcome of all matters requiring stockholder approval, including the election of directors and significant corporate transactions, such as a merger or other sale of our company or its assets;
- the ability of our Board of Directors to, without further action by our stockholders, fix the rights, preferences, privileges and restrictions of up to an aggregate of 100,000,000 shares of preferred stock in one or more series and authorize their issuance; and
- the ability of stockholders holding a majority of the voting power of our capital stock to call a special meeting of stockholders.

These anti-takeover provisions could make it more difficult for a third-party to acquire us, even if the third-party's offer may be considered beneficial by many of our stockholders. As a result, our stockholders may be limited in their ability to obtain a premium for their shares of our Class A common stock. In addition, so long as Next Alt controls a majority of our combined voting power it will be able to prevent a change of control of the Company.

Holders of a single class of Altice USA common stock may not have any remedies if an action by our directors has an adverse effect on only that class of Altice USA common stock.

Under Delaware law, the board of directors has a duty to act with due care and in the best interests of all of our stockholders, including the holders of all classes of Altice USA common stock. Principles of Delaware law established in cases involving differing treatment of multiple classes of stock provide that a board of directors owes an equal duty to all common stockholders regardless of class and does not have separate or additional duties to any group of stockholders. As a result, in some circumstances, our Board of Directors may be required to make a decision that could be viewed as adverse to the holders of one class of Altice USA common stock. Under the principles of Delaware law and the business judgment rule, holders may not be able to successfully challenge decisions that they believe have a disparate impact upon the holders of one class of our stock if our Board of Directors is disinterested and independent with respect to the action taken, is adequately informed with respect to the action taken and acts in good faith and in the honest belief that the board is acting in the best interest of all of our stockholders.

We are a "controlled company" within the meaning of the rules of the NYSE. As a result, we qualify for, and rely on, exemptions from certain corporate governance requirements that would otherwise provide protection to stockholders of other companies.

Next Alt controls a majority of the voting power of our capital stock. As a result, we are a "controlled company" within the meaning of the corporate governance standards of the NYSE. Under these rules, a company of which more than 50% of the voting power is held by an individual, group or another company is a "controlled company" and may elect not to comply with certain corporate governance requirements, including:

- the requirement that a majority of our Board of Directors consists of "independent directors" as defined under the rules of the NYSE; and
- the requirement that we have a governance and nominating committee.

Consistent with these exemptions, we will continue not to have a majority of independent directors on our Board of Directors or a nominating and governance committee. Accordingly, our stockholders will not have the same protections afforded to stockholders of companies that are subject to all of the corporate governance requirements of the NYSE.

If securities or industry analysts do not publish research or reports about our business, if they adversely change their recommendations regarding our Class A common stock, or if our operating results do not meet their expectations, the market price of our Class A common stock could decline.

The trading market for our Class A common stock will be influenced by the research and reports that industry or securities analysts publish about us or our business. We do not have any control over these analysts. If one or more of these analysts cease coverage of us or fail to publish reports on us regularly, we could lose visibility in the financial markets, which in turn could cause our stock price or trading volume to decline. Moreover, if one or more of the analysts who cover us downgrades our Class A common stock, or if our operating results do not meet their expectations, the market price of our Class A common stock could decline.

We have been subject to securities class action litigation in the past and could be subject to securities class action litigation in the future.

We were the defendant in a securities class action litigation related to our 2017 initial public offering ("IPO Litigation") which was settled and approved by the court in February 2022, and we may be subject to additional securities class action litigation in the future. In the past, securities class action litigation has often been instituted against companies whose securities have experienced periods of volatility in market price. Securities litigation brought against us following volatility in the price of our Class A common stock, regardless of the merit or ultimate results of such litigation, could result in substantial costs, which would hurt our financial condition and results of operations and divert management's attention and resources from our business. While the IPO Litigation is resolved, there can be no assurance that other securities class action litigation, if instituted in the future, will not materially and adversely affect our financial condition and results of operations.

Our amended and restated bylaws provide that the Court of Chancery of the State of Delaware is the exclusive forum for substantially all disputes between us and our stockholders, which could limit our stockholders' ability to obtain a favorable judicial forum for disputes with us or our directors, officers or other stockholders.

Our amended and restated bylaws provide that the Court of Chancery of the State of Delaware (or, if the Court of Chancery does not have jurisdiction, another state or federal court located in the State of Delaware) is the exclusive forum for: (i) any derivative action or proceeding brought in our name or on our behalf; (ii) any action asserting a breach of fiduciary duty; (iii) any action asserting a claim against us arising under the General Corporation Law of the State of Delaware; (iv) any action regarding our amended and restated certificate of incorporation or our amended and restated bylaws; or (v) any action asserting a claim against us that is governed by the internal affairs doctrine. Our amended and restated bylaws permit our Board of Directors to approve the selection of an alternative forum. Unless waived, this exclusive forum provision may limit a stockholder's ability to bring a claim in a judicial forum that it finds favorable for disputes with us or our directors, officers or other stockholders, which may discourage such lawsuits against us and our directors, officers and other stockholders. Alternatively, if a court were to find this provision in our amended and restated bylaws to be inapplicable or unenforceable in an action, we may incur additional costs associated with resolving such action in other jurisdictions, which could adversely affect our business, financial condition and results of operations.

Item 1C. Cybersecurity

Safeguarding the security and integrity of our systems, networks and data is an important element of our business activities. We continually invest in the development and implementation of various cybersecurity programs and processes that are designed to assess, identify and manage material risks from cybersecurity threats and to address the constantly evolving cybersecurity landscape.

Our cybersecurity program utilizes various risk mitigation techniques to manage cybersecurity risk, including network segmentation, deployment of detection tools, and monitoring compliance with security standards. We conduct cybersecurity risk assessments (including in connection with our annual business risk assessment), penetration tests, purple team exercises, and data restoration testing and reviews through both internal subject matter experts and with the support of third parties to identify threats and vulnerabilities that could adversely impact our business operations. We also attempt to assess the cybersecurity risk profile of, and threats related to, our business partners, vendors and service providers through various methods including the use of attestations and certifications of their security practices. In the normal course, we engage assessors, consultants and other third parties to assist in various cyber-related matters. The underlying controls of our cybersecurity program utilize recognized practices and standards for cybersecurity and information technology security, including the National Institute of Standards and Technology Cybersecurity Framework ("NIST Framework"). The risk-based approach of the NIST Framework enables us to design and implement cybersecurity programs that are specific to our network architectures, customer environments, and institutional resources.

Our senior management team oversees our cybersecurity strategy and has the overall responsibility for assessing and managing our exposure to cybersecurity risk, with the audit committee of the board of directors providing board level oversight of the activities conducted by management to monitor and mitigate cybersecurity risks. Our corporate information security organization, led by our Chief Information Security Officer ("CISO"), develops and directs our information security strategy and policy, security engineering, operations and cyber threat detection and response.

Our CISO has 23 years of experience in cybersecurity and 17 years in cybersecurity management, received a Bachelor of Science in Management Information Systems and a Master of Business Administration from Rochester Institute of Technology, and is a Certified Information Systems Security Professional. Cybersecurity strategy and updates are reviewed by our executive leadership team on a monthly basis and are presented to other internal committees. The audit committee receives a regularly scheduled report on cybersecurity matters and related risk exposure from our CISO. When covered during an audit committee meeting, the chair of the audit committee reports on its discussion to the full board.

We have experienced, and will continue to experience, cyber incidents in the normal course of our business. Notwithstanding the approach we take to cybersecurity risk management, we may not be successful in preventing or mitigating a cybersecurity incident that could have a significant adverse impact on our business and reputation. See “Risk Factors” above for additional information on risks related our business, including from risks related to cyber attacks, data security incidents, information and system breaches, and technology disruptions and failures. As of the date of this report, we are not aware of any risks from cybersecurity threats that have materially affected or are reasonably likely to materially affect us, including our business strategy, results of operations or financial condition.

Item 2. Properties

Our headquarters are located in Long Island City, New York, where we currently lease office space pursuant to a lease agreement which will expire in 2032. We have the option to extend this lease through 2037. We also own a building located in Bethpage, New York, where we maintain administrative offices. In addition, we own or lease real estate throughout our operating areas where certain of our call centers, corporate facilities, business offices, retail stores, earth stations, transponders, microwave towers, warehouses, headend equipment, hub sites, access studios, and microwave receiving antennae are located.

Our principal physical assets consist of cable operating plant and equipment, including signal receiving, encoding and decoding devices, headend facilities, fiber optic transport networks, coaxial and distribution systems and equipment at or near customers' homes or places of business for each of the systems. The signal receiving apparatus typically includes a tower, antenna, ancillary electronic equipment and earth stations for reception of satellite signals. Headend facilities are located near the receiving devices. Our distribution system consists primarily of coaxial and fiber optic cables and related electronic equipment. Customer premise equipment consists of set-top devices, cable modems, Internet routers, wireless devices and media terminal adapters for telephone. Our retail stores, which are branded Optimum, are utilized primarily for the purpose of providing assistance to and for the distribution of customer premise equipment, including mobile service. Our cable plant and related equipment generally are attached to utility poles under pole rental agreements with local public utilities; although in some areas the distribution cable is buried in underground ducts or directly in trenches. The physical components of the cable systems require maintenance and periodic upgrading to improve system performance and capacity. In addition, we operate a network operations center that monitors our network 24 hours a day, seven days a week, helping to ensure a high quality of service and reliability for both our residential and commercial customers. We own most of our service vehicles.

We believe our properties, both owned and leased, are in good condition and are suitable and adequate for our operations.

Altice USA Stock Performance Graph

The graph below compares the performance of our Class A common stock with the performance of the S&P 500 Index and a Peer Group Index by measuring the changes in our Class A common stock prices from December 31, 2019 through December 31, 2024. Because no published index of comparable media companies currently reports values on a dividends-reinvested basis, we have created a Peer Group Index for purposes of this graph in accordance with the requirements of the SEC. The Peer Group Index is made up of companies that deliver broadband, video, telephony and mobile services as a significant element of their business, although not all of the companies included in the Peer Group Index participate in all of the lines of business in which we are engaged and some of the companies included in the Peer Group Index also engage in lines of business in which we do not participate. Additionally, the market capitalizations of many of the companies included in the Peer Group are quite different from ours. The common stocks of the following companies have been included in the Peer Group Index: AT&T, Charter, Comcast, DISH (included through December 31, 2023 due to its merger with EchoStar Corporation in January 2024), Frontier, Lumen, T-Mobile, and Verizon. The graph assumes \$100 was invested on December 31, 2019 in our Class A common stock and in each of the following indices and reflects reinvestment of dividends and market capitalization weighting.

Item 7. Management's Discussion and Analysis of Financial Condition and Results of Operations

All dollar amounts, except per customer and per share data, included in the following discussion, are presented in thousands.

This Annual Report contains statements that constitute forward-looking information within the meaning of the Private Securities Litigation Reform Act of 1995, Section 27A of the Securities Act and Section 21E of the Securities Act of 1934, as amended. In this Form 10-K there are statements concerning our future operating results and future financial performance. Words such as "expects", "anticipates", "believes", "estimates", "may", "will", "should", "could", "potential", "continue", "intends", "plans" and similar words and terms used in the discussion of future operating results, future financial performance and future events identify forward-looking statements. Investors are cautioned that such forward-looking statements are not guarantees of future performance, results or events and involve risks and uncertainties and that actual results or developments may differ materially from the forward-looking statements as a result of various factors.

We operate in a highly competitive, consumer and technology driven and rapidly changing business that is affected by government regulation and economic, strategic, technological, political and social conditions. Various factors could adversely affect our operations, business or financial results in the future and cause our actual results to differ materially from those contained in the forward-looking statements. In addition, important factors that could cause our actual results to differ materially from those in our forward-looking statements include:

- competition for broadband, video and telephony customers from existing competitors (such as broadband communications companies, DBS providers, wireless data and telephony providers, and Internet-based providers) and new fiber-based competitors entering our footprint;
- changes in consumer preferences, laws and regulations or technology that may cause us to change our operational strategies;
- increased difficulty negotiating programming agreements on favorable terms, if at all, resulting in increased costs to us and the loss of popular programming;
- increasing programming costs and delivery expenses related to our products and services;
- our ability to achieve anticipated customer and revenue growth, to successfully introduce new products and services and to implement our growth strategy;
- our ability to complete our capital investment plans on time and on budget, including our plan to build a parallel FTTH network;
- our ability to develop mobile voice and data services and our ability to attract customers to these services;
- the effects of economic conditions or other factors which may negatively affect our customers' demand for our current and future products and services;
- the effects of industry conditions;
- demand for digital and linear advertising products and services;
- our substantial indebtedness and debt service obligations;
- adverse changes in the credit market;
- changes as a result of any tax reforms that may affect our business;
- financial community and rating agency perceptions of our business, operations, financial condition and the industries in which we operate;
- the restrictions contained in our financing agreements;
- our ability to generate sufficient cash flow to meet our debt service obligations;
- fluctuations in interest rates which may cause our interest expense to vary from quarter to quarter;
- technical failures, equipment defects, physical or electronic break-ins to our services, computer viruses and similar problems;
- cybersecurity incidents as a result of hacking, phishing, denial of service attacks, dissemination of computer viruses, ransomware and other malicious software, misappropriation of data, and other malicious attempts;

- disruptions to our networks, infrastructure and facilities as a result of natural disasters, power outages, accidents, maintenance failures, telecommunications failures, degradation of plant assets, terrorist attacks and similar events;
- our ability to obtain necessary hardware, software, communications equipment and services and other items from our vendors at reasonable costs;
- our ability to effectively integrate acquisitions and to maximize expected operating efficiencies from our acquisitions, if any;
- significant unanticipated increases in the use of bandwidth-intensive Internet-based services;
- the outcome of litigation, government investigations and other proceedings; and
- other risks and uncertainties inherent in our cable and broadband communications businesses and our other businesses, including those listed under the captions "Risk Factors" and "Management's Discussion and Analysis of Financial Condition and Results of Operations" contained herein.

These factors are not necessarily all of the important factors that could cause our actual results to differ materially from those expressed in any of our forward-looking statements. Other unknown or unpredictable factors could cause our actual results to differ materially from those expressed in any of our forward-looking statements.

Given these uncertainties, you are cautioned not to place undue reliance on such forward-looking statements. The forward-looking statements are made only as of the date of this Annual Report. Except to the extent required by law, we do not undertake, and specifically decline any obligation, to update any forward-looking statements or to publicly announce the results of any revisions to any of such statements to reflect future events or developments. Comparisons of results for current and any prior periods are not intended to express any future trends or indications of future performance, unless expressed as such, and should only be viewed as historical data.

You should read this Annual Report with the understanding that our actual future results, levels of activity, performance and events and circumstances may be materially different from what we expect. We qualify all forward-looking statements by these cautionary statements.

Certain numerical figures included in this Annual Report have been subject to rounding adjustments. Accordingly, such numerical figures shown as totals in various tables may not be arithmetic aggregations of the figures that precede them.

In this Item 7, we discuss the results of operations for the years ended December 31, 2024 and 2023 and comparisons of the 2024 results to the 2023 results. Discussions of the results of operations for the year ended December 31, 2022 and comparisons of the 2023 results to the 2022 results can be found in "Management's Discussion and Analysis of Financial Condition and Results of Operations" in Part II, Item 7 of our [Annual Report on Form 10-K for the year ended December 31, 2023 as filed on February 15, 2024](#)

Our Business

We principally provide broadband communications and video services in the United States and market our services under the Optimum brand. We deliver broadband, video, telephony, and mobile services to approximately 4.6 million

residential and business customers across our footprint. Our footprint extends across 21 states (primarily in the New York metropolitan area and various markets in the south-central United States) through a fiber-rich HFC broadband network and a FTTH network with approximately 9.8 million total passings as of December 31, 2024. Additionally, we offer news programming and advertising services.

Key Factors Impacting Operating Results and Financial Condition

Our future performance is dependent, to a large extent, on the impact of direct competition, general economic conditions (including capital and credit market conditions), our ability to manage our businesses effectively, and our relative strength and leverage in the marketplace, both with suppliers and customers. For more information, see "Risk Factors" and "Business-Competition" included herein.

We derive revenue principally through monthly charges to residential customers of our broadband, video, telephony and mobile services. We also derive revenue from DVR, VOD, pay-per-view, installation and home shopping commissions. Our residential broadband, video, telephony and mobile services accounted for approximately 41%, 32%, 3%, and 1% respectively, of our consolidated revenue for the year ended December 31, 2024. We also derive revenue from the sale of a wide and growing variety of products and services to both large enterprise and SMB customers, including broadband, telephony, networking, video and mobile services. For the year ended December 31, 2024, 16% of our consolidated revenue was derived from these business services. In addition, we derive revenue from the sale of advertising inventory available on the programming carried on our cable television systems, as well as other systems (linear revenue), digital advertising, data analytics and affiliation fees for news programming, which accounted for approximately 5% of our consolidated revenue for the year ended December 31, 2024. Our other revenue, which includes mobile equipment revenue, for the year ended December 31, 2024 accounted for approximately 1% of our consolidated revenue.

Revenue is impacted by rate increases, changes in promotional offerings, changes in the number of customers that subscribe to our services, including additional services sold to our existing customers, programming package changes by our video customers, speed tier changes by our broadband customers, acquisitions/dispositions, and construction of cable systems that result in the addition of new customers. Additionally, the allocation of revenue between the residential offerings is impacted by changes in the standalone selling price of each performance obligation within our promotional bundled offers.

We operate in a highly competitive consumer-driven industry and we compete against a variety of broadband, video, mobile, fixed wireless broadband and fixed-line telephony providers and delivery systems, including broadband communications companies, wireless data and telephony providers, fiber-based service providers, satellite delivered video signals, Internet-delivered video content and broadcast television signals available to residential and business customers in our service areas. Our competitors include AT&T, DirecTV, DISH, Frontier, Lumen Technologies, Inc., T-Mobile, and Verizon. Consumers' selection of an alternate source of service, whether due to economic constraints, technological advances, or preference, negatively impacts the demand for our services. For more information on our competitive landscape, see "Risk Factors" and "Business-Competition" included herein.

Our programming costs, which are the most significant component of our operating expenses, are impacted by increases in contractual rates, changes in the number of customers receiving certain programming services, new channel launches, and channel drops. We expect contractual rates to increase in the future. See "Results of Operations" below for more information regarding the key factors impacting our revenues and operating expenses.

Historically, we have made substantial investments in our network and the development of new and innovative products and other service offerings for our customers as a way of differentiating ourselves from our competitors and we expect to do so in the future. Our ongoing FTTH network build has enabled us to deliver multi-gig broadband speeds to FTTH customers in order to meet the growing data needs of residential and business customers. In addition, we offer a full service mobile offering to consumers across our footprint. We may incur greater than anticipated capital expenditures in connection with these initiatives, fail to realize anticipated benefits, experience delays and business disruptions or encounter other challenges to executing them as planned. See "Liquidity and Capital Resources-Capital Expenditures" for additional information regarding our capital expenditures.

Non-GAAP Financial Measures

We define Adjusted EBITDA, which is a non-GAAP financial measure, as net income (loss) excluding income taxes, non-operating income or expenses, gain (loss) on extinguishment of debt and write-off of deferred financing costs, gain (loss) on interest rate swap contracts, gain (loss) on derivative contracts, gain (loss) on investments and sale of affiliate interests, interest expense, net, depreciation and amortization, share-based compensation, restructuring,

impairments and other operating items (such as significant legal settlements and contractual payments for terminated employees). See reconciliation of net income (loss) to Adjusted EBITDA below.

Adjusted EBITDA eliminates the significant non-cash depreciation and amortization expense that results from the capital-intensive nature of our business and from intangible assets recognized from acquisitions, as well as certain non-cash and other operating items that affect the period-to-period comparability of our operating performance. In addition, Adjusted EBITDA is unaffected by our capital and tax structures and by our investment activities.

We believe Adjusted EBITDA is an appropriate measure for evaluating our operating performance. Adjusted EBITDA and similar measures with similar titles are common performance measures used by investors, analysts and peers to compare performance in our industry. Internally, we use revenue and Adjusted EBITDA measures as important indicators of our business performance and evaluate management's effectiveness with specific reference to these indicators. We believe Adjusted EBITDA provides management and investors a useful measure for period-to-period comparisons of our core business and operating results by excluding items that are not comparable across reporting periods or that do not otherwise relate to our ongoing operating results. Adjusted EBITDA should be viewed as a supplement to and not a substitute for operating income (loss), net income (loss), and other measures of performance presented in accordance with U.S. generally accepted accounting principles ("GAAP"). Since Adjusted EBITDA is not a measure of performance calculated in accordance with GAAP, this measure may not be comparable to similar measures with similar titles used by other companies.

We also use Free Cash Flow (defined as net cash flows from operating activities less cash capital expenditures) as a liquidity measure. We believe this measure is useful to investors in evaluating our ability to service our debt and make continuing investments with internally generated funds, although it may not be directly comparable to similar measures reported by other companies.

-
- (a) Represents the estimated number of single residence homes, apartments and condominium units passed by our HFC and FTTH network in areas serviceable without further extending the transmission lines. In addition, it includes commercial establishments that have connected to our HFC and FTTH network. Broadband services were not available to approximately 30 thousand passings and telephony services were not available to approximately 500 thousand passings.
 - (b) Represents number of households/businesses that receive at least one of our fixed-line services. Customers represent each customer account (set up and segregated by customer name and address), weighted equally and counted as one customer, regardless of size, revenue generated, or number of boxes, units, or outlets on our HFC and FTTH network. Free accounts are included in the customer counts along with all active accounts, but they are limited to a prescribed group. Most of these accounts are also not entirely free, as they typically generate revenue through pay-per-view or other pay services and certain equipment fees. Free status is not granted to regular customers as a promotion. In counting bulk residential customers, such as an apartment building, we count each subscribing unit within the building as one customer, but do not count the master account for the entire building as a customer. We count a bulk commercial customer, such as a hotel, as one customer, and do not count individual rooms at that hotel. Total customer relationships exclude mobile-only customer relationships.
 - (c) Represents the number of total customer relationships divided by total passings.
 - (d) Calculated by dividing the average monthly revenue for the respective quarter (fourth quarter for annual periods) derived from the sale of broadband, video, telephony and mobile services to residential customers by the average number of total residential customers for the same period (excluding mobile-only customer relationships).
 - (e) Mobile lines represent the number of residential and business customers' wireless connections, which include mobile phone handsets and other mobile wireless connected devices. An individual customer relationship may have multiple mobile lines. The 2024 and 2023 ending lines include approximately 4.4 thousand and 2.8 thousand lines related to business customers, respectively. The revenue related to these business customers is reflected in business services and wholesale in the table above.
 - (f) Represents the estimated number of single residence homes, apartments and condominium units passed by the FTTH network in areas serviceable without further extending the transmission lines. In addition, it includes commercial establishments that have connected to our FTTH network.
 - (g) Represents number of households/businesses that receive at least one of our fixed-line services on our FTTH network. Comparison of Results for the Year Ended December 31, 2024 to Results for the Year Ended December 31, 2023

Broadband Revenue

Broadband revenue for the years ended December 31, 2024 and 2023 was \$3,645,460 and \$3,824,472, respectively. Broadband revenue is derived principally through monthly charges to residential subscribers of our broadband services. Broadband revenue decreased \$179,012 (5%) for the year ended December 31, 2024 compared to the year ended December 31, 2023. The decrease was primarily due to decreases in broadband customers and lower average recurring broadband revenue per broadband customer.

Video Revenue

Video revenue for the years ended December 31, 2024 and 2023 was \$2,896,600 and \$3,072,011, respectively. Video revenue is derived principally through monthly charges to residential customers of our video services. Video revenue decreased \$175,411 (6%) for the year ended December 31, 2024 compared to the year ended December 31, 2023. The decrease was due primarily to a decline in video customers, partially offset by higher average recurring video revenue per video customer, primarily driven by certain rate increases.

Telephony Revenue

Telephony revenue for the years ended December 31, 2024 and 2023 was \$277,938 and \$300,198, respectively. Telephony revenue is derived principally through monthly charges to residential customers of our telephony services. Telephony revenue decreased \$22,260 (7%) for the year ended December 31, 2024 compared to the year ended December 31, 2023. The decrease was due to a decline in telephony customers, partially offset by higher average recurring telephony revenue per telephony customer.

Mobile Service Revenue

Mobile service revenue for the years ended December 31, 2024 and 2023 was \$117,084 and \$77,012, respectively. The increase of \$40,072 (52%) was due primarily to an increase in mobile lines.

Business Services and Wholesale Revenue

Business services and wholesale revenue for the years ended December 31, 2024 and 2023 was \$1,471,764 and \$1,467,149, respectively. Business services and wholesale revenue is derived primarily from the sale of fiber-based telecommunications services to the business market, and the sale of broadband, video, telephony, and mobile services to SMB customers.

Business services and wholesale revenue increased \$4,615 for the year ended December 31, 2024 compared to the year ended December 31, 2023. The increase was primarily due to increases in ethernet and managed router revenue from our Lightpath business, partially offset by a decrease in wholesale revenue and a decrease in SMB customers.

News and Advertising Revenue

News and advertising revenue for the years ended December 31, 2024 and 2023 was \$486,172 and \$447,742, respectively. News and advertising revenue is primarily derived from the sale of (i) advertising inventory available on the programming carried on our cable television systems, as well as other systems (linear revenue), (ii) digital advertising, (iii) data analytics, and (iv) affiliation fees for news programming.

News and advertising revenue increased \$38,430 (9%) for the year ended December 31, 2024 compared to the year ended December 31, 2023. The increase was primarily due to increases in digital advertising, mainly political advertising.

Other Revenue

Other revenue for the years ended December 31, 2024 and 2023 was \$59,399 and \$48,480, respectively. Other revenue includes revenue from sales of mobile equipment and other miscellaneous revenue streams.

Other revenue increased \$10,919 (23%) for the year ended December 31, 2024 compared to the year ended December 31, 2023. The increase was primarily due to higher mobile equipment sales during 2024 as compared to 2023.

Programming and Other Direct Costs

Programming and other direct costs for the years ended December 31, 2024 and 2023 amounted to \$2,896,570 and \$3,029,842, respectively. Programming and other direct costs include cable programming costs, which are costs paid to programmers (net of amortization of any incentives received from programmers for carriage) for cable content (including costs of VOD and pay-per-view) and are generally paid on a per-customer basis. These costs are impacted by increases in contractual rates, changes in the number of customers receiving certain programming services, new channel launches and channel drops. These costs also include interconnection, call completion, circuit and transport fees paid to other telecommunication companies for the transport and termination of voice and data services, which typically vary based on rate changes and the level of usage by our customers. These costs also include franchise fees which are payable to the state governments and local municipalities where we operate and are primarily based on a percentage of certain categories of revenue derived from the provision of video service over our cable systems, which vary by state and municipality. These costs change in relation to changes in such categories of revenues or rate changes. Additionally, these costs include the cost of media for advertising spots sold, the cost of mobile devices sold to our customers and direct costs of providing mobile services.

The decrease of \$133,272 (4%) for the year ended December 31, 2024, as compared to the prior year was primarily attributable to the following:

Decrease in programming costs primarily due to lower video customers, partially offset by net contractual rate increases	\$	(204,842)
Increase in costs of media advertising spots for resale, primarily for digital spots for political advertising		34,229
Increase in cost of goods sold primarily from our mobile business		23,370
Increase in taxes and surcharges due primarily to refunds recognized in 2023 period		12,368
Other net increases		1,603
	\$	<u>(133,272)</u>

Programming costs

Programming costs aggregated \$2,251,316 and \$2,456,158 for the years ended December 31, 2024 and 2023, respectively. Our programming costs in 2025 will continue to be impacted by changes in programming rates, which we expect to increase, and by changes in the number of video customers. Disputes with programmers which result in temporary periods during which we do not carry or if we cease carrying a particular programming service altogether will reduce programming costs.

Other Operating Expenses

Other operating expenses for the years ended December 31, 2024 and 2023 amounted to \$2,711,828 and \$2,646,258, respectively. Other operating expenses include staff costs and employee benefits including salaries of company employees and related taxes, benefits and other employee related expenses, as well as third-party labor costs. Other operating expenses also include network management and field service costs, which represent costs associated with the maintenance of our broadband network, including costs of certain customer connections and other costs associated with providing and maintaining services to our customers.

Customer installation and network repair and maintenance costs may fluctuate as a result of changes in the level of capitalizable activities, maintenance activities and the utilization of contractors as compared to employees. Costs associated with the initial deployment of new customer premise equipment necessary to provide services are capitalized. The costs of redeployment of customer premise equipment are expensed as incurred.

Other operating expenses also include costs related to our call center operations that handle customer inquiries and billing and collection activities, and sales and marketing costs, which include advertising production and placement costs associated with acquiring and retaining customers. These costs vary period to period and certain of these costs, such as sales and marketing, may increase with intense competition. Additionally, other operating expenses include various other administrative costs.

The increase in other operating expenses of \$65,570 (2%) for the year ended December 31, 2024 as compared to the prior year was attributable to the following:

Increase in consulting costs primarily relating to our transformation strategy	\$	26,936
Increase in share-based compensation costs		19,235
Increase in legal fees		9,874
Increase in repairs and maintenance costs (including software maintenance and data processing)		8,553
Increase in marketing expenses		9,493
Increase in property taxes resulting from our FTTH network build-out and other taxes (including a procurement tax relating to our Captive insurance entity)		7,621
Net decrease in labor related costs and benefits primarily due to lower truck rolls, lower call center costs and an increase in capitalizable activity		(20,795)
Other net increases		4,653
	<u>\$</u>	<u>65,570</u>

Restructuring, Impairments and Other Operating Items

Restructuring, impairments and other operating items for the year ended December 31, 2024 amounted to \$23,696, as compared to \$214,727 for the year ended December 31, 2023 and comprised the following:

	Years Ended December 31,	
	2024	2023
Goodwill impairment (a)	\$ —	\$ 163,055
Contract termination costs (b)	41,924	—
Contractual payments for terminated employees	19,400	39,915
Transaction costs related to certain transactions not related to our operations	10,780	5,180
Impairment of right-of-use operating lease assets	5,558	10,554
Facility realignment costs	4,844	2,368
Litigation settlements, net of reimbursements (c)	(59,750)	—
Other	940	(6,345)
	<u>\$ 23,696</u>	<u>\$ 214,727</u>

- (a) In connection with our annual recoverability assessment of goodwill, we recorded an impairment charge relating to our News and Advertising reporting unit for the year ended December 31, 2023. See [Note 10](#) for additional information.
- (b) Represent costs to early terminate contracts with vendors.
- (c) Includes a credit resulting from the waiver of a payment obligation in June 2024 related to a patent infringement settlement agreement reached in the fourth quarter of 2022 and a credit resulting from the indemnification from a supplier related to this matter. Offsetting these credits was an expense, net of insurance recoveries, in connection with the settlement of other significant litigation.

We may incur additional contractual payments for terminated employee related costs and facility realignment costs in the future as we continue to analyze our organizational structure.

Depreciation and Amortization

Depreciation and amortization for the years ended December 31, 2024 and 2023 amounted to \$1,642,231 and \$1,644,297, respectively.

The decrease in depreciation and amortization of \$2,066 for the year ended December 31, 2024 as compared to 2023 was due to lower expense resulting from certain assets becoming fully amortized, offset by higher depreciation expense resulting from increased asset additions in 2024, including losses related to the disposal of plant and equipment and accelerated depreciation.

Adjusted EBITDA

Adjusted EBITDA amounted to \$3,413,181 and \$3,608,890 for the years ended December 31, 2024 and 2023, respectively.

Adjusted EBITDA is a non-GAAP measure that is defined as net income (loss) excluding income taxes, non-operating income or expenses, gain (loss) on extinguishment of debt and write-off of deferred financing costs, gain (loss) on interest rate swap contracts, gain (loss) on derivative contracts, gain (loss) on investments and sale of affiliate interests, interest expense, net, depreciation and amortization, share-based compensation, restructuring, impairments and other operating items (such as significant legal settlements and contractual payments for terminated employees). See reconciliation of net income (loss) to Adjusted EBITDA above.

The decrease in Adjusted EBITDA for the year ended December 31, 2024 as compared to the prior year was due to the decrease in revenue, partially offset by a decrease in operating expenses during 2024 (excluding depreciation and amortization, restructuring, impairments and other operating items and share-based compensation), as discussed above.

Free Cash Flow

Free Cash Flow was \$149,388 and \$121,587 for the years ended December 31, 2024 and 2023, respectively. The increase in Free Cash Flow in 2024 as compared to 2023 is primarily due to a decrease in cash capital expenditures, partially offset by a decrease in cash from operating activities driven by timing of cash receipts and disbursements.

Interest Expense, Net

Interest expense, net was \$1,763,166 and \$1,639,120 for the years ended December 31, 2024 and 2023, respectively. The increase of \$124,046 (8%) for the year ended December 31, 2024 as compared to the prior year was attributable to the following:

Increase primarily due to an increase in interest rates	\$	127,389
Lower capitalized interest related to FTTH network construction		13,110
Decrease related to higher interest income		(1,641)
Other net decreases, primarily amortization of deferred financing costs and original issue discounts		(14,812)
	<u>\$</u>	<u>124,046</u>

Gain on Investments and Sale of Affiliate Interests, Net

Gain on investments and sale of affiliate interests, net for the years ended December 31, 2024 and 2023 of \$670 and \$180,237. The gain in 2024 related to the sale of certain cable assets and the gain in 2023 represented the increase in the fair value of the Comcast common stock owned by us through January 24, 2023. In 2023, the gain was partially offset by a loss on the sale of our Cheddar News business. The effect of the gain related to the Comcast common stock in 2023 was partially offset by the loss on the related equity derivative contracts, net described below.

Loss on Derivative Contracts, Net

Loss on derivative contracts, net amounted to \$166,489 for the year ended December 31, 2023. The loss reflects the change in fair value of equity derivative contracts relating to the Comcast common stock we owned through January 24, 2023. The effects of this loss were partially offset by the gain on investment securities pledged as collateral, which is included in gain on investments and sale of affiliate interests, net, discussed above.

Gain on Interest Rate Swap Contracts, Net

Gain on interest rate swap contracts, net amounted to \$18,632 and \$32,664 for the years ended December 31, 2024 and 2023, respectively. These amounts represent the change in the fair value of interest rate swap contracts. The gain for the year ended December 31, 2024 is net of a \$52,943 loss related to the early termination of the CSC Holdings interest rate swap agreements with an aggregate notional value of \$3,000,000. Our swap contracts are not designated as hedges for accounting purposes.

Gain (Loss) on Extinguishment of Debt and Write-off of Deferred Financing Costs

Gain (loss) on extinguishment of debt and write-off of deferred financing costs amounted to \$(12,901) and \$4,393 for the years ended December 31, 2024 and 2023, respectively.

The following table provides a summary of the gain (loss) on extinguishment of debt and the write-off of deferred financing costs recorded by us:

	Years ended December 31,	
	2024	2023
Settlement of collateralized debt	\$ —	\$ 4,393
Incremental borrowing on Lightpath's Term Loan Facility	(5,866)	—
Repayment of CSC Holdings Term Loan B and Incremental Term Loan B-3	(2,598)	—
Redemption of 5.250% Senior Notes and 5.250% Series B Senior Notes due June 2024	(4,437)	—
	<u>\$ (12,901)</u>	<u>\$ 4,393</u>

Other Income (Expense), Net

Other income (expense), net amounted to \$(5,675) and \$4,940 for the years ended December 31, 2024 and 2023, respectively. These amounts include the non-service benefit or cost components of our pension plans, and for the year ended December 31, 2024 the amount includes dividends received on Comcast common stock we owned through January 24, 2023.

Income Tax Benefit (Expense)

We recorded an income tax benefit of \$4,071 for the year ended December 31, 2024, resulting in an effective tax rate of 4.9% and an income tax expense of \$(39,528) for the year ended December 31, 2023, resulting in an effective tax rate of 33% (See [Note 14](#)).

Our effective tax rate in 2024 includes the impact of tax deficiencies on share-based compensation and the increase in our uncertain tax positions reserve.

Our effective tax rate in 2023 includes the impact of the capital loss recognized from the sale of our Cheddar News business in December 2023 and the impact of the impairment of goodwill related to our News and Advertising business that was not deductible for tax purposes.

These Restricted Group subsidiaries are subject to the covenants and restrictions of CSC Holdings' credit facility and indentures governing the notes issued by CSC Holdings.

LIQUIDITY AND CAPITAL RESOURCES

Altice USA has no operations independent of its subsidiaries. Funding for our subsidiaries has generally been provided by cash flow from their respective operations, cash on hand and borrowings under the CSC Holdings revolving credit facility and the proceeds from the issuance of securities and borrowings under syndicated term loans in the capital markets. Our decision as to the use of cash generated from operating activities, cash on hand, borrowings under the revolving credit facility or accessing the capital markets has been based upon an ongoing review of the funding needs of the business, the optimal allocation of cash resources, the timing of cash flow generation and the cost of borrowing under the revolving credit facility, debt securities and syndicated term loans. We calculate net leverage ratios for our CSC Holdings Restricted Group and Lightpath debt silos as net debt to L2QA EBITDA (Adjusted EBITDA for the two most recent consecutive fiscal quarters multiplied by 2.0).

We expect to utilize Free Cash Flow and availability under the CSC Holdings Restricted Group and Lightpath revolving credit facilities, as well as future refinancing transactions, to further extend the maturities of, or reduce the principal on, our debt obligations. The timing and terms of any refinancing transactions will be subject to, among other factors, market conditions. Additionally, we may, from time to time, depending on market conditions and other factors, use cash on hand and the proceeds from other borrowings to repay the outstanding debt through open market purchases, privately negotiated purchases, tender offers, exchange offers or redemptions, or engage in similar transactions.

We believe existing cash balances, operating cash flows and availability under the CSC Holdings Restricted Group and Lightpath revolving credit facilities will provide adequate funds to support our current operating plan, make planned capital expenditures and fulfill our debt service requirements for the next twelve months. However, our ability to fund our operations, make planned capital expenditures, make scheduled payments on our indebtedness and repay our indebtedness depends on our future operating performance and cash flows and our ability to access the capital markets, which, in turn, are subject to prevailing economic conditions and to financial, business and other factors, some of which are beyond our control. Competition, market disruptions or a deterioration in economic conditions could lead to lower demand for our products, as well as lower levels of advertising, and increased incidence of customers' inability to pay for the services we provide. These events would adversely impact our results of operations, cash flows and financial position. Although we currently believe amounts available under the CSC Holdings Restricted Group and Lightpath revolving credit facilities will be available when, and if, needed, we can provide no assurance that access to such funds will not be impacted by adverse conditions in the financial markets or other conditions. The obligations of the financial institutions under the revolving credit facilities are several and not joint and, as a result, a funding default by one or more institutions does not need to be made up by the others.

In the longer term, we may not be able to generate sufficient cash from operations to fund anticipated capital expenditures, meet all existing future contractual payment obligations and repay our debt at maturity. As a result, we could be dependent upon our continued access to the capital and credit markets to issue additional debt or equity or refinance existing debt obligations. We intend to raise significant amounts of funding over the next several years to fund capital expenditures, repay existing obligations and meet other obligations, and the failure to do so successfully could adversely affect our business. If we are unable to do so, we will need to take other actions including deferring capital expenditures, selling assets, seeking strategic investments from third parties or reducing discretionary uses of cash.

The following tables summarize the carrying value of our outstanding debt, net of unamortized deferred financing costs, discounts and premiums (excluding accrued interest) as of December 31, 2024, as well as interest expense for the year ended December 31, 2024.

(a) Includes \$1,906,850 principal amount related to CSC Holdings' Incremental Term Loan B-6 that is due on the earlier of (i) January 15, 2028 and (ii) April 15, 2027 if, as of such date, any Incremental Term Loan B-5 borrowings are still outstanding, unless the Incremental Term Loan B-5 maturity date has been extended to a date falling after January 15, 2028.

For financing purposes, we have two debt silos: CSC Holdings and Lightpath. The CSC Holdings silo is structured as a restricted group (the "CSC Holdings Restricted Group") and an unrestricted group, which includes Lightpath and certain designated subsidiaries. The CSC Holdings Restricted Group is comprised of CSC Holdings and substantially all of its wholly-owned operating subsidiaries excluding Lightpath. These CSC Holdings Restricted Group subsidiaries are subject to the covenants and restrictions of CSC Holdings' credit facility and indentures governing the notes issued by CSC Holdings. The Lightpath silo includes all of its operating subsidiaries which are subject to the covenants and restrictions of the Lightpath credit facility and indentures governing the notes issued by Lightpath.

CSC Holdings Restricted Group

Sources of cash for the CSC Holdings Restricted Group include primarily cash flow from the operations of the businesses in the CSC Holdings Restricted Group, borrowings under its credit facility and issuance of securities in the capital markets, contributions from its parent, and, from time to time, distributions or loans from its subsidiaries. The CSC Holdings Restricted Group's principal uses of cash include: capital spending, in particular, the capital requirements associated with the upgrade of our digital broadband, video and telephony services, including costs to build our FTTH network; debt service; other corporate expenses and changes in working capital; and investments that it may fund from time to time.

CSC Holdings Credit Facilities

In October 2015, a wholly-owned subsidiary of Altice USA, which merged with and into CSC Holdings on June 21, 2016, entered into a senior secured credit facility, which, as amended, currently provides for U.S. dollar term loans in an aggregate principal of \$5,001,942, comprising (i) an incremental term loan amount of \$3,000,000 (\$2,857,500 outstanding as of December 31, 2024) ("Incremental Term Loan B-5") and (ii) an incremental term loan in an aggregate principal amount of \$2,001,942 (\$1,966,908 outstanding as of December 31, 2024) ("Incremental Term Loan B-6"), and U.S. dollar revolving loan commitments in an aggregate principal amount of \$2,475,000 (\$1,700,000 outstanding as of December 31, 2024) (the "CSC Revolving Credit Facility" and, together with the Incremental Term Loan B-5 and Incremental Term B-6, the "CSC Credit Facilities"), which are governed by a credit facilities agreement entered into by, inter alios, CSC Holdings, certain lenders party thereto and JPMorgan Chase Bank, N.A. as administrative agent and security agent (as amended, restated, supplemented or otherwise modified from time to time, the "CSC Credit Facilities Agreement").

In January 2024, the proceeds from the issuance of CSC Holdings' \$2,050,000 in aggregate principal amount of senior guaranteed notes due 2029 were used to (i) repay the outstanding principal balance of the incremental term loans due 2025 under the CSC Credit Facilities Agreement ("Term Loan B"), (ii) repay the outstanding principal balance of the incremental term loans due 2026 under the CSC Credit Facilities Agreement ("Incremental Term Loan B-3"), and (iii) pay the fees, costs and expenses associated with these transactions.

During the year ended December 31, 2024, CSC Holdings borrowed \$2,025,000 under the CSC Revolving Credit Facility and repaid \$1,150,000 of amounts outstanding under the CSC Revolving Credit Facility.

At December 31, 2024, \$163,738 of the CSC Revolving Credit Facility was restricted for certain letters of credit issued on our behalf and \$611,262 was undrawn and available, subject to covenant limitations.

As of December 31, 2024, CSC Holdings was in compliance with applicable financial covenants under its credit facility.

See [Note 11](#) to our consolidated financial statements for further information regarding the CSC Credit Facilities Agreement.

Senior Guaranteed Notes and Senior Notes

In January 2024, CSC Holdings issued \$2,050,000 in aggregate principal amount of senior guaranteed notes due 2029. These notes bear interest at a rate of 11.750% and will mature on January 31, 2029. The proceeds from the sale of these notes were used to (i) repay the outstanding principal balance of the Term Loan B, (ii) repay the outstanding principal balance of the Incremental Term Loan B-3, and (iii) pay the fees, costs and expenses associated with these transactions.

In February 2024, we redeemed the CSC Holdings 5.250% Senior Notes due 2024 and 5.250% Series B Senior Notes due 2024 with proceeds of borrowings under the CSC Revolving Credit Facility.

See [Note 11](#) of our consolidated financial statements for further details of our outstanding senior guaranteed notes and senior notes.

As of December 31, 2024, CSC Holdings was in compliance with applicable financial covenants under each respective indenture by which the senior guaranteed notes and senior notes were issued.

Lightpath

Sources of cash for Lightpath include existing cash balances, operating cash flows from its operating subsidiaries and availability under the revolving credit facility.

Lightpath Credit Facility

Lightpath is party to a credit agreement which provides a term loan in an aggregate principal amount of \$700,000, as amended (\$676,000 outstanding at December 31, 2024) and revolving loan commitments in an aggregate principal amount of \$115,000, as amended. As of December 31, 2024, there were no borrowings outstanding under the Lightpath revolving credit facility. See [Note 11](#) to our consolidated financial statements for further information regarding the Lightpath credit agreement.

In February 2024, Lightpath entered into an extension amendment (the "Extension Amendment") to its amended credit agreement that provides for, among other things, (a) an extension of the scheduled maturity date with respect to the 2027 Revolving Credit Commitments (as defined in the Extension Amendment) under the credit agreement to the date (the "New Maturity Date") that is the later of (x) November 30, 2025 and (y) the earlier of (i) June 15, 2027 and (ii) the date that is five business days after any Extension Breach Date (as defined in the Amended Credit Agreement) and (b) incremental revolving credit commitments in an aggregate principal amount of \$15,000 which shall be of the same class and type as the 2027 Revolving Credit Commitments and will, for the avoidance of doubt, mature on the New Maturity Date. After giving effect to the Extension Amendment, the aggregate principal amount of revolving loan commitments available under the Amended Credit Agreement increased from \$100,000 to \$115,000.

After giving effect to the Extension Amendment, the aggregate principal amount of 2027 Revolving Credit Commitments equaled \$95,000 and the aggregate principal amount of 2025 Revolving Credit Commitments (as defined in the Extension Amendment) equaled \$20,000. Interest will be calculated at a rate per annum equal to the adjusted Term SOFR rate or the alternate base rate, as applicable, plus the applicable margin, where the applicable margin is (i) with respect to any alternate base rate loan, 2.25% per annum and (ii) with respect to any Term SOFR loan, 3.25% per annum.

In November 2024, Lightpath entered into an incremental amendment (the "Incremental Amendment") to its credit agreement to incur an additional \$100,000 of term loans, of the same class as the term loans under the credit agreement immediately prior to giving effect to the Incremental Amendment, at a net price of 99.27% which increased the aggregate principal amount of term loans outstanding under the credit agreement to \$676,000 as of December 31, 2024.

During the year ended December 31, 2024, Lightpath borrowed and repaid \$40,000 under its revolving credit facility.

As of December 31, 2024, Lightpath was in compliance with applicable financial covenants under its credit agreement and with applicable financial covenants under each respective indenture by which its senior secured notes and senior notes were issued.

In January 2025, Lightpath entered into a refinancing amendment (the "Refinancing Amendment") to its amended credit agreement, which refinanced all of the term loans outstanding under its amended credit agreement immediately prior to giving effect to the Refinancing Amendment in order to reduce the applicable margins with respect thereto from (i) with respect to any alternate base rate loan, 2.25% per annum to 2.00% per annum and (ii) with respect to any Term SOFR loan, 3.25% per annum to 3.00%. Additionally, after giving effect to the Refinancing Amendment, interest on borrowings made under the refinanced term loan facility shall be calculated without giving effect to the spread adjustments provided for in the credit agreement.

Lightpath Senior Secured Notes and Senior Notes

In 2020, Lightpath issued \$450,000 in aggregate principal amount of senior secured notes that bear interest at a rate of 3.875% and mature on September 15, 2027 and \$415,000 in aggregate principal amount of senior notes that bear interest at a rate of 5.625% and mature on September 15, 2028.

As of December 31, 2024, Lightpath was in compliance with applicable financial covenants under each respective indenture by which the senior secured notes and senior notes were issued.

Lightpath Interest Rate Swap Contract

In November 2024, Lightpath entered into an interest rate swap contract on a notional amount of \$95,000, whereby Lightpath pays interest of 3.979% through December 2026 and receives interest based on one-month SOFR.

See [Note 12](#) of our consolidated financial statements for further details of our outstanding interest rate swap contracts.

Managing our Interest Rate Risk

See "Item 7A. Quantitative and Qualitative Disclosures About Market Risk" for a discussion regarding interest rate risk.

Critical Accounting Policies and Estimates

In preparing our financial statements, we are required to make certain estimates, judgments and assumptions that we believe are reasonable based upon the information available. These estimates and assumptions affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the periods presented.

Goodwill and Indefinite-Lived Assets

Goodwill and indefinite-lived cable franchise rights are not amortized. Rather, such assets are tested for impairment annually or whenever events or changes in circumstances indicate that it is more likely than not that the assets may be impaired. We assess the recoverability of our goodwill and indefinite-lived cable franchise rights annually as of October 1 ("annual impairment test date"). As of the annual impairment test date, goodwill amounted to \$8,044,716 all of which is related to our Telecommunications reporting unit and indefinite-lived cable franchise rights amounted to \$13,216,355.

The assessment of recoverability may first consider qualitative factors to determine whether the existence of events or circumstances leads to a determination that it is more likely than not that the fair value of a reporting unit or our indefinite-lived cable franchise rights is less than its carrying amount. These qualitative factors include macroeconomic conditions such as changes in interest rates, industry and market considerations, recent and projected financial performance of the reporting units, as well as other factors. A quantitative test is performed if we conclude that it is more likely than not that the fair value of a reporting unit or an indefinite-lived cable franchise right is less than its carrying amount or if a qualitative assessment is not performed. If the carrying value of the reporting unit or the intangible asset exceeds its fair value, an impairment loss is recognized in an amount equal to that excess. In 2024, we performed a quantitative assessment for our goodwill and indefinite-lived cable franchise rights recoverability tests.

Goodwill

Goodwill resulted from business combinations and represents the excess amount of the consideration paid over the identifiable assets and liabilities recorded in acquisitions. Our test for impairment in 2024 was performed for the Telecommunications reporting unit, as goodwill related to the News and Advertising reporting unit was fully impaired in 2023. The goodwill related to our Telecommunications reporting unit was recorded primarily in connection with the Cequel Acquisition in 2015 and the Cablevision Acquisition in 2016.

We estimate the fair value of our reporting units by considering both (i) a discounted cash flow method, which is based on the present value of projected cash flows over a discrete projection period and a terminal value, which is based on the expected normalized cash flows of the reporting unit following the discrete projection period, and (ii) a market approach, which includes the use of market multiples of publicly-traded companies whose services are comparable to ours. Significant judgments in estimating the fair value of our reporting units include cash flow projections and the selection of the discount rate.

The estimates and assumptions utilized in estimating the fair value of our reporting unit could have a significant impact on whether and to what extent an impairment charge is recognized. Fair value estimates are made at a specific point in time, based on relevant information. These estimates are subjective in nature and involve uncertainties and matters of significant judgments. Changes in assumptions could significantly affect the estimates.

Based on the quantitative assessment performed as of our impairment test date, the estimated fair value of our Telecommunications reporting unit exceeded its carrying value and no impairment was recorded. It is possible that in the future there may be changes in our estimates and assumptions, including the timing and amount of future cash flows, margins, growth rates, market participant assumptions, comparable benchmark companies and related multiples and discount rates, which could result in different fair value estimates. Significant and adverse changes to any one or more of the above-noted estimates and assumptions could result in an impairment charge in the future.

Indefinite-lived Cable Franchise Rights

Our indefinite-lived cable franchise rights represent agreements we have with state and local governments that allow us to construct and operate a cable business within a specified geographic area and allow us to solicit and service potential customers in the service areas defined by the agreements. We have concluded that our cable franchise rights have an indefinite useful life since there are no legal, regulatory, contractual, competitive, economic or other factors that limit the period over which these rights will contribute to our cash flows. For impairment testing purposes, we have concluded that our cable franchise rights are a single unit of account.

Estimates and assumptions utilized in estimating the fair value of our identifiable indefinite-lived intangible assets could have a significant impact on whether and to what extent an impairment charge is recognized. Fair value estimates are made at a specific point in time, based on relevant information. These estimates are subjective in nature and involve uncertainties and matters of significant judgments. Changes in assumptions could significantly affect the estimates.

In our 2024 impairment test, the fair value of our cable franchise rights (estimated using the multi-period excess earnings model) exceeded their carrying value, with no impairment recorded. Although no impairment was recognized, our fair value estimation relies on certain assumptions like revenue growth rates, long-term growth rates, and discount rates, which are subjective and involve significant judgment. Changes in these assumptions could impact the estimates. For example, if our financial performance deteriorates, or if interest rates increase, it is reasonably possible that a future impairment of our franchise assets could be material. A hypothetical 10% reduction in the fair value of our franchise rights would result in an impairment charge of approximately \$1,200,000.

Capitalization of Costs

Costs incurred in the construction of our cable systems, including line extensions to, and upgrade of, our HFC infrastructure and construction of the parallel FTTH infrastructure, are capitalized. This includes headend facilities and initial placement of the feeder cable to connect a customer that had not been previously connected. These costs consist of materials, subcontractor labor, direct consulting fees, and internal labor and related costs associated with the construction activities (including interest related to FTTH construction). Internal costs that are capitalized consist of salaries and benefits of our employees and a portion of facility costs, that supports the construction activities. Such costs are depreciated over the estimated life of our infrastructure and our headend facilities and related equipment (5 to 25 years). Costs of operating the plant and the technical facilities, including repairs and maintenance, are expensed as incurred.

Costs associated with the initial deployment of new customer premise equipment ("CPE") necessary to provide services are also capitalized. These costs include materials, subcontractor labor, internal labor, and other related costs associated with the connection activities. Departmental activities supporting the connection process are capitalized based on time-weighted activity allocations of costs. These installation costs are amortized over the estimated useful lives of the CPE. The portion of departmental costs related to disconnecting services and removing CPE from a customer, costs related to connecting CPE that has been previously connected to the network, and repair and maintenance are expensed as incurred.

Recently Issued Accounting Standards

See [Note 3](#) to the accompanying consolidated financial statements contained in "Part II. Item 8. Financial Statements and Supplementary Data" for a discussion of recently issued accounting standards.

Item 7A. Quantitative and Qualitative Disclosures About Market Risk

All dollar amounts, except per share data, included in the following discussion are presented in thousands.

Fair Value of Debt

At December 31, 2024, the fair value of our fixed rate debt, comprised of senior guaranteed and senior secured notes, senior notes, and supply chain financing of \$13,380,255 was lower than its carrying value of \$17,755,137 by \$4,374,882. The fair value of these financial instruments is estimated based on reference to quoted market prices for these or comparable securities. Our floating rate borrowings, comprised of our term loans and revolving credit facilities, bear interest in reference to current SOFR-based market rates and thus their principal values approximate fair value. The effect of a hypothetical 100 basis point decrease in interest rates prevailing at December 31, 2024 would increase the estimated fair value of our fixed rate debt by \$489,655 to \$13,869,910. This estimate is based on the assumption of an immediate and parallel shift in interest rates across all maturities.

Interest Rate Risk

To manage interest rate risk, we have from time to time entered into interest rate swap contracts to adjust the proportion of total debt that is subject to variable and fixed interest rates. Such contracts effectively fix the borrowing rates on floating rate debt to provide an economic hedge against the risk of rising rates and/or effectively convert fixed rate borrowings to variable rates to permit us to realize lower interest expense in a declining interest rate environment. We monitor the financial institutions that are counterparties to our interest rate swap contracts and we only enter into interest rate swap contracts with financial institutions that are rated investment grade. All such contracts are carried at their fair market values on our consolidated balance sheets, with changes in fair value reflected in the consolidated statements of operations. See [Note 12](#) to our consolidated financial statements for a summary of interest rate swap contracts outstanding at December 31, 2024. Our outstanding interest rate swap contracts are not designated as hedges for accounting purposes. Accordingly, the changes in the fair value of these interest rate swap contracts are recorded through the statements of operations. For the year ended December 31, 2024, we recorded a gain on interest rate swap contracts of \$18,632, and had a fair value at December 31, 2024 of \$8,466 recorded as other assets, long-term on the consolidated balance sheet.

In September 2024, we terminated all our CSC Holdings interest rate swap agreements with an aggregate notional value of \$3,000,000. These contracts were due to mature in January 2025 and December 2026. In connection with these early terminations, we received cash of \$43,182 presented in operating activities in our consolidated statements of cash flows and incurred a loss of \$52,943 which is included in the net gain on interest rate swap contracts reflected in our consolidated statements of operations.

In November 2024, Lightpath entered into an interest rate swap contract on a notional amount of \$95,000, whereby Lightpath pays interest of 3.979% and it receives interest based on one-month SOFR through December 2026.

As of December 31, 2024, we did not hold and have not issued derivative instruments for trading or speculative purposes.

Item 9A. Controls and Procedures

Evaluation of Disclosure Controls and Procedures

An evaluation was carried out under the supervision and with the participation of Altice USA's management, including our Chief Executive Officer and Chief Financial Officer, of the effectiveness of the design and operation of our disclosure controls and procedures (as defined under SEC rules). Based upon that evaluation, the Chief Executive Officer and Chief Financial Officer concluded that the design and operation of these disclosure controls and procedures were effective as of December 31, 2024.

Management's Annual Report on Internal Control Over Financial Reporting

Management is responsible for establishing and maintaining effective internal control over financial reporting as defined in Rules 13a-15(f) under the Securities Exchange Act of 1934, as amended. Our internal control over financial reporting is a process designed under the supervision of our Chief Executive Officer and Chief Financial Officer to provide reasonable assurance to our management and Board of Directors regarding the reliability of financial reporting and the preparation of our external financial statements, including estimates and judgments, in accordance with accounting principles generally accepted in the United States of America.

Because of its inherent limitations, internal control over financial reporting may not prevent or detect misstatements. Therefore, even those internal controls determined to be effective can provide only reasonable assurance with respect to financial statement preparation and presentation. Also, the evaluation of the effectiveness of internal control over financial reporting was made as of a specific date, and continued effectiveness in future periods is subject to the risks that controls may become inadequate because of changes in conditions or that the degree of compliance with the policies and procedures may decline.

Management conducted an assessment of the effectiveness of our internal control over financial reporting based on the framework established in *Internal Control-Integrated Framework* issued by the Committee of Sponsoring Organizations of the Treadway Commission (COSO) (2013 framework). Based on this assessment, management concluded that our internal control over financial reporting was effective as of December 31, 2024.

Audit Report of the Independent Registered Public Accounting Firm

The effectiveness of our internal control over financial reporting as of December 31, 2024 has been audited by KPMG LLP, an independent registered public accounting firm, as stated in their audit report on our internal control over financial reporting appearing on page F-2.

Changes in Internal Control

During the year ended December 31, 2024, there were no changes in our internal control over financial reporting that materially affected or are reasonably likely to materially affect our internal control over financial reporting.

Report of Independent Registered Public Accounting Firm

To the Stockholders and Board of Directors
Altice USA, Inc.:

Opinion on Internal Control Over Financial Reporting

We have audited Altice USA, Inc. and subsidiaries' (the Company) internal control over financial reporting as of December 31, 2024, based on criteria established in Internal Control – Integrated Framework (2013) issued by the Committee of Sponsoring Organizations of the Treadway Commission. In our opinion, the Company maintained, in all material respects, effective internal control over financial reporting as of December 31, 2024, based on criteria established in Internal Control – Integrated Framework (2013) issued by the Committee of Sponsoring Organizations of the Treadway Commission.

We also have audited, in accordance with the standards of the Public Company Accounting Oversight Board (United States) (PCAOB), the consolidated balance sheets of the Company as of December 31, 2024 and December 31, 2023, the related consolidated statements of operations, comprehensive income (loss), stockholders' deficiency, and cash flows for each of the years in the three-year period ended December 31, 2024, and the related notes (collectively, the consolidated financial statements), and our report dated February 13, 2025 expressed an unqualified opinion on those consolidated financial statements.

Basis for Opinion

The Company's management is responsible for maintaining effective internal control over financial reporting and for its assessment of the effectiveness of internal control over financial reporting, included in the accompanying Management's Annual Report on Internal Control Over Financial Reporting. Our responsibility is to express an opinion on the Company's internal control over financial reporting based on our audit. We are a public accounting firm registered with the PCAOB and are required to be independent with respect to the Company in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audit in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether effective internal control over financial reporting was maintained in all material respects. Our audit of internal control over financial reporting included obtaining an understanding of internal control over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. Our audit also included performing such other procedures as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion.

Definition and Limitations of Internal Control Over Financial Reporting

A company's internal control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Because of its inherent limitations, internal control over financial reporting may not prevent or detect misstatements. Also, projections of any evaluation of effectiveness to future periods are subject to the risk that controls may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Report of Independent Registered Public Accounting Firm

To the Stockholders and Board of Directors
Altice USA, Inc.:

Opinion on the Consolidated Financial Statements

We have audited the accompanying consolidated balance sheets of Altice USA, Inc. and subsidiaries (the Company) as of December 31, 2024 and December 31, 2023, the related consolidated statements of operations, comprehensive income (loss), stockholders' deficiency, and cash flows for each of the years in the three-year period ended December 31, 2024, and the related notes (collectively, the consolidated financial statements). In our opinion, the consolidated financial statements present fairly, in all material respects, the financial position of the Company as of December 31, 2024 and December 31, 2023, and the results of its operations and its cash flows for each of the years in the three-year period ended December 31, 2024, in conformity with U.S. generally accepted accounting principles.

We also have audited, in accordance with the standards of the Public Company Accounting Oversight Board (United States) (PCAOB), the Company's internal control over financial reporting as of December 31, 2024, based on criteria established in Internal Control – Integrated Framework (2013) issued by the Committee of Sponsoring Organizations of the Treadway Commission, and our report dated February 13, 2025 expressed an unqualified opinion on the effectiveness of the Company's internal control over financial reporting.

Basis for Opinion

These consolidated financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these consolidated financial statements based on our audits. We are a public accounting firm registered with the PCAOB and are required to be independent with respect to the Company in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audits in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free of material misstatement, whether due to error or fraud. Our audits included performing procedures to assess the risks of material misstatement of the consolidated financial statements, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements. Our audits also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements. We believe that our audits provide a reasonable basis for our opinion.

Critical Audit Matter

The critical audit matter communicated below is a matter arising from the current period audit of the consolidated financial statements that was communicated or required to be communicated to the audit committee and that: (1) relates to accounts or disclosures that are material to the consolidated financial statements and (2) involved our especially challenging, subjective, or complex judgments. The communication of a critical audit matter does not alter in any way our opinion on the consolidated financial statements, taken as a whole, and we are not, by communicating the critical audit matter below, providing a separate opinion on the critical audit matter or on the accounts or disclosures to which it relates.

Evaluation of goodwill and indefinite-lived cable franchise rights for impairment

As discussed in Note 10 to the consolidated financial statements, the Company's goodwill and indefinite-lived cable franchise rights balances as of December 31, 2024, were \$8,041 and \$13,211 million, respectively. The Company assesses recoverability of goodwill at the reporting unit level and indefinite-lived cable franchise rights as a single unit of account annually, or more frequently whenever events or changes in circumstances indicate that the carrying amount more likely than not exceeds its fair value.

We identified the evaluation of the fair value of the Telecommunications reporting unit and of the indefinite-lived cable franchise rights used in the impairment assessments as a critical audit matter. Challenging auditor judgment and involvement of valuation professionals with specialized skills and knowledge were required to evaluate certain assumptions used to estimate the fair value of the Telecommunications reporting unit and the indefinite-lived cable franchise rights, including the revenue growth rates, long-term growth rates, and discount rates. Changes in these assumptions could have had a significant impact on the Company's assessment of the carrying values of goodwill and the indefinite-lived cable franchise rights.

The following are the primary procedures we performed to address this critical audit matter. We evaluated the design and tested the operating effectiveness of certain internal controls related to the Company's annual evaluation of goodwill and indefinite-lived cable franchise rights for impairment. This included controls related to the Company's development of revenue growth rates, long-term growth rates, and discount rates. We performed sensitivity analyses over the revenue growth rates, long-term growth rates, and discount rate assumptions used in the Company's estimates of the fair values of the Telecommunications reporting unit and the indefinite-lived cable franchise rights to assess the impact changes in those assumptions would have had on the Company's determination of carrying value. We evaluated the Company's revenue growth rate assumptions by comparing them to historical revenue growth rates. We compared the Company's historical revenue forecasts to actual results to assess the Company's ability to accurately forecast. We involved valuation professionals with specialized skills and knowledge, who assisted in:

- evaluating the long-term growth rates by independently developing long-term growth rate ranges using publicly available market data and comparing them to the Company's long-term growth rates
- evaluating the discount rates by independently developing discount rate ranges using publicly available market data for comparable entities and comparing them to the Company's discount rate
- developing estimated ranges of fair value using the Company's cash flow projections and the independently developed discount rates ranges and long-term growth rates and compared the results to the Company's fair value estimates.

NOTE 1. DESCRIPTION OF BUSINESS AND RELATED MATTERS

The Company and Related Matters

Altice USA, Inc. ("Altice USA") was incorporated in Delaware on September 14, 2015. Altice USA is majority-owned by Patrick Drahi through Next Alt. S.à.r.l. ("Next Alt"). Patrick Drahi also controls Altice Group Lux S.à.r.l., formerly Altice Europe N.V. ("Altice Europe") and its subsidiaries and other entities. Altice USA is a holding company that does not conduct any business operations of its own. Altice Europe, through a subsidiary, acquired Cequel Corporation ("Cequel") on December 21, 2015 (the "Cequel Acquisition") and Cequel was contributed to Altice USA on June 9, 2016. Altice USA acquired Cablevision Systems Corporation ("Cablevision") on June 21, 2016 (the "Cablevision Acquisition").

Altice USA, through CSC Holdings, LLC (a wholly-owned subsidiary of Cablevision) and its consolidated subsidiaries ("CSC Holdings," and collectively with Altice USA, the "Company", "we", "us" and "our"), principally delivers broadband, video, and telephony services to residential and business customers, as well as proprietary content and advertising services in the United States. We market our residential services under the Optimum brand and provide enterprise services under the Lightpath and Optimum Business brands. In addition, we offer a full service mobile offering to consumers across our footprint. As these businesses are managed on a consolidated basis, we classify our operations in one segment.

The accompanying consolidated financial statements ("consolidated financial statements") of Altice USA include the accounts of Altice USA and its majority-owned subsidiaries and the accompanying consolidated financial statements of CSC Holdings include the accounts of CSC Holdings and its majority-owned subsidiaries. The consolidated balance sheets and statements of operations of Altice USA are essentially identical to the consolidated balance sheets and statements of operations of CSC Holdings, except for the assets and liabilities and results of operations associated with the wholly-owned subsidiary of Altice USA that provides insurance coverage to CSC Holdings ("Captive"), as well as additional cash and deferred tax liabilities at Altice USA. Additionally, CSC Holdings and its subsidiaries have certain intercompany receivables from and payables to Altice USA.

The combined notes to the consolidated financial statements relate to the Company, which, except as noted, are essentially identical for Altice USA and CSC Holdings. All significant intercompany transactions and balances between Altice USA and its respective consolidated subsidiaries are eliminated in Altice USA's consolidated financial statements. NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Summary of Significant Accounting Policies

Revenue Recognition

Residential Services

We derive revenue through monthly charges to residential customers of our broadband, video, and telephony services, including installation services. In addition, we derive revenue from digital video recorder, video-on-demand, pay-per-view, and home shopping commissions which are reflected in "Residential video" revenues. We recognize broadband, video, and telephony revenues as the services are provided to a customer on a monthly basis. Each service is accounted for as a distinct performance obligation. Revenue from the sale of bundled services at a discounted rate is allocated to each product based on the standalone selling price of each performance obligation within the bundled offer. The standalone selling price requires judgment and is typically determined based on the current prices at which the separate services are sold by us. Installation revenue for our residential services is deferred and recognized over the benefit period, which is generally less than one year. The estimated benefit period takes into account both quantitative and qualitative factors including the significance of average installation fees to total recurring revenue per customer.

Also, we offer mobile services providing data, talk and text to consumers in or near our service areas. Customers are billed monthly for access to and usage of our mobile services. We recognize mobile service revenue ratably over the monthly service period as the services are provided to the customers.

We are assessed non-income related taxes by governmental authorities, including franchising authorities (generally under multi-year agreements), and collect such taxes from our customers. In instances where the tax is being assessed directly on us, amounts paid to the governmental authorities are recorded as programming and other direct costs and amounts received from the customers are recorded as revenue. For the years ended December 31, 2024, 2023 and 2022, the amount of franchise fees and certain other taxes and fees included as a component of revenue aggregated \$212,207, \$219,988 and \$232,795, respectively.

Business and Wholesale Revenue

We derive revenue from the sale of products and services to both large enterprise and small and medium-sized business ("SMB") customers, including broadband, telephony, networking, video services and mobile reflected in "Business services and wholesale" revenues. Our business services also include ethernet, data transport, and IP-based virtual private networks. We provide managed services to businesses, including hosted telephony services (cloud based SIP-based private branch exchange), managed WiFi, managed desktop and server backup and managed collaboration services including audio and web conferencing. We also offer fiber-to-the-tower services to wireless carriers for cell tower backhaul, which enables wireline communications service providers to connect to customers that their own networks do not reach. We recognize revenues for these services as the services are provided to a customer on a monthly basis.

Substantially all of our SMB customers are billed monthly and large enterprise customers are billed in accordance with the terms of their contracts which is typically on a monthly basis. Contracts with large enterprise customers typically range from three to five years. In certain instances, upon expiration of a contract and prior to its renewal, we continue to provide services on a month to month basis. Installation revenue related to our large enterprise customers is deferred and recognized over the average contract term. Installation revenue related to SMB customers is deferred and recognized over the benefit period, which is less than one year. The estimated benefit period for SMB customers takes into account both quantitative and qualitative factors including the significance of average installation fees to total recurring revenue per customer.

News and Advertising Revenue

News and advertising revenue is primarily derived from the sale of (i) advertising inventory available on the programming carried on our cable television systems, as well as other systems (linear revenue), (ii) digital advertising, (iii) data analytics, and (iv) affiliation fees for news programming.

As part of the agreements under which we acquire video programming, we typically receive an allocation of scheduled advertising time during such programming into which our cable systems can insert commercials. In several

ALTICE USA, INC. AND SUBSIDIARIES
COMBINED NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (continued)
(Dollars in thousands, except share and per share amounts)

of the markets in which we operate, we have entered into agreements commonly referred to as interconnects with other cable operators to jointly sell local advertising. In some of these markets, we represent the advertising sales efforts of other cable operators; in other markets, other cable operators represent us.

We also offer customers the opportunity to advertise on digital platforms. Advertising revenues are recognized when the advertising is distributed. For arrangements in which we control the sale of advertising and act as the principal to the transaction, we recognize revenue earned from the advertising customer on a gross basis and the amount remitted to the distributor as an operating expense. For arrangements in which we do not control the sale of advertising and act as an agent to the transaction, we recognize revenue net of any fee remitted to the distributor.

Revenue earned from the data-driven, audience-based advertising solutions using advanced analytics tools is recognized when services are provided.

Affiliation fee revenue derived by our news business is recognized as the programming services are provided.

Other Revenue

Other revenue includes revenue derived from the sale of mobile devices which is recognized upon delivery and acceptance of the equipment by the customer. Under our mobile device payment plan, the customer is sold the device in exchange for a non-interest-bearing installment note, which is repaid by the customer, typically over a 36-month term, and concurrently enters into a month-to-month contract for mobile service. We may offer certain promotions regarding mobile devices that provide billing credits applied over a specified term, contingent upon the customer maintaining service. These credits are included in the transaction price, which are allocated to the performance obligations based on their relative selling price and are recognized when earned.

Revenues derived from other sources are recognized when services are provided or events occur.

Customer Contract Costs

Incremental costs incurred in obtaining a contract with a customer are deferred and recorded as an asset if the period of benefit is expected to be greater than one year. Sales commissions for enterprise customers are deferred and amortized over the average contract term. As the amortization period for sales commission expenses related to residential and SMB customers is less than one year, we utilize the practical expedient and are recognizing the costs when incurred. The costs of fulfilling a contract with a customer are deferred and recorded as an asset if they generate or enhance resources for us that will be used in satisfying future performance obligations and are expected to be recovered. Installation costs related to residential and SMB customers that are not capitalized as part of the initial deployment of new customer premise equipment are expensed as incurred pursuant to industry-specific guidance.

Deferred enterprise sales commission costs are included in other current and noncurrent assets in the consolidated balance sheet and totaled \$9,743 and \$18,109 as of December 31, 2024 and 2023, respectively.

A significant portion of our revenue is derived from residential and SMB customer contracts which are month-to-month. As such, the amount of revenue related to unsatisfied performance obligations is not necessarily indicative of the future revenue to be recognized from our existing customer base. Contracts with enterprise customers generally range from three years to five years, and services may only be terminated in accordance with the contractual terms.

Multiple-Element Transactions

In the normal course of business, we may enter into multiple-element transactions where we are simultaneously both a customer and a vendor with the same counterparty or in which we purchase multiple products and/or services, or settle outstanding items contemporaneously with the purchase of a product or service, from a single counterparty. Our policy for accounting for each transaction negotiated contemporaneously is to record each deliverable of the transaction based on our best estimate of selling price in a manner consistent with that used to determine the price to sell each deliverable on a standalone basis. In determining the value of the respective deliverable, we utilize historical transactions, quoted market prices (as available), or comparable transactions.

Programming and Other Direct Costs

Costs of revenue related to delivery of services and goods are classified as "programming and other direct costs" in the accompanying consolidated statements of operations.

Programming Costs

Programming expenses related to our video service represent fees paid to programming distributors to license the programming distributed to video customers. This programming is acquired generally under multi-year distribution agreements, with rates usually based on the number of customers that receive the programming. If there are periods when an existing distribution agreement has expired and the parties have not finalized negotiations of either a renewal of that agreement or a new agreement for certain periods of time, we often continue to carry and pay for these services until execution of definitive replacement agreements or renewals. The amount of programming expense recorded during the interim period is based on our estimate of the ultimate contractual agreement expected to be reached, which is based on several factors, including previous contractual rates, customary rate increases and the current status of negotiations. Such estimates are adjusted as negotiations progress until new programming terms are finalized.

In addition, we receive, or may receive, incentives from programming distributors for carriage of the distributors' programming. We generally recognize these incentives as a reduction of programming costs and are recorded in "programming and other direct costs", generally over the term of the distribution agreement.

Advertising Expenses

Advertising costs are charged to expense when incurred and are reflected in "other operating expenses" in the accompanying consolidated statements of operations. Advertising costs amounted to \$263,529, \$253,777 and \$299,590 for the years ended December 31, 2024, 2023 and 2022, respectively.

Share-Based Compensation

Share-based compensation expense which primarily relates to awards of stock options, restricted shares, and performance stock units, is based on the fair value of share-based payment awards at the date of grant. We recognize share-based compensation expense over the requisite service period or when it is probable any related performance

ALTICE USA, INC. AND SUBSIDIARIES

(Dollars in thousands, except share and per share amounts)

condition will be met. For awards with graded vesting, compensation cost is recognized on an accelerated method under the graded vesting method over the requisite service period. Share-based compensation expense related to awards that vest entirely at the end of the vesting period are expensed on a straight-line basis. We account for forfeitures as they occur.

See Note 15 to the consolidated financial statements for additional information about our share-based compensation.

Income Taxes

Our provision for income taxes is based on current period income, changes in deferred tax assets and liabilities and changes in estimates with regard to uncertain tax positions. Deferred tax assets are subject to an ongoing assessment of realizability.

Cash and Cash Equivalents

Our cash investments are placed with money market funds and financial institutions that are investment grade as rated by S&P Global Ratings and Moody's Investors Service. We select money market funds that predominantly invest in marketable, direct obligations issued or guaranteed by the United States government or its agencies, commercial paper, fully collateralized repurchase agreements, certificates of deposit, and time deposits.

We consider the balance of our investment in funds that substantially hold securities that mature within three months or less from the date the fund purchases these securities to be cash equivalents. The carrying amount of cash and cash equivalents either approximates fair value due to the short-term maturity of these instruments or are at fair value.

Accounts Receivable

Accounts receivable are recorded at net realizable value. The measurement of expected credit losses is based on relevant information about past events, including historical experience, current conditions and reasonable and supportable forecasts that affect the collectability of the reported amounts.

Investment Securities

Investment securities are carried at fair value with realized and unrealized holding gains and losses included in the consolidated statements of operations.

Long-Lived Assets and Amortizable Intangible Assets

Property, plant and equipment, including construction materials, are carried at cost, and include all direct costs and certain indirect costs associated with the construction of cable systems, and the costs of new equipment installations. Equipment under finance leases is recorded at the present value of the total minimum lease payments. Depreciation on equipment is calculated on the straight-line basis over the estimated useful lives of the assets or, with respect to equipment under finance lease obligations and leasehold improvements, amortized over the lease term or the assets' useful lives and reported in depreciation and amortization in the consolidated statements of operations.

We capitalize certain internal and external costs incurred to acquire or develop internal-use software. Capitalized software costs are amortized over the estimated useful life of the software and reported in depreciation and amortization.

Customer relationships, trade names and other intangibles established in connection with acquisitions that are finite-lived are amortized in a manner that reflects the pattern in which the projected net cash inflows are expected to occur, such as the sum of the years' digits method, or when such pattern does not exist, using the straight-line method over their respective estimated useful lives.

We review our long-lived assets (property, plant and equipment, and intangible assets subject to amortization) for impairment whenever events or circumstances indicate that the carrying amount of an asset may not be recoverable. If the sum of the expected cash flows, undiscounted and without interest, is less than the carrying amount of the asset, an impairment loss is recognized as the amount by which the carrying amount of the asset exceeds its fair value.

Goodwill and Indefinite-Lived Intangible Assets

Goodwill and the value of indefinite-lived cable franchise rights acquired in business combinations are not amortized. Rather, such assets are tested for impairment annually or whenever events or changes in circumstances indicate that it is more likely than not that the assets may be impaired.

ALTICE USA, INC. AND SUBSIDIARIES
COMBINED NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (continued)
(Dollars in thousands, except share and per share amounts)

The assessment of recoverability may first consider qualitative factors to determine whether the existence of events or circumstances leads to a determination that it is more likely than not that the fair value of a reporting unit or the indefinite-lived cable franchise right is less than its carrying amount. These qualitative factors include macroeconomic conditions such as changes in interest rates, industry and market considerations, recent and projected financial performance of the reporting units, as well as other factors. A quantitative test is performed if we conclude that it is more likely than not that the fair value of a reporting unit or an indefinite-lived cable franchise right is less than its carrying amount or if a qualitative assessment is not performed. In 2024, we performed quantitative assessments for our goodwill and our indefinite-lived cable franchise rights recoverability tests. In 2023, we performed a quantitative assessment for our goodwill recoverability test and a qualitative assessment for our indefinite-lived cable franchise rights recoverability test. See Note 10 for a discussion of the results of our annual impairment tests.

Goodwill

Goodwill resulted from business combinations and represents the excess amount of the consideration paid over the identifiable assets and liabilities recorded in the acquisition. We test goodwill for impairment at the reporting unit level: (i) Telecommunications and (ii) News and Advertising.

The quantitative test for goodwill identifies potential impairment by comparing the fair value of the reporting unit with its carrying amount. If the carrying amount of the reporting unit exceeds its fair value, an impairment loss is recognized in an amount equal to that excess.

We estimate the fair value of our reporting units by considering both (i) a discounted cash flow method, which is based on the present value of projected cash flows over a discrete projection period and a terminal value, which is based on the expected normalized cash flows of the reporting units following the discrete projection period, and (ii) a market approach, which includes the use of multiples of publicly-traded companies whose services are comparable to ours. Significant judgments in estimating the fair value of our reporting units include cash flow projections and the selection of the discount rate.

The estimates and assumptions utilized in estimating the fair value of our reporting units could have a significant impact on whether an impairment charge is recognized and also the magnitude of any such charge. Fair value estimates are made at a specific point in time, based on relevant information. These estimates are subjective in nature and involve uncertainties and matters of significant judgments. Changes in assumptions could significantly affect the estimates.

Indefinite-lived Cable Franchise Rights

Our indefinite-lived cable franchise rights reflect the value of agreements we have with state and local governments that allow us to construct and operate a cable business within a specified geographic area and allow us to solicit and service potential customers in the service areas defined by the franchise rights currently held by us. We have concluded that our cable franchise rights have an indefinite useful life since there are no legal, regulatory, contractual, competitive, economic or other factors that limit the period over which these rights will contribute to our cash flows. For impairment testing purposes, we have concluded that our cable franchise rights are a single unit of account.

When the qualitative assessment is not used, or if the qualitative assessment is not conclusive, the impairment test for our indefinite-lived cable franchise rights requires a comparison of the estimated fair value of the cable franchise rights with its carrying value. If the carrying value of the indefinite-lived cable franchise rights exceed its fair value, an impairment loss is recognized in an amount equal to that excess. Estimates and assumptions utilized in estimating the fair value of our indefinite-lived cable franchise rights could have a significant impact on whether an impairment charge is recognized and also the magnitude of any such charge. Fair value estimates are made at a specific point in time, based on relevant information. These estimates are subjective in nature and involve uncertainties and matters of significant judgments. Changes in assumptions could significantly affect the estimates.

Deferred Financing Costs

Deferred financing costs, which are presented as a reduction of debt, are amortized to interest expense using the effective interest method over the terms of the related debt.

Derivative Financial Instruments

We account for derivative financial instruments as either assets or liabilities measured at fair value. We currently use derivative instruments to manage our exposure to market risks from interest rates. Through January 2023 we used derivative instruments to manage our exposure against equity price risk on shares of Comcast Corporation ("Comcast") common stock we previously owned. We do not hold or issue derivative instruments for speculative or trading purposes. Our derivative instruments are not designated as hedges, and changes in the fair values of these derivatives are recognized in the consolidated statements of operations as gain (loss) on derivative contracts or gain (loss) on interest rate swap contracts.

Commitments and Contingencies

Liabilities for loss contingencies arising from claims, assessments, litigation, fines and penalties and other sources are recorded when we believe it is probable that a liability has been incurred and the amount of the contingency can be reasonably estimated.

Foreign Currency

Certain of our subsidiaries (including our international news channel and our customer care center) are located outside the United States. The functional currency for these subsidiaries is determined based on the primary economic environment in which the subsidiary operates. Revenues and expenses for these subsidiaries are translated into U.S. dollars using rates that approximate those in effect during the period and the assets and liabilities are translated into U.S. dollars using exchange rates in effect at the end of each period. The resulting gains and losses from these translations are recognized in cumulative translation adjustment included in accumulated other comprehensive income (loss) in stockholders'/member's equity (deficiency) on the consolidated balance sheets.

Dividends and Distributions

Altice USA

Altice USA may pay dividends on its capital stock only from net profits and surplus as determined under Delaware law. If dividends are paid on the Altice USA common stock, holders of the Altice USA Class A common stock and Altice USA Class B common stock are entitled to receive dividends, and other distributions in cash, stock or property, equally on a per share basis, except that stock dividends with respect to Altice USA Class A common stock may be paid only with shares of Altice USA Class A common stock and stock dividends with respect to Altice USA Class B common stock may be paid only with shares of Altice USA Class B common stock.

Our indentures restrict the amount of dividends and distributions in respect of any equity interest that can be made.

During 2024, 2023 and 2022, there were no dividends paid to shareholders by Altice USA.

CSC Holdings

CSC Holdings may make distributions on its membership interests only if sufficient funds exist as determined under Delaware law. See Note 16 for a discussion of equity distributions that CSC Holdings made to its parent.

Concentrations of Credit Risk

Financial instruments that may potentially subject us to a concentration of credit risk consist primarily of cash and cash equivalents and trade account receivables. We monitor the financial institutions and money market funds where it invests its cash and cash equivalents with diversification among counterparties to mitigate exposure to any single financial institution. Our emphasis is primarily on safety of principal and liquidity and secondarily on maximizing the yield on its investments. Management believes that no significant concentration of credit risk exists with respect to its cash and cash equivalents because of its assessment of the creditworthiness and financial viability of the respective financial institutions.

We did not have a single customer that represented 10% or more of our consolidated revenues for the years ended December 31, 2024, 2023 and 2022 or 10% or more of our consolidated net trade receivables at December 31, 2024, and 2023, respectively.

Use of Estimates in Preparation of Financial Statements

The preparation of financial statements in conformity with U.S. generally accepted accounting principles ("GAAP") requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates. See Note 13 for a discussion of fair value estimates.

Reclassifications

Certain reclassifications have been made to the 2023 and 2022 amounts to conform to the 2024 presentation.

NOTE 3. ACCOUNTING STANDARDS

Accounting Standards Adopted in 2024

ASU No. 2023-07 Segment Reporting—Improvements to Reportable Segment Disclosures

In November 2023, the FASB issued ASU No. 2023-07, *Segment Reporting—Improvements to Reportable Segment Disclosures*, to improve financial reporting by requiring disclosure of incremental segment information on an annual and interim basis for all public entities. ASU No. 2023-07 is meant to enhance interim disclosure requirements, clarify circumstances in which an entity can disclose multiple segment measures of profit or loss, and provide new

ALTICE USA, INC. AND SUBSIDIARIES
COMBINED NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (continued)
(Dollars in thousands, except share and per share amounts)

segment disclosure requirements for entities with a single reportable segment. We adopted ASU 2023-07 for the year ended December 31, 2024. See Note 18 for further information.

Accounting Standards Adopted in 2023

ASU No. 2022-04, Liabilities—Supplier Finance Programs (Subtopic 405-50): Disclosure of Supplier Finance Program Obligations

In September 2022, the FASB issued ASU 2022-04, Liabilities—Supplier Finance Programs (Subtopic 405-50): Disclosure of Supplier Finance Program Obligations, to enhance transparency about an entity's use of supplier finance programs. ASU 2022-04 requires the buyer in a supplier finance program to disclose (a) information about the key terms of the program, (b) the amount outstanding that remains unpaid by the buyer as of the end of the period, (c) a rollforward of such amounts during each annual period, and (d) a description of where in the financial statements outstanding amounts are being presented. We adopted ASU 2022-04 on January 1, 2023. See Note 11 for further information.

Recently Issued But Not Yet Adopted Accounting Pronouncements

ASU No. 2024-03 Income Statement—Reporting Comprehensive Income—Expense Disaggregation Disclosures

In November 2024, the FASB issued ASU No. 2024-03 *Income Statement—Reporting Comprehensive Income—Expense Disaggregation Disclosures*, which requires disaggregated disclosures of certain categories of expenses on an annual and interim basis. ASU 2024-03 becomes effective for annual reporting periods beginning after December 15, 2026 (January 1, 2027 for us), and interim reporting periods beginning after December 15, 2027 (January 1, 2028 for us). We are currently evaluating the impact of adopting ASU 2024-03 on our consolidated financial statements and related disclosures, but we expect the adoption will result in additional disaggregation of expense captions within our footnote disclosures.

ASU No. 2023-09 Income Taxes—Improvements to Income Tax Disclosures

In December 2023, the FASB issued ASU No. 2023-09, *Income Taxes—Improvements to Income Tax Disclosures*, which require greater disaggregation of income tax disclosures related to the income tax rate reconciliation and income taxes paid. ASU No. 2023-09 is effective for us for the year ending December 31, 2025, although early adoption is permitted. We are currently evaluating the impact of adopting ASU No. 2023-09, but we expect additional disclosure disaggregation in our income tax footnote.

NOTE 4. NET INCOME (LOSS) PER SHARE

Basic net income per common share attributable to Altice USA stockholders is computed by dividing net income attributable to Altice USA stockholders by the weighted average number of common shares outstanding during the period. Diluted income per common share attributable to Altice USA stockholders reflects the dilutive effects of stock options, restricted stock, restricted stock units, and deferred cash-denominated awards. For awards that are performance based, the dilutive effect is reflected upon the achievement of the performance criteria. Diluted net loss per common share attributable to Altice USA stockholders excludes the effects of common stock equivalents as they are anti-dilutive.

The following table presents a reconciliation of weighted average shares used in the calculations of the basic and diluted net income per share attributable to Altice USA stockholders:

Offsetting these credits was an expense, net of insurance recoveries, in connection with the settlement of other significant litigation.

NOTE 8. PROPERTY, PLANT AND EQUIPMENT

Costs incurred in the construction of our cable systems, including line extensions to, and upgrade of, our hybrid fiber/coaxial infrastructure and construction of the parallel fiber-to-the-home ("FTTH") infrastructure, are capitalized. This includes headend facilities and initial placement of the feeder cable to connect a customer that had not been previously connected. These costs consist of materials, subcontractor labor, direct consulting fees, and internal labor and related costs associated with the construction activities (including interest related to FTTH construction). Internal costs that are capitalized consist of salaries and benefits of our employees and a portion of facility costs that supports the construction activities. Such costs are depreciated over the estimated life of our infrastructure and our headend facilities and related equipment (5 to 25 years). Costs of operating the plant and the technical facilities, including repairs and maintenance, are expensed as incurred.

Costs associated with the initial deployment of new customer premise equipment ("CPE") necessary to provide services are also capitalized. These costs include materials, subcontractor labor, internal labor, and other related costs associated with the connection activities. Departmental activities supporting the connection process are capitalized based on time-weighted activity allocations of costs. These installation costs are amortized over the estimated useful lives of the CPE. The portion of departmental costs related to disconnecting services and removing CPE from a customer, costs related to connecting CPE that has been previously connected to the network, and repairs and maintenance are expensed as incurred.

The estimated useful lives assigned to our property, plant and equipment are reviewed on an annual basis or more frequently if circumstances warrant and such lives are revised to the extent necessary due to changing facts and circumstances. Any changes in estimated useful lives are reflected prospectively.

Property, plant and equipment (including equipment under finance leases) consist of the following assets, which are depreciated or amortized on a straight-line basis over the estimated useful lives shown below:

	December 31,		Estimated Useful Lives
	2024	2023	
Customer premise equipment	\$ 2,404,889	\$ 2,242,175	3 to 5 years

For the years ended December 31, 2024, 2023 and 2022, we capitalized certain costs aggregating \$55,942, \$147,267 and \$138,845, respectively, related to the acquisition and development of internal use software, which are included in the table above.

Depreciation expense on property, plant and equipment (including finance leases) for the years ended December 31, 2024, 2023 and 2022 amounted to \$,326,388, \$1,252,919 and \$1,218,365, respectively, including losses related to the disposal of plant and equipment and accelerated depreciation.

NOTE 9. LEASES

Our operating leases are comprised primarily of facility leases and our finance leases are comprised primarily of vehicle and equipment leases. We determine if an arrangement is a lease at inception and lease assets and liabilities are recognized upon commencement of the lease based on the present value of the future minimum lease payments

over the lease term. Lease assets and liabilities are not recorded for leases with an initial term of one year or less. We generally use our incremental borrowing rate as the discount rate for leases, unless an interest rate is implicitly stated in the lease agreement. The lease term will include options to extend the lease when it is reasonably certain that we will exercise that option.

Goodwill and the value of indefinite-lived cable franchise rights acquired in business combinations are not amortized. Rather, such assets are tested for impairment annually as of October 1, or whenever events or changes in circumstances indicate that it is more likely than not that the assets may be impaired. See Note 2 for additional information. The carrying amount of indefinite-lived cable franchise rights and goodwill is presented below:

Impairment Tests

We assess the recoverability of our goodwill annually as of October 1 ("annual impairment test date"). Based on the quantitative impairment test for our reporting units performed in 2023, the estimated fair value of our Telecommunications reporting unit exceeded its carrying value and no impairment was recorded. However, the carrying value of our News and Advertising reporting unit exceeded its fair value resulting in an impairment charge of \$163,055, representing the full carrying amount of the goodwill at the annual impairment test date. Approximately \$130,040 of the goodwill was recorded in connection with the acquisition of Cheddar Inc. in 2019. The decrease in the fair value of the News and Advertising reporting unit was primarily due to a decrease in projected cash flows due to the overall decline in the advertising market and an increase in the discount rate used in the discounted cash flow method. No goodwill impairment charges were recognized in 2024.

In our 2024 impairment test for our indefinite-lived cable franchise rights, the fair value (estimated using the multi-period excess earnings model) exceeded their carrying value, with no impairment recorded. Although no impairment was recognized, our fair value estimation relies on certain assumptions like revenue growth rates, long-term growth rates, and discount rates, which are subjective and involve significant judgment. Changes in these assumptions could impact the estimates. For example, if our financial performance deteriorates, or if interest rates increase, it is reasonably possible that a future impairment of our franchise assets could be material. A hypothetical 10% reduction in the fair value of our franchise rights would result in an impairment charge of approximately \$1,200,000.

For financing purposes, we have two debt silos: CSC Holdings and Lightpath. The CSC Holdings silo is structured as a restricted group (the "CSC Holdings Restricted Group") and an unrestricted group, which includes certain designated subsidiaries and investments. The CSC Holdings Restricted Group is comprised of CSC Holdings and substantially all of its wholly-owned operating subsidiaries excluding Cablevision Lightpath which became an unrestricted subsidiary in September 2020. These CSC Holdings Restricted Group subsidiaries are subject to the covenants and restrictions of the credit facility and indentures governing the notes issued by CSC Holdings. The Lightpath silo includes all of its operating subsidiaries which are subject to the covenants and restrictions of the credit facility and indentures governing the notes issued by Lightpath. See discussion below regarding the Lightpath debt financing.

CSC Holdings Credit Facilities

In October 2015, a wholly-owned subsidiary of Altice USA, which merged with and into CSC Holdings on June 21, 2016, entered into a senior secured credit facility, which, as amended, currently provides for U.S. dollar term loans (the "CSC Term Loans") and U.S. dollar revolving loan commitments (the "CSC Revolving Credit Facility" and, together with the CSC Term Loans, the "CSC Credit Facilities"), which are governed by a credit facilities agreement entered into by, inter alios, CSC Holdings, certain lenders party thereto and JPMorgan Chase Bank, N.A. as administrative agent and security agent (as amended, restated, supplemented or otherwise modified from time to time, the "CSC Credit Facilities Agreement"). Amounts outstanding under the CSC Holdings Credit Facilities bear interest, at our election, at Term SOFR, Synthetic USD LIBOR, or at an alternate base rate, as defined therein, plus an applicable margin.

During the year ended December 31, 2024, CSC Holdings borrowed \$2,025,000 under its revolving credit facility and repaid \$1,150,000 of amounts outstanding under the revolving credit facility.

The CSC Credit Facilities Agreement requires the prepayment of outstanding CSC Term Loans, subject to certain exceptions and deductions, with (i) 100% of the net cash proceeds of certain asset sales, subject to reinvestment rights and certain other exceptions; and (ii) on a pari ratable share (based on the outstanding principal amount of the CSC Term Loans divided by the sum of the outstanding principal amount of all pari passu indebtedness and the CSC Term Loans) of 50% of annual excess cash flow, which will be reduced to 0% if the consolidated net senior secured leverage ratio of CSC Holdings is less than or equal to 4.5 to 1.

ALTICE USA, INC. AND SUBSIDIARIES
COMBINED NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (continued)
(Dollars in thousands, except share and per share amounts)

The obligations under the CSC Credit Facilities are guaranteed on a senior basis by each restricted subsidiary of CSC Holdings (other than CSC TKR, LLC and its subsidiaries, Lightpath, and certain excluded subsidiaries) and, subject to certain limitations, will be guaranteed by each future material wholly-owned restricted subsidiary of CSC Holdings. The obligations under the CSC Credit Facilities (including any guarantees thereof) are secured on a first priority basis, subject to any liens permitted by the CSC Credit Facilities, by capital stock held by CSC Holdings or any guarantor in certain subsidiaries of CSC Holdings, subject to certain exclusions and limitations.

The CSC Credit Facilities Agreement includes certain negative covenants which, among other things and subject to certain significant exceptions and qualifications, limit CSC Holdings' ability and the ability of its restricted subsidiaries to: (i) incur or guarantee additional indebtedness, (ii) make investments, (iii) create liens, (iv) sell assets and subsidiary stock, (v) pay dividends or make other distributions or repurchase or redeem our capital stock or subordinated debt, (vi) engage in certain transactions with affiliates, (vii) enter into agreements that restrict the payment of dividends by subsidiaries or the repayment of intercompany loans and advances; and (viii) engage in mergers or consolidations. In addition, the CSC Revolving Credit Facility includes a financial maintenance covenant solely for the benefit of the lenders under the CSC Revolving Credit Facility consisting of a maximum consolidated net senior secured leverage ratio of CSC Holdings and its restricted subsidiaries of 5.0 to 1.0. The financial covenant is tested on the last day of any fiscal quarter, but only if on such day there are outstanding borrowings, as defined, under the CSC Revolving Credit Facility.

The CSC Credit Facilities Agreement also contains certain customary representations and warranties, affirmative covenants and events of default (including, among others, an event of default upon a change of control). If an event of default occurs, the lenders under the CSC Credit Facilities will be entitled to take various actions, including the acceleration of amounts due under the CSC Credit Facilities and all actions permitted to be taken by a secured creditor.

CSC Holdings Senior Guaranteed Notes and Senior Notes

In January 2024, CSC Holdings issued \$2,050,000 in aggregate principal amount of senior guaranteed notes due 2029. These notes bear interest at a rate of 1.750% and will mature on January 31, 2029. The proceeds from the sale of these notes were used to (i) repay the outstanding principal balance of the Term Loan B, (ii) repay the outstanding principal balance of the Incremental Term Loan B-3, and (iii) pay the fees, costs and expenses associated with these transactions. In connection with these transactions, we recorded a write-off of the outstanding deferred financing costs on these loans of \$2,598.

In February 2024, we redeemed the CSC Holdings 5.250% Senior Notes and 5.250% Series B Senior Notes due June 2024 with proceeds under the CSC Holdings Revolving Credit Facility. In connection with these transactions, we recorded a write-off of the outstanding deferred financing costs on these notes of \$4,437.

In April 2023, CSC Holdings issued \$1,000,000 in aggregate principal amount of senior guaranteed notes that bear interest at a rate of 1.250% and mature on May 15, 2028. We used the proceeds to repay outstanding borrowings drawn under the Revolving Credit Facility.

The indentures under which the Senior Guaranteed Notes and Senior Notes were issued contain certain customary covenants and agreements, including limitations on the ability of CSC Holdings and its restricted subsidiaries to (i) incur or guarantee additional indebtedness, (ii) make investments or other restricted payments, (iii) create liens, (iv) sell assets and subsidiary stock, (v) pay dividends or make other distributions or repurchase or redeem our capital stock or subordinated debt, (vi) engage in certain transactions with affiliates, (vii) enter into agreements that restrict the payment of dividends by subsidiaries or the repayment of intercompany loans and advances, and (viii) engage in mergers or consolidations, in each case subject to certain exceptions. The indentures also contain certain customary events of default. If an event of default occurs, the obligations under the notes may be accelerated.

Subject to customary conditions, we may redeem some or all of the notes at the redemption price set forth in the relevant indenture, plus accrued and unpaid interest, plus a specified "make-whole" premium (in the event the notes are redeemed prior to a certain specified time set forth in the indentures).

Lightpath Credit Facility

On September 29, 2020, Lightpath entered into a credit agreement between, inter alios, certain lenders party thereto and Goldman Sachs Bank USA, as administrative agent, and Deutsche Bank Trust Company Americas, as collateral agent, (the "Lightpath Credit Agreement") which initially provided for, among other things, (i) a term loan in an

aggregate principal amount of \$600,000 (the "Lightpath Term Loan Facility") at a price of 99.50% of the aggregate principal amount, which was drawn on November 30, 2020, and (ii) revolving loan commitments in an aggregate principal amount of \$100,000 (the "Lightpath Revolving Credit Facility").

During the year ended December 31, 2024, Lightpath borrowed and repaid \$40,000 under its revolving credit facility. As of December 31, 2024 and 2023, there were no borrowings outstanding under the Lightpath Revolving Credit Facility.

In June 2023, Lightpath entered into an amendment (the "First Amendment") under its existing credit agreement to replace LIBOR-based benchmark rates with SOFR-based benchmark rates. The First Amendment provides for interest on borrowings under its term loan and revolving credit facility to be calculated for any (i) SOFR loan, at a rate per annum equal to the Term SOFR (plus spread adjustments of 0.11448%, 0.26161% and 0.42826% for interest periods of one, three and six months, respectively) or (ii) the alternate base rate loan, at the alternative base rate as applicable, plus the applicable margin in each case, where the applicable margin is 2.25% per annum with respect to any alternate base rate loan and 3.25% per annum with respect to any SOFR loan.

In February 2024, Lightpath entered into an extension amendment (the "Extension Amendment") to its amended credit agreement that provides for, among other things, (a) an extension of the scheduled maturity date with respect to the 2027 Revolving Credit Commitments (as defined in the Extension Amendment) under the credit agreement to the date (the "New Maturity Date") that is the later of (x) November 30, 2025 and (y) the earlier of (i) June 15, 2027 and (ii) the date that is five business days after any Extension Breach Date (as defined in the Amended Credit Agreement) and (b) incremental revolving credit commitments in an aggregate principal amount of \$15,000 which shall be of the same class and type as the 2027 Revolving Credit Commitments and will, for the avoidance of doubt, mature on the New Maturity Date. After giving effect to the Extension Amendment, the aggregate principal amount of revolving loan commitments available under the Lightpath Credit Agreement, as amended, equaled \$115,000.

After giving effect to the Extension Amendment, the aggregate principal amount of 2027 Revolving Credit Commitments equaled \$95,000 and the aggregate principal amount of 2025 Revolving Credit Commitments (as defined in the Extension Amendment) equaled \$20,000. Interest will be calculated at a rate per annum equal to the adjusted Term SOFR rate or the alternate base rate, as applicable, plus the applicable margin, where the applicable margin is (i) with respect to any alternate base rate loan, 2.25% per annum and (ii) with respect to any Term SOFR loan, 3.25% per annum.

In November 2024, Lightpath entered into an incremental amendment (the "Incremental Amendment") to its amended credit agreement to incur an additional \$100,000 of term loan under the Lightpath Term Loan Facility (the "Incremental Term Loans"), at a net price of 99.27%, which increased the aggregate principal amount of term loan outstanding under the Lightpath Term Loan Facility to \$676,000 as of December 31, 2024. A portion of the net proceeds from the Incremental Term Loans were used to fund an acquisition of a fiber network and the balance was used for general corporate purposes. We are required to make scheduled quarterly payments of \$1,760 pursuant to the Lightpath Term Loan Facility.

Debt issued by Lightpath is subject to certain restrictive covenants. Lightpath is subject to incurrence based covenants, which do not require ongoing compliance with financial ratios, but place certain limitations on the Lightpath's ability to, among other things, incur or guarantee additional debt (including to finance new acquisitions), create liens, pay dividends and other distributions or prepay subordinated indebtedness, make investments, sell assets, engage in affiliate transactions or engage in mergers or consolidations. Additionally, if borrowings under the Lightpath Revolving Credit Facility exceed a certain threshold, Lightpath and its subsidiaries are also subject to a springing financial maintenance covenant in the Lightpath Credit Agreement requiring ongoing compliance with a net senior secured leverage ratio of no greater than 7.30:1. These covenants are subject to several important exceptions and qualifications.

To be able to incur additional debt under an applicable debt instrument, Lightpath must either meet the ratio test described below (on a pro forma basis for any contemplated transaction giving rise to the debt incurrence) or have available capacity under the general debt basket or meet certain other exceptions to the limitation on indebtedness covenant in such debt instrument. Senior debt of Lightpath will be subject to an incurrence test of 6.75:1 (Consolidated Net Leverage to L2QA Pro Forma EBITDA (each as defined in the relevant debt instruments)) and senior secured debt of Lightpath will be subject to an incurrence test of 4.75:1 (Consolidated Net Senior Secured Leverage (as defined in the relevant debt instrument) to L2QA Pro Forma EBITDA).

NOTE 12. DERIVATIVE CONTRACTS AND COLLATERALIZED INDEBTEDNESS

Prepaid Forward Contracts

Historically, we had entered into various transactions to limit the exposure against equity price risk on shares of Comcast Corporation ("Comcast") common stock we previously owned. We monetized all of our stock holdings in Comcast through the execution of prepaid forward contracts, collateralized by an equivalent amount of the respective underlying stock.

In January 2023, we settled our outstanding collateralized indebtedness by delivering the Comcast shares we held and the related equity derivative contracts which resulted in us receiving net cash of approximately \$50,500 (including dividends of \$11,598) and recorded a gain on the extinguishment of debt of \$4,393.

As of December 31, 2024 and 2023, we did not hold and have not issued equity derivative instruments for trading or speculative purposes.

Interest Rate Swap Contracts

To manage interest rate risk, we have from time to time entered into interest rate swap contracts to adjust the proportion of total debt that is subject to variable and fixed interest rates. Such contracts effectively fix the borrowing rates on floating rate debt to provide an economic hedge against the risk of rising rates and/or effectively convert fixed rate borrowings to variable rates to permit us to realize lower interest expense in a declining interest rate environment. We monitor the financial institutions that are counterparties to our interest rate swap contracts and we only enter into interest rate swap contracts with financial institutions that are rated investment grade. All such contracts are not designated as hedges for accounting purposes and are carried at their fair market values on our consolidated balance sheets, with changes in fair value reflected in the consolidated statements of operations.

In September 2024, we terminated all our CSC Holdings interest rate swap agreements with an aggregate notional value of \$3,000,000. These contracts were due to mature in January 2025 and December 2026. In connection with these early terminations, we received cash of \$43,182 presented in operating activities in our consolidated statements of cash flows and incurred a loss of \$52,943 which is included in the net gain on interest rate swap contracts reflected in our consolidated statements of operations.

In November 2024, Lightpath entered into an interest rate swap contract on a notional amount of \$5,000, whereby Lightpath pays interest of 3.979% and it receives interest based on one-month SOFR through December 2026.

The following represents the location of the assets associated with our derivative instruments within the consolidated balance sheets:

NOTE 13. FAIR VALUE MEASUREMENT

The fair value hierarchy is based on inputs to valuation techniques that are used to measure fair value that are either observable or unobservable. Observable inputs reflect assumptions market participants would use in pricing an asset or liability based on market data obtained from independent sources while unobservable inputs reflect a reporting entity's pricing based upon their own market assumptions. The fair value hierarchy consists of the following three levels:

- Level I - Quoted prices for identical instruments in active markets.
- Level II - Quoted prices for similar instruments in active markets; quoted prices for identical or similar instruments in markets that are not active; and model-derived valuations whose inputs are observable or whose significant value drivers are observable.
- Level III - Instruments whose significant value drivers are unobservable.

The following table presents our financial assets and financial liabilities that are measured at fair value on a recurring basis and their classification under the fair value hierarchy:

	Fair Value Hierarchy	December 31,	
		2024	2023
Assets:			
Money market funds (a)	Level I	\$ 158,648	\$ 49,541
Interest rate swap contracts	Level II	8,466	112,914
Liabilities:			
Contingent consideration related to acquisitions	Level III	6,974	2,037

(a) Money market funds at CSC Holdings amounted to \$151,205 and \$49,541 as of December 31, 2024 and 2023, respectively.

Our money market funds which are classified as cash equivalents are classified within Level I of the fair value hierarchy because they are valued using quoted market prices.

The interest rate swap contracts on our consolidated balance sheets are valued using market-based inputs to valuation models. These valuation models require a variety of inputs, including contractual terms, market prices, yield curves, and measures of volatility. When appropriate, valuations are adjusted for various factors such as liquidity, bid/offer spreads and credit risk considerations. Such adjustments are generally based on available market evidence. Since model inputs can generally be verified and do not involve significant management judgment, we have concluded that these instruments should be classified within Level II of the fair value hierarchy.

The fair value of the contingent consideration as of December 31, 2024 and 2023 related to certain acquisitions was determined using a probability assessment of the contingent payment for the respective periods.

Fair Value of Financial Instruments

The following methods and assumptions were used to estimate fair value of each class of financial instruments for which it is practicable to estimate:

Credit Facility Debt, Senior Notes, Senior Guaranteed Notes, Senior Secured Notes, Notes Payable, and Supply Chain Financing

The fair values of each of our debt instruments are based on quoted market prices of these instruments. The carrying value of outstanding amounts related to supply chain financing agreements approximates the fair value due to their

ALTICE USA, INC. AND SUBSIDIARIES
COMBINED NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (continued)
(Dollars in thousands, except share and per share amounts)

short-term maturity (less than one year). The carrying value of outstanding amounts related to notes payable as of December 31, 2023 approximated fair value due to their short-term maturity (also less than one year).

The carrying values, estimated fair values, and classification under the fair value hierarchy of our financial instruments, excluding those that are carried at fair value in the accompanying consolidated balance sheets, are summarized below:

	Fair Value Hierarchy	December 31, 2024		December 31, 2023	
		Carrying Amount (a)	Estimated Fair Value	Carrying Amount (a)	Estimated Fair Value
Credit facility debt	Level II	\$ 7,156,989	\$ 7,200,408	\$ 8,257,682	\$ 8,323,654
Senior guaranteed and senior secured notes	Level II	11,119,314	9,503,825	9,079,882	7,784,288
Senior notes	Level II	6,585,181	3,825,788	7,334,447	4,932,931
Notes payable and supply chain financing (b)	Level II	50,642	50,642	174,594	174,594
		<u>\$ 24,912,126</u>	<u>\$ 20,580,663</u>	<u>\$ 24,846,605</u>	<u>\$ 21,215,467</u>

(a) Amounts are net of unamortized deferred financing costs and discounts/premiums.

(b) Excludes the amount of the note payable to Captive at CSC Holdings as it is eliminated in the Altice USA consolidated financial statements (see Note 16).

The fair value estimates related to our debt instruments presented above are made at a specific point in time, based on relevant market information and information about the financial instrument. These estimates are subjective in nature and involve uncertainties and matters of significant judgments and therefore cannot be determined with precision. Changes in assumptions could significantly affect the estimates.

NOTE 14. INCOME TAXES

Altice USA files a federal consolidated and certain state combined income tax returns with its 80% or more owned subsidiaries. CSC Holdings and its subsidiaries are included in the consolidated federal income tax returns of Altice USA. The income tax provision for CSC Holdings is determined on a stand-alone basis for all periods presented as if CSC Holdings filed separate consolidated income tax returns. In accordance with a tax sharing agreement between CSC Holdings and Altice USA, CSC Holdings has an obligation to Altice USA for its stand-alone current tax liability as if it filed separate income tax returns.

We have decided to exit the commitment we made in May 2021 of investing \$600,000 in capital gains generated from the 49.99% sale of Lightpath in 2020, into Qualified Opportunity Zones (“QOZ”) over the next 5 years, which allowed for tax deferral recognition until 2026. The tax expense impact of this exit is approximately \$1,269 for the year ended December 31, 2024.

Also during 2024, we increased our unrecognized tax benefit (“UTB”) reserve liability for tax years 2023 and 2024 relating to the qualified emerging technology company (“QETC”) position taken in 2022 described below, as well as for the state impact on the QOZ exit discussed above.

Due to the sale of our Cheddar News business in December 2023 to an unrelated third party, we recognized a capital loss resulting in an income tax benefit for the year ended December 31, 2023. In addition, our income tax expense for the year ended December 31, 2023 was impacted by the non-deductibility of the impairment of goodwill related to our News and Advertising business (see Note 10).

In December 2022, the New York State Division of Tax Appeals, via an Administrative Law Judge determination, published a decision in Charter Communications, Inc. versus New York State, which concluded that each corporation in a combined reporting group would have to separately qualify as a QETC to use the preferential QETC tax rate. As we had been historically using the QETC rate at the combined reporting group level, we recorded a cumulative income tax expense of \$157,300 that included both a revaluation of state deferred taxes and an increase to our uncertain tax positions reserve for tax years 2017 through 2022 based on this published decision.

Total net deferred tax liabilities	\$ (4,455,561)	\$ (4,848,133)	\$ (4,455,561)	\$ (4,851,633)

(a) Includes deferred tax assets of \$279 and \$326 as of December 31, 2024 and 2023, respectively, that relate to the net operating losses of foreign subsidiaries which are presented under Other assets on the consolidated balance sheets.

Due to the exit of the QOZ commitment in 2024 discussed above, taxes payable (recorded in other current liabilities) and the UTB reserve increased by \$3,624 and \$12,920, respectively, while the deferred tax liability decreased by \$105,278, on our consolidated balance sheet at December 31, 2024.

In the fourth quarter of 2024, we carried back the net capital loss of \$98,207 due to the sale of the Cheddar News business in December 2023 against the taxable capital gain generated in connection with the 49.99% sale of Lightpath in 2020.

Deferred tax assets have resulted primarily from our future deductible temporary differences and NOLs. In assessing the realizability of deferred tax assets, management considers whether it is more likely than not that some portion or all of the deferred tax asset will not be realized. In evaluating the need for a valuation allowance, management takes into account various factors, including the expected level of future taxable income, available tax planning strategies and reversals of existing taxable temporary differences. If such estimates and related assumptions change in the future, we may be required to record additional valuation allowances against its deferred tax assets, resulting in additional income tax expense in our consolidated statements of operations. Management evaluates the realizability of the deferred tax assets and the need for additional valuation allowances quarterly. Due to the significant deferred tax liabilities associated with our fixed assets and intangibles, primarily due to the change in the 2017 TCJA, allowing 100% bonus depreciation on most fixed assets (this percentage decreased to 60% for 2024), as well as the continued

taxable income adjustments associated with the deferred tax liabilities established under purchase accounting pursuant to the Cablevision and Cequel acquisitions in 2016, the future taxable income that will result from the reversal of existing taxable temporary differences for which deferred tax liabilities are recognized is sufficient to conclude it is more likely than not that we will realize all of its gross deferred tax assets, except those deferred tax assets against which a valuation allowance has been recorded which relate to certain state NOLs and the foreign NOLs in i24NEWS.

In the normal course of business, we engage in transactions in which the income tax consequences may be uncertain. Our income tax returns are filed based on interpretation of tax laws and regulations. Such income tax returns are subject to examination by taxing authorities. For financial statement purposes, we only recognize tax positions that it believes are more likely than not of being sustained. There is considerable judgment involved in determining whether positions taken or expected to be taken on the tax return are more likely than not of being sustained. Changes in the liabilities for uncertain tax positions are recognized in the interim period in which the positions are effectively settled or there is a change in factual circumstances.

The following is the activity relating to our UTB reserve liability:

	Years Ended December 31,		
	2024	2023	2022
Balance at beginning of year	\$ 53,010	\$ 70,593	\$ 25,296
Increases (decreases) from prior period positions	46,762	(18,714)	871
Increases from current period positions	15,117	1,131	44,426
Decreases relating to settlements with tax authorities	(524)	—	—
Balance at end of year	<u>\$ 114,365</u>	<u>\$ 53,010</u>	<u>\$ 70,593</u>

Interest and penalties related to UTBs are included in our provision for income taxes. We recognized a net expense for interest and penalties of \$17,862, \$1,475, and \$9,683 during the years ended December 31, 2024, 2023, and 2022, respectively. As of December 31, 2024 and 2023, accrued interest and penalties associated with UTBs were \$36,126 and \$18,264, respectively. The increase in interest and penalties for the year ended December 31, 2024 was primarily due to the interest accruals on our QETC and Investment Tax Credits positions. The increase in interest and penalties for the year ended December 31, 2023 was primarily due to an interest accrual on our QETC reserve position (see discussion above). We are not expecting a material change in this reserve due to expiring statutes, audit activity, or tax payments in the next twelve months. If we were to prevail on all uncertain positions, the net effect would result in an income tax benefit of \$87,465.

Altice USA and/or its subsidiaries file income tax returns in the U.S. federal jurisdiction, and various state, local and foreign jurisdictions. The most significant jurisdictions in which we are required to file state and local income tax returns include the states of New York, New Jersey, Connecticut, and the City of New York. We are currently under audit by the Internal Revenue Service for tax years 2020 and 2021 and multiple states for various open tax years 2015 and forward. The amount of the liability for unrecognized tax benefits may change in the next twelve months due to the settlement, expiration of the statute of limitations, or change in factual circumstances regarding tax positions taken. Management does not believe that this change nor the resolution of the ongoing income tax examinations will have a material adverse impact on our financial position.

Long Term Incentive Plan

Pursuant to the Altice USA 2017 Long Term Incentive Plan, as amended (the "2017 LTIP"), we may grant awards of options, restricted shares, restricted share units, stock appreciation rights, performance stock, performance stock units and other awards. The maximum aggregate number of shares that may be issued for all purposes under the Plan is 89,879,291. Awards may be granted to our officers, employees and consultants or any of our affiliates. The 2017 LTIP is administered by Altice USA's Board of Directors (the "Board"), subject to the provision of the stockholders' agreement. The Board has delegated its authority to our Compensation Committee. The Compensation Committee has the full power and authority to, among other things, select eligible participants, to grant awards in accordance with the 2017 LTIP, to determine the number of shares subject to each award or the cash amount payable in connection with an award and determine the terms and conditions of each award.

Stock Option Awards

Options outstanding under the 2017 LTIP Plan either (i) cliff vest on the third anniversary of the date of grant, (ii) vest over 3 years in annual increments of 33-1/3%, or (iii) vest over 4 years, where 50% vest on the second anniversary, 25% on the third anniversary and 25% on the fourth anniversary of the date of grant. The option awards generally are subject to continued employment with the Company, and expire 10 years from the date of grant. Performance based option awards vest upon achievement of performance criteria.

Options exercisable at December 31, 2024	<u>15,406,617</u>	\$	19.89	5.47	\$ —

(a) The aggregate intrinsic value is calculated as the difference between the exercise price and the closing price of Altice USA's Class A common stock at the respective date.

(b) Options exchanged and cancelled in connection with our stock option exchange program discussed below.

As of December 31, 2024, the total unrecognized compensation cost related to stock options is expected to be recognized over a weighted-average period of approximately 1.77 years.

We calculate the fair value of each option award on the date of grant using the Black-Scholes valuation model. Our computation of expected life was determined based on the simplified method (the average of the vesting period and option term) due to our lack of recent historical data for similar awards. The interest rate for periods within the contractual life of the stock option was based on interest yields for U.S. Treasury instruments in effect at the time of grant. Our computation of expected volatility was based on historical volatility of the Altice USA common stock and the expected volatility of comparable publicly-traded companies who granted options that had similar expected lives.

The weighted-average fair values of stock option awards granted during the years ended December 31, 2023 and 2022 were \$4.42 and \$3.76, respectively. The following weighted-average assumptions were used to calculate these fair values:

	Years Ended December 31,	
	2023	2022
Risk-free interest rate	3.53%	3.42%
Expected life (in years)	5.71	6.24
Dividend yield	—%	—%
Volatility	50.10%	41.79%

In January 2023, we commenced a stock option exchange program (the "Exchange Offer") pursuant to which eligible employees were provided the opportunity to exchange eligible stock options for a number of restricted stock units ("RSU") and deferred cash-denominated awards ("DCA") at the exchange ratio of one RSU and \$10 of DCAs for every seven eligible options tendered. In connection with the Exchange Offer, we canceled 24,015,508 options and granted 3,430,433 restricted stock units and \$34,309 of DCAs awards. The exchange of these options was accounted for as a modification of share-based compensation awards. Accordingly, we will recognize the unamortized compensation cost related to the cancelled options of approximately \$33,475, as well as the incremental compensation cost associated with the replacement awards of \$4,000 over their two year vesting term.

Performance Stock Units

Certain of our employees were granted performance stock units ("PSUs"). Each PSU gives the employee the right to receive one share of Altice USA class A common stock, upon achievement of a specified stock price hurdle. The PSUs will be forfeited if the applicable performance measure is not achieved prior to January 29, 2026 or if the employee does not continue to provide services to the Company through the achievement date of the applicable performance measure.

The following table summarizes activity related to PSUs granted to our employees:

	Number of Units

Balance at December 31, 2023	3,767,753
Forfeited	(1,044,201)
Balance at December 31, 2024	2,723,552

The PSUs have a weighted average grant date fair value of \$6.00 per unit as of December 31, 2024. The total unrecognized compensation cost related to outstanding PSUs is expected to be recognized over a weighted-average period of approximately 1.1 years.

Restricted Share Units

We granted restricted stock units ("RSUs") to certain employees pursuant to the 2017 LTIP. These awards vest either over three years in 33-1/3% annual increments or 4 years, where 50% vest on the second anniversary, 25% on the third anniversary and 25% on the fourth anniversary of the date of grant.

These awards will be settled in shares of our Class A common stock, or cash, at our option.

Lightpath Plan Awards

Lightpath Management Incentive Aggregator LLC ("LMIA") has a Management Incentive Plan (the "Lightpath Plan") for the benefit of employees of Lightpath. The Lightpath Plan issues equity interests in LMIA which holds an equivalent number of equity interests in Lightpath Holdings LLC, the parent of Lightpath. These equity interests allow employees to participate in the long-term growth of Lightpath. The Lightpath Plan provides for an aggregate of 650,000 Class A-1 management incentive units and 350,000 Class A-2 management incentive units for issuance.

As of December 31, 2024, 577,334 Class A-1 management incentive units and 280,905 Class A-2 management incentive units ("Award Units") granted to certain employees of Lightpath were outstanding. Vested units will be redeemed upon a partial exit, a change in control or the completion of an initial public offering, as defined in the Lightpath Holdings LLC agreement. The grant date fair value of the Award Units outstanding aggregated \$31,504 and will be expensed in the period in which a partial exit or a liquidity event is consummated.

Affiliate and Related Party Transactions

Altice USA is controlled by Patrick Drahi through Next Alt who also controls Altice Europe and other entities.

CSC Holdings Transactions with Altice USA

CSC Holdings made cash equity distribution payments to and received cash contributions from its parent. CSC Holdings also recorded net non-cash equity contributions (distributions) which represent the non-cash settlement of intercompany balances with Altice USA. Non-cash equity contributions (distributions) include the settlement of amounts due to/due from Altice USA pursuant to a tax sharing agreement between the entities. See summary below:

	Years Ended December 31,

NOTE 17. COMMITMENTS AND CONTINGENCIES

Commitments

Future cash payments and commitments required under arrangements pursuant to contracts entered into by us in the normal course of business as of December 31, 2024, are as follows:

	Payments Due by Period				
	Total	Year 1	Years 2-3	Years 4-5	More than 5 years
Off balance sheet arrangements:					
Purchase obligations (a)	\$ 4,623,621	\$ 2,302,722	\$ 2,213,188	\$ 102,067	\$ 5,644
Guarantees (b)	70,756	70,751	—	5	—
Letters of credit (c)	163,737	125	950	1,605	161,057
Total	\$ 4,858,114	\$ 2,373,598	\$ 2,214,138	\$ 103,677	\$ 166,701

- (a) Purchase obligations primarily include contractual commitments with various programming vendors to provide video services to customers and minimum purchase obligations to purchase goods or services, including contracts to acquire handsets and other equipment. Future fees payable under contracts with programming vendors are based on numerous factors, including the number of customers receiving the programming. Amounts reflected above related to programming agreements are based on the number of customers receiving the programming as of December 31, 2024, multiplied by the per customer rates or the stated annual fee, as applicable, contained in the executed agreements in effect as of December 31, 2024.
- (b) Includes franchise and performance surety bonds primarily for our cable television systems.
- (c) Represent letters of credit guaranteeing performance to municipalities and public utilities and payment of insurance premiums. Payments due by period for these arrangements represent the year in which the commitment expires although payments under these arrangements are required only in the event of nonperformance.

The table above does not include obligations for payments required to be made under multi-year franchise agreements based on a percentage of revenues generated from video service per year.

Many of our franchise agreements and utility pole leases require us to remove its cable wires and other equipment upon termination of the respective agreements. We have concluded that the fair value of these asset retirement obligations cannot be reasonably estimated since the range of potential settlement dates is not determinable.

The table above does not include obligations for rent related to utility poles used in our operations. Our pole rental agreements are for varying terms, and management anticipates renewals as they expire. Rent expense incurred for pole rental attachments for the years ended December 31, 2024, 2023 and 2022 was \$41,704, \$40,868, and \$40,277, respectively.

Legal Matters

On December 7, 2023, Warner Records Inc., Sony Music Publishing (US) LLC and a number of other purported copyright holders (collectively, the “Warner Plaintiffs”) filed a complaint in the U.S. District Court for the Eastern District of Texas (the “Warner Matter”), alleging that certain of our Internet subscribers directly infringed over 10,700 of the Warner Plaintiffs’ copyrighted works. The Warner Plaintiffs seek to hold us liable for claims of contributory infringement of copyright and vicarious copyright infringement. The Warner Plaintiffs also claim that our alleged secondary infringement was willful and seek substantial statutory damages. The parties currently are conducting fact discovery with summary judgment motions due in June 2025 and trial set for September 2025.

We intend to and are vigorously defending against the claims in the Warner Matter. In addition to contesting the claims of liability, we have an affirmative defense under the Digital Millennium Copyright Act that, if successful, would preclude or limit monetary damages against us in connection with some or all of the Warner Plaintiffs’ asserted claims. There can be no assurance as to the outcome of this litigation. We may incur significant costs in defending this action, and if we need to take measures to reduce our exposure to these risks or are required to pay damages in relation to such claims or choose to settle such claims, our business, reputation, financial condition and results of operations could be materially adversely affected.

ALTICE USA, INC. AND SUBSIDIARIES

 (Dollars in thousands, except share and per share amounts)

On September 10, 2024, United States Technologies Communication Corp. d/b/a Netceed filed suit in the New York Supreme Court, New York County. Plaintiff asserts claims for declaratory judgment, breach of contract, and breach of the implied covenant of good faith and fair dealing for alleged violations of the parties' services and sales agreements, and seeks compensatory damages, as set forth in the complaint. We deny the claims and intend to vigorously defend the lawsuit. On November 21, 2024, we filed a motion to dismiss in part plaintiff's complaint. That motion remains pending. Although the outcome of this matter cannot be predicted and the impact of the final resolution on our results of operations in a subsequent reporting period is not known, management does not believe that the resolution of the matter will have a material adverse effect on our operations or financial position or our ability to meet our financial obligations as they become due.

We also receive notices from third parties, and in some cases we are named as a defendant in lawsuits, claiming infringement of various patents or copyrights relating to various aspects of our businesses. In certain of these cases other industry participants are also defendants, and in certain of these cases we expect that some or all potential liability would be the responsibility of our vendors pursuant to applicable contractual indemnification provisions. In the event that we are found to infringe on any patent or other intellectual property rights, we may be subject to substantial damages or an injunction that could require us or our vendors to modify certain products and services we offer to our subscribers, as well as enter into royalty or license agreements with respect to the patents at issue. We are also party to various other lawsuits, disputes and investigations arising in the ordinary course of our business, some of which may involve claims for substantial damages, fines or penalties. Although the outcome of these matters cannot be predicted and the impact of the final resolution of these matters on our results of operations in a particular subsequent reporting period is not known, management does not believe that the resolution of these matters, individually, will have a material adverse effect on our operations or financial position or our ability to meet our financial obligations as they become due, but they could be material to our consolidated results of operations or cash flows for any one period.

NOTE 18. SEGMENT REPORTING

We principally deliver broadband, video, telephony and mobile services to residential and business customers, as well as proprietary content and advertising services in the United States. Our connectivity services are provided through a converged fixed and mobile network and key operating activities and resource allocation decisions are managed centrally. Our chief executive officer is the chief operating decision maker ("CODM"). Our CODM assesses performance and decides how to allocate resources based on our consolidated statements of operations. Our CODM manages the business on a consolidated basis such that we have a single operating segment. The Company's segment performance measure is consolidated net income (loss).

The following table presents significant expenses that are not separately presented on the statements of operations that are reviewed by the CODM.

NOTE 19. SUPPLEMENTAL INFORMATION

For financing purposes, CSC Holdings is structured as a Restricted Group and an unrestricted group, which includes certain designated subsidiaries and investments (the "Unrestricted Group"). The Restricted Group is comprised of CSC Holdings and substantially all of its wholly-owned operating subsidiaries. These Restricted Group subsidiaries are subject to the covenants and restrictions of the CSC Holdings' credit facility and indentures governing the notes issued by CSC Holdings.

Level	Consolidated Net Senior Secured Leverage Ratio	Applicable Revolving Commitment Fee Percentage
I	$\geq 3.75:1.00$	0.500%
II	$< 3.75:1.00$	0.375%

When calculating the Consolidated Net Senior Secured Ratio for the purposes of this definition, the events described in clauses (a) through (c) of the definition of “Pro Forma EBITDA” that occurred subsequent to the end of the applicable Test Period shall not be given *pro forma* effect. Within five Business Days of receipt of the applicable financial statements and the Compliance Certificate under Section 4.10 in Annex I, Administrative Agent shall give the Borrower and each Revolving Credit Lender, fax, electronic mail or telephonic notice (confirmed in writing) of the Applicable Revolving Commitment Fee Percentage in effect from such date. In the event that the Compliance Certificate delivered pursuant to Section 4.10 in Annex I is shown to be inaccurate (at a time when this Agreement is in effect and unpaid Obligations under this Agreement are outstanding (other than indemnities and other contingent obligations not yet due and payable)), and such inaccuracy, if corrected, would have led to the application of a higher Applicable Revolving Commitment Fee Percentage for any period (an “**Applicable Commitment Period**”) than the Applicable Revolving Commitment Fee Percentage applied for such Applicable Commitment Period, then (a) Borrower shall immediately deliver to Administrative Agent a

correct Compliance Certificate required by Section 4.10 in Annex I for such Applicable Commitment Period, the Applicable Revolving Commitment Fee Percentage for such Applicable Commitment Period shall be determined based on the corrected Compliance Certificate for that Applicable Commitment Period and the Borrower shall immediately pay to Administrative Agent the accrued additional interest owing as a result of such increased Applicable Revolving Commitment Fee Percentage for such Applicable Commitment Period. Notwithstanding the foregoing, so long as an Event of Default described in Section 7.01(g) has not occurred with respect to the Borrower, such shortfall shall be due and payable within five Business Days following the written demand therefor by the Administrative Agent and, so long as the Compliance Certificate reflecting such inaccuracy was prepared by the Borrower in good faith, no Default or Event of Default shall be deemed to have occurred as a result of such non-payment (and no such shortfall amount shall be deemed overdue or accrue interest at the rate calculated pursuant to Section 2.07) unless such shortfall amount is not paid on or prior to the fifth Business Day of such five Business Day period.

referenced in such clause (c) and even if any Available Tenor of such Benchmark (or such component thereof) continues to be provided on such date.

For the avoidance of doubt, (i) if the event giving rise to the Benchmark Replacement Date occurs on the same day as, but earlier than, the Reference Time in respect of any determination, the Benchmark Replacement Date will be deemed to have occurred prior to the Reference Time for such determination and (ii) the “Benchmark Replacement Date” will be deemed to have occurred in the case of clause (a) or (b) with respect to any Benchmark upon the occurrence of the applicable event or events set forth therein with respect to all then-current Available Tenors of such Benchmark (or the published component used in the calculation thereof).

- (c) a public statement or publication of information by or on behalf of the administrator of such Benchmark (or the published component used in the calculation thereof) or the regulatory supervisor for the administrator of such Benchmark (or such component thereof) announcing that all Available Tenors of such Benchmark (or such component thereof) are not, or as of a specified future date will not be, representative.

For the avoidance of doubt, a “Benchmark Transition Event” will be deemed to have occurred with respect to any Benchmark if a public statement or publication of information set forth above has occurred with respect to each then-current Available Tenor of such Benchmark (or the published component used in the calculation thereof).

For the avoidance of doubt, if the Borrower has exercised its option under the first sentence of this clause (a), and any Default, Event of Default or Specified Event of Default occurs following the date the definitive agreements or irrevocable notice, as applicable, for the applicable Limited Condition Transaction were entered into or has been delivered, as applicable, and prior to the consummation of such Limited Condition Transaction, any such Default, Event of Default or Specified Event of Default shall be deemed to not have occurred or be continuing for purposes of determining whether any action being taken in connection with such Limited Condition Transaction is permitted hereunder.

(b) In connection with any action being taken in connection with a Limited Condition Transaction, for purposes of (x) determining compliance with any provision of this Agreement which requires the calculation of the Consolidated Net Senior Secured Leverage Ratio or Consolidated Net Leverage Ratio; or (y) testing baskets set forth in this Agreement (including baskets measured as a percentage of L2QA Pro Forma EBITDA); in each case, at the option of the Borrower (the Borrower's election to exercise such option in connection with any Limited Condition Transaction, an "**LCT Election**"), the date of determination of whether any such action is permitted hereunder, shall be deemed to be the date the definitive agreements or irrevocable notice, as applicable, for such Limited Condition Transaction are entered into or has been delivered, as applicable (the "**LCT Test Date**"). If, after giving pro forma effect to the Limited Condition Transaction and the other transactions to be entered into in connection therewith (including any Incurrence of Indebtedness and the use of proceeds thereof) as if they had occurred at the beginning of the most recent four consecutive fiscal quarters ending prior to the LCT Test Date for which consolidated financial statements of the Borrower are available, the Borrower could have taken such action on the relevant LCT Test Date in compliance with such ratio or basket, such ratio or basket shall be deemed to have been complied with. For the avoidance of doubt, if the Borrower has made an LCT Election and any of the ratios or baskets for which compliance was determined or tested as of the LCT Test Date are exceeded as a result of fluctuations in any such ratio or basket, including due to fluctuations in L2QA Pro Forma EBITDA at or prior to the consummation of the relevant transaction or action, such baskets or ratios will not be deemed to have been exceeded as a result of such fluctuations. If the Borrower has made an LCT Election for any Limited Condition Transaction, then in connection with any subsequent calculation of any ratio or basket availability with respect to the Incurrence of Indebtedness or Liens or the making of Asset Dispositions, mergers, the conveyance, lease or other transfer of all or substantially all of the assets of the Borrower or the designation of an Unrestricted Subsidiary or the making of Investments or Restricted Payments on or following the relevant LCT Test Date and prior to the earlier of the date on which such Limited Condition Transaction is consummated or the definitive agreement or irrevocable notice, as applicable, for such Limited Condition Transaction is terminated or expires without consummation of such Limited Condition Transaction, any such ratio or basket shall be calculated on a pro forma basis assuming such Limited Condition Transaction and other transactions in connection therewith (including any Incurrence of Indebtedness and the use of proceeds thereof) have been consummated.

SECTION 1.06. **Letters of Credit.** Unless otherwise specified herein, the amount of a Letter of Credit at any time shall be deemed to be the amount of the stated amount of such

Letter of Credit in effect at such time; *provided, however*, that with respect to any Letter of Credit that, by its terms or the terms of any Issuer Document related thereto, provides for one or more automatic increases in the stated amount thereof, the amount of such Letter of Credit shall be deemed to be the amount of the maximum stated amount of such Letter of Credit after giving effect to all such increases, whether or not such maximum stated amount is in effect at such time.

SECTION 1.07. ***LIBO Rate Discontinuation; Effect of Benchmark Transition Event***

(a) Notwithstanding anything to the contrary contained in this Agreement or the other Loan Documents, if a Benchmark Transition Event and its related Benchmark Replacement Date have occurred prior to the Reference Time in respect of any setting of the then-current Benchmark, then (x) if a Benchmark Replacement is determined in accordance with clause (a) of the definition of “Benchmark Replacement” for such Benchmark Replacement Date, such Benchmark Replacement will replace such Benchmark for all purposes hereunder and under any other Loan Document in respect of such Benchmark setting and subsequent Benchmark settings without any amendment to, or further action or consent of any other party to, this Agreement or any other Loan Document and (y) if a Benchmark Replacement is determined in accordance with clause (b) of the definition of “Benchmark Replacement” for such Benchmark Replacement Date, such Benchmark Replacement will replace such Benchmark for all purposes hereunder and under any other Loan Document in respect of any Benchmark setting at or after 5:00 p.m. (New York City time) on the fifth (5th) Business Day after the date notice of such Benchmark Replacement is provided to the Lenders without any amendment to, or further action or consent of any other party to, this Agreement or any other Loan Document so long as the Administrative Agent has not received, by such time, written notice of objection to such Benchmark Replacement from lenders comprising the Required Class Lenders of all affected Classes (acting together). If the Benchmark Replacement is Adjusted Daily Simple SOFR, all interest payments will be payable on April 15th, July 15th, October 15th and January 15th and the applicable Maturity Date of the Loans of such Class; *provided* that if such day is not a Business Day, the Interest Payment Date shall be the next succeeding Business Day.

(b) *Benchmark Replacement Conforming Changes.* In connection with the use, implementation, adoption or administration of a Benchmark Replacement, the Administrative Agent will have the right to make Conforming Changes from time to time in consultation with the Borrower and, notwithstanding anything to the contrary herein or in any other Loan Document, any amendments implementing such Conforming Changes will become effective without any further action or consent of any other party to this Agreement or any other Loan Document.

(c) *Notices; Standards for Decisions and Determinations.* The Administrative Agent will promptly notify the Borrower and the Lenders of (i) the occurrence of a Benchmark Transition Event, (ii) the implementation of any Benchmark Replacement, (iii) the effectiveness of any Conforming Changes in connection with the use, administration, adoption or implementation of a Benchmark Replacement and (iv) the commencement or conclusion of any Benchmark Unavailability Period. The Administrative Agent will promptly notify the Borrower

of the removal or reinstatement of any tenor of a Benchmark pursuant to Section 1.07(d). Any determination, decision or election that may be made by the Administrative Agent or, if applicable, any Lender (or group of Lenders) pursuant to this Section 1.07, including any determination with respect to a tenor, rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action or any selection, will be conclusive and binding absent manifest error and may be made in its or their sole discretion and without consent from any other party to this Agreement or any other Loan Document, except, in each case, as expressly required pursuant to this Section 1.07.

(d) *Unavailability of Tenor Benchmark.* Notwithstanding anything to the contrary herein or in any other Loan Document, at any time (including in connection with the implementation of a Benchmark Replacement), (i) if the then-current Benchmark is a term rate (including the Term SOFR Reference Rate) and either (A) any tenor for such Benchmark is not displayed on a screen or other information service that publishes such rate from time to time as selected by the Administrative Agent in its reasonable discretion or (B) the administrator of such Benchmark or the regulatory supervisor for the administrator of such Benchmark has provided a public statement or publication of information announcing that any tenor for such Benchmark is not or will not be representative, then the Administrative Agent may modify the definition of “Interest Period” (or any similar or analogous definition) for any Benchmark settings at or after such time to remove such unavailable or non-representative tenor and (ii) if a tenor that was removed pursuant to clause (i) above either (A) is subsequently displayed on a screen or information service for a Benchmark (including a Benchmark Replacement) or (B) is not, or is no longer, subject to an announcement that it is not or will not be representative for a Benchmark (including a Benchmark Replacement), then the Administrative Agent may modify the definition of “Interest Period” (or any similar or analogous definition) for all Benchmark settings at or after such time to reinstate such previously removed tenor.

(e) *Benchmark Unavailability Period.* Upon the Borrower’s receipt of notice of the commencement of a Benchmark Unavailability Period, the Borrower may revoke any pending request for a SOFR Borrowing of, conversion to or continuation of SOFR Loans to be made, converted or continued during any Benchmark Unavailability Period and, failing that, the Borrower will be deemed to have converted any such request into a request for a Borrowing of or conversion to (A) a Loan bearing interest of the Adjusted Daily Simple SOFR so long as the Adjusted Daily Simple SOFR is not the subject of a Benchmark Transition Event or (B) an ABR Loan if the Adjusted Daily Simple SOFR is the subject of a Benchmark Transition Event. During a Benchmark Unavailability Period or at any time that a tenor for the then-current Benchmark is not an Available Tenor, the component of Alternate Base Rate based upon the then-current Benchmark or such tenor for such Benchmark, as applicable, will not be used in any determination of Alternate Base Rate.

(f) *SOFR Disclaimer.* The Administrative Agent does not warrant, nor accept any responsibility, nor shall the Administrative Agent have any liability with respect to, the administration, submission, performance or any other matter related to any interest rate used in this Agreement, or with respect to any successor rate thereto, or replacement rate thereof, including without limitation, whether the composition or characteristics of any such alternative,

successor or replacement reference rate will be similar to, or produce the same value or economic equivalence of, any of the existing interest rate being replaced or have the same volume or liquidity as did any existing interest rate prior to its discontinuance or unavailability. The Administrative Agent and its affiliates and/or other related entities may engage in transactions or other activities unrelated to this Agreement and the other Loan Documents that affect the calculation of any interest rate used in this Agreement, or any alternative or successor rate (including any Benchmark Replacement) and/or any relevant adjustments thereto, in each case, in a manner adverse to the Borrower (provided that, for the avoidance of doubt, nothing in this sentence shall modify or supersede the express terms of this Agreement and the other Loan Documents (including, without limitation, Section 9.08 of this Agreement)). The Administrative Agent may select information sources or services in its reasonable discretion to ascertain any interest rate used in this Agreement, any component thereof, or rates referenced in the definition thereof, in each case pursuant to the terms of this Agreement, and shall have no liability to the Borrower, any Lender or any other person or entity for damages of any kind, including direct or indirect, special, punitive, incidental or consequential damages, costs, losses or expenses (whether in tort, contract or otherwise and whether at law or in equity), for any error or other action or omission related to or affecting the selection, determination, or calculation of any rate (or component thereof) provided by any such information source or service.

SECTION 1.08. **Cured Defaults.** With respect to any Default or Event of Default, the words “exists,” “is continuing” or similar expressions with respect thereto shall mean that the Default or Event of Default has occurred and has not yet been cured or waived. If any Default or Event of Default occurs due to (a) the failure by any Loan Party to take any action by a specified time, such Default or Event of Default shall be deemed to have been cured at the time, if any, that the applicable Loan Party takes such action or (b) the taking of any action by any Loan Party that is not then permitted by the terms of this Agreement or any other Loan Document, such Default or Event of Default shall be deemed to be cured on the earlier to occur of (i) the date on which such action would be permitted at such time to be taken under this Agreement and the other Loan Documents and (ii) the date on which such action is unwound or otherwise modified to the extent necessary for such revised action to be permitted at such time by this Agreement and the other Loan Documents. If any Default or Event of Default occurs that is subsequently cured (a “**Cured Default**”), any other Default or Event of Default resulting from the making or deemed making of any representation or warranty by any Loan Party or the taking of any action by any Loan Party or any Subsidiary of any Loan Party, in each case which subsequent Default or Event of Default would not have arisen had the Cured Default not occurred, shall be deemed to be cured automatically upon, and simultaneously with, the cure of the Cured Default.

Notwithstanding anything to the contrary in this Section 1.08, a Default or Event of Default (the “**Initial Default**”) may not be cured pursuant to this Section 1.08:

(a) in the case of an Initial Default described in clause (b) of the second sentence of this Section 1.08, if a Responsible Officer of the applicable Loan Party had Knowledge at the time of taking any such action that such Initial Default had occurred and was continuing;

(b) in the case of an Event of Default under Section 7.01(e) that directly results in material impairment of the rights and remedies of the Lenders, Collateral Agent and Administrative Agent under the Loan Documents;

(c) in the case of an Event of Default arising due to the failure to perform or observe Section 5.05(a) or Section 5.07 that results in a material adverse effect on the ability of the Borrower and the other Loan Parties (taken as a whole) to perform their respective payment obligations under any Loan Document to which the Borrower or any of the other Loan Parties is a party; or

(d) if the Administrative Agent shall have commenced any enforcement action set forth in Article VII prior to the date such Initial Default would have been deemed to be cured under this Section 1.08.

For purposes of this Section 1.08, “*Knowledge*” shall mean, with respect to a Responsible Officer of the Borrower or other Loan Party, (i) the actual knowledge of such individual or (ii) the knowledge that such individual would have obtained if such individual had acted in good faith to discharge his or her duties with the same level of diligence and care as would reasonably be expected from an officer in a substantially similar position.

ARTICLE II

THE CREDITS

SECTION 2.01. *Commitments.* (a) Subject to the terms and conditions set forth herein and relying upon the representations and warranties set forth herein, each Lender having an Initial Term Loan Commitment agrees, severally and not jointly, to make Loans to the Borrower denominated in Dollars in a single draw on the Funding Date in an aggregate principal amount not to exceed its Initial Term Loan Commitment (the Loans made pursuant to this Section 2.01(a) being the “*Initial Term Loans*”). Amounts paid or prepaid in respect of the Initial Term Loans may not be reborrowed.

(b) Subject to the terms and conditions set forth herein, and relying upon the representations and warranties set forth herein, (i) each Lender having a 2025 Revolving Credit Commitment agrees, severally and not jointly, to make 2025 Revolving Credit Loans denominated in Dollars to the Borrower from time to time, on any Business Day during the period from and including the Funding Date until the 2025 Revolving Facility Maturity Date, in an aggregate outstanding amount not to exceed at any time the amount of the 2025 Revolving Credit Commitment; provided that on or prior to the Closing Date the aggregate Outstanding Amount of Revolving Credit Loans that are borrowed to fund the Special Distribution and pay any fees and expenses in connection with the Transactions shall not exceed the Closing Date Revolving Available Amount; provided, further, that after giving effect to any 2025 Revolving Credit Borrowing (and the application of proceeds thereof), the aggregate Outstanding Amount of the 2025 Revolving Credit Loans of any Lender, plus such Lender’s L/C Exposure, plus such Lender’s Swing Line Exposure, shall not exceed such Lender’s 2025 Revolving Credit Commitment (the Revolving Credit Loans made pursuant to this Section 2.01(b)(i), being the “2025 Revolving Credit Loans”) and (ii) each Lender having a 2027 Revolving Credit

Commitment agrees, severally and not jointly, to make 2027 Revolving Credit Loans denominated in Dollars to the Borrower from time to time, on any Business Day during the period from and including the Extension Amendment No. 1 Effective Date until the 2027 Revolving Facility Maturity Date, in an aggregate outstanding amount not to exceed at any time the amount of the 2027 Revolving Credit Commitment; provided, that after giving effect to any 2027 Revolving Credit Borrowing (and the application of proceeds thereof), the aggregate Outstanding Amount of the 2027 Revolving Credit Loans of any Lender, plus such Lender's L/C Exposure, plus such Lender's Swing Line Exposure, shall not exceed such Lender's 2027 Revolving Credit Commitment (the Revolving Credit Loans made pursuant to this Section 2.01(b)(ii), being the "2027 Revolving Credit Loans"). Within the limits of each 2025 Revolving Credit Lender's 2025 Revolving Credit Commitment, the limits of each 2027 Revolving Credit Lender's 2027 Revolving Credit Commitment, and subject to the other terms and conditions hereof, the Borrower may borrow, prepay and reborrow 2025 Revolving Credit Loans and/or 2027 Revolving Credit Loans. Revolving Credit Loans may be ABR Loans, Eurodollar Loans or SOFR Loans as further provided herein. Each borrowing of Revolving Credit Loans shall be allocated pro rata among the 2025 Revolving Credit Facility and the 2027 Revolving Credit Facility; provided that, following the 2025 Revolving Facility Maturity Date, all Revolving Credit Loans will be made by the 2027 Revolving Credit Lenders in accordance with their Pro Rata Shares.

(c) Subject to the terms and conditions set forth in any Incremental Loan Assumption Agreement, Refinancing Amendment or Extension Amendment, as applicable, each Lender having an Incremental Loan Commitment, Refinancing Commitment or extending its Original Term Loans or Original Revolving Credit Commitments, as the case may be, severally and not jointly, hereby agrees, subject to the terms and conditions and relying upon the representations and warranties set forth in the applicable Incremental Loan Assumption Agreement, Refinancing Amendment or Extension Amendment, to make Incremental Loans, Refinancing Loans or Extended Term Loans or Extended Revolving Credit Commitments, as applicable, to the Borrower, in an aggregate principal amount not to exceed, as applicable, its Incremental Loan Commitment, Refinancing Commitment, Original Revolving Credit Commitments or aggregate principal amount of Original Term Loans, as applicable.

(d) Notwithstanding anything to the contrary in this Agreement:

(i) each 2025 Revolving Credit Commitment and 2027 Revolving Credit Commitment shall continue to be entitled to all accrued and unpaid amounts (including interest) owing by the Borrower hereunder with respect to any Original Revolving Credit Commitment from which such 2025 Revolving Credit Commitment and 2027 Revolving Credit Commitment was extended or continued, up to but excluding the Extension Amendment No. 1 Effective Date; and

(ii) no extension or continuation of outstanding Revolving Credit Commitments pursuant to Section 2.23 shall constitute a voluntary or mandatory

payment or prepayment for purposes of this Agreement that would result in the application or operation of the provisions of Section 2.10.

SECTION 2.02 **Loans.** Each Loan shall be made as part of a Borrowing consisting of Loans made by the Lenders ratably in accordance with their applicable Commitments; *provided, however*, that the failure of any Lender to make any Loan shall not in itself relieve any other Lender of its obligation to lend hereunder (it being understood, however, that no Lender shall be responsible for the failure of any other Lender to make any Loan required to be made by such other Lender). The Loans comprising any Borrowing shall be in an aggregate principal amount that is (a) an integral multiple of \$1,000,000 and not less than \$5,000,000 (except to the extent otherwise provided in an Incremental Loan Assumption Agreement, Refinancing Amendment or Extension Amendment) or (b) equal to the remaining available balance of the applicable Commitments.

(a) Each Lender may at its option make any Eurodollar Loan or SOFR Loan by causing any domestic or foreign branch or Affiliate of such Lender to make such Loan; *provided* that any exercise of such option shall not affect the obligation of the Borrower to repay such Loan in accordance with the terms of this Agreement. The Borrower shall not be entitled to request any Borrowing that, if made, would result in more than 10 Eurodollar Borrowings or 10 SOFR Borrowings outstanding hereunder at any time. For purposes of the foregoing, Borrowings having different Interest Periods, regardless of whether they commence on the same date, shall be considered separate Borrowings.

(b) Each Lender shall make each Loan to be made by it hereunder on the Funding Date or the proposed date of Borrowing thereof, as applicable, by wire transfer of immediately available funds in Dollars, as the case may be, to such account in New York City as the Administrative Agent may designate in advance, not later than 2:00 p.m., New York City time (or 12:00 p.m., New York City time in the case of the Funding Date), and the Administrative Agent shall promptly wire transfer the amounts so received in accordance with instructions received from the Borrower in the applicable Borrowing Request or, if a Borrowing shall not occur on such date because any condition precedent herein specified shall not have been met, return the amounts so received to the respective Lenders.

(c) Unless the Administrative Agent shall have received notice from a Lender prior to the date of any Borrowing that such Lender will not make available to the Administrative Agent such Lender's portion of such Borrowing, the Administrative Agent may assume that such Lender has made such portion available to the Administrative Agent on the date of such Borrowing in accordance with Section 2.02(b) and the Administrative Agent may, in reliance upon such assumption, make available to the Borrower on such date a corresponding amount. If the Administrative Agent shall have so made funds available then, to the extent that such Lender shall not have made such portion available to the Administrative Agent, such Lender and the Borrower severally agree to repay to the Administrative Agent forthwith on demand such corresponding amount together with interest thereon, for each day from the date such amount is made available to the Borrower to but excluding the date such amount is repaid to the Administrative Agent at (i) in the case of the Borrower, a rate *per annum* equal to the interest rate applicable at the time to the Loans comprising such Borrowing and (ii) in the case of such

Lender, a rate determined by the Administrative Agent to represent its cost of overnight or short-term funds (which determination shall be conclusive absent manifest error). If such Lender shall repay to the Administrative Agent such corresponding amount, such amount shall constitute such Lender's Loan as part of such Borrowing for purposes of this Agreement.

SECTION 2.03. ***Borrowing Procedure.*** In order to request a Term Loan Borrowing or a Revolving Credit Borrowing, the Borrower shall notify the Administrative Agent of such request by telephone not later than 12:00 p.m., New York time, (a) one Business Day before a proposed Borrowing of Eurodollar Loans on the Funding Date and (b) three Business Days before a proposed Borrowing of Eurodollar Loans or SOFR Loans on any other date (or, in each case, such shorter period as may be agreed by the Administrative Agent) and no later than 12:00 p.m., New York time, on the Business Day before the date of a proposed Borrowing in the case of a Borrowing of ABR Loans. Each such telephonic Borrowing Request shall be irrevocable, and shall be confirmed promptly by hand delivery, e-mail or fax to the Administrative Agent of a written Borrowing Request and shall specify the following information: (i) whether the Borrowing then being requested is to be a Borrowing of Term Loans, Revolving Credit Loans, Incremental Term Loans or Incremental Revolving Loans; (ii) the date of such Borrowing (which shall be a Business Day); (iii) the number and location of the account to which funds are to be disbursed; (iv) the amount of such Borrowing (stated in the Available Currency); and (v) whether the Loans being made pursuant to such Borrowings are to be initially maintained as ABR Loans, Eurodollar Loans or SOFR Loans and, if Eurodollar Loans or SOFR Loans, the Interest Period with respect thereto; *provided, however*, that the initial Interest Period of any Eurodollar Borrowing made on the Funding Date shall end on a date reasonably satisfactory to the Administrative Agent specified by the Borrower in such Borrowing Request; *provided, however*, that, notwithstanding any contrary specification in any Borrowing Request, each requested Borrowing shall comply with the requirements set forth in Section 2.02. If no Interest Period with respect to any Eurodollar Borrowing or SOFR Borrowing is specified in any such notice, then the Borrower shall be deemed to have selected an Interest Period of one month's duration. The Administrative Agent shall promptly advise the applicable Lenders of any notice given pursuant to this Section 2.03 (and the contents thereof), and of each Lender's portion of the requested Borrowing. Notwithstanding anything to the contrary set forth herein, no request for Borrowing of Eurodollar Loans may be made for a Borrowing Date occurring after June 30, 2023.

SECTION 2.04. ***Evidence of Debt; Repayment of Loans.*** The Borrower hereby unconditionally promises to pay to the Administrative Agent for the account of each Lender the principal amount of each Loan of such Lender as provided in Section 2.11.

(a) Each Lender shall maintain in accordance with its usual practice an account or accounts evidencing the indebtedness of the Borrower to such Lender resulting from each Loan made by such Lender from time to time, including the amounts of principal and interest payable and paid to such Lender from time to time under this Agreement.

(b) The Administrative Agent shall maintain the Register in which it will record (i) the amount of each Loan made hereunder, the Class and Type thereof and, if applicable, the Interest Period applicable thereto, (ii) the amount of any principal or interest due and payable or

to become due and payable from the Borrower to each Lender hereunder and (iii) the amount of any sum received by the Administrative Agent hereunder from the Borrower or any Guarantor and each Lender's share thereof.

(c) In addition to the accounts and records referred to in Section 2.04(a) and (b), each Lender and the Administrative Agent shall maintain in accordance with its usual practice accounts or records and, in the case of the Administrative Agent, entries in the Register, evidencing the purchases and sales by such Lender of participations in Letters of Credit and Swing Line Loans. In the event of any conflict between the Register and corresponding accounts and records maintained by the Administrative Agent and the accounts and records of any Lender in respect of such matters, the Register shall control in the absence of manifest error.

(d) The entries made in the Register maintained pursuant to Section 2.04(b) and (c) shall be *prima facie* evidence of the existence and amounts of the obligations therein recorded; *provided, however*, that the failure of any Lender or the Administrative Agent to maintain such accounts or any error therein shall not in any manner affect the obligations of the Borrower to repay the Loans in accordance with their terms.

(e) Any Lender may request that Loans made by it hereunder be evidenced by a promissory note. In such event, the Borrower shall execute and deliver to such Lender a promissory note payable to such Lender or its registered assigns and in the form attached hereto as Exhibit G. Notwithstanding any other provision of this Agreement, in the event any Lender shall request and receive such a promissory note, the interests represented by such note shall at all times thereafter (including after any assignment of all or part of such interests pursuant to Section 9.04) be represented by one or more promissory notes payable to the payee named therein or its registered assigns.

SECTION 2.05. **Fees.** (a) The Borrower agrees to pay to the Administrative Agent, for its own account, the administrative fees as are separately agreed by the Administrative Agent in accordance with the Agent Fee Letter.

(b) The Borrower agrees to pay to the Administrative Agent (x) for any period prior to Extension Amendment No. 1 Effective Date, for the account of each Revolving Credit Lender under each Class of Revolving Credit Commitments in accordance with its Pro Rata Share, a commitment fee equal to the Applicable Revolving Commitment Fee Percentage times the actual daily amount by which the aggregate Revolving Credit Commitment for the applicable Class of Revolving Credit Commitments exceeds the sum of (i) the Outstanding Amount of Revolving Credit Loans for such Class of Revolving Credit Commitments and (ii) the Outstanding Amount of L/C Obligations for such Class of Revolving Credit Commitments and (y) for any period after the Extension Amendment No. 1 Effective Date, for the account of each 2025 Revolving Credit Lender and each 2027 Revolving Credit Lender in accordance with its Other Allocable Share of the 2025 Revolving Credit Commitments and the 2027 Revolving Credit Commitments, respectively, a commitment fee equal to the Applicable Revolving Commitment Fee Percentage times the Allocable Revolving Share of the 2025 Revolving Credit Lenders or the 2027 Revolving Credit Lenders, as the case may be, of the actual daily amount by which the aggregate Revolving Credit Commitments for such Class of Revolving Credit Commitments exceeds the

sum of (i) the Outstanding Amount of Revolving Credit Loans for such Class of Revolving Credit Commitments and (ii) the Outstanding Amount of L/C Obligations for such Class of Revolving Credit Commitments; provided that any commitment fee accrued with respect to any of the Commitments of a Defaulting Lender during the period prior to the time such Lender became a Defaulting Lender and unpaid at such time shall not be payable by the Borrower so long as such Lender shall be a Defaulting Lender except to the extent that such commitment fee shall otherwise have been due and payable by the Borrower prior to such time; and provided, further, that no commitment fee shall accrue on any of the Commitments of a Defaulting Lender so long as such Lender shall be a Defaulting Lender. The commitment fee on each Class of Revolving Credit Commitments shall accrue at all times from the Closing Date (or from the date on which Revolving Credit Commitments of the applicable Class come into effect in accordance with the terms hereof) until the Maturity Date for such Class of Revolving Credit Commitments, including at any time during which one or more of the conditions in Article IV is not met, and shall be due and payable in arrears on the 15th day of each of April, July, October and January, commencing, (i) with respect to the 2025 Revolving Credit Commitments with the first such date during the first full fiscal quarter to occur after the Closing Date, and (ii) with respect to the 2027 Revolving Credit Commitments with the first such date to occur after the Extension Amendment No. 1 Effective Date, and, in each case, on the Maturity Date for such Class of Revolving Credit Commitments; provided that if such day is not a Business Day, such commitment fee shall be payable on the next succeeding Business Day. The commitment fee shall be calculated quarterly in arrears, and if there is any change in the Applicable Revolving Commitment Fee Percentage during any quarter, the actual daily amount shall be computed and multiplied by the Applicable Revolving Commitment Fee Percentage separately for each period during such quarter that such Applicable Revolving Commitment Fee Percentage was in effect.

(c) The Borrower shall pay to the Administrative Agent for the account of each Initial Term Loan Lender (other than any Committed Lender), a ticking fee (the “*Ticking Fee*”), accruing on the unutilized Initial Term Loan Commitments of the applicable Lenders for each day, from (and including) September 15, 2020 (the “*Commitment Allocation Date*”) to (but excluding) the Ticking Fee Payment Date equal to the applicable percentage set forth below of the Applicable Margin for Eurodollar Loans that would otherwise be payable in respect of the Initial Term Loans:

Period	Applicable Percentage
From the Commitment Allocation Date through the date that is 45 days following the Commitment Allocation Date	0% per annum of Applicable Margin for Eurodollar Loans

From the date that is 46 days following the Commitment Allocation Date until (and including) the earlier of (x) the date that is 90 days following the Commitment Allocation Date, (y) the Commitment Termination Date (solely with respect to such amount terminated or expired) and (z) the Funding Date (solely with respect to such amount funded)	50% per annum of Applicable Margin for Eurodollar Loans
From the date that is 91 days following the Commitment Allocation Date until (and including) the earlier of (x) the Commitment Termination Date (solely with respect to such amount terminated or expired) and (y) the Funding Date (solely with respect to such amount funded)	100% per annum of Applicable Margin for Eurodollar Loans

The Administrative Agent shall promptly notify the Borrower of the occurrence of the Commitment Allocation Date. The Ticking Fee will be determined on the basis of a 360-day year and actual elapsed days and will be payable on the date (such date, the “**Ticking Fee Payment Date**”) that is the earlier of (a) the date of termination or expiration of the Initial Term Loan Commitments (solely with respect to such amount terminated or expired) and (b) the Funding Date (solely with respect to such amount funded). Notwithstanding anything to the contrary in this Agreement, any Ticking Fee accrued with respect to any of the Commitments of a Defaulting Lender during the period prior to the time such Lender became a Defaulting Lender and unpaid at such time shall not be payable by the Borrower so long as such Lender shall be a Defaulting Lender except to the extent that such Ticking Fee shall otherwise have been due and payable by the Borrower prior to such time; and *provided, further*, that no Ticking Fee shall accrue on any of the Commitments of a Defaulting Lender so long as such Lender shall be a Defaulting Lender.

(d) The Borrower shall pay to the Administrative Agent for the account of each Initial Term Loan Lender, a closing fee (the “**Closing Fee**”) equal to 0.50% of the principal amount of the Initial Term Loans made by such Initial Term Loan Lender, which shall be due and payable, with respect to the Initial Term Loans, on the Funding Date. The Initial Term Loan Lenders shall be permitted to fund the Initial Term Loans net of the Closing Fee on the Funding Date.

(e) All fees under this Section 2.05 shall be paid on the dates due, in immediately available funds in Dollars, to the Administrative Agent for distribution, if and as appropriate, among the Lenders. Once paid, no such fees shall be refundable under any circumstances.

SECTION 2.06. **Interest on Loans.** (a) Subject to the provisions of Section 2.07, the Loans comprising each ABR Borrowing shall bear interest (computed on the basis of the actual number of days elapsed over a year of 365 or 366 days, as the case may be, when the Alternate Base Rate is determined by reference to the Prime Rate and over a year of 360 days at all other times and calculated from and including the date of such Borrowing to but excluding the date of repayment thereof) at a rate *per annum* equal to the Alternate Base Rate plus the Applicable Margin.

(b) Subject to the provisions of Section 2.07, (i) the Loans comprising each Eurodollar Borrowing shall bear interest (computed on the basis of the actual number of days elapsed over a year of 360 days) at a rate *per annum* equal to the Adjusted LIBO Rate for the Interest Period in effect for such Borrowing *plus* the Applicable Margin.; and (ii) the Loans comprising each SOFR Borrowing shall bear interest (computed on the basis of the actual number of days elapsed over a year of 360 days) at a rate *per annum* equal to the Adjusted Term SOFR for the Interest Period in effect for such Borrowing *plus* the Applicable Margin.

(c) Interest on each Loan shall be payable on the Interest Payment Dates applicable to such Loan except as otherwise provided in this Agreement. The applicable Alternate Base Rate, Adjusted LIBO Rate or Adjusted Term SOFR for each Interest Period or day within an Interest Period, as the case may be, shall be determined by the Administrative Agent, and such determination shall be conclusive absent manifest error. Interest shall be paid in the same currency as the Loan to which such interest relates.

SECTION 2.07. **Default Interest.** If any Event of Default under Section 7.01(a) or 7.01(g) hereof has occurred and is continuing then, until such defaulted amount shall have been paid in full, to the extent permitted by law, such defaulted amounts shall bear interest (after as well as before judgment), payable on demand, (a) in the case of principal, at the rate otherwise applicable to such Loan pursuant to Section 2.06 *plus* 2.00% *per annum*, (b) in the case of interest payable on any Loan, at the rate otherwise applicable to an ABR Loan of the applicable Class *plus* 2.00% *per annum* and (c) in all other cases, at a rate *per annum* (computed on the basis of the actual number of days elapsed over a year of 365 or 366 days, as the case may be, when determined by reference to the Prime Rate and over a year of 360 days at all other times) equal to the rate that would be applicable to an ABR Loan that is a 2025 Revolving Credit Loan *plus* 2.00% *per annum*.

SECTION 2.08. **Alternate Rate of Interest.** In the event, and on each occasion, that on the day two Business Days prior to the commencement of any Interest Period for a Eurodollar Borrowing or SOFR Borrowing the Administrative Agent shall have determined (a) with respect to a Eurodollar Borrowing, that Dollar deposits in the principal amounts of the Loans comprising such Borrowing are not generally available in the London interbank market, (b) that the rates at which such Dollar deposits are being offered or Adjusted Term SOFR will not adequately and fairly reflect the cost to the Required Lenders of making or maintaining Eurodollar Loans or SOFR Loans, as applicable, during such Interest Period or (c) that reasonable means do not exist for ascertaining the Adjusted LIBO Rate or Adjusted Term SOFR, as applicable, the Administrative Agent shall, as soon as practicable thereafter, give written or fax notice of such determination to the Borrower and the Lenders. In the event of any such determination, until the Administrative Agent shall have advised the Borrower and the Lenders that the circumstances giving rise to such notice no longer exist, any request by the Borrower for a Eurodollar Borrowing or SOFR Borrowing, as applicable, pursuant to Sections 2.03 or 2.10 shall be deemed to be a request for an ABR Borrowing. Each determination by the Administrative Agent under this Section 2.08 shall be conclusive absent manifest error.

SECTION 2.09. **Termination or Reduction of Commitments.** (a) The Initial Term Loan Commitments and the Initial Revolving Credit Commitments shall automatically terminate upon the Commitment Termination Date and any Incremental Loan Commitments, Refinancing Commitments, Extended Revolving Credit Commitments or Commitments with respect to Extended Term Loans shall terminate as provided in the related Incremental Loan Assumption Agreement, Refinancing Amendment or Extension Amendment, as applicable. [The 2024 Incremental Term Loan Commitment shall automatically terminate upon the funding of the 2024 Incremental Term Loan on the 2024 Incremental Effective Date.](#) The Revolving Credit Commitment of each Revolving Credit Lender shall automatically terminate on the Maturity Date for the applicable Class of Revolving Credit Commitments; *provided* that (x) the foregoing shall not release any Revolving Credit Lender from any liability it may have for its failure to fund Revolving Credit Loans, L/C Advances or participations in Swing Line Loans that were required to be funded by it on or prior to such Maturity Date and (y) the foregoing will not release any Revolving Credit Lender from any obligation to fund its portion of L/C Advances or participations in Swing Line Loans with respect to Letters of Credit issued or Swing Line Loans made prior to such Maturity Date.

(b) Upon at least three Business Days' prior written or fax notice to the Administrative Agent, the Borrower may at any time in whole permanently terminate, or from time to time in part permanently reduce, the unused Commitments of any Class; *provided, however*, that (i) each partial reduction of Commitments shall be in an integral multiple of \$1,000,000 and in a minimum amount of \$5,000,000 (or in such lower minimum amounts or multiples as agreed to by the Administrative Agent in its reasonable discretion) and (ii) if, after giving effect to any reduction of Revolving Credit Commitments, the Letter of Credit Sublimit or the Swing Line Sublimit exceeds the amount of the Participating Revolving Credit Commitments, such sublimit shall be automatically reduced by the amount of such excess. Except as provided in the immediately preceding sentence, the amount of any such Revolving Credit Commitment reduction shall not be applied to the Letter of Credit Sublimit or the Swing Line Sublimit unless otherwise specified by the Borrower. Any such notice of termination or reduction pursuant to this Section 2.09(b) may state that it is conditioned upon the occurrence or non-occurrence of any event specified therein (including the effectiveness of other credit facilities), in which case such notice may be revoked by the Borrower or the Borrower may delay the date of prepayment identified therein to a later date reasonably acceptable to the Administrative Agent (in each case by written notice to the Administrative Agent on or prior to the specified effective date) if such condition is not satisfied or the satisfaction of such condition is delayed.

(c) Upon any reduction of unused Commitments of any Class, the Commitment of each Lender of such Class, and, other than a termination of such Commitment in full, the 2025 Revolving Credit Commitments and the 2027 Revolving Credit Commitments, shall be reduced on a pro rata basis (determined on the basis of the aggregate Commitments under such Class) (other than the termination of the Commitment of any Lender as provided in Section 2.21). Any commitment fees accrued until the effective date of any termination of the Revolving Credit Commitments shall be paid on the effective date of such termination.

(d) On the 2025 Revolving Facility Maturity Date with respect to the 2025 Revolving Credit Commitments, any L/C Advances or any participations in Swing Line Loans shall be deemed to be outstanding with respect to (and reallocated under) the 2027 Revolving Credit Commitments and the Pro Rata Shares of the Revolving Credit Lenders shall be determined to give effect to the termination of the 2025 Revolving Credit Commitments (in each case, so long as after giving effect to such reallocation, the Revolving Credit Exposure of each 2027 Revolving Credit Lender does not exceed such Lender's 2027 Revolving Credit Commitment). On and after the 2025 Revolving Facility Maturity Date, the 2027 Revolving Credit Lenders will be required, in accordance with their Pro Rata Shares to fund L/C Advances pursuant to Section 2.26(c) in respect of Unreimbursed Amounts, in each case, arising on or after such date, regardless of whether any Default existed on the 2025 Revolving Facility Maturity Date; provided that the Revolving Credit Exposure of each 2027 Revolving Credit Lender does not exceed such 2027 Revolving Credit Lender's Revolving Credit Commitment.

SECTION 2.10. **Conversion and Continuation of Borrowings.** (a) The Borrower shall have the right at any time upon prior irrevocable notice (including by telephone or e-mail, which in the case of telephonic notice, shall be promptly followed by written notice) to the Administrative Agent (x) not later than 2:00 p.m., New York City time, one Business Day prior to conversion, to convert any Eurodollar Borrowing or SOFR Borrowing into an ABR Borrowing, (y) not later than 2:00 p.m., New York City time, three Business Days prior to conversion or continuation (or such shorter period as may be agreed by the Administrative Agent), to convert any ABR Borrowing into a Eurodollar Borrowing or to convert any ABR Borrowing consisting of 2025 Revolving Credit Loans or 2027 Revolving Credit Loans into a SOFR Borrowing or to continue any Eurodollar Borrowing as a Eurodollar Borrowing or a SOFR Borrowings as a SOFR Borrowing for an additional Interest Period and (z) not later than 2:00 p.m., New York City time, three Business Days prior to conversion (or such shorter period as may be agreed by the Administrative Agent), to convert the Interest Period with respect to any Eurodollar Borrowing or SOFR Borrowing to another permissible Interest Period, subject in each case to the following:

- (i) no SOFR Borrowing may be converted into Eurodollar Borrowing;
- (ii) each conversion or continuation shall be made *pro rata* among the Lenders in accordance with the respective principal amounts of the Loans comprising the converted or continued Borrowing;
- (iii) if less than all the outstanding principal amount of any Borrowing shall be converted or continued, then each resulting Borrowing shall satisfy the limitations specified in Section 2.02 regarding the principal amount and maximum number of Borrowings of the relevant Type;
- (iv) each conversion shall be effected by each Lender and the Administrative Agent by recording for the account of such Lender the new Loan of such Lender resulting from such conversion and reducing the Loan (or portion thereof) of such Lender being converted by an equivalent principal amount; accrued interest on any Eurodollar Loan or

SOFR Loan (or, in each case, portion thereof) being converted shall be paid by the Borrower at the time of conversion;

(v) if any Eurodollar Borrowing or SOFR Borrowing is converted at a time other than the end of the Interest Period applicable thereto, the Borrower shall pay, upon demand, any amounts due to the Lenders pursuant to Section 2.16;

(vi) any portion of a Eurodollar Borrowing, SOFR Borrowing or ABR Borrowing maturing or required to be repaid in less than one month may not be converted into or continued as a Eurodollar Borrowing or SOFR Borrowing;

(vii) any portion of a Eurodollar Borrowing or SOFR Borrowing that cannot be converted into or continued as a Eurodollar Borrowing or SOFR Borrowing by reason of the immediately preceding clause shall be automatically converted at the end of the Interest Period in effect into an ABR Borrowing;

(viii) no Interest Period may be selected for any Eurodollar Borrowing or SOFR Borrowing that would end later than a Repayment Date occurring on or after the first day of such Interest Period if, after giving effect to such selection, the aggregate outstanding amount of (A) the Eurodollar Borrowings or SOFR Borrowings comprised of Loans or Other Loans, as applicable, with Interest Periods ending on or prior to such Repayment Date and (B) the ABR Borrowings comprised of Loans or Other Loans, as applicable, would not be at least equal to the principal amount of Borrowings to be paid on such Repayment Date;

(ix) upon notice to the Borrower from the Administrative Agent given at the request of the Required Lenders, after the occurrence and during the continuance of a Default or Event of Default, no outstanding Loan may be converted into, or continued as, a Eurodollar Loan or SOFR Loan;

(x) all Eurodollar Loans or SOFR Loans comprising a Borrowing shall at all times have the same Interest Period.; and

(xi) no Interest Period for any Eurodollar Borrowing may begin after June 30, 2023.

(b) Each notice pursuant to this Section 2.10 shall be irrevocable and shall refer to this Agreement and specify (i) the identity and amount of the Borrowing that the Borrower requests be converted or continued, (ii) whether such Borrowing is to be converted to or continued as a Eurodollar Borrowing, SOFR Borrowing or an ABR Borrowing, (iii) if such notice requests a conversion, the date of such conversion (which shall be a Business Day) and

(iv) if such Borrowing is to be converted to or continued as a Eurodollar Borrowing or SOFR Borrowing, the Interest Period with respect thereto. If no Interest Period is specified in any such notice with respect to any conversion to or continuation as a Eurodollar Borrowing or SOFR Borrowing, the Borrower shall be deemed to have selected an Interest Period of one month's

duration. The Administrative Agent shall advise the Lenders of any notice given pursuant to this Section 2.10 and of each Lender's portion of any converted or continued Borrowing. If the Borrower shall not have given notice in accordance with this Section 2.10 to continue any Borrowing into a subsequent Interest Period (and shall not otherwise have given notice in accordance with this Section 2.10 to convert such Borrowing), such Borrowing shall, at the end of the Interest Period applicable thereto (unless repaid pursuant to the terms hereof), if a Eurodollar Borrowing or SOFR Borrowing, automatically be converted to an ABR Borrowing effective as of the expiration date of such current Interest Period.

SECTION 2.11. **Repayment of Borrowings.** (a) (i) The Borrower shall pay to the Administrative Agent, for the account of the Lenders holding Initial Term Loans (A) on April 15th, July 15th, October 15th and January 15th of each year ~~(each such date being called a "Repayment Date")~~, commencing with the first such date occurring during the first full fiscal quarter following the Closing Date, ~~and on each such date thereafter through the Initial Term Loan Maturity ending on or prior to the 2024 Incremental Effective Date~~; *provided* that if such day is not a Business Day, the Repayment Date shall be the next succeeding Business Day, amortization installments equal to 0.25% of the aggregate principal amount of such Initial Term Loans outstanding on the Funding Date; as adjusted from time to time pursuant to Sections 2.12(b), 2.13(e) and 2.22(d), and which payments shall be further reduced as a result of the application of prepayments in accordance with the order of priority set forth in Section 2.12 ~~and~~, (B) ~~after the 2024 Incremental Effective Date, on April 15th, July 15th, October 15th and January 15th of each year (each such date being called a "Repayment Date")~~, commencing with the first such date following the 2024 Incremental Effective Date; *provided* that if such day is not a Business Day, the Repayment Date shall be the next succeeding Business Day, amortization installments equal to 0.260416666666667% of the aggregate principal amount of such Initial Term Loans outstanding on the 2024 Incremental Effective Date; as adjusted from time to time pursuant to Sections 2.12(b), 2.13(e) and 2.22(d), and which payments shall be further reduced as a result of the application of prepayments in accordance with the order of priority set forth in Section 2.12 and (C) on the Initial Term Loan Maturity Date, the aggregate unpaid principal amount of all Initial Term Loans on such date, together with accrued and unpaid interest on the principal amount to be paid to but excluding such date. For the avoidance of doubt the aggregate principal amount of the Loans extended on the draw date thereof shall be the face amount of such Loans without giving effect to any upfront fees or OID.

(ii) The repayment dates and amounts for any Incremental Loans, Loans of an Extended Class or Refinancing Loans shall be set forth in the applicable Incremental Loan Assumption Agreement, Extension Amendment or Refinancing Amendment, subject to any limitations set forth, as applicable, in Sections 2.22, 2.23 or 2.24.

(iii) The Borrower shall repay to the Administrative Agent for the ratable account of the Appropriate Lenders on the Maturity Date for any Class of Revolving Credit Commitments the aggregate outstanding principal amount of all Revolving Credit Loans made in respect of such Revolving Credit Commitments.

(iv) The Borrower shall repay the aggregate principal amount of each Swing Line Loan on the earlier to occur of (A) the date five Business Days after such Loan is made, (B) the Latest Maturity Date for the Participating Revolving Credit Commitments and (C) the date a Revolving Credit Loan is made to the Borrower pursuant to Section 2.01(b); *provided* that such repayment may be made from the proceeds of a Revolving Credit Borrowing.

(b) To the extent not previously paid, all Initial Loans, Incremental Loans and Loans of an Extended Class shall be due and payable on their respective Maturity Date, the Incremental Loan Maturity Date and the maturity date of the Loans of such Extended Class, respectively, together with accrued and unpaid interest on the principal amount to be paid to but excluding the date of payment.

(c) All repayments pursuant to this Section 2.11 shall be subject to Section 2.16, but shall otherwise be without premium or penalty.

SECTION 2.12. ***Voluntary Prepayments***. (a) The Borrower shall have the right at any time and from time to time to prepay any Borrowing, in whole or in part, upon at least three Business Days' prior written or fax notice (or telephone notice promptly confirmed by written or fax notice) in the case of Eurodollar Loans or SOFR Loans, or written or fax notice (or telephone notice promptly confirmed by written or fax notice) at least one Business Day prior to the date of prepayment in the case of ABR Loans, to the Administrative Agent before 12:00 noon, New York City time; *provided, however*, that each partial prepayment shall be in an amount that is an integral multiple of \$1,000,000 and not less than \$5,000,000 (or in such lower minimum amounts or multiples as agreed to by the Administrative Agent in its reasonable discretion). All voluntary prepayments, including all optional prepayments under this Section 2.12 shall be subject to Section 2.16, but otherwise without premium (except as set forth in Section 2.12(d)) or penalty. Any such notice of prepayment pursuant to this Section 2.12(a) may state that it is conditioned upon the occurrence or non-occurrence of any event specified therein (including the effectiveness of other credit facilities), in which case such notice may be revoked by the Borrower or the Borrower may delay the date of prepayment identified therein to a later date reasonably acceptable to the Administrative Agent (in each case by written notice to the Administrative Agent on or prior to the specified effective date) if such condition is not satisfied or the satisfaction of such condition is delayed.

(b) Voluntary prepayments of any Class of outstanding Loans shall be applied to such Classes of Loans as the Borrower may direct, or in the absence of direction, ratable among the Classes, and thereafter to the remaining amortization payments under such Class, as the Borrower may direct, and in the absence of such direction, in direct order of maturity thereof; provided that, prior to the 2025 Revolving Facility Maturity Date, other than in connection with the termination of the 2025 Revolving Credit Commitments in full, voluntary prepayments of Revolving Credit Loans shall be applied on a pro rata basis to the 2025 Revolving Credit Loans and the 2027 Revolving Credit Loans.

(c) Notwithstanding anything in any Loan Document to the contrary, so long as no Specified Event of Default has occurred and is continuing or would result from such prepayment,

the Borrower may prepay the outstanding Term Loans (which shall, for the avoidance of doubt, be automatically and permanently cancelled immediately upon such prepayment) on the following basis:

(i) The Borrower shall have the right to make a voluntary prepayment of Term Loans at a discount to par pursuant to a Borrower Offer of Specified Discount Prepayment, Borrower Solicitation of Discount Range Prepayment Offers or Borrower Solicitation of Discounted Prepayment Offers (any such prepayment, the “**Discounted Term Loan Prepayment**”), in each case made in accordance with this Section 2.12(c).

(ii) (A) The Borrower may from time to time offer to make a Discounted Term Loan Prepayment by providing the Auction Manager with three Business Days’ notice in the form of a Specified Discount Prepayment Notice; *provided* that (B) any such offer shall be made available, at the sole discretion of the Borrower, to (x) each Term Lender and/or (y) each Term Lender with respect to any Class of Term Loans on an individual Class basis (but in any event such prepayment need not be *pro rata* among all Classes), (C) any such offer shall specify the aggregate principal amount offered to be prepaid (the “**Specified Discount Prepayment Amount**”) with respect to each applicable Class, the Class or Classes of Term Loans subject to such offer and the specific percentage discount to par (the “**Specified Discount**”) of such Term Loans to be prepaid (it being understood that different Specified Discounts and/or Specified Discount Prepayment Amounts may be offered with respect to different Classes of Term Loans and, in such event, each such offer will be treated as a separate offer pursuant to the terms of this Section 2.12(c)(ii)), (D) the Specified Discount Prepayment Amount shall be in an aggregate amount not less than \$10,000,000 and whole increments of \$1,000,000 in excess thereof (or in such lower minimum amounts or multiples as agreed to by the Administrative Agent in its reasonable discretion) and (E) each such offer shall remain outstanding through the Specified Discount Prepayment Response Date. The Auction Manager will promptly provide each Appropriate Lender with a copy of such Specified Discount Prepayment Notice and a form of the Specified Discount Prepayment Response (such form a “**Specified Discount Prepayment Response**”) to be completed and returned by each such Term Lender to the Auction Manager (or its delegate) by no later than 5:00 p.m., New York City time, on the third Business Day after the date of delivery of such notice to such Term Lenders (which date may be extended for a period not exceeding three Business Days upon notice by the Borrower to, and with the consent of, the Auction Manager) (the “**Specified Discount Prepayment Response Date**”).

(B) Each Term Lender receiving such offer shall notify the Auction Manager (or its delegate) by the Specified Discount Prepayment Response Date whether or not it agrees to accept a prepayment of any of its applicable then outstanding Term Loans at the Specified Discount and, if so (such accepting Term Lender, a “**Discount Prepayment Accepting Term Lender**”), the amount and the Classes of such Term Lender’s Term Loans to be prepaid at such offered discount. Each acceptance of a Discounted Term Loan Prepayment by a Discount Prepayment Accepting Term Lender shall be irrevocable. Any Term Lender

whose Specified Discount Prepayment Response is not received by the Auction Manager by the Specified Discount Prepayment Response Date shall be deemed to have declined to accept the applicable Borrower Offer of Specified Discount Prepayment.

(C) If there is at least one Discount Prepayment Accepting Term Lender, the Borrower will make a prepayment of outstanding Term Loans pursuant to this paragraph (ii) to each Discount Prepayment Accepting Term Lender on the Discounted Prepayment Effective Date in accordance with the respective outstanding amount and Classes of Term Loans specified in such Term Lender's Specified Discount Prepayment Response given pursuant to subsection (B) above; *provided* that, if the aggregate principal amount of Term Loans accepted for prepayment by all Discount Prepayment Accepting Term Lenders exceeds the Specified Discount Prepayment Amount, such prepayment shall be made *pro rata* among the Discount Prepayment Accepting Term Lenders in accordance with the respective principal amounts accepted to be prepaid by each such Discount Prepayment Accepting Term Lender and the Auction Manager (in consultation with the Borrower and subject to rounding requirements of the Auction Manager made in its reasonable discretion) will calculate such proration (the "***Specified Discount Proration***"). The Auction Manager shall promptly, and in any case within three Business Days following the Specified Discount Prepayment Response Date, notify (1) the Borrower of the respective Term Lenders' responses to such offer, the Discounted Prepayment Effective Date and the aggregate principal amount of the Discounted Term Loan Prepayment and the Classes to be prepaid, (2) each Term Lender of the Discounted Prepayment Effective Date, and the aggregate principal amount and the Classes of Term Loans to be prepaid at the Specified Discount on such date and (3) each Discount Prepayment Accepting Term Lender of the Specified Discount Proration, if any, and confirmation of the principal amount, Class and Type of Term Loans of such Term Lender to be prepaid at the Specified Discount on such date. Each determination by the Auction Manager of the amounts stated in the foregoing notices to the Borrower and such Term Lenders shall be conclusive and binding for all purposes absent manifest error. The payment amount specified in such notice to the Borrower shall be due and payable by the Borrower on the Discounted Prepayment Effective Date in accordance with subsection (iv) below (subject to subsection (x) below).

(iii) (A) The Borrower may from time to time solicit Discount Range Prepayment Offers by providing the Auction Manager with three Business Days' notice in the form of a Discount Range Prepayment Notice; *provided* that (B) any such solicitation shall be extended, at the sole discretion of the Borrower, to (x) each Term Lender and/or (y) each Term Lender with respect to any Class of Term Loans on an individual Class basis, (C) any such notice shall specify the maximum aggregate principal amount of the relevant Term Loans (the "***Discount Range Prepayment Amount***"), the Class or Classes of Term Loans subject to such offer and the maximum and minimum

percentage discounts to par (the “**Discount Range**”) of the principal amount of such Term Loans with respect to each relevant Class of Term Loans willing to be prepaid by the Borrower (it being understood that different Discount Ranges and/or Discount Range Prepayment Amounts may be offered with respect to different Classes of Term Loans and, in such event, each such offer will be treated as a separate offer pursuant to the terms of this Section 2.12(c)(iii)), (D) the Discount Range Prepayment Amount shall be in an aggregate amount not less than \$10,000,000 and whole increments of \$1,000,000 in excess thereof (or in such lower minimum amounts or multiples as agreed to by the Administrative Agent in its reasonable discretion) and (E) each such solicitation by the Borrower shall remain outstanding through the Discount Range Prepayment Response Date. The Auction Manager will promptly provide each Appropriate Lender with a copy of such Discount Range Prepayment Notice and a form of the Discount Range Prepayment Offer to be submitted by a responding Term Lender to the Auction Manager (or its delegate) by no later than 5:00 p.m., New York City time, on the third Business Day after the date of delivery of such notice to such Term Lenders (which date may be extended for a period not exceeding three Business Days upon notice by the Borrower to, and with the consent of, the Auction Manager) (the “**Discount Range Prepayment Response Date**”). Each Term Lender’s Discount Range Prepayment Offer shall be irrevocable and shall specify a discount to par within the Discount Range (the “**Submitted Discount**”) at which such Term Lender is willing to allow prepayment of any or all of its then outstanding Term Loans of the applicable Class or Classes and the maximum aggregate principal amount and Classes of such Term Lender’s Term Loans (the “**Submitted Amount**”) such Term Lender is willing to have prepaid at the Submitted Discount. Any Term Lender whose Discount Range Prepayment Offer is not received by the Auction Manager by the Discount Range Prepayment Response Date shall be deemed to have declined to accept a Discounted Term Loan Prepayment of any of its Term Loans at any discount to their par value within the Discount Range.

(B) The Auction Manager shall review all Discount Range Prepayment Offers received on or before the applicable Discount Range Prepayment Response Date and shall determine (in consultation with the Borrower and subject to rounding requirements of the Auction Manager made in its sole reasonable discretion) the Applicable Discount and Term Loans to be prepaid at such Applicable Discount in accordance with this subsection (B). The Borrower agrees to accept on the Discount Range Prepayment Response Date all Discount Range Prepayment Offers received by the Auction Manager within the Discount Range by the Discount Range Prepayment Response Date, in the order from the Submitted Discount that is the largest discount to par to the Submitted Discount that is the smallest discount to par, up to and including the Submitted Discount that is the smallest discount to par within the Discount Range (such Submitted Discount that is the smallest discount to par within the Discount Range being referred to as the “**Applicable Discount**”) which yields a Discounted Term Loan Prepayment in an aggregate principal amount equal to the lower of (1) the Discount Range Prepayment Amount and (2) the sum of all Submitted Amounts. Each Term Lender that has submitted a Discount Range Prepayment Offer to

accept prepayment at a discount to par that is larger than or equal to the Applicable Discount shall be deemed to have irrevocably consented to prepayment of Term Loans equal to its Submitted Amount (subject to any required proration pursuant to the following subsection (C)) at the Applicable Discount (each such Term Lender, a “**Participating Term Lender**”).

(C) If there is at least one Participating Term Lender, the Borrower will prepay the respective outstanding Term Loans of each Participating Term Lender on the Discounted Prepayment Effective Date in the aggregate principal amount and of the Classes specified in such Term Lender’s Discount Range Prepayment Offer at the Applicable Discount; *provided* that if the Submitted Amount by all Participating Term Lenders offered at a discount to par greater than the Applicable Discount exceeds the Discount Range Prepayment Amount, prepayment of the principal amount of the relevant Term Loans for those Participating Term Lenders whose Submitted Discount is a discount to par greater than or equal to the Applicable Discount (the “**Identified Participating Term Lenders**”) shall be made *pro rata* among the Identified Participating Term Lenders in accordance with the Submitted Amount of each such Identified Participating Term Lender and the Auction Manager (in consultation with the Borrower and subject to rounding requirements of the Auction Manager made in its sole reasonable discretion) will calculate such proration (the “**Discount Range Proration**”). The Auction Manager shall promptly, and in any case within five Business Days following the Discount Range Prepayment Response Date, notify (1) the Borrower of the respective Term Lenders’ responses to such solicitation, the Discounted Prepayment Effective Date, the Applicable Discount, and the aggregate principal amount of the Discounted Term Loan Prepayment and the Classes to be prepaid, (2) each Term Lender of the Discounted Prepayment Effective Date, the Applicable Discount, and the aggregate principal amount and Classes of Term Loans to be prepaid at the Applicable Discount on such date, (3) each Participating Term Lender of the aggregate principal amount and Classes of such Term Lender to be prepaid at the Applicable Discount on such date and (4) if applicable, each Identified Participating Term Lender of the Discount Range Proration. Each determination by the Auction Manager of the amounts stated in the foregoing notices to the Borrower and Term Lenders shall be conclusive and binding for all purposes absent manifest error. The payment amount specified in such notice to the Borrower shall be due and payable by the Borrower on the Discounted Prepayment Effective Date in accordance with subsection (vi) below (subject to subsection (x) below).

(iv) (A) The Borrower may from time to time solicit Solicited Discounted Prepayment Offers by providing the Auction Manager with three Business Days’ notice (a “**Solicited Discounted Prepayment Notice**”); *provided* that (B) any such solicitation shall be extended, at the sole discretion of the Borrower, to (x) each Term Lender and/or (y) each Term Lender with respect to any Class of Term Loans on an individual Class basis, (C) any such notice shall specify the maximum aggregate amount of the Term

Loans (the “**Solicited Discounted Prepayment Amount**”) and the Class or Classes of Term Loans the Borrower is willing to prepay at a discount (it being understood that different Solicited Discounted Prepayment Amounts may be offered with respect to different Classes of Term Loans and, in such event, each such offer will be treated as a separate offer pursuant to the terms of this Section 2.12(c)(iv)), (D) the Solicited Discounted Prepayment Amount shall be in an aggregate amount not less than \$10,000,000 and whole increments of \$1,000,000 in excess thereof (or in such lower minimum amounts or multiples as agreed to by the Administrative Agent in its reasonable discretion) and (E) each such solicitation by the Borrower shall remain outstanding through the Solicited Discounted Prepayment Response Date. The Auction Manager will promptly provide each Appropriate Lender with a copy of such Solicited Discounted Prepayment Notice and a form of the Solicited Discounted Prepayment Offer to be submitted by a responding Term Lender to the Auction Manager (or its delegate) by no later than 5:00 p.m., New York City time, on the third Business Day after the date of delivery of such notice to such Term Lenders (which date may be extended for a period not exceeding three Business Days upon notice by the Borrower to the Auction Manager) (the “**Solicited Discounted Prepayment Response Date**”). Each Term Lender’s Solicited Discounted Prepayment Offer shall (x) be irrevocable, (y) remain outstanding until the Acceptance Date and (z) specify both a discount to par (the “**Offered Discount**”) at which such Term Lender is willing to allow prepayment of its then outstanding Term Loan and the maximum aggregate principal amount and Classes of such Term Loans (the “**Offered Amount**”) such Term Lender is willing to have prepaid at the Offered Discount. Any Term Lender whose Solicited Discounted Prepayment Offer is not received by the Auction Manager by the Solicited Discounted Prepayment Response Date shall be deemed to have declined prepayment of any of its Term Loans at any discount.

(B) The Auction Manager shall promptly provide the Borrower with a copy of all Solicited Discounted Prepayment Offers received on or before the Solicited Discounted Prepayment Response Date. The Borrower shall review all such Solicited Discounted Prepayment Offers and select the smallest of the Offered Discounts specified by the relevant responding Term Lenders in the Solicited Discounted Prepayment Offers that is acceptable to the Borrower in its sole discretion (the “**Acceptable Discount**”), if any. If the Borrower elects, in its sole discretion, to accept any Offered Discount as the Acceptable Discount, then as soon as practicable after the determination of the Acceptable Discount, but in no event later than by the third Business Day after the date of receipt by the Borrower from the Auction Manager of a copy of all Solicited Discounted Prepayment Offers pursuant to the first sentence of this subsection (B) (the “**Acceptance Date**”), the Borrower shall submit a notice to the Auction Manager setting forth the Acceptable Discount (an “**Acceptance and Prepayment Notice**”). If the Auction Manager shall fail to receive an Acceptance and Prepayment Notice from the Borrower by the Acceptance Date, the Borrower shall be deemed to have rejected all Solicited Discounted Prepayment Offers.

(C) Based upon the Acceptable Discount and the Solicited Discounted Prepayment Offers received by Auction Manager by the Solicited Discounted Prepayment Response Date, within three Business Days after receipt of an Acceptance and Prepayment Notice (the “**Discounted Prepayment Determination Date**”), the Auction Manager will determine (in consultation with the Borrower and subject to rounding requirements of the Auction Manager made in its sole reasonable discretion) the aggregate principal amount and the Classes of Term Loans (the “**Acceptable Prepayment Amount**”) to be prepaid by the Borrower at the Acceptable Discount in accordance with this Section 2.12(c)(iv). If the Borrower elects to accept any Acceptable Discount, then the Borrower agrees to accept all Solicited Discounted Prepayment Offers received by Auction Manager by the Solicited Discounted Prepayment Response Date, in the order from largest Offered Discount to smallest Offered Discount, up to and including the Acceptable Discount. Each Term Lender that has submitted a Solicited Discounted Prepayment Offer with an Offered Discount that is greater than or equal to the Acceptable Discount shall be deemed to have irrevocably consented to prepayment of Term Loans equal to its Offered Amount (subject to any required pro-rata reduction pursuant to the following sentence) at the Acceptable Discount (each such Term Lender, a “**Qualifying Term Lender**”). The Borrower will prepay outstanding Term Loans pursuant to this subsection (iv) to each Qualifying Term Lender in the aggregate principal amount and of the Classes specified in such Term Lender’s Solicited Discounted Prepayment Offer at the Acceptable Discount; *provided* that if the aggregate Offered Amount by all Qualifying Term Lenders whose Offered Discount is greater than or equal to the Acceptable Discount exceeds the Solicited Discounted Prepayment Amount, prepayment of the principal amount of the Term Loans for those Qualifying Term Lenders whose Offered Discount is greater than or equal to the Acceptable Discount (the “**Identified Qualifying Term Lenders**”) shall be made *pro rata* among the Identified Qualifying Term Lenders in accordance with the Offered Amount of each such Identified Qualifying Term Lender and the Auction Manager (in consultation with the Borrower and subject to rounding requirements of the Auction Manager made in its sole reasonable discretion) will calculate such proration (the “**Solicited Discount Proration**”). On or prior to the Discounted Prepayment Determination Date, the Auction Manager shall promptly notify (1) the Borrower of the Discounted Prepayment Effective Date and Acceptable Prepayment Amount comprising the Discounted Term Loan Prepayment and the Classes to be prepaid, (2) each Term Lender of the Discounted Prepayment Effective Date, the Acceptable Discount, and the Acceptable Prepayment Amount of all Term Loans and the Classes to be prepaid at the Applicable Discount on such date, (3) each Qualifying Term Lender of the aggregate principal amount and the Classes of such Term Lender to be prepaid at the Acceptable Discount on such date and (4) if applicable, each Identified Qualifying Term Lender of the Solicited Discount Proration. Each determination by the Auction Manager of the amounts stated in the foregoing notices to the Borrower and Term Lenders shall be conclusive and binding for all purposes absent manifest error.

The payment

amount specified in such notice to the Borrower shall be due and payable by the Borrower on the Discounted Prepayment Effective Date in accordance with subsection (vi) below (subject to subsection (x) below).

(v) In connection with any Discounted Term Loan Prepayment, the Group Members and the Term Lenders acknowledge and agree that the Auction Manager may require as a condition to any Discounted Term Loan Prepayment, the payment of customary and documented fees and out-of-pocket expenses from the Borrower in connection therewith.

(vi) If any Term Loan is prepaid in accordance with paragraphs (ii) through (iv) above, the Borrower shall prepay such Term Loans on the Discounted Prepayment Effective Date without premium or penalty, except as set forth in Section 2.12(d). The Borrower shall make such prepayment to the Administrative Agent, for the account of the Discount Prepayment Accepting Lenders, Participating Term Lenders, or Qualifying Term Lenders, as applicable, at the Administrative Agent's office in immediately available funds not later than 1:00 p.m., New York City time, on the Discounted Prepayment Effective Date and all such prepayments shall be applied to the remaining scheduled installments of principal of the relevant Class of Term Loans pursuant to Section 2.11 on a *pro rata* basis across the installments applicable to the Class of Term Loans so prepaid. The Term Loans so prepaid shall be, as set forth in this Section 2.12(c), accompanied by all accrued and unpaid interest on the par principal amount so prepaid up to, but not including, the Discounted Prepayment Effective Date. Each prepayment of the outstanding Term Loans pursuant to this Section 2.12(c) shall be paid to the Discount Prepayment Accepting Lenders, Participating Term Lenders, or Qualifying Term Lenders, as applicable, and shall be applied to the relevant Borrowings of Term Loans of the applicable Class of such Term Lenders ratably. The aggregate principal amount of the Classes and installments of the relevant Term Loans outstanding shall be deemed reduced by the full par value of the aggregate principal amount of the Classes of Term Loans prepaid on the Discounted Prepayment Effective Date in any Discounted Term Loan Prepayment.

(vii) To the extent not expressly provided for herein, each Discounted Term Loan Prepayment shall be consummated pursuant to procedures consistent with the provisions in this Section 2.12(c), established by the Auction Manager acting in its reasonable discretion and as reasonably agreed by the Borrower.

(viii) Notwithstanding anything in any Loan Document to the contrary, for purposes of this Section 2.12(c), each notice or other communication required to be delivered or otherwise provided to the Auction Manager (or its delegate) shall be deemed to have been given upon the Auction Manager's (or its delegate's) actual receipt during normal business hours of such notice or communication; *provided* that any notice or communication actually received outside of normal business hours shall be deemed to have been given as of the opening of business on the next Business Day.

(ix) Each of the Group Members and the Term Lenders acknowledge and agree that the Auction Manager may perform any and all of its duties under this Section 2.12(c) by itself or through any Affiliate of the Auction Manager and expressly consents to any such delegation of duties by the Auction Manager to such Affiliate and the performance of such delegated duties by such Affiliate. The exculpatory provisions pursuant to this Agreement shall apply to each Affiliate of the Auction Manager and its respective activities in connection with any Discounted Term Loan Prepayment provided for in this Section 2.12(c) as well as activities of the Auction Manager.

(x) The Borrower shall have the right, by written notice to the Auction Manager, to revoke or modify its offer to make a Discounted Term Loan Prepayment and rescind the applicable Specified Discount Prepayment Notice, Discount Range Prepayment Notice or Solicited Discounted Prepayment Notice therefor at its discretion at any time on or prior to the applicable Specified Discount Prepayment Response Date (and if such offer is revoked pursuant to the preceding clauses, any failure by the Borrower to make any prepayment to a Term Lender, as applicable, pursuant to this Section 2.12(c) shall not constitute a Default or Event of Default under Section 7.01 of this Agreement or otherwise).

Notwithstanding anything to the contrary contained in this Agreement, any Borrower Offer of Specified Discount Prepayment, Borrower Solicitation of Discount Range Prepayment Offers or Borrower Solicitation of Discounted Prepayment Offers pursuant to this Section 2.12 may state that it is conditioned upon the occurrence or non-occurrence of any event specified therein (including the effectiveness of other credit facilities), in which case such notice may be revoked by the Borrower or the Borrower may delay the date of Borrower Offer of Specified Discount Prepayment, Borrower Solicitation of Discount Range Prepayment Offers or Borrower Solicitation of Discounted Prepayment Offers identified therein (by written notice to the Administrative Agent on or prior to the specified effective date) if such condition is not satisfied or the satisfaction of such condition is delayed.

(d) In the event that on or prior to the date that is six months from the Funding Date either (i) the Borrower makes any prepayment of Initial Term Loans in connection with a Repricing Transaction (including by way of a Refinancing Amendment) or (ii) effects any amendment of this Agreement resulting in a Repricing Transaction, the Borrower shall pay to the Administrative Agent for the ratable account of the Lenders, in the case of clause (i) 1.00% of the principal amount of the Initial Term Loans so repaid, or in the case of clause (ii) a payment equal to 1.00% of the aggregate amount of the Initial Term Loans subject to such Repricing Transaction.

SECTION 2.13. **Mandatory Prepayments.** (a) (i) Any Net Available Cash from Asset Dispositions that is not applied or invested or committed to be applied or invested as provided in Section 4.08(b) of Annex I hereof will be deemed to constitute "Excess Proceeds".

(ii) On or prior to the 366th day (or the 546th day, in the case of any Net Available Cash committed to be used pursuant to a definitive binding agreement or

commitment approved by the Board of Directors of the Borrower pursuant to clauses (2) or (3) of Section 4.08(b) of Annex I hereof after the later of (A) the date of such Asset Disposition and (B) the receipt of such Net Available Cash, if the aggregate amount of Excess Proceeds exceeds \$35 million, the Borrower shall (1) deliver a notice of prepayment to the Administrative Agent in accordance with Section 2.13(g) and (2) to the extent the Borrower elects, or the Borrower or a Guarantor is required by the terms of other outstanding Pari Passu Indebtedness, deliver a notice of prepayment or redemption, or make an offer, to all holders of such other outstanding Pari Passu Indebtedness, in each case, to prepay or purchase the maximum principal amount of Term Loans and any such Pari Passu Indebtedness to which such notice or offer apply that may be prepaid or purchased out of the Excess Proceeds, on a *pro rata* basis, calculated in accordance with Section 2.13(h).

(iii) The Borrower shall (x) in the case of Term Loans, no earlier than 10 days and no later than 35 days following the notice referred to in Section 2.13(a)(ii)(B)(1) above and subject to Section 2.13(h) and (y) in the case of any Pari Passu Indebtedness, within the time periods required by such Pari Passu Indebtedness and subject to any provisions under any agreement or governing such Pari Passu Indebtedness that are analogous to Section 2.13(h), prepay or purchase the Term Loans and such Pari Passu Indebtedness in accordance with such notice or offer at an offer price equal to (and, in the case of any Pari Passu Indebtedness, an offer price of no more than) 100% of the principal amount of thereof, *plus* accrued and unpaid interest, if any, to, but not including, the date of purchase, in accordance with the procedures set forth in this Agreement or the agreements governing the Pari Passu Indebtedness, as applicable.

(b) If the Borrower or any Restricted Subsidiary Incurs any Indebtedness (other than Indebtedness not prohibited to be Incurred under Section 4.04 of Annex I of this Agreement), the Borrower shall cause to be offered to be prepaid an aggregate principal amount of Term Loans in an amount equal to 100% of all Net Cash Proceeds received therefrom on or prior to the date which is five Business Days after the receipt by the Borrower or such Restricted Subsidiary of such Net Cash Proceeds.

(c) No later than 10 days after the date on which the financial statements are required to be delivered pursuant to Section 4.10(a)(1) of Annex I hereof (such date the “*ECF Prepayment Date*”), commencing with the financial statements delivered with respect to the fiscal year of the Borrower ending December 31, 2021, the Borrower shall prepay outstanding Term Loans in accordance with Section 2.13(f) with the Pari Ratable Share of an amount equal to 50% (the “*ECF Percentage*”) of Excess Cash Flow for the fiscal year then ended; *provided* that (x) in calculating such Pari Ratable Share, outstanding revolving indebtedness that is Pari Passu Indebtedness shall not be included in the calculation of outstanding Pari Passu Indebtedness except to the extent such revolving indebtedness is prepaid or offered to be prepaid (with a permanent reduction of corresponding commitments) no later than the ECF Prepayment Date with its Pari Ratable Share of an amount equal to 50% of Excess Cash Flow for the fiscal year then ended and (y) such Pari Ratable Share shall be reduced by (without duplication of prepayments contemplated in clause (x) above or by any such amounts deducted pursuant to this

Section 2.13(c) in a previous year) (i) the aggregate principal amount of any voluntary prepayments, repurchases or redemptions of Loans pursuant to Section 2.12 and any voluntary prepayments, repurchases or redemptions of Pari Passu Indebtedness pursuant to any equivalent voluntary prepayment provision in the documentation governing such other Pari Passu Indebtedness (and in the case of any revolving indebtedness, solely to the extent the corresponding commitments are permanently reduced); (ii) repayments or prepayments of Revolving Credit Loans made on the Closing Date, the proceeds of which were used to fund any original issue discount or upfront fees required in connection with the “market flex” provisions of the Fee Letter or in connection with the issuance of the Senior Notes, the Senior Secured Notes or otherwise were used to fund the Transactions on or prior to the Closing Date; (iii) the amount of any reductions in the outstanding principal amount of any Loans and Pari Passu Indebtedness (and in the case of any revolving indebtedness, solely to the extent the corresponding commitments are permanently reduced), in each case resulting from any assignments made in accordance with Section 9.04(k) or (l) (or any equivalent provision in the documentation governing such other Pari Passu Indebtedness) made or effected during such fiscal year and on or after the end of such fiscal year but prior to the ECF Prepayment Date (the “**Applicable ECF Deduct Period**”); (iv) the amount of any Permitted Investment made in cash (other than any Permitted Investments pursuant to clauses (a)(i) and (c) of the definition thereof) and any Restricted Payment made in cash pursuant to Section 4.05 of Article IV in Annex I hereof, in each case, that are made during such Applicable ECF Deduct Period by the Borrower or, in the case of Permitted Investments, the Borrower or any Restricted Subsidiary thereof with Internally Generated Cash and (v) the aggregate amount of Permitted Expenditures to the extent expected to be consummated or made, as applicable, during the period of four consecutive fiscal quarters of the Borrower following the end of such fiscal year for which the Excess Cash Flow is being calculated, and expected in good faith to be financed with Internally Generated Cash; *provided* that to the extent that the aggregate amount of Permitted Expenditures financed with Internally Generated Cash and paid in cash during such following period of four consecutive fiscal quarters is less than the aggregate amount of Planned Expenditures expected to be financed with Internally Generated Cash, the amount of such shortfall shall be added to the ECF Payment Amount at the end of such following period of four consecutive fiscal quarters; *provided* that, in each case, such prepayments are not funded with proceeds of long-term Indebtedness (other than revolving indebtedness) (the “**ECF Payment Amount**”); *provided, further*, that (x) a prepayment of Term Loans pursuant to this Section 2.13(c) in respect of any fiscal year shall only be required in the amount (if any) by which the ECF Payment Amount for such fiscal year exceeds \$15.0 million, (y) the ECF Percentage for any fiscal year with respect to which Excess Cash Flow is measured shall be reduced to (i) 25% if the Consolidated Net Senior Secured Leverage Ratio as of the last day of such fiscal year is less than or equal to 4.50 to 1.00, and greater than 4.25 to 1.00 (with the ECF Percentage being calculated after giving effect to such prepayment at a rate of 50%) and (ii) to zero if the Consolidated Net Senior Secured Leverage Ratio as of the last day of such fiscal year is less than or equal to 4.25 to 1.00 (with the ECF Percentage being calculated after giving effect to such prepayment at a rate of 25%). Notwithstanding anything to the contrary contained in this Agreement, when calculating the Consolidated Net Senior Secured Leverage Ratio for the purposes of this Section 2.13(c), Specified Indebtedness shall be determined after giving *pro forma* effect to any voluntary prepayments made pursuant to Section 2.12 and any voluntary prepayments of Pari Passu Indebtedness, in each case, after the end of the

Borrower's most recently ended full fiscal year and prior to the ECF Prepayment Date and assuming such payments had been made on the last day of such fiscal year. For purposes of this Section 2.13(c), any voluntary prepayments of Loans or other Pari Passu Indebtedness shall include purchases of Loans or other Pari Passu Indebtedness by the Borrower or any Restricted Subsidiary at or below par, in accordance with Section 2.12(c) in the case of the Term Loans, or any equivalent provision in the documentation governing such other Pari Passu Indebtedness, in which case the amount of voluntary prepayments of Loans or other Pari Passu Indebtedness shall be deemed not to exceed the actual purchase price of such Loans or other Pari Passu Indebtedness below par.

(d) Notwithstanding anything to the contrary in this Agreement, for purposes of this Section 2.13, (i) to the extent that any or all of the Excess Proceeds or Excess Cash Flow realized by a direct or indirect Subsidiary of the Borrower that is not a U.S. Person are prohibited or delayed by applicable local law from being repatriated to the United States, the portion of such Excess Proceeds or Excess Cash Flow so affected will not be required to be applied to repay Term Loans at the times provided in this Section 2.13(a) or (c), as applicable, but may be retained by the applicable Subsidiary so long, but only so long, as the applicable local law will not permit repatriation to the United States (the Borrower hereby agreeing to cause the applicable Subsidiary to promptly take all actions reasonably required by the applicable local law to permit such repatriation), and once such repatriation of any of such affected Excess Proceeds or Excess Cash Flow is permitted under the applicable local law, an amount equal to such Excess Proceeds or Excess Cash Flow permitted to be repatriated will be promptly (and in any event no later than two Business Days after any such repatriation) applied (net of additional taxes that are or would be payable or reserved against as a result thereof) to the repayment of the Term Loans pursuant to this Section 2.13 to the extent otherwise provided herein or (ii) to the extent that the Borrower determines in good faith that repatriation of an amount equal to any or all of the Excess Proceeds or Excess Cash Flow by such Subsidiary that is not a U.S. person would have material adverse tax consequences with respect to such Excess Proceeds or Excess Cash Flow, the Excess Proceeds or Excess Cash Flow so affected shall not be required to be applied to repay Loans at the times provided in accordance with Sections 2.13(a) or (c), as applicable, and may be deducted from any amounts otherwise due under Sections 2.13(a) or (c), as applicable, so long, but only so long, as the Borrower believes in good faith that repatriation of such amount would have material adverse tax consequences; *provided* that if repatriation of any affected portion of the Excess Proceeds or Excess Cash Flow would no longer have material adverse tax consequences, as determined by the Borrower in good faith, the Borrower shall promptly (and in any event within five Business Days) prepay the Loans in an amount equal to any such portion no longer affected.

(e) In the event and on such occasion that (i) the Revolving Credit Exposure of any Class exceeds the aggregate amount of the Revolving Credit Commitments of such Class or (ii) the Revolving Credit Exposure under Participating Revolving Credit Commitments exceeds the Participating Revolving Credit Commitments, the Borrower shall promptly (and in any event within five Business Days) prepay (or in the case of L/C Exposure, cash collateralize) the Revolving Credit Loans, L/C Exposure and/or Swing Line Loans with respect to such Class in an aggregate amount equal to such excess (it being understood that the Borrower shall prepay

Revolving Credit Loans and/or Swing Line Loans prior to cash collateralization of L/C Exposure). Following the Extension Amendment No. 1 Effective Date, if for any reason, at any time during the five (5) Business Day period immediately preceding the 2025 Revolving Facility Maturity Date, (x) the 2025 Revolving Credit Lenders with such 2025 Revolving Credit Commitments' Allocable Revolving Share of the Revolving Credit Exposure attributable to L/C Obligations exceeds (y) the amount of the 2027 Revolving Credit Commitments minus the 2027 Revolving Credit Lenders' Allocable Revolving Share of the total Revolving Credit Exposure at such time, then the Borrower shall promptly prepay or cause to be promptly prepaid Revolving Credit Loans and/or Cash Collateralize the L/C Obligations in an aggregate amount necessary to eliminate such excess; provided that the Borrower shall not be required to Cash Collateralize the L/C Obligations pursuant to this sentence unless after the prepayment in full of the Revolving Credit Loans, such excess has not been eliminated. Further, if for any reason, at any time during the five (5) Business Day period immediately preceding the 2025 Revolving Facility Maturity Date, if at such time there are outstanding Letters of Credit under such Class, then the Borrower shall prepay (in accordance with this Section 2.13) outstanding Revolving Credit Loans as needed so that, after giving effect to such prepayment, the Revolving Credit Exposure of the 2027 Revolving Credit Lenders will not, after giving effect to the reallocations which will be required pursuant to Section 2.09(d), exceed the amount of their respective 2027 Revolving Credit Commitments as in effect on (and after giving effect to) the 2025 Revolving Facility Maturity Date.

(f) Mandatory prepayments of outstanding Loans under this Agreement pursuant to Section 2.13(a) through (c) shall be allocated to any Class of Term Loans outstanding as directed by the Borrower, shall be applied *pro rata* to Term Lenders within such Class of Term Loans, based upon the outstanding principal amounts owing to each such Term Lender under such Class of Term Loans, and shall be applied against the remaining scheduled installments of principal due in respect of such Class of Term Loans as directed by the Borrower (and in the absence of such direction, in direct order of maturity); *provided* that, unless otherwise permitted under this Agreement, such prepayments may not be directed to a later maturing Class of Term Loans without at least a *pro rata* repayment of any earlier maturing Classes of Term Loans (except that any Class of Incremental Term Loans, Extended Term Loans or Refinancing Term Loans may specify that one or more other Classes of later maturing Term Loans may be prepaid prior to such Class of earlier maturing Term Loans).

(g) The Borrower shall deliver to the Administrative Agent, at the time of each prepayment required under this Section 2.13 (other than Section 2.13(e)), (i) a certificate signed by a Responsible Officer of the Borrower setting forth in reasonable detail the calculation of the amount of such prepayment and (ii) to the extent practicable (except in respect of prepayments required under Section 2.13(a)), at least three Business Days prior written notice of such prepayment. Any such notice of prepayment may state that such notice is conditioned upon the occurrence or non-occurrence of any event specified therein (including the effectiveness of other credit facilities), in which case such notice may be revoked by the Borrower or the Borrower may delay the date of prepayment identified therein (by written notice to the Administrative Agent, on or prior to the specified effective date) if such condition is not satisfied or the satisfaction of such condition is delayed. Each notice of prepayment shall specify the prepayment

date, the Type of each Loan being prepaid and the principal amount of each Loan (or portion thereof) to be prepaid. All prepayments of Borrowings under this Section 2.13 shall be subject to Section 2.16, but shall otherwise be without premium or penalty, and shall be accompanied by accrued and unpaid interest on the principal amount to be prepaid to but excluding the date of payment.

(h) The Administrative Agent shall promptly notify each Lender of the contents of any prepayment notices delivered to the Administrative Agent pursuant to clause (a) of this Section 2.13 and of such Lender's Pro Rata Share of the prepayment. Each Lender may reject all or a portion of its Pro Rata Share of any mandatory prepayment (such declined amounts, the "**Declined Proceeds**") of Term Loans required to be made pursuant to clause (a) of this Section 2.13 by providing written notice (each, a "**Rejection Notice**") to the Administrative Agent and the Borrower no later than 5:00 p.m., New York City time, on the date that is three Business Days (or such shorter period as may be agreed by the Administrative Agent in its reasonable discretion) prior to the proposed prepayment date. Each Rejection Notice from a given Lender shall specify the principal amount of the mandatory repayment of Loans to be rejected by such Lender. If a Lender fails to deliver a Rejection Notice to the Administrative Agent within the time frame specified above or such Rejection Notice fails to specify the principal amount of the Loans to be rejected, any such failure will be deemed an acceptance of the total amount of such mandatory prepayment of Loans. Any Declined Proceeds shall be retained by the Borrower and may be applied in any manner that is not prohibited by this Agreement. If the aggregate principal amount of the Term Loans to be prepaid and other Pari Passu Indebtedness required to be prepaid or redeemed or in respect of which the Borrower is required to make an offer to purchase or redeem, collectively, exceeds the amount of Excess Proceeds, the Excess Proceeds shall be allocated among the Term Loans and Pari Passu Indebtedness to be purchased on a *pro rata* basis on the basis of the aggregate principal amount of Loans and Pari Passu Indebtedness to be prepaid or purchased. Upon making any prepayment required by Section 2.13(a), subject to this clause (h), the amount of Excess Proceeds shall be reset at zero.

(i) In the event that any portion of the Initial Term Loans have funded into the Loan Escrow Account and have not yet been released from the Loan Escrow Agreement and (i) the Disposition does not take place on or prior to the Longstop Date; (ii) the Disposition is abandoned; or (iii) there is an Event of Default under Section 7.01(g) with respect to the Borrower (the date of any such event being the "**Loan Escrow Termination Date**"), the Borrower will no later than one Business Day following the Loan Escrow Termination Date deliver notice of the Loan Escrow Termination Date to the Loan Escrow Agent and the Administrative Agent and will provide that the Initial Term Loans outstanding at such time shall be repaid at a price equal to the Special Mandatory Repayment Amount for such Term Loans no later than the fifth Business Day after such notice is given by the Borrower in accordance with the terms of the Loan Escrow Agreement. Notwithstanding anything herein to the contrary, the Lenders hereby agree that upon payment of the Special Mandatory Repayment Amount (which the Lenders acknowledge and agree may be less than the face value of the Initial Term Loans), the full principal amount of such Term Loans will be deemed to have been paid in full and discharged.

SECTION 2.14. *Reserve Requirements; Change in Circumstances.*

(a) Notwithstanding any other provision of this Agreement, if any Change in Law shall impose, modify or deem applicable any reserve, special deposit, liquidity requirement, Tax (other than Indemnified Taxes indemnified pursuant to Section 2.20 and Excluded Taxes) or similar requirement against assets of, deposits with or for the account of or credit extended by any Lender or shall impose on such Lender or the London interbank market any other condition affecting this Agreement, Eurodollar Loans or SOFR Loans made by such Lender, and the result of any of the foregoing shall be to increase the cost to such Lender of making or maintaining any Eurodollar Loan or SOFR Loan or increase the cost to any Lender or to reduce the amount of any sum received or receivable by such Lender hereunder (whether of principal, interest or otherwise) by an amount deemed by such Lender to be material, then the Borrower will pay to such Lender upon demand such additional amount or amounts as will compensate such Lender for such additional costs incurred or reduction suffered.

(b) If any Lender shall have determined that any Change in Law (other than a Change in Law relating to Taxes) regarding capital adequacy or liquidity has had or would have the effect of reducing the rate of return on such Lender's capital or on the capital of such Lender's holding company, if any, as a consequence of this Agreement or the Loans made by such Lender pursuant hereto to a level below that which such Lender or such Lender's holding company could have achieved but for such Change in Law (taking into consideration such Lender's policies and the policies of such Lender's holding company with respect to capital adequacy and liquidity) by an amount deemed by such Lender to be material, then from time to time the Borrower shall pay to such Lender upon demand such additional amount or amounts as will compensate such Lender or such Lender's holding company for any such reduction suffered.

(c) A certificate of a Lender setting forth (i) the amount or amounts necessary to compensate such Lender or its holding company, as applicable, and (ii) the calculations supporting such amount or amounts, as specified in Sections 2.14(a) or (b) shall be delivered to the Borrower and shall be conclusive absent manifest error. The Borrower shall pay such Lender the amount shown as due on any such certificate delivered by it within 10 days after its receipt of the same.

(d) Failure or delay on the part of any Lender to demand compensation for any increased costs or reduction in amounts received or receivable or reduction in return on capital shall not constitute a waiver of such Lender's right to demand such compensation; *provided* that the Borrower shall not be under any obligation to compensate any Lender under Sections 2.14(a) or (b) with respect to increased costs or reductions with respect to any period prior to the date that is 180 days prior to such request if such Lender knew or would reasonably have been expected to know of the circumstances giving rise to such increased costs or reductions and of the fact that such circumstances would result in a claim for increased compensation by reason of such increased costs or reductions; *provided, further*, that the foregoing limitation shall not apply to any increased costs or reductions arising out of the retroactive application of any Change in Law within such 180-day period. The protection of this Section 2.14 shall be available to each

Lender regardless of any possible contention of the invalidity or inapplicability of the Change in Law that shall have occurred or been imposed.

SECTION 2.15. **Change in Legality.** (a) Notwithstanding any other provision of this Agreement, if any Change in Law shall make it unlawful for any Lender to make or maintain any Eurodollar Loan or SOFR Loan or to give effect to its obligations as contemplated hereby with respect to any Eurodollar Loan or SOFR Loan, then, by written notice to the Borrower and to the Administrative Agent:

(i) such Lender may declare that Eurodollar Loans or SOFR Loans, as applicable, will not thereafter (for the duration of such unlawfulness) be made by such Lender hereunder (or be continued for additional Interest Periods) and ABR Loans will not thereafter (for such duration) be converted into Eurodollar Loans or SOFR Loans, whereupon any request for a Eurodollar Borrowing or SOFR Borrowing (or to convert an ABR Borrowing to a Eurodollar Borrowing or SOFR Borrowing or to continue a Eurodollar Borrowing or a SOFR Borrowing for an additional Interest Period) shall, as to such Lender only be deemed in the event of Eurodollar Borrowings or SOFR Borrowings, a request for an ABR Loan (or a request to continue an ABR Loan as such for an additional Interest Period or to convert a Eurodollar Loan or a SOFR Loan into an ABR Loan, as the case may be); and

(ii) such Lender may require that all outstanding Eurodollar Loans or SOFR Loans made by it be converted to ABR Loans, in which event all such Eurodollar Loans or SOFR Loans shall be automatically converted to ABR Loans as of the effective date of such notice as provided in Section 2.15(b).

In the event any Lender shall exercise its rights under clauses (i) or (ii) above, all payments and prepayments of principal that would otherwise have been applied to repay the Eurodollar Loans or the SOFR Loans that would have been made by such Lender or the converted Eurodollar Loans or SOFR Loans of such Lender shall instead be applied to repay the ABR Loans made by such Lender in lieu of, or resulting from the conversion of, such Eurodollar Loans or SOFR Loans.

(b) For purposes of this Section 2.15, a notice to the Borrower by any Lender shall be effective as to each Eurodollar Loan or SOFR Loan made by such Lender, if lawful, on the last day of the Interest Period then applicable to such Eurodollar Loan or SOFR Loan; in all other cases such notice shall be effective on the date of receipt by the Borrower.

SECTION 2.16. **Breakage.** The Borrower shall indemnify each Lender against any loss or expense that such Lender may sustain or incur as a consequence of (a) any event, other than a default by such Lender in the performance of its obligations hereunder, which results in (i) such Lender receiving or being deemed to receive any amount on account of the principal of any Eurodollar Loan or SOFR Loan prior to the end of the Interest Period in effect therefor, (ii) the conversion of any Eurodollar Loan or SOFR Loan to an ABR Loan, or the conversion of the Interest Period with respect to any Eurodollar Loan or SOFR Loan, in each case other than on the last day of the Interest Period in effect therefor or (iii) any Eurodollar Loan or SOFR Loan to

be made by such Lender (including any Eurodollar Loan or SOFR Loan to be made pursuant to a conversion or continuation under Section 2.10) not being made after notice of such Loan shall have been given by the Borrower hereunder (any of the events referred to in this clause (a) being called a “**Breakage Event**”) or (b) any default in the making of any payment or prepayment of any Eurodollar Loan or SOFR Loan required to be made hereunder. In the case of any Breakage Event, such loss shall include an amount equal to the excess, as reasonably determined by such Lender, of (i) its cost of obtaining funds for the Eurodollar Loan or SOFR Loan that is the subject of such Breakage Event for the period from the date of such Breakage Event to the last day of the Interest Period in effect (or that would have been in effect) for such Loan over (ii) the amount of interest likely to be realized by such Lender in redeploying the funds released or not utilized by reason of such Breakage Event for such period. Each Lender shall provide a certificate setting forth any amount or amounts which such Lender is entitled to receive pursuant to this Section 2.16 to the Borrower within 180 days after the Breakage Event and such certificate shall be conclusive absent manifest error.

SECTION 2.17. **Pro Rata Treatment.** Except as set forth in Section 2.12, as required under Section 2.15 or otherwise stated herein, each Borrowing, each payment or prepayment of principal of any Borrowing, each payment of interest on the Loans and each conversion of any Borrowing to or continuation of any Borrowing as a Borrowing of any Type shall be allocated *pro rata* among the Lenders in accordance with their respective applicable Commitments (or, if such Commitments shall have expired or been terminated, in accordance with the respective principal amounts of their outstanding Loans). Each Lender agrees that in computing such Lender’s portion of any Borrowing to be made hereunder, the Administrative Agent may, in its discretion, round each Lender’s percentage of such Borrowing to the next higher or lower whole Dollar amount.

SECTION 2.18. **Sharing of Setoffs.** Each Lender agrees that if it shall, through the exercise of a right of banker’s lien, setoff or counterclaim against the Borrower or any other Loan Party, or pursuant to a secured claim under Section 506 of Title 11 of the United States Code or other security or interest arising from, or in lieu of, such secured claim, received by such Lender under any applicable bankruptcy, insolvency or other similar law or otherwise, or by any other means, obtain payment (voluntary or involuntary) in respect of any Loan or Loans, or participations in L/C Obligations and Swing Line Loans held by it, as a result of which the unpaid principal portion of its Loans, or participations in L/C Obligations and Swing Line Loans held by it, shall be proportionately less than the unpaid principal portion of the Loans of any other Lender, or participations in L/C Obligations and Swing Line Loans held by such other Lender, it shall be deemed simultaneously to have purchased from such other Lender at face value, and shall promptly pay to such other Lender the purchase price for, a participation in the Loans of such other Lender (or a sub-participation in the participations in L/C Obligations and Swing Line Loans held by such other Lender), so that the aggregate unpaid principal amount of the Loans and participations held by each Lender shall be in the same proportion to the aggregate unpaid principal amount of all Loans and participations then outstanding as the principal amount of its Loans and participations prior to such exercise of banker’s lien, setoff or counterclaim or other event was to the principal amount of all Loans and participations outstanding prior to such exercise of banker’s lien, setoff or counterclaim or other event; *provided, however*, that (a) if any

such purchase or purchases or adjustments shall be made pursuant to this Section 2.18 and the payment giving rise thereto shall thereafter be recovered, such purchase or purchases or adjustments shall be rescinded to the extent of such recovery and the purchase price or prices or adjustment restored without interest and (b) the provisions of this Section 2.18 shall not be construed to apply to any payment made by the Borrower pursuant to and in accordance with the express terms of this Agreement or any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans to any assignee or participant, other than to any Affiliates of the Borrower (as to which the provisions of this Section 2.18 shall apply); *provided, further*, that in the event that any Defaulting Lender shall exercise any such right of setoff, (x) all amounts so set off shall be paid over immediately to the Administrative Agent for further application in accordance with the provisions of Section 2.25 and, pending such payment, shall be segregated by such Defaulting Lender from its other funds and deemed held in trust for the benefit of the Administrative Agent and the Lenders and (y) the Defaulting Lender shall provide promptly to the Administrative Agent a statement describing in reasonable detail the Obligations owing to such Defaulting Lender as to which it exercised such right of setoff. The Borrower expressly consents to the foregoing arrangements and agrees that any Lender holding a participation in a Loan deemed to have been so purchased may exercise any and all rights of banker's lien, setoff or counterclaim with respect to any and all moneys owing by the Borrower to such Lender by reason thereof as fully as if such Lender had made a Loan directly to the Borrower in the amount of the participation.

SECTION 2.19. **Payments.** (a) The Borrower shall make each payment (including principal of or interest on any Borrowing or any fees or other amounts) hereunder and under any other Loan Document not later than 1:00 p.m., New York City time, on the date when due in immediately available Dollars, without setoff, defense or counterclaim. Each such payment shall be made to the Administrative Agent at its offices described on Schedule 9.01(b) (or as otherwise notified by the Administrative Agent in writing to the Borrower from time to time). Any payments received by the Administrative Agent after 1:00 p.m., New York City time, may, in the Administrative Agent's sole discretion, be deemed received on the next succeeding Business Day. Subject to Article VIII, the Administrative Agent shall promptly distribute to each Lender any payments received by the Administrative Agent on behalf of such Lender.

(b) Except as otherwise expressly provided herein, whenever any payment (including principal of or interest on any Borrowing or any fees or other amounts) hereunder or under any other Loan Document shall become due, or otherwise would occur, on a day that is not a Business Day, such payment may be made on the next succeeding Business Day, and such extension of time shall in such case be included in the computation of interest or fees, if applicable. Except as otherwise expressly provided herein, all fees referred to herein (including in Sections 2.05, 2.26(h) and 2.26(i)) shall be calculated on the basis of a 360-day year and the actual number of days elapsed.

SECTION 2.20. **Taxes.** (a) Any and all payments by or on account of any obligation of the Borrower or any other Loan Party hereunder or under any other Loan Document shall, except to the extent required by law, be made without any Tax Deduction; *provided* that, if any Indemnified Taxes are required to be deducted from such payments, then (i) the sum payable

by the Borrower or other Loan Party shall be increased as necessary so that after making all required deductions, (including deductions applicable to additional sums payable under this Section 2.20) the Administrative Agent and each Lender (as the case may be) receives an amount equal to the sum it would have received had no such deductions been made, (ii) the Administrative Agent or such Loan Party shall make such Tax Deduction and any payment required in connection with that Tax Deduction within the time allowed and in the minimum amount required by law and (iii) the Administrative Agent or such Loan Party shall pay the full amount deducted to the relevant Governmental Authority in accordance with applicable law.

(b) In addition, and without duplication of any other amounts hereunder, the Borrower and any other Loan Party, as the case may be, shall pay any Other Taxes to the relevant Governmental Authority in accordance with applicable law or, at the option of the Administrative Agent, timely reimburse it for the payment of, any Other Taxes.

(c) The Loan Parties shall jointly and severally indemnify the Administrative Agent and each Lender, within 30 days after written demand therefor, for the full amount of any Indemnified Taxes paid by the Administrative Agent or such Lender, as the case may be, on or with respect to any payment by or on account of any obligation of the Borrower or any other Loan Party hereunder or otherwise with respect to any Loan Document (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section 2.20) and, to the extent not arising due to the gross negligence or willful neglect of the Administrative Agent or Lenders, any penalties, interest and reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to the Borrower by a Lender (with a copy to the Administrative Agent) or by the Administrative Agent on behalf of itself or a Lender shall be conclusive absent manifest error. The Administrative Agent and each Lender shall not be indemnified for any Indemnified Taxes that have already been compensated for by an increased payment in accordance with Section 2.20(a) above.

(d) Not later than 30 days after a Tax Deduction or any payment required in connection with a Tax Deduction by the Borrower or any other Loan Party to a Governmental Authority, the Borrower shall deliver to the Administrative Agent evidence reasonably satisfactory that the Tax Deduction has been made or (as applicable) that any appropriate payment to the Governmental Authority has been paid.

(e) (i) Any Lender that is entitled to an exemption from or reduction of withholding Tax with respect to payments made under any Loan Document shall deliver to the Borrower and the Administrative Agent, at the time or times reasonably requested by the Borrower or the Administrative Agent, such properly completed and executed documentation reasonably requested by the Borrower or the Administrative Agent as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Lender, if reasonably requested by the Borrower or the Administrative Agent, shall deliver such other documentation prescribed by applicable law or reasonably requested by the Borrower or the Administrative Agent as will enable the Borrower or the Administrative Agent to determine whether or not such

Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in clause (ii)(A) and (ii)(B) below) shall not be required if in the Lender's reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender, (it being understood that the completion, execution and submission of any documentation no more burdensome than that required for U.S. federal income tax withholding will not give rise to an exception from the preceding sentence or otherwise be considered prejudicial to the position of a Lender).

(ii) Without limiting the generality of the foregoing,

(A) any Lender that is a U.S. Person shall deliver to the Borrower and the Administrative Agent on or prior to the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), executed copies of IRS Form W-9 certifying that such Lender is exempt from U.S. federal backup withholding tax;

(B) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), whichever of the following is applicable:

(1) in the case of a Foreign Lender claiming the benefits of an income tax treaty to which the United States is a party (x) with respect to payments of interest under any Loan Document, executed copies of IRS Form W-8BEN or W-8BEN-E establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "interest" article of such tax treaty and (y) with respect to any other applicable payments under any Loan Documents, IRS Form W-8BEN or W-8BEN-E establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "business profits" or "other income" article of such tax treaty;

(2) executed copies of IRS Form W-8ECI;

(3) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Code, (x) a certificate substantially in the form of Exhibit H-1 to the effect that such Foreign Lender is not a "bank" within the meaning of Section 881(c)(3)(A) of the Code, a "10 percent shareholder" of the Borrower within the meaning of Section 881(c)(3)(B) of the Code, or a "controlled

foreign corporation” described in Section 881(c)(3)(C) of the Code (a “**U.S. Tax Compliance Certificate**”) and (y) executed copies of IRS Form W-8BEN or W-8BEN-E; or

(4) to the extent a Foreign Lender is not the beneficial owner, executed copies of IRS Form W-8IMY, accompanied by IRS Form W-8ECI, IRS Form W-8BEN or W-BEN-E, a U.S. Tax Compliance Certificate substantially in the form of Exhibit H-2 or Exhibit H-3, IRS Form W-9, and/or other certification documents from each beneficial owner, as applicable; *provided* that if the Foreign Lender is a partnership and one or more direct or indirect partners of such Foreign Lender are claiming the portfolio interest exemption, such Foreign Lender may provide a U.S. Tax Compliance Certificate substantially in the form of Exhibit H-4 on behalf of each such direct and indirect partner;

(C) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), executed copies of any other form prescribed by applicable law as a basis for claiming exemption from or a reduction in U.S. federal withholding Tax, duly completed, together with such supplementary documentation as may be prescribed by applicable law to permit the Borrower or the Administrative Agent to determine the withholding or deduction required to be made.

Each Lender agrees that if any form or certification it previously delivered expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification, provide any necessary successor form, or promptly notify the Borrower and the Administrative Agent in writing of its legal inability to do so.

(f) If a payment made to a Lender under any Loan Document would be subject to U.S. federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Borrower and the Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by the Borrower or the Administrative Agent such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrower or the Administrative Agent, as may be necessary for the Borrower and the Administrative Agent to comply with their obligations under FATCA and to determine that such Lender has complied with such Lender’s obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this clause (f), “FATCA” shall include any amendments made to FATCA after the date of this Agreement.

(g) On or before the date the Administrative Agent becomes a party to this Agreement, the Administrative Agent shall provide to the Borrower, two duly signed, properly completed copies of the documentation prescribed in clause (i) or (ii) below, as applicable (together with all required attachments thereto): (i) IRS Form W-9 or any successor thereto, or (ii) (A) IRS Form W-8ECI or any successor thereto, and (B) with respect to payments received on account of any Lender, a U.S. branch withholding certificate on IRS Form W-8IMY or any successor thereto evidencing its agreement with the Borrower to be treated as a U.S. Person for U.S. federal withholding purposes. At any time thereafter, the Administrative Agent shall provide updated documentation previously provided (or, a successor form thereto) when any documentation previously delivered has expired or become obsolete or invalid or otherwise upon a reasonable request of the Borrower.

(h) If any party determines, in its sole discretion exercised in good faith, that it has received a refund of any Taxes as to which it has been indemnified pursuant to this Section 2.20 (including by the payment of additional amounts pursuant to this Section 2.20) it shall pay to the indemnifying party an amount equal to such refund (but only to the extent of indemnity payments made under this Section with respect to the Taxes giving rise to such refund), net of all out-of-pocket expenses (including Taxes) of such indemnified party and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund). Such indemnifying party, upon the request of such indemnified party, shall repay to such indemnified party the amount paid over pursuant to the first sentence of this paragraph (h) (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) in the event that such indemnified party is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this paragraph (h), in no event will the indemnified party be required to pay any amount to an indemnifying party pursuant to paragraph (h) the payment of which would place the indemnified party in a less favorable net after-Tax position than the indemnified party would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This paragraph (h) shall not be construed to require any indemnified party to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to the indemnifying party or any other Person.

SECTION 2.21. ***Assignment of Commitments Under Certain Circumstances; Duty to Mitigate.*** (a) In the event (i) any Lender delivers a certificate requesting compensation pursuant to Section 2.14, (ii) any Lender delivers a notice described in Section 2.15, (iii) the Borrower is required to pay any additional amount to any Lender or any Governmental Authority on account of any Lender pursuant to Section 2.20, (iv) any Lender is a Non-Consenting Lender or (v) any Lender becomes a Defaulting Lender, then, in each case, the Borrower may, at its sole expense and effort (including with respect to the processing and recordation fee referred to in Section 9.04(b)), upon notice to such Lender and the Administrative Agent, (A) require such Lender to transfer and assign, without recourse (in accordance with and subject to the restrictions contained in Section 9.04), all of its interests, rights and obligations under this Agreement (or, in the case of clause (iv) above, all of its interests, rights and obligations with respect to the Class of Loans or Commitments that is the subject of the related consent, amendment, waiver or other

modification) to an Eligible Assignee that shall assume such assigned obligations and, with respect to clause (iv) above, shall consent to such requested amendment, waiver or other modification of any Loan Documents (which assignee may be another Lender, if a Lender accepts such assignment); *provided* that (x) such assignment shall not conflict with any law, rule or regulation or order of any court or other Governmental Authority having jurisdiction, (y) the Borrower shall have received the prior written consent of the Administrative Agent, which consent shall not unreasonably be withheld or delayed and (z) the Borrower or such assignee shall have paid to the affected Lender in immediately available funds an amount equal to the sum of the principal of and interest accrued to the date of such payment on the outstanding Loans of such Lender plus all fees and other amounts accrued for the account of such Lender hereunder with respect thereto (including any amounts under Sections 2.14 and 2.16 and, in the case of any such assignment occurring in connection with a Repricing Transaction occurring prior to the six-month anniversary of the Funding Date, the prepayment fee pursuant to Section 2.12(d) (with such assignment being deemed to be a voluntary prepayment for purposes of determining the applicability of Section 2.12(d), such amount to be payable by the Borrower)), or (B) terminate the Commitment of such Lender and (x) in the case of a Lender other than an L/C Issuer, repay all Obligations of the Borrower owing to such Lender relating to the Loans and participations held by such Lender as of such termination date and (y) in the case of an L/C Issuer, repay all Obligations of the Borrower owing to such L/C Issuer relating to the Loans and participations held by such L/C Issuer as of such termination date and Cash Collateralize, cancel or backstop, or provide for the deemed reissuance under another facility, on terms satisfactory to such L/C Issuer any Letters of Credit issued by it; *provided, further*, that if prior to any such transfer and assignment the circumstances or event that resulted in such Lender's claim for compensation under Section 2.14, notice under Section 2.15 or the amounts paid pursuant to Section 2.20, as the case may be, cease to cause such Lender to suffer increased costs or reductions in amounts received or receivable or reduction in return on capital, or cease to have the consequences specified in Section 2.15, or cease to result in amounts being payable under Section 2.20, as the case may be (including as a result of any action taken by such Lender pursuant to Section 2.21(b)), or if such Lender shall waive its right to claim further compensation under Section 2.14 in respect of such circumstances or event or shall withdraw its notice under Section 2.15 or shall waive its right to further payments under Section 2.20 in respect of such circumstances or event or shall consent to the proposed amendment, waiver, consent or other modification, as the case may be, then such Lender shall not thereafter be required to make any such transfer and assignment hereunder. Each Lender hereby grants to the Administrative Agent an irrevocable power of attorney (which power is coupled with an interest) to execute and deliver, on behalf of such Lender, as assignor, any Assignment and Acceptance necessary to effectuate any assignment of such Lender's interests hereunder in the circumstances contemplated by this Section 2.21(a).

(b) If (i) any Lender shall request compensation under Section 2.14, (ii) any Lender delivers a notice described in Section 2.15 or (iii) the Borrower is required to pay any additional amount to any Lender or any Governmental Authority on account of any Lender pursuant to Section 2.20, then such Lender or Administrative Agent shall use reasonable efforts (which shall not require such Lender or Administrative Agent to incur an unreimbursed loss or unreimbursed cost or expense or otherwise take any action inconsistent with its internal policies or legal or

regulatory restrictions or suffer any disadvantage or burden deemed by it to be significant) (x) to file any certificate or document reasonably requested in writing by the Borrower or (y) to assign its rights and delegate and transfer its obligations hereunder to another of its offices, branches or affiliates, if such filing or assignment would reduce its claims for compensation under Section 2.14 or enable it to withdraw its notice pursuant to Section 2.15 or would reduce amounts payable pursuant to Section 2.20, as the case may be, in the future. The Borrower hereby agrees to pay all reasonable costs and expenses incurred by any Lender in connection with any such filing or assignment, delegation and transfer.

SECTION 2.22. **Incremental Loans.** (a) The Borrower may, by written notice to the Administrative Agent and the Person appointed by the Borrower to arrange Incremental Loan Commitments (such Person (who may be (i) the Administrative Agent, if it so agrees or (ii) any other Person appointed by the Borrower after consultation with the Administrative Agent), the “**Incremental Arranger**”) from time to time, request from one or more existing or additional Lenders, all of which must be Eligible Assignees: (A) one or more new commitments for new Term Loans which may be of the same Class as any outstanding Class of Term Loans or a new Class of Term Loans (the “**Incremental Term Loan Commitments**”) and/or (B) the establishment of one or more new revolving credit commitments (any such new commitments, the “**Incremental Revolving Credit Commitments**” and the Incremental Revolving Credit Commitments, collectively with any Incremental Term Loan Commitments, the “**Incremental Loan Commitments**”), in an amount not to exceed the Incremental Loan Amount (in the case of Incremental Revolving Credit Commitments, assuming a borrowing of the maximum amount of Incremental Revolving Loans available); *provided* that Incremental Loan Commitments may be incurred in the Available Currency or an alternative currency pursuant to procedures and on terms to be agreed with the applicable Incremental Arranger. The Incremental Arranger shall promptly deliver a copy of such notice to each of the Lenders. Such notice shall set forth (i) the amount of the Incremental Loan Commitments being requested (which shall be in minimum increments of, \$1,000,000 and a minimum amount of \$5,000,000 (or in such lower minimum amounts or multiples as agreed to by the Incremental Arranger in its reasonable discretion), or such lesser amount equal to the Incremental Loan Amount at such time), (i) the date on which such Incremental Loan Commitments are requested to become effective (which shall not be less than five Business Days (or such shorter period as agreed by the Incremental Arranger) after the date of such notice) and (i) whether such Incremental Loan Commitments are commitments to make additional Loans of the same Class which shall be extended in a manner so as to be fungible with an existing Class of Loans hereunder or commitments to make Loans with terms different from such Loans which shall constitute a separate Class of Loans hereunder (“**Other Loans**”). On the applicable date specified in any Incremental Loan Assumption Agreement (the “**Incremental Facility Closing Date**”), subject only to the satisfaction of the terms and conditions in this Section 2.22 and in the applicable Incremental Loan Assumption Agreement, (1) each Incremental Term Lender of such Class shall make a Loan to the Borrower (an “**Incremental Term Loan**”) in an amount equal to its Incremental Term Loan Commitment of such Class and (1) each Incremental Term Lender of such Class shall become a Lender hereunder with respect to the Incremental Term Loan Commitment of such Class and the Incremental Term Loans of such Class made pursuant thereto and (A) (1) each Incremental Revolving Credit Lender of such Class shall make its Commitment available to the Borrower

(when borrowed, an “**Incremental Revolving Loan**” and collectively with any Incremental Term Loan, an “**Incremental Loan**”) in an amount equal to its Incremental Revolving Credit Commitment of such Class and (1) each Incremental Revolving Credit Lender of such Class shall become a Lender hereunder with respect to the Incremental Revolving Credit Commitment of such Class and the Incremental Revolving Loans of such Class made pursuant thereto.

(b) The Borrower may seek Incremental Loan Commitments from existing Lenders (each of which shall be entitled to agree or decline to participate in its sole discretion) and additional banks, financial institutions and other institutional lenders who will become Incremental Lenders in connection therewith; *provided* that (i) the Borrower and the Administrative Agent shall have consented to such additional banks, financial institutions and other institutional lenders to the extent the consent of the Borrower or the Administrative Agent, as applicable, would be required if such institution were receiving an assignment of Loans pursuant to Section 9.04 (*provided, further*, that the consent of the Administrative Agent shall not be required with respect to an additional bank, financial institution, or other institutional lender that is an Affiliate of a Lender or a Related Fund), (ii) with respect to Incremental Term Loan Commitments, any Affiliated Lender providing an Incremental Term Loan Commitment shall be subject to the same restrictions set forth in Section 9.04 as they would otherwise be subject to with respect to any purchase by or assignment to such Affiliated Lender of Term Loans and (iii) Affiliated Lenders may not provide Incremental Revolving Credit Commitments. The Borrower and each Incremental Lender shall execute and deliver to the Administrative Agent and the Incremental Arranger an Incremental Loan Assumption Agreement and such other documentation as the Incremental Arranger shall reasonably specify to evidence the Incremental Loan Commitment of each Incremental Lender. The Other Loans and any Incremental Revolving Credit Commitments providing for Incremental Revolving Loans that are Other Loans (such commitments, “**Other Revolving Credit Loan Commitments**” and such loans, “**Other Revolving Credit Loans**”) (i) shall have fees and margin and/or interest rate determined by the Borrower and the Incremental Lenders providing such Loans, (i) shall rank *pari passu* in right of payment with the Loans or Commitments existing prior the incurrence of such Other Loans and Other Revolving Credit Loan Commitments and be secured by the Collateral on a *pari passu* basis and (i) (A) in the case of Incremental Term Loans, (x) may participate on a *pro rata* basis, less than *pro rata* basis or greater than *pro rata* basis in any mandatory prepayment of Term Loans (except that, unless otherwise permitted under this Agreement, such Incremental Term Loans may not participate on a greater than *pro rata* basis as compared to any earlier maturing Class of Term Loans) and (y) may participate on a *pro rata* basis, less than *pro rata* basis or greater than *pro rata* basis in any voluntary prepayment of Term Loans and (A) in the case of Incremental Revolving Credit Commitments and Incremental Revolving Loans, (x) shall provide that the borrowing and repayment (except for (A) payments of interest and fees at different rates on Incremental Revolving Credit Commitments (and related outstandings), (B) repayments required upon the Maturity Date of the Incremental Revolving Credit Commitments and (C) repayment made in connection with a permanent repayment and termination of commitments (subject to clause (y) below)) of Loans with respect to Incremental Revolving Credit Commitments after the associated Incremental Facility Closing Date shall be made on a *pro rata* basis or less than *pro rata* basis (but not more than a *pro rata* basis) with all other Revolving Credit Commitments then existing on the Incremental Facility Closing Date and (y) may provide that the permanent

repayment of Revolving Credit Loans with respect to, and termination or reduction of, Incremental Revolving Credit Commitments after the associated Incremental Facility Closing Date be made on a *pro rata* basis, less than *pro rata* basis or greater than *pro rata* basis with all other Revolving Credit Commitments. Without the prior written consent of the Administrative Agent, (A) the final maturity date of any Other Loans that are Term Loans (the “**Other Term Loans**”), shall be no earlier than the Initial Term Loan Maturity Date, (B) the final maturity date of any Other Revolving Credit Loans or Other Revolving Credit Loan Commitments shall be no earlier than the 2027 Revolving Facility Maturity Date, (C) the Weighted Average Life to Maturity of the Other Term Loans shall be no shorter than the remaining Weighted Average Life to Maturity of the Initial Term Loans, (D) the All-In Yield applicable to the Other Loans shall be determined by the Borrower and the applicable Incremental Lenders and shall be set forth in each applicable Incremental Loan Assumption Agreement; *provided, however*, that on or prior to the date that is 12 months from the Funding Date, the All-In Yield applicable to such Other Term Loans of the same currency as the Initial Term Loans (other than Other Term Loans (w) Incurred pursuant to Section 4.04(a) of Annex I, Section 4.04(b)(1)(B)(y) of Annex I, (x) having a maturity date that is more than two years after the Initial Term Loan Maturity Date or (y) Incurred in connection with an acquisition or other Investment) shall not be greater than the applicable All-In Yield payable pursuant to the terms of this Agreement as amended through the date of such calculation with respect to the Initial Term Loans plus 75 basis points per annum unless the interest rate (together with, as provided in the proviso below, the Adjusted LIBO Rate floor or Adjusted Term SOFR floor) with respect to such Loans is increased so as to cause the then applicable All-In Yield under this Agreement on such Loans to equal the All-In Yield then applicable to the Other Term Loans minus 75 basis points; *provided* that any increase in All-In Yield to any Loan due to the application or imposition of an Adjusted LIBO Rate floor, Adjusted Term SOFR floor or an Alternate Base Rate floor on any Other Term Loans shall be effected, at the Borrower’s option, (x) through an increase in (or implementation of, as applicable) any Adjusted LIBO Rate floor, Adjusted Term SOFR floor or Alternate Base Rate floor, as applicable, applicable to such Loan, (y) through an increase in the Applicable Margin for such Loan or (z) any combination of (x) and (y) above and (E) the other terms and documentation in respect of such Other Loans (except for covenants or other provisions (i) conformed (or added) in the Loan Documents pursuant to the related Incremental Loan Assumption Agreement for the benefit of all of the Lenders; *provided* that (x) in the case of any Class of Incremental Term Loans and Incremental Term Loan Commitments, “soft-call” provisions may be added solely for the benefit of the Term Lenders and (y) in the case of any Class of Incremental Revolving Loans and Incremental Revolving Credit Commitments, financial maintenance covenants may be added solely for the benefit of the Revolving Credit Lenders or (ii) applicable only to periods after the Latest Maturity Date as of the Incremental Facility Closing Date (collectively the “**Additional Covenants**”) which may be added without the consent of any other party)), to the extent not consistent with the Term Facilities or the Revolving Credit Facilities, as applicable, shall be reasonably satisfactory to the Incremental Arranger; *provided* that such other terms and documentation shall be deemed to be reasonably satisfactory to such Incremental Arranger if they reflect market terms and conditions (taken as a whole) at the time of incurrence of such Other Loans (as determined by the Borrower in good faith)). The Incremental Arranger shall promptly notify each Lender that has Incremental Loan Commitments and the Borrower as to the effectiveness of each Incremental Loan Assumption Agreement and each such effective

Incremental Loan Assumption Agreement may be provided to the Lenders and the Administrative Agent. Notwithstanding anything in Section 9.08 to the contrary, each of the parties hereto hereby agrees that, upon the effectiveness of any Incremental Loan Assumption Agreement, (i) this Agreement shall be deemed amended to the extent (but only to the extent) necessary to reflect the existence and terms of the Incremental Loan Commitment and the Incremental Loans evidenced thereby including the Additional Covenants, (ii) each Incremental Loan Assumption Agreement may, without the consent of any other Loan Party, Agent or Lender, effect such amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the reasonable opinion of the applicable Incremental Arranger and the Borrower, to effect the provisions of this Section 2.22, including to effect technical and corresponding amendments to this Agreement and the other Loan Documents and (iii) at the option of the Borrower in consultation with the applicable Incremental Arranger, incorporate terms that would be favorable to existing Lenders of the applicable Class or Classes for the benefit of such existing Lenders of the applicable Class or Classes, in each case under this clause (iii), so long as the applicable Incremental Arranger reasonably agrees that such modification is favorable to the applicable Lenders. Incremental Loans and Other Loans shall rank *pari passu* in right of payment and security (but without regard to the control of remedies) with the other Obligations under this Agreement, shall not at any time be guaranteed by any Subsidiary of the Borrower other than Subsidiaries that are Guarantors, and the obligations in respect thereof shall not be secured by any property or assets of the Borrower or any Restricted Subsidiary other than the Collateral.

(c) Notwithstanding the foregoing, no Incremental Loan Commitment shall become effective under this Section 2.22 unless on the date of such effectiveness (or earlier, as determined in accordance with Section 1.05, in the case of an Incremental Loan Assumption Agreement the primary purpose of which is to finance a Limited Condition Transaction), (i) (x) the representations and warranties set forth in Article III and in each other Loan Document shall be true and correct in all material respects (or in all respects to the extent qualified by materiality or Material Adverse Effect) on and as of such date with the same effect as though made on and as of such date, except to the extent such representations and warranties expressly relate to an earlier date, in which case such representations and warranties shall be true and correct in all material respects (or in all respects to the extent qualified by materiality or Material Adverse Effect) on and as of such earlier date; *provided* that, with respect to any Incremental Loan Assumption Agreement the primary purpose of which is to finance a Limited Condition Transaction, a Permitted Investment or an acquisition not prohibited by this Agreement, the condition set forth in this sub-clause (i)(x) shall only be required to the extent included (and in the form set forth in) in the relevant Incremental Loan Assumption Agreement (and, if included, may be waived by Incremental Lenders holding more than 50% of the applicable aggregate Incremental Loan Commitments); and (y) no Event of Default shall have occurred and be continuing; *provided* that (other than in the case of an Event of Default specified in Section 7.01(a) and (g)), the condition in this sub-clause (i)(x) may be waived by Incremental Lenders holding more than 50% of the applicable aggregate Incremental Loan Commitments, and the Administrative Agent shall have received a certificate to that effect dated such date and executed by a Responsible Officer of the Borrower, (ii) all fees and expenses owing to the Administrative Agent in respect of such increase shall have been paid, (iii) the Incremental Arranger shall have

received legal opinions addressed to the Incremental Lenders and the Incremental Arranger, board resolutions and other closing certificates reasonably requested by the Incremental Arranger and consistent with those delivered on the Funding Date under Section 4.02, other than changes to such legal opinions resulting from a change in law, change in fact or change to counsel's form of opinion reasonably satisfactory to the Incremental Arranger and (iv) the Incremental Arranger shall have received reaffirmation agreements and/or such amendments to the Security Documents as may be reasonably requested by the Incremental Arranger in order to ensure that such Incremental Lenders are provided with the benefit of the applicable Loan Documents.

(d) Each of the parties hereto hereby agrees that the Administrative Agent and the Incremental Arranger, as applicable, may, in consultation with the Borrower, take any and all action as may be reasonably necessary to ensure that all Incremental Loans (other than Other Loans), when originally made, are included in each Borrowing of outstanding Loans of the same currency on a *pro rata* basis. This may be accomplished by requiring each outstanding Eurodollar Borrowing or SOFR Borrowing to be converted into an ABR Borrowing on the date of each Incremental Loan, or by allocating a portion of each Incremental Loan to each outstanding Eurodollar Borrowing or SOFR Borrowing on a *pro rata* basis. Any conversion of Eurodollar Loans or SOFR Loans to ABR Loans required by the preceding sentence (unless, solely with respect to Incremental Lenders, as otherwise agreed by the Incremental Lenders) shall be subject to Section 2.16. If any Incremental Loan is to be allocated to an existing Interest Period for a Eurodollar Borrowing or SOFR Borrowing, then the interest rate thereon for such Interest Period and the other economic consequences thereof shall be as set forth in the applicable Incremental Loan Assumption Agreement. In addition, to the extent any Incremental Loans are not Other Loans and are fungible with any other Class of Term Loans, the scheduled amortization payments under Section 2.11(a)(i) required to be made to such other Class after the making of such Incremental Loans may be ratably increased by the aggregate principal amount of such Incremental Loans and may be further increased for all Lenders of such other Class on a *pro rata* basis to the extent necessary to avoid any reduction in the amortization payments to which the Lenders of such other Class were entitled before such recalculation.

(e) Upon any Incremental Facility Closing Date on which Incremental Revolving Credit Commitments are effected through an increase of an existing Loan pursuant to this Section 2.22, (i) each of the Revolving Credit Lenders shall assign to each of the Incremental Revolving Credit Lenders, and each of the Incremental Revolving Credit Lenders shall purchase from each of the Revolving Credit Lenders, at the principal amount thereof, such interests in the Incremental Revolving Loans outstanding on such Incremental Facility Closing Date as shall be necessary in order that, after giving effect to all such assignments and purchases, such Revolving Credit Loans will be held by existing Revolving Credit Lenders and Incremental Revolving Credit Lenders ratably in accordance with their Revolving Credit Commitments after giving effect to the addition of such Incremental Revolving Credit Commitments to the Revolving Credit Commitments, (ii) each Incremental Revolving Credit Commitment shall be deemed for all purposes a Revolving Credit Commitment and each Loan made thereunder shall be deemed, for all purposes, a Revolving Credit Loan and (iii) each Incremental Revolving Credit Lender shall become a Lender with respect to the Incremental Revolving Credit Commitments and all matters relating thereto. The Administrative Agent and the Lenders hereby agree that the

minimum borrowing and prepayment requirements in Sections 2.02 and 2.09 of this Agreement shall not apply to the transactions effected pursuant to the immediately preceding sentence.

(f) Other Revolving Credit Loan Commitments may be elected to be included as additional Participating Revolving Credit Commitments under the applicable Incremental Loan Assumption Agreement, subject to the consent of each Swing Line Lender and each L/C Issuer, and on the Incremental Facility Closing Date on which such Incremental Revolving Credit Commitments are effected, all Swing Line Loans and Letters of Credit shall be participated on a *pro rata* basis by all Participating Revolving Credit Lenders in accordance with their percentage of the Participating Revolving Credit Commitments existing after giving effect to such Incremental Loan Assumption Agreement, provided, such election may be made conditional upon the termination of one or more other Participating Revolving Credit Commitments.

(g) This Section 2.22 shall supersede any provisions in Section 2.17 or 9.08 to the contrary.

SECTION 2.23. **Extension Amendments.** (a) So long as no Event of Default has occurred and is continuing (after giving effect to any amendments and/or waivers that are or become effective on the date of the relevant conversion), the Borrower may at any time and from time to time request that (i) all or a portion of any Class of Term Loans then outstanding selected by the Borrower (the “**Original Term Loans**”) and/or (ii) all or a portion of any Class of Revolving Credit Commitments then outstanding selected by the Borrower (such Revolving Credit Commitments, the “**Original Revolving Credit Commitments**”, collectively with the Original Term Loans, an “**Original Class**”) be converted to extend the maturity date thereof and to provide for other terms permitted by this Section 2.23 (any portion thereof that have been so extended, the “**Extended Term Loans**” or “**Extended Revolving Credit Commitments**”, as the case may be, and collectively, the “**Extended Class**” and the remainder not so extended, the “**Non-Extended Term Loans**” or “**Non-Extended Revolving Credit Commitments**”, as the case may be, and collectively, the “**Non-Extended Class**”); *provided* that, with the consent of the Administrative Agent, the Extended Term Loans or Extended Revolving Credit Commitments, as applicable, may be designated as part of an existing Class of Loans. Prior to entering into any Extension Amendment with respect to any Original Class, the Borrower shall appoint a Person that is a financial institution or Affiliate thereof to arrange the Extended Term Loans or Extended Revolving Credit Commitments (who may be (i) the Administrative Agent, or (i) any other Person appointed by the Borrower in consultation with the Administrative Agent) (the “**Extension Arranger**”). The Extension Arranger shall provide a copy of such notice to each Lender who has Loans or Commitments of the Original Class and the Administrative Agent in such form as approved from time to time by the Borrower and the applicable Extension Arranger (each, an “**Extension Request**”) setting forth the terms of the proposed Extended Class, as applicable, which terms shall be identical to those applicable to the Original Class, except for Section 2.23 Additional Agreements or as otherwise permitted by this Section 2.23 and except (w) the maturity date of the Extended Class may be delayed to a date after the Maturity Date of the Original Class, (x) Extended Term Loans may have different amortization payments than the Original Term Loans; *provided* that the Weighted Average Life to Maturity of such Extended Term Loans shall be no shorter than the Weighted Average Life to Maturity of the Original Term

Loans from which they were converted, (y) All-In Yield with respect to any Loans or Commitments of the Extended Class may be higher or lower than the All-In Yield with respect to any Loans or Commitments of the Original Class and (z) (A) the Extended Term Loans (i) may participate on a *pro rata* basis, less than *pro rata* basis or greater than *pro rata* basis in any mandatory prepayment of Term Loans (except that, unless otherwise permitted under this Agreement, such Extended Term Loans may not participate on a greater than *pro rata* basis as compared to any earlier maturing Class of Term Loans) and (ii) may participate on a *pro rata* basis, less than *pro rata* basis or greater than *pro rata* basis in any voluntary prepayment of Term Loans and (B) the Extended Revolving Credit Commitments (i) shall provide that the borrowing and repayment (except for (A) payments of interest and fees at different rates on Extended Revolving Credit Commitments (and related outstandings), (B) repayments required upon the Maturity Date of the Extended Revolving Credit Commitments and (C) repayment made in connection with a permanent repayment and termination of commitments (subject to clause (ii) below)) of Loans with respect to Extended Revolving Credit Commitments after the associated Extended Facility Closing Date shall be made on a *pro rata* basis or less than *pro rata* basis (but not more than a *pro rata* basis) with all other Revolving Credit Commitments then existing on the Extended Facility Closing Date and (ii) may provide that the permanent repayment of Revolving Credit Loans with respect to, and termination or reduction of, Extended Revolving Credit Commitments after the associated Extended Facility Closing Date be made on a *pro rata* basis, less than *pro rata* basis or greater than *pro rata* basis with all other Revolving Credit Commitments. In addition to any other terms and changes required or permitted by this Section 2.23, each Extension Amendment establishing a Class of Extended Term Loans shall amend the scheduled amortization payments provided under Section 2.11 with respect to the related Non-Extended Term Loans to reduce each scheduled installment for such Non-Extended Term Loans to an aggregate amount equal to the product of (A) the original aggregate amount of such installment with respect to the Original Term Loans, multiplied by (B) a fraction, the numerator of which is the aggregate principal amount of such related Non-Extended Term Loans and (C) the denominator of which is the aggregate principal amount of such Original Term Loans prior to the effectiveness of such Extension Amendment (it being understood that the amount of any installment payable with respect to any individual Non-Extended Term Loan shall not be reduced as a result thereof without the consent of the holder of such individual Non-Extended Term Loan). No Lender shall have any obligation to agree to have any of its Original Term Loans or Original Revolving Credit Commitments converted into Extended Term Loans or Extended Revolving Credit Commitments pursuant to any Extension Request.

(b) The Borrower shall provide the applicable Extension Request at least five Business Days prior to the date on which the applicable Lenders are requested to respond (or such shorter date as the applicable Extension Arranger may agree). Any Lender wishing to have all or a portion of its Original Term Loans or Original Revolving Credit Commitments converted into Extended Term Loans or Extended Revolving Credit Commitments (an “**Extending Lender**”) shall notify the applicable Extension Arranger (such notice to be in such form as approved from time to time by the Borrower and the Extension Arranger) (each, an “**Extension Election**”) on or prior to the date specified in such Extension Request (which shall in any event be no less than three Business Days prior to the effectiveness of the applicable Extension Amendment unless otherwise agreed by the Borrower) of the amount of its Original Term Loans

or Original Revolving Credit Commitments that it has elected to convert into Extended Term Loans or Extended Revolving Credit Commitments. In the event that the aggregate amount of the applicable Original Term Loans or Original Revolving Credit Commitments subject to Extension Elections exceeds the amount of the applicable Extended Term Loans or Extended Revolving Credit Commitments requested pursuant to the Extension Request, the applicable Original Term Loans or Original Revolving Credit Commitments subject to such Extension Elections shall be converted to Extended Term Loans or Extended Revolving Credit Commitments on a *pro rata* basis based on the amount of the applicable Original Term Loans or Original Revolving Credit Commitments included in each such Extension Election.

(c) Subject to the requirements of this Section 2.23, an Extended Class may be established pursuant to a supplement (which shall set forth the effective date of such extension) to this Agreement (which, except to the extent otherwise expressly contemplated by this Section 2.23(c), shall require the consent only of the Lenders who elect to make the Extended Term Loans or Extended Revolving Credit Commitments established thereby) in such form as approved from time to time by the Borrower and the applicable Extension Arranger in the reasonable exercise of such applicable Person's discretion (each, an "***Extension Amendment***") executed by the Loan Parties, the applicable Extension Arranger and the Extending Lenders, so long as (i) no Default or Event of Default has occurred and is continuing (after giving effect to any amendments and/or waivers that are or become effective on the date that such Extended Term Loans are established) and (ii) the applicable Extension Arranger shall have received legal opinions addressed to such Extension Arranger and the Extending Lenders, board resolutions and other closing certificates reasonably requested by the applicable Extension Arranger and consistent with those delivered on the Funding Date under Section 4.02, other than changes to such legal opinions resulting from a change in law, change in fact or change to counsel's form of opinion reasonably satisfactory to the applicable Extension Arranger (the date on which such conditions, together with any other conditions set forth in the Extension Amendment, are satisfied shall be referred to as the "***Extended Facility Closing Date***").

(d) Any Extension Amendment may provide for additional terms, including different covenants and call protection (other than those referred to or contemplated in this Section 2.23) (each, a "***Section 2.23 Additional Agreement***") to this Agreement and the other Loan Documents; *provided* that no such Section 2.23 Additional Agreement shall become effective prior to the time that such Section 2.23 Additional Agreement has been consented to by such of the Lenders, Loan Parties and other parties (if any) as would be required (including under the requirements of Section 9.08) if such Section 2.23 Additional Agreement were a separate and independent amendment of this Agreement.

(e) Notwithstanding anything to the contrary in Section 9.08, (i) each Extension Amendment may, without the consent of any other Loan Party, Agent or Lender, effect such amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the reasonable opinion of the applicable Extension Arranger and the Borrower, to effect the provisions of this Section 2.23, including to effect technical and corresponding amendments to this Agreement and the other Loan Documents and (ii) at the option of the Borrower in consultation with the applicable Extension Arranger incorporate terms that would be

favorable to existing Lenders of the applicable Class or Classes for the benefit of such existing Lenders of the applicable Class or Classes, in each case under this clause (ii), so long as the applicable Extension Arranger reasonably agrees that such modification is favorable to the applicable Lenders.

(f) This Section 2.23 shall supersede any provisions in Section 2.17 or 9.08 (other than in the case of paragraph(e) above) to the contrary.

SECTION 2.24. **Refinancing Amendments.** (a) *Refinancing Commitments.* The Borrower may, at any time or from time to time, by notice to any Person appointed by the Borrower to arrange Refinancing Commitments (such Person (who may be (i) the Administrative Agent, if it so agrees, or (ii) any other Person appointed by the Borrower in consultation with the Administrative Agent, the “**Refinancing Arranger**”, and together with any Incremental Arranger and any Extension Arranger, the “**Additional Arranger**”) (a “**Refinancing Loan Request**”), request (A) a new Class of term loans (any such commitment to make sure new Loans, “**Refinancing Term Commitments**”) or (B) the establishment of a new Class of revolving credit commitments (any such new Class, “**Refinancing Revolving Credit Commitments**” and collectively with any Refinancing Term Commitments, “**Refinancing Commitments**”), in each case, established in exchange for, or to extend, renew, replace, repurchase, retire or refinance, in whole or in part, any Class of existing Loans or Commitments (with respect to a particular Refinancing Commitment or Refinancing Loan, such existing Loans or Commitments, “**Refinanced Debt**”), whereupon the Refinancing Arranger shall promptly deliver a copy to each of the Lenders and the Administrative Agent.

(b) *Refinancing Loans.* Each Class of Refinancing Loans made on any Refinancing Facility Closing Date shall be designated a separate Class of Loans for all purposes of this Agreement; *provided* that, with the consent of the Administrative Agent, Refinancing Loans may be designated as part of an existing Class of Loans. On any Refinancing Facility Closing Date on which any Refinancing Term Commitments of any Class are effected, subject to the satisfaction of the terms and conditions in this Section 2.24, (i) each Refinancing Term Lender of such Class shall make a Loan to the Borrower (a “**Refinancing Term Loan**”) in an amount equal to its Refinancing Term Commitment of such Class and (ii) each Refinancing Term Lender of such Class shall become a Lender hereunder with respect to the Refinancing Term Commitment of such Class and the Refinancing Term Loans of such Class made pursuant thereto. On any Refinancing Facility Closing Date on which any Refinancing Revolving Credit Commitments of any Class are effected, subject to the satisfaction of the terms and conditions in this Section 2.24,(A) each Refinancing Revolving Credit Lender of such Class shall make its Commitment available to the Borrower (when borrowed, a “**Refinancing Revolving Loan**” and collectively with any Refinancing Term Loan, a “**Refinancing Loan**”) in an amount equal to its Refinancing Revolving Credit Commitment of such Class and (B) each Refinancing Revolving Credit Lender of such Class shall become a Lender hereunder with respect to the Refinancing Revolving Credit Commitment of such Class and the Refinancing Revolving Loans of such Class made pursuant thereto.

(c) *Refinancing Loan Request.* Each Refinancing Loan Request from the Borrower pursuant to this Section 2.24 shall set forth the requested amount and proposed terms of the relevant Refinancing Term Loans or Refinancing Revolving Credit Commitments. Refinancing Term Loans may be made, and Refinancing Revolving Credit Commitments may be provided, by any existing Lender (but no existing Lender will have an obligation to make any Refinancing Commitment, nor will the Borrower have any obligation to approach any existing Lender to provide any Refinancing Commitment) or by any Additional Lender (each such existing Lender or Additional Lender providing such Commitment or Loan, a “**Refinancing Revolving Credit Lender**” or “**Refinancing Term Lender**” as applicable, and, collectively, “**Refinancing Lenders**”); *provided* that (i) the Administrative Agent shall have consented (not to be unreasonably withheld or delayed) to such Additional Lender’s making such Refinancing Term Loans or providing such Refinancing Revolving Credit Commitments, to the extent such consent, if any, would be required under Section 9.04 for an assignment of Term Loans or Revolving Credit Commitments, as applicable, to such Lender or Additional Lender, (ii) with respect to Refinancing Term Commitments, any Affiliated Lender providing a Refinancing Term Commitment shall be subject to the same restrictions set forth in Section 9.04 as they would otherwise be subject to with respect to any purchase by or assignment to such Affiliated Lender of Term Loans and (iii) Affiliated Lenders may not provide Refinancing Revolving Credit Commitments.

(d) *Effectiveness of Refinancing Amendment.* The effectiveness of any Refinancing Amendment, and the Refinancing Commitments thereunder, shall be subject to the satisfaction on the date thereof (a “**Refinancing Facility Closing Date**”) of each of the following conditions, together with any other conditions set forth in the Refinancing Amendment:

(i) unless otherwise agreed by the Refinancing Arranger, each Refinancing Commitment shall be in an aggregate principal amount that is not less than \$25,000,000 and shall be in an increment of \$1,000,000 (*provided* that such amount may be less than \$25,000,000, and not in an increment of \$1,000,000, if such amount is equal to the entire outstanding principal amount of Refinanced Debt); and

(ii) to the extent reasonably requested by the Refinancing Arranger, receipt by the Refinancing Arranger of (A) customary legal opinions, board resolutions and officers’ certificates consistent with those delivered on the Funding Date (conformed as appropriate) other than changes to such legal opinions resulting from a change in law, change in fact or change to counsel’s form of opinion reasonably satisfactory to the Refinancing Arranger and (B) reaffirmation agreements and/or such amendments to the Security Documents as may be reasonably requested by the Refinancing Arranger in order to ensure that such Refinancing Lenders are provided with the benefit of the applicable Loan Documents.

(e) *Required Terms.* The terms, provisions and documentation of the Refinancing Term Loans and Refinancing Term Commitments or the Refinancing Revolving Loans and Refinancing Revolving Credit Commitments, as the case may be, of any Class shall be as agreed between the Borrower and the applicable Refinancing Lenders providing such Refinancing

Commitments, and except as otherwise set forth herein, to the extent not identical to any Class of Term Loans or Revolving Credit Commitments, as applicable, each existing on the Refinancing Facility Closing Date, shall be consistent with clauses (i)(A)-(G) below, as applicable and (i) reflect market terms and conditions (taken as a whole) at the time of incurrence of such Indebtedness (as determined by the Borrower in good faith) or (ii) otherwise reasonably satisfactory to the Refinancing Arranger (except for covenants or other provisions (i) conformed (or added) in the Loan Documents pursuant to the related Refinancing Amendment, (x) in the case of any Class of Refinancing Term Loans and Refinancing Term Commitments, for the benefit of the Term Lenders and (y) in the case of any Class of Refinancing Revolving Loans and Refinancing Revolving Credit Commitments, for the benefit of the Revolving Credit Lenders or applicable only to periods after the Latest Maturity Date as of the Refinancing Facility Closing Date) which may be added without the consent of any other party.

In any event, (i) the Refinancing Term Loans:

(A) as of the Refinancing Facility Closing Date, shall not have a final scheduled maturity date earlier than the Maturity Date of the Refinanced Debt,

(B) as of the Refinancing Facility Closing Date, shall not have a Weighted Average Life to Maturity shorter than the remaining Weighted Average Life to Maturity of the Refinanced Debt,

(C) shall have an interest rate (which may be fixed or variable), margin (if any) and interest rate floor (if any), and subject to clause (e)(i)(B) above, amortization determined by the Borrower and the applicable Refinancing Term Lenders,

(D) shall have fees determined by the Borrower and the applicable Refinancing Arrangers,

(E) (1) may participate on a *pro rata* basis, less than *pro rata* basis or greater than *pro rata* basis (except that, unless otherwise permitted under this Agreement, such Refinancing Term Loans may not participate on a greater than a *pro rata* basis as compared to any earlier maturing Class of Term Loans) in any mandatory prepayments of Term Loans and (2) may participate on a *pro rata* basis, less than *pro rata* basis or greater than *pro rata* basis in any voluntary prepayment of Term Loans,

(F) shall not have a greater principal amount than the principal amount of the Refinanced Debt plus accrued but unpaid interest, fees, premiums (if any) and penalties thereon and reasonable fees, expenses, OID and upfront fees associated with the refinancing, and

(G) shall rank *pari passu* in right of payment and security (but without regard to the control of remedies) with the other Obligations under this Agreement, shall not at any time be guaranteed by any Subsidiary of the Borrower

other than Subsidiaries that are Guarantors, and the obligations in respect thereof shall not be secured by any property or assets of the Borrower or any Restricted Subsidiary other than the Collateral; and

(ii) the Refinancing Revolving Credit Commitments and Refinancing Revolving Loans:

(A) shall rank *pari passu* in right of payment and security (but without regard to the control of remedies) with the other Obligations under this Agreement, shall not at any time be guaranteed by any Subsidiary of the Borrower other than Subsidiaries that are Guarantors, and the obligations in respect thereof shall not be secured by any property or assets of the Borrower or any Restricted Subsidiary other than the Collateral,

(B) shall not have a final scheduled maturity date or commitment reduction date earlier than the Maturity Date or commitment reduction date, respectively, with respect to the Refinanced Debt and shall not have any scheduled amortization or mandatory Commitment reductions prior to the maturity date of the Refinanced Debt,

(C) shall provide that the borrowing and repayment (except for (1) payments of interest and fees at different rates on Refinancing Revolving Credit Commitments (and related outstandings), (2) repayments required upon the Maturity Date of the Refinancing Revolving Credit Commitments and (3) repayment made in connection with a permanent repayment and termination of commitments (subject to clause (E) below)) of Loans with respect to Refinancing Revolving Credit Commitments after the associated Refinancing Facility Closing Date shall be made on a *pro rata* basis or less than a *pro rata* basis (but not more than a *pro rata* basis) with all other Revolving Credit Commitments then existing on the Refinancing Facility Closing Date,

(D) may be elected to be included as additional Participating Revolving Credit Commitments under the Refinancing Amendment, subject to the consent of each Swing Line Lender and each L/C Issuer, and on the Refinancing Facility Closing Date all Swing Line Loans and Letters of Credit shall be participated on a *pro rata* basis by all Participating Revolving Credit Lenders in accordance with their percentage of the Participating Revolving Credit Commitments existing after giving effect to such Refinancing Amendment, *provided*, such election may be made conditional upon the termination of one or more other Participating Revolving Credit Commitments,

(E) may provide that the permanent repayment of Revolving Credit Loans with respect to, and termination or reduction of, Refinancing Revolving Credit Commitments after the associated Refinancing Facility Closing Date be made on a *pro rata* basis, less than *pro rata* basis or greater than *pro rata* basis with all other Revolving Credit Commitments,

(F) shall provide that assignments and participations of Refinancing Revolving Credit Commitments and Refinancing Revolving Loans shall be governed by the same assignment and participation provisions applicable to Revolving Credit Commitments and Revolving Credit Loans then existing on the Refinancing Facility Closing Date,

(G) shall have an interest rate (which may be fixed or variable), margin (if any) and interest rate floor (if any), determined by the Borrower and the applicable Refinancing Revolving Credit Lenders,

(H) shall have fees determined by the Borrower and the applicable Refinancing Arrangers, and

(I) shall not have a greater principal amount of Commitments than the principal amount of the Commitments of the Refinanced Debt plus accrued but unpaid interest, fees, premiums (if any) and penalties thereon and reasonable fees, expenses, OID and upfront fees associated with the refinancing.

(f) *Refinancing Amendment.* Commitments in respect of Refinancing Term Loans and Refinancing Revolving Credit Commitments shall become additional Commitments pursuant to an amendment (a “**Refinancing Amendment**”) to this Agreement and, as appropriate, the other Loan Documents, executed by the Borrower, each Refinancing Lender providing such Commitments, and the Refinancing Arranger. The Refinancing Amendment may, without the consent of other Loan Party, Agent or Lender, (i) effect such amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the reasonable opinion of the Refinancing Arranger and the Borrower, to effect the provisions of this Section 2.24, including amendments as deemed necessary by the Refinancing Arranger in consultation with the Administrative Agent in its reasonable judgment to address technical issues relating to funding and payments, including adjusting Interest Periods and other provisions to allow such Refinancing Loans to be part of an Existing Class of Loans and (ii) at the option of the Borrower in consultation with the applicable Refinancing Arranger, incorporate terms that would be favorable to existing Lenders of the applicable Class or Classes for the benefit of such existing Lenders of the applicable Class or Classes, in each case under this clause (ii), so long as the applicable Refinancing Arranger reasonably agrees that such modification is favorable to the applicable Lenders. The Borrower will use the proceeds of the Refinancing Term Loans and Refinancing Revolving Credit Commitments to extend, renew, replace, repurchase, retire or refinance the applicable Refinanced Debt no later than the later to occur of (a) five Business Days following the incurrence of such Refinancing Term Loans or Refinancing Revolving Credit Commitments and (b) the last day of the interest period applicable to the loans outstanding in respect of such Refinanced Debt.

(g) This Section 2.24 shall supersede any provisions in Section 2.17 or 9.08 to the contrary.

SECTION 2.25. **Defaulting Lenders.** Notwithstanding anything to the contrary contained in this Agreement, if any Lender becomes a Defaulting Lender, then, until such time as that Lender is no longer a Defaulting Lender, to the extent permitted by applicable Law:

(a) That Defaulting Lender's right to approve or disapprove any amendment, waiver or consent with respect to this Agreement shall be restricted as set forth in Section 9.08.

(b) Any payment of principal, interest, fees or other amounts received by the Administrative Agent for the account of that Defaulting Lender (whether voluntary or mandatory, at maturity, pursuant to Article VII or otherwise), shall be applied at such time or times as may be determined by the Administrative Agent as follows: *first*, to the payment of any amounts owing by that Defaulting Lender to the Administrative Agent hereunder; *second*, as the Borrower may request (so long as no Default or Event of Default has occurred and is continuing), to the funding of any Loan in respect of which that Defaulting Lender has failed to fund its portion thereof as required by this Agreement, as determined by the Administrative Agent; *third*, if so determined by the Administrative Agent and the Borrower, to be held in a non-interest bearing deposit account and released in order to satisfy obligations of that Defaulting Lender to fund Loans under this Agreement; *fourth*, to the payment of any amounts owing to the Lenders as a result of any judgment of a court of competent jurisdiction obtained by any Lender against that Defaulting Lender as a result of that Defaulting Lender's breach of its obligations under this Agreement; *fifth*, so long as no Default or Event of Default has occurred and is continuing, to the payment of any amounts owing to the Borrower as a result of any judgment of a court of competent jurisdiction obtained by the Borrower against that Defaulting Lender as a result of that Defaulting Lender's breach of its obligations under this Agreement; and *sixth*, to that Defaulting Lender or as otherwise directed by a court of competent jurisdiction; *provided* that if (x) such payment is a payment of the principal amount of any Loans in respect of which that Defaulting Lender has not fully funded its appropriate share and (y) such Loans were made at a time when the conditions set forth in Sections 4.02 or 4.03, as applicable, were satisfied or waived, such payment shall be applied solely to pay the Loans of all Non-Defaulting Lenders on a *pro rata* basis prior to being applied to the payment of any Loans of that Defaulting Lender. Any payments, prepayments or other amounts paid or payable to a Defaulting Lender that are applied (or held) to pay amounts owed by a Defaulting Lender shall be deemed paid to and redirected by that Defaulting Lender, and each Lender irrevocably consents hereto.

(c) During any period in which there is a Defaulting Lender, such Defaulting Lender's participation Letters of Credit and Swingline Loans shall be reallocated among the Non-Defaulting Lenders in accordance with their respective Pro Rata Shares (calculated without regard to such Defaulting Lender's Commitment); *provided* that after giving effect to such reallocation, each Non-Defaulting Lender's Revolving Credit Exposure shall not exceed (i) the Participating Revolving Credit Commitment of that Non-Defaulting Lender minus (ii) the sum of (A) the aggregate Outstanding Amount of the Loans of that Non-Defaulting Lender under such Participating Revolving Credit Commitments plus (B) such Non-Defaulting Lender's Pro Rata Share of the Outstanding Amount of L/C Obligations and Swing Line Obligations at such time. Subject to Section 9.22, no reallocation hereunder shall constitute a waiver or release of any claim of any party hereunder against a Defaulting Lender arising from the Lender having become

a Defaulting Lender, including any claim of a Non-Defaulting Lender as a result of such Non-Defaulting Lender's increased exposure following such reallocation.

(d) If the Borrower and the Administrative Agent agree in writing in their sole discretion that a Defaulting Lender should no longer be deemed to be a Defaulting Lender, the Administrative Agent will so notify the parties hereto, whereupon as of the effective date specified in such notice and subject to any conditions set forth therein, that Lender will, to the extent applicable, purchase that portion of outstanding Loans of the other Lenders or take such other actions as the Administrative Agent may determine to be necessary to cause the Loans to be held on a *pro rata* basis by the Lenders in accordance with their Pro Rata Share of Commitments, whereupon that Lender will cease to be a Defaulting Lender; *provided* that no adjustments will be made retroactively with respect to fees accrued or payments made by or on behalf of the Borrower while that Lender was a Defaulting Lender; and provided, further, that except to the extent otherwise expressly agreed by the affected parties, no change hereunder from Defaulting Lender to Lender will constitute a waiver or release of any claim of any party hereunder arising from that Lender's having been a Defaulting Lender.

SECTION 2.26. **Letters of Credit.** (a) *The Letter of Credit Commitment.* (i) Subject to the terms and conditions set forth herein, (A) each L/C Issuer agrees, in reliance upon the agreements of the other Revolving Credit Lenders set forth in this Section 2.26, (1) from time to time on any Business Day during the period from and including the Closing Date until the Letter of Credit Expiration Date, to issue Letters of Credit at sight denominated in Dollars for the account of the Borrower (or so long as the Borrower is the primary obligor, for the account of any Subsidiary or the Parent Guarantor) and to amend or renew Letters of Credit previously issued by it, in accordance with Section 2.26(b) and (2) to honor drawings under the Letters of Credit and (B) the Participating Revolving Credit Lenders severally agree to participate in Letters of Credit issued pursuant to this Section 2.26; *provided* that no L/C Issuer shall be obligated to issue trade or commercial Letters of Credit; and *provided, further*, that no L/C Issuer shall be obligated to make any L/C Credit Extension with respect to any Letter of Credit, and no Lender shall be obligated to participate in any Letter of Credit if as of the date of such L/C Credit Extension, (x) the Revolving Credit Exposure of any Revolving Credit Lender under its Participating Revolving Credit Commitments would exceed its Participating Revolving Credit Commitments (it being understood that with respect to a Swing Line Lender, its Swing Line Exposure for purposes of this clause (x) shall be deemed to be its Pro Rata Share (after giving effect when a Defaulting Lender shall exist to any reallocation effected in accordance with Section 2.25(c)) of the total Swing Line Exposure), (y) with respect to any Swing Line Lender that is a Participating Revolving Credit Lender, the aggregate of its Swing Line Exposure (in its capacity as a Swing Line Lender and a Revolving Credit Lender), *plus* the aggregate principal amount of its outstanding Revolving Credit Loans (in its capacity as a Revolving Credit Lender), *plus* its L/C Exposure would exceed its Revolving Credit Commitment or (z) the Outstanding Amount of the L/C Obligations would exceed the Letter of Credit Sublimit; *provided, further*, that no L/C Issuer shall be obligated to make any L/C Credit Extension with respect to any Letter of Credit if as of the date of such L/C Credit Extension, after such L/C Credit Extension, the Outstanding Amount of the L/C Obligations in respect of Letters of Credit issued by such L/C Issuer would exceed such L/C Issuer's Letter of Credit Issuer Sublimit. Within the foregoing

limits, and subject to the terms and conditions hereof, the Borrower's ability to obtain Letters of Credit shall be fully revolving, and accordingly the Borrower may, during the foregoing period, obtain Letters of Credit to replace Letters of Credit that have expired or that have been drawn upon and reimbursed.

(ii) An L/C Issuer shall be under no obligation to issue any Letter of Credit if:

(A) any order, judgment or decree of any Governmental Authority or arbitrator shall by its terms purport to enjoin or restrain such L/C Issuer from issuing such Letter of Credit, or any Law applicable to such L/C Issuer or any directive (whether or not having the force of law) from any Governmental Authority with jurisdiction over such L/C Issuer shall prohibit, or direct that such L/C Issuer refrain from, the issuance of letters of credit generally or such Letter of Credit in particular or shall impose upon such L/C Issuer with respect to such Letter of Credit any restriction, reserve or capital requirement (for which such L/C Issuer is not otherwise compensated hereunder) not in effect on the Effective Date, or shall impose upon such L/C Issuer any unreimbursed loss, cost or expense which was not applicable on the Effective Date (for which such L/C Issuer is not otherwise compensated hereunder);

(B) subject to Section 2.26(b)(iii), the expiry date of such requested Letter of Credit would occur more than 12 months after the date of issuance or then-current expiration date unless (1) each Appropriate Lender has approved of such expiration date or (2) the Outstanding Amount of L/C Obligations in respect of such requested Letter of Credit has been Cash Collateralized or back-stopped by a letter of credit reasonably satisfactory to such L/C Issuer;

(C) (1) the expiry date of such requested Letter of Credit would occur after the Letter of Credit Expiration Date, unless (I) each Appropriate Lender has approved such expiry date or (II) the Outstanding Amount of L/C Obligations in respect of such requested Letter of Credit has been Cash Collateralized or back-stopped by a letter of credit reasonably satisfactory to such L/C Issuer and the Administrative Agent or (2) at any time when there is more than one Maturity Date in effect in respect of Revolving Credit Commitments, there are not sufficient Participating Revolving Credit Commitments maturing more than five Business Days after the expiry date of such requested Letter of Credit to cover the L/C Obligations in respect of such Letter of Credit (after taking into account all other outstanding Letters of Credit and their respective expiry dates), unless (I) each Appropriate Lender has approved such expiry date or (II) the Outstanding Amount of L/C Obligations in respect of such requested Letter of Credit has been Cash Collateralized or back-stopped by a letter of credit reasonably satisfactory to such L/C Issuer and the Administrative Agent;

(D) the issuance of such Letter of Credit would violate any policies of the L/C Issuer applicable to letters of credit generally;

(E) any Participating Revolving Credit Lender is at that time a Defaulting Lender, unless such L/C Issuer has entered into arrangements reasonably satisfactory to it and the Borrower to eliminate such L/C Issuer's actual or potential Fronting Exposure (after giving effect to Section 2.25(c)) with respect to the participation in Letters of Credit by such Defaulting Lender, including by cash collateralizing such Defaulting Lender's Pro Rata Share of the L/C Obligations;

(F) such Letter of Credit is denominated in a currency other than an Available Currency; or

(G) such Letter of Credit is a trade letter of credit or a bank guarantee; or

(H) the expiry date of such requested Letter of Credit has a stated expiry date that is after the 2025 Revolving Facility Maturity Date and the aggregate stated amount of all such Letters of Credit, when added to the aggregate Revolving Credit Exposure of all 2027 Revolving Credit Lenders (exclusive of L/C Obligations) as of such date, would exceed the aggregate amount of the 2027 Revolving Credit Commitments then in effect.

(iii) An L/C Issuer shall be under no obligation to amend any Letter of Credit if (A) such L/C Issuer would have no obligation at such time to issue such Letter of Credit in its amended form under the terms hereof, or (B) the beneficiary of such Letter of Credit does not accept the proposed amendment to such Letter of Credit.

(b) *Procedures for Issuance and Amendment of Letters of Credit; Auto-Extension Letters of Credit.* (i) Each Letter of Credit shall be issued or amended, as the case may be, upon the request of the Borrower delivered to an L/C Issuer (with a copy to the Administrative Agent) in the form of a Letter of Credit Application, appropriately completed and signed by a Responsible Officer of the Borrower. Such Letter of Credit Application must be received by the relevant L/C Issuer and the Administrative Agent not later than 12:30 p.m., New York City time, at least two Business Days prior to the proposed issuance date or date of amendment, as the case may be; or, in each case, such later date and time as the relevant L/C Issuer may agree in a particular instance in its sole discretion. In the case of a request for an initial issuance of a Letter of Credit, such Letter of Credit Application shall specify in form and detail reasonably satisfactory to the relevant L/C Issuer: (A) the proposed issuance date of the requested Letter of Credit (which shall be a Business Day); (B) the amount thereof; (C) the expiry date thereof; (D) the name and address of the beneficiary thereof; (E) the documents to be presented by such beneficiary in case of any drawing thereunder; (F) the full text of any certificate to be presented by such beneficiary in case of any drawing thereunder; (G) the Available Currency in which the requested Letter of Credit is to be issued will be denominated; and (H) such other matters as the relevant L/C Issuer may reasonably request. In the case of a request for an amendment of any outstanding Letter of Credit, such Letter of Credit Application shall specify in form and detail reasonably satisfactory to the relevant L/C Issuer (1) the Letter of Credit to be amended; (2) the proposed date of amendment thereof (which shall be a Business Day); (3) the nature of the

proposed amendment; and (4) such other matters as the relevant L/C Issuer may reasonably request.

(ii) Promptly after receipt of any Letter of Credit Application, the relevant L/C Issuer will confirm with the Administrative Agent (by telephone or in writing) that the Administrative Agent has received a copy of such Letter of Credit Application from the Borrower and, if not, such L/C Issuer will provide the Administrative Agent with a copy thereof. Upon receipt by the relevant L/C Issuer of confirmation from the Administrative Agent that the requested issuance or amendment is permitted in accordance with the terms hereof, then, subject to the terms and conditions hereof, such L/C Issuer shall, on the requested date, issue a Letter of Credit for the account of the Borrower (and, if applicable, its applicable Subsidiary) or enter into the applicable amendment, as the case may be. Immediately upon the issuance of each Letter of Credit, each Participating Revolving Credit Lender shall be deemed to, and hereby irrevocably and unconditionally agrees to, purchase from the relevant L/C Issuer a risk participation in such Letter of Credit in an amount equal to the product of such Lender's Pro Rata Share times the stated amount of such Letter of Credit.

(iii) If the Borrower so requests in any applicable Letter of Credit Application, the relevant L/C Issuer shall agree to issue a Letter of Credit that has automatic extension provisions (each, an "***Auto-Extension Letter of Credit***"); *provided* that any such Auto-Extension Letter of Credit must permit the relevant L/C Issuer to prevent any such extension at least once in each 12-month period (commencing with the date of issuance of such Letter of Credit) by giving prior notice to the beneficiary thereof not later than a day (the "***Non-extension Notice Date***") in each such 12-month period to be agreed upon at the time such Letter of Credit is issued. Unless otherwise directed by the relevant L/C Issuer, the Borrower shall not be required to make a specific request to the relevant L/C Issuer for any such extension. Once an Auto-Extension Letter of Credit has been issued, the Lenders shall be deemed to have authorized (but may not require) the relevant L/C Issuer to permit the extension of such Letter of Credit at any time to an expiry date that is, unless the Outstanding Amount of L/C Obligations in respect of such requested Letter of Credit has been Cash Collateralized or back-stopped by a letter of credit reasonably satisfactory to the relevant L/C Issuer, not later than the Letter of Credit Expiration Date; *provided* that the relevant L/C Issuer shall not permit any such extension if (A) the relevant L/C Issuer has determined that it would not be permitted at such time to issue such Letter of Credit in its extended form under the terms hereof (by reason of the provisions of Section 2.26(a)(ii) or otherwise) or (B) it has received notice on or before the day that is seven Business Days before the Non-extension Notice Date from the Administrative Agent, any Participating Revolving Credit Lender or the Borrower that one or more of the applicable conditions specified in Section 4.03 is not then satisfied.

(iv) Promptly after issuance of any Letter of Credit or any amendment to a Letter of Credit, the relevant L/C Issuer will also deliver to the Borrower and the Administrative Agent a true and complete copy of such Letter of Credit or amendment.

(c) *Drawings and Reimbursements; Funding of Participations.* (i) Upon receipt from the beneficiary of any Letter of Credit of any notice of a drawing under such Letter of Credit, the

relevant L/C Issuer shall notify promptly the Borrower and the Administrative Agent thereof. Not later than 12:00 noon, New York City time, on the second Business Day following any payment by an L/C Issuer under a Letter of Credit with notice to the Borrower (each such date, an “**Honor Date**”), the Borrower shall reimburse such L/C Issuer through the Administrative Agent in an amount equal to the amount of such drawing in Dollars; *provided* that if such reimbursement is not made on the date of drawing, the Borrower shall pay interest to the relevant L/C Issuer on such amount at the rate applicable to ABR Loans under the applicable Participating Revolving Credit Commitments (without duplication of interest payable on L/C Borrowings). The L/C Issuer shall notify the Borrower of the amount of the drawing promptly following the determination or revaluation thereof. If the Borrower fails to so reimburse such L/C Issuer by such time, the Administrative Agent shall promptly notify each Appropriate Lender of the Honor Date, the amount of the unreimbursed drawing (the “**Unreimbursed Amount**”), and the amount of such Appropriate Lender’s Pro Rata Share or other applicable share provided for under this Agreement thereof. In such event, the Borrower shall be deemed to have requested a Revolving Credit Borrowing of ABR Loans under the Participating Revolving Credit Commitments to be disbursed on the Honor Date in an amount equal to the Unreimbursed Amount, without regard to the minimum and multiples specified in Section 2.02 for the principal amount of ABR Loans, SOFR Loans or Eurodollar Loans, as the case may be, but subject to the amount of the unutilized portion of the Participating Revolving Credit Commitments of the Appropriate Lenders and the conditions set forth in Section 4.03 (other than the delivery of a Borrowing Request). Any notice given by an L/C Issuer or the Administrative Agent pursuant to this Section 2.26(c)(i) may be given by telephone if immediately confirmed in writing; *provided* that the lack of such an immediate confirmation shall not affect the conclusiveness or binding effect of such notice.

(ii) Each Appropriate Lender (including any Lender acting as an L/C Issuer) shall upon any notice pursuant to Section 2.26(c)(i) make funds available to the Administrative Agent for the account of the relevant L/C Issuer in Dollars, at the Administrative Agent’s office for payments in an amount equal to its Pro Rata Share of the Unreimbursed Amount not later than 1:00 p.m., New York City time, on the Business Day specified in such notice by the Administrative Agent, whereupon, subject to the provisions of Section 2.26(c)(iii), each Appropriate Lender that so makes funds available shall be deemed to have made an ABR Loan under the Participating Revolving Credit Commitments to the Borrower in such amount. The Administrative Agent shall remit the funds so received to the relevant L/C Issuer.

(iii) With respect to any Unreimbursed Amount that is not fully refinanced by a Revolving Credit Borrowing of ABR Loans because the conditions set forth in Section 4.03 cannot be satisfied or for any other reason, the Borrower shall be deemed to have incurred from the relevant L/C Issuer an L/C Borrowing in the amount of the Unreimbursed Amount that is not so refinanced, which L/C Borrowing shall be due and payable on demand (together with interest) and shall bear interest at the rate calculated pursuant to Section 2.07. In such event, each Appropriate Lender’s payment to the Administrative Agent for the account of the relevant L/C Issuer pursuant to Section 2.26(c)(ii) shall be deemed payment in respect of its participation in such L/C Borrowing

and shall constitute an L/C Advance from such Lender in satisfaction of its participation obligation under this Section 2.26.

(iv) Until each Appropriate Lender funds its Revolving Credit Loan or L/C Advance pursuant to this Section 2.26(c) to reimburse the relevant L/C Issuer for any amount drawn under any Letter of Credit, interest in respect of such Lender's Pro Rata Share of such amount shall be solely for the account of the relevant L/C Issuer.

(v) Each Participating Revolving Credit Lender's obligation to make Revolving Credit Loans or L/C Advances to reimburse an L/C Issuer for amounts drawn under Letters of Credit, as contemplated by this Section 2.26(c), shall be absolute and unconditional and shall not be affected by any circumstance, including (A) any setoff, counterclaim, recoupment, defense or other right which such Lender may have against the relevant L/C Issuer, the Borrower or any other Person for any reason whatsoever; (B) the occurrence or continuance of a Default or an Event of Default; (C) any adverse change in the condition (financial or otherwise) of the Loan Parties; (D) any breach of this Agreement or any other Loan Document by the Borrower, any other Loan Party or any other L/C Issuer; or (E) any other circumstance, occurrence, event or condition, whether or not similar to any of the foregoing; *provided* that each Participating Revolving Credit Lender's obligation to make Revolving Credit Loans pursuant to this Section 2.26(c) is subject to the conditions set forth in Section 4.03 (other than delivery by the Borrower of a Borrowing Request). No such making of an L/C Advance shall relieve or otherwise impair the obligation of the Borrower to reimburse the relevant L/C Issuer for the amount of any payment made by such L/C Issuer under any Letter of Credit, together with interest as provided herein.

(vi) If any Participating Revolving Credit Lender fails to make available to the Administrative Agent for the account of the relevant L/C Issuer any amount required to be paid by such Lender pursuant to the foregoing provisions of this Section 2.26(c) by the time specified in Section 2.26(c)(ii), such L/C Issuer shall be entitled to recover from such Lender (acting through the Administrative Agent), on demand, such amount with interest thereon for the period from the date such payment is required to the date on which such payment is immediately available to such L/C Issuer at the Bank Rate. A certificate of the relevant L/C Issuer submitted to any Participating Revolving Credit Lender (through the Administrative Agent) with respect to any amounts owing under this Section 2.26(c) (vi) shall be conclusive absent manifest error.

(d) *Repayment of Participations.* (i) If, at any time after an L/C Issuer has made a payment under any Letter of Credit and has received from any Participating Revolving Credit Lender such Lender's L/C Advance in respect of such payment in accordance with Section 2.26(c), the Administrative Agent receives for the account of such L/C Issuer any payment in respect of the related Unreimbursed Amount or interest thereon (whether directly from the Borrower or otherwise, including proceeds of Cash Collateral applied thereto by the Administrative Agent), the Administrative Agent will distribute to such Lender its Pro Rata Share thereof (appropriately adjusted to reflect (x) any reallocation effected in accordance with

Section 2.25(c) and (y) in the case of interest payments, the period of time during which such Lender's L/C Advance was outstanding) in the amount received by the Administrative Agent.

(ii) If any payment received by the Administrative Agent for the account of an L/C Issuer pursuant to Section 2.26(c)(i) is required to be returned under any of the circumstances described in Section 9.06 (including pursuant to any settlement entered into by such L/C Issuer in its discretion), each Appropriate Lender shall pay to the Administrative Agent for the account of such L/C Issuer its Pro Rata Share thereof on demand of the Administrative Agent, plus interest thereon from the date of such demand to the date such amount is returned by such Lender, at the Bank Rate.

(e) *Obligations Absolute.* The obligation of the Borrower to reimburse the relevant L/C Issuer for each drawing under each Letter of Credit issued by it and to repay each L/C Borrowing shall be absolute, unconditional and irrevocable, and shall be paid strictly in accordance with the terms of this Agreement under all circumstances, including the following:

(i) any lack of validity or enforceability of such Letter of Credit, this Agreement, or any other agreement or instrument relating thereto;

(ii) the existence of any claim, counterclaim, setoff, defense or other right that any Loan Party may have at any time against any beneficiary or any transferee of such Letter of Credit (or any Person for whom any such beneficiary or any such transferee may be acting), the relevant L/C Issuer or any other Person, whether in connection with this Agreement, the transactions contemplated hereby or by such Letter of Credit or any agreement or instrument relating thereto, or any unrelated transaction;

(iii) any draft, demand, certificate or other document presented under such Letter of Credit proving to be forged, fraudulent, invalid or insufficient in any respect or any statement therein being untrue or inaccurate in any respect; or any loss or delay in the transmission or otherwise of any document required in order to make a drawing under such Letter of Credit;

(iv) any payment by the relevant L/C Issuer under such Letter of Credit against presentation of a draft or certificate that does not strictly comply with the terms of such Letter of Credit; or any payment made by the relevant L/C Issuer under such Letter of Credit to any Person purporting to be a trustee in bankruptcy, debtor-in-possession, assignee for the benefit of creditors, liquidator, receiver or other representative of or successor to any beneficiary or any transferee of such Letter of Credit;

(v) any exchange, release or non-perfection of any Collateral, or any release or amendment or waiver of or consent to departure from the Guaranty or any other guarantee, for all or any of the Obligations of any Loan Party in respect of such Letter of Credit; or

(vi) any other circumstance or happening whatsoever, whether or not similar to any of the foregoing, including any other circumstance that might otherwise constitute a defense available to, or a discharge of, any Loan Party;

provided that the foregoing shall not excuse any L/C Issuer from liability to Borrower to the extent of any direct damages (as opposed to consequential, punitive, special or exemplary damages, claims in respect of which are waived by the Borrower to the extent permitted by applicable Law) suffered by the Borrower that are caused by such L/C Issuer's gross negligence or willful misconduct as determined in a final and non-appealable judgment by a court of competent jurisdiction when determining whether drafts and other documents presented under a Letter of Credit comply with the terms thereof.

(f) *Role of L/C Issuers.* Each Lender and the Borrower agree that, in paying any drawing under a Letter of Credit, the relevant L/C Issuer shall not have any responsibility to obtain any document (other than any sight draft, certificates and documents expressly required by the Letter of Credit) or to ascertain or inquire as to the validity or accuracy of any such document or the authority of the Person executing or delivering any such document. None of the L/C Issuers, nor any of the respective correspondents, participants or assignees of any L/C Issuer shall be liable to any Lender for (i) any action taken or omitted in connection herewith at the request or with the approval of the Lenders or the Lenders holding a majority of the Participating Revolving Credit Commitments, as applicable; (ii) any action taken or omitted in the absence of gross negligence or willful misconduct as determined in a final and non-appealable judgment by a court of competent jurisdiction; or (iii) the due execution, effectiveness, validity or enforceability of any document or instrument related to any Letter of Credit or Letter of Credit Application. The Borrower hereby assumes all risks of the acts or omissions of any beneficiary or transferee with respect to its use of any Letter of Credit; *provided* that this assumption is not intended to, and shall not, preclude the Borrower's pursuing such rights and remedies as it may have against the beneficiary or transferee at law or under any other agreement. None of the L/C Issuers, nor any of the respective correspondents, participants or assignees of any L/C Issuer, shall be liable or responsible for any of the matters described in clauses (i) through (vi) of Section 2.26(e); *provided* that anything in such clauses to the contrary notwithstanding, the Borrower may have a claim against an L/C Issuer, and such L/C Issuer may be liable to the Borrower, to the extent, but only to the extent, of any direct, as opposed to consequential, punitive or exemplary, damages suffered by the Borrower which the Borrower proves were caused by such L/C Issuer's willful misconduct or gross negligence or such L/C Issuer's willful or grossly negligent failure to pay under any Letter of Credit after the presentation to it by the beneficiary of document(s) strictly complying with the terms and conditions of a Letter of Credit, in each case as determined in a final and non-appealable judgment by a court of competent jurisdiction. In furtherance and not in limitation of the foregoing, each L/C Issuer may accept documents that appear on their face to be in order, without responsibility for further investigation, regardless of any notice or information to the contrary, and no L/C Issuer shall be responsible for the validity or sufficiency of any instrument transferring or assigning or purporting to transfer or assign a Letter of Credit or the rights or benefits thereunder or proceeds thereof, in whole or in part, which may prove to be invalid or ineffective for any reason.

(g) *Cash Collateral.* (i) If, as of any Letter of Credit Expiration Date, any applicable Letter of Credit for any reason remains outstanding and partially or wholly undrawn, (ii) if any Event of Default occurs and is continuing and the Administrative Agent or the Lenders holding a majority of the Participating Revolving Credit Commitments, as applicable, require the Borrower to Cash Collateralize the L/C Obligations pursuant to Section 7.01 or (iii) if an Event of Default set forth under Section 7.01(g) occurs and is continuing, the Borrower shall Cash Collateralize the then Outstanding Amount of all of its (or, in the case of clause (i), the applicable) L/C Obligations (in an amount equal to such Outstanding Amount determined as of the date of such Event of Default or the applicable Letter of Credit Expiration Date, as the case may be), and shall do so not later than 2:00 p.m., New York City time, on (x) in the case of the immediately preceding clauses (i) or (ii), (A) the Business Day that the Borrower receives notice thereof, if such notice is received on such day prior to 12:00 noon, New York City time, or (B) if clause (A) above does not apply, the Business Day immediately following the day that the Borrower receives such notice and (y) in the case of the immediately preceding clause (iii), the Business Day on which an Event of Default set forth under Section 7.01(g) occurs or, if such day is not a Business Day, the Business Day immediately succeeding such day. At any time that there shall exist a Defaulting Lender, immediately upon the request of the Administrative Agent, the L/C Issuer or the Swing Line Lender, the Borrower shall deliver to the Administrative Agent Cash Collateral in an amount sufficient to cover all Fronting Exposure (after giving effect to Section 2.25 and any Cash Collateral provided by the Defaulting Lender). For purposes hereof, “*Cash Collateralize*” means to pledge and deposit with or deliver to the Administrative Agent, for the benefit of the relevant L/C Issuer and the Appropriate Lenders, as collateral for the relevant L/C Obligations, cash or deposit account balances (“*Cash Collateral*”) pursuant to documentation in form, amount and substance reasonably satisfactory to the Administrative Agent and the relevant L/C Issuer (which documents are hereby consented to by the Appropriate Lenders). Derivatives of such term have corresponding meanings. The Borrower hereby grants to the Administrative Agent, for the benefit of the L/C Issuers and the Participating Revolving Credit Lenders, a security interest in all such cash, deposit accounts and all balances therein and all proceeds of the foregoing. Cash Collateral shall be maintained in blocked accounts at the Administrative Agent and may be invested in readily available Cash Equivalents. If at any time the Administrative Agent determines that any funds held as Cash Collateral are expressly subject to any right or claim of any Person other than the Administrative Agent (on behalf of the Secured Parties) or that the total amount of such funds is less than the aggregate Outstanding Amount of all relevant L/C Obligations, the Borrower will, forthwith upon demand by the Administrative Agent, pay to the Administrative Agent, as additional funds to be deposited and held in the deposit accounts at the Administrative Agent as aforesaid, an amount equal to the excess of (1) such aggregate Outstanding Amount over (2) the total amount of funds, if any, then held as Cash Collateral that the Administrative Agent reasonably determines to be free and clear of any such right and claim. Upon the drawing of any Letter of Credit for which funds are on deposit as Cash Collateral, such funds shall be applied, to the extent permitted under applicable Law, to reimburse the relevant L/C Issuer. To the extent the amount of any Cash Collateral exceeds the then Outstanding Amount of such L/C Obligations and so long as no Event of Default has occurred and is continuing, the excess shall be refunded to the Borrower. To the extent any Event of Default giving rise to the requirement to Cash Collateralize any Letter of Credit pursuant to this Section 2.26(g) is cured or otherwise waived, then so long as no other Event of Default has occurred and is continuing, all

Cash Collateral pledged to Cash Collateralize such Letter of Credit shall be refunded to the Borrower. If at any time the Administrative Agent determines that Cash Collateral is subject to any right or claim of any Person other than the Administrative Agent as herein provided, or that the total amount of such Cash Collateral is less than the applicable Fronting Exposure and other obligations secured thereby, the Borrower or the relevant Defaulting Lender will, promptly upon demand by the Administrative Agent, pay or provide to the Administrative Agent additional Cash Collateral in an amount sufficient to eliminate such deficiency. In addition, the Administrative Agent may request at any time and from time to time after the initial deposit of Cash Collateral that additional Cash Collateral be provided by the Borrower in order to protect against the results of exchange rate fluctuations with respect to Letters of Credit denominated in currencies other than Dollars.

(h) *Letter of Credit Fees.* The Borrower shall pay to the Administrative Agent (i) for any period prior to the Extension Amendment No. 1 Effective Date, for the account of each Participating Revolving Credit Lender in accordance with its Pro Rata Share a Letter of Credit fee for each Letter of Credit issued pursuant to this Agreement equal to the Applicable Margin then in effect for SOFR Loans that are Revolving Credit Loans of the applicable Class or Classes times the daily maximum amount then available to be drawn under such Letter of Credit (whether or not such maximum amount is then in effect under such Letter of Credit if such maximum amount increases periodically pursuant to the terms of such Letter of Credit) and (ii) for any period commencing on and after the Extension Amendment No. 1 Effective Date, for the account of each 2025 Revolving Credit Lender and each 2027 Revolving Credit Lender in accordance with its Other Allocable Share of the 2025 Revolving Credit Commitments and the 2027 Revolving Credit Commitments, respectively, that result pursuant to Extension Amendment No. 1, a Letter of Credit fee for each Letter of Credit issued pursuant to this Agreement equal to the Applicable Margin then in effect for SOFR Loans that are Revolving Credit Loans of the applicable Class times the Allocable Revolving Share of the 2025 Revolving Credit Lenders or the 2027 Revolving Credit Lenders, as the case may be, of the daily maximum amount then available to be drawn under such Letter of Credit; provided, however, any Letter of Credit fees otherwise payable for the account of a Defaulting Lender with respect to any Letter of Credit as to which such Defaulting Lender has not provided Cash Collateral satisfactory to the L/C Issuer pursuant to this Section 2.26 shall be payable, to the maximum extent permitted by applicable Law, to the other Lenders in accordance with the upward adjustments in their respective Pro Rata Share allocable to such Letter of Credit pursuant to Section 2.25, with the balance of such fee, if any, payable to the L/C Issuer for its own account. Such Letter of Credit fees shall be computed on a quarterly basis in arrears. Such Letter of Credit fees shall be due and payable in Dollars on the 15th day of each of April, July, October and January, commencing with the first such date to occur after the issuance of such Letter of Credit, on the applicable Letter of Credit Expiration Date and thereafter on demand; provided that if any such day is not a Business Day, payment shall be due on the next succeeding Business Day. If there is any change in the applicable Rate during any quarter, the daily maximum amount of each Letter of Credit shall be computed and multiplied by the applicable Rate separately for each period during such quarter that such applicable Rate was in effect.

(i) *Fronting Fee and Documentary and Processing Charges Payable to L/C Issuers.* The Borrower shall pay directly to each L/C Issuer for its own account a fronting fee with respect to each Letter of Credit issued by it equal to 0.125% per annum of the maximum amount available to be drawn under such Letter of Credit (whether or not such maximum amount is then in effect under such Letter of Credit if such maximum amount increases periodically pursuant to the terms of such Letter of Credit). Such fronting fees shall be computed on a quarterly basis in arrears. Such fronting fees shall be due and payable in Dollars on the 15th day of each of April, July, October and January, commencing with the first such date to occur after the issuance of such Letter of Credit, on the Letter of Credit Expiration Date and thereafter on demand; *provided* that if any such day is not a Business Day, payment shall be due on the next succeeding Business Day. In addition, the Borrower shall pay directly to each L/C Issuer for its own account with respect to each Letter of Credit the customary issuance, presentation, amendment and other processing fees, and other standard costs and charges, of such L/C Issuer relating to letters of credit as from time to time in effect. Such customary fees and standard costs and charges are due and payable within 10 Business Days of demand and are non-refundable.

(j) *Conflict with Letter of Credit Application.* Notwithstanding anything else to the contrary in this Agreement or any Letter of Credit Application, in the event of any conflict between the terms hereof and the terms of any Letter of Credit Application, the terms hereof shall control.

(k) *Addition or Replacement of an L/C Issuer.*

(i) A Revolving Credit Lender reasonably acceptable to the Borrower and the Administrative Agent may become an additional L/C Issuer hereunder pursuant to a written agreement among the Borrower, the Administrative Agent and such Revolving Credit Lender. The Administrative Agent shall notify the Participating Revolving Credit Lenders of any such additional L/C Issuer.

(ii) Any L/C Issuer may resign in its capacity as an L/C Issuer hereunder solely with the consent of the Borrower (not to be unreasonably withheld or delayed), and any L/C Issuer may be replaced at any time by written agreement among the Borrower, the Administrative Agent, the replaced L/C Issuer and the successor L/C Issuer. The Administrative Agent shall notify the Participating Revolving Credit Lenders of any such resignation or replacement. At the time any such resignation or replacement shall become effective, the Borrower shall pay all unpaid fees accrued for the account of the resigning or replaced L/C Issuer, as applicable, pursuant to Section 2.26(h). In the case of the replacement of an L/C Issuer, from and after the effective date of any such replacement, (A) the successor L/C Issuer shall have all the rights and obligations of an L/C Issuer under this Agreement with respect to Letters of Credit to be issued thereafter and (B) references herein to the term "L/C Issuer" shall be deemed to refer to such successor L/C Issuer or to such replaced L/C Issuer, or to such successor L/C Issuer and such replaced L/C Issuer, as the context shall require. After the resignation or replacement of an L/C Issuer hereunder, the resigned or replaced L/C Issuer, as applicable, shall remain a party hereto and shall continue to have all the rights and obligations of an L/C Issuer under this

Agreement with respect to Letters of Credit issued by it prior to such resignation or replacement, but shall not be required to issue additional Letters of Credit.

(l) *Provisions Related to Extended Revolving Credit Commitments.* If the Maturity Date in respect of any Participating Revolving Credit Commitments occurs prior to the expiry date of any Letter of Credit, then (i) if one or more other Participating Revolving Credit Commitments are then in effect (or will automatically be in effect upon such maturity), such Letters of Credit shall automatically be deemed to have been issued (including for purposes of the obligations of the Participating Revolving Credit Lenders to purchase participations therein and to make Revolving Credit Loans and payments in respect thereof pursuant to Sections 2.26(c) and (d)) under (and ratably participated in by Participating Revolving Credit Lenders pursuant to) the non-terminating Participating Revolving Credit Commitments up to an aggregate amount not to exceed the aggregate principal amount of the unutilized Participating Revolving Credit Commitments continuing at such time (it being understood that no partial face amount of any Letter of Credit may be so reallocated) and (ii) to the extent not reallocated pursuant to immediately preceding clause (i) and unless provisions reasonably satisfactory to the applicable L/C Issuer for the treatment of such Letter of Credit as a letter of credit under a successor credit facility have been agreed upon, the Borrower shall, on or prior to the applicable Maturity Date, cause all such Letters of Credit to be replaced and returned to the applicable L/C Issuer undrawn and marked “cancelled” or to the extent that the Borrower is unable to so replace and return any Letter(s) of Credit, such Letter(s) of Credit shall be secured by a “back to back” letter of credit reasonably satisfactory to the applicable L/C Issuer or the Borrower shall Cash Collateralize any such Letter of Credit in accordance with Section 2.26(g). Commencing with the Maturity Date of any Class of Revolving Credit Commitments, the Letter of Credit Sublimit shall be in an amount agreed solely with the L/C Issuers.

(m) *Letters of Credit Issued for Subsidiaries.* Notwithstanding that a Letter of Credit issued or outstanding hereunder is in support of any obligations of, or is for the account of, a Subsidiary or the Parent Guarantor, the Borrower shall be obligated to reimburse the applicable L/C Issuer hereunder for any and all drawings under such Letter of Credit. The Borrower hereby acknowledges that the issuance of Letters of Credit for the account of Subsidiaries or the Parent Guarantor inures to the benefit of the Borrower, and that the Borrower’s business derives substantial benefits from the businesses of such Subsidiaries.

SECTION 2.27. *Swing Line Loans.* (a) *The Swing Line.* Subject to the terms and conditions set forth herein, each Swing Line Lender severally agrees to make loans in Dollars to the Borrower (each such loan, a “*Swing Line Loan*”), from time to time on any Business Day during the period beginning on the Business Day after the Closing Date until the date which is one Business Day prior to the Maturity Date of the Participating Revolving Credit Commitments (taking into account the Maturity Date of any Participating Revolving Credit Commitment that will automatically come into effect on such Maturity Date) in an aggregate amount not to exceed at any time outstanding the amount of the Swing Line Sublimit; *provided* that, after giving effect to any Swing Line Loan (i) with respect to any Revolving Credit Lender, the Revolving Credit Exposure under its Participating Revolving Credit Commitments shall not exceed its aggregate Participating Revolving Credit Commitments (it being understood that with respect to a Swing

Line Lender, its Swing Line Exposure for purposes of this clause (i) shall be deemed to be its Pro Rata Share (after giving effect when a Defaulting Lender shall exist to any reallocation effected in accordance with Section 2.25(c)) of the total Swing Line Exposure), (ii) with respect to any Revolving Credit Lender, the aggregate Outstanding Amount of the Revolving Credit Loans of such Lender, *plus* such Lender's L/C Exposure, *plus* such Lender's Pro Rata Share (after giving effect when a Defaulting Lender shall exist to any reallocation effected in accordance with Section 2.25(c)) of the Outstanding Amount of the Swing Line Loans shall not exceed such Lender's Revolving Credit Commitment then in effect and (iii) with respect to any Swing Line Lender, the aggregate of its Swing Line Exposure (in its capacity as a Swing Line Lender and a Revolving Credit Lender), *plus* the aggregate principal amount of its outstanding Revolving Credit Loans (in its capacity as a Revolving Credit Lender), *plus* its L/C Exposure shall not exceed its Revolving Credit Commitment; *provided, further*, that the Borrower shall not use the proceeds of any Swing Line Loan to refinance any outstanding Swing Line Loan. Within the foregoing limits, and subject to the other terms and conditions hereof, the Borrower may borrow, prepay and reborrow Swing Line Loans. Each Swing Line Loan shall be an ABR Loan. Immediately upon the making of a Swing Line Loan by any Swing Line Lender, each Participating Revolving Credit Lender shall be deemed to, and hereby irrevocably and unconditionally agrees to, purchase from such Swing Line Lender a risk participation in such Swing Line Loan in an amount equal to the product of such Lender's Pro Rata Share times the amount of such Swing Line Loan.

(b) *Borrowing Procedures.* Each Swing Line Borrowing shall be made upon the Borrower's irrevocable written notice (such notice a "**Swing Line Loan Notice**") to the Swing Line Lenders and the Administrative Agent. Each such notice must be appropriately completed and signed by a Responsible Officer of the Borrower and received by the Swing Line Lenders and the Administrative Agent not later than 1:00 p.m., New York City time, on the requested borrowing date and shall specify (i) the amount to be borrowed, which shall be a minimum of \$500,000 (and any amount in excess of \$500,000 shall be an integral multiple of \$100,000) and (ii) the requested borrowing date, which shall be a Business Day. Promptly after receipt by any Swing Line Lender of any Swing Line Loan Notice, such Swing Line Lender will confirm with the Administrative Agent (by telephone or in writing) that the Administrative Agent has also received such Swing Line Loan Notice and such Swing Line Lender's ratable portion of the amount of the Swing Line Loan to be made (and if the Administrative Agent has not received such Swing Line Loan Notice, such Swing Line Lender will notify the Administrative Agent (by telephone or in writing) of the contents thereof). Unless a Swing Line Lender has received notice (by telephone (if such Swing Line Lender agrees to accept telephonic notice) or in writing) from the Administrative Agent (including at the request of any Revolving Credit Lender) prior to 2:00 p.m., New York City time, on the date of the proposed Swing Line Borrowing (A) directing the Swing Line Lenders not to make such Swing Line Loan as a result of the limitations set forth in the first proviso to the first sentence of Section 2.27(a) or (B) that one or more of the applicable conditions specified in Section 4.03 is not then satisfied, then, subject to the terms and conditions hereof, such Swing Line Lender will, not later than 4:00 p.m., New York City time, on the borrowing date specified in such Swing Line Loan Notice, make its ratable portion of the amount of the Swing Line Loan available to the Borrower (such ratable portion to be calculated based upon such Swing Line Lender's Revolving Credit Commitment (in its capacity as a Revolving

Credit Lender) to the total Revolving Credit Commitments of all of the Swing Line Lenders (in their respective capacities as Revolving Credit Lenders)). Notwithstanding anything to the contrary contained in this Section 2.27 or elsewhere in this Agreement, no Swing Line Lender shall be obligated to make any Swing Line Loan at a time when a Participating Revolving Credit Lender is a Defaulting Lender unless such Swing Line Lender has entered into arrangements reasonably satisfactory to it and the Borrower to eliminate such Swing Line Lender's Fronting Exposure (after giving effect to Section 2.25) with respect to the Defaulting Lender's or Defaulting Lenders' participation in such Swing Line Loans, including by Cash Collateralizing, or obtaining a backstop letter of credit from an issuer reasonably satisfactory to such Swing Line Lender to support, such Defaulting Lender's or Defaulting Lenders' Pro Rata Share of the outstanding Swing Line Loans or other applicable share provided for under this Agreement. The Borrower shall repay to the Swing Line Lenders each Defaulting Lender's portion (after giving effect to Section 2.25) of each Swing Line Loan promptly following demand by any Swing Line Lender.

(c) *Refinancing of Swing Line Loans.*

(i) Each Swing Line Lender at any time in its sole and absolute discretion may request, on behalf of the Borrower (which hereby irrevocably authorizes the Swing Line Lenders to so request on its behalf), that each Participating Revolving Credit Lender make an ABR Loan in an amount equal to such Lender's Pro Rata Share of the amount of Swing Line Loans of the Borrower then outstanding. Such request shall be made in writing (which written request shall be deemed to be a Borrowing Request for purposes hereof) and in accordance with the requirements of Section 2.02, without regard to the minimum and multiples specified therein for the principal amount of ABR Loans, but subject to the unutilized portion of the aggregate Participating Revolving Credit Commitments and the conditions set forth in Section 4.03. Such Swing Line Lender shall furnish the Borrower with a copy of the applicable Borrowing Request promptly after delivering such notice to the Administrative Agent. Each Participating Revolving Credit Lender shall make an amount equal to its Pro Rata Share of the amount specified in such Borrowing Request available to the Administrative Agent in Same Day Funds for the account of the Swing Line Lenders at the Administrative Agent's office not later than 1:00 p.m., New York City time, on the day specified in such Borrowing Request, whereupon, subject to Section 2.27(c)(ii), each Participating Revolving Credit Lender that so makes funds available shall be deemed to have made an ABR Loan, as applicable, to the Borrower in such amount. The Administrative Agent shall remit the funds so received ratably to the Swing Line Lenders in accordance with their outstanding Swing Line Loans. Upon the remission by the Administrative Agent to the Swing Line Lenders of the full amount specified in such Borrowing Request, the Borrower shall be deemed to have repaid the applicable Swing Line Loan.

(ii) If for any reason any Swing Line Loan cannot be refinanced by such a Revolving Credit Borrowing in accordance with Section 2.27(c)(i), the request for ABR Loans submitted by a Swing Line Lender as set forth herein shall be deemed to be a request by such Swing Line Lender that each of the Participating Revolving Credit

Lenders fund its risk participation in the relevant Swing Line Loan and each Participating Revolving Credit Lender's payment to the Administrative Agent for the account of the Swing Line Lenders pursuant to Section 2.27(c)(i) shall be deemed payment in respect of such participation.

(iii) If any Participating Revolving Credit Lender fails to make available to the Administrative Agent for the account of the Swing Line Lenders any amount required to be paid by such Lender pursuant to the foregoing provisions of this Section 2.27(c) by the time specified in Section 2.27(c)(i), the Swing Line Lenders shall be entitled to recover from such Lender (acting through the Administrative Agent), on demand, such amount with interest thereon for the period from the date such payment is required to the date on which such payment is immediately available to the Swing Line Lenders at the Bank Rate. If such Participating Revolving Credit Lender pays such amount, the amount so paid shall constitute such Lender's Revolving Credit Loan included in the relevant Borrowing or funded participation in the relevant Swing Line Loan, as the case may be. A certificate of any Swing Line Lender submitted to any Lender (through the Administrative Agent) with respect to any amounts owing under this clause (iii) shall be conclusive absent manifest error.

(iv) Each Participating Revolving Credit Lender's obligation to make Revolving Credit Loans or to purchase and fund risk participations in Swing Line Loans pursuant to this Section 2.27(c) shall be absolute and unconditional and shall not be affected by any circumstance, including (A) any setoff, counterclaim, recoupment, defense or other right which such Lender may have against any Swing Line Lender, the Borrower or any other Person for any reason whatsoever, (B) the occurrence or continuance of a Default or the failure to satisfy any condition in Article IV, (C) any adverse change in the condition (financial or otherwise) of the Loan Parties, (D) any breach of this Agreement or (E) any other occurrence, event or condition, whether or not similar to any of the foregoing; *provided* that each Participating Revolving Credit Lender's obligation to make Revolving Credit Loans pursuant to this Section 2.27(c) (but not to purchase and fund risk participations in Swing Line Loans) is subject to the conditions set forth in Section 4.03. No such funding of risk participations shall relieve or otherwise impair the obligation of the Borrower to repay the applicable Swing Line Loans, together with interest as provided herein.

(d) *Repayment of Participations.*

(i) At any time after any Participating Revolving Credit Lender has purchased and funded a risk participation in a Swing Line Loan, if any Swing Line Lender receives any payment on account of such Swing Line Loan, such Swing Line Lender will distribute to such Lender its Pro Rata Share of such payment (appropriately adjusted to reflect (x) any reallocation effected in accordance with Section 2.25(c) and (y) in the case of interest payments, to reflect the period of time during which such Lender's risk participation was funded) in the same funds as those received by such Swing Line Lender.

(ii) If any payment received by any Swing Line Lender in respect of principal or interest on any Swing Line Loan is required to be returned by such Swing Line Lender under any of the circumstances described in Section 9.06 (including pursuant to any settlement entered into by such Swing Line Lender in its discretion), each Participating Revolving Credit Lender shall pay to such Swing Line Lender its Pro Rata Share thereof on demand of the Administrative Agent, plus interest thereon from the date of such demand to the date such amount is returned, at a rate per annum equal to the Bank Rate. The Administrative Agent will make such demand upon the request of any Swing Line Lender.

(e) *Interest for Account of Swing Line Lenders.* Each Swing Line Lender shall be responsible for invoicing the Borrower for interest on the Swing Line Loans made by it. Until each Participating Revolving Credit Lender funds its ABR Loan or risk participation pursuant to this Section 2.27 to refinance such Lender's Pro Rata Share of any Swing Line Loan, interest in respect of such Pro Rata Share shall be solely for the ratable account of the Swing Line Lenders.

(f) *Payments Directly to Swing Line Lenders.* The Borrower shall make all payments of principal and interest in respect of the Swing Line Loans directly to the Swing Line Lenders.

(g) *Provisions Related to Extended Revolving Credit Commitments.* If the Maturity Date shall have occurred in respect of any Participating Revolving Credit Commitments (the "**Expiring Credit Commitment**") at a time when other Participating Revolving Credit Commitments are in effect (or will automatically be in effect upon such maturity) with a longer maturity date (each a "**Non-Expiring Credit Commitment**" and collectively, the "**Non-Expiring Credit Commitments**"), then each outstanding Swing Line Loan on the earliest occurring Maturity Date shall be deemed reallocated to the Non-Expiring Credit Commitments on a *pro rata* basis; *provided* that (x) to the extent that the amount of such reallocation would cause the aggregate credit exposure to exceed the aggregate amount of such Non-Expiring Credit Commitments, immediately prior to such reallocation (after giving effect to any repayments of Revolving Credit Loans and any reallocation of Letter of Credit participations as contemplated in Section 2.26(l)) the amount of Swing Line Loans to be reallocated equal to such excess shall be repaid or cash collateralized in a manner reasonably satisfactory to the Swing Line Lender and (y) notwithstanding the foregoing, if a Default or Event of Default has occurred and is continuing, the Borrower shall still be obligated to pay Swing Line Loans allocated to the Participating Revolving Credit Lenders holding the Expiring Credit Commitments at the Maturity Date of the Expiring Credit Commitment or if the Loans have been accelerated prior to the Maturity Date of the Expiring Credit Commitment.

ARTICLE III

This Agreement constitutes, and each other Loan Document when so delivered will constitute, a legal, valid and binding obligation of such Loan Party, enforceable against each Loan Party that is party thereto in accordance with its terms, subject to applicable bankruptcy, insolvency, reorganization, moratorium or other laws affecting creditors' rights generally and subject to general principles of equity, regardless of whether considered in a proceeding in equity or at law.

SECTION 3.05. **Financial Statements; No Material Adverse Effect.** (a) The Original Financial Statements delivered to the Lead Arrangers as of the Effective Date (i) were prepared in accordance with GAAP, as applicable, consistently applied throughout the period covered thereby, except as otherwise expressly noted therein, and (ii) fairly present the financial condition of the entities therein (prior to giving effect to the Transactions) as of the date thereof and their results of operations for the period covered thereby in accordance with GAAP, as applicable, consistently applied throughout the period covered thereby, except as otherwise expressly noted therein, subject to, with respect to financial statements that are not Audited Financial Statements, the absence of footnotes and to normal year-end audit adjustments; *provided, however*, that this representation is made only to the knowledge of the Borrower with respect to financial statements of entities that were not Subsidiaries of the Borrower as of the date of such financial statements.

delivered to the Administrative Agent or the Lenders, of the assets, liabilities, financial condition or results of operations of the Group Members on a Consolidated basis.

SECTION 3.06. **Litigation.** There are no actions, suits, proceedings, claims or disputes pending or, to the knowledge of the Loan Parties after due and diligent investigation, overtly threatened, at law, in equity, in arbitration or before any Governmental Authority, by or against any Loan Party or any of its Subsidiaries or against any of its properties, rights or revenues that (a) purport to materially and adversely affect or pertain to this Agreement or any other Loan Document, or any of the transactions contemplated hereby, or (b) either individually or in the aggregate would reasonably be expected to have a Material Adverse Effect.

SECTION 3.08. **Ownership of Properties; Liens; Debt.** (a) Each Loan Party and each Restricted Subsidiary has good and marketable title in fee simple to or valid leasehold interests in, or easements or other limited property interests in, all Real Estate necessary or used in the ordinary conduct of its business, free and clear of all Liens except for minor defects in title that do not materially interfere with its ability to conduct its business or to utilize such assets for their intended purposes and Liens permitted by Section 4.06 of Annex I and except as does not have and would not reasonably be expected to have a Material Adverse Effect.

(b) There are no Liens on property or assets material to the conduct of the business of each Loan Party and each Restricted Subsidiary, other than Liens permitted pursuant to Section 4.06 of Annex I.

(c) As of the Effective Date, Schedule 3.08(c) sets forth a complete and accurate list of all Indebtedness of each Loan Party and its Restricted Subsidiaries, in each case in excess of \$35 million, showing the amount, obligor or issuer and maturity thereof and whether such Indebtedness is secured by a Lien. SECTION 3.09. **Environmental Compliance.** (a) No Loan Party or Restricted Subsidiary (i) has failed to comply in all material respects with applicable Environmental Law or to obtain, maintain or comply with any Environmental Permit, (ii) has become subject to any Environmental Liability, (iii) has received notice of any claim with respect to any material Environmental Liability or (iv) has a Responsible Officer with knowledge of any basis for any material Environmental Liability, except, in each case, as would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect.

(b) (i) None of the properties currently or formerly owned or operated by any Loan Party or Restricted Subsidiary is or was listed or, to the knowledge of any Responsible Officer

was proposed for listing on the NPL or on the CERCLIS or any analogous state or local list at any time while such property was owned by such Loan Party or, to the knowledge of any Responsible Officer, at any time prior to or after such property was owned by such Loan Party, and, to the knowledge of any Responsible Officer, no property currently owned or operated by any Loan Party or Restricted Subsidiary is adjacent to any such property, in each case in connection with any matter for which any Loan Party or Restricted Subsidiary would have any material Environmental Liability; (ii) there are no, or, to the knowledge of any Responsible Officer, never have been any underground or above-ground storage tanks or any surface impoundments, septic tanks, pits, sumps or lagoons in which Hazardous Materials are being or have been treated, stored or disposed on any property currently owned or operated by any Loan Party or Restricted Subsidiary in violation of any Environmental Laws or, to the knowledge of any Responsible Officer, on any property formerly owned or operated by any Loan Party or Restricted Subsidiary; (iii) there is no friable asbestos or friable asbestos-containing material on any property currently owned or operated by any Loan Party or Restricted Subsidiary; (iv) Hazardous Materials have not been Released, discharged or disposed of on any property currently or formerly owned or operated by any Loan Party or Restricted Subsidiary in violation of any Environmental Laws; and (v) to the knowledge of any Responsible Officer, there are no pending or threatened Liens under or pursuant to any applicable Environmental Laws on any real property or other assets owned or leased by any Loan Party or Restricted Subsidiary, and to the knowledge of any Responsible Officer, no actions by any Governmental Authority have been taken or are in process which would subject any of such properties or assets to such Liens, except, in the case of clauses (i) through (v) above, as would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect.

(c) No Loan Party or Restricted Subsidiary is undertaking, and no Loan Party or Restricted Subsidiary has completed, either individually or together with other potentially responsible parties, any investigation or assessment or remedial or response action relating to any actual or threatened Release, discharge or disposal of Hazardous Materials at any site, location or operation, either voluntarily or pursuant to the order of any Governmental Authority or the requirements of any Environmental Law that has or would reasonably be expected to have a Material Adverse Effect; and all Hazardous Materials generated, used, treated, handled or stored at, or transported to or from, any property currently or formerly owned or operated by any Loan Party or Restricted Subsidiary have been disposed of in a manner not reasonably expected, individually or in the aggregate, to have a Material Adverse Effect.

SECTION 3.10. **Insurance.** The properties of the Loan Parties and the Restricted Subsidiaries are insured with financially sound and reputable insurance companies (including any Captive Insurance Affiliate) in such amounts (after giving effect to any self-insurance), with such deductibles and covering such risks (including workers' compensation, commercial general liability, business interruption and property damage insurance) as are customarily carried by companies engaged in similar businesses and owning similar properties in localities where the applicable Loan Party or Restricted Subsidiary operates. As of the Closing Date, each material insurance policy required to be maintained pursuant to Section 5.07 is in full force and effect and all premiums in respect thereof that are due and payable have been paid.

SECTION 3.11. **Taxes.** Except as would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect, the Loan Parties and the Restricted Subsidiaries have filed all US federal, state and other tax returns and reports (collectively, the “**Tax Returns**”) required to be filed, and all such Tax Returns are true, correct and complete in all respects, and have paid when due and payable (subject to any grace periods) all US federal, state and other Taxes, assessments, fees and other governmental charges levied or imposed upon them or their properties, income or assets otherwise due and payable, except those which are being contested in good faith by appropriate proceedings being diligently conducted, for which adequate reserves have been provided in accordance with GAAP, as to which Taxes no Lien has been filed and which contest effectively suspends the collection of the contested obligation and the enforcement of any Lien securing such obligation. There is no proposed tax assessment against any Loan Party or any Restricted Subsidiary that would, if made, have a Material Adverse Effect.

SECTION 3.12. **Benefit Plans.** No ERISA Event has occurred or is reasonably expected to occur that, when taken individually or together with all other such ERISA Events, would reasonably be expected to result in a Material Adverse Effect. Except as would not reasonably be expected to result in a Material Adverse Effect, the present value of all accumulated benefit obligations under each Plan, if such Plan or Plans were to be terminated (based on the assumptions used for purposes of Statement of Financial Accounting Standards No. 87 or any successor thereto) did not, as of the date of the most recent financial statements reflecting such amounts, exceed the fair market value of the assets of such Plan allocable to such accumulated benefit obligations.

SECTION 3.13. **Subsidiaries; Capital Stock.** As of the Effective Date, (a) the Loan Parties have no Subsidiaries other than those specifically disclosed in Part (a) of Schedule 3.13, which Schedule sets forth the legal name, jurisdiction of incorporation or formation and the percentage interest of such Loan Party therein; (b) the outstanding Capital Stock in such Subsidiaries described on Part (a) of Schedule 3.13 as owned by a Loan Party (or a Subsidiary of a Loan Party) have been validly issued, are fully paid and non-assessable and are owned by a Loan Party (or a Subsidiary of a Loan Party) free and clear of all Liens, other than Permitted Liens; (c) except as set forth in Schedule 3.13, there are no outstanding rights to purchase any Capital Stock in any Restricted Subsidiary and (d) all of the outstanding Capital Stock in the Loan Parties have been validly issued, and are fully paid and non-assessable and, with respect to the Loan Parties and their direct Subsidiaries, are owned in the amounts specified on Part (c) of Schedule 3.13 free and clear of all Liens other than Permitted Liens permitted to be incurred pursuant to Section 4.06 of Annex I; in each of the foregoing clauses (a) through (d), including such modifications or supplements to Schedule 3.13 as have been delivered by the Borrower to the Administrative Agent from time to time. As of the Funding Date, the copies of the Organization Documents of each Loan Party and each amendment thereto provided pursuant to Section 4.02 are true and correct copies of each such document, each of which is valid and in full force and effect.

SECTION 3.14. **Margin Regulations; Investment Company Act.** (a) No Loan Party or Restricted Subsidiary is engaged or will be engaged, principally or as one of its

important activities, in the business of purchasing or carrying margin stock (within the meaning of Regulation U), or extending credit for the purpose of purchasing or carrying margin stock. None of the proceeds of the Loans shall be used directly or indirectly for the purpose of purchasing or carrying any margin stock, for the purpose of reducing or retiring any Indebtedness that was originally incurred to purchase or carry any margin stock or for any other purpose that might cause any of the Loans to be considered a “purpose credit” within the meaning of Regulations T, U or X.

(b) None of the Loan Parties or any Restricted Subsidiary is or is required to be registered as an “investment company” under the Investment Company Act of 1940.

(b) Notwithstanding anything to the contrary herein or in any other Loan Document, it is understood and agreed that (i) the Administrative Agent may grant extensions of time for the creation and perfection of security interests in, or obtaining of title insurance, legal opinions, surveys or other deliverables with respect to, particular assets or the provision of any Loan Guarantee by any Restricted Subsidiary (in connection with assets acquired, or Restricted Subsidiaries formed or acquired, after the Closing Date), and each Lender hereby consents to any such extension of time, (ii) any joinder or supplement to any Loan Guarantee, any Security Document or any other Loan Document executed by any Restricted Subsidiary that is required to become a Loan Party pursuant to this Section 5.14 may, with the consent of the Administrative Agent (not to be unreasonably withheld, conditioned or delayed), include such schedules (or updates to schedules) or limitations as may be necessary to qualify any representation or warranty with respect to such Restricted Subsidiary set forth in any Loan Document to the extent necessary to ensure that such representation or warranty is true and correct to the extent required thereby or by the terms of any other Loan Document, (iii) no Loan Party shall be required to seek any landlord waiver, bailee letter, estoppel, warehouseman waiver or other collateral access, lien waiver or similar letter or agreement, (iv) no Loan Party shall be required to take any supplemental perfection action with respect to Collateral constituting intellectual property, other than any supplemental filings with the U.S. Copyright Office or the U.S. Patent and Trademark Office, (v) in no event shall notices be required to be sent, nor shall the Administrative Agent or Collateral Agent be permitted to send to account debtors or other contractual third-parties prior to the occurrence and during the continuation of an Event of Default, (vi) no Loan Party will be required to (A) take any action outside the U.S. to grant or perfect any security interest in any

SECTION 5.15. **Sanctions.** (a) Not (i) contribute or otherwise make available the proceeds of this Agreement, directly or indirectly, to any person or entity (whether or not related to any member of the Borrower Group) for the purpose of financing the activities of any person or entity which is listed on a Sanctions List, or owned or controlled by a person or entity listed on a Sanctions List, or currently located in a Sanctioned Country, to the extent such contribution or provision of proceeds would be prohibited by Sanctions or would otherwise cause any person to be in breach of Sanctions, including but not limited to OFAC sanctions where such contribution or provision of proceeds is or would be conducted by a person in the United States of America; or (ii) fund all or part of any repayment under this Agreement out of proceeds derived from transactions which would be prohibited by Sanctions or would otherwise cause any person to be in breach of Sanctions.

ARTICLE VI

FINANCIAL COVENANT

SECTION 6.01. **Leveraged Based Financial Covenant.** From and after the Closing Date, so long as this Agreement shall remain in effect, and until the Commitments have been terminated and the principal of and interest on each Loan and all fees and all other expenses or amounts payable under any Loan Document shall have been paid in full (other than contingent indemnification obligations not then due and payable), or any Letter of Credit shall remain outstanding (unless the Outstanding Amount of the L/C Obligations related thereto has been Cash Collateralized or back-stopped by a letter of credit reasonably satisfactory to the applicable L/C Issuer or such Letter of Credit has been deemed reissued under another agreement reasonably acceptable to the L/C Issuer), the Borrower will not:

SECTION 6.02. *Additional Financial Covenants.* From and after the Extension Amendment No. 1 Effective Date and prior to the 2027 Revolving Facility Maturity Date, the Borrower will not:

(a) to the extent that any Restricted Subsidiary owns, or holds exclusive licenses or rights to, any Material Intellectual Property, designate such Restricted Subsidiary as an Unrestricted Subsidiary. Notwithstanding anything to the contrary in this Agreement, no Loan Party or any of its Restricted Subsidiaries shall (whether by Investment, Restricted Payment, Disposition or otherwise) transfer any ownership right, or exclusive license or exclusive right to, any Material Intellectual Property to any Unrestricted Subsidiary (including by transferring any Capital Stock of a member of the Group to an Unrestricted Subsidiary); and no Unrestricted Subsidiary shall own, or hold exclusive licenses or rights to, any Material Intellectual Property;

(b) request for any Guarantor to be released from its Loan Guarantee in connection with any transaction (i) that constitutes a transfer of the Capital Stock in such Guarantor to an Affiliate of the Borrower or to any Restricted Subsidiary, (ii) the primary purpose of which is to obtain a release of such Guarantor from its Loan Guarantee (as determined in good faith by the Borrower), (iii) for which there is no other bona fide business purpose and (iv) that, after giving effect to such transaction, such Guarantor continues to be a Restricted Subsidiary; or

(c) make any Restricted Payments pursuant to Section 4.05(b)(17) of Annex I to this Agreement; provided that the Borrower shall be permitted to make Restricted Payments pursuant to Section 4.05(b)(17) of Annex I to this Agreement so long as no Default or Event of Default has occurred and is continuing (or would result therefrom), and after giving pro forma effect to any such Restricted Payment, the Consolidated Net Leverage Ratio would be no greater than 6.09 to 1.00.

The provisions of this Article VI are for the benefit of the Revolving Credit Lenders only and the Required Revolving Credit Lenders may amend, waive or otherwise modify Section 6.01, Section 6.02 or the defined terms used for purposes of this Sections 6.01 or 6.02 or waive any Default or Event of Default resulting from a breach of Section 6.01 or waive any Extension Breach resulting from a breach of Sections 6.02(a), (b) or (c) (any such breach, an "Extension Breach") without the consent of any Lenders other than such Required Revolving Credit Lenders in accordance with the provisions of Section 9.08. Notwithstanding anything to the contrary herein, when calculating the Consolidated Net Senior Secured Leverage Ratio for the purposes of Section 6.01, the events described in clauses (a) through (c) of the definition of "Pro Forma EBITDA" that occurred subsequent to the end of the applicable Test Period shall not be given pro forma effect. For the avoidance of doubt, any breach by the Borrower of the provisions of Section 6.02 shall not constitute a Default or an Event of Default and the only consequences to the Borrower of any such Extension Breach shall be the acceleration of the 2027 Revolving Facility Maturity Date.

ARTICLE VII

EVENTS OF DEFAULT

SECTION 7.01. **Events of Default.** In case of the occurrence of any of the following events on or after the Funding Date (“**Events of Default**”):

(c) **Other Defaults.** Any Loan Party or any Restricted Subsidiary fails to perform or observe (i) any term, covenant or agreement set forth in Section 5.14 of this Agreement and such failure continues for five Business Days or (ii) any other term, covenant or agreement (not specified in Sections 7.01(a) or (b) above) contained in any Loan Document on its part to be performed or observed and such failure continues for 30 days after the date written notice thereof shall have been given to the Borrower by the Administrative Agent or the Required Lenders; or

(d) **Representations and Warranties.** Any representation, warranty, certification or statement of fact made or deemed made by or on behalf of the Borrower or any Restricted Subsidiary herein (excluding (solely in respect of the Funding Date and any other date prior to the Closing Date on which any extension of credit is made hereunder) those representations and warranties in Article III hereof the accuracy of which is not a condition to the Funding Date set forth in Section 4.02 or the making of such extension of credit), or in any other Loan Document, or in any document, report, certificate, financial statement or other instrument required to be delivered in connection herewith or therewith shall be incorrect or misleading in any material respect when made or deemed made, except that such materiality qualifier shall not be applicable to any representation or warranty that is already qualified by materiality or “Material Adverse Effect”; or

of any Loan Document (other than as a result of the discharge of such Loan Party in accordance with the terms of the applicable Loan Document), or purports in writing to revoke, terminate or rescind any provision of any Loan Document; (ii) any security interest under the Security Documents shall, at any time, cease to be in full force and effect (other than in accordance with the terms of the relevant Security Document, any Intercreditor Agreement (on and after the execution thereof), any Additional Intercreditor Agreement (on and after the execution thereof) and this Agreement) with respect to Collateral having a Fair Market Value in excess of \$10 million for any reason other than the satisfaction in full of all obligations under this Agreement or the release of any such security interest in accordance with the terms of this Agreement, any Intercreditor Agreement (on and after the execution thereof), any Additional Intercreditor Agreement (on and after the execution thereof) or the Security Documents or any such security interest created thereunder shall be declared invalid or unenforceable and the Borrower shall assert in writing that any such security interest is invalid or unenforceable and any such Default continues for 10 days; or (iii) any Guarantee of the Loans of a Guarantor that is a Significant Subsidiary or any group of Subsidiary Guarantors that taken together would constitute a Significant Subsidiary ceases to be in full force and effect (other than in accordance with the terms of such Facility Guaranty or this Agreement) or is declared invalid or unenforceable in a judicial proceeding or any Guarantor denies or disaffirms in writing its obligations under its Facility Guaranty and any such Default continues for 10 days after the notice specified in this Agreement; or

(f) *Cross-Default.* (i) Any Loan Party or Restricted Subsidiary (A) fails to make any payment when due (regardless of amount and whether by scheduled maturity, required prepayment, acceleration, demand, or otherwise) in respect of any Material Indebtedness (including undrawn committed or available amounts and including amounts owing to all creditors under any combined or syndicated credit arrangement) prior to the expiration of any grace period provided in such Indebtedness, or (B) fails to observe or perform any other agreement or condition relating to any such Material Indebtedness or contained in any instrument or agreement evidencing, securing or relating thereto, or any other event occurs, the effect of which default or other event is to cause, or to permit the holder or holders of such Material Indebtedness or the beneficiary or beneficiaries of any Guarantee thereof (or a trustee or agent on behalf of such holder or holders or beneficiary or beneficiaries) to cause, with or without the giving of notice, lapse of time or both, such Indebtedness to be demanded, accelerated or to become due or to be repurchased, prepaid, defeased or redeemed (automatically or otherwise), or an offer to repurchase, prepay, defease or redeem such Indebtedness to be made, prior to its stated maturity, or such Guarantee to become payable or cash collateral in respect thereof to be demanded; *provided* that this clause (B) shall not apply to secured Indebtedness that becomes due as a result of the voluntary sale or transfer of the property or assets securing such Indebtedness, if such sale or transfer is permitted hereunder; *provided, further*, that the failure referred to in clause (B) is unremedied and is not waived by the holders of such Indebtedness prior to any termination of the Commitments or acceleration of such Indebtedness or of the Loans pursuant to this Section 7.01 or (ii) there occurs under any Swap Contract an Early Termination Date (as defined in such Swap Contract) resulting from (A) any event of default under such Swap Contract as to which a Loan Party or any Subsidiary thereof is the Defaulting Party (as defined in such Swap Contract) or (B) any Termination Event (as defined in such Swap

Contract) under such Swap Contract as to which a Loan Party or any Subsidiary thereof is an Affected Party (as defined in such Swap Contract) and, in either event, the Swap Termination Value owed by the Loan Party or such Subsidiary as a result thereof is greater than \$35 million; or

(g) *Bankruptcy.* In relation to the Borrower, a Guarantor or a Significant Subsidiary or any group of Restricted Subsidiaries that, taken together, would constitute a Significant Subsidiary (i) any corporate action, legal proceedings or other procedure or step is taken in relation to: (A) a voluntary case; (B) the entry of an order for relief against it in an involuntary case; (C) the appointment of a custodian of it or for a substantial part of its property; (D) general assignment for the benefit of its creditors; or (E) admission in writing of its inability to pay its debts generally as they become due; or (ii) a court of competent jurisdiction enters an order or decree under any Bankruptcy Law that: (A) is for relief against the Borrower, any Guarantor or any Significant Subsidiary or any group of Restricted Subsidiaries that, taken together, would constitute a Significant Subsidiary in an involuntary case; (B) appoints a custodian or administrator of the Borrower, any Guarantor or any Significant Subsidiary or any group of Restricted Subsidiaries that, taken together, would constitute a Significant Subsidiary or for a substantial part of the property of the Borrower, any Guarantor or any Significant Subsidiary or any group of Restricted Subsidiaries that, taken together, would constitute a Significant Subsidiary; or (C) orders the liquidation or winding up of the Borrower, any Guarantor or any Significant Subsidiary or any group of Restricted Subsidiaries that, taken together, would constitute a Significant Subsidiary, and the order or decree remains unstayed and in effect for 60 consecutive days; or

(h) *Judgments.* Failure by the Borrower, a Guarantor or any Significant Subsidiary or any group of Restricted Subsidiaries that, taken together, would constitute a Significant Subsidiary to pay final judgments aggregating in excess of \$35 million (to the extent not covered by independent third-party insurance as to which the insurer has been notified of such judgment and has not denied coverage), which judgments are not paid, discharged or stayed for a period of 60 days after the judgment becomes final; or

then, and in every such event (other than an event with respect to the Borrower described in clause (g)), and at any time thereafter during the continuance of such event, the Administrative Agent may, and at the request of the Required Lenders shall, by notice to the Borrower, take any or all of the following actions, at the same or different times: (i) terminate forthwith the Commitments and any obligation of the L/C Issuers to make L/C Credit Extensions; Article I declare the Loans then outstanding to be forthwith due and payable in whole or in part, whereupon the principal of the Loans so declared to be due and payable,

together with accrued interest thereon and any unpaid accrued fees, other amounts payable and all other liabilities of the Borrower accrued hereunder and under any other Loan Document, shall become forthwith due and payable, without presentment, demand, protest or any other notice of any kind, all of which are hereby expressly waived by the Borrower, anything contained herein or in any other Loan Document to the contrary notwithstanding; Article I require that the Borrower Cash Collateralize the L/C Obligations (in an amount equal to the then Outstanding Amount thereof); and in any event with respect to the Borrower described in clause (g), the Commitments and any obligation of the L/C Issuers to make L/C Credit Extensions shall automatically terminate and the principal of the Loans then outstanding, together with accrued interest thereon and any unpaid accrued fees, other amounts payable and all other liabilities of the Borrower accrued hereunder and under any other Loan Document, shall automatically become due and payable, without presentment, demand, protest or any other notice of any kind, all of which are hereby expressly waived by the Borrower, anything contained herein or in any other Loan Document to the contrary notwithstanding and the obligation of the Borrower to Cash Collateralize the L/C Obligations as aforesaid shall automatically become effective; and Article I the Administrative Agent and the Collateral Agent shall have the right to take all or any actions and exercise any remedies available under the Loan Documents or applicable law or in equity.

Notwithstanding anything to the contrary, if the only Events of Default then having occurred and continuing are pursuant to a failure to observe the Financial Covenant, the Administrative Agent shall only take the actions set forth in this Section 7.01 at the request of the Required Revolving Credit Lenders (as opposed to Required Lenders).

SECTION 7.02. **Application of Funds.** After the exercise of remedies provided for in this Article VII (or after the Loans have automatically become immediately due and payable or the L/C Obligations have automatically been required to be Cash Collateralized as set forth in this Article VII), any amounts received on account of the Obligations shall (subject to any Intercreditor Agreement (on and after the execution thereof)) be applied by the Administrative Agent in the following order:

first, to payment of that portion of the Obligations constituting fees, indemnities, expenses and other amounts (including fees, charges and disbursements of counsel to the Administrative Agent and amounts payable under Section 2.20) payable to the Administrative Agent or the Collateral Agent, in their respective capacities as such;

second, to payment of that portion of the Obligations constituting indemnities, expenses, and other amounts (other than principal, interest and fees) payable to the Lenders (including fees, charges and disbursements of counsel to the respective Lenders and amounts payable under Section 2.20), ratably among them in proportion to the amounts described in this clause second payable to them;

third, to payment of that portion of the Obligations constituting accrued and unpaid interest on the Loans, L/C Borrowings and other Obligations, and fees, ratably among the Lenders in proportion to the respective amounts described in this clause third payable to them;

fourth, to payment of that portion of the Obligations constituting unpaid principal of the Loans and L/C Borrowings (including to Cash Collateralize that portion of L/C Obligations comprised of the aggregate undrawn amount of Letters of Credit) and any breakage, termination or other payments under Treasury Services Agreements or Swap Contracts, ratably among the Secured Parties in proportion to the respective amounts described in this clause fourth held by them;

fifth, to payment of all other Obligations ratably among the Secured Parties in proportion to the respective amounts described in this clause fifth held by them; and

last, the balance, if any, after all of the Obligations have been indefeasibly paid in full, to the Loan Parties or as otherwise required by Law.

Subject to Section 2.26(g), amounts used to Cash Collateralize the aggregate undrawn amount of Letters of Credit pursuant to clause fourth above shall be applied to satisfy drawings under such Letters of Credit as they occur. If any amount remains on deposit as Cash Collateral after all Letters of Credit have either been fully drawn or expired, such remaining amount shall be applied to the other Obligations, if any, in the order set forth above and, if no Obligations remain outstanding, to the Borrower.

SECTION 7.03. ***Borrower's Right to Cure.*** Notwithstanding anything to the contrary contained in Section 7.01 or Section 7.02:

(a) For the purpose of determining whether an Event of Default under a Financial Covenant has occurred, the Borrower may on one or more occasions:

(i) designate any portion of the net cash proceeds from a sale or issuance of Capital Stock, other than any Disqualified Stock of the Borrower or any contribution to the common capital of the Borrower (or from any other contribution to capital or sale or issuance of any other Capital Stock on terms reasonably satisfactory to the Administrative Agent) (the "***Cure Amount***") as an increase to Consolidated EBITDA for the applicable fiscal quarter; *provided* that (A) such amounts to be designated are actually received by the Borrower on or after the first day of such applicable fiscal quarter and on or prior to the 10th Business Day after the date on which financial statements are required to be delivered with respect to such applicable fiscal quarter (the "***Cure Expiration Date***"), (B) such amounts do not exceed the aggregate amount necessary to cure any Event of Default under the relevant Financial Covenant as of such date and (C) the Borrower shall have provided notice to the Administrative Agent on the date such amounts are designated as a "***Cure Amount***" (it being understood that to the extent any such notice is provided in advance of delivery of a Compliance Certificate for the applicable period, the amount of such net cash proceeds that is designated as the Cure Amount may be different than the amount necessary to cure any Event of Default under the relevant Financial Covenant and may be modified, as necessary, in a subsequent corrected notice delivered on or before the Cure Expiration Date (it being understood that in any event the final designation of the Cure Amount shall continue to be subject to the requirements set forth in clauses (A) and (B) above)); *provided, further*, that the Cure

Amount used to calculate Consolidated EBITDA for one fiscal quarter shall be used and included when calculating Consolidated EBITDA for each Test Period that includes such fiscal quarter.

(b) The parties hereby acknowledge that this Section 7.03 may not be relied on for purposes of calculating any financial ratios other than for determining actual compliance with Article VI (and not pro forma compliance with Article VI that is required by any other provision of this Agreement) and shall not result in any adjustment to any amounts (including the amount of Indebtedness) or increase in cash (and shall not be included for purposes of determining pricing, mandatory prepayments and the availability or amount permitted pursuant to any covenant under Article IV of Annex I) with respect to the quarter with respect to which such Cure Amount was made other than the amount of the Consolidated EBITDA referred to in the immediately preceding sentence.

(c) In furtherance of clause (a) above, (i) upon actual receipt and designation of the Cure Amount by the Borrower, the relevant Financial Covenant shall be deemed satisfied and complied with as of the end of the relevant fiscal quarter with the same effect as though there had been no failure to comply with the relevant Financial Covenant and any Event of Default under the relevant Financial Covenant (and any other Default arising solely as a result thereof) shall be deemed not to have occurred for purposes of the Loan Documents, and (ii) upon delivery to the Administrative Agent prior to the Cure Expiration Date of a notice from the Borrower stating its good faith intention to exercise its right set forth in this Section 7.03, neither the Administrative Agent on or after the last day of the applicable quarter nor any Lender may exercise any rights or remedies under Section 7.01 or Section 7.02 (or under any other Loan Document) on the basis of any actual or purported Event of Default under the Financial Covenant (and any other Default as a result thereof) until and unless the Cure Expiration Date has occurred without the Cure Amount having been received and designated.

(d) (i) In each period of four consecutive fiscal quarters, there shall be at least two fiscal quarters in which no cure right set forth in this Section 7.03 is exercised and (ii) there shall be no pro forma reduction in Indebtedness (directly or by way of netting) with the Cure Amount for determining compliance with the applicable Financial Covenant for the fiscal quarter with respect to which such Cure Amount was made.

(e) There can be no more than five (5) fiscal quarters in which the cure rights set forth in this Section 7.03 are exercised during the term of the 2027 Revolving Credit Commitments.

ARTICLE 8

THE ADMINISTRATIVE AGENT; ETC.

(a) Each Lender and the other Secured Parties hereby irrevocably designates and appoints the Administrative Agent and the Collateral Agent as its agent hereunder and under the other Loan Documents. Each Lender hereby authorizes the Administrative Agent and the Collateral Agent (for purposes of this Article VIII, the Administrative Agent and the Collateral

Agent are referred to collectively as the “*Agents*”) to take such actions on its behalf and to exercise such powers and perform such duties as are delegated to such Agent by the terms hereof and thereof, together with such other actions and powers as are reasonably incidental thereto. The provisions of this Article VIII (except for paragraphs (g) and (h)) are solely for the benefit of the Agents and the Lenders, and neither the Borrower, nor any other Loan Party shall have rights as a third-party beneficiary of any of such provisions. It is understood and agreed that the use of the term “agent” herein or in any other Loan Documents (or any other similar term) with reference to the Administrative Agent or Collateral Agent, as applicable, is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable law. Instead such term is used as a matter of market custom, and is intended to create or reflect only an administrative relationship between contracting parties. Without limiting the generality of the foregoing, the Agents are hereby expressly authorized to negotiate, enforce or settle any claim, action or proceeding affecting the Lenders in their capacity as such, at the direction of the Required Lenders, which negotiation, enforcement or settlement will be binding upon each Lender.

(b) Each Secured Party hereby further authorizes the Administrative Agent or Collateral Agent, as applicable, on behalf of and for the benefit of the Secured Parties, to be the agent for and representative of the Secured Parties with respect to the Collateral, the Security Documents, any Intercreditor Agreement and any Additional Intercreditor Agreement and to enter into the same at any time and from time to time. Subject to Section 9.08, Section 9.20 or Section 12 of the Facility Guaranty (as applicable) without further written consent or authorization from any Lender, the Administrative Agent or Collateral Agent, as applicable, may execute any documents or instruments necessary to (i) release any Lien encumbering any item of Collateral in the circumstances set forth in Section 9.20, or with respect to which Required Lenders (or such other Lenders as may be required to give such consent under Section 9.08) have otherwise consented and/or (ii) release any Guarantor from the Loan Guarantee in the circumstances set forth in Section 12 of the Facility Guaranty, or with respect to which Required Lenders (or such other Lenders as may be required to give such consent under Section 9.08) have otherwise consented.

(c) The Person serving as the Administrative Agent and/or the Collateral Agent hereunder shall have the same rights and powers in its capacity as a Lender as any other Lender and may exercise the same as though it were not an Agent, and the term “Lender” or “Lenders” shall, unless otherwise expressly indicated or unless the context otherwise requires, include the Person serving as an Agent hereunder in its individual capacity. Such Person and its Affiliates may accept deposits from, lend money to, own securities of, act as the financial advisor or in any other advisory capacity for, and generally engage in any kind of business with the Borrower or any Subsidiary or other Affiliate thereof (subject to securities law and other requirements of applicable law) as if it were not an Agent hereunder and without any duty to account therefor to the Lenders. The Borrower agrees to pay to the Administrative Agent all fees and expenses in accordance with any separate agreement between the Borrower and the Administrative Agent.

(d) Neither Agent shall have any duties or obligations except those expressly set forth herein and in the Loan Documents, and its duties hereunder and thereunder shall be

administrative in nature. Without limiting the generality of the foregoing, (i) neither Agent shall be subject to any fiduciary or other implied duties, regardless of whether a Default or Event of Default has occurred and is continuing, (ii) neither Agent shall have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby that such Agent is instructed in writing to exercise by the Required Lenders (or such other number or percentage of the Lenders as shall be necessary under the circumstances as provided for herein or in the other Loan Documents); *provided* that neither Agent shall be required to take any action that, in its opinion or the opinion of its counsel, may expose such Agent to liability or that is contrary to any Loan Document or applicable law and (iii) except as expressly set forth herein and in the other Loan Documents, neither Agent shall have any duty to disclose, nor shall it be liable for the failure to disclose, any information relating to the Borrower or any of the Subsidiaries that is communicated to or obtained by the Person serving as the Administrative Agent and/or the Collateral Agent or any of its Affiliates in any capacity. Without limiting the foregoing, neither Agent shall be liable for any action taken or not taken by it in accordance with any Intercreditor Agreement. Neither Agent (nor any of their respective Related Parties) shall be liable for any action taken or not taken by it with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, or as such Agent shall believe in good faith shall be necessary, under the circumstances as provided in Article VII or Section 9.08), or for any action lawfully taken or omitted to be taken by such Agent or otherwise hereunder or under any Loan Document in the absence of its own gross negligence or willful misconduct as determined by a court of competent jurisdiction by a final non-appealable judgment. Neither Agent (nor any of their respective Related Parties) shall be deemed to have knowledge of any Default or Event of Default unless and until written notice thereof is actually received by an office of such Agent directly responsible for the administration of this Agreement from the Borrower or a Lender and stating that such notice is a notice of default. Neither Agent shall be responsible for or have any duty to ascertain or inquire into (A) any statement, warranty or representation made in or in connection with this Agreement or any other Loan Document, (B) the contents of any certificate, report or other document delivered thereunder or in connection therewith, (C) the performance or observance of any of the covenants, agreements or other terms or conditions set forth in any Loan Document or the occurrence of any Default or Event of Default, (D) the validity, enforceability, effectiveness or genuineness of any Loan Document or any other agreement, instrument or document, (E) the satisfaction of any condition set forth in Article IV or elsewhere in any Loan Document, other than to confirm receipt of items expressly required to be delivered to such Agent or (F) the perfection or priority of any security interest created or purported to be created under the Security Documents. The Agents shall have the right to request instructions from the Required Lenders at any time; which, in the case of the Collateral Agent, shall be determined by, and communicated by, the Administrative Agent. If any Agent shall request instructions from the Required Lenders with respect to any act or action (including failure to act) in connection with this Agreement or any other Loan Document, such Agent shall be entitled to refrain from such act or taking such action unless and until such Agent shall have received instructions from the Required Lenders; and such Agent shall not incur liability to any Lender by reason of so refraining. Without limiting the foregoing, no Lender shall have any right of action whatsoever against any Agent or any of its Related Parties as a result of such Agent or such other person acting or refraining from acting hereunder or under any other Loan Document in

accordance with the instructions of the Required Lenders. No Agent shall be under any obligation to any Lender to ascertain or to inquire as to the observance or performance of any of the agreements contained in, or conditions of, this Agreement or any other Loan Documents, or to inspect the properties, books or records of any Loan Party. The Collateral Agent shall not be under any obligation to the Administrative Agent or any Lender to ascertain or to inquire as to the observance or performance of any of the agreements contained in, or conditions of, this Agreement or any other Loan Documents, or to inspect the properties, books or records of any Loan Party. Notwithstanding anything else to the contrary herein, whenever reference is made in this Agreement or any other Loan Document to any discretionary action by, consent, designation, specification, requirement or approval of, notice, request or other communication from, or other direction given or action to be undertaken or to be (or not to be) suffered or omitted by the Collateral Agent or to any election, decision, opinion, acceptance, use of judgment, expression of satisfaction, reasonable satisfaction or other exercise of discretion, rights or remedies to be made (or not to be made) by the Collateral Agent, it is understood that in all cases the Collateral Agent shall be fully justified in failing or refusing to take any such action under this Agreement if it shall not have received such written instruction, advice or concurrence of the Administrative Agent, as it deems appropriate. This provision is intended solely for the benefit of the Collateral Agent and its successors and permitted assigns and is not intended to and will not entitle the other parties hereto to any defense, claim or counterclaim, or confer any rights or benefits on any party hereto.

(e) Each Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing (including any electronic message, Internet or intranet website posting or other distribution) believed by it to be genuine and to have been signed, sent or otherwise authenticated by the proper Person. Each Agent may also rely upon any statement made to it orally or by telephone and believed by it to have been made by the proper Person, and shall not incur any liability for relying thereon. In determining compliance with any condition hereunder to the making of a Loan that by its terms must be fulfilled to the satisfaction of a Lender, each Agent may presume that such condition is satisfactory to such Lender unless such Agent shall have received notice to the contrary from such Lender prior to the making of such Loan. Each Agent may consult with legal counsel (who may be counsel for the Borrower), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts.

(f) The Administrative Agent shall not be responsible or have any liability for, or have any duty to ascertain, inquire into, monitor or enforce, compliance with the provisions hereof relating to Disqualified Persons. Without limiting the generality of the foregoing, the Administrative Agent shall not (i) be obligated to ascertain, monitor or inquire as to whether any Lender or prospective Lender is a Disqualified Person or (ii) have any liability with respect to or arising out of any assignment or participation of Loans, or disclosure of confidential information, to any Disqualified Person.

(g) Each Agent may perform any and all its duties and exercise its rights and powers hereunder or under any other Loan Document or any other instrument or agreements referred

herein or therein by or through any one or more sub-agents appointed by it provided, however, that solely in the case where an Agent no longer serves as the applicable withholding agent, if a sub-agent has been appointed to serve as withholding agent, any such sub-agent that such Agent may appoint to receive payments shall be a U.S. Person and a “Financial Institution” within the meaning of Treasury Regulations Section 1.1441-1 or any entity that has agreed to take “Primary Withholding Responsibility” within the meaning of Treasury Regulations Section 1.1441-1 for all payments under the Loan Documents (it being understood and agreed, for avoidance of doubt and without limiting the generality of this Section, that the Agent may perform any and all of its duties and exercise its rights and powers hereunder and thereunder, by or through one of more of its Affiliates). Each Agent and any such sub-agent may perform any and all its duties and exercise its rights and powers by or through their respective Related Parties. The exculpatory provisions of the preceding paragraphs shall apply to any such sub-agent and to the Related Parties of each Agent and any such sub-agent, and shall apply to their respective activities in connection with the syndication of the Term Facility as well as activities as Agent. Neither Agent shall be responsible for the negligence or misconduct of any sub-agents except to the extent that a court of competent jurisdiction determines in a final and non-appealable judgment that such Agent acted with gross negligence or willful misconduct in the selection of such sub-agents.

(h) Each Agent may resign at any time by notifying the Lenders and the Borrower. Upon any such resignation, the Required Lenders shall have the right, with the consent of the Borrower (prior to the occurrence of a Specified Event of Default), to appoint a successor Agent (other than a Disqualified Person) who shall satisfy the requirements of the next succeeding sentence in the case of an Administrative Agent. If no successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within 60 days after the retiring Agent gives notice of its resignation, then the retiring Agent may, on behalf of the Lenders, appoint a successor Agent which, in the case of the Administrative Agent, shall be (i) a financial institution with an office in New York, New York, or an Affiliate of any such financial institution and (ii) a U.S. person and a “Financial Institution” within the meaning of Treasury Regulations Section 1.1441-1 or any entity that has agreed to take “Primary Withholding Responsibility” within the meaning of Treasury Regulations 1.1441-1 for all payments under the Loan Documents. If the Person serving as the Administrative Agent is a Defaulting Lender, the Required Lenders may, to the extent permitted by applicable law, by notice in writing to the Borrower and such Person, remove such Person as the Administrative Agent, and appoint a successor Agent which shall satisfy the requirements in the immediately preceding sentence, with the consent of the Borrower so long as no Specified Event of Default is continuing. If no successor Agent has been appointed pursuant to the immediately preceding sentence by the 60th day after the date such notice of resignation or removal was given by such Agent, the Borrower or the Required Lenders, such Agent’s resignation shall become effective (and such Agent shall be discharged from its duties and obligations hereunder) and the Required Lenders shall thereafter perform all the duties of such Agent hereunder and/or under any other Loan Document until such time, if any, as the Required Lenders appoint a successor Agent with the consent of the Borrower (prior to the occurrence of a Specified Event of Default). Upon the acceptance of its appointment as Agent hereunder by a successor Agent, such successor Agent shall succeed to and become vested with all the rights, powers, privileges and duties of the retiring Agent, and the retiring Administrative Agent shall be discharged from its duties and obligations hereunder (if

not already discharged therefrom as provided above). The fees payable by the Borrower to a successor Agent shall be the same as those payable to its predecessor unless otherwise agreed between the Borrower and such successor Agent. After the Administrative Agent's resignation or removal hereunder, the provisions of this Article VIII and Section 9.05 shall continue in effect for the benefit of the retiring Agent, its sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while acting as Agent.

(i) Each Lender acknowledges that it has, independently and without reliance upon the Agents or any other Lender or any of their Related Parties and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement. Each Lender also acknowledges that it will, independently and without reliance upon the Agents or any other Lender or any of their Related Parties and based on such documents and information as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon this Agreement, any other Loan Document, any related agreement or any document furnished hereunder or thereunder.

(j) Notwithstanding any other provision of this Agreement or any provision of any other Loan Document, each Lead Arranger is named as such for recognition purposes only, and in its respective capacities as such shall have no duties, responsibilities or liabilities with respect to this Agreement or any other Loan Document; it being understood and agreed that the Lead Arrangers shall be entitled to all indemnification and reimbursement rights in favor of the Agents provided herein and in the other Loan Documents. Without limitation of the foregoing, the Lead Arrangers in their respective capacities as such shall not, by reason of this Agreement or any other Loan Document, have any fiduciary relationship in respect of any Lender, Loan Party or any other Person.

(k) In case of the pendency of any proceeding under any Bankruptcy Law or any other judicial proceeding relative to any Loan Party, the Administrative Agent (irrespective of whether the principal of any Loan shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent shall have made any demand on the Borrower) shall be entitled and empowered (but not obligated) by intervention in such proceeding or otherwise to instruct the Collateral Agent, in accordance with any Intercreditor Agreement, or as otherwise provided thereby (i) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders and the Agents (including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders and the Agents and their respective agents and counsel and all other amounts due the Lenders and Agents under Section 9.05) allowed in such judicial proceeding and (ii) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same and, in either case, any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender and each other Secured Party to make such payments to such Agent and, in the event that such Agent shall consent to the making of such payments directly to the Lenders, to pay to such Agent any

amount due for the reasonable compensation, expenses, disbursements and advances of such Agent and its agents and counsel, and any other amounts due such Agent under Section 9.05.

(l) To the extent required by any applicable law, the Administrative Agent may withhold from any payment to any Lender an amount equivalent to any applicable withholding Tax. If any payment has been made to any Lender by the Administrative Agent without the applicable withholding Tax being withheld from such payment and the Administrative Agent has paid over the applicable withholding Tax to the IRS or any other Governmental Authority, or the IRS or any other Governmental Authority asserts a claim that the Administrative Agent did not properly withhold Tax from amounts paid to or for the account of any Lender because the appropriate form was not delivered or was not properly executed or because such Lender failed to notify the Administrative Agent of a change in circumstance which rendered the exemption from, or reduction of, withholding Tax ineffective or for any other reason, such Lender shall indemnify the Administrative Agent fully for all amounts paid, directly or indirectly, by the Administrative Agent as Tax or otherwise, including any penalties or interest and together with all expenses (including legal expenses, allocated internal costs and out-of-pocket expenses) incurred whether or not such Tax was correctly or legally imposed or asserted by the relevant Governmental Authority. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under this Agreement or any other Loan Document against any amount due the Administrative Agent under this Article VIII(l).

(m) Any Agent shall be fully justified in failing or refusing to take any action hereunder and under any other Loan Document (except actions expressly required to be taken by it hereunder or under the Loan Documents) unless it shall first be indemnified and secured to its satisfaction (including by way of pre-funding) by the Lenders *pro rata* against any and all liability, cost and expense that it may incur by reason of taking or continuing to take any such action. Neither Agent shall be required to expend or risk any of its own funds or otherwise incur any liability, financial or otherwise, in the performance of any of its duties hereunder or under any other Loan Document.

(n) The agreements in this Article VIII shall survive the payment of all Obligations.

(o) Except as otherwise expressly set forth herein or in the Facility Guaranty or any Security Document, no Hedge Counterparty or Treasury Services Provider that obtains the benefits of Section 7.02, the Facility Guaranty or any Collateral by virtue of the provisions hereof or of the Facility Guaranty or any Security Document shall have any right to notice of any action or to consent to, direct or object to any action hereunder or under any other Loan Document or otherwise in respect of the Collateral (including the release or impairment of any Collateral) other than, if a Lender at such time, in its capacity as a Lender and, in such case, only to the extent expressly provided in the Loan Documents. Notwithstanding any other provision of this Article VIII to the contrary, the Administrative Agent shall not be required to verify the payment of, or that other satisfactory arrangements have been made with respect to, Obligations arising under Treasury Services Agreements and Swap Contracts unless the Administrative Agent has received written notice of such Obligations, together with such supporting documentation as the Administrative Agent may request, from the applicable Hedge

Counterparty or Treasury Services Provider. The Hedge Counterparties and Treasury Services Providers hereby authorize the Administrative Agent to enter into any Intercreditor Agreement, the Additional Intercreditor Agreement or other intercreditor agreement or arrangement permitted under this Agreement and the Hedge Counterparty or Treasury Services Providers acknowledge that any such intercreditor agreement is binding upon the Hedge Counterparty or Treasury Services Providers.

(p) None of the Lead Arrangers shall have any duties or responsibilities hereunder in their respective capacities as such.

(q) In the event that the Borrower appoints or designates any Additional Arranger pursuant to Sections 2.22, 2.23 and 2.24, as applicable, unless otherwise set forth herein, (i) each and every right, power, privilege or duty expressed or intended by this Agreement or any of the other Loan Documents to be exercised by or vested in or conveyed to an arranger with respect to Incremental Loan Commitments or Refinancing Commitments, as applicable, shall be exercisable by and vest in such Additional Arranger, to the extent, and only to the extent, necessary to enable such Additional Arranger to exercise such rights, powers and privileges with respect to the Incremental Loan Commitments or Refinancing Commitments, as applicable, and to perform such duties with respect to such Incremental Loan Commitments or Refinancing Commitments, and every covenant and obligation contained in the Loan Documents and necessary to the exercise or performance thereof by such Additional Arranger shall run to and be enforceable by either the Administrative Agent or such Additional Arranger as specifically set forth therein, and (ii) the provisions of this Article VIII and of Section 9.05 (obligating the Borrower to pay the Administrative Agent's and the Collateral Agent's expenses and to indemnify the Administrative Agent and the Collateral Agent) that refer to the Administrative Agent and/or the Collateral Agent shall also inure to the benefit of such Additional Arranger, and all references therein to the Administrative Agent and/or Collateral Agent shall also be deemed to be references to the Administrative Agent and/or Collateral Agent and/or such Additional Arranger, as the context may require. Each Lender hereby irrevocably appoints any Additional Arranger to act on its behalf hereunder and under the other Loan Documents pursuant to Sections 2.22, 2.23 and 2.24, as applicable, and designates and authorizes such Additional Arranger to take such actions on its behalf under the provisions of this Agreement and each other Loan Document and to exercise such powers and perform such duties as are expressly delegated to such Additional Arranger by the terms of this Agreement or any other Loan Document, together with such actions and powers as are reasonably incidental thereto.

(iii) if to a Lender, to such Lender at its address (or fax number) set forth on Schedule 2.01 or in the Assignment and Acceptance pursuant to which such Lender shall have become a party hereto or as otherwise communicated in writing from time to time by such Lender to the Borrower and the Administrative Agent.

(b) All notices and other communications given to any party hereto in accordance with the provisions of this Agreement shall be deemed to have been given on the date of receipt if delivered by hand or overnight courier service or sent by fax or on the date five Business Days after dispatch by certified or registered mail if mailed, in each case delivered, sent or mailed (properly addressed) to such party as provided in this Section 9.01 or in accordance with the latest unrevoked direction from such party given in accordance with this Section 9.01.

(c) As agreed to among the Borrower, the Administrative Agent and the applicable Lenders from time to time, notices and other communications may also be delivered by e-mail to the e-mail address of a representative of the applicable Person provided from time to time by such Person. Notices and other communications to the Lenders hereunder may be delivered or furnished by electronic communication (including e-mail and Internet or intranet websites) pursuant to procedures approved by the Administrative Agent; *provided* that the foregoing shall not apply to notices to any Lender pursuant to Article II if such Lender has notified the Administrative Agent that it is incapable of receiving notices under Article II by electronic communication. The Administrative Agent or the Borrower may, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it; *provided* that approval of such procedures may be limited to particular notices or communications.

(d) Unless the Administrative Agent otherwise prescribes, (i) notices and other communications sent to an e-mail address shall be deemed received upon the intended recipient's receipt of the notice or communication, which shall be evidenced by an acknowledgment from the intended recipient (such as by the "delivery receipt" function, as available, return e-mail or other written acknowledgement); *provided* that, if such notice or other communication is not sent during the normal business hours of the recipient, such notice or communication shall be deemed to have been sent at the opening of business on the next Business Day for the recipient; *provided, further*, that if the sender receives an "out-of-office" reply e-mail containing instructions regarding notification to another person in the intended recipient's absence, such notice or other communication shall be deemed received upon the sender's compliance with such instructions, and (ii) notices or communications posted to an Internet or intranet website shall be deemed received upon the deemed receipt by the intended recipient at its e-mail address as described in the foregoing clause (i) of notification that such notice or communication is available and identifying the website address therefor.

(e) The Borrower hereby agrees, unless directed otherwise by the Administrative Agent or unless the e-mail address referred to below has not been provided by the Administrative Agent to the Borrower, that it will, or will cause its Subsidiaries to, provide to the Administrative Agent all information, documents and other materials that it is obligated to furnish to the Administrative Agent pursuant to the Loan Documents or to the Lenders under Article IV of Annex I hereof or under Article V hereof, including all notices, requests, financial statements,

financial and other reports, certificates and other information materials, but excluding any such communication that (i) is or relates to a Borrowing Request, or a notice pursuant to Section 2.10, (ii) relates to the payment of any principal or other amount due under this Agreement prior to the scheduled date therefor, (iii) provides notice of any Default or Event of Default under this Agreement or any other Loan Document or (iv) is required to be delivered to satisfy any condition precedent to the effectiveness of this Agreement and/or any Borrowing or other extension of credit hereunder (all such non-excluded communications being referred to herein collectively as “*Communications*”), by transmitting the Communications in an electronic/soft medium that is properly identified in a format acceptable to the Administrative Agent to an e-mail address as directed by the Administrative Agent. In addition, the Borrower agrees, and agrees to cause its Subsidiaries, to continue to provide the Communications to the Administrative Agent or the Lenders, as the case may be, in the manner specified in the Loan Documents but only to the extent requested by the Administrative Agent.

(f) The Borrower hereby acknowledges that (i) the Administrative Agent will make available to the Lenders materials and/or information provided by or on behalf of the Borrower hereunder (collectively, the “*Borrower Materials*”) by posting the Borrower Materials on IntraLinks or another similar electronic system (the “*Platform*”) and (ii) certain of the Lenders may be “public-side” Lenders (i.e., Lenders that do not wish to receive material non-public information with respect to the Borrower, its Subsidiaries or their respective securities for purposes of United States federal and state securities laws) (each, a “*Public Lender*”). The Borrower hereby agrees that (w) all Borrower Materials that are to be made available to Public Lenders shall be clearly and conspicuously marked “PUBLIC” which, at a minimum, shall mean that the word “PUBLIC” shall appear prominently on the first page thereof; (x) by marking Borrower Materials “PUBLIC,” the Borrower shall be deemed to have authorized the Administrative Agent and the Lenders to treat such Borrower Materials as not containing any material non-public information with respect to the Borrower, its Subsidiaries or their respective securities for purposes of United States federal and state securities laws (provided, however, that to the extent the Borrower Materials constitute Information, they shall be treated as set forth in Section 9.16); (y) all Borrower Materials marked “PUBLIC” are permitted to be made available through a portion of the Platform designated as “Public Investor;” and (z) the Administrative Agent shall be entitled to treat any Borrower Materials that are not marked “PUBLIC” as being suitable only for posting on a portion of the Platform not marked as “Public Investor.” Notwithstanding the foregoing, the following Borrower Materials shall be marked “PUBLIC” and the Borrower agrees that the following documents may be distributed to all Lenders (including Public Lenders) unless, solely with respect to the documents described in clauses (B) and (C) below, the Borrower advises the Administrative Agent in writing (including by e-mail) within a reasonable time prior to their intended distribution that such material should only be distributed to Lenders other than Public Lenders (it being agreed that the Borrower and its counsel shall have been given a reasonable opportunity to review such documents and comply with applicable securities law disclosure obligations): (A) the Loan Documents; (B) administrative materials prepared by the Administrative Agent for prospective Lenders; (C) term sheets and notification of changes in the terms of the Term Facility; and (D) the Audited Financial Statements and the financial statements and certificates furnished pursuant to Section 4.10 of Annex I.

(g) Each Public Lender agrees to cause at least one individual at or on behalf of such Public Lender to at all times have selected the “Private Side Information” or similar designation on the content declaration screen of the Platform in order to enable such Public Lender or its delegate, in accordance with such Public Lender’s compliance procedures and applicable law, including United States Federal and state securities laws, to make reference to Communications that are not made available through the “Public Side Information” portion of the Platform and that may contain material non-public information with respect to the Borrower or its securities for purposes of United States Federal or state securities laws.

(h) THE PLATFORM IS PROVIDED “AS IS” AND “AS AVAILABLE”. NEITHER THE ADMINISTRATIVE AGENT NOR ANY OF ITS RELATED PARTIES WARRANTS THE ACCURACY OR COMPLETENESS OF THE COMMUNICATIONS OR THE ADEQUACY OF THE PLATFORM AND EACH EXPRESSLY DISCLAIMS LIABILITY FOR ERRORS OR OMISSIONS IN THE COMMUNICATIONS. NO WARRANTY OF ANY KIND, EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT OF THIRD PARTY RIGHTS OR FREEDOM FROM VIRUSES OR OTHER CODE DEFECTS IS MADE BY THE ADMINISTRATIVE AGENT OR ANY OF ITS RELATED PARTIES IN CONNECTION WITH THE COMMUNICATIONS OR THE PLATFORM. IN NO EVENT SHALL THE ADMINISTRATIVE AGENT, THE COLLATERAL AGENT OR ANY OF THEIR RELATED PARTIES HAVE ANY LIABILITY TO ANY LOAN PARTY, ANY LENDER OR ANY OTHER PERSON FOR DAMAGES OF ANY KIND, WHETHER OR NOT BASED ON STRICT LIABILITY AND INCLUDING DIRECT OR INDIRECT, SPECIAL, INCIDENTAL OR CONSEQUENTIAL DAMAGES, LOSSES OR EXPENSES (WHETHER IN TORT, CONTRACT OR OTHERWISE) ARISING OUT OF ANY LOAN PARTY’S OR THE ADMINISTRATIVE AGENT’S TRANSMISSION OF COMMUNICATIONS THROUGH THE INTERNET, EXCEPT TO THE EXTENT THE LIABILITY OF ANY SUCH PERSON IS FOUND IN A FINAL RULING BY A COURT OF COMPETENT JURISDICTION TO HAVE RESULTED PRIMARILY FROM SUCH PERSON’S GROSS NEGLIGENCE OR WILLFUL MISCONDUCT.

(i) The Administrative Agent agrees that the receipt of the Communications by the Administrative Agent at its e-mail address set forth above shall constitute effective delivery of the Communications to the Administrative Agent for purposes of the Loan Documents. Each Lender agrees that receipt of notice to it (as provided in the next sentence) specifying that the Communications have been posted to the Platform shall constitute effective delivery of the Communications to such Lender for purposes of the Loan Documents. Each Lender agrees to notify the Administrative Agent in writing (including by electronic communication) from time to time of such Lender’s e-mail address to which the foregoing notice may be sent by electronic transmission and that the foregoing notice may be sent to such e-mail address.

SECTION 9.02. ***Survival of Agreement.*** Nothing herein shall prejudice the right of the Administrative Agent or any Lender to give any notice or other communication pursuant to any Loan Document in any other manner specified in such Loan Document. All covenants, agreements, representations and warranties made by the Borrower herein and in the certificates

or other instruments prepared or delivered in connection with or pursuant to this Agreement or any other Loan Document shall be considered to have been relied upon by the Lenders and shall survive the making by the Lenders of the Loans, regardless of any investigation made by the Lenders or on their behalf, and shall continue in full force and effect as long as the principal of or any accrued interest on any Loan or any Fee or any other amount payable under this Agreement or any other Loan Document is outstanding and unpaid and so long as the Commitments have not been terminated. The provisions of Sections 2.14, 2.16, 2.20 and 9.05 shall remain operative and in full force and effect regardless of the expiration of the term of this Agreement, the consummation of the transactions contemplated hereby, the repayment of any of the Loans, the expiration of the Commitments, the invalidity or unenforceability of any term or provision of this Agreement or any other Loan Document, or any investigation made by or on behalf of the Administrative Agent, the Collateral Agent or any Lender.

SECTION 9.03. **Binding Effect.** This Agreement shall become effective when the Administrative Agent shall have received executed counterparts hereof from each of the Borrower, the other Loan Parties, the Administrative Agent, the Collateral Agent and each Person who is a Lender on the Effective Date.

SECTION 9.04. **Successors and Assigns.** (a) Whenever in this Agreement any of the parties hereto is referred to, such reference shall be deemed to include the permitted successors and assigns of such party; and all covenants, promises and agreements by or on behalf of the Borrower, the other Loan Parties, the Administrative Agent, the Collateral Agent or the Lenders that are contained in this Agreement shall bind and inure to the benefit of their respective successors and assigns.

(b) Each Lender may assign to one or more Eligible Assignees all or a portion of its interests, rights and obligations under this Agreement (including all or a portion of its Commitment and the Loans (including for purposes of this Section 9.04(b), participations in L/C Obligations and in Swing Line Loans) at the time owing to it), with the prior written consent of the Administrative Agent, each applicable L/C Issuer at the time of such assignment and each Swing Line Lender (in each case, not to be unreasonably withheld or delayed) and the Borrower (not to be unreasonably withheld or delayed); *provided, however*, that (i) the consent of the Borrower shall not be required to any assignment made (x) to a Lender, an Affiliate of a Lender or a Related Fund, (y) in connection with the initial syndication of the Term Facility to Persons identified in writing by the Lead Arrangers to the Borrower during the initial syndication of the Term Facility or (z) after the occurrence and during the continuance of any Specified Event of Default (*provided, further*, that (1) the Borrower shall be deemed to have consented to any such assignment unless it shall object thereto by written notice to the Administrative Agent within 10 Business Days after having received notice thereof and (2) notwithstanding anything contained in this clause (i) to the contrary, consent of the Borrower shall be required for any assignment by any Lender of its Revolving Credit Commitments unless the assignment is made to (x) a Lender or an Affiliate of a Lender or (y) after the occurrence and during the continuance of a Specified Event of Default), (ii) the consent of the Administrative Agent shall not be required to any assignment (x) in connection with the initial syndication of the Term Facility, (y) made by an assigning Lender to a Related Fund of such Lender or (z) of an amount less than \$1,000,000, by an assigning Lender to a Related Fund of such Lender, (iii) the consent of the applicable L/C

Issuers or the Swing Line Lenders shall be not required for any assignment of a Term Loan or a Term Commitment; (iv) the amount of the Commitment or Loans of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Acceptance with respect to such assignment is delivered to the Administrative Agent) shall be in an integral multiple of, and not less than (unless otherwise consented to by the Administrative Agent), \$1,000,000 (or, if less, the entire remaining amount of such Lender's Commitment or Loans); *provided* that simultaneous assignments by two or more Related Funds shall be combined for purposes of determining whether the minimum assignment requirement is met, (v) the parties to each assignment shall (A) execute and deliver to the Administrative Agent an Assignment and Acceptance via an electronic settlement system acceptable to the Administrative Agent or (B) if previously agreed with the Administrative Agent, manually execute and deliver to the Administrative Agent an Assignment and Acceptance, and, in each case, shall pay to the Administrative Agent a processing and recordation fee of \$3,500 (which fee may be waived or reduced, in whole or in part, in the sole discretion of the Administrative Agent); *provided* that only one such fee shall be payable in the event of simultaneous assignments to or from two or more Related Funds by a single Lender and no fee shall be payable for assignments among Related Funds of an existing Lender (vi) the assignee, if it shall not be a Lender, shall deliver to the Administrative Agent an Administrative Questionnaire (in which the assignee shall designate one or more credit contacts to whom all syndicate-level information (which may contain material non-public information about the Loan Parties and their Related Parties or their respective securities) will be made available and who may receive such information in accordance with the assignee's compliance procedures and applicable laws, including Federal and state securities laws) and all applicable tax forms and (vii) no assignment of any Initial Term Loan Commitments (or Initial Term Loans) shall be effective prior to the Funding Date (unless consented to by the Borrower). Upon acceptance and recording pursuant to Section 9.04(e), from and after the effective date specified in each Assignment and Acceptance, (1) the assignee thereunder shall be a party hereto and, to the extent of the interest assigned by such Assignment and Acceptance, have the rights and obligations of a Lender under this Agreement and (2) the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Acceptance, be released from its obligations under this Agreement (and, in the case of an Assignment and Acceptance covering all or the remaining portion of an assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of Sections 2.14, 2.16, 2.20 and 9.05, as well as to any fees accrued for its account and not yet paid).

(c) By executing and delivering an Assignment and Acceptance, the assigning Lender thereunder and the assignee thereunder shall be deemed to confirm to and agree with each other and the other parties hereto as follows: (i) such assigning Lender warrants that it is the legal and beneficial owner of the interest being assigned thereby free and clear of any adverse claim and that its Commitment and the outstanding balances of its Loans, in each case without giving effect to assignments thereof which have not become effective, are as set forth in such Assignment and Acceptance, (ii) except as set forth in clause (i) above, such assigning Lender makes no representation or warranty and assumes no responsibility with respect to any statements, warranties or representations made in or in connection with this Agreement, or the execution, legality, validity, enforceability, genuineness, sufficiency or value of this Agreement, any other

Loan Document or any other instrument or document furnished pursuant hereto, or the financial condition of the Borrower or any Subsidiary or the performance or observance by the Borrower or any Subsidiary of any of its obligations under this Agreement, any other Loan Document or any other instrument or document furnished pursuant hereto; (iii) such assignee represents and warrants that it is an Eligible Assignee legally authorized to enter into such Assignment and Acceptance; (iv) such assignee confirms that it has received a copy of this Agreement, together with copies of the most recent financial statements referred to in Section 3.05(a) or delivered pursuant to Section 4.10 of Annex I and such other documents and information as it has deemed appropriate to make its own credit analysis and decision to enter into such Assignment and Acceptance; (v) such assignee will independently and without reliance upon the Administrative Agent, the Collateral Agent, such assigning Lender or any other Lender and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit decisions in taking or not taking action under this Agreement; (vi) such assignee appoints and authorizes the Administrative Agent and the Collateral Agent to take such action as agent on its behalf and to exercise such powers under this Agreement as are delegated to the Administrative Agent and the Collateral Agent, respectively, by the terms hereof, together with such powers as are reasonably incidental thereto; and (vii) such assignee agrees that it will perform in accordance with their terms all the obligations which by the terms of this Agreement are required to be performed by it as a Lender

(d) The Administrative Agent, acting solely for this purpose as a non-fiduciary agent of the Borrower, shall maintain at one of its offices in New York City a copy of each Assignment and Acceptance delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitments of, and principal amount of the Loans, Swing Line Loans and L/C Borrowings (and stated interest) owing to, each Lender pursuant to the terms hereof from time to time (the “**Register**”). The entries in the Register shall be conclusive absent manifest error and the Borrower, the Administrative Agent, the Collateral Agent and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as the owner of the amounts owing to it under the Loan Documents as reflected in the Register for all purposes of the Loan Documents, notwithstanding notice to the contrary. The Register shall be available for inspection by the Borrower, the Collateral Agent, any Lender (solely with respect to any entry relating to such Lender’s Loans and Commitments), any L/C Issuer (solely with respect to any entry relating to Participating Revolving Credit Commitments) and any Swing Line Lender (solely with respect to any entry relating to Participating Revolving Credit Commitments), at any reasonable time and from time to time upon reasonable prior notice. The parties intend that any interest in or with respect to the Loans under this Agreement be treated as being issued and maintained in “registered form” within the meaning of Sections 163(f), 871(h)(2), and 881(c)(2) of the Code and any regulations thereunder (and any successor provisions), including without limitation under United States Treasury Regulations Section 5f.103-1(c), and the provisions of this Agreement shall be construed in a manner that gives effect to such intent.

(e) Upon its receipt of, and consent to, a duly completed Assignment and Acceptance executed by an assigning Lender and an assignee, an Administrative Questionnaire completed in respect of the assignee (unless the assignee shall already be a Lender hereunder), the processing

and recordation fee referred to in Section 9.04(b), if applicable, and the written consent of the Administrative Agent and, if required, the Borrower to such assignment and any applicable tax forms, the Administrative Agent shall (i) accept such Assignment and Acceptance and (ii) record the information contained therein in the Register. Notwithstanding anything to the contrary in the Agreement to the contrary, no assignment shall be effective unless it has been recorded in the Register as provided in this Section 9.04(e).

(f) Each Lender may, without the consent of, or notice to, except in respect of the Revolving Credit Lenders, in which case the applicable Revolving Credit Lender selling a participation in accordance with this Section 9.04(f) shall provide to the Administrative Agent and the Borrower promptly, and in any event within 5 Business Days, following any such participation, the Borrower or the Administrative Agent, sell participations to one or more banks or other Persons (other than a Defaulting Lender, provided that the Administrative Agent has posted the name of such Defaulting Lender to both the “Public Lender” and “Non-Public Lender” portions of the Platform) in all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitment and the Loans owing to it); *provided, however*, that (i) no Lender shall, without the written consent of the Borrower, sell participations in Loans or Commitments to any Disqualified Person, (ii) such Lender’s obligations under this Agreement shall remain unchanged, (iii) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations, (iv) the participating banks or other Persons shall be entitled to the benefit of the cost protection provisions contained in Sections 2.14, 2.16 and 2.20 (subject to the requirements and limitations therein, including the requirements under Sections 2.20(e) and (f) (it being understood that the documentation required under Sections 2.20(e) and (f) shall be delivered to the participating Lender)) to the same extent as if they were Lenders (but, with respect to any particular participant, to no greater extent than the Lender that sold the participation to such participant unless a greater payment results from a Change in Law occurring after such particular participant acquired the applicable participation or the sale of such participation was approved in writing by the Borrower), (v) the Borrower, the Administrative Agent and the Lenders shall continue to deal solely and directly with such Lender in connection with such Lender’s rights and obligations under this Agreement, and such Lender shall retain the sole right to enforce the obligations of the Borrower relating to the Loans and to approve any amendment, modification or waiver of any provision of this Agreement (other than amendments, modifications or waivers decreasing any fees payable to such participating bank or Person hereunder or the amount of principal of or the rate at which interest is payable on the Loans in which such participating bank or Person has an interest, extending any scheduled principal payment date or date fixed for the payment of interest on the Loans in which such participating bank or Person has an interest, increasing or extending the Commitments in which such participating bank or Person has an interest or releasing all or substantially all of the value of the Facility Guaranty or all or substantially all of the Collateral) and (vi) such Lender shall maintain a register on which it records the name and address of each participant and the principal amounts (and stated interest) of each participant’s participating interest with respect to the Loans, Commitments or other interests hereunder (the “**Participant Register**”); *provided, further*, that no Lender shall have any obligation to disclose any portion of such register to any Person except to the extent disclosure is necessary to establish that the Loans, Commitments or other interests hereunder are in registered form for United States federal income tax purposes under Treasury

Regulations Section 5f.103-1(c), or is otherwise required thereunder. The entries in the Participant Register, shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. To the extent permitted by law, each participating bank or other Person also shall be entitled to the benefits of Section 9.06 as though it were a Lender, provided such participating bank or other Person agrees to be subject to Section 2.18 as though it were a Lender.

(g) Any Lender may, in connection with any assignment or participation or proposed assignment or participation pursuant to this Section 9.04, disclose to the assignee or participant or proposed assignee or participant any information relating to the Borrower furnished to such Lender by or on behalf of the Borrower; *provided* that, prior to any such disclosure of information designated by the Borrower as confidential, each such assignee or participant or proposed assignee or participant shall execute an agreement with such Lender whereby such assignee or participant shall agree (subject to customary exceptions) to preserve the confidentiality of such confidential information on terms no less restrictive than those applicable to the Lenders pursuant to Section 9.16.

(h) Any Lender may, without the consent of the Borrower or the Administrative Agent, at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank or other “central” bank, and Section 9.04(b) shall not apply to any such pledge or assignment of a security interest, provided that no such pledge or assignment of a security interest shall release a Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

(i) Notwithstanding anything to the contrary contained herein, any Lender (a “**Granting Lender**”) may grant to a special purpose funding vehicle (an “**SPV**”), identified as such in writing from time to time by the Granting Lender to the Administrative Agent and the Borrower, the option to provide to the Borrower all or any part of any Loan that such Granting Lender would otherwise be obligated to make to the Borrower pursuant to this Agreement; *provided* that (i) nothing herein shall constitute a commitment by any SPV to make any Loan and (ii) if an SPV elects not to exercise such option or otherwise fails to provide all or any part of such Loan, the Granting Lender shall be obligated to make such Loan pursuant to the terms hereof, and (iii) such assignment will be reflected in the Participant Register. The making of a Loan by an SPV hereunder shall utilize the Commitment of the Granting Lender to the same extent, and as if, such Loan were made by such Granting Lender. Each party hereto hereby agrees that no SPV shall be liable for any indemnity or similar payment obligation under this Agreement (all liability for which shall remain with the Granting Lender). In furtherance of the foregoing, each party hereto hereby agrees (which agreement shall survive the termination of this Agreement) that, prior to the date that is one year and one day after the payment in full of all outstanding commercial paper or other senior indebtedness of any SPV, it will not institute against, or join any other Person in instituting against, such SPV any bankruptcy, reorganization, arrangement, insolvency or liquidation proceedings under the laws of the United States or any State thereof. In addition, notwithstanding anything to the contrary contained in this Section

9.04, any SPV may (i) with notice to, but without the prior written consent of, the Borrower and the Administrative Agent and without paying any processing fee therefor, assign all or a portion of its interests in any Loans to the Granting Lender or to any financial institutions (consented to by the Borrower and Administrative Agent) providing liquidity and/or credit support to or for the account of such SPV to support the funding or maintenance of Loans and (i) disclose on a confidential basis any non-public information relating to its Loans to any rating agency, commercial paper dealer or provider of any surety, guarantee or credit or liquidity enhancement to such SPV. If a Granting Lender grants an option to an SPV as described herein and such grant is not reflected in the Register, the Granting Lender shall maintain a separate register on which it records the name and address of each SPV and the principal amounts (and stated interest) of each SPV's interest with respect to the Loans, Commitments or other interests hereunder, which entries shall be conclusive absent manifest error (the "**SPV Register**"); *provided, further*, that no Lender shall have any obligation to disclose any portion of such register to any Person except to the extent disclosure is necessary to establish that the Loans, Commitments or other interests hereunder are in registered form for United States federal income tax purposes under Treasury Regulations Section 5f.103-1(c) or is otherwise required thereunder.

(j) Neither the Borrower nor any Guarantor shall assign or delegate any of its rights or duties hereunder or any other Loan Document (other than as permitted by Article V of Annex I) without the prior written consent of the Administrative Agent and each Lender, and any attempted assignment without such consent shall be null and void.

(k) Notwithstanding anything to the contrary contained in this Section 9.04 or any other provision of this Agreement, so long as no Specified Event of Default has occurred and is continuing or would result therefrom, each Lender shall have the right at any time to sell, assign or transfer all or a portion of its Loans or Commitments owing to it to the Borrower through (x) Dutch auctions or other offers to purchase open to all Lenders on a *pro rata* basis consistent with the procedures set forth in Section 2.12(c) or (y) notwithstanding any other provision in this Agreement, open market purchase on a non-*pro rata* basis, and the Borrower shall have the right to require a Lender to sell, assign or transfer to it all or a portion of such Lender's Loans or Commitments in accordance with Section 2.21; *provided* that, in connection with assignments pursuant to clause (y) above:

(i) the assigning Lender and the Borrower shall execute and deliver to the Administrative Agent an Affiliated Lender/Borrower Assignment and Acceptance;

(ii) no proceeds from any Borrowing under any Revolving Credit Facilities may be used to make any such purchase or effect any such assignment or transfer; and

(iii) (A) the principal amount of such Loans, along with all accrued and unpaid interest thereon, sold, assigned or transferred to the Borrower shall be deemed automatically cancelled and extinguished on the date of such sale, assignment or transfer and (B) the aggregate outstanding principal amount of Loans of the remaining Lenders shall reflect such cancellation and extinguishing of the Loans then held by the Borrower.

(l) Any Lender may at any time, assign all or a portion of its rights and obligations with respect to Loans under this Agreement to a Person who is or will become, after such assignment, an Affiliated Lender through (x) Dutch auctions or other offers to purchase open to all Lenders on a *pro rata* basis consistent with the procedures set forth in Section 2.12(c) or (y) open market purchase on a non-*pro rata* basis, in each case subject to the following limitations:

(i) the assigning Lender and the Affiliated Lender purchasing such Lender's Loans shall execute and deliver to the Administrative Agent an Affiliated Lender/Borrower Assignment and Acceptance;

(ii) Affiliated Lenders will not receive information provided solely to Lenders by the Administrative Agent or any Lender and will not be permitted to attend or participate in conference calls or meetings attended solely by the Lenders and the Administrative Agent, other than the right to receive notices of prepayments and other administrative notices in respect of its Loans or Commitments required to be delivered to Lenders pursuant to Article II;

(iii) the aggregate principal amount of Loans held at any one time by Affiliated Lenders shall not exceed 25% of the original principal amount of all Loans at such time outstanding (such percentage, the "***Affiliated Lender Cap***"); *provided* that to the extent any assignment to an Affiliated Lender would result in the aggregate principal amount of all Loans held by Affiliated Lenders exceeding the Affiliated Lender Cap, the assignment of such excess amount will be void *ab initio*.

Notwithstanding anything to the contrary contained herein, any Affiliated Lender that has purchased Loans pursuant to this subsection (l) may, in its sole discretion, contribute, directly or indirectly, the principal amount of such Loans, plus all accrued and unpaid interest thereon, to the Borrower for the purpose of cancelling and extinguishing such Loans. Upon the date of such contribution, assignment or transfer, (x) the aggregate outstanding principal amount of Loans shall reflect such cancellation and extinguishing of the Loans then held by the Borrower and (y) the Borrower shall promptly provide notice to the Administrative Agent of such contribution of such Loans, and the Administrative Agent, upon receipt of such notice, shall reflect the cancellation of the applicable Loans in the Register.

In connection with any assignment of rights and obligations of any Defaulting Lender hereunder, no such assignment shall be effective unless and until, in addition to the other conditions thereto set forth herein, the parties to the assignment shall make such additional payments to the Administrative Agent in an aggregate amount sufficient, upon distribution thereof as appropriate (which may be outright payment, purchases by the assignee of participations or subparticipations, or other compensating actions, including funding, with the consent of the Borrower and the Administrative Agent, the applicable Pro Rata Share of Loans previously requested but not funded by the Defaulting Lender, to each of which the applicable assignee and assignor hereby irrevocably consent), to (x) pay and satisfy in full all payment liabilities then owed by such Defaulting Lender to the Administrative Agent or any Lender hereunder (and interest accrued thereon) and (y) acquire (and fund as appropriate) its full Pro Rata Share of all Loans. Notwithstanding the foregoing, in the event that any assignment of

rights and obligations of any Defaulting Lender hereunder shall become effective under applicable Law without compliance with the provisions of this paragraph, then the assignee of such interest shall be deemed to be a Defaulting Lender for all purposes of this Agreement until such compliance occurs.

SECTION 9.05 **Expenses; Indemnity.** (a) The Borrower agrees to pay (i) all reasonable out-of-pocket expenses incurred by the Lead Arrangers, the Administrative Agent and the Collateral Agent in connection with the syndication of the Term Facility and the preparation, execution and delivery of this Agreement and the other Loan Documents (other than fees, charges and disbursements of any counsel to the Lead Arrangers) and (ii) all reasonable out-of-pocket expenses incurred by the Administrative Agent and the Collateral Agent in connection with the administration of this Agreement and the other Loan Documents or in connection with any amendments, modifications or waivers of the provisions hereof or thereof (whether or not the transactions hereby or thereby contemplated shall be consummated) or incurred by the Lead Arrangers, the Administrative Agent, the Collateral Agent or any Lender in connection with the enforcement or protection of its rights in connection with this Agreement and the other Loan Documents or in connection with the Loans made hereunder, including in case of this clause (ii) the fees, charges and disbursements of one primary counsel for such Persons taken as a whole (and, to the extent deemed reasonably necessary by the Administrative Agent in its good faith discretion, one local counsel in each relevant jurisdiction to the Lead Arrangers, the Administrative Agent, the Collateral Agent and the Lenders, taken as a whole, and one special or regulatory counsel in each relevant specialty), and, solely in the case of a conflict of interest or a potential conflict of interest, one additional primary counsel (and, to the extent deemed reasonably necessary or advisable by the affected persons in their good faith discretion, one local counsel in each relevant jurisdiction and one special or regulatory counsel in each relevant specialty) to the affected persons, taken as a whole.

(b) The Borrower agrees to indemnify the Lead Arrangers, the Administrative Agent, the Collateral Agent, each Lender and each Related Party of any of the foregoing Persons (each such Person being called an “**Indemnitee**”) against, and to hold each Indemnitee harmless from, any and all losses, claims, damages, liabilities and related expenses, including reasonable counsel fees, charges and disbursements, incurred by or asserted against any Indemnitee arising out of, in any way connected with, or as a result of (i) the syndication for the Initial Term Loans, the execution, delivery or administration of this Agreement or any other Loan Document or any agreement or instrument delivered herewith or therewith, the performance by the parties hereto or thereto of their respective obligations hereunder or thereunder or the consummation of the Transactions and the other transactions contemplated thereby (including the Term Facility and the syndication thereof), (ii) the use of the proceeds of the Loans, (iii) any claim, litigation, investigation or proceeding relating to any of the foregoing, whether or not any Indemnitee is a party thereto (and regardless of whether such matter is initiated by a third party or by the Borrower, any other Loan Party or any of their respective Affiliates or equity holders) or (iv) any actual or alleged presence or Release of Hazardous Materials on any property currently or formerly owned or operated by the Borrower or any of the Subsidiaries, or any Environmental Liability related in any way to the Borrower or the Subsidiaries; *provided* that such indemnity shall not, as to any Indemnitee, be available (A) to the extent that such losses, claims, damages,

liabilities or related expenses are determined by a court of competent jurisdiction by final and non-appealable judgment to have resulted primarily from (1) the bad faith, gross negligence or willful misconduct of such Indemnitee, (2) disputes solely among Indemnitees (or their Related Parties) (other than claims against any Indemnitee (x) in its capacity or in fulfilling its role as agent or arranger or any similar role under the Credit Agreement or (y) arising out of any act or omission on the part of the Borrower or any of its Subsidiaries or Affiliates) or (B) in respect of legal fees or expenses of the Indemnitees, other than the reasonable invoiced fees, expenses and charges of one primary counsel for all Indemnitees taken as a whole (and to the extent deemed reasonably necessary by the Administrative Agent in its good faith discretion, one local counsel in each relevant jurisdiction and one special or regulatory counsel in each relevant specialty), and solely in the case of a conflict of interest or a potential conflict of interest, one additional primary counsel (and, to the extent deemed reasonably necessary by the Administrative Agent in its good faith discretion, one local counsel in each relevant jurisdiction and one special or regulatory counsel in each relevant specialty) to the affected Indemnitees, taken as a whole. This Section 9.05(b) shall not apply with respect to Taxes other than any Taxes that represent losses, claims, damages, etc. arising from any non-Tax claim. Payments under this Section shall be made by the Borrower to the Administrative Agent for the benefit of the relevant Indemnitee.

(c) To the extent that the Borrower fails to pay any amount required to be paid by it to any Agent (or Affiliate thereof) under Sections 9.05(a) or (b), each Lender severally agrees to pay to such Agent, as the case may be, such Lender's Pro Rata Share (determined as of the time that the applicable unreimbursed expense or indemnity payment is sought) of such unpaid amount; *provided* that the unreimbursed expense or indemnified loss, claim, damage, liability or related expense, as the case may be, was incurred by or asserted against the Agent (or Affiliate thereof) in its capacity as such. For purposes hereof, a Lender's Pro Rata Share shall be determined based upon its share of the sum of the outstanding Loans at the time.

(d) To the extent permitted by applicable law, no Loan Party shall assert, and hereby waives, any claim against any Indemnitee, and no Indemnitee shall assert, and hereby waives, any claim against any Loan Party, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement, any other Loan Document or any agreement or instrument delivered in connection herewith or therewith, the Transactions, any Loan or the use of the proceeds thereof; *provided* that nothing contained in this sentence will limit the indemnity obligations of any Loan Party to the extent indirect, special, punitive or consequential damages are included in any third party claim in connection with which such Indemnitee is entitled to indemnification hereunder.

(e) No Indemnitee seeking indemnification or reimbursement under this Agreement will, without the Borrower's prior written consent (not to be unreasonably withheld, delayed or conditioned), settle, compromise, consent to the entry of any judgment in or otherwise seek to terminate any claim, litigation, action, investigation or proceeding referred to herein; *provided* that the foregoing indemnity will apply to any such settlement in the event that (i) the Borrower was offered the ability to assume the defense of the action that was the subject matter of such settlement and elected not to so assume or (ii) such settlement is entered into more than seventy-

five (75) days after receipt by the Borrower of a request by the applicable Indemnitee for reimbursement of its legal or other expenses incurred in connection with such claim, litigation, action, investigation or proceeding and the Borrower not having reimbursed such Indemnitee in accordance with such request prior to the date of such settlement (provided that the foregoing indemnity will not apply to any settlement made in accordance with this clause (ii) if the Borrower is disputing such expenses in good faith), and the foregoing indemnity will also apply to any settlement with the Borrower's written consent or if there is a final judgment for the plaintiff against an Indemnitee in any such proceeding.

(f) Notwithstanding the foregoing, each Indemnitee (and its Related Parties) shall be obligated to refund and return promptly any and all amounts paid by the Loan Parties under Section 9.05(b) to such Indemnitee (or such Related Party) for any such fees, expenses or damages to the extent such Indemnitee (or such Related Party) is not entitled to payment of such amounts in accordance with the terms hereof, as determined by a final non-appealable judgment of a court of competent jurisdiction.

(g) The provisions of this Section 9.05 shall remain operative and in full force and effect regardless of the expiration of the term of this Agreement, the consummation of the transactions contemplated hereby, the repayment of any of the Loans, the expiration of the Commitments, the invalidity or unenforceability of any term or provision of this Agreement or any other Loan Document, or any investigation made by or on behalf of the Administrative Agent, the Collateral Agent or any Lender. All amounts due under this Section 9.05 shall be payable on written demand therefor.

SECTION 9.06. **Right of Setoff.** If an Event of Default shall have occurred and be continuing, each Lender is hereby authorized at any time and from time to time, except to the extent prohibited by law, to set off and apply any and all deposits (general or special, time or demand, provisional or final) at any time held and other indebtedness at any time owing by such Lender or its Affiliates to or for the credit or the account of the Borrower against any of and all the obligations of the Borrower now or hereafter existing under this Agreement and other Loan Documents held by such Lender, irrespective of whether or not such Lender shall have made any demand under this Agreement or such other Loan Document and although such obligations may be unmaturing; *provided* that any Lender exercising such right of setoff shall promptly notify the Administrative Agent thereof. The rights of each Lender under this Section 9.06 are in addition to other rights and remedies (including other rights of setoff) which such Lender may have.

SECTION 9.07. **Applicable Law.** THIS AGREEMENT AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES HEREUNDER SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK.

SECTION 9.08. **Waivers; Amendment.** (a) No failure or delay of the Administrative Agent, the Collateral Agent or any Lender in exercising any power or right hereunder or under any other Loan Document shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the

exercise of any other right or power. The rights and remedies of the Administrative Agent, the Collateral Agent and the Lenders hereunder and under the other Loan Documents are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of this Agreement or any other Loan Document or consent to any departure by the Borrower or any other Loan Party therefrom shall in any event be effective unless the same shall be permitted by this Section 9.08 or, with respect to any Security Documents, Section 4.12 of Annex I, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. No notice or demand on the Borrower in any case shall entitle the Borrower to any other or further notice or demand in similar or other circumstances.

(b) Except as otherwise set forth in this Agreement, neither this Agreement, any Loan Document, nor any provision hereof or thereof may be waived, amended or modified except pursuant to an agreement or agreements in writing entered into by the Borrower and the Required Lenders (other than any amendment contemplated in clauses (i)-(vi) and (viii)-(xiv) below which shall only require the consent of the Lenders, L/C Issuers or Swing Line Lenders specified therein); *provided, however*, that no such agreement shall (i) decrease the principal amount of, or extend the maturity of or any scheduled principal payment date or date for the payment of any interest on any Loan or L/C Borrowing, or waive or excuse any such payment or any part thereof, or decrease the rate of interest on any Loan, without the prior written consent of each Lender directly adversely affected thereby, (provided that only the consent of the Required Lenders shall be necessary to amend Section 2.07 or to waive the obligation of the Borrower to pay interest at the rate set forth in such Section), (ii) increase or extend the Commitment or decrease or extend the date for payment of any fees therein of any Lender without the prior written consent of such Lender (it being understood that a waiver of any condition precedent or of any Default, mandatory prepayment or mandatory reduction of the Commitments shall not constitute an extension or increase of any Commitment of any Lender or a decrease or extension of the date for payment of any fees therein of any Lender and neither any shall change to the definition of "Consolidated Net Senior Secured Leverage Ratio" or in the component definitions thereof constitute a reduction in the amount of fees of any Lender), (iii) amend or modify the *pro rata* requirements of Section 2.17, the provisions of Section 9.04(l) or the provisions of this Section 9.08 or release all or substantially all of the value of the Facility Guaranty or all or substantially all of the Collateral, without the prior written consent of each Lender, (iv) change the provisions of any Loan Document in a manner that by its terms directly affects the rights in respect of payments due to Lenders holding Loans of one Class differently from the rights of Lenders holding Loans of any other Class without the prior written consent of the Required Class Lenders of each such affected Class (and in the case of multiple Classes directly affected in the same or substantially the same way, the Lenders under such Classes shall consent together as one Class) (it being understood that any amendment to the conditions of effectiveness set forth in Section 2.22 with respect to Incremental Loan Commitments, Section 2.23 with respect to any Extended Class, Section 2.24 with respect to any Refinancing Commitments, in each case, shall be subject to clause (v) below)); (v) amend, waive or otherwise modify any term or provision (including the availability and conditions to funding under Article IV with respect to Initial Term Loan Commitments, Section 2.22 with respect to Incremental Loan Commitments, Section 2.23 with respect to any Extended Class, Section 2.24 with respect to any Refinancing Commitments and in each case the rate of interest applicable thereto) which directly affects Lenders of one or

more Classes of Initial Term Loan Commitments, Incremental Loans or Incremental Loan Commitments, Refinancing Loans or Refinancing Commitments, or Extended Term Loans or Extended Revolving Credit Commitments (the “*Affected Facilities*”) and does not directly affect Lenders under any other Class of Loans, in each case, without the written consent of the Required Class Lenders under such applicable Affected Facilities (and in the case of multiple Classes directly affected in the same or substantially the same way with respect to the Affected Facilities, such Required Class Lenders shall consent together as one Class); (vi) amend, waive or otherwise modify any term or provision (including the waiver of any conditions set forth in Section 4.03 as to any Credit Extension under one or more Revolving Credit Facilities) which directly affects Lenders under one or more Classes of Revolving Credit Commitments and does not directly affect Lenders under any other Class of Loans, in each case, without the written consent of the Required Class Lenders under such applicable Class of Revolving Credit Commitments (and in the case of multiple Classes which are affected, such Required Class Lenders shall consent together as one Class); (vii) modify the protections afforded to an SPV pursuant to the provisions of Section 9.04(i) without the written consent of such SPV; (viii) reduce the percentage contained in the definition of “Required Lenders”, “Required Class Lenders” or “Required Revolving Credit Lenders” or change the definition of “Pro Rata Share” without the prior written consent of each Lender directly affected thereby; (ix) change the currency in which any Loan is permitted to be made or is payable (including interest with respect to such Loan) without the prior written consent of each Lender; (x) waive, amend or modify the proviso to Section 5.05(a) without the prior written consent of each Lender; (xi) amend or otherwise modify the Financial Covenant and Section 7.03 as it applies to such Financial Covenant, and in each case any definition related thereto (as any such definition is used therein but not as otherwise used in this Agreement or any other Loan Document) or waive any Default or Event of Default resulting from a failure to perform or observe the Financial Covenant or Section 7.03 as it applies to such Financial Covenant without the written consent of the Required Revolving Credit Lenders; *provided* that, the waivers described in this clause (xi) shall not require the consent of any Lenders other than the Required Revolving Credit Lenders; (xii) modify any other provision, if any, of this Agreement that expressly requires the consent of each Lender or each directly affected Lender without the prior written consent of each Lender; (xiii) amend, modify or waive any provision with respect to Letters of Credit to the extent such amendment, modification or waiver directly and adversely affects the rights or, duties of, or any fees or other amounts payable to, any L/C Issuer under this Agreement, any other Loan Document or any Letter of Credit Application relating to any Letter of Credit issued or to be issued by it, without the written consent of such L/C Issuer; or (xiv) amend, modify or waive any provision with respect to any Swing Line Loan to the extent such amendment, modification or waiver directly and adversely affects the rights or duties of, or any fees or other amounts payable to any Swing Line Lender without the written consent of such Swing Line Lender; *provided, further*, that no such agreement shall amend, modify or otherwise affect the rights or duties of the Administrative Agent or the Collateral Agent hereunder or under any other Loan Document without the prior written consent of the Administrative Agent or the Collateral Agent.

(c) Without prejudice to the Administrative Agent’s right to seek instruction from the Lenders from time to time, the Administrative Agent and the Borrower may amend this Agreement or any other Loan Document (including, for the avoidance of doubt, any exhibit,

schedule or other attachment to any Loan Document) to correct an obvious error or omission jointly identified by the Borrower and the Administrative Agent or other errors or omissions of a technical or immaterial nature (including, but not limited to, an incorrect cross-reference). Notwithstanding anything to the contrary contained herein, such amendment shall become effective without any further consent of any other party to such Loan Document.

(d) Notwithstanding anything to the contrary herein, (i) no Defaulting Lender shall have any right to approve or disapprove any amendment, waiver or consent hereunder (and any amendment, waiver or consent which by its terms requires the consent of all Lenders or each affected Lender may be effected with the consent of the applicable Lenders other than Defaulting Lenders), except that (x) the Commitment of any such Defaulting Lender may not be increased or extended without the consent of such Lender and (y) any waiver, amendment or modification requiring the consent of all Lenders or each affected Lender that by its terms materially and adversely affects any Defaulting Lender to a greater extent than other affected Lenders shall require the consent of such Defaulting Lender, (ii) this Agreement may be amended (or amended and restated) with the written consent of the Required Lenders, the Administrative Agent and the Borrower (x) to add one or more additional credit facilities to this Agreement and to permit the extensions of credit from time to time outstanding thereunder and the accrued interest and fees in respect thereof to share ratably in the benefits of this Agreement and the other Loan Documents with the Term Loans, Revolving Credit Loans, Swing Line Loans and L/C Obligations and the accrued interest and fees in respect thereof and (y) to include appropriately the Lenders holding such credit facilities in any determination of the Required Lenders, and (iii) Annex I and Annex II of this Agreement may be amended with the written consent of the Administrative Agent and the Borrower, but without the consent of any other Person, to conform the text of Annex I and/or Annex II to any provision of the "Description of Notes" section of the Offering Memorandum to correct an obvious error or omission.

SECTION 9.09. **Interest Rate Limitation.** Notwithstanding anything herein to the contrary, if at any time the interest rate applicable to any Loan, together with all fees, charges and other amounts which are treated as interest on such Loan under applicable law (collectively the "**Charges**"), shall exceed the maximum lawful rate (the "**Maximum Rate**") which may be contracted for, charged, taken, received or reserved by the Lender holding such Loan in accordance with applicable law, the rate of interest payable in respect of such Loan hereunder, together with all Charges payable in respect thereof, shall be limited to the Maximum Rate and, to the extent lawful, the interest and Charges that would have been payable in respect of such Loan but were not payable as a result of the operation of this Section 9.09 shall be cumulated and the interest and Charges payable to such Lender in respect of other Loans or participations or periods shall be increased (but not above the Maximum Rate therefor) until such cumulated amount, together with interest thereon at the Federal Funds Effective Rate to the date of repayment, shall have been received by such Lender.

SECTION 9.10. **Entire Agreement.** This Agreement and the other Loan Documents constitute the entire contract between the parties relative to the subject matter hereof. Any other previous agreement among the parties with respect to the subject matter hereof (other than the Arranger Fee Letter) is superseded by this Agreement and the other Loan Documents. Nothing in

this Agreement or in the other Loan Documents, expressed or implied, is intended to confer upon any Person (other than the parties hereto and thereto, their respective successors and assigns permitted hereunder and, to the extent expressly contemplated hereby, the Related Parties of each of the Administrative Agent, the Collateral Agent and the Lenders) any rights, remedies, obligations or liabilities under or by reason of this Agreement or the other Loan Documents.

SECTION 9.11. **Waiver of Jury Trial.** EACH PARTY HERETO HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LITIGATION DIRECTLY OR INDIRECTLY ARISING OUT OF, UNDER OR IN CONNECTION WITH THIS AGREEMENT OR ANY OF THE OTHER LOAN DOCUMENTS. EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS, AS APPLICABLE, BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 9.11.

SECTION 9.12. **Severability.** In the event any one or more of the provisions contained in this Agreement or in any other Loan Document should be held invalid, illegal or unenforceable in any respect, the validity, legality and enforceability of the remaining provisions contained herein and therein shall not in any way be affected or impaired thereby (it being understood that the invalidity of a particular provision in a particular jurisdiction shall not in and of itself affect the validity of such provision in any other jurisdiction). The parties shall endeavor in good-faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

SECTION 9.13. **Counterparts.** This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original but all of which when taken together shall constitute a single contract, and shall become effective as provided in Section 4.01. The words "execution," "signed," "signature," and words of like import in this Agreement and the other Loan Documents including any Assignment and Acceptance shall be deemed to include electronic signatures or electronic records, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act.

SECTION 9.14. **Headings.** Article and Section headings and the Table of Contents used herein are for convenience of reference only, are not part of this Agreement and are not to affect the construction of, or to be taken into consideration in interpreting, this Agreement.

SECTION 9.15. **Jurisdiction; Consent to Service of Process.** (a) Each party hereto hereby irrevocably and unconditionally submits, for itself and its property, to the exclusive jurisdiction of any New York State court or Federal court of the United States of America sitting in New York County, and any appellate court from any thereof, in any action or proceeding arising out of or relating to this Agreement or the other Loan Documents (other than any Loan Documents governed by any law other than New York law), or for recognition or enforcement of any judgment, and each of the parties hereto hereby irrevocably and unconditionally agrees that all claims in respect of any such action or proceeding may be heard and determined in such New York State or, to the extent permitted by law, in such Federal court. Each of the parties hereto agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in this Agreement shall affect any right that the Administrative Agent, the Collateral Agent or any Lender may otherwise have to bring any action or proceeding relating to this Agreement or the other Loan Documents against the Borrower or its properties in the courts of any jurisdiction if required to realize upon the Collateral as determined in good faith by the Person bringing such action or proceeding.

(b) Each party hereto hereby irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so, any objection which it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to this Agreement or the other Loan Documents in any New York State or Federal court sitting in New York County. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

(c) Each party to this Agreement irrevocably consents to service of process in the manner provided for notices in Section 9.01 excluding service of process by mail. Nothing in this Agreement will affect the right of any party to this Agreement to serve process in any other manner permitted by law.

SECTION 9.16. **Confidentiality.** Each of the Administrative Agent, the Collateral Agent and the Lenders agrees to maintain the confidentiality of the Information (as defined below), except that Information may be disclosed (a) to its and its Affiliates' officers, directors, employees and agents, including accountants, legal counsel, numbering, administration and settlement service providers and other advisors (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential), (b) to the extent requested or required by any regulatory authority or quasi-regulatory authority (such as the National Association of Insurance Commissioners), (c) to the extent required by applicable laws or regulations or by any subpoena or similar legal process, (d) in connection with the exercise of any remedies hereunder or under the other Loan Documents or any suit, action or proceeding relating to the enforcement of its rights hereunder or thereunder, (e) subject to an agreement containing provisions substantially the same as or no less restrictive than those of this Section 9.16, to any actual or prospective assignee of or participant in any of its rights or obligations under this Agreement and the other Loan Documents, (f) with the consent of the Borrower, (g) to the extent such Information

becomes publicly available other than as a result of a breach of this Section 9.16, (h) subject to an agreement containing provisions substantially the same as or no less restrictive than those of this Section 9.16, to actual or proposed direct or indirect counterparties in connection with any Swap Contract relating to the Loan Parties or their obligations or (i) disclosure to any rating agency when required by it, provided that, prior to any disclosure, such rating agency shall undertake in writing to preserve the confidentiality of any confidential information relating to Loan Parties received by it from any Agent or any Lender. In addition, each Agent and each Lender may disclose the existence of this Agreement and the information about this Agreement to market data collectors, similar services providers to the lending industry, and service providers to the Agents and the Lenders in connection with the administration and management of this Agreement and the other Loan Documents. For the purposes of this Section 9.16, "Information" shall mean all information received from the Borrower and related to the Borrower or its business, other than any such information that was available to the Administrative Agent, the Collateral Agent or any Lender on a non-confidential basis prior to its disclosure by the Borrower. Any Person required to maintain the confidentiality of Information as provided in this Section 9.16 shall be considered to have complied with its obligation to do so if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord its own confidential information.

SECTION 9.17. *Lender Action; Intercreditor Agreement.* (a) Each Lender agrees that it shall not take or institute any actions or proceedings, judicial or otherwise, for any right or remedy against any Loan Party or any other obligor under any of the Loan Documents (including the exercise of any right of setoff, rights on account of any banker's lien or similar claim or other rights of self-help), or institute any actions or proceedings, or otherwise commence any remedial procedures, with respect to any Collateral or any other property of any such Loan Party, unless expressly provided for herein or in any other Loan Document, without the prior written consent of the Administrative Agent. The provisions of this Section 9.17 are for the sole benefit of the Lenders and shall not afford any right to, or constitute a defense available to, any Loan Party.

(b) Each Lender that has signed this Agreement shall be deemed to have consented to and hereby irrevocably authorizes the Administrative Agent and the Collateral Agent to enter into (i) any Intercreditor Agreement as such Lender's "Authorized Representative" (or equivalent defined term) and "Collateral Agent" (or equivalent defined term), as applicable (as such terms are defined in the Closing Date Intercreditor Agreement) (and including any and all amendments, amendments and restatements, modifications, supplements and acknowledgments thereto) from time to time, and agrees to be bound by the provisions thereof and (ii) any Loan Escrow Agreement as such Lender's "Authorized Representative" (or equivalent defined term), Administrative Agent" (or equivalent defined term) or "Collateral Agent" (or equivalent defined term) (and including any and all amendments, amendments and restatements, modifications, supplements and acknowledgments thereto) from time to time, and agrees to be bound by the provisions thereof.

(c) Notwithstanding anything herein to the contrary, each Lender and the Agents acknowledge that the Lien and security interest granted to the Collateral Agent pursuant to the Security Documents and the exercise of any right or remedy by the Collateral Agent thereunder,

shall be subject to the provisions of any Intercreditor Agreement (on and after the execution thereof). In the event of a conflict or any inconsistency between the terms of any Intercreditor Agreement and the Security Documents, the terms of such Intercreditor Agreement shall prevail.

SECTION 9.18. **USA PATRIOT Act Notice**. Each Lender, the Administrative Agent (for itself and not on behalf of any Lender) hereby notifies the Borrower and the Guarantors that pursuant to the requirements of the USA PATRIOT Act and/or the Beneficial Ownership Regulation, it is required to obtain, verify and record information that identifies the Borrower and the Guarantors, which information includes the name and address of the Borrower and the Guarantors and other information that will allow such Lender or the Administrative Agent, as applicable, to identify the Borrower and the Guarantors in accordance with the USA PATRIOT Act and/or the Beneficial Ownership Regulation.

SECTION 9.19. **No Fiduciary Duty**. The parties hereto hereby acknowledge that each Agent, the Lead Arrangers, each Lender and their respective Affiliates (collectively, solely for purposes of this paragraph, the “**Lenders**”), may have economic interests that conflict with those of any Loan Party, its stockholders and/or their respective Affiliates. The Borrower agrees, on behalf of itself and each other Loan Party, that nothing in the Loan Documents or otherwise will be deemed to create an advisory, fiduciary or agency relationship or fiduciary or other implied duty between any Lender, on the one hand, and any Loan Party, its stockholders or their respective Affiliates on the other hand. The Borrower acknowledges and agrees, on behalf of itself and each other Loan Party, that (a) the transactions contemplated by the Loan Documents (including the exercise of rights and remedies hereunder and thereunder) are arm’s-length commercial transactions between the Lenders, on the one hand, and the Loan Parties, on the other hand, and (b) in connection therewith and with the process leading thereto, (i) no Lender has assumed an advisory or fiduciary responsibility in favor of any Loan Party, with respect to the transactions contemplated hereby (or the exercise of rights or remedies with respect thereto) or the process leading thereto (irrespective of whether any Lender has advised, is currently advising or will advise any Loan Party, on other matters) or any other obligation to any Loan Party except the obligations expressly set forth in the Loan Documents and (ii) each Lender is acting solely as principal and not as the agent or fiduciary of any Loan Party.

The Borrower acknowledges and agrees, on behalf of itself and each other Loan Party, that it has consulted its own legal and financial advisors to the extent it deemed appropriate and that it is responsible for making its own independent judgment with respect to such transactions and the process leading thereto. The Borrower agrees, on behalf of itself and each other Loan Party, that it will not claim that any Lender has rendered advisory services of any nature or respect, or owes a fiduciary or similar duty to any Loan Party, in connection with such transaction or the process leading thereto.

SECTION 9.20. **Release of Liens**. The Borrower and the Guarantors will be entitled to release the Liens in respect of the Collateral securing the Obligations under any one or more of the following circumstances:

(a) in connection with any sale or other disposition of the Collateral to a Person that is not the Borrower or a Guarantor (but excluding any transaction subject to Article V of Annex I

hereof), if such sale or other disposition does not violate Section 4.08 of Annex I hereof, but only in respect of the Collateral sold or otherwise disposed of;

(b) in connection with the release of a Guarantor from its Loan Guarantee pursuant to the terms of this Agreement, the release of the property and assets of such Guarantor;

(c) if the Borrower designates any Restricted Subsidiary to be an Unrestricted Subsidiary in accordance with the applicable provisions of this Agreement, the release of the property, assets and Capital Stock of such Unrestricted Subsidiary;

(d) in accordance with an enforcement sale in compliance with the Intercreditor Agreement or any Additional Intercreditor Agreement, or as otherwise provided for under any Intercreditor Agreement or any Additional Intercreditor Agreement;

(e) as provided under Section 9.08, Section 4.06(b) of Annex I (in which case, for the avoidance of doubt, such release shall be automatic and unconditional) and Section 4.12 of Annex I hereof;

(f) upon termination of the Commitments and payment in full of all Obligations (other than (i) contingent indemnification obligations as to which no claim has been asserted and (ii) obligations and liabilities under Treasury Services Agreements and Swap Contracts) and the expiration or termination of all Letters of Credit (other than Letters of Credit that are Cash Collateralized or back-stopped by a letter of credit in form, amount and substance reasonably satisfactory to the applicable L/C Issuer or a deemed reissuance under another facility as to which other arrangements satisfactory to the Administrative Agent and the L/C Issuer shall have been made);

(g) to release and re-take any Lien on any Collateral to the extent not otherwise prohibited by the terms of this Agreement, the Security Documents, any Intercreditor Agreement or any Additional Intercreditor Agreement;

(h) in connection with a transaction permitted by Article V of Annex I hereof;

(i) with respect to any Collateral that is transferred to a Subsidiary pursuant to a Qualified Receivables Financing, and with respect to any securitization obligation that is transferred in one or more transactions, to a Subsidiary;

(j) any property and/or related rights and/or assets (including loan receivables and collateral therefor) that would otherwise be included in the Collateral (and such property and/or related rights and/or assets (including loan receivables and collateral therefor) shall not be deemed to constitute a part of the Collateral) if such property has been sold or otherwise transferred in connection with a securitization transaction or other financing arrangement not prohibited under the Loan Documents; or

(k) if the respective property or assets cease to constitute Collateral (including as a result of being or becoming an Excluded Asset).

The Collateral Agent and the Administrative Agent will take all necessary action required to effectuate any release of the Collateral securing the Loans and the Loan Guarantees, in accordance with the provisions of this Agreement, any Intercreditor Agreement (on and after the execution thereof) or any Additional Intercreditor Agreement (on and after the execution thereof) and the relevant Security Document. Each of the releases set forth above shall be effected by the Collateral Agent without the consent of the Lenders or any action on the part of the Administrative Agent.

The Collateral Agent and the Administrative Agent will agree to any release of the security interest in respect of the Collateral that is in accordance with this Agreement, any Intercreditor Agreement (on and after the execution thereof) or any Additional Intercreditor Agreement (on and after the execution thereof) and the relevant Security Document, without requiring any Lender consent or any action on the part of the Administrative Agent. Upon request of the Borrower and upon receipt of an Officer's Certificate stating that all conditions precedent in respect of such release have been satisfied, the Collateral Agent shall execute, deliver or acknowledge any necessary or proper instruments of termination, satisfaction or release to evidence the release of Collateral permitted to be released pursuant to this Agreement, any Intercreditor Agreement, any Additional Intercreditor Agreement and the Security Documents. At the request of the Borrower, the Collateral Agent shall execute and deliver an appropriate instrument evidencing such release (in the form provided by the Borrower).

SECTION 9.21. ***Judgment Currency.*** If, for the purposes of obtaining judgment in any court, it is necessary to convert a sum due hereunder or any other Loan Document in one currency into another currency, the rate of exchange used shall be that at which in accordance with normal banking procedures the Administrative Agent could purchase the first currency with such other currency on the Business Day preceding that on which final judgment is given. The obligation of any Loan Party in respect of any such sum due from it to the Administrative Agent or the Lenders hereunder or under the other Loan Documents shall, notwithstanding any judgment in a currency (the "***Judgment Currency***") other than that in which such sum is denominated in accordance with the applicable provisions of this Agreement (the "***Agreement Currency***"), be discharged only to the extent that on the Business Day following receipt by the Administrative Agent of any sum adjudged to be so due in the Judgment Currency, the Administrative Agent may in accordance with normal banking procedures purchase the Agreement Currency with the Judgment Currency. If the amount of the Agreement Currency so purchased is less than the sum originally due to the Administrative Agent from a Loan Party in the Agreement Currency, such Loan Party agrees, as a separate obligation and notwithstanding any such judgment, to indemnify the Administrative Agent or the Person to whom such obligation was owing against such loss. If the amount of the Agreement Currency so purchased is greater than the sum originally due to the Administrative Agent in such currency, the Administrative Agent agrees to return the amount of any excess to such Loan Party (or to any other Person who may be entitled thereto under applicable Law).

SECTION 9.22 ***Acknowledgement and Consent to Bail-In of Applicable Financial Institutions.*** Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto

acknowledges that any liability of any Applicable Financial Institution arising under any Loan Document, to the extent such liability is unsecured, may be subject to the Write-Down and Conversion Powers of the applicable Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

- (a) the application of any Write-Down and Conversion Powers by the applicable Resolution Authority to any such liabilities arising hereunder which may be payable to it by any party hereto that is an Applicable Financial Institution; and
- (b) the effects of any Bail-In Action on any such liability, including, if applicable:
 - (i) a reduction in full or in part or cancellation of any such liability;
 - (ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such Applicable Financial Institution, its parent entity, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or
 - (iii) the variation of the terms of such liability in connection with the exercise of the Write-Down and Conversion Powers of the applicable Resolution Authority.

SECTION 9.23 *Acknowledgement Regarding Any Supported QFCs*. To the extent that the Loan Documents provide support, through a guarantee or otherwise, of Swap Obligations or any other agreement or instrument that is a QFC (such support, “**QFC Credit Support**” and each such QFC, a “**Supported QFC**”), the parties acknowledge and agree as follows with respect to the resolution power of the Federal Deposit Insurance Corporation under the Federal Deposit Insurance Act and Title II of the Dodd-Frank Wall Street Reform and Consumer Protection Act (together with the regulations promulgated thereunder, the “**U.S. Special Resolution Regimes**”) in respect of such Supported QFC and QFC Credit Support (with the provisions below applicable notwithstanding that the Loan Documents and any Supported QFC may in fact be stated to be governed by the laws of the State of New York and/or of the United States or any other state of the United States):

- (a) In the event a Covered Entity that is party to a Supported QFC (each, a “**Covered Party**”) becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer of such Supported QFC and the benefit of such QFC Credit Support (and any interest and obligation in or under such Supported QFC and such QFC Credit Support, and any rights in property securing such Supported QFC or such QFC Credit Support) from such Covered Party will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if the Supported QFC and such QFC Credit Support (and any such interest, obligation and rights in property) were governed by the laws of the United States or a state of the United States. In the event a Covered Party or a BHC Act Affiliate of a Covered Party becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under the Loan Documents that might otherwise apply to such Supported QFC or any QFC Credit Support that may be exercised against such Covered Party are permitted to be exercised to no greater extent

than such Default Rights could be exercised under the U.S. Special Resolution Regime if the Supported QFC and the Loan Documents were governed by the laws of the United States or a state of the United States. Without limitation of the foregoing, it is understood and agreed that rights and remedies of the parties with respect to a Defaulting Lender shall in no event affect the rights of any Covered Party with respect to a Supported QFC or any QFC Credit Support.

(b) As used in this Section 9.23, the following terms shall have the following meanings:

“**BHC Act Affiliate**” of a party means an “affiliate” (as such term is defined under, and interpreted in accordance with, 12 U.S.C. 1841(k)) of such party.

“**Covered Entity**” means any of the following:

- (a) a “covered entity” as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 252.82(b);
- (b) a “covered bank” as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 47.3(b); or
- (c) a “covered FSI” as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 382.2(b).

“**Default Right**” has the meaning assigned to that term in, and shall be interpreted in accordance with, 12 C.F.R. §§ 252.81, 47.2 or 382.1, as applicable.

“**QFC**” has the meaning assigned to the term “qualified financial contract” in, and shall be interpreted in accordance with, 12 U.S.C. 5390(c)(8)(D).

SECTION 9.24 **Certain ERISA Matters.** (a) Each Lender (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent and the Lead Arrangers and their respective Affiliates, and not, for the avoidance of doubt, to or for the benefit of the Borrower or any other Loan Party, that at least one of the following is and will be true:

- (i) such Lender is not using “plan assets” (within the meaning of Section 3(42) of ERISA or otherwise for purposes of Title I of ERISA or Section 4975 of the Code) of one or more Benefit Plans with respect to such Lender’s entrance into, participation in, administration of and performance of the Loans, the Letters of Credit or the Commitments or this Agreement,
- (ii) the prohibited transaction exemption set forth in one or more PTEs, such as PTE 84-14 (a class exemption for certain transactions determined by independent qualified professional asset managers), PTE 95-60 (a class exemption for certain transactions involving insurance company general accounts), PTE 90-1 (a class exemption for certain transactions involving insurance company pooled separate

accounts), PTE 91-38 (a class exemption for certain transactions involving bank collective investment funds) or PTE 96-23 (a class exemption for certain transactions determined by in-house asset managers), is applicable with respect to such Lender's entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement,

(iii) (A) such Lender is an investment fund managed by a "Qualified Professional Asset Manager" (within the meaning of Part VI of PTE 84-14), (B) such Qualified Professional Asset Manager made the investment decision on behalf of such Lender to enter into, participate in, administer and perform the Loans, the Letters of Credit, the Commitments and this Agreement, (C) the entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement satisfies the requirements of sub-sections (b) through (g) of Part I of PTE 84-14 and (D) to the best knowledge of such Lender, the requirements of subsection (a) of Part I of PTE 84-14 are satisfied with respect to such Lender's entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement, or

Notwithstanding the foregoing, so long as an Event of Default described in Section 7.01(g) has not occurred with respect to the Borrower, such shortfall shall be due and payable within five Business Days following the written demand therefor by the Administrative Agent and, so long as the Compliance Certificate reflecting such inaccuracy was prepared by the Borrower in good faith, no Default or Event of Default shall be deemed to have occurred as a result of such non-payment (and no such shortfall amount shall be deemed overdue or accrue interest at the rate calculated pursuant to Section 2.07) unless such shortfall amount is not paid on or prior to the fifth Business Day of such five Business Day period.

Neither this Agreement, nor any other Loan Document nor any other agreement, document or instrument referred to herein or executed and delivered in connection herewith shall be construed against any Person as the principal draftsman hereof or thereof. For purposes of determining any financial ratio or making any financial calculation for any fiscal quarter (or portion thereof) ending prior to the Closing Date, the components of such financial ratio or financial calculation shall be determined on a pro forma basis to give effect to the Transactions as if they had occurred at the beginning of such four-quarter period; and each Person that is a Restricted Subsidiary upon giving effect to the Transactions shall be deemed to be a Restricted Subsidiary for purposes of the components of such financial ratio or financial calculation as of the beginning of such four-quarter period. SECTION 1.04 ***Cashless Roll.*** Notwithstanding anything to the contrary contained in this Agreement, any Lender may exchange, continue or rollover all or a portion of its Loans in connection with any refinancing, extension, loan modification or similar transaction permitted by the terms of this Agreement, pursuant to a cashless settlement mechanism approved by the Borrower, the Administrative Agent or the Additional Arranger, as the case may be, and such Lender.

SECTION 1.05 ***Limited Condition Transaction.***

(a) In connection with any action being taken in connection with a Limited Condition Transaction, for purposes of determining compliance with any provision of this Agreement which requires that no Default, Event of Default or Specified Event of Default, as applicable, has occurred, is continuing or would result from any such action, as applicable, such condition shall, at the option of the Borrower, be deemed satisfied, so long as no Default, Event of Default or Specified Event of Default, as applicable, exists on the date the definitive agreements or irrevocable notice, as applicable, for such Limited Condition Transaction are entered into or has been delivered, as applicable. For the avoidance of doubt, if the Borrower has exercised its option under the first sentence of this clause (a), and any Default, Event of Default or Specified Event of Default occurs following the date the definitive agreements or irrevocable notice, as applicable, for the applicable Limited Condition Transaction were entered into or has been delivered, as applicable, and prior to the consummation of such Limited Condition Transaction, any such Default, Event of Default or Specified Event of Default shall be deemed to not have occurred or be continuing for purposes of determining whether any action being taken in connection with such Limited Condition Transaction is permitted hereunder.

(b) In connection with any action being taken in connection with a Limited Condition Transaction, for purposes of (x) determining compliance with any provision of this Agreement which requires the calculation of the Consolidated Net Senior Secured Leverage Ratio or Consolidated Net Leverage Ratio; or (y) testing baskets set forth in this Agreement (including baskets measured as a percentage of L2QA Pro Forma EBITDA); in each case, at the option of the Borrower (the Borrower's election to exercise such option in connection with any Limited Condition Transaction, an "**LCT Election**"), the date of determination of whether any such action is permitted hereunder, shall be deemed to be the date the definitive agreements or irrevocable notice, as applicable, for such Limited Condition Transaction are entered into or has been delivered, as applicable (the "**LCT Test Date**"). If, after giving pro forma effect to the Limited Condition Transaction and the other transactions to be entered into in connection therewith (including any Incurrence of Indebtedness and the use of proceeds thereof) as if they had occurred at the beginning of the most recent four consecutive fiscal quarters ending prior to the LCT Test Date for which consolidated financial statements of the Borrower are available, the Borrower could have taken such action on the relevant LCT Test Date in compliance with such ratio or basket, such ratio or basket shall be deemed to have been complied with. For the avoidance of doubt, if the Borrower has made an LCT Election and any of the ratios or baskets for which compliance was determined or tested as of the LCT Test Date are exceeded as a result of fluctuations in any such ratio or basket, including due to fluctuations in L2QA Pro Forma EBITDA at or prior to the consummation of the relevant transaction or action, such baskets or ratios will not be deemed to have been exceeded as a result of such fluctuations. If the Borrower has made an LCT Election for any Limited Condition Transaction, then in connection with any subsequent calculation of any ratio or basket availability with respect to the Incurrence of Indebtedness or Liens or the making of Asset Dispositions, mergers, the conveyance, lease or other transfer of all or substantially all of the assets of the Borrower or the designation of an Unrestricted Subsidiary or the making of Investments or Restricted Payments on or following the relevant LCT Test Date and prior to the earlier of the date on which such Limited Condition Transaction is consummated or the definitive agreement or irrevocable notice, as applicable, for such Limited Condition Transaction is terminated or expires without consummation of such

Limited Condition Transaction, any such ratio or basket shall be calculated on a pro forma basis assuming such Limited Condition Transaction and other transactions in connection therewith (including any Incurrence of Indebtedness and the use of proceeds thereof) have been consummated.

SECTION 1.06 **Letters of Credit.** Unless otherwise specified herein, the amount of a Letter of Credit at any time shall be deemed to be the amount of the stated amount of such Letter of Credit in effect at such time; *provided, however*, that with respect to any Letter of Credit that, by its terms or the terms of any Issuer Document related thereto, provides for one or more automatic increases in the stated amount thereof, the amount of such Letter of Credit shall be deemed to be the amount of the maximum stated amount of such Letter of Credit after giving effect to all such increases, whether or not such maximum stated amount is in effect at such time.

SECTION 1.07 **LIBO Rate Discontinuation; Effect of Benchmark Transition Event**

(a) Notwithstanding anything to the contrary contained in this Agreement or the other Loan Documents, if a Benchmark Transition Event and its related Benchmark Replacement Date have occurred prior to the Reference Time in respect of any setting of the then-current Benchmark, then (x) if a Benchmark Replacement is determined in accordance with clause (a) of the definition of “Benchmark Replacement” for such Benchmark Replacement Date, such Benchmark Replacement will replace such Benchmark for all purposes hereunder and under any other Loan Document in respect of such Benchmark setting and subsequent Benchmark settings without any amendment to, or further action or consent of any other party to, this Agreement or any other Loan Document and (y) if a Benchmark Replacement is determined in accordance with clause (b) of the definition of “Benchmark Replacement” for such Benchmark Replacement Date, such Benchmark Replacement will replace such Benchmark for all purposes hereunder and under any other Loan Document in respect of any Benchmark setting at or after 5:00 p.m. (New York City time) on the fifth (5th) Business Day after the date notice of such Benchmark Replacement is provided to the Lenders without any amendment to, or further action or consent of any other party to, this Agreement or any other Loan Document so long as the Administrative Agent has not received, by such time, written notice of objection to such Benchmark Replacement from lenders comprising the Required Class Lenders of all affected Classes (acting together). If the Benchmark Replacement is Adjusted Daily Simple SOFR, all interest payments will be payable on April 15th, July 15th, October 15th and January 15th and the applicable Maturity Date of the Loans of such Class; *provided* that if such day is not a Business Day, the Interest Payment Date shall be the next succeeding Business Day.

(b) **Benchmark Replacement Conforming Changes.** In connection with the use, implementation, adoption or administration of a Benchmark Replacement, the Administrative Agent will have the right to make Conforming Changes from time to time in consultation with the Borrower and, notwithstanding anything to the contrary herein or in any other Loan Document, any amendments implementing such Conforming Changes will become effective without any further action or consent of any other party to this Agreement or any other Loan Document.

(c) *Notices; Standards for Decisions and Determinations.* The Administrative Agent will promptly notify the Borrower and the Lenders of (i) the occurrence of a Benchmark Transition Event, (ii) the implementation of any Benchmark Replacement, (iii) the effectiveness of any Conforming Changes in connection with the use, administration, adoption or implementation of a Benchmark Replacement and (iv) the commencement or conclusion of any Benchmark Unavailability Period. The Administrative Agent will promptly notify the Borrower of the removal or reinstatement of any tenor of a Benchmark pursuant to Section 1.07(d). Any determination, decision or election that may be made by the Administrative Agent or, if applicable, any Lender (or group of Lenders) pursuant to this Section 1.07, including any determination with respect to a tenor, rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action or any selection, will be conclusive and binding absent manifest error and may be made in its or their sole discretion and without consent from any other party to this Agreement or any other Loan Document, except, in each case, as expressly required pursuant to this Section 1.07.

(d) *Unavailability of Tenor Benchmark.* Notwithstanding anything to the contrary herein or in any other Loan Document, at any time (including in connection with the implementation of a Benchmark Replacement), (i) if the then-current Benchmark is a term rate (including the Term SOFR Reference Rate) and either (A) any tenor for such Benchmark is not displayed on a screen or other information service that publishes such rate from time to time as selected by the Administrative Agent in its reasonable discretion or (B) the administrator of such Benchmark or the regulatory supervisor for the administrator of such Benchmark has provided a public statement or publication of information announcing that any tenor for such Benchmark is not or will not be representative, then the Administrative Agent may modify the definition of “Interest Period” (or any similar or analogous definition) for any Benchmark settings at or after such time to remove such unavailable or non-representative tenor and (ii) if a tenor that was removed pursuant to clause (i) above either (A) is subsequently displayed on a screen or information service for a Benchmark (including a Benchmark Replacement) or (B) is not, or is no longer, subject to an announcement that it is not or will not be representative for a Benchmark (including a Benchmark Replacement), then the Administrative Agent may modify the definition of “Interest Period” (or any similar or analogous definition) for all Benchmark settings at or after such time to reinstate such previously removed tenor.

(e) *Benchmark Unavailability Period.* Upon the Borrower’s receipt of notice of the commencement of a Benchmark Unavailability Period, the Borrower may revoke any pending request for a SOFR Borrowing of, conversion to or continuation of SOFR Loans to be made, converted or continued during any Benchmark Unavailability Period and, failing that, the Borrower will be deemed to have converted any such request into a request for a Borrowing of or conversion to (A) a Loan bearing interest of the Adjusted Daily Simple SOFR so long as the Adjusted Daily Simple SOFR is not the subject of a Benchmark Transition Event or (B) an ABR Loan if the Adjusted Daily Simple SOFR is the subject of a Benchmark Transition Event. During a Benchmark Unavailability Period or at any time that a tenor for the then-current Benchmark is not an Available Tenor, the component of Alternate Base Rate based upon the then-current Benchmark or such tenor for such Benchmark, as applicable, will not be used in any determination of Alternate Base Rate.

(f) *SOFR Disclaimer.* The Administrative Agent does not warrant, nor accept any responsibility, nor shall the Administrative Agent have any liability with respect to, the administration, submission, performance or any other matter related to any interest rate used in this Agreement, or with respect to any successor rate thereto, or replacement rate thereof, including without limitation, whether the composition or characteristics of any such alternative, successor or replacement reference rate will be similar to, or produce the same value or economic equivalence of, any of the existing interest rate being replaced or have the same volume or liquidity as did any existing interest rate prior to its discontinuance or unavailability. The Administrative Agent and its affiliates and/or other related entities may engage in transactions or other activities unrelated to this Agreement and the other Loan Documents that affect the calculation of any interest rate used in this Agreement, or any alternative or successor rate (including any Benchmark Replacement) and/or any relevant adjustments thereto, in each case, in a manner adverse to the Borrower (provided that, for the avoidance of doubt, nothing in this sentence shall modify or supersede the express terms of this Agreement and the other Loan Documents (including, without limitation, Section 9.08 of this Agreement)). The Administrative Agent may select information sources or services in its reasonable discretion to ascertain any interest rate used in this Agreement, any component thereof, or rates referenced in the definition thereof, in each case pursuant to the terms of this Agreement, and shall have no liability to the Borrower, any Lender or any other person or entity for damages of any kind, including direct or indirect, special, punitive, incidental or consequential damages, costs, losses or expenses (whether in tort, contract or otherwise and whether at law or in equity), for any error or other action or omission related to or affecting the selection, determination, or calculation of any rate (or component thereof) provided by any such information source or service.

SECTION 1.08 *Cured Defaults.* With respect to any Default or Event of Default, the words “exists,” “is continuing” or similar expressions with respect thereto shall mean that the Default or Event of Default has occurred and has not yet been cured or waived. If any Default or Event of Default occurs due to (a) the failure by any Loan Party to take any action by a specified time, such Default or Event of Default shall be deemed to have been cured at the time, if any, that the applicable Loan Party takes such action or (b) the taking of any action by any Loan Party that is not then permitted by the terms of this Agreement or any other Loan Document, such Default or Event of Default shall be deemed to be cured on the earlier to occur of (i) the date on which such action would be permitted at such time to be taken under this Agreement and the other Loan Documents and (ii) the date on which such action is unwound or otherwise modified to the extent necessary for such revised action to be permitted at such time by this Agreement and the other Loan Documents. If any Default or Event of Default occurs that is subsequently cured (a “*Cured Default*”), any other Default or Event of Default resulting from the making or deemed making of any representation or warranty by any Loan Party or the taking of any action by any Loan Party or any Subsidiary of any Loan Party, in each case which subsequent Default or Event of Default would not have arisen had the Cured Default not occurred, shall be deemed to be cured automatically upon, and simultaneously with, the cure of the Cured Default.

Notwithstanding anything to the contrary in this Section 1.08, a Default or Event of Default (the “*Initial Default*”) may not be cured pursuant to this Section 1.08:

(i) in the case of an Initial Default described in clause (b) of the second sentence of this Section 1.08, if a Responsible Officer of the applicable Loan Party had Knowledge at the time of taking any such action that such Initial Default had occurred and was continuing;

(ii) in the case of an Event of Default under Section 7.01(e) that directly results in material impairment of the rights and remedies of the Lenders, Collateral Agent and Administrative Agent under the Loan Documents;

(iii) in the case of an Event of Default arising due to the failure to perform or observe Section 5.05(a) or Section 5.07 that results in a material adverse effect on the ability of the Borrower and the other Loan Parties (taken as a whole) to perform their respective payment obligations under any Loan Document to which the Borrower or any of the other Loan Parties is a party; or

(iv) if the Administrative Agent shall have commenced any enforcement action set forth in Article VII prior to the date such Initial Default would have been deemed to be cured under this Section 1.08.

For purposes of this Section 1.08, “*Knowledge*” shall mean, with respect to a Responsible Officer of the Borrower or other Loan Party, (i) the actual knowledge of such individual or (ii) the knowledge that such individual would have obtained if such individual had acted in good faith to discharge his or her duties with the same level of diligence and care as would reasonably be expected from an officer in a substantially similar position.

SECTION 2.02 **Loans.** Each Loan shall be made as part of a Borrowing consisting of Loans made by the Lenders ratably in accordance with their applicable Commitments; *provided, however*, that the failure of any Lender to make any Loan shall not in itself relieve any other Lender of its obligation to lend hereunder (it being understood, however, that no Lender shall be responsible for the failure of any other Lender to make any Loan required to be made by such other Lender). The Loans comprising any Borrowing shall be in an aggregate principal amount that is (a) an integral multiple of \$1,000,000 and not less than \$5,000,000 (except to the extent otherwise provided in an Incremental Loan Assumption Agreement, Refinancing Amendment or Extension Amendment) or (b) equal to the remaining available balance of the applicable Commitments.

(a) Each Lender may at its option make any Eurodollar Loan or SOFR Loan by causing any domestic or foreign branch or Affiliate of such Lender to make such Loan; *provided* that any exercise of such option shall not affect the obligation of the Borrower to repay such Loan in accordance with the terms of this Agreement. The Borrower shall not be entitled to request any Borrowing that, if made, would result in more than 10 Eurodollar Borrowings or 10 SOFR Borrowings outstanding hereunder at any time. For purposes of the foregoing, Borrowings having different Interest Periods, regardless of whether they commence on the same date, shall be considered separate Borrowings.

(b) Each Lender shall make each Loan to be made by it hereunder on the Funding Date or the proposed date of Borrowing thereof, as applicable, by wire transfer of immediately available funds in Dollars, as the case may be, to such account in New York City as the Administrative Agent may designate in advance, not later than 2:00 p.m., New York City time (or 12:00 p.m., New York City time in the case of the Funding Date), and the Administrative Agent shall promptly wire transfer the amounts so received in accordance with instructions received from the Borrower in the applicable Borrowing Request or, if a Borrowing shall not occur on such date because any condition precedent herein specified shall not have been met, return the amounts so received to the respective Lenders.

(c) Unless the Administrative Agent shall have received notice from a Lender prior to the date of any Borrowing that such Lender will not make available to the Administrative Agent such Lender's portion of such Borrowing, the Administrative Agent may assume that such Lender has made such portion available to the Administrative Agent on the date of such Borrowing in accordance with Section 2.02(b) and the Administrative Agent may, in reliance upon such assumption, make available to the Borrower on such date a corresponding amount. If the Administrative Agent shall have so made funds available then, to the extent that such Lender

shall not have made such portion available to the Administrative Agent, such Lender and the Borrower severally agree to repay to the Administrative Agent forthwith on demand such corresponding amount together with interest thereon, for each day from the date such amount is made available to the Borrower to but excluding the date such amount is repaid to the Administrative Agent at (i) in the case of the Borrower, a rate *per annum* equal to the interest rate applicable at the time to the Loans comprising such Borrowing and (ii) in the case of such Lender, a rate determined by the Administrative Agent to represent its cost of overnight or short-term funds (which determination shall be conclusive absent manifest error). If such Lender shall repay to the Administrative Agent such corresponding amount, such amount shall constitute such Lender's Loan as part of such Borrowing for purposes of this Agreement.

SECTION 2.03. ***Borrowing Procedure.*** In order to request a Term Loan Borrowing or a Revolving Credit Borrowing, the Borrower shall notify the Administrative Agent of such request by telephone not later than 12:00 p.m., New York time, (a) one Business Day before a proposed Borrowing of Eurodollar Loans on the Funding Date and (b) three Business Days before a proposed Borrowing of Eurodollar Loans or SOFR Loans on any other date (or, in each case, such shorter period as may be agreed by the Administrative Agent) and no later than 12:00 p.m., New York time, on the Business Day before the date of a proposed Borrowing in the case of a Borrowing of ABR Loans. Each such telephonic Borrowing Request shall be irrevocable, and shall be confirmed promptly by hand delivery, e-mail or fax to the Administrative Agent of a written Borrowing Request and shall specify the following information: (i) whether the Borrowing then being requested is to be a Borrowing of Term Loans, Revolving Credit Loans, Incremental Term Loans or Incremental Revolving Loans; (ii) the date of such Borrowing (which shall be a Business Day); (iii) the number and location of the account to which funds are to be disbursed; (iv) the amount of such Borrowing (stated in the Available Currency); and (v) whether the Loans being made pursuant to such Borrowings are to be initially maintained as ABR Loans, Eurodollar Loans or SOFR Loans and, if Eurodollar Loans or SOFR Loans, the Interest Period with respect thereto; *provided, however*, that the initial Interest Period of any Eurodollar Borrowing made on the Funding Date shall end on a date reasonably satisfactory to the Administrative Agent specified by the Borrower in such Borrowing Request; *provided, however*, that, notwithstanding any contrary specification in any Borrowing Request, each requested Borrowing shall comply with the requirements set forth in Section 2.02. If no Interest Period with respect to any Eurodollar Borrowing or SOFR Borrowing is specified in any such notice, then the Borrower shall be deemed to have selected an Interest Period of one month's duration. The Administrative Agent shall promptly advise the applicable Lenders of any notice given pursuant to this Section 2.03 (and the contents thereof), and of each Lender's portion of the requested Borrowing. Notwithstanding anything to the contrary set forth herein, no request for Borrowing of Eurodollar Loans may be made for a Borrowing Date occurring after June 30, 2023.

SECTION 2.04. ***Evidence of Debt; Repayment of Loans.*** The Borrower hereby unconditionally promises to pay to the Administrative Agent for the account of each Lender the principal amount of each Loan of such Lender as provided in Section 2.11.

(a) Each Lender shall maintain in accordance with its usual practice an account or accounts evidencing the indebtedness of the Borrower to such Lender resulting from each Loan

made by such Lender from time to time, including the amounts of principal and interest payable and paid to such Lender from time to time under this Agreement.

(b) The Administrative Agent shall maintain the Register in which it will record (i) the amount of each Loan made hereunder, the Class and Type thereof and, if applicable, the Interest Period applicable thereto, (ii) the amount of any principal or interest due and payable or to become due and payable from the Borrower to each Lender hereunder and (iii) the amount of any sum received by the Administrative Agent hereunder from the Borrower or any Guarantor and each Lender's share thereof.

(c) In addition to the accounts and records referred to in Section 2.04(a) and (b), each Lender and the Administrative Agent shall maintain in accordance with its usual practice accounts or records and, in the case of the Administrative Agent, entries in the Register, evidencing the purchases and sales by such Lender of participations in Letters of Credit and Swing Line Loans. In the event of any conflict between the Register and corresponding accounts and records maintained by the Administrative Agent and the accounts and records of any Lender in respect of such matters, the Register shall control in the absence of manifest error.

(d) The entries made in the Register maintained pursuant to Section 2.04(b) and (c) shall be *prima facie* evidence of the existence and amounts of the obligations therein recorded; *provided, however*, that the failure of any Lender or the Administrative Agent to maintain such accounts or any error therein shall not in any manner affect the obligations of the Borrower to repay the Loans in accordance with their terms.

(e) Any Lender may request that Loans made by it hereunder be evidenced by a promissory note. In such event, the Borrower shall execute and deliver to such Lender a promissory note payable to such Lender or its registered assigns and in the form attached hereto as Exhibit G. Notwithstanding any other provision of this Agreement, in the event any Lender shall request and receive such a promissory note, the interests represented by such note shall at all times thereafter (including after any assignment of all or part of such interests pursuant to Section 9.04) be represented by one or more promissory notes payable to the payee named therein or its registered assigns.

SECTION 2.05. **Fees.** (a) The Borrower agrees to pay to the Administrative Agent, for its own account, the administrative fees as are separately agreed by the Administrative Agent in accordance with the Agent Fee Letter.

(b) The Borrower agrees to pay to the Administrative Agent (x) for any period prior to Extension Amendment No. 1 Effective Date, for the account of each Revolving Credit Lender under each Class of Revolving Credit Commitments in accordance with its Pro Rata Share, a commitment fee equal to the Applicable Revolving Commitment Fee Percentage times the actual daily amount by which the aggregate Revolving Credit Commitment for the applicable Class of Revolving Credit Commitments exceeds the sum of (i) the Outstanding Amount of Revolving Credit Loans for such Class of Revolving Credit Commitments and (ii) the Outstanding Amount of L/C Obligations for such Class of Revolving Credit Commitments and (y) for any period after the Extension Amendment No. 1 Effective Date, for the account of each 2025 Revolving Credit

Lender and each 2027 Revolving Credit Lender in accordance with its Other Allocable Share of the 2025 Revolving Credit Commitments and the 2027 Revolving Credit Commitments, respectively, a commitment fee equal to the Applicable Revolving Commitment Fee Percentage times the Allocable Revolving Share of the 2025 Revolving Credit Lenders or the 2027 Revolving Credit Lenders, as the case may be, of the actual daily amount by which the aggregate Revolving Credit Commitments for such Class of Revolving Credit Commitments exceeds the sum of (i) the Outstanding Amount of Revolving Credit Loans for such Class of Revolving Credit Commitments and (ii) the Outstanding Amount of L/C Obligations for such Class of Revolving Credit Commitments; provided that any commitment fee accrued with respect to any of the Commitments of a Defaulting Lender during the period prior to the time such Lender became a Defaulting Lender and unpaid at such time shall not be payable by the Borrower so long as such Lender shall be a Defaulting Lender except to the extent that such commitment fee shall otherwise have been due and payable by the Borrower prior to such time; and provided, further, that no commitment fee shall accrue on any of the Commitments of a Defaulting Lender so long as such Lender shall be a Defaulting Lender. The commitment fee on each Class of Revolving Credit Commitments shall accrue at all times from the Closing Date (or from the date on which Revolving Credit Commitments of the applicable Class come into effect in accordance with the terms hereof) until the Maturity Date for such Class of Revolving Credit Commitments, including at any time during which one or more of the conditions in Article IV is not met, and shall be due and payable in arrears on the 15th day of each of April, July, October and January, commencing, (i) with respect to the 2025 Revolving Credit Commitments with the first such date during the first full fiscal quarter to occur after the Closing Date, and (ii) with respect to the 2027 Revolving Credit Commitments with the first such date to occur after the Extension Amendment No. 1 Effective Date, and, in each case, on the Maturity Date for such Class of Revolving Credit Commitments; provided that if such day is not a Business Day, such commitment fee shall be payable on the next succeeding Business Day. The commitment fee shall be calculated quarterly in arrears, and if there is any change in the Applicable Revolving Commitment Fee Percentage during any quarter, the actual daily amount shall be computed and multiplied by the Applicable Revolving Commitment Fee Percentage separately for each period during such quarter that such Applicable Revolving Commitment Fee Percentage was in effect.

(c) The Borrower shall pay to the Administrative Agent for the account of each Initial Term Loan Lender [holding an Initial Term Loan Commitment described in clause \(i\) of the definition thereof](#) (other than any Committed Lender), a ticking fee (the “*Ticking Fee*”), accruing on ~~the~~[such](#) unutilized Initial Term Loan Commitments of the applicable Lenders for each day, from (and including) September 15, 2020 (the “*Commitment Allocation Date*”) to (but excluding) the Ticking Fee Payment Date equal to the applicable percentage set forth below of the Applicable Margin for Eurodollar Loans that would otherwise be payable in respect of ~~the~~[such](#) Initial Term Loans:

Period	Applicable Percentage
From the Commitment Allocation Date through the date that is 45 days following the Commitment Allocation Date	0% per annum of Applicable Margin for Eurodollar Loans

From the date that is 46 days following the Commitment Allocation Date until (and including) the earlier of (x) the date that is 90 days following the Commitment Allocation Date, (y) the Commitment Termination Date (solely with respect to such amount terminated or expired) and (z) the Funding Date (solely with respect to such amount funded)	50% per annum of Applicable Margin for Eurodollar Loans
From the date that is 91 days following the Commitment Allocation Date until (and including) the earlier of (x) the Commitment Termination Date (solely with respect to such amount terminated or expired) and (y) the Funding Date (solely with respect to such amount funded)	100% per annum of Applicable Margin for Eurodollar Loans

The Administrative Agent shall promptly notify the Borrower of the occurrence of the Commitment Allocation Date. The Ticking Fee will be determined on the basis of a 360-day year and actual elapsed days and will be payable on the date (such date, the “**Ticking Fee Payment Date**”) that is the earlier of (a) the date of termination or expiration of the Initial Term Loan Commitments (solely with respect to such amount terminated or expired) and (b) the Funding Date (solely with respect to such amount funded). Notwithstanding anything to the contrary in this Agreement, any Ticking Fee accrued with respect to any of the Commitments of a Defaulting Lender during the period prior to the time such Lender became a Defaulting Lender and unpaid at such time shall not be payable by the Borrower so long as such Lender shall be a Defaulting Lender except to the extent that such Ticking Fee shall otherwise have been due and payable by the Borrower prior to such time; and *provided, further*, that no Ticking Fee shall accrue on any (i) of the Commitments of a Defaulting Lender so long as such Lender shall be a Defaulting Lender and (ii) any Initial Term Loan Commitment described in clause (ii) of the definition thereof.

(d) The Borrower shall pay to the Administrative Agent for the account of each Initial Term Loan Lender holding an Initial Term Loan Commitment described in clause (i) of the definition thereof, a closing fee (the “**Closing Fee**”) equal to 0.50% of the principal amount of the Initial Term Loans made by such Initial Term Loan Lender on the Funding Date, which shall be due and payable, with respect to the Initial Term Loans, on the Funding Date. The Initial Term Loan Lenders shall be permitted to fund the Initial Term Loans net of the Closing Fee on the Funding Date.

(e) All fees under this Section 2.05 shall be paid on the dates due, in immediately available funds in Dollars, to the Administrative Agent for distribution, if and as appropriate, among the Lenders. Once paid, no such fees shall be refundable under any circumstances.

SECTION 2.06. **Interest on Loans.** (a) Subject to the provisions of Section 2.07, the Loans comprising each ABR Borrowing shall bear interest (computed on the basis of the actual number of days elapsed over a year of 365 or 366 days, as the case may be, when the Alternate Base Rate is determined by reference to the Prime Rate and over a year of 360 days at

all other times and calculated from and including the date of such Borrowing to but excluding the date of repayment thereof) at a rate *per annum* equal to the Alternate Base Rate plus the Applicable Margin.

(b) Subject to the provisions of Section 2.07, (i) the Loans comprising each Eurodollar Borrowing shall bear interest (computed on the basis of the actual number of days elapsed over a year of 360 days) at a rate *per annum* equal to the Adjusted LIBO Rate for the Interest Period in effect for such Borrowing *plus* the Applicable Margin.; and (ii) the Loans comprising each SOFR Borrowing shall bear interest (computed on the basis of the actual number of days elapsed over a year of 360 days) at a rate *per annum* equal to the Adjusted Term SOFR for the Interest Period in effect for such Borrowing *plus* the Applicable Margin.

(c) Interest on each Loan shall be payable on the Interest Payment Dates applicable to such Loan except as otherwise provided in this Agreement. The applicable Alternate Base Rate, Adjusted LIBO Rate or Adjusted Term SOFR for each Interest Period or day within an Interest Period, as the case may be, shall be determined by the Administrative Agent, and such determination shall be conclusive absent manifest error. Interest shall be paid in the same currency as the Loan to which such interest relates.

SECTION 2.07. **Default Interest.** If any Event of Default under Section 7.01(a) or 7.01(g) hereof has occurred and is continuing then, until such defaulted amount shall have been paid in full, to the extent permitted by law, such defaulted amounts shall bear interest (after as well as before judgment), payable on demand, (a) in the case of principal, at the rate otherwise applicable to such Loan pursuant to Section 2.06 *plus* 2.00% *per annum*, (b) in the case of interest payable on any Loan, at the rate otherwise applicable to an ABR Loan of the applicable Class *plus* 2.00% *per annum* and (c) in all other cases, at a rate *per annum* (computed on the basis of the actual number of days elapsed over a year of 365 or 366 days, as the case may be, when determined by reference to the Prime Rate and over a year of 360 days at all other times) equal to the rate that would be applicable to an ABR Loan that is a 2025 Revolving Credit Loan *plus* 2.00% *per annum*.

SECTION 2.08. **Alternate Rate of Interest.** In the event, and on each occasion, that on the day two Business Days prior to the commencement of any Interest Period for a Eurodollar Borrowing or SOFR Borrowing the Administrative Agent shall have determined (a) with respect to a Eurodollar Borrowing, that Dollar deposits in the principal amounts of the Loans comprising such Borrowing are not generally available in the London interbank market, (b) that the rates at which such Dollar deposits are being offered or Adjusted Term SOFR will not adequately and fairly reflect the cost to the Required Lenders of making or maintaining Eurodollar Loans or SOFR Loans, as applicable, during such Interest Period or (c) that reasonable means do not exist for ascertaining the Adjusted LIBO Rate or Adjusted Term SOFR, as applicable, the Administrative Agent shall, as soon as practicable thereafter, give written or fax notice of such determination to the Borrower and the Lenders. In the event of any such determination, until the Administrative Agent shall have advised the Borrower and the Lenders that the circumstances giving rise to such notice no longer exist, any request by the Borrower for a Eurodollar Borrowing or SOFR Borrowing, as applicable, pursuant to Sections 2.03 or 2.10 shall be deemed

to be a request for an ABR Borrowing. Each determination by the Administrative Agent under this Section 2.08 shall be conclusive absent manifest error.

SECTION 2.09. **Termination or Reduction of Commitments.** (a) The Initial Term Loan Commitments and the Initial Revolving Credit Commitments shall automatically terminate upon the Commitment Termination Date and any Incremental Loan Commitments, Refinancing Commitments, Extended Revolving Credit Commitments or Commitments with respect to Extended Term Loans shall terminate as provided in the related Incremental Loan Assumption Agreement, Refinancing Amendment or Extension Amendment, as applicable. The 2024 Incremental Term Loan Commitment shall automatically terminate upon the funding of the 2024 Incremental Term Loan on the 2024 Incremental [Effective Date. The 2025 Refinancing Term Loan Commitments shall automatically terminate upon the funding of the 2025 Refinancing Term Loans on the Refinancing Amendment](#) Effective Date. The Revolving Credit Commitment of each Revolving Credit Lender shall automatically terminate on the Maturity Date for the applicable Class of Revolving Credit Commitments; *provided* that (x) the foregoing shall not release any Revolving Credit Lender from any liability it may have for its failure to fund Revolving Credit Loans, L/C Advances or participations in Swing Line Loans that were required to be funded by it on or prior to such Maturity Date and (y) the foregoing will not release any Revolving Credit Lender from any obligation to fund its portion of L/C Advances or participations in Swing Line Loans with respect to Letters of Credit issued or Swing Line Loans made prior to such Maturity Date.

(b) Upon at least three Business Days' prior written or fax notice to the Administrative Agent, the Borrower may at any time in whole permanently terminate, or from time to time in part permanently reduce, the unused Commitments of any Class; *provided, however*, that (i) each partial reduction of Commitments shall be in an integral multiple of \$1,000,000 and in a minimum amount of \$5,000,000 (or in such lower minimum amounts or multiples as agreed to by the Administrative Agent in its reasonable discretion) and (ii) if, after giving effect to any reduction of Revolving Credit Commitments, the Letter of Credit Sublimit or the Swing Line Sublimit exceeds the amount of the Participating Revolving Credit Commitments, such sublimit shall be automatically reduced by the amount of such excess. Except as provided in the immediately preceding sentence, the amount of any such Revolving Credit Commitment reduction shall not be applied to the Letter of Credit Sublimit or the Swing Line Sublimit unless otherwise specified by the Borrower. Any such notice of termination or reduction pursuant to this Section 2.09(b) may state that it is conditioned upon the occurrence or non-occurrence of any event specified therein (including the effectiveness of other credit facilities), in which case such notice may be revoked by the Borrower or the Borrower may delay the date of prepayment identified therein to a later date reasonably acceptable to the Administrative Agent (in each case by written notice to the Administrative Agent on or prior to the specified effective date) if such condition is not satisfied or the satisfaction of such condition is delayed.

(c) Upon any reduction of unused Commitments of any Class, the Commitment of each Lender of such Class, and, other than a termination of such Commitment in full, the 2025 Revolving Credit Commitments and the 2027 Revolving Credit Commitments, shall be reduced

on a pro rata basis (determined on the basis of the aggregate Commitments under such Class) (other than the termination of the Commitment of any Lender as provided in Section 2.21). Any commitment fees accrued until the effective date of any termination of the Revolving Credit Commitments shall be paid on the effective date of such termination.

(d) On the 2025 Revolving Facility Maturity Date with respect to the 2025 Revolving Credit Commitments, any L/C Advances or any participations in Swing Line Loans shall be deemed to be outstanding with respect to (and reallocated under) the 2027 Revolving Credit Commitments and the Pro Rata Shares of the Revolving Credit Lenders shall be determined to give effect to the termination of the 2025 Revolving Credit Commitments (in each case, so long as after giving effect to such reallocation, the Revolving Credit Exposure of each 2027 Revolving Credit Lender does not exceed such Lender's 2027 Revolving Credit Commitment). On and after the 2025 Revolving Facility Maturity Date, the 2027 Revolving Credit Lenders will be required, in accordance with their Pro Rata Shares to fund L/C Advances pursuant to Section 2.26(c) in respect of Unreimbursed Amounts, in each case, arising on or after such date, regardless of whether any Default existed on the 2025 Revolving Facility Maturity Date; provided that the Revolving Credit Exposure of each 2027 Revolving Credit Lender does not exceed such 2027 Revolving Credit Lender's Revolving Credit Commitment.

SECTION 2.10. **Conversion and Continuation of Borrowings.** (a) The Borrower shall have the right at any time upon prior irrevocable notice (including by telephone or e-mail, which in the case of telephonic notice, shall be promptly followed by written notice) to the Administrative Agent (x) not later than 2:00 p.m., New York City time, one Business Day prior to conversion, to convert any Eurodollar Borrowing or SOFR Borrowing into an ABR Borrowing, (y) not later than 2:00 p.m., New York City time, three Business Days prior to conversion or continuation (or such shorter period as may be agreed by the Administrative Agent), to convert any ABR Borrowing into a Eurodollar Borrowing or to convert any ABR Borrowing consisting of 2025 Revolving Credit Loans or 2027 Revolving Credit Loans into a SOFR Borrowing or to continue any Eurodollar Borrowing as a Eurodollar Borrowing or a SOFR Borrowings as a SOFR Borrowing for an additional Interest Period and (z) not later than 2:00 p.m., New York City time, three Business Days prior to conversion (or such shorter period as may be agreed by the Administrative Agent), to convert the Interest Period with respect to any Eurodollar Borrowing or SOFR Borrowing to another permissible Interest Period, subject in each case to the following:

- (i) no SOFR Borrowing may be converted into Eurodollar Borrowing;
- (ii) each conversion or continuation shall be made *pro rata* among the Lenders in accordance with the respective principal amounts of the Loans comprising the converted or continued Borrowing;
- (iii) if less than all the outstanding principal amount of any Borrowing shall be converted or continued, then each resulting Borrowing shall satisfy the limitations specified in Section 2.02 regarding the principal amount and maximum number of Borrowings of the relevant Type;

(iv) each conversion shall be effected by each Lender and the Administrative Agent by recording for the account of such Lender the new Loan of such Lender resulting from such conversion and reducing the Loan (or portion thereof) of such Lender being converted by an equivalent principal amount; accrued interest on any Eurodollar Loan or SOFR Loan (or, in each case, portion thereof) being converted shall be paid by the Borrower at the time of conversion;

(v) if any Eurodollar Borrowing or SOFR Borrowing is converted at a time other than the end of the Interest Period applicable thereto, the Borrower shall pay, upon demand, any amounts due to the Lenders pursuant to Section 2.16;

(vi) any portion of a Eurodollar Borrowing, SOFR Borrowing or ABR Borrowing maturing or required to be repaid in less than one month may not be converted into or continued as a Eurodollar Borrowing or SOFR Borrowing;

(vii) any portion of a Eurodollar Borrowing or SOFR Borrowing that cannot be converted into or continued as a Eurodollar Borrowing or SOFR Borrowing by reason of the immediately preceding clause shall be automatically converted at the end of the Interest Period in effect into an ABR Borrowing;

(viii) no Interest Period may be selected for any Eurodollar Borrowing or SOFR Borrowing that would end later than a Repayment Date occurring on or after the first day of such Interest Period if, after giving effect to such selection, the aggregate outstanding amount of (A) the Eurodollar Borrowings or SOFR Borrowings comprised of Loans or Other Loans, as applicable, with Interest Periods ending on or prior to such Repayment Date and (B) the ABR Borrowings comprised of Loans or Other Loans, as applicable, would not be at least equal to the principal amount of Borrowings to be paid on such Repayment Date;

(ix) upon notice to the Borrower from the Administrative Agent given at the request of the Required Lenders, after the occurrence and during the continuance of a Default or Event of Default, no outstanding Loan may be converted into, or continued as, a Eurodollar Loan or SOFR Loan;

(x) all Eurodollar Loans or SOFR Loans comprising a Borrowing shall at all times have the same Interest Period.; and

(xi) no Interest Period for any Eurodollar Borrowing may begin after June 30, 2023.

(b) Each notice pursuant to this Section 2.10 shall be irrevocable and shall refer to this Agreement and specify (i) the identity and amount of the Borrowing that the Borrower requests be converted or continued, (ii) whether such Borrowing is to be converted to or continued as a Eurodollar Borrowing, SOFR Borrowing or an ABR Borrowing, (iii) if such notice requests a conversion, the date of such conversion (which shall be a Business Day) and

(iv) if such Borrowing is to be converted to or continued as a Eurodollar Borrowing or SOFR Borrowing, the Interest Period with respect thereto. If no Interest Period is specified in any such notice with respect to any conversion to or continuation as a Eurodollar Borrowing or SOFR Borrowing, the Borrower shall be deemed to have selected an Interest Period of one month's duration. The Administrative Agent shall advise the Lenders of any notice given pursuant to this Section 2.10 and of each Lender's portion of any converted or continued Borrowing. If the Borrower shall not have given notice in accordance with this Section 2.10 to continue any Borrowing into a subsequent Interest Period (and shall not otherwise have given notice in accordance with this Section 2.10 to convert such Borrowing), such Borrowing shall, at the end of the Interest Period applicable thereto (unless repaid pursuant to the terms hereof), if a Eurodollar Borrowing or SOFR Borrowing, automatically be converted to an ABR Borrowing effective as of the expiration date of such current Interest Period.

SECTION 2.11. **Repayment of Borrowings.** (a) (i) The Borrower shall pay to the Administrative Agent, for the account of the Lenders holding Initial Term Loans ~~(A) on April 15th, July 15th, October 15th and January 15th of each year, commencing with the first such date occurring during the first full fiscal quarter following the Closing Date, ending on or prior to the 2024 Incremental Effective Date; provided that if such day is not a Business Day, the Repayment Date shall be the next succeeding Business Day, amortization installments equal to 0.25% of the aggregate principal amount of such Initial Term Loans outstanding on the Funding Date; as adjusted from time to time pursuant to Sections 2.12(b), 2.13(e) and 2.22(d), and which payments shall be further reduced as a result of the application of prepayments in accordance with the order of priority set forth in Section 2.12, (B) after the 2024 Incremental Effective Date, (A) on April 15th, July 15th, October 15th and January 15th of each year (each such date being called a "Repayment Date"), commencing with the first such date following the 2024 Incremental Refinancing Amendment Effective Date; provided that if such day is not a Business Day, the Repayment Date shall be the next succeeding Business Day, amortization ~~installments~~ instalments equal to ~~0.260416666666667~~0.25% of the aggregate principal amount of such Initial Term Loans outstanding on the 2024 Incremental Refinancing Amendment Effective Date; as adjusted from time to time pursuant to ~~Sections~~Section 2.12(b), ~~2.13(e) and 2.22(d)~~, and which payments shall be further reduced as a result of the application of prepayments in accordance with the order of priority set forth in Section 2.12 and (CB) on the Initial Term Loan Maturity Date, the aggregate unpaid principal amount of all Initial Term Loans on such date, together with accrued and unpaid interest on the principal amount to be paid to but excluding such date. For the avoidance of doubt the aggregate principal amount of the Loans extended on the draw date thereof shall be the face amount of such Loans without giving effect to any upfront fees or OID.~~

(ii) The repayment dates and amounts for any Incremental Loans, Loans of an Extended Class or Refinancing Loans shall be set forth in the applicable Incremental Loan Assumption Agreement, Extension Amendment or Refinancing Amendment, subject to any limitations set forth, as applicable, in Sections 2.22, 2.23 or 2.24.

(iii) The Borrower shall repay to the Administrative Agent for the ratable account of the Appropriate Lenders on the Maturity Date for any Class of Revolving

Credit Commitments the aggregate outstanding principal amount of all Revolving Credit Loans made in respect of such Revolving Credit Commitments.

(iv) The Borrower shall repay the aggregate principal amount of each Swing Line Loan on the earlier to occur of (A) the date five Business Days after such Loan is made, (B) the Latest Maturity Date for the Participating Revolving Credit Commitments and (C) the date a Revolving Credit Loan is made to the Borrower pursuant to Section 2.01(b); *provided* that such repayment may be made from the proceeds of a Revolving Credit Borrowing.

(b) To the extent not previously paid, all Initial Loans, Incremental Loans and Loans of an Extended Class shall be due and payable on their respective Maturity Date, the Incremental Loan Maturity Date and the maturity date of the Loans of such Extended Class, respectively, together with accrued and unpaid interest on the principal amount to be paid to but excluding the date of payment.

(c) All repayments pursuant to this Section 2.11 shall be subject to Section 2.16, but shall otherwise be without premium or penalty.

(d) For the avoidance of doubt, the 2025 Refinancing Term Loans made on the Refinancing Amendment Effective Date (x) shall constitute Initial Term Loans for all purposes of this Agreement and (y) shall mature and shall become due and payable on the Initial Term Loan Maturity Date.

SECTION 2.12. ***Voluntary Prepayments.*** (a) The Borrower shall have the right at any time and from time to time to prepay any Borrowing, in whole or in part, upon at least three Business Days' prior written or fax notice (or telephone notice promptly confirmed by written or fax notice) in the case of Eurodollar Loans or SOFR Loans, or written or fax notice (or telephone notice promptly confirmed by written or fax notice) at least one Business Day prior to the date of prepayment in the case of ABR Loans, to the Administrative Agent before 12:00 noon, New York City time; *provided, however*, that each partial prepayment shall be in an amount that is an integral multiple of \$1,000,000 and not less than \$5,000,000 (or in such lower minimum amounts or multiples as agreed to by the Administrative Agent in its reasonable discretion). All voluntary prepayments, including all optional prepayments under this Section 2.12 shall be subject to Section 2.16, but otherwise without premium (except as set forth in Section 2.12(d)) or penalty. Any such notice of prepayment pursuant to this Section 2.12(a) may state that it is conditioned upon the occurrence or non-occurrence of any event specified therein (including the effectiveness of other credit facilities), in which case such notice may be revoked by the Borrower or the Borrower may delay the date of prepayment identified therein to a later date reasonably acceptable to the Administrative Agent (in each case by written notice to the Administrative Agent on or prior to the specified effective date) if such condition is not satisfied or the satisfaction of such condition is delayed.

(b) Voluntary prepayments of any Class of outstanding Loans shall be applied to such Classes of Loans as the Borrower may direct, or in the absence of direction, ratable among the Classes, and thereafter to the remaining amortization payments under such Class, as the

Borrower may direct, and in the absence of such direction, in direct order of maturity thereof; provided that, prior to the 2025 Revolving Facility Maturity Date, other than in connection with the termination of the 2025 Revolving Credit Commitments in full, voluntary prepayments of Revolving Credit Loans shall be applied on a pro rata basis to the 2025 Revolving Credit Loans and the 2027 Revolving Credit Loans.

(c) Notwithstanding anything in any Loan Document to the contrary, so long as no Specified Event of Default has occurred and is continuing or would result from such prepayment, the Borrower may prepay the outstanding Term Loans (which shall, for the avoidance of doubt, be automatically and permanently cancelled immediately upon such prepayment) on the following basis:

(i) The Borrower shall have the right to make a voluntary prepayment of Term Loans at a discount to par pursuant to a Borrower Offer of Specified Discount Prepayment, Borrower Solicitation of Discount Range Prepayment Offers or Borrower Solicitation of Discounted Prepayment Offers (any such prepayment, the “**Discounted Term Loan Prepayment**”), in each case made in accordance with this Section 2.12(c).

(ii) (A) The Borrower may from time to time offer to make a Discounted Term Loan Prepayment by providing the Auction Manager with three Business Days’ notice in the form of a Specified Discount Prepayment Notice; *provided* that (B) any such offer shall be made available, at the sole discretion of the Borrower, to (x) each Term Lender and/or (y) each Term Lender with respect to any Class of Term Loans on an individual Class basis (but in any event such prepayment need not be *pro rata* among all Classes), (C) any such offer shall specify the aggregate principal amount offered to be prepaid (the “**Specified Discount Prepayment Amount**”) with respect to each applicable Class, the Class or Classes of Term Loans subject to such offer and the specific percentage discount to par (the “**Specified Discount**”) of such Term Loans to be prepaid (it being understood that different Specified Discounts and/or Specified Discount Prepayment Amounts may be offered with respect to different Classes of Term Loans and, in such event, each such offer will be treated as a separate offer pursuant to the terms of this Section 2.12(c)(ii)), (D) the Specified Discount Prepayment Amount shall be in an aggregate amount not less than \$10,000,000 and whole increments of \$1,000,000 in excess thereof (or in such lower minimum amounts or multiples as agreed to by the Administrative Agent in its reasonable discretion) and (E) each such offer shall remain outstanding through the Specified Discount Prepayment Response Date. The Auction Manager will promptly provide each Appropriate Lender with a copy of such Specified Discount Prepayment Notice and a form of the Specified Discount Prepayment Response (such form a “**Specified Discount Prepayment Response**”) to be completed and returned by each such Term Lender to the Auction Manager (or its delegate) by no later than 5:00 p.m., New York City time, on the third Business Day after the date of delivery of such notice to such Term Lenders (which date may be extended for a period not exceeding three Business Days upon notice by the Borrower to, and with the consent of, the Auction Manager) (the “**Specified Discount Prepayment Response Date**”).

(B) Each Term Lender receiving such offer shall notify the Auction Manager (or its delegate) by the Specified Discount Prepayment Response Date whether or not it agrees to accept a prepayment of any of its applicable then outstanding Term Loans at the Specified Discount and, if so (such accepting Term Lender, a “**Discount Prepayment Accepting Term Lender**”), the amount and the Classes of such Term Lender’s Term Loans to be prepaid at such offered discount. Each acceptance of a Discounted Term Loan Prepayment by a Discount Prepayment Accepting Term Lender shall be irrevocable. Any Term Lender whose Specified Discount Prepayment Response is not received by the Auction Manager by the Specified Discount Prepayment Response Date shall be deemed to have declined to accept the applicable Borrower Offer of Specified Discount Prepayment.

(C) If there is at least one Discount Prepayment Accepting Term Lender, the Borrower will make a prepayment of outstanding Term Loans pursuant to this paragraph (ii) to each Discount Prepayment Accepting Term Lender on the Discounted Prepayment Effective Date in accordance with the respective outstanding amount and Classes of Term Loans specified in such Term Lender’s Specified Discount Prepayment Response given pursuant to subsection (B) above; *provided* that, if the aggregate principal amount of Term Loans accepted for prepayment by all Discount Prepayment Accepting Term Lenders exceeds the Specified Discount Prepayment Amount, such prepayment shall be made *pro rata* among the Discount Prepayment Accepting Term Lenders in accordance with the respective principal amounts accepted to be prepaid by each such Discount Prepayment Accepting Term Lender and the Auction Manager (in consultation with the Borrower and subject to rounding requirements of the Auction Manager made in its reasonable discretion) will calculate such proration (the “**Specified Discount Proration**”). The Auction Manager shall promptly, and in any case within three Business Days following the Specified Discount Prepayment Response Date, notify (1) the Borrower of the respective Term Lenders’ responses to such offer, the Discounted Prepayment Effective Date and the aggregate principal amount of the Discounted Term Loan Prepayment and the Classes to be prepaid, (2) each Term Lender of the Discounted Prepayment Effective Date, and the aggregate principal amount and the Classes of Term Loans to be prepaid at the Specified Discount on such date and (3) each Discount Prepayment Accepting Term Lender of the Specified Discount Proration, if any, and confirmation of the principal amount, Class and Type of Term Loans of such Term Lender to be prepaid at the Specified Discount on such date. Each determination by the Auction Manager of the amounts stated in the foregoing notices to the Borrower and such Term Lenders shall be conclusive and binding for all purposes absent manifest error. The payment amount specified in such notice to the Borrower shall be due and payable by the Borrower on the Discounted Prepayment Effective Date in accordance with subsection (iv) below (subject to subsection (x) below).

(iii) (A) The Borrower may from time to time solicit Discount Range Prepayment Offers by providing the Auction Manager with three Business Days' notice in the form of a Discount Range Prepayment Notice; *provided* that (B) any such solicitation shall be extended, at the sole discretion of the Borrower, to (x) each Term Lender and/or (y) each Term Lender with respect to any Class of Term Loans on an individual Class basis, (C) any such notice shall specify the maximum aggregate principal amount of the relevant Term Loans (the "**Discount Range Prepayment Amount**"), the Class or Classes of Term Loans subject to such offer and the maximum and minimum percentage discounts to par (the "**Discount Range**") of the principal amount of such Term Loans with respect to each relevant Class of Term Loans willing to be prepaid by the Borrower (it being understood that different Discount Ranges and/or Discount Range Prepayment Amounts may be offered with respect to different Classes of Term Loans and, in such event, each such offer will be treated as a separate offer pursuant to the terms of this Section 2.12(c)(iii)), (D) the Discount Range Prepayment Amount shall be in an aggregate amount not less than \$10,000,000 and whole increments of \$1,000,000 in excess thereof (or in such lower minimum amounts or multiples as agreed to by the Administrative Agent in its reasonable discretion) and (E) each such solicitation by the Borrower shall remain outstanding through the Discount Range Prepayment Response Date. The Auction Manager will promptly provide each Appropriate Lender with a copy of such Discount Range Prepayment Notice and a form of the Discount Range Prepayment Offer to be submitted by a responding Term Lender to the Auction Manager (or its delegate) by no later than 5:00 p.m., New York City time, on the third Business Day after the date of delivery of such notice to such Term Lenders (which date may be extended for a period not exceeding three Business Days upon notice by the Borrower to, and with the consent of, the Auction Manager) (the "**Discount Range Prepayment Response Date**"). Each Term Lender's Discount Range Prepayment Offer shall be irrevocable and shall specify a discount to par within the Discount Range (the "**Submitted Discount**") at which such Term Lender is willing to allow prepayment of any or all of its then outstanding Term Loans of the applicable Class or Classes and the maximum aggregate principal amount and Classes of such Term Lender's Term Loans (the "**Submitted Amount**") such Term Lender is willing to have prepaid at the Submitted Discount. Any Term Lender whose Discount Range Prepayment Offer is not received by the Auction Manager by the Discount Range Prepayment Response Date shall be deemed to have declined to accept a Discounted Term Loan Prepayment of any of its Term Loans at any discount to their par value within the Discount Range.

(B) The Auction Manager shall review all Discount Range Prepayment Offers received on or before the applicable Discount Range Prepayment Response Date and shall determine (in consultation with the Borrower and subject to rounding requirements of the Auction Manager made in its sole reasonable discretion) the Applicable Discount and Term Loans to be prepaid at such Applicable Discount in accordance with this subsection (B). The Borrower agrees to accept on the Discount Range Prepayment Response Date all Discount Range Prepayment Offers received by the Auction Manager within the Discount Range by the Discount Range Prepayment Response Date, in the order from the

Submitted Discount that is the largest discount to par to the Submitted Discount that is the smallest discount to par, up to and including the Submitted Discount that is the smallest discount to par within the Discount Range (such Submitted Discount that is the smallest discount to par within the Discount Range being referred to as the “**Applicable Discount**”) which yields a Discounted Term Loan Prepayment in an aggregate principal amount equal to the lower of (1) the Discount Range Prepayment Amount and (2) the sum of all Submitted Amounts. Each Term Lender that has submitted a Discount Range Prepayment Offer to accept prepayment at a discount to par that is larger than or equal to the Applicable Discount shall be deemed to have irrevocably consented to prepayment of Term Loans equal to its Submitted Amount (subject to any required proration pursuant to the following subsection (C)) at the Applicable Discount (each such Term Lender, a “**Participating Term Lender**”).

(C) If there is at least one Participating Term Lender, the Borrower will prepay the respective outstanding Term Loans of each Participating Term Lender on the Discounted Prepayment Effective Date in the aggregate principal amount and of the Classes specified in such Term Lender’s Discount Range Prepayment Offer at the Applicable Discount; *provided* that if the Submitted Amount by all Participating Term Lenders offered at a discount to par greater than the Applicable Discount exceeds the Discount Range Prepayment Amount, prepayment of the principal amount of the relevant Term Loans for those Participating Term Lenders whose Submitted Discount is a discount to par greater than or equal to the Applicable Discount (the “**Identified Participating Term Lenders**”) shall be made *pro rata* among the Identified Participating Term Lenders in accordance with the Submitted Amount of each such Identified Participating Term Lender and the Auction Manager (in consultation with the Borrower and subject to rounding requirements of the Auction Manager made in its sole reasonable discretion) will calculate such proration (the “**Discount Range Proration**”). The Auction Manager shall promptly, and in any case within five Business Days following the Discount Range Prepayment Response Date, notify (1) the Borrower of the respective Term Lenders’ responses to such solicitation, the Discounted Prepayment Effective Date, the Applicable Discount, and the aggregate principal amount of the Discounted Term Loan Prepayment and the Classes to be prepaid, (2) each Term Lender of the Discounted Prepayment Effective Date, the Applicable Discount, and the aggregate principal amount and Classes of Term Loans to be prepaid at the Applicable Discount on such date, (3) each Participating Term Lender of the aggregate principal amount and Classes of such Term Lender to be prepaid at the Applicable Discount on such date and (4) if applicable, each Identified Participating Term Lender of the Discount Range Proration. Each determination by the Auction Manager of the amounts stated in the foregoing notices to the Borrower and Term Lenders shall be conclusive and binding for all purposes absent manifest error. The payment amount specified in such notice to the Borrower shall be due and payable by the Borrower on the

Discounted Prepayment Effective Date in accordance with subsection (vi) below (subject to subsection (x) below).

(iv) (A) The Borrower may from time to time solicit Solicited Discounted Prepayment Offers by providing the Auction Manager with three Business Days' notice (a "**Solicited Discounted Prepayment Notice**"); *provided* that (B) any such solicitation shall be extended, at the sole discretion of the Borrower, to (x) each Term Lender and/or (y) each Term Lender with respect to any Class of Term Loans on an individual Class basis, (C) any such notice shall specify the maximum aggregate amount of the Term Loans (the "**Solicited Discounted Prepayment Amount**") and the Class or Classes of Term Loans the Borrower is willing to prepay at a discount (it being understood that different Solicited Discounted Prepayment Amounts may be offered with respect to different Classes of Term Loans and, in such event, each such offer will be treated as a separate offer pursuant to the terms of this Section 2.12(c)(iv)), (D) the Solicited Discounted Prepayment Amount shall be in an aggregate amount not less than \$10,000,000 and whole increments of \$1,000,000 in excess thereof (or in such lower minimum amounts or multiples as agreed to by the Administrative Agent in its reasonable discretion) and (E) each such solicitation by the Borrower shall remain outstanding through the Solicited Discounted Prepayment Response Date. The Auction Manager will promptly provide each Appropriate Lender with a copy of such Solicited Discounted Prepayment Notice and a form of the Solicited Discounted Prepayment Offer to be submitted by a responding Term Lender to the Auction Manager (or its delegate) by no later than 5:00 p.m., New York City time, on the third Business Day after the date of delivery of such notice to such Term Lenders (which date may be extended for a period not exceeding three Business Days upon notice by the Borrower to the Auction Manager) (the "**Solicited Discounted Prepayment Response Date**"). Each Term Lender's Solicited Discounted Prepayment Offer shall (x) be irrevocable, (y) remain outstanding until the Acceptance Date and (z) specify both a discount to par (the "**Offered Discount**") at which such Term Lender is willing to allow prepayment of its then outstanding Term Loan and the maximum aggregate principal amount and Classes of such Term Loans (the "**Offered Amount**") such Term Lender is willing to have prepaid at the Offered Discount. Any Term Lender whose Solicited Discounted Prepayment Offer is not received by the Auction Manager by the Solicited Discounted Prepayment Response Date shall be deemed to have declined prepayment of any of its Term Loans at any discount.

(B) The Auction Manager shall promptly provide the Borrower with a copy of all Solicited Discounted Prepayment Offers received on or before the Solicited Discounted Prepayment Response Date. The Borrower shall review all such Solicited Discounted Prepayment Offers and select the smallest of the Offered Discounts specified by the relevant responding Term Lenders in the Solicited Discounted Prepayment Offers that is acceptable to the Borrower in its sole discretion (the "**Acceptable Discount**"), if any. If the Borrower elects, in its sole discretion, to accept any Offered Discount as the Acceptable Discount, then as soon as practicable after the determination of the Acceptable Discount, but in no event later than by the third Business Day after the date of receipt by the

Borrower from the Auction Manager of a copy of all Solicited Discounted Prepayment Offers pursuant to the first sentence of this subsection (B) (the “**Acceptance Date**”), the Borrower shall submit a notice to the Auction Manager setting forth the Acceptable Discount (an “**Acceptance and Prepayment Notice**”). If the Auction Manager shall fail to receive an Acceptance and Prepayment Notice from the Borrower by the Acceptance Date, the Borrower shall be deemed to have rejected all Solicited Discounted Prepayment Offers.

(C) Based upon the Acceptable Discount and the Solicited Discounted Prepayment Offers received by Auction Manager by the Solicited Discounted Prepayment Response Date, within three Business Days after receipt of an Acceptance and Prepayment Notice (the “**Discounted Prepayment Determination Date**”), the Auction Manager will determine (in consultation with the Borrower and subject to rounding requirements of the Auction Manager made in its sole reasonable discretion) the aggregate principal amount and the Classes of Term Loans (the “**Acceptable Prepayment Amount**”) to be prepaid by the Borrower at the Acceptable Discount in accordance with this Section 2.12(c)(iv). If the Borrower elects to accept any Acceptable Discount, then the Borrower agrees to accept all Solicited Discounted Prepayment Offers received by Auction Manager by the Solicited Discounted Prepayment Response Date, in the order from largest Offered Discount to smallest Offered Discount, up to and including the Acceptable Discount. Each Term Lender that has submitted a Solicited Discounted Prepayment Offer with an Offered Discount that is greater than or equal to the Acceptable Discount shall be deemed to have irrevocably consented to prepayment of Term Loans equal to its Offered Amount (subject to any required pro-rata reduction pursuant to the following sentence) at the Acceptable Discount (each such Term Lender, a “**Qualifying Term Lender**”). The Borrower will prepay outstanding Term Loans pursuant to this subsection (iv) to each Qualifying Term Lender in the aggregate principal amount and of the Classes specified in such Term Lender’s Solicited Discounted Prepayment Offer at the Acceptable Discount; *provided* that if the aggregate Offered Amount by all Qualifying Term Lenders whose Offered Discount is greater than or equal to the Acceptable Discount exceeds the Solicited Discounted Prepayment Amount, prepayment of the principal amount of the Term Loans for those Qualifying Term Lenders whose Offered Discount is greater than or equal to the Acceptable Discount (the “**Identified Qualifying Term Lenders**”) shall be made *pro rata* among the Identified Qualifying Term Lenders in accordance with the Offered Amount of each such Identified Qualifying Term Lender and the Auction Manager (in consultation with the Borrower and subject to rounding requirements of the Auction Manager made in its sole reasonable discretion) will calculate such proration (the “**Solicited Discount Proration**”). On or prior to the Discounted Prepayment Determination Date, the Auction Manager shall promptly notify (1) the Borrower of the Discounted Prepayment Effective Date and Acceptable Prepayment Amount comprising the Discounted Term Loan Prepayment and the Classes to be prepaid, (2) each Term Lender of the Discounted Prepayment

Effective Date, the Acceptable Discount, and the Acceptable Prepayment Amount of all Term Loans and the Classes to be prepaid at the Applicable Discount on such date, (3) each Qualifying Term Lender of the aggregate principal amount and the Classes of such Term Lender to be prepaid at the Acceptable Discount on such date and (4) if applicable, each Identified Qualifying Term Lender of the Solicited Discount Proration. Each determination by the Auction Manager of the amounts stated in the foregoing notices to the Borrower and Term Lenders shall be conclusive and binding for all purposes absent manifest error. The payment amount specified in such notice to the Borrower shall be due and payable by the Borrower on the Discounted Prepayment Effective Date in accordance with subsection (vi) below (subject to subsection (x) below).

(v) In connection with any Discounted Term Loan Prepayment, the Group Members and the Term Lenders acknowledge and agree that the Auction Manager may require as a condition to any Discounted Term Loan Prepayment, the payment of customary and documented fees and out-of-pocket expenses from the Borrower in connection therewith.

(vi) If any Term Loan is prepaid in accordance with paragraphs (ii) through (iv) above, the Borrower shall prepay such Term Loans on the Discounted Prepayment Effective Date without premium or penalty, except as set forth in Section 2.12(d). The Borrower shall make such prepayment to the Administrative Agent, for the account of the Discount Prepayment Accepting Lenders, Participating Term Lenders, or Qualifying Term Lenders, as applicable, at the Administrative Agent's office in immediately available funds not later than 1:00 p.m., New York City time, on the Discounted Prepayment Effective Date and all such prepayments shall be applied to the remaining scheduled installments of principal of the relevant Class of Term Loans pursuant to Section 2.11 on a *pro rata* basis across the installments applicable to the Class of Term Loans so prepaid. The Term Loans so prepaid shall be, as set forth in this Section 2.12(c), accompanied by all accrued and unpaid interest on the par principal amount so prepaid up to, but not including, the Discounted Prepayment Effective Date. Each prepayment of the outstanding Term Loans pursuant to this Section 2.12(c) shall be paid to the Discount Prepayment Accepting Lenders, Participating Term Lenders, or Qualifying Term Lenders, as applicable, and shall be applied to the relevant Borrowings of Term Loans of the applicable Class of such Term Lenders ratably. The aggregate principal amount of the Classes and installments of the relevant Term Loans outstanding shall be deemed reduced by the full par value of the aggregate principal amount of the Classes of Term Loans prepaid on the Discounted Prepayment Effective Date in any Discounted Term Loan Prepayment.

(vii) To the extent not expressly provided for herein, each Discounted Term Loan Prepayment shall be consummated pursuant to procedures consistent with the provisions in this Section 2.12(c), established by the Auction Manager acting in its reasonable discretion and as reasonably agreed by the Borrower.

(viii) Notwithstanding anything in any Loan Document to the contrary, for purposes of this Section 2.12(c), each notice or other communication required to be delivered or otherwise provided to the Auction Manager (or its delegate) shall be deemed to have been given upon the Auction Manager's (or its delegate's) actual receipt during normal business hours of such notice or communication; *provided* that any notice or communication actually received outside of normal business hours shall be deemed to have been given as of the opening of business on the next Business Day.

(ix) Each of the Group Members and the Term Lenders acknowledge and agree that the Auction Manager may perform any and all of its duties under this Section 2.12(c) by itself or through any Affiliate of the Auction Manager and expressly consents to any such delegation of duties by the Auction Manager to such Affiliate and the performance of such delegated duties by such Affiliate. The exculpatory provisions pursuant to this Agreement shall apply to each Affiliate of the Auction Manager and its respective activities in connection with any Discounted Term Loan Prepayment provided for in this Section 2.12(c) as well as activities of the Auction Manager.

(x) The Borrower shall have the right, by written notice to the Auction Manager, to revoke or modify its offer to make a Discounted Term Loan Prepayment and rescind the applicable Specified Discount Prepayment Notice, Discount Range Prepayment Notice or Solicited Discounted Prepayment Notice therefor at its discretion at any time on or prior to the applicable Specified Discount Prepayment Response Date (and if such offer is revoked pursuant to the preceding clauses, any failure by the Borrower to make any prepayment to a Term Lender, as applicable, pursuant to this Section 2.12(c) shall not constitute a Default or Event of Default under Section 7.01 of this Agreement or otherwise).

Notwithstanding anything to the contrary contained in this Agreement, any Borrower Offer of Specified Discount Prepayment, Borrower Solicitation of Discount Range Prepayment Offers or Borrower Solicitation of Discounted Prepayment Offers pursuant to this Section 2.12 may state that it is conditioned upon the occurrence or non-occurrence of any event specified therein (including the effectiveness of other credit facilities), in which case such notice may be revoked by the Borrower or the Borrower may delay the date of Borrower Offer of Specified Discount Prepayment, Borrower Solicitation of Discount Range Prepayment Offers or Borrower Solicitation of Discounted Prepayment Offers identified therein (by written notice to the Administrative Agent on or prior to the specified effective date) if such condition is not satisfied or the satisfaction of such condition is delayed.

(d) In the event that on or prior to the date that is six months from the ~~Funding~~[Refinancing Amendment Effective](#) Date either (i) the Borrower makes any prepayment of Initial Term Loans in connection with a Repricing Transaction (including by way of a Refinancing Amendment) or (ii) effects any amendment of this Agreement resulting in a Repricing Transaction, the Borrower shall pay to the Administrative Agent for the ratable account of the [Term](#) Lenders, in the case of clause (i) 1.00% of the principal amount of the Initial

Term Loans so repaid, or in the case of clause (ii) a payment equal to 1.00% of the aggregate amount of the Initial Term Loans subject to such Repricing Transaction.

SECTION 2.13. **Mandatory Prepayments.** (a) (i) Any Net Available Cash from Asset Dispositions that is not applied or invested or committed to be applied or invested as provided in Section 4.08(b) of Annex I hereof will be deemed to constitute “Excess Proceeds”.

(ii) On or prior to the 366th day (or the 546th day, in the case of any Net Available Cash committed to be used pursuant to a definitive binding agreement or commitment approved by the Board of Directors of the Borrower pursuant to clauses (2) or (3) of Section 4.08(b) of Annex I hereof) after the later of (A) the date of such Asset Disposition and (B) the receipt of such Net Available Cash, if the aggregate amount of Excess Proceeds exceeds \$35 million, the Borrower shall (1) deliver a notice of prepayment to the Administrative Agent in accordance with Section 2.13(g) and (2) to the extent the Borrower elects, or the Borrower or a Guarantor is required by the terms of other outstanding Pari Passu Indebtedness, deliver a notice of prepayment or redemption, or make an offer, to all holders of such other outstanding Pari Passu Indebtedness, in each case, to prepay or purchase the maximum principal amount of Term Loans and any such Pari Passu Indebtedness to which such notice or offer apply that may be prepaid or purchased out of the Excess Proceeds, on a *pro rata* basis, calculated in accordance with Section 2.13(h).

(iii) The Borrower shall (x) in the case of Term Loans, no earlier than 10 days and no later than 35 days following the notice referred to in Section 2.13(a)(ii)(B)(1) above and subject to Section 2.13(h) and (y) in the case of any Pari Passu Indebtedness, within the time periods required by such Pari Passu Indebtedness and subject to any provisions under any agreement or governing such Pari Passu Indebtedness that are analogous to Section 2.13(h), prepay or purchase the Term Loans and such Pari Passu Indebtedness in accordance with such notice or offer at an offer price equal to (and, in the case of any Pari Passu Indebtedness, an offer price of no more than) 100% of the principal amount of thereof, *plus* accrued and unpaid interest, if any, to, but not including, the date of purchase, in accordance with the procedures set forth in this Agreement or the agreements governing the Pari Passu Indebtedness, as applicable.

(b) If the Borrower or any Restricted Subsidiary Incurs any Indebtedness (other than Indebtedness not prohibited to be Incurred under Section 4.04 of Annex I of this Agreement), the Borrower shall cause to be offered to be prepaid an aggregate principal amount of Term Loans in an amount equal to 100% of all Net Cash Proceeds received therefrom on or prior to the date which is five Business Days after the receipt by the Borrower or such Restricted Subsidiary of such Net Cash Proceeds.

(c) No later than 10 days after the date on which the financial statements are required to be delivered pursuant to Section 4.10(a)(1) of Annex I hereof (such date the “*ECF Prepayment Date*”), commencing with the financial statements delivered with respect to the fiscal year of the Borrower ending December 31, 2021, the Borrower shall prepay outstanding Term Loans in accordance with Section 2.13(f) with the Pari Ratable Share of an amount equal

to 50% (the “**ECF Percentage**”) of Excess Cash Flow for the fiscal year then ended; *provided* that (x) in calculating such Pari Ratable Share, outstanding revolving indebtedness that is Pari Passu Indebtedness shall not be included in the calculation of outstanding Pari Passu Indebtedness except to the extent such revolving indebtedness is prepaid or offered to be prepaid (with a permanent reduction of corresponding commitments) no later than the ECF Prepayment Date with its Pari Ratable Share of an amount equal to 50% of Excess Cash Flow for the fiscal year then ended and (y) such Pari Ratable Share shall be reduced by (without duplication of prepayments contemplated in clause (x) above or by any such amounts deducted pursuant to this Section 2.13(c) in a previous year) (i) the aggregate principal amount of any voluntary prepayments, repurchases or redemptions of Loans pursuant to Section 2.12 and any voluntary prepayments, repurchases or redemptions of Pari Passu Indebtedness pursuant to any equivalent voluntary prepayment provision in the documentation governing such other Pari Passu Indebtedness (and in the case of any revolving indebtedness, solely to the extent the corresponding commitments are permanently reduced); (ii) repayments or prepayments of Revolving Credit Loans made on the Closing Date, the proceeds of which were used to fund any original issue discount or upfront fees required in connection with the “market flex” provisions of the Fee Letter or in connection with the issuance of the Senior Notes, the Senior Secured Notes or otherwise were used to fund the Transactions on or prior to the Closing Date; (iii) the amount of any reductions in the outstanding principal amount of any Loans and Pari Passu Indebtedness (and in the case of any revolving indebtedness, solely to the extent the corresponding commitments are permanently reduced), in each case resulting from any assignments made in accordance with Section 9.04(k) or (l) (or any equivalent provision in the documentation governing such other Pari Passu Indebtedness) made or effected during such fiscal year and on or after the end of such fiscal year but prior to the ECF Prepayment Date (the “**Applicable ECF Deduct Period**”); (iv) the amount of any Permitted Investment made in cash (other than any Permitted Investments pursuant to clauses (a)(i) and (c) of the definition thereof) and any Restricted Payment made in cash pursuant to Section 4.05 of Article IV in Annex I hereof, in each case, that are made during such Applicable ECF Deduct Period by the Borrower or, in the case of Permitted Investments, the Borrower or any Restricted Subsidiary thereof with Internally Generated Cash and (v) the aggregate amount of Permitted Expenditures to the extent expected to be consummated or made, as applicable, during the period of four consecutive fiscal quarters of the Borrower following the end of such fiscal year for which the Excess Cash Flow is being calculated, and expected in good faith to be financed with Internally Generated Cash; *provided* that to the extent that the aggregate amount of Permitted Expenditures financed with Internally Generated Cash and paid in cash during such following period of four consecutive fiscal quarters is less than the aggregate amount of Planned Expenditures expected to be financed with Internally Generated Cash, the amount of such shortfall shall be added to the ECF Payment Amount at the end of such following period of four consecutive fiscal quarters; *provided* that, in each case, such prepayments are not funded with proceeds of long-term Indebtedness (other than revolving indebtedness) (the “**ECF Payment Amount**”); *provided, further*, that (x) a prepayment of Term Loans pursuant to this Section 2.13(c) in respect of any fiscal year shall only be required in the amount (if any) by which the ECF Payment Amount for such fiscal year exceeds \$15.0 million, (y) the ECF Percentage for any fiscal year with respect to which Excess Cash Flow is measured shall be reduced to (i) 25% if the Consolidated Net Senior Secured Leverage Ratio as of the last day of such fiscal year is less than or equal to 4.50 to 1.00. and greater than 4.25 to

1.00 (with the ECF Percentage being calculated after giving effect to such prepayment at a rate of 50%) and (ii) to zero if the Consolidated Net Senior Secured Leverage Ratio as of the last day of such fiscal year is less than or equal to 4.25 to 1.00 (with the ECF Percentage being calculated after giving effect to such prepayment at a rate of 25%). Notwithstanding anything to the contrary contained in this Agreement, when calculating the Consolidated Net Senior Secured Leverage Ratio for the purposes of this Section 2.13(c), Specified Indebtedness shall be determined after giving *pro forma* effect to any voluntary prepayments made pursuant to Section 2.12 and any voluntary prepayments of Pari Passu Indebtedness, in each case, after the end of the Borrower's most recently ended full fiscal year and prior to the ECF Prepayment Date and assuming such payments had been made on the last day of such fiscal year. For purposes of this Section 2.13(c), any voluntary prepayments of Loans or other Pari Passu Indebtedness shall include purchases of Loans or other Pari Passu Indebtedness by the Borrower or any Restricted Subsidiary at or below par, in accordance with Section 2.12(c) in the case of the Term Loans, or any equivalent provision in the documentation governing such other Pari Passu Indebtedness, in which case the amount of voluntary prepayments of Loans or other Pari Passu Indebtedness shall be deemed not to exceed the actual purchase price of such Loans or other Pari Passu Indebtedness below par.

(d) Notwithstanding anything to the contrary in this Agreement, for purposes of this Section 2.13, (i) to the extent that any or all of the Excess Proceeds or Excess Cash Flow realized by a direct or indirect Subsidiary of the Borrower that is not a U.S. Person are prohibited or delayed by applicable local law from being repatriated to the United States, the portion of such Excess Proceeds or Excess Cash Flow so affected will not be required to be applied to repay Term Loans at the times provided in this Section 2.13(a) or (c), as applicable, but may be retained by the applicable Subsidiary so long, but only so long, as the applicable local law will not permit repatriation to the United States (the Borrower hereby agreeing to cause the applicable Subsidiary to promptly take all actions reasonably required by the applicable local law to permit such repatriation), and once such repatriation of any of such affected Excess Proceeds or Excess Cash Flow is permitted under the applicable local law, an amount equal to such Excess Proceeds or Excess Cash Flow permitted to be repatriated will be promptly (and in any event no later than two Business Days after any such repatriation) applied (net of additional taxes that are or would be payable or reserved against as a result thereof) to the repayment of the Term Loans pursuant to this Section 2.13 to the extent otherwise provided herein or (ii) to the extent that the Borrower determines in good faith that repatriation of an amount equal to any or all of the Excess Proceeds or Excess Cash Flow by such Subsidiary that is not a U.S. person would have material adverse tax consequences with respect to such Excess Proceeds or Excess Cash Flow, the Excess Proceeds or Excess Cash Flow so affected shall not be required to be applied to repay Loans at the times provided in accordance with Sections 2.13(a) or (c), as applicable, and may be deducted from any amounts otherwise due under Sections 2.13(a) or (c), as applicable, so long, but only so long, as the Borrower believes in good faith that repatriation of such amount would have material adverse tax consequences; *provided* that if repatriation of any affected portion of the Excess Proceeds or Excess Cash Flow would no longer have material adverse tax consequences, as determined by the Borrower in good faith, the Borrower shall promptly (and in any event within five Business Days) prepay the Loans in an amount equal to any such portion no longer affected.

(e) In the event and on such occasion that (i) the Revolving Credit Exposure of any Class exceeds the aggregate amount of the Revolving Credit Commitments of such Class or (ii) the Revolving Credit Exposure under Participating Revolving Credit Commitments exceeds the Participating Revolving Credit Commitments, the Borrower shall promptly (and in any event within five Business Days) prepay (or in the case of L/C Exposure, cash collateralize) the Revolving Credit Loans, L/C Exposure and/or Swing Line Loans with respect to such Class in an aggregate amount equal to such excess (it being understood that the Borrower shall prepay Revolving Credit Loans and/or Swing Line Loans prior to cash collateralization of L/C Exposure). Following the Extension Amendment No. 1 Effective Date, if for any reason, at any time during the five (5) Business Day period immediately preceding the 2025 Revolving Facility Maturity Date, (x) the 2025 Revolving Credit Lenders with such 2025 Revolving Credit Commitments' Allocable Revolving Share of the Revolving Credit Exposure attributable to L/C Obligations exceeds (y) the amount of the 2027 Revolving Credit Commitments minus the 2027 Revolving Credit Lenders' Allocable Revolving Share of the total Revolving Credit Exposure at such time, then the Borrower shall promptly prepay or cause to be promptly prepaid Revolving Credit Loans and/or Cash Collateralize the L/C Obligations in an aggregate amount necessary to eliminate such excess; provided that the Borrower shall not be required to Cash Collateralize the L/C Obligations pursuant to this sentence unless after the prepayment in full of the Revolving Credit Loans, such excess has not been eliminated. Further, if for any reason, at any time during the five (5) Business Day period immediately preceding the 2025 Revolving Facility Maturity Date, if at such time there are outstanding Letters of Credit under such Class, then the Borrower shall prepay (in accordance with this Section 2.13) outstanding Revolving Credit Loans as needed so that, after giving effect to such prepayment, the Revolving Credit Exposure of the 2027 Revolving Credit Lenders will not, after giving effect to the reallocations which will be required pursuant to Section 2.09(d), exceed the amount of their respective 2027 Revolving Credit Commitments as in effect on (and after giving effect to) the 2025 Revolving Facility Maturity Date.

(f) Mandatory prepayments of outstanding Loans under this Agreement pursuant to Section 2.13(a) through (c) shall be allocated to any Class of Term Loans outstanding as directed by the Borrower, shall be applied *pro rata* to Term Lenders within such Class of Term Loans, based upon the outstanding principal amounts owing to each such Term Lender under such Class of Term Loans, and shall be applied against the remaining scheduled installments of principal due in respect of such Class of Term Loans as directed by the Borrower (and in the absence of such direction, in direct order of maturity); *provided* that, unless otherwise permitted under this Agreement, such prepayments may not be directed to a later maturing Class of Term Loans without at least a *pro rata* repayment of any earlier maturing Classes of Term Loans (except that any Class of Incremental Term Loans, Extended Term Loans or Refinancing Term Loans may specify that one or more other Classes of later maturing Term Loans may be prepaid prior to such Class of earlier maturing Term Loans).

(g) The Borrower shall deliver to the Administrative Agent, at the time of each prepayment required under this Section 2.13 (other than Section 2.13(e)), (i) a certificate signed by a Responsible Officer of the Borrower setting forth in reasonable detail the calculation of the amount of such prepayment and (ii) to the extent practicable (except in respect of prepayments

required under Section 2.13(a)), at least three Business Days prior written notice of such prepayment. Any such notice of prepayment may state that such notice is conditioned upon the occurrence or non-occurrence of any event specified therein (including the effectiveness of other credit facilities), in which case such notice may be revoked by the Borrower or the Borrower may delay the date of prepayment identified therein (by written notice to the Administrative Agent, on or prior to the specified effective date) if such condition is not satisfied or the satisfaction of such condition is delayed. Each notice of prepayment shall specify the prepayment date, the Type of each Loan being prepaid and the principal amount of each Loan (or portion thereof) to be prepaid. All prepayments of Borrowings under this Section 2.13 shall be subject to Section 2.16, but shall otherwise be without premium or penalty, and shall be accompanied by accrued and unpaid interest on the principal amount to be prepaid to but excluding the date of payment.

(h) The Administrative Agent shall promptly notify each Lender of the contents of any prepayment notices delivered to the Administrative Agent pursuant to clause (a) of this Section 2.13 and of such Lender's Pro Rata Share of the prepayment. Each Lender may reject all or a portion of its Pro Rata Share of any mandatory prepayment (such declined amounts, the "**Declined Proceeds**") of Term Loans required to be made pursuant to clause (a) of this Section 2.13 by providing written notice (each, a "**Rejection Notice**") to the Administrative Agent and the Borrower no later than 5:00 p.m., New York City time, on the date that is three Business Days (or such shorter period as may be agreed by the Administrative Agent in its reasonable discretion) prior to the proposed prepayment date. Each Rejection Notice from a given Lender shall specify the principal amount of the mandatory repayment of Loans to be rejected by such Lender. If a Lender fails to deliver a Rejection Notice to the Administrative Agent within the time frame specified above or such Rejection Notice fails to specify the principal amount of the Loans to be rejected, any such failure will be deemed an acceptance of the total amount of such mandatory prepayment of Loans. Any Declined Proceeds shall be retained by the Borrower and may be applied in any manner that is not prohibited by this Agreement. If the aggregate principal amount of the Term Loans to be prepaid and other Pari Passu Indebtedness required to be prepaid or redeemed or in respect of which the Borrower is required to make an offer to purchase or redeem, collectively, exceeds the amount of Excess Proceeds, the Excess Proceeds shall be allocated among the Term Loans and Pari Passu Indebtedness to be purchased on a *pro rata* basis on the basis of the aggregate principal amount of Loans and Pari Passu Indebtedness to be prepaid or purchased. Upon making any prepayment required by Section 2.13(a), subject to this clause (h), the amount of Excess Proceeds shall be reset at zero.

(i) In the event that any portion of the Initial Term Loans have funded into the Loan Escrow Account and have not yet been released from the Loan Escrow Agreement and (i) the Disposition does not take place on or prior to the Longstop Date; (ii) the Disposition is abandoned; or (iii) there is an Event of Default under Section 7.01(g) with respect to the Borrower (the date of any such event being the "**Loan Escrow Termination Date**"), the Borrower will no later than one Business Day following the Loan Escrow Termination Date deliver notice of the Loan Escrow Termination Date to the Loan Escrow Agent and the Administrative Agent and will provide that the Initial Term Loans outstanding at such time shall be repaid at a price equal to the Special Mandatory Repayment Amount for such Term Loans no

later than the fifth Business Day after such notice is given by the Borrower in accordance with the terms of the Loan Escrow Agreement. Notwithstanding anything herein to the contrary, the Lenders hereby agree that upon payment of the Special Mandatory Repayment Amount (which the Lenders acknowledge and agree may be less than the face value of the Initial Term Loans), the full principal amount of such Term Loans will be deemed to have been paid in full and discharged.

SECTION 2.14. *Reserve Requirements; Change in Circumstances.*

(a) Notwithstanding any other provision of this Agreement, if any Change in Law shall impose, modify or deem applicable any reserve, special deposit, liquidity requirement, Tax (other than Indemnified Taxes indemnified pursuant to Section 2.20 and Excluded Taxes) or similar requirement against assets of, deposits with or for the account of or credit extended by any Lender or shall impose on such Lender or the London interbank market any other condition affecting this Agreement, Eurodollar Loans or SOFR Loans made by such Lender, and the result of any of the foregoing shall be to increase the cost to such Lender of making or maintaining any Eurodollar Loan or SOFR Loan or increase the cost to any Lender or to reduce the amount of any sum received or receivable by such Lender hereunder (whether of principal, interest or otherwise) by an amount deemed by such Lender to be material, then the Borrower will pay to such Lender upon demand such additional amount or amounts as will compensate such Lender for such additional costs incurred or reduction suffered.

(b) If any Lender shall have determined that any Change in Law (other than a Change in Law relating to Taxes) regarding capital adequacy or liquidity has had or would have the effect of reducing the rate of return on such Lender's capital or on the capital of such Lender's holding company, if any, as a consequence of this Agreement or the Loans made by such Lender pursuant hereto to a level below that which such Lender or such Lender's holding company could have achieved but for such Change in Law (taking into consideration such Lender's policies and the policies of such Lender's holding company with respect to capital adequacy and liquidity) by an amount deemed by such Lender to be material, then from time to time the Borrower shall pay to such Lender upon demand such additional amount or amounts as will compensate such Lender or such Lender's holding company for any such reduction suffered.

(c) A certificate of a Lender setting forth (i) the amount or amounts necessary to compensate such Lender or its holding company, as applicable, and (ii) the calculations supporting such amount or amounts, as specified in Sections 2.14(a) or (b) shall be delivered to the Borrower and shall be conclusive absent manifest error. The Borrower shall pay such Lender the amount shown as due on any such certificate delivered by it within 10 days after its receipt of the same.

(d) Failure or delay on the part of any Lender to demand compensation for any increased costs or reduction in amounts received or receivable or reduction in return on capital shall not constitute a waiver of such Lender's right to demand such compensation; *provided* that the Borrower shall not be under any obligation to compensate any Lender under Sections 2.14(a) or (b) with respect to increased costs or reductions with respect to any period prior to the date that is 180 days prior to such request if such Lender knew or would reasonably have been

expected to know of the circumstances giving rise to such increased costs or reductions and of the fact that such circumstances would result in a claim for increased compensation by reason of such increased costs or reductions; *provided, further*, that the foregoing limitation shall not apply to any increased costs or reductions arising out of the retroactive application of any Change in Law within such 180-day period. The protection of this Section 2.14 shall be available to each Lender regardless of any possible contention of the invalidity or inapplicability of the Change in Law that shall have occurred or been imposed.

SECTION 2.15. ***Change in Legality.*** (a) Notwithstanding any other provision of this Agreement, if any Change in Law shall make it unlawful for any Lender to make or maintain any Eurodollar Loan or SOFR Loan or to give effect to its obligations as contemplated hereby with respect to any Eurodollar Loan or SOFR Loan, then, by written notice to the Borrower and to the Administrative Agent:

(i) such Lender may declare that Eurodollar Loans or SOFR Loans, as applicable, will not thereafter (for the duration of such unlawfulness) be made by such Lender hereunder (or be continued for additional Interest Periods) and ABR Loans will not thereafter (for such duration) be converted into Eurodollar Loans or SOFR Loans, whereupon any request for a Eurodollar Borrowing or SOFR Borrowing (or to convert an ABR Borrowing to a Eurodollar Borrowing or SOFR Borrowing or to continue a Eurodollar Borrowing or a SOFR Borrowing for an additional Interest Period) shall, as to such Lender only be deemed in the event of Eurodollar Borrowings or SOFR Borrowings, a request for an ABR Loan (or a request to continue an ABR Loan as such for an additional Interest Period or to convert a Eurodollar Loan or a SOFR Loan into an ABR Loan, as the case may be); and

(ii) such Lender may require that all outstanding Eurodollar Loans or SOFR Loans made by it be converted to ABR Loans, in which event all such Eurodollar Loans or SOFR Loans shall be automatically converted to ABR Loans as of the effective date of such notice as provided in Section 2.15(b).

In the event any Lender shall exercise its rights under clauses (i) or (ii) above, all payments and prepayments of principal that would otherwise have been applied to repay the Eurodollar Loans or the SOFR Loans that would have been made by such Lender or the converted Eurodollar Loans or SOFR Loans of such Lender shall instead be applied to repay the ABR Loans made by such Lender in lieu of, or resulting from the conversion of, such Eurodollar Loans or SOFR Loans.

(b) For purposes of this Section 2.15, a notice to the Borrower by any Lender shall be effective as to each Eurodollar Loan or SOFR Loan made by such Lender, if lawful, on the last day of the Interest Period then applicable to such Eurodollar Loan or SOFR Loan; in all other cases such notice shall be effective on the date of receipt by the Borrower.

SECTION 2.16. ***Breakage.*** The Borrower shall indemnify each Lender against any loss or expense that such Lender may sustain or incur as a consequence of (a) any event, other than a default by such Lender in the performance of its obligations hereunder, which results

in (i) such Lender receiving or being deemed to receive any amount on account of the principal of any Eurodollar Loan or SOFR Loan prior to the end of the Interest Period in effect therefor, (ii) the conversion of any Eurodollar Loan or SOFR Loan to an ABR Loan, or the conversion of the Interest Period with respect to any Eurodollar Loan or SOFR Loan, in each case other than on the last day of the Interest Period in effect therefor or (iii) any Eurodollar Loan or SOFR Loan to be made by such Lender (including any Eurodollar Loan or SOFR Loan to be made pursuant to a conversion or continuation under Section 2.10) not being made after notice of such Loan shall have been given by the Borrower hereunder (any of the events referred to in this clause (a) being called a “**Breakage Event**”) or (b) any default in the making of any payment or prepayment of any Eurodollar Loan or SOFR Loan required to be made hereunder. In the case of any Breakage Event, such loss shall include an amount equal to the excess, as reasonably determined by such Lender, of (i) its cost of obtaining funds for the Eurodollar Loan or SOFR Loan that is the subject of such Breakage Event for the period from the date of such Breakage Event to the last day of the Interest Period in effect (or that would have been in effect) for such Loan over (ii) the amount of interest likely to be realized by such Lender in redeploying the funds released or not utilized by reason of such Breakage Event for such period. Each Lender shall provide a certificate setting forth any amount or amounts which such Lender is entitled to receive pursuant to this Section 2.16 to the Borrower within 180 days after the Breakage Event and such certificate shall be conclusive absent manifest error.

SECTION 2.17. **Pro Rata Treatment.** Except as set forth in Section 2.12, as required under Section 2.15 or otherwise stated herein, each Borrowing, each payment or prepayment of principal of any Borrowing, each payment of interest on the Loans and each conversion of any Borrowing to or continuation of any Borrowing as a Borrowing of any Type shall be allocated *pro rata* among the Lenders in accordance with their respective applicable Commitments (or, if such Commitments shall have expired or been terminated, in accordance with the respective principal amounts of their outstanding Loans). Each Lender agrees that in computing such Lender’s portion of any Borrowing to be made hereunder, the Administrative Agent may, in its discretion, round each Lender’s percentage of such Borrowing to the next higher or lower whole Dollar amount.

SECTION 2.18. **Sharing of Setoffs.** Each Lender agrees that if it shall, through the exercise of a right of banker’s lien, setoff or counterclaim against the Borrower or any other Loan Party, or pursuant to a secured claim under Section 506 of Title 11 of the United States Code or other security or interest arising from, or in lieu of, such secured claim, received by such Lender under any applicable bankruptcy, insolvency or other similar law or otherwise, or by any other means, obtain payment (voluntary or involuntary) in respect of any Loan or Loans, or participations in L/C Obligations and Swing Line Loans held by it, as a result of which the unpaid principal portion of its Loans, or participations in L/C Obligations and Swing Line Loans held by it, shall be proportionately less than the unpaid principal portion of the Loans of any other Lender, or participations in L/C Obligations and Swing Line Loans held by such other Lender, it shall be deemed simultaneously to have purchased from such other Lender at face value, and shall promptly pay to such other Lender the purchase price for, a participation in the Loans of such other Lender (or a sub-participation in the participations in L/C Obligations and Swing Line Loans held by such other Lender), so that the aggregate unpaid principal amount of

the Loans and participations held by each Lender shall be in the same proportion to the aggregate unpaid principal amount of all Loans and participations then outstanding as the principal amount of its Loans and participations prior to such exercise of banker's lien, setoff or counterclaim or other event was to the principal amount of all Loans and participations outstanding prior to such exercise of banker's lien, setoff or counterclaim or other event; *provided, however*, that (a) if any such purchase or purchases or adjustments shall be made pursuant to this Section 2.18 and the payment giving rise thereto shall thereafter be recovered, such purchase or purchases or adjustments shall be rescinded to the extent of such recovery and the purchase price or prices or adjustment restored without interest and (b) the provisions of this Section 2.18 shall not be construed to apply to any payment made by the Borrower pursuant to and in accordance with the express terms of this Agreement or any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans to any assignee or participant, other than to any Affiliates of the Borrower (as to which the provisions of this Section 2.18 shall apply); *provided, further*, that in the event that any Defaulting Lender shall exercise any such right of setoff, (x) all amounts so set off shall be paid over immediately to the Administrative Agent for further application in accordance with the provisions of Section 2.25 and, pending such payment, shall be segregated by such Defaulting Lender from its other funds and deemed held in trust for the benefit of the Administrative Agent and the Lenders and (y) the Defaulting Lender shall provide promptly to the Administrative Agent a statement describing in reasonable detail the Obligations owing to such Defaulting Lender as to which it exercised such right of setoff. The Borrower expressly consents to the foregoing arrangements and agrees that any Lender holding a participation in a Loan deemed to have been so purchased may exercise any and all rights of banker's lien, setoff or counterclaim with respect to any and all moneys owing by the Borrower to such Lender by reason thereof as fully as if such Lender had made a Loan directly to the Borrower in the amount of the participation.

SECTION 2.19. **Payments.** (a) The Borrower shall make each payment (including principal of or interest on any Borrowing or any fees or other amounts) hereunder and under any other Loan Document not later than 1:00 p.m., New York City time, on the date when due in immediately available Dollars, without setoff, defense or counterclaim. Each such payment shall be made to the Administrative Agent at its offices described on Schedule 9.01(b) (or as otherwise notified by the Administrative Agent in writing to the Borrower from time to time). Any payments received by the Administrative Agent after 1:00 p.m., New York City time, may, in the Administrative Agent's sole discretion, be deemed received on the next succeeding Business Day. Subject to Article VIII, the Administrative Agent shall promptly distribute to each Lender any payments received by the Administrative Agent on behalf of such Lender.

(b) Except as otherwise expressly provided herein, whenever any payment (including principal of or interest on any Borrowing or any fees or other amounts) hereunder or under any other Loan Document shall become due, or otherwise would occur, on a day that is not a Business Day, such payment may be made on the next succeeding Business Day, and such extension of time shall in such case be included in the computation of interest or fees, if applicable. Except as otherwise expressly provided herein, all fees referred to herein (including in Sections 2.05, 2.26(h) and 2.26(i)) shall be calculated on the basis of a 360-day year and the actual number of days elapsed.

SECTION 2.20. **Taxes.** (a) Any and all payments by or on account of any obligation of the Borrower or any other Loan Party hereunder or under any other Loan Document shall, except to the extent required by law, be made without any Tax Deduction; *provided* that, if any Indemnified Taxes are required to be deducted from such payments, then (i) the sum payable by the Borrower or other Loan Party shall be increased as necessary so that after making all required deductions, (including deductions applicable to additional sums payable under this Section 2.20) the Administrative Agent and each Lender (as the case may be) receives an amount equal to the sum it would have received had no such deductions been made, (ii) the Administrative Agent or such Loan Party shall make such Tax Deduction and any payment required in connection with that Tax Deduction within the time allowed and in the minimum amount required by law and (iii) the Administrative Agent or such Loan Party shall pay the full amount deducted to the relevant Governmental Authority in accordance with applicable law.

(b) In addition, and without duplication of any other amounts hereunder, the Borrower and any other Loan Party, as the case may be, shall pay any Other Taxes to the relevant Governmental Authority in accordance with applicable law or, at the option of the Administrative Agent, timely reimburse it for the payment of, any Other Taxes.

(c) The Loan Parties shall jointly and severally indemnify the Administrative Agent and each Lender, within 30 days after written demand therefor, for the full amount of any Indemnified Taxes paid by the Administrative Agent or such Lender, as the case may be, on or with respect to any payment by or on account of any obligation of the Borrower or any other Loan Party hereunder or otherwise with respect to any Loan Document (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section 2.20) and, to the extent not arising due to the gross negligence or willful neglect of the Administrative Agent or Lenders, any penalties, interest and reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to the Borrower by a Lender (with a copy to the Administrative Agent) or by the Administrative Agent on behalf of itself or a Lender shall be conclusive absent manifest error. The Administrative Agent and each Lender shall not be indemnified for any Indemnified Taxes that have already been compensated for by an increased payment in accordance with Section 2.20(a) above.

(d) Not later than 30 days after a Tax Deduction or any payment required in connection with a Tax Deduction by the Borrower or any other Loan Party to a Governmental Authority, the Borrower shall deliver to the Administrative Agent evidence reasonably satisfactory that the Tax Deduction has been made or (as applicable) that any appropriate payment to the Governmental Authority has been paid.

(e) (i) Any Lender that is entitled to an exemption from or reduction of withholding Tax with respect to payments made under any Loan Document shall deliver to the Borrower and the Administrative Agent, at the time or times reasonably requested by the Borrower or the Administrative Agent, such properly completed and executed documentation reasonably requested by the Borrower or the Administrative Agent as will permit such payments to be made

without withholding or at a reduced rate of withholding. In addition, any Lender, if reasonably requested by the Borrower or the Administrative Agent, shall deliver such other documentation prescribed by applicable law or reasonably requested by the Borrower or the Administrative Agent as will enable the Borrower or the Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in clause (ii)(A) and (ii)(B) below) shall not be required if in the Lender's reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender, (it being understood that the completion, execution and submission of any documentation no more burdensome than that required for U.S. federal income tax withholding will not give rise to an exception from the preceding sentence or otherwise be considered prejudicial to the position of a Lender).

(ii) Without limiting the generality of the foregoing,

(A) any Lender that is a U.S. Person shall deliver to the Borrower and the Administrative Agent on or prior to the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), executed copies of IRS Form W-9 certifying that such Lender is exempt from U.S. federal backup withholding tax;

(B) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), whichever of the following is applicable:

(1) in the case of a Foreign Lender claiming the benefits of an income tax treaty to which the United States is a party (x) with respect to payments of interest under any Loan Document, executed copies of IRS Form W-8BEN or W-8BEN-E establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "interest" article of such tax treaty and (y) with respect to any other applicable payments under any Loan Documents, IRS Form W-8BEN or W-8BEN-E establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "business profits" or "other income" article of such tax treaty;

(2) executed copies of IRS Form W-8ECI;

(3) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Code, (x) a

certificate substantially in the form of Exhibit H-1 to the effect that such Foreign Lender is not a “bank” within the meaning of Section 881(c)(3)(A) of the Code, a “10 percent shareholder” of the Borrower within the meaning of Section 881(c)(3)(B) of the Code, or a “controlled foreign corporation” described in Section 881(c)(3)(C) of the Code (a “**U.S. Tax Compliance Certificate**”) and (y) executed copies of IRS Form W-8BEN or W-8BEN-E; or

(4) to the extent a Foreign Lender is not the beneficial owner, executed copies of IRS Form W-8IMY, accompanied by IRS Form W-8ECI, IRS Form W-8BEN or W-BEN-E, a U.S. Tax Compliance Certificate substantially in the form of Exhibit H-2 or Exhibit H-3, IRS Form W-9, and/or other certification documents from each beneficial owner, as applicable; *provided* that if the Foreign Lender is a partnership and one or more direct or indirect partners of such Foreign Lender are claiming the portfolio interest exemption, such Foreign Lender may provide a U.S. Tax Compliance Certificate substantially in the form of Exhibit H-4 on behalf of each such direct and indirect partner;

(C) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), executed copies of any other form prescribed by applicable law as a basis for claiming exemption from or a reduction in U.S. federal withholding Tax, duly completed, together with such supplementary documentation as may be prescribed by applicable law to permit the Borrower or the Administrative Agent to determine the withholding or deduction required to be made.

Each Lender agrees that if any form or certification it previously delivered expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification, provide any necessary successor form, or promptly notify the Borrower and the Administrative Agent in writing of its legal inability to do so.

(f) If a payment made to a Lender under any Loan Document would be subject to U.S. federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Borrower and the Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by the Borrower or the Administrative Agent such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrower or the Administrative Agent, as may be necessary for the Borrower and the Administrative Agent to comply with their obligations under FATCA and to determine that such Lender has complied with such Lender’s

obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this clause (f), "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

(g) On or before the date the Administrative Agent becomes a party to this Agreement, the Administrative Agent shall provide to the Borrower, two duly signed, properly completed copies of the documentation prescribed in clause (i) or (ii) below, as applicable (together with all required attachments thereto): (i) IRS Form W-9 or any successor thereto, or (ii) (A) IRS Form W-8ECI or any successor thereto, and (B) with respect to payments received on account of any Lender, a U.S. branch withholding certificate on IRS Form W-8IMY or any successor thereto evidencing its agreement with the Borrower to be treated as a U.S. Person for U.S. federal withholding purposes. At any time thereafter, the Administrative Agent shall provide updated documentation previously provided (or, a successor form thereto) when any documentation previously delivered has expired or become obsolete or invalid or otherwise upon a reasonable request of the Borrower.

(h) If any party determines, in its sole discretion exercised in good faith, that it has received a refund of any Taxes as to which it has been indemnified pursuant to this Section 2.20 (including by the payment of additional amounts pursuant to this Section 2.20) it shall pay to the indemnifying party an amount equal to such refund (but only to the extent of indemnity payments made under this Section with respect to the Taxes giving rise to such refund), net of all out-of-pocket expenses (including Taxes) of such indemnified party and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund). Such indemnifying party, upon the request of such indemnified party, shall repay to such indemnified party the amount paid over pursuant to the first sentence of this paragraph (h) (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) in the event that such indemnified party is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this paragraph (h), in no event will the indemnified party be required to pay any amount to an indemnifying party pursuant to paragraph (h) the payment of which would place the indemnified party in a less favorable net after-Tax position than the indemnified party would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This paragraph (h) shall not be construed to require any indemnified party to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to the indemnifying party or any other Person.

SECTION 2.21. ***Assignment of Commitments Under Certain Circumstances; Duty to Mitigate.*** (a) In the event (i) any Lender delivers a certificate requesting compensation pursuant to Section 2.14, (ii) any Lender delivers a notice described in Section 2.15, (iii) the Borrower is required to pay any additional amount to any Lender or any Governmental Authority on account of any Lender pursuant to Section 2.20, (iv) any Lender is a Non-Consenting Lender or (v) any Lender becomes a Defaulting Lender, then, in each case, the Borrower may, at its sole expense and effort (including with respect to the processing and recordation fee referred to in Section 9.04(b)), upon notice to such Lender and the Administrative Agent, (A) require such

Lender to transfer and assign, without recourse (in accordance with and subject to the restrictions contained in Section 9.04), all of its interests, rights and obligations under this Agreement (or, in the case of clause (iv) above, all of its interests, rights and obligations with respect to the Class of Loans or Commitments that is the subject of the related consent, amendment, waiver or other modification) to an Eligible Assignee that shall assume such assigned obligations and, with respect to clause (iv) above, shall consent to such requested amendment, waiver or other modification of any Loan Documents (which assignee may be another Lender, if a Lender accepts such assignment); *provided* that (x) such assignment shall not conflict with any law, rule or regulation or order of any court or other Governmental Authority having jurisdiction, (y) the Borrower shall have received the prior written consent of the Administrative Agent, which consent shall not unreasonably be withheld or delayed and (z) the Borrower or such assignee shall have paid to the affected Lender in immediately available funds an amount equal to the sum of the principal of and interest accrued to the date of such payment on the outstanding Loans of such Lender plus all fees and other amounts accrued for the account of such Lender hereunder with respect thereto (including any amounts under Sections 2.14 and 2.16 and, in the case of any such assignment occurring in connection with a Repricing Transaction occurring prior to the six-month anniversary of the Funding Date, the prepayment fee pursuant to Section 2.12(d) (with such assignment being deemed to be a voluntary prepayment for purposes of determining the applicability of Section 2.12(d), such amount to be payable by the Borrower)), or (B) terminate the Commitment of such Lender and (x) in the case of a Lender other than an L/C Issuer, repay all Obligations of the Borrower owing to such Lender relating to the Loans and participations held by such Lender as of such termination date and (y) in the case of an L/C Issuer, repay all Obligations of the Borrower owing to such L/C Issuer relating to the Loans and participations held by such L/C Issuer as of such termination date and Cash Collateralize, cancel or backstop, or provide for the deemed reissuance under another facility, on terms satisfactory to such L/C Issuer any Letters of Credit issued by it; *provided, further*, that if prior to any such transfer and assignment the circumstances or event that resulted in such Lender's claim for compensation under Section 2.14, notice under Section 2.15 or the amounts paid pursuant to Section 2.20, as the case may be, cease to cause such Lender to suffer increased costs or reductions in amounts received or receivable or reduction in return on capital, or cease to have the consequences specified in Section 2.15, or cease to result in amounts being payable under Section 2.20, as the case may be (including as a result of any action taken by such Lender pursuant to Section 2.21(b)), or if such Lender shall waive its right to claim further compensation under Section 2.14 in respect of such circumstances or event or shall withdraw its notice under Section 2.15 or shall waive its right to further payments under Section 2.20 in respect of such circumstances or event or shall consent to the proposed amendment, waiver, consent or other modification, as the case may be, then such Lender shall not thereafter be required to make any such transfer and assignment hereunder. Each Lender hereby grants to the Administrative Agent an irrevocable power of attorney (which power is coupled with an interest) to execute and deliver, on behalf of such Lender, as assignor, any Assignment and Acceptance necessary to effectuate any assignment of such Lender's interests hereunder in the circumstances contemplated by this Section 2.21(a).

(b) If (i) any Lender shall request compensation under Section 2.14, (ii) any Lender delivers a notice described in Section 2.15 or (iii) the Borrower is required to pay any additional

amount to any Lender or any Governmental Authority on account of any Lender pursuant to Section 2.20, then such Lender or Administrative Agent shall use reasonable efforts (which shall not require such Lender or Administrative Agent to incur an unreimbursed loss or unreimbursed cost or expense or otherwise take any action inconsistent with its internal policies or legal or regulatory restrictions or suffer any disadvantage or burden deemed by it to be significant) (x) to file any certificate or document reasonably requested in writing by the Borrower or (y) to assign its rights and delegate and transfer its obligations hereunder to another of its offices, branches or affiliates, if such filing or assignment would reduce its claims for compensation under Section 2.14 or enable it to withdraw its notice pursuant to Section 2.15 or would reduce amounts payable pursuant to Section 2.20, as the case may be, in the future. The Borrower hereby agrees to pay all reasonable costs and expenses incurred by any Lender in connection with any such filing or assignment, delegation and transfer.

SECTION 2.22. **Incremental Loans.** (a) The Borrower may, by written notice to the Administrative Agent and the Person appointed by the Borrower to arrange Incremental Loan Commitments (such Person (who may be (i) the Administrative Agent, if it so agrees or (ii) any other Person appointed by the Borrower after consultation with the Administrative Agent), the “**Incremental Arranger**”) from time to time, request from one or more existing or additional Lenders, all of which must be Eligible Assignees: (A) one or more new commitments for new Term Loans which may be of the same Class as any outstanding Class of Term Loans or a new Class of Term Loans (the “**Incremental Term Loan Commitments**”) and/or (B) the establishment of one or more new revolving credit commitments (any such new commitments, the “**Incremental Revolving Credit Commitments**” and the Incremental Revolving Credit Commitments, collectively with any Incremental Term Loan Commitments, the “**Incremental Loan Commitments**”), in an amount not to exceed the Incremental Loan Amount (in the case of Incremental Revolving Credit Commitments, assuming a borrowing of the maximum amount of Incremental Revolving Loans available); *provided* that Incremental Loan Commitments may be incurred in the Available Currency or an alternative currency pursuant to procedures and on terms to be agreed with the applicable Incremental Arranger. The Incremental Arranger shall promptly deliver a copy of such notice to each of the Lenders. Such notice shall set forth (i) the amount of the Incremental Loan Commitments being requested (which shall be in minimum increments of, \$1,000,000 and a minimum amount of \$5,000,000 (or in such lower minimum amounts or multiples as agreed to by the Incremental Arranger in its reasonable discretion), or such lesser amount equal to the Incremental Loan Amount at such time), (ii) the date on which such Incremental Loan Commitments are requested to become effective (which shall not be less than five Business Days (or such shorter period as agreed by the Incremental Arranger) after the date of such notice) and (iii) whether such Incremental Loan Commitments are commitments to make additional Loans of the same Class which shall be extended in a manner so as to be fungible with an existing Class of Loans hereunder or commitments to make Loans with terms different from such Loans which shall constitute a separate Class of Loans hereunder (“**Other Loans**”). On the applicable date specified in any Incremental Loan Assumption Agreement (the “**Incremental Facility Closing Date**”), subject only to the satisfaction of the terms and conditions in this Section 2.22 and in the applicable Incremental Loan Assumption Agreement, (1) each Incremental Term Lender of such Class shall make a Loan to the Borrower (an “**Incremental Term Loan**”) in an amount equal to its Incremental Term Loan Commitment of

such Class and (1) each Incremental Term Lender of such Class shall become a Lender hereunder with respect to the Incremental Term Loan Commitment of such Class and the Incremental Term Loans of such Class made pursuant thereto and (A) (1) each Incremental Revolving Credit Lender of such Class shall make its Commitment available to the Borrower (when borrowed, an “**Incremental Revolving Loan**” and collectively with any Incremental Term Loan, an “**Incremental Loan**”) in an amount equal to its Incremental Revolving Credit Commitment of such Class and (1) each Incremental Revolving Credit Lender of such Class shall become a Lender hereunder with respect to the Incremental Revolving Credit Commitment of such Class and the Incremental Revolving Loans of such Class made pursuant thereto.

(b) The Borrower may seek Incremental Loan Commitments from existing Lenders (each of which shall be entitled to agree or decline to participate in its sole discretion) and additional banks, financial institutions and other institutional lenders who will become Incremental Lenders in connection therewith; *provided* that (i) the Borrower and the Administrative Agent shall have consented to such additional banks, financial institutions and other institutional lenders to the extent the consent of the Borrower or the Administrative Agent, as applicable, would be required if such institution were receiving an assignment of Loans pursuant to Section 9.04 (*provided, further*, that the consent of the Administrative Agent shall not be required with respect to an additional bank, financial institution, or other institutional lender that is an Affiliate of a Lender or a Related Fund), (ii) with respect to Incremental Term Loan Commitments, any Affiliated Lender providing an Incremental Term Loan Commitment shall be subject to the same restrictions set forth in Section 9.04 as they would otherwise be subject to with respect to any purchase by or assignment to such Affiliated Lender of Term Loans and (iii) Affiliated Lenders may not provide Incremental Revolving Credit Commitments. The Borrower and each Incremental Lender shall execute and deliver to the Administrative Agent and the Incremental Arranger an Incremental Loan Assumption Agreement and such other documentation as the Incremental Arranger shall reasonably specify to evidence the Incremental Loan Commitment of each Incremental Lender. The Other Loans and any Incremental Revolving Credit Commitments providing for Incremental Revolving Loans that are Other Loans (such commitments, “**Other Revolving Credit Loan Commitments**” and such loans, “**Other Revolving Credit Loans**”) (i) shall have fees and margin and/or interest rate determined by the Borrower and the Incremental Lenders providing such Loans, (i) shall rank *pari passu* in right of payment with the Loans or Commitments existing prior the incurrence of such Other Loans and Other Revolving Credit Loan Commitments and be secured by the Collateral on a *pari passu* basis and (i) (A) in the case of Incremental Term Loans, (x) may participate on a *pro rata* basis, less than *pro rata* basis or greater than *pro rata* basis in any mandatory prepayment of Term Loans (except that, unless otherwise permitted under this Agreement, such Incremental Term Loans may not participate on a greater than *pro rata* basis as compared to any earlier maturing Class of Term Loans) and (y) may participate on a *pro rata* basis, less than *pro rata* basis or greater than *pro rata* basis in any voluntary prepayment of Term Loans and (A) in the case of Incremental Revolving Credit Commitments and Incremental Revolving Loans, (x) shall provide that the borrowing and repayment (except for (A) payments of interest and fees at different rates on Incremental Revolving Credit Commitments (and related outstandings), (B) repayments required upon the Maturity Date of the Incremental Revolving Credit Commitments and (C) repayment made in connection with a permanent repayment and termination of commitments (subject to

clause (y) below)) of Loans with respect to Incremental Revolving Credit Commitments after the associated Incremental Facility Closing Date shall be made on a *pro rata* basis or less than *pro rata* basis (but not more than a *pro rata* basis) with all other Revolving Credit Commitments then existing on the Incremental Facility Closing Date and (y) may provide that the permanent repayment of Revolving Credit Loans with respect to, and termination or reduction of, Incremental Revolving Credit Commitments after the associated Incremental Facility Closing Date be made on a *pro rata* basis, less than *pro rata* basis or greater than *pro rata* basis with all other Revolving Credit Commitments. Without the prior written consent of the Administrative Agent, (A) the final maturity date of any Other Loans that are Term Loans (the “**Other Term Loans**”), shall be no earlier than the Initial Term Loan Maturity Date, (B) the final maturity date of any Other Revolving Credit Loans or Other Revolving Credit Loan Commitments shall be no earlier than the 2027 Revolving Facility Maturity Date, (C) the Weighted Average Life to Maturity of the Other Term Loans shall be no shorter than the remaining Weighted Average Life to Maturity of the Initial Term Loans, (D) the All-In Yield applicable to the Other Loans shall be determined by the Borrower and the applicable Incremental Lenders and shall be set forth in each applicable Incremental Loan Assumption Agreement; *provided, however*, that on or prior to the date that is 12 months from the Funding Date, the All-In Yield applicable to such Other Term Loans of the same currency as the Initial Term Loans (other than Other Term Loans (w) Incurred pursuant to Section 4.04(a) of Annex I, Section 4.04(b)(1)(B)(y) of Annex I, (x) having a maturity date that is more than two years after the Initial Term Loan Maturity Date or (y) Incurred in connection with an acquisition or other Investment) shall not be greater than the applicable All-In Yield payable pursuant to the terms of this Agreement as amended through the date of such calculation with respect to the Initial Term Loans plus 75 basis points per annum unless the interest rate (together with, as provided in the proviso below, the Adjusted LIBO Rate floor or Adjusted Term SOFR floor) with respect to such Loans is increased so as to cause the then applicable All-In Yield under this Agreement on such Loans to equal the All-In Yield then applicable to the Other Term Loans minus 75 basis points; *provided* that any increase in All-In Yield to any Loan due to the application or imposition of an Adjusted LIBO Rate floor, Adjusted Term SOFR floor or an Alternate Base Rate floor on any Other Term Loans shall be effected, at the Borrower’s option, (x) through an increase in (or implementation of, as applicable) any Adjusted LIBO Rate floor, Adjusted Term SOFR floor or Alternate Base Rate floor, as applicable, applicable to such Loan, (y) through an increase in the Applicable Margin for such Loan or (z) any combination of (x) and (y) above and (E) the other terms and documentation in respect of such Other Loans (except for covenants or other provisions (i) conformed (or added) in the Loan Documents pursuant to the related Incremental Loan Assumption Agreement for the benefit of all of the Lenders; *provided* that (x) in the case of any Class of Incremental Term Loans and Incremental Term Loan Commitments, “soft-call” provisions may be added solely for the benefit of the Term Lenders and (y) in the case of any Class of Incremental Revolving Loans and Incremental Revolving Credit Commitments, financial maintenance covenants may be added solely for the benefit of the Revolving Credit Lenders or (ii) applicable only to periods after the Latest Maturity Date as of the Incremental Facility Closing Date (collectively the “**Additional Covenants**”) which may be added without the consent of any other party)), to the extent not consistent with the Term Facilities or the Revolving Credit Facilities, as applicable, shall be reasonably satisfactory to the Incremental Arranger; *provided* that such other terms and documentation shall be deemed to be reasonably satisfactory to such Incremental Arranger if

they reflect market terms and conditions (taken as a whole) at the time of incurrence of such Other Loans (as determined by the Borrower in good faith)). The Incremental Arranger shall promptly notify each Lender that has Incremental Loan Commitments and the Borrower as to the effectiveness of each Incremental Loan Assumption Agreement and each such effective Incremental Loan Assumption Agreement may be provided to the Lenders and the Administrative Agent. Notwithstanding anything in Section 9.08 to the contrary, each of the parties hereto hereby agrees that, upon the effectiveness of any Incremental Loan Assumption Agreement, (i) this Agreement shall be deemed amended to the extent (but only to the extent) necessary to reflect the existence and terms of the Incremental Loan Commitment and the Incremental Loans evidenced thereby including the Additional Covenants, (ii) each Incremental Loan Assumption Agreement may, without the consent of any other Loan Party, Agent or Lender, effect such amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the reasonable opinion of the applicable Incremental Arranger and the Borrower, to effect the provisions of this Section 2.22, including to effect technical and corresponding amendments to this Agreement and the other Loan Documents and (iii) at the option of the Borrower in consultation with the applicable Incremental Arranger, incorporate terms that would be favorable to existing Lenders of the applicable Class or Classes for the benefit of such existing Lenders of the applicable Class or Classes, in each case under this clause (iii), so long as the applicable Incremental Arranger reasonably agrees that such modification is favorable to the applicable Lenders. Incremental Loans and Other Loans shall rank *pari passu* in right of payment and security (but without regard to the control of remedies) with the other Obligations under this Agreement, shall not at any time be guaranteed by any Subsidiary of the Borrower other than Subsidiaries that are Guarantors, and the obligations in respect thereof shall not be secured by any property or assets of the Borrower or any Restricted Subsidiary other than the Collateral.

(c) Notwithstanding the foregoing, no Incremental Loan Commitment shall become effective under this Section 2.22 unless on the date of such effectiveness (or earlier, as determined in accordance with Section 1.05, in the case of an Incremental Loan Assumption Agreement the primary purpose of which is to finance a Limited Condition Transaction), (i) (x) the representations and warranties set forth in Article III and in each other Loan Document shall be true and correct in all material respects (or in all respects to the extent qualified by materiality or Material Adverse Effect) on and as of such date with the same effect as though made on and as of such date, except to the extent such representations and warranties expressly relate to an earlier date, in which case such representations and warranties shall be true and correct in all material respects (or in all respects to the extent qualified by materiality or Material Adverse Effect) on and as of such earlier date; *provided* that, with respect to any Incremental Loan Assumption Agreement the primary purpose of which is to finance a Limited Condition Transaction, a Permitted Investment or an acquisition not prohibited by this Agreement, the condition set forth in this sub-clause (i)(x) shall only be required to the extent included (and in the form set forth in) in the relevant Incremental Loan Assumption Agreement (and, if included, may be waived by Incremental Lenders holding more than 50% of the applicable aggregate Incremental Loan Commitments); and (y) no Event of Default shall have occurred and be continuing; *provided* that (other than in the case of an Event of Default specified in Section 7.01(a) and (g)), the condition in this sub-clause (i)(x) may be waived by Incremental Lenders

holding more than 50% of the applicable aggregate Incremental Loan Commitments, and the Administrative Agent shall have received a certificate to that effect dated such date and executed by a Responsible Officer of the Borrower, (ii) all fees and expenses owing to the Administrative Agent in respect of such increase shall have been paid, (iii) the Incremental Arranger shall have received legal opinions addressed to the Incremental Lenders and the Incremental Arranger, board resolutions and other closing certificates reasonably requested by the Incremental Arranger and consistent with those delivered on the Funding Date under Section 4.02, other than changes to such legal opinions resulting from a change in law, change in fact or change to counsel's form of opinion reasonably satisfactory to the Incremental Arranger and (iv) the Incremental Arranger shall have received reaffirmation agreements and/or such amendments to the Security Documents as may be reasonably requested by the Incremental Arranger in order to ensure that such Incremental Lenders are provided with the benefit of the applicable Loan Documents.

(d) Each of the parties hereto hereby agrees that the Administrative Agent and the Incremental Arranger, as applicable, may, in consultation with the Borrower, take any and all action as may be reasonably necessary to ensure that all Incremental Loans (other than Other Loans), when originally made, are included in each Borrowing of outstanding Loans of the same currency on a *pro rata* basis. This may be accomplished by requiring each outstanding Eurodollar Borrowing or SOFR Borrowing to be converted into an ABR Borrowing on the date of each Incremental Loan, or by allocating a portion of each Incremental Loan to each outstanding Eurodollar Borrowing or SOFR Borrowing on a *pro rata* basis. Any conversion of Eurodollar Loans or SOFR Loans to ABR Loans required by the preceding sentence (unless, solely with respect to Incremental Lenders, as otherwise agreed by the Incremental Lenders) shall be subject to Section 2.16. If any Incremental Loan is to be allocated to an existing Interest Period for a Eurodollar Borrowing or SOFR Borrowing, then the interest rate thereon for such Interest Period and the other economic consequences thereof shall be as set forth in the applicable Incremental Loan Assumption Agreement. In addition, to the extent any Incremental Loans are not Other Loans and are fungible with any other Class of Term Loans, the scheduled amortization payments under Section 2.11(a)(i) required to be made to such other Class after the making of such Incremental Loans may be ratably increased by the aggregate principal amount of such Incremental Loans and may be further increased for all Lenders of such other Class on a *pro rata* basis to the extent necessary to avoid any reduction in the amortization payments to which the Lenders of such other Class were entitled before such recalculation.

(e) Upon any Incremental Facility Closing Date on which Incremental Revolving Credit Commitments are effected through an increase of an existing Loan pursuant to this Section 2.22, (i) each of the Revolving Credit Lenders shall assign to each of the Incremental Revolving Credit Lenders, and each of the Incremental Revolving Credit Lenders shall purchase from each of the Revolving Credit Lenders, at the principal amount thereof, such interests in the Incremental Revolving Loans outstanding on such Incremental Facility Closing Date as shall be necessary in order that, after giving effect to all such assignments and purchases, such Revolving Credit Loans will be held by existing Revolving Credit Lenders and Incremental Revolving Credit Lenders ratably in accordance with their Revolving Credit Commitments after giving effect to the addition of such Incremental Revolving Credit Commitments to the Revolving Credit Commitments, (ii) each Incremental Revolving Credit Commitment shall be deemed for

all purposes a Revolving Credit Commitment and each Loan made thereunder shall be deemed, for all purposes, a Revolving Credit Loan and (iii) each Incremental Revolving Credit Lender shall become a Lender with respect to the Incremental Revolving Credit Commitments and all matters relating thereto. The Administrative Agent and the Lenders hereby agree that the minimum borrowing and prepayment requirements in Sections 2.02 and 2.09 of this Agreement shall not apply to the transactions effected pursuant to the immediately preceding sentence.

(f) Other Revolving Credit Loan Commitments may be elected to be included as additional Participating Revolving Credit Commitments under the applicable Incremental Loan Assumption Agreement, subject to the consent of each Swing Line Lender and each L/C Issuer, and on the Incremental Facility Closing Date on which such Incremental Revolving Credit Commitments are effected, all Swing Line Loans and Letters of Credit shall be participated on a *pro rata* basis by all Participating Revolving Credit Lenders in accordance with their percentage of the Participating Revolving Credit Commitments existing after giving effect to such Incremental Loan Assumption Agreement, provided, such election may be made conditional upon the termination of one or more other Participating Revolving Credit Commitments.

(g) This Section 2.22 shall supersede any provisions in Section 2.17 or 9.08 to the contrary.

SECTION 2.23. **Extension Amendments.** (a) So long as no Event of Default has occurred and is continuing (after giving effect to any amendments and/or waivers that are or become effective on the date of the relevant conversion), the Borrower may at any time and from time to time request that (i) all or a portion of any Class of Term Loans then outstanding selected by the Borrower (the “**Original Term Loans**”) and/or (ii) all or a portion of any Class of Revolving Credit Commitments then outstanding selected by the Borrower (such Revolving Credit Commitments, the “**Original Revolving Credit Commitments**”, collectively with the Original Term Loans, an “**Original Class**”) be converted to extend the maturity date thereof and to provide for other terms permitted by this Section 2.23 (any portion thereof that have been so extended, the “**Extended Term Loans**” or “**Extended Revolving Credit Commitments**”, as the case may be, and collectively, the “**Extended Class**” and the remainder not so extended, the “**Non-Extended Term Loans**” or “**Non-Extended Revolving Credit Commitments**”, as the case may be, and collectively, the “**Non-Extended Class**”); *provided* that, with the consent of the Administrative Agent, the Extended Term Loans or Extended Revolving Credit Commitments, as applicable, may be designated as part of an existing Class of Loans. Prior to entering into any Extension Amendment with respect to any Original Class, the Borrower shall appoint a Person that is a financial institution or Affiliate thereof to arrange the Extended Term Loans or Extended Revolving Credit Commitments (who may be (i) the Administrative Agent, or (i) any other Person appointed by the Borrower in consultation with the Administrative Agent) (the “**Extension Arranger**”). The Extension Arranger shall provide a copy of such notice to each Lender who has Loans or Commitments of the Original Class and the Administrative Agent in such form as approved from time to time by the Borrower and the applicable Extension Arranger (each, an “**Extension Request**”) setting forth the terms of the proposed Extended Class, as applicable, which terms shall be identical to those applicable to the Original Class, except for Section 2.23 Additional Agreements or as otherwise permitted by this Section 2.23 and except

(w) the maturity date of the Extended Class may be delayed to a date after the Maturity Date of the Original Class, (x) Extended Term Loans may have different amortization payments than the Original Term Loans; *provided* that the Weighted Average Life to Maturity of such Extended Term Loans shall be no shorter than the Weighted Average Life to Maturity of the Original Term Loans from which they were converted, (y) All-In Yield with respect to any Loans or Commitments of the Extended Class may be higher or lower than the All-In Yield with respect to any Loans or Commitments of the Original Class and (z) (A) the Extended Term Loans (i) may participate on a *pro rata* basis, less than *pro rata* basis or greater than *pro rata* basis in any mandatory prepayment of Term Loans (except that, unless otherwise permitted under this Agreement, such Extended Term Loans may not participate on a greater than *pro rata* basis as compared to any earlier maturing Class of Term Loans) and (ii) may participate on a *pro rata* basis, less than *pro rata* basis or greater than *pro rata* basis in any voluntary prepayment of Term Loans and (B) the Extended Revolving Credit Commitments (i) shall provide that the borrowing and repayment (except for (A) payments of interest and fees at different rates on Extended Revolving Credit Commitments (and related outstandings), (B) repayments required upon the Maturity Date of the Extended Revolving Credit Commitments and (C) repayment made in connection with a permanent repayment and termination of commitments (subject to clause (ii) below)) of Loans with respect to Extended Revolving Credit Commitments after the associated Extended Facility Closing Date shall be made on a *pro rata* basis or less than *pro rata* basis (but not more than a *pro rata* basis) with all other Revolving Credit Commitments then existing on the Extended Facility Closing Date and (ii) may provide that the permanent repayment of Revolving Credit Loans with respect to, and termination or reduction of, Extended Revolving Credit Commitments after the associated Extended Facility Closing Date be made on a *pro rata* basis, less than *pro rata* basis or greater than *pro rata* basis with all other Revolving Credit Commitments. In addition to any other terms and changes required or permitted by this Section 2.23, each Extension Amendment establishing a Class of Extended Term Loans shall amend the scheduled amortization payments provided under Section 2.11 with respect to the related Non-Extended Term Loans to reduce each scheduled installment for such Non-Extended Term Loans to an aggregate amount equal to the product of (A) the original aggregate amount of such installment with respect to the Original Term Loans, multiplied by (B) a fraction, the numerator of which is the aggregate principal amount of such related Non-Extended Term Loans and (C) the denominator of which is the aggregate principal amount of such Original Term Loans prior to the effectiveness of such Extension Amendment (it being understood that the amount of any installment payable with respect to any individual Non-Extended Term Loan shall not be reduced as a result thereof without the consent of the holder of such individual Non-Extended Term Loan). No Lender shall have any obligation to agree to have any of its Original Term Loans or Original Revolving Credit Commitments converted into Extended Term Loans or Extended Revolving Credit Commitments pursuant to any Extension Request.

(b) The Borrower shall provide the applicable Extension Request at least five Business Days prior to the date on which the applicable Lenders are requested to respond (or such shorter date as the applicable Extension Arranger may agree). Any Lender wishing to have all or a portion of its Original Term Loans or Original Revolving Credit Commitments converted into Extended Term Loans or Extended Revolving Credit Commitments (an “*Extending Lender*”) shall notify the applicable Extension Arranger (such notice to be in such form as

approved from time to time by the Borrower and the Extension Arranger) (each, an “**Extension Election**”) on or prior to the date specified in such Extension Request (which shall in any event be no less than three Business Days prior to the effectiveness of the applicable Extension Amendment unless otherwise agreed by the Borrower) of the amount of its Original Term Loans or Original Revolving Credit Commitments that it has elected to convert into Extended Term Loans or Extended Revolving Credit Commitments. In the event that the aggregate amount of the applicable Original Term Loans or Original Revolving Credit Commitments subject to Extension Elections exceeds the amount of the applicable Extended Term Loans or Extended Revolving Credit Commitments requested pursuant to the Extension Request, the applicable Original Term Loans or Original Revolving Credit Commitments subject to such Extension Elections shall be converted to Extended Term Loans or Extended Revolving Credit Commitments on a *pro rata* basis based on the amount of the applicable Original Term Loans or Original Revolving Credit Commitments included in each such Extension Election.

(c) Subject to the requirements of this Section 2.23, an Extended Class may be established pursuant to a supplement (which shall set forth the effective date of such extension) to this Agreement (which, except to the extent otherwise expressly contemplated by this Section 2.23(c), shall require the consent only of the Lenders who elect to make the Extended Term Loans or Extended Revolving Credit Commitments established thereby) in such form as approved from time to time by the Borrower and the applicable Extension Arranger in the reasonable exercise of such applicable Person’s discretion (each, an “**Extension Amendment**”) executed by the Loan Parties, the applicable Extension Arranger and the Extending Lenders, so long as (i) no Default or Event of Default has occurred and is continuing (after giving effect to any amendments and/or waivers that are or become effective on the date that such Extended Term Loans are established) and (ii) the applicable Extension Arranger shall have received legal opinions addressed to such Extension Arranger and the Extending Lenders, board resolutions and other closing certificates reasonably requested by the applicable Extension Arranger and consistent with those delivered on the Funding Date under Section 4.02, other than changes to such legal opinions resulting from a change in law, change in fact or change to counsel’s form of opinion reasonably satisfactory to the applicable Extension Arranger (the date on which such conditions, together with any other conditions set forth in the Extension Amendment, are satisfied shall be referred to as the “**Extended Facility Closing Date**”).

(d) Any Extension Amendment may provide for additional terms, including different covenants and call protection (other than those referred to or contemplated in this Section 2.23) (each, a “**Section 2.23 Additional Agreement**”) to this Agreement and the other Loan Documents; *provided* that no such Section 2.23 Additional Agreement shall become effective prior to the time that such Section 2.23 Additional Agreement has been consented to by such of the Lenders, Loan Parties and other parties (if any) as would be required (including under the requirements of Section 9.08) if such Section 2.23 Additional Agreement were a separate and independent amendment of this Agreement.

(e) Notwithstanding anything to the contrary in Section 9.08, (i) each Extension Amendment may, without the consent of any other Loan Party, Agent or Lender, effect such amendments to this Agreement and the other Loan Documents as may be necessary or

appropriate, in the reasonable opinion of the applicable Extension Arranger and the Borrower, to effect the provisions of this Section 2.23, including to effect technical and corresponding amendments to this Agreement and the other Loan Documents and (ii) at the option of the Borrower in consultation with the applicable Extension Arranger incorporate terms that would be favorable to existing Lenders of the applicable Class or Classes for the benefit of such existing Lenders of the applicable Class or Classes, in each case under this clause (ii), so long as the applicable Extension Arranger reasonably agrees that such modification is favorable to the applicable Lenders.

(f) This Section 2.23 shall supersede any provisions in Section 2.17 or 9.08 (other than in the case of paragraph(e) above) to the contrary.

SECTION 2.24. **Refinancing Amendments.** (a) **Refinancing Commitments.** The Borrower may, at any time or from time to time, by notice to any Person appointed by the Borrower to arrange Refinancing Commitments (such Person (who may be (i) the Administrative Agent, if it so agrees, or (ii) any other Person appointed by the Borrower in consultation with the Administrative Agent, the “**Refinancing Arranger**”, and together with any Incremental Arranger and any Extension Arranger, the “**Additional Arranger**”) (a “**Refinancing Loan Request**”), request (A) a new Class of term loans (any such commitment to make sure new Loans, “**Refinancing Term Commitments**”) or (B) the establishment of a new Class of revolving credit commitments (any such new Class, “**Refinancing Revolving Credit Commitments**” and collectively with any Refinancing Term Commitments, “**Refinancing Commitments**”), in each case, established in exchange for, or to extend, renew, replace, repurchase, retire or refinance, in whole or in part, any Class of existing Loans or Commitments (with respect to a particular Refinancing Commitment or Refinancing Loan, such existing Loans or Commitments, “**Refinanced Debt**”), whereupon the Refinancing Arranger shall promptly deliver a copy to each of the Lenders and the Administrative Agent.

(b) **Refinancing Loans.** Each Class of Refinancing Loans made on any Refinancing Facility Closing Date shall be designated a separate Class of Loans for all purposes of this Agreement; *provided* that, with the consent of the Administrative Agent, Refinancing Loans may be designated as part of an existing Class of Loans. On any Refinancing Facility Closing Date on which any Refinancing Term Commitments of any Class are effected, subject to the satisfaction of the terms and conditions in this Section 2.24, (i) each Refinancing Term Lender of such Class shall make a Loan to the Borrower (a “**Refinancing Term Loan**”) in an amount equal to its Refinancing Term Commitment of such Class and (ii) each Refinancing Term Lender of such Class shall become a Lender hereunder with respect to the Refinancing Term Commitment of such Class and the Refinancing Term Loans of such Class made pursuant thereto. On any Refinancing Facility Closing Date on which any Refinancing Revolving Credit Commitments of any Class are effected, subject to the satisfaction of the terms and conditions in this Section 2.24, (A) each Refinancing Revolving Credit Lender of such Class shall make its Commitment available to the Borrower (when borrowed, a “**Refinancing Revolving Loan**” and collectively with any Refinancing Term Loan, a “**Refinancing Loan**”) in an amount equal to its Refinancing Revolving Credit Commitment of such Class and (B) each Refinancing Revolving Credit Lender of such Class shall become a Lender hereunder with respect to the Refinancing Revolving Credit

Commitment of such Class and the Refinancing Revolving Loans of such Class made pursuant thereto.

(c) *Refinancing Loan Request.* Each Refinancing Loan Request from the Borrower pursuant to this Section 2.24 shall set forth the requested amount and proposed terms of the relevant Refinancing Term Loans or Refinancing Revolving Credit Commitments. Refinancing Term Loans may be made, and Refinancing Revolving Credit Commitments may be provided, by any existing Lender (but no existing Lender will have an obligation to make any Refinancing Commitment, nor will the Borrower have any obligation to approach any existing Lender to provide any Refinancing Commitment) or by any Additional Lender (each such existing Lender or Additional Lender providing such Commitment or Loan, a “**Refinancing Revolving Credit Lender**” or “**Refinancing Term Lender**” as applicable, and, collectively, “**Refinancing Lenders**”); *provided* that (i) the Administrative Agent shall have consented (not to be unreasonably withheld or delayed) to such Additional Lender’s making such Refinancing Term Loans or providing such Refinancing Revolving Credit Commitments, to the extent such consent, if any, would be required under Section 9.04 for an assignment of Term Loans or Revolving Credit Commitments, as applicable, to such Lender or Additional Lender, (ii) with respect to Refinancing Term Commitments, any Affiliated Lender providing a Refinancing Term Commitment shall be subject to the same restrictions set forth in Section 9.04 as they would otherwise be subject to with respect to any purchase by or assignment to such Affiliated Lender of Term Loans and (iii) Affiliated Lenders may not provide Refinancing Revolving Credit Commitments.

(d) *Effectiveness of Refinancing Amendment.* The effectiveness of any Refinancing Amendment, and the Refinancing Commitments thereunder, shall be subject to the satisfaction on the date thereof (a “**Refinancing Facility Closing Date**”) of each of the following conditions, together with any other conditions set forth in the Refinancing Amendment:

(i) unless otherwise agreed by the Refinancing Arranger, each Refinancing Commitment shall be in an aggregate principal amount that is not less than \$25,000,000 and shall be in an increment of \$1,000,000 (*provided* that such amount may be less than \$25,000,000, and not in an increment of \$1,000,000, if such amount is equal to the entire outstanding principal amount of Refinanced Debt); and

(ii) to the extent reasonably requested by the Refinancing Arranger, receipt by the Refinancing Arranger of (A) customary legal opinions, board resolutions and officers’ certificates consistent with those delivered on the Funding Date (conformed as appropriate) other than changes to such legal opinions resulting from a change in law, change in fact or change to counsel’s form of opinion reasonably satisfactory to the Refinancing Arranger and (B) reaffirmation agreements and/or such amendments to the Security Documents as may be reasonably requested by the Refinancing Arranger in order to ensure that such Refinancing Lenders are provided with the benefit of the applicable Loan Documents.

(e) *Required Terms.* The terms, provisions and documentation of the Refinancing Term Loans and Refinancing Term Commitments or the Refinancing Revolving Loans and

Refinancing Revolving Credit Commitments, as the case may be, of any Class shall be as agreed between the Borrower and the applicable Refinancing Lenders providing such Refinancing Commitments, and except as otherwise set forth herein, to the extent not identical to any Class of Term Loans or Revolving Credit Commitments, as applicable, each existing on the Refinancing Facility Closing Date, shall be consistent with clauses (i)(A)-(G) below, as applicable and (i) reflect market terms and conditions (taken as a whole) at the time of incurrence of such Indebtedness (as determined by the Borrower in good faith) or (ii) otherwise reasonably satisfactory to the Refinancing Arranger (except for covenants or other provisions (i) conformed (or added) in the Loan Documents pursuant to the related Refinancing Amendment, (x) in the case of any Class of Refinancing Term Loans and Refinancing Term Commitments, for the benefit of the Term Lenders and (y) in the case of any Class of Refinancing Revolving Loans and Refinancing Revolving Credit Commitments, for the benefit of the Revolving Credit Lenders or applicable only to periods after the Latest Maturity Date as of the Refinancing Facility Closing Date) which may be added without the consent of any other party.

In any event, (i) the Refinancing Term Loans:

(A) as of the Refinancing Facility Closing Date, shall not have a final scheduled maturity date earlier than the Maturity Date of the Refinanced Debt,

(B) as of the Refinancing Facility Closing Date, shall not have a Weighted Average Life to Maturity shorter than the remaining Weighted Average Life to Maturity of the Refinanced Debt,

(C) shall have an interest rate (which may be fixed or variable), margin (if any) and interest rate floor (if any), and subject to clause (e)(i)(B) above, amortization determined by the Borrower and the applicable Refinancing Term Lenders,

(D) shall have fees determined by the Borrower and the applicable Refinancing Arrangers,

(E) (1) may participate on a *pro rata* basis, less than *pro rata* basis or greater than *pro rata* basis (except that, unless otherwise permitted under this Agreement, such Refinancing Term Loans may not participate on a greater than a *pro rata* basis as compared to any earlier maturing Class of Term Loans) in any mandatory prepayments of Term Loans and (2) may participate on a *pro rata* basis, less than *pro rata* basis or greater than *pro rata* basis in any voluntary prepayment of Term Loans,

(F) shall not have a greater principal amount than the principal amount of the Refinanced Debt plus accrued but unpaid interest, fees, premiums (if any) and penalties thereon and reasonable fees, expenses, OID and upfront fees associated with the refinancing, and

(G) shall rank *pari passu* in right of payment and security (but without regard to the control of remedies) with the other Obligations under this Agreement, shall not at any time be guaranteed by any Subsidiary of the Borrower other than Subsidiaries that are Guarantors, and the obligations in respect thereof shall not be secured by any property or assets of the Borrower or any Restricted Subsidiary other than the Collateral; and

(ii) the Refinancing Revolving Credit Commitments and Refinancing Revolving Loans:

(A) shall rank *pari passu* in right of payment and security (but without regard to the control of remedies) with the other Obligations under this Agreement, shall not at any time be guaranteed by any Subsidiary of the Borrower other than Subsidiaries that are Guarantors, and the obligations in respect thereof shall not be secured by any property or assets of the Borrower or any Restricted Subsidiary other than the Collateral,

(B) shall not have a final scheduled maturity date or commitment reduction date earlier than the Maturity Date or commitment reduction date, respectively, with respect to the Refinanced Debt and shall not have any scheduled amortization or mandatory Commitment reductions prior to the maturity date of the Refinanced Debt,

(C) shall provide that the borrowing and repayment (except for (1) payments of interest and fees at different rates on Refinancing Revolving Credit Commitments (and related outstandings), (2) repayments required upon the Maturity Date of the Refinancing Revolving Credit Commitments and (3) repayment made in connection with a permanent repayment and termination of commitments (subject to clause (E) below)) of Loans with respect to Refinancing Revolving Credit Commitments after the associated Refinancing Facility Closing Date shall be made on a *pro rata* basis or less than a *pro rata* basis (but not more than a *pro rata* basis) with all other Revolving Credit Commitments then existing on the Refinancing Facility Closing Date,

(D) may be elected to be included as additional Participating Revolving Credit Commitments under the Refinancing Amendment, subject to the consent of each Swing Line Lender and each L/C Issuer, and on the Refinancing Facility Closing Date all Swing Line Loans and Letters of Credit shall be participated on a *pro rata* basis by all Participating Revolving Credit Lenders in accordance with their percentage of the Participating Revolving Credit Commitments existing after giving effect to such Refinancing Amendment, *provided*, such election may be made conditional upon the termination of one or more other Participating Revolving Credit Commitments,

(E) may provide that the permanent repayment of Revolving Credit Loans with respect to, and termination or reduction of, Refinancing Revolving

Credit Commitments after the associated Refinancing Facility Closing Date be made on a *pro rata* basis, less than *pro rata* basis or greater than *pro rata* basis with all other Revolving Credit Commitments,

(F) shall provide that assignments and participations of Refinancing Revolving Credit Commitments and Refinancing Revolving Loans shall be governed by the same assignment and participation provisions applicable to Revolving Credit Commitments and Revolving Credit Loans then existing on the Refinancing Facility Closing Date,

(G) shall have an interest rate (which may be fixed or variable), margin (if any) and interest rate floor (if any), determined by the Borrower and the applicable Refinancing Revolving Credit Lenders,

(H) shall have fees determined by the Borrower and the applicable Refinancing Arrangers, and

(I) shall not have a greater principal amount of Commitments than the principal amount of the Commitments of the Refinanced Debt plus accrued but unpaid interest, fees, premiums (if any) and penalties thereon and reasonable fees, expenses, OID and upfront fees associated with the refinancing.

(f) *Refinancing Amendment.* Commitments in respect of Refinancing Term Loans and Refinancing Revolving Credit Commitments shall become additional Commitments pursuant to an amendment (a “**Refinancing Amendment**”) to this Agreement and, as appropriate, the other Loan Documents, executed by the Borrower, each Refinancing Lender providing such Commitments, and the Refinancing Arranger. The Refinancing Amendment may, without the consent of other Loan Party, Agent or Lender, (i) effect such amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the reasonable opinion of the Refinancing Arranger and the Borrower, to effect the provisions of this Section 2.24, including amendments as deemed necessary by the Refinancing Arranger in consultation with the Administrative Agent in its reasonable judgment to address technical issues relating to funding and payments, including adjusting Interest Periods and other provisions to allow such Refinancing Loans to be part of an Existing Class of Loans and (ii) at the option of the Borrower in consultation with the applicable Refinancing Arranger, incorporate terms that would be favorable to existing Lenders of the applicable Class or Classes for the benefit of such existing Lenders of the applicable Class or Classes, in each case under this clause (ii), so long as the applicable Refinancing Arranger reasonably agrees that such modification is favorable to the applicable Lenders. The Borrower will use the proceeds of the Refinancing Term Loans and Refinancing Revolving Credit Commitments to extend, renew, replace, repurchase, retire or refinance the applicable Refinanced Debt no later than the later to occur of (a) five Business Days following the incurrence of such Refinancing Term Loans or Refinancing Revolving Credit Commitments and (b) the last day of the interest period applicable to the loans outstanding in respect of such Refinanced Debt.

(g) This Section 2.24 shall supersede any provisions in Section 2.17 or 9.08 to the contrary.

SECTION 2.25. **Defaulting Lenders.** Notwithstanding anything to the contrary contained in this Agreement, if any Lender becomes a Defaulting Lender, then, until such time as that Lender is no longer a Defaulting Lender, to the extent permitted by applicable Law:

(a) That Defaulting Lender's right to approve or disapprove any amendment, waiver or consent with respect to this Agreement shall be restricted as set forth in Section 9.08.

(b) Any payment of principal, interest, fees or other amounts received by the Administrative Agent for the account of that Defaulting Lender (whether voluntary or mandatory, at maturity, pursuant to Article VII or otherwise), shall be applied at such time or times as may be determined by the Administrative Agent as follows: *first*, to the payment of any amounts owing by that Defaulting Lender to the Administrative Agent hereunder; *second*, as the Borrower may request (so long as no Default or Event of Default has occurred and is continuing), to the funding of any Loan in respect of which that Defaulting Lender has failed to fund its portion thereof as required by this Agreement, as determined by the Administrative Agent; *third*, if so determined by the Administrative Agent and the Borrower, to be held in a non-interest bearing deposit account and released in order to satisfy obligations of that Defaulting Lender to fund Loans under this Agreement; *fourth*, to the payment of any amounts owing to the Lenders as a result of any judgment of a court of competent jurisdiction obtained by any Lender against that Defaulting Lender as a result of that Defaulting Lender's breach of its obligations under this Agreement; *fifth*, so long as no Default or Event of Default has occurred and is continuing, to the payment of any amounts owing to the Borrower as a result of any judgment of a court of competent jurisdiction obtained by the Borrower against that Defaulting Lender as a result of that Defaulting Lender's breach of its obligations under this Agreement; and *sixth*, to that Defaulting Lender or as otherwise directed by a court of competent jurisdiction; *provided* that if (x) such payment is a payment of the principal amount of any Loans in respect of which that Defaulting Lender has not fully funded its appropriate share and (y) such Loans were made at a time when the conditions set forth in Sections 4.02 or 4.03, as applicable, were satisfied or waived, such payment shall be applied solely to pay the Loans of all Non-Defaulting Lenders on a *pro rata* basis prior to being applied to the payment of any Loans of that Defaulting Lender. Any payments, prepayments or other amounts paid or payable to a Defaulting Lender that are applied (or held) to pay amounts owed by a Defaulting Lender shall be deemed paid to and redirected by that Defaulting Lender, and each Lender irrevocably consents hereto.

(c) During any period in which there is a Defaulting Lender, such Defaulting Lender's participation Letters of Credit and Swingline Loans shall be reallocated among the Non-Defaulting Lenders in accordance with their respective Pro Rata Shares (calculated without regard to such Defaulting Lender's Commitment); *provided* that after giving effect to such reallocation, each Non-Defaulting Lender's Revolving Credit Exposure shall not exceed (i) the Participating Revolving Credit Commitment of that Non-Defaulting Lender minus (ii) the sum of (A) the aggregate Outstanding Amount of the Loans of that Non-Defaulting Lender under such Participating Revolving Credit Commitments plus (B) such Non-Defaulting Lender's Pro Rata

Share of the Outstanding Amount of L/C Obligations and Swing Line Obligations at such time. Subject to Section 9.22, no reallocation hereunder shall constitute a waiver or release of any claim of any party hereunder against a Defaulting Lender arising from the Lender having become a Defaulting Lender, including any claim of a Non-Defaulting Lender as a result of such Non-Defaulting Lender's increased exposure following such reallocation.

(d) If the Borrower and the Administrative Agent agree in writing in their sole discretion that a Defaulting Lender should no longer be deemed to be a Defaulting Lender, the Administrative Agent will so notify the parties hereto, whereupon as of the effective date specified in such notice and subject to any conditions set forth therein, that Lender will, to the extent applicable, purchase that portion of outstanding Loans of the other Lenders or take such other actions as the Administrative Agent may determine to be necessary to cause the Loans to be held on a *pro rata* basis by the Lenders in accordance with their Pro Rata Share of Commitments, whereupon that Lender will cease to be a Defaulting Lender; *provided* that no adjustments will be made retroactively with respect to fees accrued or payments made by or on behalf of the Borrower while that Lender was a Defaulting Lender; and *provided, further*, that except to the extent otherwise expressly agreed by the affected parties, no change hereunder from Defaulting Lender to Lender will constitute a waiver or release of any claim of any party hereunder arising from that Lender's having been a Defaulting Lender.

SECTION 2.26. **Letters of Credit.** (a) *The Letter of Credit Commitment.* (i) Subject to the terms and conditions set forth herein, (A) each L/C Issuer agrees, in reliance upon the agreements of the other Revolving Credit Lenders set forth in this Section 2.26, (1) from time to time on any Business Day during the period from and including the Closing Date until the Letter of Credit Expiration Date, to issue Letters of Credit at sight denominated in Dollars for the account of the Borrower (or so long as the Borrower is the primary obligor, for the account of any Subsidiary or the Parent Guarantor) and to amend or renew Letters of Credit previously issued by it, in accordance with Section 2.26(b) and (2) to honor drawings under the Letters of Credit and (B) the Participating Revolving Credit Lenders severally agree to participate in Letters of Credit issued pursuant to this Section 2.26; *provided* that no L/C Issuer shall be obligated to issue trade or commercial Letters of Credit; and *provided, further*, that no L/C Issuer shall be obligated to make any L/C Credit Extension with respect to any Letter of Credit, and no Lender shall be obligated to participate in any Letter of Credit if as of the date of such L/C Credit Extension, (x) the Revolving Credit Exposure of any Revolving Credit Lender under its Participating Revolving Credit Commitments would exceed its Participating Revolving Credit Commitments (it being understood that with respect to a Swing Line Lender, its Swing Line Exposure for purposes of this clause (x) shall be deemed to be its Pro Rata Share (after giving effect when a Defaulting Lender shall exist to any reallocation effected in accordance with Section 2.25(c)) of the total Swing Line Exposure), (y) with respect to any Swing Line Lender that is a Participating Revolving Credit Lender, the aggregate of its Swing Line Exposure (in its capacity as a Swing Line Lender and a Revolving Credit Lender), *plus* the aggregate principal amount of its outstanding Revolving Credit Loans (in its capacity as a Revolving Credit Lender), *plus* its L/C Exposure would exceed its Revolving Credit Commitment or (z) the Outstanding Amount of the L/C Obligations would exceed the Letter of Credit Sublimit; *provided, further*, that no L/C Issuer shall be obligated to make any L/C Credit Extension with respect to any Letter

of Credit if as of the date of such L/C Credit Extension, after such L/C Credit Extension, the Outstanding Amount of the L/C Obligations in respect of Letters of Credit issued by such L/C Issuer would exceed such L/C Issuer's Letter of Credit Issuer Sublimit. Within the foregoing limits, and subject to the terms and conditions hereof, the Borrower's ability to obtain Letters of Credit shall be fully revolving, and accordingly the Borrower may, during the foregoing period, obtain Letters of Credit to replace Letters of Credit that have expired or that have been drawn upon and reimbursed.

(ii) An L/C Issuer shall be under no obligation to issue any Letter of Credit if:

(A) any order, judgment or decree of any Governmental Authority or arbitrator shall by its terms purport to enjoin or restrain such L/C Issuer from issuing such Letter of Credit, or any Law applicable to such L/C Issuer or any directive (whether or not having the force of law) from any Governmental Authority with jurisdiction over such L/C Issuer shall prohibit, or direct that such L/C Issuer refrain from, the issuance of letters of credit generally or such Letter of Credit in particular or shall impose upon such L/C Issuer with respect to such Letter of Credit any restriction, reserve or capital requirement (for which such L/C Issuer is not otherwise compensated hereunder) not in effect on the Effective Date, or shall impose upon such L/C Issuer any unreimbursed loss, cost or expense which was not applicable on the Effective Date (for which such L/C Issuer is not otherwise compensated hereunder);

(B) subject to Section 2.26(b)(iii), the expiry date of such requested Letter of Credit would occur more than 12 months after the date of issuance or then-current expiration date unless (1) each Appropriate Lender has approved of such expiration date or (2) the Outstanding Amount of L/C Obligations in respect of such requested Letter of Credit has been Cash Collateralized or back-stopped by a letter of credit reasonably satisfactory to such L/C Issuer;

(C) (1) the expiry date of such requested Letter of Credit would occur after the Letter of Credit Expiration Date, unless (I) each Appropriate Lender has approved such expiry date or (II) the Outstanding Amount of L/C Obligations in respect of such requested Letter of Credit has been Cash Collateralized or back-stopped by a letter of credit reasonably satisfactory to such L/C Issuer and the Administrative Agent or (2) at any time when there is more than one Maturity Date in effect in respect of Revolving Credit Commitments, there are not sufficient Participating Revolving Credit Commitments maturing more than five Business Days after the expiry date of such requested Letter of Credit to cover the L/C Obligations in respect of such Letter of Credit (after taking into account all other outstanding Letters of Credit and their respective expiry dates), unless (I) each Appropriate Lender has approved such expiry date or (II) the Outstanding Amount of L/C Obligations in respect of such requested Letter of Credit has been Cash Collateralized or back-stopped by a letter of credit reasonably satisfactory to such L/C Issuer and the Administrative Agent;

(D) the issuance of such Letter of Credit would violate any policies of the L/C Issuer applicable to letters of credit generally;

(E) any Participating Revolving Credit Lender is at that time a Defaulting Lender, unless such L/C Issuer has entered into arrangements reasonably satisfactory to it and the Borrower to eliminate such L/C Issuer's actual or potential Fronting Exposure (after giving effect to Section 2.25(c)) with respect to the participation in Letters of Credit by such Defaulting Lender, including by cash collateralizing such Defaulting Lender's Pro Rata Share of the L/C Obligations;

(F) such Letter of Credit is denominated in a currency other than an Available Currency; or

(G) such Letter of Credit is a trade letter of credit or a bank guarantee; or

(H) the expiry date of such requested Letter of Credit has a stated expiry date that is after the 2025 Revolving Facility Maturity Date and the aggregate stated amount of all such Letters of Credit, when added to the aggregate Revolving Credit Exposure of all 2027 Revolving Credit Lenders (exclusive of L/C Obligations) as of such date, would exceed the aggregate amount of the 2027 Revolving Credit Commitments then in effect.

(iii) An L/C Issuer shall be under no obligation to amend any Letter of Credit if (A) such L/C Issuer would have no obligation at such time to issue such Letter of Credit in its amended form under the terms hereof, or (B) the beneficiary of such Letter of Credit does not accept the proposed amendment to such Letter of Credit.

(b) *Procedures for Issuance and Amendment of Letters of Credit; Auto-Extension Letters of Credit.* (i) Each Letter of Credit shall be issued or amended, as the case may be, upon the request of the Borrower delivered to an L/C Issuer (with a copy to the Administrative Agent) in the form of a Letter of Credit Application, appropriately completed and signed by a Responsible Officer of the Borrower. Such Letter of Credit Application must be received by the relevant L/C Issuer and the Administrative Agent not later than 12:30 p.m., New York City time, at least two Business Days prior to the proposed issuance date or date of amendment, as the case may be; or, in each case, such later date and time as the relevant L/C Issuer may agree in a particular instance in its sole discretion. In the case of a request for an initial issuance of a Letter of Credit, such Letter of Credit Application shall specify in form and detail reasonably satisfactory to the relevant L/C Issuer: (A) the proposed issuance date of the requested Letter of Credit (which shall be a Business Day); (B) the amount thereof; (C) the expiry date thereof; (D) the name and address of the beneficiary thereof; (E) the documents to be presented by such beneficiary in case of any drawing thereunder; (F) the full text of any certificate to be presented by such beneficiary in case of any drawing thereunder; (G) the Available Currency in which the requested Letter of Credit is to be issued will be denominated; and (H) such other matters as the relevant L/C Issuer may reasonably request. In the case of a request for an amendment of any

outstanding Letter of Credit, such Letter of Credit Application shall specify in form and detail reasonably satisfactory to the relevant L/C Issuer (1) the Letter of Credit to be amended; (2) the proposed date of amendment thereof (which shall be a Business Day); (3) the nature of the proposed amendment; and (4) such other matters as the relevant L/C Issuer may reasonably request.

(ii) Promptly after receipt of any Letter of Credit Application, the relevant L/C Issuer will confirm with the Administrative Agent (by telephone or in writing) that the Administrative Agent has received a copy of such Letter of Credit Application from the Borrower and, if not, such L/C Issuer will provide the Administrative Agent with a copy thereof. Upon receipt by the relevant L/C Issuer of confirmation from the Administrative Agent that the requested issuance or amendment is permitted in accordance with the terms hereof, then, subject to the terms and conditions hereof, such L/C Issuer shall, on the requested date, issue a Letter of Credit for the account of the Borrower (and, if applicable, its applicable Subsidiary) or enter into the applicable amendment, as the case may be. Immediately upon the issuance of each Letter of Credit, each Participating Revolving Credit Lender shall be deemed to, and hereby irrevocably and unconditionally agrees to, purchase from the relevant L/C Issuer a risk participation in such Letter of Credit in an amount equal to the product of such Lender's Pro Rata Share times the stated amount of such Letter of Credit.

(iii) If the Borrower so requests in any applicable Letter of Credit Application, the relevant L/C Issuer shall agree to issue a Letter of Credit that has automatic extension provisions (each, an "***Auto-Extension Letter of Credit***"); *provided* that any such Auto-Extension Letter of Credit must permit the relevant L/C Issuer to prevent any such extension at least once in each 12-month period (commencing with the date of issuance of such Letter of Credit) by giving prior notice to the beneficiary thereof not later than a day (the "***Non-extension Notice Date***") in each such 12-month period to be agreed upon at the time such Letter of Credit is issued. Unless otherwise directed by the relevant L/C Issuer, the Borrower shall not be required to make a specific request to the relevant L/C Issuer for any such extension. Once an Auto-Extension Letter of Credit has been issued, the Lenders shall be deemed to have authorized (but may not require) the relevant L/C Issuer to permit the extension of such Letter of Credit at any time to an expiry date that is, unless the Outstanding Amount of L/C Obligations in respect of such requested Letter of Credit has been Cash Collateralized or back-stopped by a letter of credit reasonably satisfactory to the relevant L/C Issuer, not later than the Letter of Credit Expiration Date; *provided* that the relevant L/C Issuer shall not permit any such extension if (A) the relevant L/C Issuer has determined that it would not be permitted at such time to issue such Letter of Credit in its extended form under the terms hereof (by reason of the provisions of Section 2.26(a)(ii) or otherwise) or (B) it has received notice on or before the day that is seven Business Days before the Non-extension Notice Date from the Administrative Agent, any Participating Revolving Credit Lender or the Borrower that one or more of the applicable conditions specified in Section 4.03 is not then satisfied.

(iv) Promptly after issuance of any Letter of Credit or any amendment to a Letter of Credit, the relevant L/C Issuer will also deliver to the Borrower and the Administrative Agent a true and complete copy of such Letter of Credit or amendment.

(c) *Drawings and Reimbursements; Funding of Participations.* (i) Upon receipt from the beneficiary of any Letter of Credit of any notice of a drawing under such Letter of Credit, the relevant L/C Issuer shall notify promptly the Borrower and the Administrative Agent thereof. Not later than 12:00 noon, New York City time, on the second Business Day following any payment by an L/C Issuer under a Letter of Credit with notice to the Borrower (each such date, an “**Honor Date**”), the Borrower shall reimburse such L/C Issuer through the Administrative Agent in an amount equal to the amount of such drawing in Dollars; *provided* that if such reimbursement is not made on the date of drawing, the Borrower shall pay interest to the relevant L/C Issuer on such amount at the rate applicable to ABR Loans under the applicable Participating Revolving Credit Commitments (without duplication of interest payable on L/C Borrowings). The L/C Issuer shall notify the Borrower of the amount of the drawing promptly following the determination or revaluation thereof. If the Borrower fails to so reimburse such L/C Issuer by such time, the Administrative Agent shall promptly notify each Appropriate Lender of the Honor Date, the amount of the unreimbursed drawing (the “**Unreimbursed Amount**”), and the amount of such Appropriate Lender’s Pro Rata Share or other applicable share provided for under this Agreement thereof. In such event, the Borrower shall be deemed to have requested a Revolving Credit Borrowing of ABR Loans under the Participating Revolving Credit Commitments to be disbursed on the Honor Date in an amount equal to the Unreimbursed Amount, without regard to the minimum and multiples specified in Section 2.02 for the principal amount of ABR Loans, SOFR Loans or Eurodollar Loans, as the case may be, but subject to the amount of the unutilized portion of the Participating Revolving Credit Commitments of the Appropriate Lenders and the conditions set forth in Section 4.03 (other than the delivery of a Borrowing Request). Any notice given by an L/C Issuer or the Administrative Agent pursuant to this Section 2.26(c)(i) may be given by telephone if immediately confirmed in writing; *provided* that the lack of such an immediate confirmation shall not affect the conclusiveness or binding effect of such notice.

(ii) Each Appropriate Lender (including any Lender acting as an L/C Issuer) shall upon any notice pursuant to Section 2.26(c)(i) make funds available to the Administrative Agent for the account of the relevant L/C Issuer in Dollars, at the Administrative Agent’s office for payments in an amount equal to its Pro Rata Share of the Unreimbursed Amount not later than 1:00 p.m., New York City time, on the Business Day specified in such notice by the Administrative Agent, whereupon, subject to the provisions of Section 2.26(c)(iii), each Appropriate Lender that so makes funds available shall be deemed to have made an ABR Loan under the Participating Revolving Credit Commitments to the Borrower in such amount. The Administrative Agent shall remit the funds so received to the relevant L/C Issuer.

(iii) With respect to any Unreimbursed Amount that is not fully refinanced by a Revolving Credit Borrowing of ABR Loans because the conditions set forth in Section 4.03 cannot be satisfied or for any other reason, the Borrower shall be deemed to have incurred from the relevant L/C Issuer an L/C Borrowing in the amount of the

Unreimbursed Amount that is not so refinanced, which L/C Borrowing shall be due and payable on demand (together with interest) and shall bear interest at the rate calculated pursuant to Section 2.07. In such event, each Appropriate Lender's payment to the Administrative Agent for the account of the relevant L/C Issuer pursuant to Section 2.26(c)(ii) shall be deemed payment in respect of its participation in such L/C Borrowing and shall constitute an L/C Advance from such Lender in satisfaction of its participation obligation under this Section 2.26.

(iv) Until each Appropriate Lender funds its Revolving Credit Loan or L/C Advance pursuant to this Section 2.26(c) to reimburse the relevant L/C Issuer for any amount drawn under any Letter of Credit, interest in respect of such Lender's Pro Rata Share of such amount shall be solely for the account of the relevant L/C Issuer.

(v) Each Participating Revolving Credit Lender's obligation to make Revolving Credit Loans or L/C Advances to reimburse an L/C Issuer for amounts drawn under Letters of Credit, as contemplated by this Section 2.26(c), shall be absolute and unconditional and shall not be affected by any circumstance, including (A) any setoff, counterclaim, recoupment, defense or other right which such Lender may have against the relevant L/C Issuer, the Borrower or any other Person for any reason whatsoever; (B) the occurrence or continuance of a Default or an Event of Default; (C) any adverse change in the condition (financial or otherwise) of the Loan Parties; (D) any breach of this Agreement or any other Loan Document by the Borrower, any other Loan Party or any other L/C Issuer; or (E) any other circumstance, occurrence, event or condition, whether or not similar to any of the foregoing; *provided* that each Participating Revolving Credit Lender's obligation to make Revolving Credit Loans pursuant to this Section 2.26(c) is subject to the conditions set forth in Section 4.03 (other than delivery by the Borrower of a Borrowing Request). No such making of an L/C Advance shall relieve or otherwise impair the obligation of the Borrower to reimburse the relevant L/C Issuer for the amount of any payment made by such L/C Issuer under any Letter of Credit, together with interest as provided herein.

(vi) If any Participating Revolving Credit Lender fails to make available to the Administrative Agent for the account of the relevant L/C Issuer any amount required to be paid by such Lender pursuant to the foregoing provisions of this Section 2.26(c) by the time specified in Section 2.26(c)(ii), such L/C Issuer shall be entitled to recover from such Lender (acting through the Administrative Agent), on demand, such amount with interest thereon for the period from the date such payment is required to the date on which such payment is immediately available to such L/C Issuer at the Bank Rate. A certificate of the relevant L/C Issuer submitted to any Participating Revolving Credit Lender (through the Administrative Agent) with respect to any amounts owing under this Section 2.26(c) (vi) shall be conclusive absent manifest error.

(d) *Repayment of Participations.* (i) If, at any time after an L/C Issuer has made a payment under any Letter of Credit and has received from any Participating Revolving Credit Lender such Lender's L/C Advance in respect of such payment in accordance with Section 2.26(c), the Administrative Agent receives for the account of such L/C Issuer any payment in

respect of the related Unreimbursed Amount or interest thereon (whether directly from the Borrower or otherwise, including proceeds of Cash Collateral applied thereto by the Administrative Agent), the Administrative Agent will distribute to such Lender its Pro Rata Share thereof (appropriately adjusted to reflect (x) any reallocation effected in accordance with Section 2.25(c) and (y) in the case of interest payments, the period of time during which such Lender's L/C Advance was outstanding) in the amount received by the Administrative Agent.

(ii) If any payment received by the Administrative Agent for the account of an L/C Issuer pursuant to Section 2.26(c)(i) is required to be returned under any of the circumstances described in Section 9.06 (including pursuant to any settlement entered into by such L/C Issuer in its discretion), each Appropriate Lender shall pay to the Administrative Agent for the account of such L/C Issuer its Pro Rata Share thereof on demand of the Administrative Agent, plus interest thereon from the date of such demand to the date such amount is returned by such Lender, at the Bank Rate.

(e) *Obligations Absolute.* The obligation of the Borrower to reimburse the relevant L/C Issuer for each drawing under each Letter of Credit issued by it and to repay each L/C Borrowing shall be absolute, unconditional and irrevocable, and shall be paid strictly in accordance with the terms of this Agreement under all circumstances, including the following:

(i) any lack of validity or enforceability of such Letter of Credit, this Agreement, or any other agreement or instrument relating thereto;

(ii) the existence of any claim, counterclaim, setoff, defense or other right that any Loan Party may have at any time against any beneficiary or any transferee of such Letter of Credit (or any Person for whom any such beneficiary or any such transferee may be acting), the relevant L/C Issuer or any other Person, whether in connection with this Agreement, the transactions contemplated hereby or by such Letter of Credit or any agreement or instrument relating thereto, or any unrelated transaction;

(iii) any draft, demand, certificate or other document presented under such Letter of Credit proving to be forged, fraudulent, invalid or insufficient in any respect or any statement therein being untrue or inaccurate in any respect; or any loss or delay in the transmission or otherwise of any document required in order to make a drawing under such Letter of Credit;

(iv) any payment by the relevant L/C Issuer under such Letter of Credit against presentation of a draft or certificate that does not strictly comply with the terms of such Letter of Credit; or any payment made by the relevant L/C Issuer under such Letter of Credit to any Person purporting to be a trustee in bankruptcy, debtor-in-possession, assignee for the benefit of creditors, liquidator, receiver or other representative of or successor to any beneficiary or any transferee of such Letter of Credit;

(v) any exchange, release or non-perfection of any Collateral, or any release or amendment or waiver of or consent to departure from the Guaranty or any other

guarantee, for all or any of the Obligations of any Loan Party in respect of such Letter of Credit; or

(vi) any other circumstance or happening whatsoever, whether or not similar to any of the foregoing, including any other circumstance that might otherwise constitute a defense available to, or a discharge of, any Loan Party;

provided that the foregoing shall not excuse any L/C Issuer from liability to Borrower to the extent of any direct damages (as opposed to consequential, punitive, special or exemplary damages, claims in respect of which are waived by the Borrower to the extent permitted by applicable Law) suffered by the Borrower that are caused by such L/C Issuer's gross negligence or willful misconduct as determined in a final and non-appealable judgment by a court of competent jurisdiction when determining whether drafts and other documents presented under a Letter of Credit comply with the terms thereof.

(f) *Role of L/C Issuers.* Each Lender and the Borrower agree that, in paying any drawing under a Letter of Credit, the relevant L/C Issuer shall not have any responsibility to obtain any document (other than any sight draft, certificates and documents expressly required by the Letter of Credit) or to ascertain or inquire as to the validity or accuracy of any such document or the authority of the Person executing or delivering any such document. None of the L/C Issuers, nor any of the respective correspondents, participants or assignees of any L/C Issuer shall be liable to any Lender for (i) any action taken or omitted in connection herewith at the request or with the approval of the Lenders or the Lenders holding a majority of the Participating Revolving Credit Commitments, as applicable; (ii) any action taken or omitted in the absence of gross negligence or willful misconduct as determined in a final and non-appealable judgment by a court of competent jurisdiction; or (iii) the due execution, effectiveness, validity or enforceability of any document or instrument related to any Letter of Credit or Letter of Credit Application. The Borrower hereby assumes all risks of the acts or omissions of any beneficiary or transferee with respect to its use of any Letter of Credit; *provided* that this assumption is not intended to, and shall not, preclude the Borrower's pursuing such rights and remedies as it may have against the beneficiary or transferee at law or under any other agreement. None of the L/C Issuers, nor any of the respective correspondents, participants or assignees of any L/C Issuer, shall be liable or responsible for any of the matters described in clauses (i) through (vi) of Section 2.26(e); *provided* that anything in such clauses to the contrary notwithstanding, the Borrower may have a claim against an L/C Issuer, and such L/C Issuer may be liable to the Borrower, to the extent, but only to the extent, of any direct, as opposed to consequential, punitive or exemplary, damages suffered by the Borrower which the Borrower proves were caused by such L/C Issuer's willful misconduct or gross negligence or such L/C Issuer's willful or grossly negligent failure to pay under any Letter of Credit after the presentation to it by the beneficiary of document(s) strictly complying with the terms and conditions of a Letter of Credit, in each case as determined in a final and non-appealable judgment by a court of competent jurisdiction. In furtherance and not in limitation of the foregoing, each L/C Issuer may accept documents that appear on their face to be in order, without responsibility for further investigation, regardless of any notice or information to the contrary, and no L/C Issuer shall be

responsible for the validity or sufficiency of any instrument transferring or assigning or purporting to transfer or assign a Letter of Credit or the rights or benefits thereunder or proceeds thereof, in whole or in part, which may prove to be invalid or ineffective for any reason.

(g) *Cash Collateral.* (i) If, as of any Letter of Credit Expiration Date, any applicable Letter of Credit for any reason remains outstanding and partially or wholly undrawn, (ii) if any Event of Default occurs and is continuing and the Administrative Agent or the Lenders holding a majority of the Participating Revolving Credit Commitments, as applicable, require the Borrower to Cash Collateralize the L/C Obligations pursuant to Section 7.01 or (iii) if an Event of Default set forth under Section 7.01(g) occurs and is continuing, the Borrower shall Cash Collateralize the then Outstanding Amount of all of its (or, in the case of clause (i), the applicable) L/C Obligations (in an amount equal to such Outstanding Amount determined as of the date of such Event of Default or the applicable Letter of Credit Expiration Date, as the case may be), and shall do so not later than 2:00 p.m., New York City time, on (x) in the case of the immediately preceding clauses (i) or (ii), (A) the Business Day that the Borrower receives notice thereof, if such notice is received on such day prior to 12:00 noon, New York City time, or (B) if clause (A) above does not apply, the Business Day immediately following the day that the Borrower receives such notice and (y) in the case of the immediately preceding clause (iii), the Business Day on which an Event of Default set forth under Section 7.01(g) occurs or, if such day is not a Business Day, the Business Day immediately succeeding such day. At any time that there shall exist a Defaulting Lender, immediately upon the request of the Administrative Agent, the L/C Issuer or the Swing Line Lender, the Borrower shall deliver to the Administrative Agent Cash Collateral in an amount sufficient to cover all Fronting Exposure (after giving effect to Section 2.25 and any Cash Collateral provided by the Defaulting Lender). For purposes hereof, "**Cash Collateralize**" means to pledge and deposit with or deliver to the Administrative Agent, for the benefit of the relevant L/C Issuer and the Appropriate Lenders, as collateral for the relevant L/C Obligations, cash or deposit account balances ("**Cash Collateral**") pursuant to documentation in form, amount and substance reasonably satisfactory to the Administrative Agent and the relevant L/C Issuer (which documents are hereby consented to by the Appropriate Lenders). Derivatives of such term have corresponding meanings. The Borrower hereby grants to the Administrative Agent, for the benefit of the L/C Issuers and the Participating Revolving Credit Lenders, a security interest in all such cash, deposit accounts and all balances therein and all proceeds of the foregoing. Cash Collateral shall be maintained in blocked accounts at the Administrative Agent and may be invested in readily available Cash Equivalents. If at any time the Administrative Agent determines that any funds held as Cash Collateral are expressly subject to any right or claim of any Person other than the Administrative Agent (on behalf of the Secured Parties) or that the total amount of such funds is less than the aggregate Outstanding Amount of all relevant L/C Obligations, the Borrower will, forthwith upon demand by the Administrative Agent, pay to the Administrative Agent, as additional funds to be deposited and held in the deposit accounts at the Administrative Agent as aforesaid, an amount equal to the excess of (1) such aggregate Outstanding Amount over (2) the total amount of funds, if any, then held as Cash Collateral that the Administrative Agent reasonably determines to be free and clear of any such right and claim. Upon the drawing of any Letter of Credit for which funds are on deposit as Cash Collateral, such funds shall be applied, to the extent permitted under applicable Law, to reimburse the relevant L/C Issuer. To the extent the amount of any Cash Collateral exceeds the then Outstanding Amount

of such L/C Obligations and so long as no Event of Default has occurred and is continuing, the excess shall be refunded to the Borrower. To the extent any Event of Default giving rise to the requirement to Cash Collateralize any Letter of Credit pursuant to this Section 2.26(g) is cured or otherwise waived, then so long as no other Event of Default has occurred and is continuing, all Cash Collateral pledged to Cash Collateralize such Letter of Credit shall be refunded to the Borrower. If at any time the Administrative Agent determines that Cash Collateral is subject to any right or claim of any Person other than the Administrative Agent as herein provided, or that the total amount of such Cash Collateral is less than the applicable Fronting Exposure and other obligations secured thereby, the Borrower or the relevant Defaulting Lender will, promptly upon demand by the Administrative Agent, pay or provide to the Administrative Agent additional Cash Collateral in an amount sufficient to eliminate such deficiency. In addition, the Administrative Agent may request at any time and from time to time after the initial deposit of Cash Collateral that additional Cash Collateral be provided by the Borrower in order to protect against the results of exchange rate fluctuations with respect to Letters of Credit denominated in currencies other than Dollars.

(h) *Letter of Credit Fees.* The Borrower shall pay to the Administrative Agent (i) for any period prior to the Extension Amendment No. 1 Effective Date, for the account of each Participating Revolving Credit Lender in accordance with its Pro Rata Share a Letter of Credit fee for each Letter of Credit issued pursuant to this Agreement equal to the Applicable Margin then in effect for SOFR Loans that are Revolving Credit Loans of the applicable Class or Classes times the daily maximum amount then available to be drawn under such Letter of Credit (whether or not such maximum amount is then in effect under such Letter of Credit if such maximum amount increases periodically pursuant to the terms of such Letter of Credit) and (ii) for any period commencing on and after the Extension Amendment No. 1 Effective Date, for the account of each 2025 Revolving Credit Lender and each 2027 Revolving Credit Lender in accordance with its Other Allocable Share of the 2025 Revolving Credit Commitments and the 2027 Revolving Credit Commitments, respectively, that result pursuant to Extension Amendment No. 1, a Letter of Credit fee for each Letter of Credit issued pursuant to this Agreement equal to the Applicable Margin then in effect for SOFR Loans that are Revolving Credit Loans of the applicable Class times the Allocable Revolving Share of the 2025 Revolving Credit Lenders or the 2027 Revolving Credit Lenders, as the case may be, of the daily maximum amount then available to be drawn under such Letter of Credit; provided, however, any Letter of Credit fees otherwise payable for the account of a Defaulting Lender with respect to any Letter of Credit as to which such Defaulting Lender has not provided Cash Collateral satisfactory to the L/C Issuer pursuant to this Section 2.26 shall be payable, to the maximum extent permitted by applicable Law, to the other Lenders in accordance with the upward adjustments in their respective Pro Rata Share allocable to such Letter of Credit pursuant to Section 2.25, with the balance of such fee, if any, payable to the L/C Issuer for its own account. Such Letter of Credit fees shall be computed on a quarterly basis in arrears. Such Letter of Credit fees shall be due and payable in Dollars on the 15th day of each of April, July, October and January, commencing with the first such date to occur after the issuance of such Letter of Credit, on the applicable Letter of Credit Expiration Date and thereafter on demand; provided that if any such day is not a Business Day, payment shall be due on the next succeeding Business Day. If there is any change in the applicable Rate during any quarter, the daily maximum amount of each Letter of Credit shall be

computed and multiplied by the applicable Rate separately for each period during such quarter that such applicable Rate was in effect.

(i) *Fronting Fee and Documentary and Processing Charges Payable to L/C Issuers.* The Borrower shall pay directly to each L/C Issuer for its own account a fronting fee with respect to each Letter of Credit issued by it equal to 0.125% per annum of the maximum amount available to be drawn under such Letter of Credit (whether or not such maximum amount is then in effect under such Letter of Credit if such maximum amount increases periodically pursuant to the terms of such Letter of Credit). Such fronting fees shall be computed on a quarterly basis in arrears. Such fronting fees shall be due and payable in Dollars on the 15th day of each of April, July, October and January, commencing with the first such date to occur after the issuance of such Letter of Credit, on the Letter of Credit Expiration Date and thereafter on demand; *provided* that if any such day is not a Business Day, payment shall be due on the next succeeding Business Day. In addition, the Borrower shall pay directly to each L/C Issuer for its own account with respect to each Letter of Credit the customary issuance, presentation, amendment and other processing fees, and other standard costs and charges, of such L/C Issuer relating to letters of credit as from time to time in effect. Such customary fees and standard costs and charges are due and payable within 10 Business Days of demand and are non-refundable.

(j) *Conflict with Letter of Credit Application.* Notwithstanding anything else to the contrary in this Agreement or any Letter of Credit Application, in the event of any conflict between the terms hereof and the terms of any Letter of Credit Application, the terms hereof shall control.

(k) *Addition or Replacement of an L/C Issuer.*

(i) A Revolving Credit Lender reasonably acceptable to the Borrower and the Administrative Agent may become an additional L/C Issuer hereunder pursuant to a written agreement among the Borrower, the Administrative Agent and such Revolving Credit Lender. The Administrative Agent shall notify the Participating Revolving Credit Lenders of any such additional L/C Issuer.

(ii) Any L/C Issuer may resign in its capacity as an L/C Issuer hereunder solely with the consent of the Borrower (not to be unreasonably withheld or delayed), and any L/C Issuer may be replaced at any time by written agreement among the Borrower, the Administrative Agent, the replaced L/C Issuer and the successor L/C Issuer. The Administrative Agent shall notify the Participating Revolving Credit Lenders of any such resignation or replacement. At the time any such resignation or replacement shall become effective, the Borrower shall pay all unpaid fees accrued for the account of the resigning or replaced L/C Issuer, as applicable, pursuant to Section 2.26(h). In the case of the replacement of an L/C Issuer, from and after the effective date of any such replacement, (A) the successor L/C Issuer shall have all the rights and obligations of an L/C Issuer under this Agreement with respect to Letters of Credit to be issued thereafter and (B) references herein to the term "L/C Issuer" shall be deemed to refer to such successor L/C Issuer or to such replaced L/C Issuer, or to such successor L/C Issuer and such replaced L/C Issuer, as the context shall require. After the resignation or replacement of an L/C

Issuer hereunder, the resigned or replaced L/C Issuer, as applicable, shall remain a party hereto and shall continue to have all the rights and obligations of an L/C Issuer under this Agreement with respect to Letters of Credit issued by it prior to such resignation or replacement, but shall not be required to issue additional Letters of Credit.

(l) *Provisions Related to Extended Revolving Credit Commitments.* If the Maturity Date in respect of any Participating Revolving Credit Commitments occurs prior to the expiry date of any Letter of Credit, then (i) if one or more other Participating Revolving Credit Commitments are then in effect (or will automatically be in effect upon such maturity), such Letters of Credit shall automatically be deemed to have been issued (including for purposes of the obligations of the Participating Revolving Credit Lenders to purchase participations therein and to make Revolving Credit Loans and payments in respect thereof pursuant to Sections 2.26(c) and (d)) under (and ratably participated in by Participating Revolving Credit Lenders pursuant to) the non-terminating Participating Revolving Credit Commitments up to an aggregate amount not to exceed the aggregate principal amount of the unutilized Participating Revolving Credit Commitments continuing at such time (it being understood that no partial face amount of any Letter of Credit may be so reallocated) and (ii) to the extent not reallocated pursuant to immediately preceding clause (i) and unless provisions reasonably satisfactory to the applicable L/C Issuer for the treatment of such Letter of Credit as a letter of credit under a successor credit facility have been agreed upon, the Borrower shall, on or prior to the applicable Maturity Date, cause all such Letters of Credit to be replaced and returned to the applicable L/C Issuer undrawn and marked “cancelled” or to the extent that the Borrower is unable to so replace and return any Letter(s) of Credit, such Letter(s) of Credit shall be secured by a “back to back” letter of credit reasonably satisfactory to the applicable L/C Issuer or the Borrower shall Cash Collateralize any such Letter of Credit in accordance with Section 2.26(g). Commencing with the Maturity Date of any Class of Revolving Credit Commitments, the Letter of Credit Sublimit shall be in an amount agreed solely with the L/C Issuers.

(m) *Letters of Credit Issued for Subsidiaries.* Notwithstanding that a Letter of Credit issued or outstanding hereunder is in support of any obligations of, or is for the account of, a Subsidiary or the Parent Guarantor, the Borrower shall be obligated to reimburse the applicable L/C Issuer hereunder for any and all drawings under such Letter of Credit. The Borrower hereby acknowledges that the issuance of Letters of Credit for the account of Subsidiaries or the Parent Guarantor inures to the benefit of the Borrower, and that the Borrower’s business derives substantial benefits from the businesses of such Subsidiaries.

SECTION 2.27. ***Swing Line Loans.*** (a) *The Swing Line.* Subject to the terms and conditions set forth herein, each Swing Line Lender severally agrees to make loans in Dollars to the Borrower (each such loan, a “***Swing Line Loan***”), from time to time on any Business Day during the period beginning on the Business Day after the Closing Date until the date which is one Business Day prior to the Maturity Date of the Participating Revolving Credit Commitments (taking into account the Maturity Date of any Participating Revolving Credit Commitment that will automatically come into effect on such Maturity Date) in an aggregate amount not to exceed at any time outstanding the amount of the Swing Line Sublimit; *provided* that, after giving effect to any Swing Line Loan (i) with respect to any Revolving Credit Lender, the Revolving Credit

Exposure under its Participating Revolving Credit Commitments shall not exceed its aggregate Participating Revolving Credit Commitments (it being understood that with respect to a Swing Line Lender, its Swing Line Exposure for purposes of this clause (i) shall be deemed to be its Pro Rata Share (after giving effect when a Defaulting Lender shall exist to any reallocation effected in accordance with Section 2.25(c)) of the total Swing Line Exposure), (ii) with respect to any Revolving Credit Lender, the aggregate Outstanding Amount of the Revolving Credit Loans of such Lender, *plus* such Lender's L/C Exposure, *plus* such Lender's Pro Rata Share (after giving effect when a Defaulting Lender shall exist to any reallocation effected in accordance with Section 2.25(c)) of the Outstanding Amount of the Swing Line Loans shall not exceed such Lender's Revolving Credit Commitment then in effect and (iii) with respect to any Swing Line Lender, the aggregate of its Swing Line Exposure (in its capacity as a Swing Line Lender and a Revolving Credit Lender), *plus* the aggregate principal amount of its outstanding Revolving Credit Loans (in its capacity as a Revolving Credit Lender), *plus* its L/C Exposure shall not exceed its Revolving Credit Commitment; *provided, further*, that the Borrower shall not use the proceeds of any Swing Line Loan to refinance any outstanding Swing Line Loan. Within the foregoing limits, and subject to the other terms and conditions hereof, the Borrower may borrow, prepay and reborrow Swing Line Loans. Each Swing Line Loan shall be an ABR Loan. Immediately upon the making of a Swing Line Loan by any Swing Line Lender, each Participating Revolving Credit Lender shall be deemed to, and hereby irrevocably and unconditionally agrees to, purchase from such Swing Line Lender a risk participation in such Swing Line Loan in an amount equal to the product of such Lender's Pro Rata Share times the amount of such Swing Line Loan.

(b) *Borrowing Procedures.* Each Swing Line Borrowing shall be made upon the Borrower's irrevocable written notice (such notice a "**Swing Line Loan Notice**") to the Swing Line Lenders and the Administrative Agent. Each such notice must be appropriately completed and signed by a Responsible Officer of the Borrower and received by the Swing Line Lenders and the Administrative Agent not later than 1:00 p.m., New York City time, on the requested borrowing date and shall specify (i) the amount to be borrowed, which shall be a minimum of \$500,000 (and any amount in excess of \$500,000 shall be an integral multiple of \$100,000) and (ii) the requested borrowing date, which shall be a Business Day. Promptly after receipt by any Swing Line Lender of any Swing Line Loan Notice, such Swing Line Lender will confirm with the Administrative Agent (by telephone or in writing) that the Administrative Agent has also received such Swing Line Loan Notice and such Swing Line Lender's ratable portion of the amount of the Swing Line Loan to be made (and if the Administrative Agent has not received such Swing Line Loan Notice, such Swing Line Lender will notify the Administrative Agent (by telephone or in writing) of the contents thereof). Unless a Swing Line Lender has received notice (by telephone (if such Swing Line Lender agrees to accept telephonic notice) or in writing) from the Administrative Agent (including at the request of any Revolving Credit Lender) prior to 2:00 p.m., New York City time, on the date of the proposed Swing Line Borrowing (A) directing the Swing Line Lenders not to make such Swing Line Loan as a result of the limitations set forth in the first proviso to the first sentence of Section 2.27(a) or (B) that one or more of the applicable conditions specified in Section 4.03 is not then satisfied, then, subject to the terms and conditions hereof, such Swing Line Lender will, not later than 4:00 p.m., New York City time, on the borrowing date specified in such Swing Line Loan Notice, make its ratable portion of the amount

of the Swing Line Loan available to the Borrower (such ratable portion to be calculated based upon such Swing Line Lender's Revolving Credit Commitment (in its capacity as a Revolving Credit Lender) to the total Revolving Credit Commitments of all of the Swing Line Lenders (in their respective capacities as Revolving Credit Lenders)). Notwithstanding anything to the contrary contained in this Section 2.27 or elsewhere in this Agreement, no Swing Line Lender shall be obligated to make any Swing Line Loan at a time when a Participating Revolving Credit Lender is a Defaulting Lender unless such Swing Line Lender has entered into arrangements reasonably satisfactory to it and the Borrower to eliminate such Swing Line Lender's Fronting Exposure (after giving effect to Section 2.25) with respect to the Defaulting Lender's or Defaulting Lenders' participation in such Swing Line Loans, including by Cash Collateralizing, or obtaining a backstop letter of credit from an issuer reasonably satisfactory to such Swing Line Lender to support, such Defaulting Lender's or Defaulting Lenders' Pro Rata Share of the outstanding Swing Line Loans or other applicable share provided for under this Agreement. The Borrower shall repay to the Swing Line Lenders each Defaulting Lender's portion (after giving effect to Section 2.25) of each Swing Line Loan promptly following demand by any Swing Line Lender.

(c) *Refinancing of Swing Line Loans.*

(i) Each Swing Line Lender at any time in its sole and absolute discretion may request, on behalf of the Borrower (which hereby irrevocably authorizes the Swing Line Lenders to so request on its behalf), that each Participating Revolving Credit Lender make an ABR Loan in an amount equal to such Lender's Pro Rata Share of the amount of Swing Line Loans of the Borrower then outstanding. Such request shall be made in writing (which written request shall be deemed to be a Borrowing Request for purposes hereof) and in accordance with the requirements of Section 2.02, without regard to the minimum and multiples specified therein for the principal amount of ABR Loans, but subject to the unutilized portion of the aggregate Participating Revolving Credit Commitments and the conditions set forth in Section 4.03. Such Swing Line Lender shall furnish the Borrower with a copy of the applicable Borrowing Request promptly after delivering such notice to the Administrative Agent. Each Participating Revolving Credit Lender shall make an amount equal to its Pro Rata Share of the amount specified in such Borrowing Request available to the Administrative Agent in Same Day Funds for the account of the Swing Line Lenders at the Administrative Agent's office not later than 1:00 p.m., New York City time, on the day specified in such Borrowing Request, whereupon, subject to Section 2.27(c)(ii), each Participating Revolving Credit Lender that so makes funds available shall be deemed to have made an ABR Loan, as applicable, to the Borrower in such amount. The Administrative Agent shall remit the funds so received ratably to the Swing Line Lenders in accordance with their outstanding Swing Line Loans. Upon the remission by the Administrative Agent to the Swing Line Lenders of the full amount specified in such Borrowing Request, the Borrower shall be deemed to have repaid the applicable Swing Line Loan.

(ii) If for any reason any Swing Line Loan cannot be refinanced by such a Revolving Credit Borrowing in accordance with Section 2.27(c)(i), the request for ABR

Loans submitted by a Swing Line Lender as set forth herein shall be deemed to be a request by such Swing Line Lender that each of the Participating Revolving Credit Lenders fund its risk participation in the relevant Swing Line Loan and each Participating Revolving Credit Lender's payment to the Administrative Agent for the account of the Swing Line Lenders pursuant to Section 2.27(c)(i) shall be deemed payment in respect of such participation.

(iii) If any Participating Revolving Credit Lender fails to make available to the Administrative Agent for the account of the Swing Line Lenders any amount required to be paid by such Lender pursuant to the foregoing provisions of this Section 2.27(c) by the time specified in Section 2.27(c)(i), the Swing Line Lenders shall be entitled to recover from such Lender (acting through the Administrative Agent), on demand, such amount with interest thereon for the period from the date such payment is required to the date on which such payment is immediately available to the Swing Line Lenders at the Bank Rate. If such Participating Revolving Credit Lender pays such amount, the amount so paid shall constitute such Lender's Revolving Credit Loan included in the relevant Borrowing or funded participation in the relevant Swing Line Loan, as the case may be. A certificate of any Swing Line Lender submitted to any Lender (through the Administrative Agent) with respect to any amounts owing under this clause (iii) shall be conclusive absent manifest error.

(iv) Each Participating Revolving Credit Lender's obligation to make Revolving Credit Loans or to purchase and fund risk participations in Swing Line Loans pursuant to this Section 2.27(c) shall be absolute and unconditional and shall not be affected by any circumstance, including (A) any setoff, counterclaim, recoupment, defense or other right which such Lender may have against any Swing Line Lender, the Borrower or any other Person for any reason whatsoever, (B) the occurrence or continuance of a Default or the failure to satisfy any condition in Article IV, (C) any adverse change in the condition (financial or otherwise) of the Loan Parties, (D) any breach of this Agreement or (E) any other occurrence, event or condition, whether or not similar to any of the foregoing; *provided* that each Participating Revolving Credit Lender's obligation to make Revolving Credit Loans pursuant to this Section 2.27(c) (but not to purchase and fund risk participations in Swing Line Loans) is subject to the conditions set forth in Section 4.03. No such funding of risk participations shall relieve or otherwise impair the obligation of the Borrower to repay the applicable Swing Line Loans, together with interest as provided herein.

(d) *Repayment of Participations.*

(i) At any time after any Participating Revolving Credit Lender has purchased and funded a risk participation in a Swing Line Loan, if any Swing Line Lender receives any payment on account of such Swing Line Loan, such Swing Line Lender will distribute to such Lender its Pro Rata Share of such payment (appropriately adjusted to reflect (x) any reallocation effected in accordance with Section 2.25(c) and (y) in the case of interest payments, to reflect the period of time during which such Lender's risk

participation was funded) in the same funds as those received by such Swing Line Lender.

(ii) If any payment received by any Swing Line Lender in respect of principal or interest on any Swing Line Loan is required to be returned by such Swing Line Lender under any of the circumstances described in Section 9.06 (including pursuant to any settlement entered into by such Swing Line Lender in its discretion), each Participating Revolving Credit Lender shall pay to such Swing Line Lender its Pro Rata Share thereof on demand of the Administrative Agent, plus interest thereon from the date of such demand to the date such amount is returned, at a rate per annum equal to the Bank Rate. The Administrative Agent will make such demand upon the request of any Swing Line Lender.

(e) *Interest for Account of Swing Line Lenders.* Each Swing Line Lender shall be responsible for invoicing the Borrower for interest on the Swing Line Loans made by it. Until each Participating Revolving Credit Lender funds its ABR Loan or risk participation pursuant to this Section 2.27 to refinance such Lender's Pro Rata Share of any Swing Line Loan, interest in respect of such Pro Rata Share shall be solely for the ratable account of the Swing Line Lenders.

(f) *Payments Directly to Swing Line Lenders.* The Borrower shall make all payments of principal and interest in respect of the Swing Line Loans directly to the Swing Line Lenders.

There is no proposed tax assessment against any Loan Party or any Restricted Subsidiary that would, if made, have a Material Adverse Effect.

SECTION 3.12. **Benefit Plans.** No ERISA Event has occurred or is reasonably expected to occur that, when taken individually or together with all other such ERISA Events, would reasonably be expected to result in a Material Adverse Effect. Except as would not reasonably be expected to result in a Material Adverse Effect, the present value of all accumulated benefit obligations under each Plan, if such Plan or Plans were to be terminated (based on the assumptions used for purposes of Statement of Financial Accounting Standards No. 87 or any successor thereto) did not, as of the date of the most recent financial statements reflecting such amounts, exceed the fair market value of the assets of such Plan allocable to such accumulated benefit obligations.

None of the proceeds of the Loans shall be used directly or indirectly for the purpose of purchasing or carrying any margin stock, for the purpose of reducing or retiring any Indebtedness that was originally incurred to purchase or carry any margin stock or for any other purpose that might cause any of the Loans to be considered a “purpose credit” within the meaning of Regulations T, U or X.

(b) None of the Loan Parties or any Restricted Subsidiary is or is required to be registered as an “investment company” under the Investment Company Act of 1940.

SECTION 3.15. **Disclosure.** No report, financial statement, certificate or other information furnished (whether in writing or orally) by or on behalf of any Loan Party to the Administrative Agent or any Lender in connection with the transactions contemplated hereby and the negotiation of this Agreement or any other Loan Document or delivered hereunder or under any other Loan Document (in each case, as modified or supplemented by other information so furnished) contains any material misstatement of fact or omits to state any material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not materially misleading; *provided* that, with respect to projected financial information and pro forma financial information, the Loan Parties represent only that such information was prepared in good faith based upon assumptions believed to be reasonable at the time furnished to the Lenders, it being understood that such projections may vary from actual results and that such variations may be material, and using due care in the preparation of such information, report, financial statement or certificate; *provided, further*, that with respect to any such information regarding the Borrower and its Restricted Subsidiaries prior to the Closing Date, the foregoing representation and warranty shall be made to the knowledge of the Borrower.

SECTION 3.16. **Compliance with Laws.** Each of the Loan Parties and the Restricted Subsidiaries is in compliance in all material respects with the requirements of all Laws and all orders, writs, injunctions and decrees applicable to it or to its properties, except in such instances in which the failure to comply therewith, either individually or in the aggregate, would not reasonably be expected to have a Material Adverse Effect.

SECTION 3.17. **Intellectual Property; Licenses, Etc.** The Loan Parties and the Restricted Subsidiaries own, or possess the right to use, all of the intellectual property, licenses, permits and other authorizations that are reasonably necessary for the operation of their respective businesses, without conflict with the rights of any other Person. To the best of the knowledge of the Loan Parties, no slogan or other advertising device, product, process, method, substance, part or other material now employed, or now contemplated to be employed, by any Loan Party or Restricted Subsidiary infringes upon any rights held by any other Person. No claim or litigation regarding any of the foregoing is pending or, to the best of the knowledge of the

Loan Parties, threatened, which, either individually or in the aggregate, would reasonably be expected to have a Material Adverse Effect.

SECTION 3.18. **Labor Matters.** Except as would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect, there are no strikes, lockouts, slowdowns or other material labor disputes against any Loan Party or any Restricted Subsidiary pending or, to the knowledge of any Loan Party, threatened. The hours worked by and payments made to employees of the Loan Parties and the Restricted Subsidiaries have not been in violation of the Fair Labor Standards Act and any other applicable federal, state, local or foreign Law dealing with such matters in any material respect.

SECTION 3.19. **Security Documents.** Subject to the Legal Reservations, the Security Documents create or will create when executed, to the extent purported to be created thereby, in favor of the Collateral Agent, for the benefit of the Secured Parties referred to therein, a legal, valid, continuing and enforceable security interest in the Collateral, the enforceability of which is subject to applicable bankruptcy, insolvency, reorganization, moratorium or other laws affecting creditors' rights generally and subject to general principles of equity, regardless of whether considered in a proceeding in equity or at law.

(b) No transfer of property has been or will be made by any Loan Party and no obligation has been or will be incurred by any Loan Party in connection with the transactions contemplated by this Agreement or the other Loan Documents with the intent to hinder, delay, or defraud either present or future creditors of any Loan Party.

SECTION 3.24. **Sanctions.** (a) No Group Member is using or will use the proceeds of this Agreement for the purpose of financing or making funds available directly or indirectly to any person or entity which is listed on a Sanctions List, or located in a Sanctioned Country, to the extent such financing or provision of funds would be prohibited by Sanctions or would otherwise cause any person to be in breach of Sanctions, including but not limited to OFAC

sanctions where such financing or provision of funds is or would be conducted by a person in the United States of America.

(b) No Group Member is contributing or will contribute or otherwise make available the proceeds of this Agreement to any other person or entity for the purpose of financing the activities of any person or entity which is listed on a Sanctions List, or located (or ordinarily resident) in a Sanctioned Country, to the extent such contribution or provision of proceeds would be prohibited by Sanctions or would otherwise cause any person to be in breach of Sanctions (including but not limited to OFAC sanctions where such contribution or provision of proceeds is or would be conducted by a person in the United States of America).

(c) To the best of its knowledge and belief (having made due and careful enquiry) no Group Member: (i) has been or is targeted under any Sanctions; or (ii) has violated or is violating any applicable Sanctions.

SECTION 3.25. ***Anti-Terrorism; Anti-Corruption***. To the extent applicable, each of the Loan Parties and the Restricted Subsidiaries is in compliance in all material respects with (a) the Trading with the Enemy Act, as amended, and each of the foreign assets control regulations of the United States Treasury Department (31 C.F.R., Subtitle B, Chapter V, as amended) and any other enabling legislation or executive order relating thereto, and (b) the USA PATRIOT Act; and (c) anti-corruption laws and regulations, including the Bribery Act 2010 (the “*BA*”) and the United States Foreign Corrupt Practices Act of 1977 (the “*FCPA*”). ARTICLE V

COVENANTS

The Borrower and each Guarantor covenant and agree with each Lender that from and after the Closing Date, so long as this Agreement shall remain in effect, and until the Commitments have been terminated and the principal of and interest on each Loan and all fees and all other expenses or amounts payable under any Loan Document shall have been paid in full (other than contingent indemnification obligations not then due and payable), or any Letter of Credit shall remain outstanding (unless the Outstanding Amount of the L/C Obligations related thereto has been Cash Collateralized or back-stopped by a letter of credit reasonably satisfactory to the applicable L/C Issuer or such Letter of Credit has been deemed reissued under another agreement reasonably acceptable to the L/C Issuer), or unless the Required Lenders shall otherwise consent in writing, the Borrower and each Guarantor will, and will, to the extent provided below, cause each of the Restricted Subsidiaries to comply with the covenants set forth in Annex I and to:

SECTION 5.01. **Projections.** Deliver to the Administrative Agent (for distribution to each Lender), together with the delivery of reports required to be delivered pursuant to Section 4.10(a)(1) of Annex I, forecasts prepared using fiscal periods for any applicable fiscal years (including, if applicable, the fiscal year in which the Maturity Date occurs) as customarily prepared by management of the Borrower for its internal use (the “**Projections**”), which shall be accompanied by a certificate of a Responsible Officer stating that such Projections have been prepared in good faith on the basis of the assumptions stated therein, which assumptions were believed to be reasonable at the time of preparation of such Projections, it being understood that actual results may vary from such Projections and that such variations may be material.

SECTION 5.02. **Certificates; Other Information.** (a) Deliver to the Administrative Agent and, upon the Administrative Agent’s request each Lender, in form and detail satisfactory to the Administrative Agent:

- (i) promptly after the receipt thereof by the Borrower and its Restricted Subsidiaries, a copy of any “management letter” received by any such Person from its certified public accountants and the management’s response thereto;
- (ii) promptly after the request by the Administrative Agent or any Lender, all documentation and other information that the Administrative Agent or such Lender reasonably requests in order to comply with its ongoing obligations under applicable “know your customer” and anti-money laundering rules and regulations, including the USA PATRIOT Act and the Beneficial Ownership Regulation; and

(iii) promptly, such additional information regarding the business affairs, financial condition or operations of any Loan Party or any Subsidiary, or compliance with the terms of the Loan Documents, as the Administrative Agent or any Lender may from time to time reasonably request.

(b) Documents required to be delivered pursuant to Section 4.10 of Annex I may be delivered electronically and if so delivered, shall be deemed to have been delivered on the date (i) specified in Section 9.01 with respect to e-mail communications, (ii) on which the Borrower posts such documents, or provides a link thereto on the Borrower's website on the Internet at the website address listed on Schedule 9.01(a); or (iii) on which such documents are posted on the Borrower's behalf on an Internet or intranet website, if any, to which each Lender and the Administrative Agent have access (whether a commercial, third-party website or whether sponsored by the Administrative Agent); *provided* that (x) the Borrower shall notify the Administrative Agent and each Lender (by telecopier or e-mail) of the posting of any such documents and (y) if for any reason the Administrative Agent is unable to obtain electronic versions of the documents posted, promptly upon the Administrative Agent's request provide to the Administrative Agent by electronic mail electronic versions (i.e., soft copies) of such documents. The Administrative Agent shall have no obligation to request the delivery or to maintain copies of the documents referred to above, and in any event shall have no responsibility to monitor compliance by the Loan Parties with any such request for delivery, and each Lender shall be solely responsible for requesting delivery to it or maintaining its copies of such documents.

(c) The Borrower hereby acknowledges and agrees that all financial statements and certificates furnished pursuant to Section 4.10(a)(1) and Section 4.10(a)(2) of Annex I are hereby deemed to be Borrower Materials suitable for distribution, and to be made available, to Public Lenders, as contemplated by Section 9.01(f) and may be treated by the Administrative Agent and the Lenders as if the same has been marked "PUBLIC" in accordance with such paragraph.

SECTION 5.03. **Notices.** Promptly notify the Administrative Agent of: (a) as soon as possible after a Responsible Officer of the Borrower knows thereof, the occurrence of any Default or Event of Default, specifying the nature and extent thereof and the corrective action (if any) taken or proposed to be taken with respect thereto;

(b) as soon as possible after a Responsible Officer of the Borrower knows thereof, any filing or commencement of, or any written threat or notice of intention of any person to file or commence, any action, suit, litigation or proceeding, whether at law or in equity by or before any Governmental Authority against the Borrower or any of the Restricted Subsidiaries that could reasonably be expected to result in a Material Adverse Effect; and

(c) (i) promptly upon becoming aware of the occurrence of any ERISA Event that would reasonably be expected to result in a Material Adverse Effect, a written notice specifying the nature thereof, what action the Borrower, any of its Restricted Subsidiaries or any of their respective ERISA Affiliates has taken, is taking or proposes to take with respect thereto and, when known, any action taken or threatened by the Internal Revenue Service, the Department of Labor or the PBGC with respect thereto; and (ii) with reasonable promptness, copies of such

documents and governmental reports and filings relating to any Plan or Multiemployer Plan as Administrative Agent shall reasonably request.

Each notice pursuant to this Section 5.03 shall be accompanied by a statement of a Responsible Officer of the Borrower setting forth details of the occurrence referred to therein and stating what action the Borrower has taken and proposes to take with respect thereto. Each notice pursuant to Section 5.03(a) shall describe with particularity any and all provisions of this Agreement and any other Loan Document that have been breached.

SECTION 5.04. **Payment of Obligations.** Pay and discharge as the same shall become due and payable, all its obligations and liabilities, including (a) all material Taxes, assessments and governmental charges or levies upon it or its properties, assets, income or profits before the same shall have become delinquent or in default, (b) all lawful claims (including claims of landlords, warehousemen, freight forwarders and carriers, and all claims for labor materials and supplies or otherwise) which, if unpaid, would by law become a Lien upon its property; and (c) all Indebtedness, as and when due and payable, but subject to any subordination provisions contained in any instrument or agreement evidencing such Indebtedness, except, in each case under clauses (a) or (b), where (i) (A) the validity or amount thereof is being contested in good faith by appropriate proceedings, (B) such Loan Party has set aside on its books adequate reserves with respect thereto in accordance with GAAP and (C) such contest effectively suspends collection of the contested obligation and enforcement of any Lien securing such obligation or (ii) the failure to make payment pending such contest would not reasonably be expected to result in a Material Adverse Effect.

SECTION 5.05. **Preservation of Existence.** (a) Preserve, renew and maintain in full force and effect its legal existence and good standing under the Laws of the jurisdiction of its organization or formation except in a transaction permitted by Article V of Annex I if, other than in respect of the Borrower, the failure to do so would reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect; *provided, however,* that in no event shall the Borrower change its jurisdiction of organization to a jurisdiction other than the United States of America, or any State of the United States or the District of Columbia; (b) take all necessary action to maintain and keep in full force and effect all rights, privileges, permits, licenses and franchises material to the normal conduct of its business if the failure to do so would reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect; and (c) preserve or renew all of its intellectual property, except to the extent such intellectual property (i) is no longer used or useful in the business of any Loan Party or Restricted Subsidiary and (ii) is not otherwise material to the business of the Loan Parties and Restricted Subsidiaries, taken as a whole, in any respect.

SECTION 5.06. **Maintenance of Properties.** (a) Maintain, preserve and protect all of its material properties and equipment material to the operation of its business in good working order and condition, ordinary wear and tear excepted; and (b) make all repairs thereto and renewals, improvements, additions and replacements thereof necessary in order that the business carried on in connection therewith may be properly conducted at all times except, in each case, if

the failure to do so would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect.

SECTION 5.07. **Maintenance of Insurance.** Maintain with insurance companies that the Borrower believes (in the good faith judgment of its management) are financially sound and reputable insurance companies at the time the relevant coverage is placed or renewed and that are not Affiliates of the Loan Parties, insurance with respect to its properties and business against loss or damage of the kinds customarily insured against by Persons engaged in the same or similar business and operating in the same or similar locations (after giving effect to any self-insurance reasonable and customary for similarly situated Persons engaged in a Similar Business).

SECTION 5.08. **Compliance with Laws.** Comply in all material respects with the requirements of all Laws and all orders, writs, injunctions and decrees applicable to it or to its business or property, except in such instances in which the failure to comply therewith would not reasonably be expected to have a Material Adverse Effect.

SECTION 5.09. **Books and Records; Accountants; Maintenance of Ratings.** (a) Maintain proper books of record and account, in which full, true and correct entries in conformity with GAAP, IFRS, or local generally accepted accounting principles, as the case may be, consistently applied shall be made of all financial transactions and matters involving the assets and business of the Loan Parties or such Subsidiary, as the case may be; and maintain such books of record and account in material conformity with all applicable requirements of any Governmental Authority having regulatory jurisdiction over the Loan Parties or such Subsidiary, as the case may be.

(b) At all times retain a Registered Public Accounting Firm which is reasonably satisfactory to the Administrative Agent and shall instruct such Registered Public Accounting Firm to cooperate with, and be available to, the Administrative Agent or its representatives to discuss, with a representative of the Borrower present, the Loan Parties' financial performance, financial condition, operating results, controls, and such other matters, within the scope of the retention of such Registered Public Accounting Firm, as may be raised by the Administrative Agent.

(c) Use commercially reasonable efforts to cause the Term Facility to be continuously rated by S&P and Moody's, and use commercially reasonable efforts to maintain a corporate rating from S&P and a corporate family rating from Moody's, in each case in respect of the Borrower.

SECTION 5.10. **Inspection Rights.** Subject to any applicable confidentiality undertakings or stock exchange regulations, permit representatives and independent contractors of the Administrative Agent to visit and inspect any of its properties, to examine its corporate, financial and operating records, and make copies thereof or abstracts therefrom, and to discuss its affairs, finances and accounts with its directors, officers, and Registered Public Accounting Firm at such reasonable times during normal business hours upon reasonable advance notice to the Borrower; *provided* that the Administrative Agent shall not exercise such rights more than twice

in any calendar year and only one such exercise will be at the expense of the Loan Parties; *provided, further*, that when an Event of Default exists, the Administrative Agent (or any of its representatives or independent contractors) may do any of the foregoing at the expense of the Loan Parties at any time during normal business hours upon reasonable advance notice to the Borrower.

SECTION 5.11. ***Use of Proceeds.*** (a) Upon release from the Loan Escrow Account, use all of the proceeds of the Initial Term Loans (other than the 2025 Refinancing Term Loans made on the Refinancing Amendment Effective Date pursuant to Refinancing Amendment No. 1) solely to consummate the Transactions. The proceeds of the 2025 Refinancing Term Loans made on the Refinancing Amendment Effective Date pursuant to Refinancing Amendment No. 1 shall be used on the Refinancing Amendment Effective Date (a) to prepay in full all Initial Term Loans outstanding hereunder as of the Refinancing Amendment Effective Date (immediately prior to giving effect to Refinancing Amendment No. 1), all accrued and unpaid interest thereon and all other Obligations in respect thereof and (b) to pay the fees, expenses and other amounts incurred in connection with the transactions contemplated by Refinancing Amendment No. 1.

(b) Apply any amount drawn under the Revolving Credit Facilities (i) on and after the Funding Date to fund any interest with respect to any Term Loans, the Senior Notes, Senior Secured Notes or any bridge loans or rollover loans in lieu thereof, and original issue discount or upfront fees required to be funded under the “market flex” provisions of the Arranger Fee Letter, (ii) on or prior to the Closing Date, to fund the Special Distribution and pay any fees and expenses in connection with the Transactions, in an aggregate amount for this clause (ii) not to exceed the Closing Date Revolving Available Amount and (iii) after the Closing Date, for working capital, capital expenditures and general corporate purposes (including acquisitions, Permitted Investments, Restricted Payments and other transactions not prohibited by this Agreement).

(c) The Borrower will not request any Borrowing, and the Borrower shall not use, directly or indirectly, and shall procure that no Group Member will, directly or indirectly, use the proceeds of any Borrowing (i) for the purpose of funding, financing or facilitating any activities, business or transaction of or with any person or entity which is listed on a Sanctions List or owned or controlled by a person or entity listed on a Sanctions List, or in any Sanctioned Country or (ii) in any manner that would result in the violation of any Sanctions applicable to any party hereto.

SECTION 5.12. ***[Reserved.]***

SECTION 5.13. ***Further Assurances.*** Execute any and all further documents, financing statements, agreements and instruments, and take all such further actions (including the filing and recording of financing statements and other documents) which the Administrative Agent may reasonably request, to carry out the terms and conditions of this Agreement and the other Loan Documents and to establish, maintain, renew, preserve or protect the rights and remedies of Administrative Agent and other Secured Parties hereunder and under the other Loan Documents, or to grant, preserve, protect or perfect the Liens created or intended to be created by the Security Documents or the validity or priority of any such Lien, all at the expense of the Loan

SECTION 6.02. **Additional Financial Covenants.** From and after the Extension Amendment No. 1 Effective Date and prior to the 2027 Revolving Facility Maturity Date, the Borrower will not:

(a) to the extent that any Restricted Subsidiary owns, or holds exclusive licenses or rights to, any Material Intellectual Property, designate such Restricted Subsidiary as an Unrestricted Subsidiary. Notwithstanding anything to the contrary in this Agreement, no Loan Party or any of its Restricted Subsidiaries shall (whether by Investment, Restricted Payment, Disposition or otherwise) transfer any ownership right, or exclusive license or exclusive right to, any Material Intellectual Property to any Unrestricted Subsidiary (including by transferring any Capital Stock of a member of the Group to an Unrestricted Subsidiary); and no Unrestricted Subsidiary shall own, or hold exclusive licenses or rights to, any Material Intellectual Property;

(b) request for any Guarantor to be released from its Loan Guarantee in connection with any transaction (i) that constitutes a transfer of the Capital Stock in such Guarantor to an Affiliate of the Borrower or to any Restricted Subsidiary, (ii) the primary purpose of which is to obtain a release of such Guarantor from its Loan Guarantee (as determined in good faith by the Borrower), (iii) for which there is no other bona fide business purpose and (iv) that, after giving effect to such transaction, such Guarantor continues to be a Restricted Subsidiary; or

(c) make any Restricted Payments pursuant to Section 4.05(b)(17) of Annex I to this Agreement; provided that the Borrower shall be permitted to make Restricted Payments pursuant to Section 4.05(b)(17) of Annex I to this Agreement so long as no Default or Event of Default has occurred and is continuing (or would result therefrom), and after giving pro forma effect to any such Restricted Payment, the Consolidated Net Leverage Ratio would be no greater than 6.09 to 1.00.

The provisions of this Article VI are for the benefit of the Revolving Credit Lenders only and the Required Revolving Credit Lenders may amend, waive or otherwise modify Section 6.01, Section 6.02 or the defined terms used for purposes of this Sections 6.01 or 6.02 or waive any Default or Event of Default resulting from a breach of Section 6.01 or waive any Extension Breach resulting from a breach of Sections 6.02(a), (b) or (c) (any such breach, an "Extension Breach") without the consent of any Lenders other than such Required Revolving Credit Lenders

(i) *Change of Control*. There occurs a Change of Control; or

(j) *Employee Benefit Plans.* (i) There shall occur one or more ERISA Events which individually or in the aggregate results in or would reasonably be expected to result in a Material Adverse Effect; or (ii) there exists any fact or circumstance that would reasonably be expected to result in the imposition of a Lien or security interest under Section 430(k) of the Code or under ERISA;

then, and in every such event (other than an event with respect to the Borrower described in clause (g)), and at any time thereafter during the continuance of such event, the Administrative Agent may, and at the request of the Required Lenders shall, by notice to the Borrower, take any or all of the following actions, at the same or different times: (i) terminate forthwith the Commitments and any obligation of the L/C Issuers to make L/C Credit Extensions; Article I declare the Loans then outstanding to be forthwith due and payable in whole or in part, whereupon the principal of the Loans so declared to be due and payable, together with accrued interest thereon and any unpaid accrued fees, other amounts payable and all other liabilities of the Borrower accrued hereunder and under any other Loan Document, shall become forthwith due and payable, without presentment, demand, protest or any other notice of any kind, all of which are hereby expressly waived by the Borrower, anything contained herein or in any other Loan Document to the contrary notwithstanding; Article I require that the Borrower Cash Collateralize the L/C Obligations (in an amount equal to the then Outstanding Amount thereof); and in any event with respect to the Borrower described in clause (g), the Commitments and any obligation of the L/C Issuers to make L/C Credit Extensions shall automatically terminate and the principal of the Loans then outstanding, together with accrued interest thereon and any unpaid accrued fees, other amounts payable and all other liabilities of the Borrower accrued hereunder and under any other Loan Document, shall automatically become due and payable, without presentment, demand, protest or any other notice of any kind, all of which are hereby expressly waived by the Borrower, anything contained herein or in any other Loan Document to the contrary notwithstanding and the obligation of the Borrower to Cash Collateralize the L/C Obligations as aforesaid shall automatically become effective; and ~~(iv)~~(iv) the Administrative Agent and the Collateral Agent shall have the right to take all or any actions and exercise any remedies available under the Loan Documents or applicable law or in equity.

Notwithstanding anything to the contrary, if the only Events of Default then having occurred and continuing are pursuant to a failure to observe the Financial Covenant, the Administrative Agent shall only take the actions set forth in this Section 7.01 at the request of the Required Revolving Credit Lenders (as opposed to Required Lenders).

SECTION 7.02. *Application of Funds.* After the exercise of remedies provided for in this Article VII (or after the Loans have automatically become immediately due and payable or the L/C Obligations have automatically been required to be Cash Collateralized as set forth in this Article VII), any amounts received on account of the Obligations shall (subject to any Intercreditor Agreement (on and after the execution thereof)) be applied by the Administrative Agent in the following order:

first, to payment of that portion of the Obligations constituting fees, indemnities, expenses and other amounts (including fees, charges and disbursements of counsel to the

Administrative Agent and amounts payable under Section 2.20) payable to the Administrative Agent or the Collateral Agent, in their respective capacities as such;

second, to payment of that portion of the Obligations constituting indemnities, expenses, and other amounts (other than principal, interest and fees) payable to the Lenders (including fees, charges and disbursements of counsel to the respective Lenders and amounts payable under Section 2.20), ratably among them in proportion to the amounts described in this clause second payable to them;

third, to payment of that portion of the Obligations constituting accrued and unpaid interest on the Loans, L/C Borrowings and other Obligations, and fees, ratably among the Lenders in proportion to the respective amounts described in this clause third payable to them;

fourth, to payment of that portion of the Obligations constituting unpaid principal of the Loans and L/C Borrowings (including to Cash Collateralize that portion of L/C Obligations comprised of the aggregate undrawn amount of Letters of Credit) and any breakage, termination or other payments under Treasury Services Agreements or Swap Contracts, ratably among the Secured Parties in proportion to the respective amounts described in this clause fourth held by them;

fifth, to payment of all other Obligations ratably among the Secured Parties in proportion to the respective amounts described in this clause fifth held by them; and

last, the balance, if any, after all of the Obligations have been indefeasibly paid in full, to the Loan Parties or as otherwise required by Law.

Subject to Section 2.26(g), amounts used to Cash Collateralize the aggregate undrawn amount of Letters of Credit pursuant to clause fourth above shall be applied to satisfy drawings under such Letters of Credit as they occur. If any amount remains on deposit as Cash Collateral after all Letters of Credit have either been fully drawn or expired, such remaining amount shall be applied to the other Obligations, if any, in the order set forth above and, if no Obligations remain outstanding, to the Borrower.

SECTION 7.03. ***Borrower's Right to Cure.*** Notwithstanding anything to the contrary contained in Section 7.01 or Section 7.02:

(a) For the purpose of determining whether an Event of Default under a Financial Covenant has occurred, the Borrower may on one or more occasions:

(i) designate any portion of the net cash proceeds from a sale or issuance of Capital Stock, other than any Disqualified Stock of the Borrower or any contribution to the common capital of the Borrower (or from any other contribution to capital or sale or issuance of any other Capital Stock on terms reasonably satisfactory to the Administrative Agent) (the "***Cure Amount***") as an increase to Consolidated EBITDA for the applicable fiscal quarter; *provided* that (A) such amounts to be designated are actually received by the Borrower on or after the first day of such applicable fiscal quarter and on

or prior to the 10th Business Day after the date on which financial statements are required to be delivered with respect to such applicable fiscal quarter (the “**Cure Expiration Date**”), (B) such amounts do not exceed the aggregate amount necessary to cure any Event of Default under the relevant Financial Covenant as of such date and (C) the Borrower shall have provided notice to the Administrative Agent on the date such amounts are designated as a “**Cure Amount**” (it being understood that to the extent any such notice is provided in advance of delivery of a Compliance Certificate for the applicable period, the amount of such net cash proceeds that is designated as the Cure Amount may be different than the amount necessary to cure any Event of Default under the relevant Financial Covenant and may be modified, as necessary, in a subsequent corrected notice delivered on or before the Cure Expiration Date (it being understood that in any event the final designation of the Cure Amount shall continue to be subject to the requirements set forth in clauses (A) and (B) above)); *provided, further*, that the Cure Amount used to calculate Consolidated EBITDA for one fiscal quarter shall be used and included when calculating Consolidated EBITDA for each Test Period that includes such fiscal quarter.

(b) The parties hereby acknowledge that this Section 7.03 may not be relied on for purposes of calculating any financial ratios other than for determining actual compliance with Article VI (and not pro forma compliance with Article VI that is required by any other provision of this Agreement) and shall not result in any adjustment to any amounts (including the amount of Indebtedness) or increase in cash (and shall not be included for purposes of determining pricing, mandatory prepayments and the availability or amount permitted pursuant to any covenant under Article IV of Annex I) with respect to the quarter with respect to which such Cure Amount was made other than the amount of the Consolidated EBITDA referred to in the immediately preceding sentence.

(c) In furtherance of clause (a) above, (i) upon actual receipt and designation of the Cure Amount by the Borrower, the relevant Financial Covenant shall be deemed satisfied and complied with as of the end of the relevant fiscal quarter with the same effect as though there had been no failure to comply with the relevant Financial Covenant and any Event of Default under the relevant Financial Covenant (and any other Default arising solely as a result thereof) shall be deemed not to have occurred for purposes of the Loan Documents, and (ii) upon delivery to the Administrative Agent prior to the Cure Expiration Date of a notice from the Borrower stating its good faith intention to exercise its right set forth in this Section 7.03, neither the Administrative Agent on or after the last day of the applicable quarter nor any Lender may exercise any rights or remedies under Section 7.01 or Section 7.02 (or under any other Loan Document) on the basis of any actual or purported Event of Default under the Financial Covenant (and any other Default as a result thereof) until and unless the Cure Expiration Date has occurred without the Cure Amount having been received and designated.

(d) (i) In each period of four consecutive fiscal quarters, there shall be at least two fiscal quarters in which no cure right set forth in this Section 7.03 is exercised and (ii) there shall be no pro forma reduction in Indebtedness (directly or by way of netting) with the Cure Amount

for determining compliance with the applicable Financial Covenant for the fiscal quarter with respect to which such Cure Amount was made.

(e) There can be no more than five (5) fiscal quarters in which the cure rights set forth in this Section 7.03 are exercised during the term of the 2027 Revolving Credit Commitments.

ARTICLE VIII

THE ADMINISTRATIVE AGENT; ETC.

(a) Each Lender and the other Secured Parties hereby irrevocably designates and appoints the Administrative Agent and the Collateral Agent as its agent hereunder and under the other Loan Documents. Each Lender hereby authorizes the Administrative Agent and the Collateral Agent (for purposes of this Article VIII, the Administrative Agent and the Collateral Agent are referred to collectively as the “*Agents*”) to take such actions on its behalf and to exercise such powers and perform such duties as are delegated to such Agent by the terms hereof and thereof, together with such other actions and powers as are reasonably incidental thereto. The provisions of this Article VIII (except for paragraphs (g) and (h)) are solely for the benefit of the Agents and the Lenders, and neither the Borrower, nor any other Loan Party shall have rights as a third-party beneficiary of any of such provisions. It is understood and agreed that the use of the term “agent” herein or in any other Loan Documents (or any other similar term) with reference to the Administrative Agent or Collateral Agent, as applicable, is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable law. Instead such term is used as a matter of market custom, and is intended to create or reflect only an administrative relationship between contracting parties. Without limiting the generality of the foregoing, the Agents are hereby expressly authorized to negotiate, enforce or settle any claim, action or proceeding affecting the Lenders in their capacity as such, at the direction of the Required Lenders, which negotiation, enforcement or settlement will be binding upon each Lender.

(b) Each Secured Party hereby further authorizes the Administrative Agent or Collateral Agent, as applicable, on behalf of and for the benefit of the Secured Parties, to be the agent for and representative of the Secured Parties with respect to the Collateral, the Security Documents, any Intercreditor Agreement and any Additional Intercreditor Agreement and to enter into the same at any time and from time to time. Subject to Section 9.08, Section 9.20 or Section 12 of the Facility Guaranty (as applicable) without further written consent or authorization from any Lender, the Administrative Agent or Collateral Agent, as applicable, may execute any documents or instruments necessary to (i) release any Lien encumbering any item of Collateral in the circumstances set forth in Section 9.20, or with respect to which Required Lenders (or such other Lenders as may be required to give such consent under Section 9.08) have otherwise consented and/or (ii) release any Guarantor from the Loan Guarantee in the circumstances set forth in Section 12 of the Facility Guaranty, or with respect to which Required Lenders (or such other Lenders as may be required to give such consent under Section 9.08) have otherwise consented.

(c) The Person serving as the Administrative Agent and/or the Collateral Agent hereunder shall have the same rights and powers in its capacity as a Lender as any other Lender and may exercise the same as though it were not an Agent, and the term “Lender” or “Lenders” shall, unless otherwise expressly indicated or unless the context otherwise requires, include the Person serving as an Agent hereunder in its individual capacity. Such Person and its Affiliates may accept deposits from, lend money to, own securities of, act as the financial advisor or in any other advisory capacity for, and generally engage in any kind of business with the Borrower or any Subsidiary or other Affiliate thereof (subject to securities law and other requirements of applicable law) as if it were not an Agent hereunder and without any duty to account therefor to the Lenders. The Borrower agrees to pay to the Administrative Agent all fees and expenses in accordance with any separate agreement between the Borrower and the Administrative Agent.

(d) Neither Agent shall have any duties or obligations except those expressly set forth herein and in the Loan Documents, and its duties hereunder and thereunder shall be administrative in nature. Without limiting the generality of the foregoing, (i) neither Agent shall be subject to any fiduciary or other implied duties, regardless of whether a Default or Event of Default has occurred and is continuing, (ii) neither Agent shall have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby that such Agent is instructed in writing to exercise by the Required Lenders (or such other number or percentage of the Lenders as shall be necessary under the circumstances as provided for herein or in the other Loan Documents); *provided* that neither Agent shall be required to take any action that, in its opinion or the opinion of its counsel, may expose such Agent to liability or that is contrary to any Loan Document or applicable law and (iii) except as expressly set forth herein and in the other Loan Documents, neither Agent shall have any duty to disclose, nor shall it be liable for the failure to disclose, any information relating to the Borrower or any of the Subsidiaries that is communicated to or obtained by the Person serving as the Administrative Agent and/or the Collateral Agent or any of its Affiliates in any capacity. Without limiting the foregoing, neither Agent shall be liable for any action taken or not taken by it in accordance with any Intercreditor Agreement. Neither Agent (nor any of their respective Related Parties) shall be liable for any action taken or not taken by it with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, or as such Agent shall believe in good faith shall be necessary, under the circumstances as provided in Article VII or Section 9.08), or for any action lawfully taken or omitted to be taken by such Agent or otherwise hereunder or under any Loan Document in the absence of its own gross negligence or willful misconduct as determined by a court of competent jurisdiction by a final non-appealable judgment. Neither Agent (nor any of their respective Related Parties) shall be deemed to have knowledge of any Default or Event of Default unless and until written notice thereof is actually received by an office of such Agent directly responsible for the administration of this Agreement from the Borrower or a Lender and stating that such notice is a notice of default. Neither Agent shall be responsible for or have any duty to ascertain or inquire into (A) any statement, warranty or representation made in or in connection with this Agreement or any other Loan Document, (B) the contents of any certificate, report or other document delivered thereunder or in connection therewith, (C) the performance or observance of any of the covenants, agreements or other terms or conditions set forth in any Loan Document or the occurrence of any Default or Event of Default, (D) the validity,

enforceability, effectiveness or genuineness of any Loan Document or any other agreement, instrument or document, (E) the satisfaction of any condition set forth in Article IV or elsewhere in any Loan Document, other than to confirm receipt of items expressly required to be delivered to such Agent or (F) the perfection or priority of any security interest created or purported to be created under the Security Documents. The Agents shall have the right to request instructions from the Required Lenders at any time; which, in the case of the Collateral Agent, shall be determined by, and communicated by, the Administrative Agent. If any Agent shall request instructions from the Required Lenders with respect to any act or action (including failure to act) in connection with this Agreement or any other Loan Document, such Agent shall be entitled to refrain from such act or taking such action unless and until such Agent shall have received instructions from the Required Lenders; and such Agent shall not incur liability to any Lender by reason of so refraining. Without limiting the foregoing, no Lender shall have any right of action whatsoever against any Agent or any of its Related Parties as a result of such Agent or such other person acting or refraining from acting hereunder or under any other Loan Document in accordance with the instructions of the Required Lenders. No Agent shall be under any obligation to any Lender to ascertain or to inquire as to the observance or performance of any of the agreements contained in, or conditions of, this Agreement or any other Loan Documents, or to inspect the properties, books or records of any Loan Party. The Collateral Agent shall not be under any obligation to the Administrative Agent or any Lender to ascertain or to inquire as to the observance or performance of any of the agreements contained in, or conditions of, this Agreement or any other Loan Documents, or to inspect the properties, books or records of any Loan Party. Notwithstanding anything else to the contrary herein, whenever reference is made in this Agreement or any other Loan Document to any discretionary action by, consent, designation, specification, requirement or approval of, notice, request or other communication from, or other direction given or action to be undertaken or to be (or not to be) suffered or omitted by the Collateral Agent or to any election, decision, opinion, acceptance, use of judgment, expression of satisfaction, reasonable satisfaction or other exercise of discretion, rights or remedies to be made (or not to be made) by the Collateral Agent, it is understood that in all cases the Collateral Agent shall be fully justified in failing or refusing to take any such action under this Agreement if it shall not have received such written instruction, advice or concurrence of the Administrative Agent, as it deems appropriate. This provision is intended solely for the benefit of the Collateral Agent and its successors and permitted assigns and is not intended to and will not entitle the other parties hereto to any defense, claim or counterclaim, or confer any rights or benefits on any party hereto.

(e) Each Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing (including any electronic message, Internet or intranet website posting or other distribution) believed by it to be genuine and to have been signed, sent or otherwise authenticated by the proper Person. Each Agent may also rely upon any statement made to it orally or by telephone and believed by it to have been made by the proper Person, and shall not incur any liability for relying thereon. In determining compliance with any condition hereunder to the making of a Loan that by its terms must be fulfilled to the satisfaction of a Lender, each Agent may presume that such condition is satisfactory to such Lender unless such Agent shall have received notice to the contrary from such Lender prior to the making of such Loan. Each

Agent may consult with legal counsel (who may be counsel for the Borrower), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts.

(f) The Administrative Agent shall not be responsible or have any liability for, or have any duty to ascertain, inquire into, monitor or enforce, compliance with the provisions hereof relating to Disqualified Persons. Without limiting the generality of the foregoing, the Administrative Agent shall not (i) be obligated to ascertain, monitor or inquire as to whether any Lender or prospective Lender is a Disqualified Person or (ii) have any liability with respect to or arising out of any assignment or participation of Loans, or disclosure of confidential information, to any Disqualified Person.

(g) Each Agent may perform any and all its duties and exercise its rights and powers hereunder or under any other Loan Document or any other instrument or agreements referred herein or therein by or through any one or more sub-agents appointed by it provided, however, that solely in the case where an Agent no longer serves as the applicable withholding agent, if a sub-agent has been appointed to serve as withholding agent, any such sub-agent that such Agent may appoint to receive payments shall be a U.S. Person and a "Financial Institution" within the meaning of Treasury Regulations Section 1.1441-1 or any entity that has agreed to take "Primary Withholding Responsibility" within the meaning of Treasury Regulations Section 1.1441-1 for all payments under the Loan Documents (it being understood and agreed, for avoidance of doubt and without limiting the generality of this Section, that the Agent may perform any and all of its duties and exercise its rights and powers hereunder and thereunder, by or through one of more of its Affiliates). Each Agent and any such sub-agent may perform any and all its duties and exercise its rights and powers by or through their respective Related Parties. The exculpatory provisions of the preceding paragraphs shall apply to any such sub-agent and to the Related Parties of each Agent and any such sub-agent, and shall apply to their respective activities in connection with the syndication of the Term Facility as well as activities as Agent. Neither Agent shall be responsible for the negligence or misconduct of any sub-agents except to the extent that a court of competent jurisdiction determines in a final and non-appealable judgment that such Agent acted with gross negligence or willful misconduct in the selection of such sub-agents.

(h) Each Agent may resign at any time by notifying the Lenders and the Borrower. Upon any such resignation, the Required Lenders shall have the right, with the consent of the Borrower (prior to the occurrence of a Specified Event of Default), to appoint a successor Agent (other than a Disqualified Person) who shall satisfy the requirements of the next succeeding sentence in the case of an Administrative Agent. If no successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within 60 days after the retiring Agent gives notice of its resignation, then the retiring Agent may, on behalf of the Lenders, appoint a successor Agent which, in the case of the Administrative Agent, shall be (i) a financial institution with an office in New York, New York, or an Affiliate of any such financial institution and (ii) a U.S. person and a "Financial Institution" within the meaning of Treasury Regulations Section 1.1441-1 or any entity that has agreed to take "Primary Withholding Responsibility" within the meaning of Treasury Regulations 1.1441-1 for all payments under the Loan Documents. If the Person serving as the Administrative Agent is a Defaulting Lender, the

Required Lenders may, to the extent permitted by applicable law, by notice in writing to the Borrower and such Person, remove such Person as the Administrative Agent, and appoint a successor Agent which shall satisfy the requirements in the immediately preceding sentence, with the consent of the Borrower so long as no Specified Event of Default is continuing. If no successor Agent has been appointed pursuant to the immediately preceding sentence by the 60th day after the date such notice of resignation or removal was given by such Agent, the Borrower or the Required Lenders, such Agent's resignation shall become effective (and such Agent shall be discharged from its duties and obligations hereunder) and the Required Lenders shall thereafter perform all the duties of such Agent hereunder and/or under any other Loan Document until such time, if any, as the Required Lenders appoint a successor Agent with the consent of the Borrower (prior to the occurrence of a Specified Event of Default). Upon the acceptance of its appointment as Agent hereunder by a successor Agent, such successor Agent shall succeed to and become vested with all the rights, powers, privileges and duties of the retiring Agent, and the retiring Administrative Agent shall be discharged from its duties and obligations hereunder (if not already discharged therefrom as provided above). The fees payable by the Borrower to a successor Agent shall be the same as those payable to its predecessor unless otherwise agreed between the Borrower and such successor Agent. After the Administrative Agent's resignation or removal hereunder, the provisions of this Article VIII and Section 9.05 shall continue in effect for the benefit of the retiring Agent, its sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while acting as Agent.

(i) Each Lender acknowledges that it has, independently and without reliance upon the Agents or any other Lender or any of their Related Parties and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement. Each Lender also acknowledges that it will, independently and without reliance upon the Agents or any other Lender or any of their Related Parties and based on such documents and information as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon this Agreement, any other Loan Document, any related agreement or any document furnished hereunder or thereunder.

(j) Notwithstanding any other provision of this Agreement or any provision of any other Loan Document, each Lead Arranger is named as such for recognition purposes only, and in its respective capacities as such shall have no duties, responsibilities or liabilities with respect to this Agreement or any other Loan Document; it being understood and agreed that the Lead Arrangers shall be entitled to all indemnification and reimbursement rights in favor of the Agents provided herein and in the other Loan Documents. Without limitation of the foregoing, the Lead Arrangers in their respective capacities as such shall not, by reason of this Agreement or any other Loan Document, have any fiduciary relationship in respect of any Lender, Loan Party or any other Person.

(k) In case of the pendency of any proceeding under any Bankruptcy Law or any other judicial proceeding relative to any Loan Party, the Administrative Agent (irrespective of whether the principal of any Loan shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent shall have made any demand on the Borrower) shall be entitled and empowered (but not obligated) by

intervention in such proceeding or otherwise to instruct the Collateral Agent, in accordance with any Intercreditor Agreement, or as otherwise provided thereby (i) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders and the Agents (including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders and the Agents and their respective agents and counsel and all other amounts due the Lenders and Agents under Section 9.05) allowed in such judicial proceeding and (ii) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same and, in either case, any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender and each other Secured Party to make such payments to such Agent and, in the event that such Agent shall consent to the making of such payments directly to the Lenders, to pay to such Agent any amount due for the reasonable compensation, expenses, disbursements and advances of such Agent and its agents and counsel, and any other amounts due such Agent under Section 9.05.

(l) To the extent required by any applicable law, the Administrative Agent may withhold from any payment to any Lender an amount equivalent to any applicable withholding Tax. If any payment has been made to any Lender by the Administrative Agent without the applicable withholding Tax being withheld from such payment and the Administrative Agent has paid over the applicable withholding Tax to the IRS or any other Governmental Authority, or the IRS or any other Governmental Authority asserts a claim that the Administrative Agent did not properly withhold Tax from amounts paid to or for the account of any Lender because the appropriate form was not delivered or was not properly executed or because such Lender failed to notify the Administrative Agent of a change in circumstance which rendered the exemption from, or reduction of, withholding Tax ineffective or for any other reason, such Lender shall indemnify the Administrative Agent fully for all amounts paid, directly or indirectly, by the Administrative Agent as Tax or otherwise, including any penalties or interest and together with all expenses (including legal expenses, allocated internal costs and out-of-pocket expenses) incurred whether or not such Tax was correctly or legally imposed or asserted by the relevant Governmental Authority. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under this Agreement or any other Loan Document against any amount due the Administrative Agent under this Article VIII(l).

(m) Any Agent shall be fully justified in failing or refusing to take any action hereunder and under any other Loan Document (except actions expressly required to be taken by it hereunder or under the Loan Documents) unless it shall first be indemnified and secured to its satisfaction (including by way of pre-funding) by the Lenders *pro rata* against any and all liability, cost and expense that it may incur by reason of taking or continuing to take any such action. Neither Agent shall be required to expend or risk any of its own funds or otherwise incur any liability, financial or otherwise, in the performance of any of its duties hereunder or under any other Loan Document.

(n) The agreements in this Article VIII shall survive the payment of all Obligations.

(o) Except as otherwise expressly set forth herein or in the Facility Guaranty or any Security Document, no Hedge Counterparty or Treasury Services Provider that obtains the benefits of Section 7.02, the Facility Guaranty or any Collateral by virtue of the provisions hereof or of the Facility Guaranty or any Security Document shall have any right to notice of any action or to consent to, direct or object to any action hereunder or under any other Loan Document or otherwise in respect of the Collateral (including the release or impairment of any Collateral) other than, if a Lender at such time, in its capacity as a Lender and, in such case, only to the extent expressly provided in the Loan Documents. Notwithstanding any other provision of this Article VIII to the contrary, the Administrative Agent shall not be required to verify the payment of, or that other satisfactory arrangements have been made with respect to, Obligations arising under Treasury Services Agreements and Swap Contracts unless the Administrative Agent has received written notice of such Obligations, together with such supporting documentation as the Administrative Agent may request, from the applicable Hedge Counterparty or Treasury Services Provider. The Hedge Counterparties and Treasury Services Providers hereby authorize the Administrative Agent to enter into any Intercreditor Agreement, the Additional Intercreditor Agreement or other intercreditor agreement or arrangement permitted under this Agreement and the Hedge Counterparty or Treasury Services Providers acknowledge that any such intercreditor agreement is binding upon the Hedge Counterparty or Treasury Services Providers.

(p) None of the Lead Arrangers shall have any duties or responsibilities hereunder in their respective capacities as such.

(q) In the event that the Borrower appoints or designates any Additional Arranger pursuant to Sections 2.22, 2.23 and 2.24, as applicable, unless otherwise set forth herein, (i) each and every right, power, privilege or duty expressed or intended by this Agreement or any of the other Loan Documents to be exercised by or vested in or conveyed to an arranger with respect to Incremental Loan Commitments or Refinancing Commitments, as applicable, shall be exercisable by and vest in such Additional Arranger, to the extent, and only to the extent, necessary to enable such Additional Arranger to exercise such rights, powers and privileges with respect to the Incremental Loan Commitments or Refinancing Commitments, as applicable, and to perform such duties with respect to such Incremental Loan Commitments or Refinancing Commitments, and every covenant and obligation contained in the Loan Documents and necessary to the exercise or performance thereof by such Additional Arranger shall run to and be enforceable by either the Administrative Agent or such Additional Arranger as specifically set forth therein, and (ii) the provisions of this Article VIII and of Section 9.05 (obligating the Borrower to pay the Administrative Agent's and the Collateral Agent's expenses and to indemnify the Administrative Agent and the Collateral Agent) that refer to the Administrative Agent and/or the Collateral Agent shall also inure to the benefit of such Additional Arranger, and all references therein to the Administrative Agent and/or Collateral Agent shall also be deemed to be references to the Administrative Agent and/or Collateral Agent and/or such Additional Arranger, as the context may require. Each Lender hereby irrevocably appoints any Additional Arranger to act on its behalf hereunder and under the other Loan Documents pursuant to Sections 2.22, 2.23 and 2.24, as applicable, and designates and authorizes such Additional Arranger to take such actions on its behalf under the provisions of this Agreement and each other Loan

Document and to exercise such powers and perform such duties as are expressly delegated to such Additional Arranger by the terms of this Agreement or any other Loan Document, together with such actions and powers as are reasonably incidental thereto.

(c) As agreed to among the Borrower, the Administrative Agent and the applicable Lenders from time to time, notices and other communications may also be delivered by e-mail to the e-mail address of a representative of the applicable Person provided from time to time by such Person. Notices and other communications to the Lenders hereunder may be delivered or furnished by electronic communication (including e-mail and Internet or intranet websites) pursuant to procedures approved by the Administrative Agent; *provided* that the foregoing shall not apply to notices to any Lender pursuant to Article II if such Lender has notified the Administrative Agent that it is incapable of receiving notices under Article II by electronic communication. The Administrative Agent or the Borrower may, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it; *provided* that approval of such procedures may be limited to particular notices or communications.

(d) Unless the Administrative Agent otherwise prescribes, (i) notices and other communications sent to an e-mail address shall be deemed received upon the intended recipient's receipt of the notice or communication, which shall be evidenced by an acknowledgment from the intended recipient (such as by the "delivery receipt" function, as available, return e-mail or other written acknowledgement); *provided* that, if such notice or other communication is not sent during the normal business hours of the recipient, such notice or communication shall be deemed to have been sent at the opening of business on the next Business Day for the recipient; *provided, further*, that if the sender receives an "out-of-office" reply e-mail containing instructions regarding notification to another person in the intended recipient's absence, such notice or other

communication shall be deemed received upon the sender's compliance with such instructions, and (ii) notices or communications posted to an Internet or intranet website shall be deemed received upon the deemed receipt by the intended recipient at its e-mail address as described in the foregoing clause (i) of notification that such notice or communication is available and identifying the website address therefor.

(e) The Borrower hereby agrees, unless directed otherwise by the Administrative Agent or unless the e-mail address referred to below has not been provided by the Administrative Agent to the Borrower, that it will, or will cause its Subsidiaries to, provide to the Administrative Agent all information, documents and other materials that it is obligated to furnish to the Administrative Agent pursuant to the Loan Documents or to the Lenders under Article IV of Annex I hereof or under Article V hereof, including all notices, requests, financial statements, financial and other reports, certificates and other information materials, but excluding any such communication that (i) is or relates to a Borrowing Request, or a notice pursuant to Section 2.10, (ii) relates to the payment of any principal or other amount due under this Agreement prior to the scheduled date therefor, (iii) provides notice of any Default or Event of Default under this Agreement or any other Loan Document or (iv) is required to be delivered to satisfy any condition precedent to the effectiveness of this Agreement and/or any Borrowing or other extension of credit hereunder (all such non-excluded communications being referred to herein collectively as "**Communications**"), by transmitting the Communications in an electronic/soft medium that is properly identified in a format acceptable to the Administrative Agent to an e-mail address as directed by the Administrative Agent. In addition, the Borrower agrees, and agrees to cause its Subsidiaries, to continue to provide the Communications to the Administrative Agent or the Lenders, as the case may be, in the manner specified in the Loan Documents but only to the extent requested by the Administrative Agent.

(f) The Borrower hereby acknowledges that (i) the Administrative Agent will make available to the Lenders materials and/or information provided by or on behalf of the Borrower hereunder (collectively, the "**Borrower Materials**") by posting the Borrower Materials on IntraLinks or another similar electronic system (the "**Platform**") and (ii) certain of the Lenders may be "public-side" Lenders (i.e., Lenders that do not wish to receive material non-public information with respect to the Borrower, its Subsidiaries or their respective securities for purposes of United States federal and state securities laws) (each, a "**Public Lender**"). The Borrower hereby agrees that (w) all Borrower Materials that are to be made available to Public Lenders shall be clearly and conspicuously marked "PUBLIC" which, at a minimum, shall mean that the word "PUBLIC" shall appear prominently on the first page thereof; (x) by marking Borrower Materials "PUBLIC," the Borrower shall be deemed to have authorized the Administrative Agent and the Lenders to treat such Borrower Materials as not containing any material non-public information with respect to the Borrower, its Subsidiaries or their respective securities for purposes of United States federal and state securities laws (provided, however, that to the extent the Borrower Materials constitute Information, they shall be treated as set forth in Section 9.16); (y) all Borrower Materials marked "PUBLIC" are permitted to be made available through a portion of the Platform designated as "Public Investor;" and (z) the Administrative Agent shall be entitled to treat any Borrower Materials that are not marked "PUBLIC" as being suitable only for posting on a portion of the Platform not marked as "Public Investor."

Notwithstanding the foregoing, the following Borrower Materials shall be marked “PUBLIC” and the Borrower agrees that the following documents may be distributed to all Lenders (including Public Lenders) unless, solely with respect to the documents described in clauses (B) and (C) below, the Borrower advises the Administrative Agent in writing (including by e-mail) within a reasonable time prior to their intended distribution that such material should only be distributed to Lenders other than Public Lenders (it being agreed that the Borrower and its counsel shall have been given a reasonable opportunity to review such documents and comply with applicable securities law disclosure obligations): (A) the Loan Documents; (B) administrative materials prepared by the Administrative Agent for prospective Lenders; (C) term sheets and notification of changes in the terms of the Term Facility; and (D) the Audited Financial Statements and the financial statements and certificates furnished pursuant to Section 4.10 of Annex I.

(g) Each Public Lender agrees to cause at least one individual at or on behalf of such Public Lender to at all times have selected the “Private Side Information” or similar designation on the content declaration screen of the Platform in order to enable such Public Lender or its delegate, in accordance with such Public Lender’s compliance procedures and applicable law, including United States Federal and state securities laws, to make reference to Communications that are not made available through the “Public Side Information” portion of the Platform and that may contain material non-public information with respect to the Borrower or its securities for purposes of United States Federal or state securities laws.

(h) THE PLATFORM IS PROVIDED “AS IS” AND “AS AVAILABLE”. NEITHER THE ADMINISTRATIVE AGENT NOR ANY OF ITS RELATED PARTIES WARRANTS THE ACCURACY OR COMPLETENESS OF THE COMMUNICATIONS OR THE ADEQUACY OF THE PLATFORM AND EACH EXPRESSLY DISCLAIMS LIABILITY FOR ERRORS OR OMISSIONS IN THE COMMUNICATIONS. NO WARRANTY OF ANY KIND, EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT OF THIRD PARTY RIGHTS OR FREEDOM FROM VIRUSES OR OTHER CODE DEFECTS IS MADE BY THE ADMINISTRATIVE AGENT OR ANY OF ITS RELATED PARTIES IN CONNECTION WITH THE COMMUNICATIONS OR THE PLATFORM. IN NO EVENT SHALL THE ADMINISTRATIVE AGENT, THE COLLATERAL AGENT OR ANY OF THEIR RELATED PARTIES HAVE ANY LIABILITY TO ANY LOAN PARTY, ANY LENDER OR ANY OTHER PERSON FOR DAMAGES OF ANY KIND, WHETHER OR NOT BASED ON STRICT LIABILITY AND INCLUDING DIRECT OR INDIRECT, SPECIAL, INCIDENTAL OR CONSEQUENTIAL DAMAGES, LOSSES OR EXPENSES (WHETHER IN TORT, CONTRACT OR OTHERWISE) ARISING OUT OF ANY LOAN PARTY’S OR THE ADMINISTRATIVE AGENT’S TRANSMISSION OF COMMUNICATIONS THROUGH THE INTERNET, EXCEPT TO THE EXTENT THE LIABILITY OF ANY SUCH PERSON IS FOUND IN A FINAL RULING BY A COURT OF COMPETENT JURISDICTION TO HAVE RESULTED PRIMARILY FROM SUCH PERSON’S GROSS NEGLIGENCE OR WILLFUL MISCONDUCT.

(i) The Administrative Agent agrees that the receipt of the Communications by the Administrative Agent at its e-mail address set forth above shall constitute effective delivery of the Communications to the Administrative Agent for purposes of the Loan Documents. Each Lender agrees that receipt of notice to it (as provided in the next sentence) specifying that the Communications have been posted to the Platform shall constitute effective delivery of the Communications to such Lender for purposes of the Loan Documents. Each Lender agrees to notify the Administrative Agent in writing (including by electronic communication) from time to time of such Lender's e-mail address to which the foregoing notice may be sent by electronic transmission and that the foregoing notice may be sent to such e-mail address.

SECTION 9.02. **Survival of Agreement.** Nothing herein shall prejudice the right of the Administrative Agent or any Lender to give any notice or other communication pursuant to any Loan Document in any other manner specified in such Loan Document. All covenants, agreements, representations and warranties made by the Borrower herein and in the certificates or other instruments prepared or delivered in connection with or pursuant to this Agreement or any other Loan Document shall be considered to have been relied upon by the Lenders and shall survive the making by the Lenders of the Loans, regardless of any investigation made by the Lenders or on their behalf, and shall continue in full force and effect as long as the principal of or any accrued interest on any Loan or any Fee or any other amount payable under this Agreement or any other Loan Document is outstanding and unpaid and so long as the Commitments have not been terminated. The provisions of Sections 2.14, 2.16, 2.20 and 9.05 shall remain operative and in full force and effect regardless of the expiration of the term of this Agreement, the consummation of the transactions contemplated hereby, the repayment of any of the Loans, the expiration of the Commitments, the invalidity or unenforceability of any term or provision of this Agreement or any other Loan Document, or any investigation made by or on behalf of the Administrative Agent, the Collateral Agent or any Lender.

SECTION 9.03. **Binding Effect.** This Agreement shall become effective when the Administrative Agent shall have received executed counterparts hereof from each of the Borrower, the other Loan Parties, the Administrative Agent, the Collateral Agent and each Person who is a Lender on the Effective Date.

SECTION 9.04. **Successors and Assigns.** (a) Whenever in this Agreement any of the parties hereto is referred to, such reference shall be deemed to include the permitted successors and assigns of such party; and all covenants, promises and agreements by or on behalf of the Borrower, the other Loan Parties, the Administrative Agent, the Collateral Agent or the Lenders that are contained in this Agreement shall bind and inure to the benefit of their respective successors and assigns.

(b) Each Lender may assign to one or more Eligible Assignees all or a portion of its interests, rights and obligations under this Agreement (including all or a portion of its Commitment and the Loans (including for purposes of this Section 9.04(b), participations in L/C Obligations and in Swing Line Loans) at the time owing to it), with the prior written consent of the Administrative Agent, each applicable L/C Issuer at the time of such assignment and each Swing Line Lender (in each case, not to be unreasonably withheld or delayed) and the Borrower (not to be unreasonably withheld or delayed); *provided, however*, that (i) the consent of the

Borrower shall not be required to any assignment made (x) to a Lender, an Affiliate of a Lender or a Related Fund, (y) in connection with the initial syndication of the Term Facility to Persons identified in writing by the Lead Arrangers to the Borrower during the initial syndication of the Term Facility or (z) after the occurrence and during the continuance of any Specified Event of Default (*provided, further*, that (1) the Borrower shall be deemed to have consented to any such assignment unless it shall object thereto by written notice to the Administrative Agent within 10 Business Days after having received notice thereof and (2) notwithstanding anything contained in this clause (i) to the contrary, consent of the Borrower shall be required for any assignment by any Lender of its Revolving Credit Commitments unless the assignment is made to (x) a Lender or an Affiliate of a Lender or (y) after the occurrence and during the continuance of a Specified Event of Default), (ii) the consent of the Administrative Agent shall not be required to any assignment (x) in connection with the initial syndication of the Term Facility, (y) made by an assigning Lender to a Related Fund of such Lender or (z) of an amount less than \$1,000,000, by an assigning Lender to a Related Fund of such Lender, (iii) the consent of the applicable L/C Issuers or the Swing Line Lenders shall be not required for any assignment of a Term Loan or a Term Commitment; (iv) the amount of the Commitment or Loans of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Acceptance with respect to such assignment is delivered to the Administrative Agent) shall be in an integral multiple of, and not less than (unless otherwise consented to by the Administrative Agent), \$1,000,000 (or, if less, the entire remaining amount of such Lender's Commitment or Loans); *provided* that simultaneous assignments by two or more Related Funds shall be combined for purposes of determining whether the minimum assignment requirement is met, (v) the parties to each assignment shall (A) execute and deliver to the Administrative Agent an Assignment and Acceptance via an electronic settlement system acceptable to the Administrative Agent or (B) if previously agreed with the Administrative Agent, manually execute and deliver to the Administrative Agent an Assignment and Acceptance, and, in each case, shall pay to the Administrative Agent a processing and recordation fee of \$3,500 (which fee may be waived or reduced, in whole or in part, in the sole discretion of the Administrative Agent); *provided* that only one such fee shall be payable in the event of simultaneous assignments to or from two or more Related Funds by a single Lender and no fee shall be payable for assignments among Related Funds of an existing Lender (vi) the assignee, if it shall not be a Lender, shall deliver to the Administrative Agent an Administrative Questionnaire (in which the assignee shall designate one or more credit contacts to whom all syndicate-level information (which may contain material non-public information about the Loan Parties and their Related Parties or their respective securities) will be made available and who may receive such information in accordance with the assignee's compliance procedures and applicable laws, including Federal and state securities laws) and all applicable tax forms and (vii) no assignment of any Initial Term Loan Commitments (or Initial Term Loans) shall be effective prior to the Funding Date (unless consented to by the Borrower). Upon acceptance and recording pursuant to Section 9.04(e), from and after the effective date specified in each Assignment and Acceptance, (1) the assignee thereunder shall be a party hereto and, to the extent of the interest assigned by such Assignment and Acceptance, have the rights and obligations of a Lender under this Agreement and (2) the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Acceptance, be released from its obligations under this Agreement (and, in the case of an Assignment and Acceptance covering all or the remaining portion of an assigning Lender's rights

and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of Sections 2.14, 2.16, 2.20 and 9.05, as well as to any fees accrued for its account and not yet paid).

(c) By executing and delivering an Assignment and Acceptance, the assigning Lender thereunder and the assignee thereunder shall be deemed to confirm to and agree with each other and the other parties hereto as follows: (i) such assigning Lender warrants that it is the legal and beneficial owner of the interest being assigned thereby free and clear of any adverse claim and that its Commitment and the outstanding balances of its Loans, in each case without giving effect to assignments thereof which have not become effective, are as set forth in such Assignment and Acceptance, (ii) except as set forth in clause (i) above, such assigning Lender makes no representation or warranty and assumes no responsibility with respect to any statements, warranties or representations made in or in connection with this Agreement, or the execution, legality, validity, enforceability, genuineness, sufficiency or value of this Agreement, any other Loan Document or any other instrument or document furnished pursuant hereto, or the financial condition of the Borrower or any Subsidiary or the performance or observance by the Borrower or any Subsidiary of any of its obligations under this Agreement, any other Loan Document or any other instrument or document furnished pursuant hereto; (iii) such assignee represents and warrants that it is an Eligible Assignee legally authorized to enter into such Assignment and Acceptance; (iv) such assignee confirms that it has received a copy of this Agreement, together with copies of the most recent financial statements referred to in Section 3.05(a) or delivered pursuant to Section 4.10 of Annex I and such other documents and information as it has deemed appropriate to make its own credit analysis and decision to enter into such Assignment and Acceptance; (v) such assignee will independently and without reliance upon the Administrative Agent, the Collateral Agent, such assigning Lender or any other Lender and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit decisions in taking or not taking action under this Agreement; (vi) such assignee appoints and authorizes the Administrative Agent and the Collateral Agent to take such action as agent on its behalf and to exercise such powers under this Agreement as are delegated to the Administrative Agent and the Collateral Agent, respectively, by the terms hereof, together with such powers as are reasonably incidental thereto; and (vii) such assignee agrees that it will perform in accordance with their terms all the obligations which by the terms of this Agreement are required to be performed by it as a Lender

(d) The Administrative Agent, acting solely for this purpose as a non-fiduciary agent of the Borrower, shall maintain at one of its offices in New York City a copy of each Assignment and Acceptance delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitments of, and principal amount of the Loans, Swing Line Loans and L/C Borrowings (and stated interest) owing to, each Lender pursuant to the terms hereof from time to time (the "**Register**"). The entries in the Register shall be conclusive absent manifest error and the Borrower, the Administrative Agent, the Collateral Agent and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as the owner of the amounts owing to it under the Loan Documents as reflected in the Register for all purposes of the Loan Documents, notwithstanding notice to the contrary. The Register shall be available for inspection by the Borrower, the Collateral Agent, any Lender (solely with respect to

any entry relating to such Lender's Loans and Commitments), any L/C Issuer (solely with respect to any entry relating to Participating Revolving Credit Commitments) and any Swing Line Lender (solely with respect to any entry relating to Participating Revolving Credit Commitments), at any reasonable time and from time to time upon reasonable prior notice. The parties intend that any interest in or with respect to the Loans under this Agreement be treated as being issued and maintained in "registered form" within the meaning of Sections 163(f), 871(h)(2), and 881(c)(2) of the Code and any regulations thereunder (and any successor provisions), including without limitation under United States Treasury Regulations Section 5f.103-1(c), and the provisions of this Agreement shall be construed in a manner that gives effect to such intent.

(e) Upon its receipt of, and consent to, a duly completed Assignment and Acceptance executed by an assigning Lender and an assignee, an Administrative Questionnaire completed in respect of the assignee (unless the assignee shall already be a Lender hereunder), the processing and recordation fee referred to in Section 9.04(b), if applicable, and the written consent of the Administrative Agent and, if required, the Borrower to such assignment and any applicable tax forms, the Administrative Agent shall (i) accept such Assignment and Acceptance and (ii) record the information contained therein in the Register. Notwithstanding anything to the contrary in the Agreement to the contrary, no assignment shall be effective unless it has been recorded in the Register as provided in this Section 9.04(e).

(f) Each Lender may, without the consent of, or notice to, except in respect of the Revolving Credit Lenders, in which case the applicable Revolving Credit Lender selling a participation in accordance with this Section 9.04(f) shall provide to the Administrative Agent and the Borrower promptly, and in any event within 5 Business Days, following any such participation, the Borrower or the Administrative Agent, sell participations to one or more banks or other Persons (other than a Defaulting Lender, provided that the Administrative Agent has posted the name of such Defaulting Lender to both the "Public Lender" and "Non-Public Lender" portions of the Platform) in all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitment and the Loans owing to it); *provided, however*, that (i) no Lender shall, without the written consent of the Borrower, sell participations in Loans or Commitments to any Disqualified Person, (ii) such Lender's obligations under this Agreement shall remain unchanged, (iii) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations, (iv) the participating banks or other Persons shall be entitled to the benefit of the cost protection provisions contained in Sections 2.14, 2.16 and 2.20 (subject to the requirements and limitations therein, including the requirements under Sections 2.20(e) and (f) (it being understood that the documentation required under Sections 2.20(e) and (f) shall be delivered to the participating Lender)) to the same extent as if they were Lenders (but, with respect to any particular participant, to no greater extent than the Lender that sold the participation to such participant unless a greater payment results from a Change in Law occurring after such particular participant acquired the applicable participation or the sale of such participation was approved in writing by the Borrower), (v) the Borrower, the Administrative Agent and the Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement, and such Lender shall retain the sole right to enforce the obligations of the Borrower relating to the Loans and to

approve any amendment, modification or waiver of any provision of this Agreement (other than amendments, modifications or waivers decreasing any fees payable to such participating bank or Person hereunder or the amount of principal of or the rate at which interest is payable on the Loans in which such participating bank or Person has an interest, extending any scheduled principal payment date or date fixed for the payment of interest on the Loans in which such participating bank or Person has an interest, increasing or extending the Commitments in which such participating bank or Person has an interest or releasing all or substantially all of the value of the Facility Guaranty or all or substantially all of the Collateral) and (vi) such Lender shall maintain a register on which it records the name and address of each participant and the principal amounts (and stated interest) of each participant's participating interest with respect to the Loans, Commitments or other interests hereunder (the "**Participant Register**"); *provided, further*, that no Lender shall have any obligation to disclose any portion of such register to any Person except to the extent disclosure is necessary to establish that the Loans, Commitments or other interests hereunder are in registered form for United States federal income tax purposes under Treasury Regulations Section 5f.103-1(c), or is otherwise required thereunder. The entries in the Participant Register, shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. To the extent permitted by law, each participating bank or other Person also shall be entitled to the benefits of Section 9.06 as though it were a Lender, provided such participating bank or other Person agrees to be subject to Section 2.18 as though it were a Lender.

(g) Any Lender may, in connection with any assignment or participation or proposed assignment or participation pursuant to this Section 9.04, disclose to the assignee or participant or proposed assignee or participant any information relating to the Borrower furnished to such Lender by or on behalf of the Borrower; *provided* that, prior to any such disclosure of information designated by the Borrower as confidential, each such assignee or participant or proposed assignee or participant shall execute an agreement with such Lender whereby such assignee or participant shall agree (subject to customary exceptions) to preserve the confidentiality of such confidential information on terms no less restrictive than those applicable to the Lenders pursuant to Section 9.16.

(h) Any Lender may, without the consent of the Borrower or the Administrative Agent, at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank or other "central" bank, and Section 9.04(b) shall not apply to any such pledge or assignment of a security interest, provided that no such pledge or assignment of a security interest shall release a Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

(i) Notwithstanding anything to the contrary contained herein, any Lender (a "**Granting Lender**") may grant to a special purpose funding vehicle (an "**SPV**"), identified as such in writing from time to time by the Granting Lender to the Administrative Agent and the Borrower, the option to provide to the Borrower all or any part of any Loan that such Granting Lender would otherwise be obligated to make to the Borrower pursuant to this Agreement;

provided that (i) nothing herein shall constitute a commitment by any SPV to make any Loan and (ii) if an SPV elects not to exercise such option or otherwise fails to provide all or any part of such Loan, the Granting Lender shall be obligated to make such Loan pursuant to the terms hereof, and (iii) such assignment will be reflected in the Participant Register. The making of a Loan by an SPV hereunder shall utilize the Commitment of the Granting Lender to the same extent, and as if, such Loan were made by such Granting Lender. Each party hereto hereby agrees that no SPV shall be liable for any indemnity or similar payment obligation under this Agreement (all liability for which shall remain with the Granting Lender). In furtherance of the foregoing, each party hereto hereby agrees (which agreement shall survive the termination of this Agreement) that, prior to the date that is one year and one day after the payment in full of all outstanding commercial paper or other senior indebtedness of any SPV, it will not institute against, or join any other Person in instituting against, such SPV any bankruptcy, reorganization, arrangement, insolvency or liquidation proceedings under the laws of the United States or any State thereof. In addition, notwithstanding anything to the contrary contained in this Section 9.04, any SPV may (i) with notice to, but without the prior written consent of, the Borrower and the Administrative Agent and without paying any processing fee therefor, assign all or a portion of its interests in any Loans to the Granting Lender or to any financial institutions (consented to by the Borrower and Administrative Agent) providing liquidity and/or credit support to or for the account of such SPV to support the funding or maintenance of Loans and (i) disclose on a confidential basis any non-public information relating to its Loans to any rating agency, commercial paper dealer or provider of any surety, guarantee or credit or liquidity enhancement to such SPV. If a Granting Lender grants an option to an SPV as described herein and such grant is not reflected in the Register, the Granting Lender shall maintain a separate register on which it records the name and address of each SPV and the principal amounts (and stated interest) of each SPV's interest with respect to the Loans, Commitments or other interests hereunder, which entries shall be conclusive absent manifest error (the "**SPV Register**"); *provided, further*, that no Lender shall have any obligation to disclose any portion of such register to any Person except to the extent disclosure is necessary to establish that the Loans, Commitments or other interests hereunder are in registered form for United States federal income tax purposes under Treasury Regulations Section 5f.103-1(c) or is otherwise required thereunder.

(j) Neither the Borrower nor any Guarantor shall assign or delegate any of its rights or duties hereunder or any other Loan Document (other than as permitted by Article V of Annex I) without the prior written consent of the Administrative Agent and each Lender, and any attempted assignment without such consent shall be null and void.

(k) Notwithstanding anything to the contrary contained in this Section 9.04 or any other provision of this Agreement, so long as no Specified Event of Default has occurred and is continuing or would result therefrom, each Lender shall have the right at any time to sell, assign or transfer all or a portion of its Loans or Commitments owing to it to the Borrower through (x) Dutch auctions or other offers to purchase open to all Lenders on a *pro rata* basis consistent with the procedures set forth in Section 2.12(c) or (y) notwithstanding any other provision in this Agreement, open market purchase on a non-*pro rata* basis, and the Borrower shall have the right to require a Lender to sell, assign or transfer to it all or a portion of such Lender's Loans or

Commitments in accordance with Section 2.21; *provided that*, in connection with assignments pursuant to clause (y) above:

- (i) the assigning Lender and the Borrower shall execute and deliver to the Administrative Agent an Affiliated Lender/Borrower Assignment and Acceptance;
 - (ii) no proceeds from any Borrowing under any Revolving Credit Facilities may be used to make any such purchase or effect any such assignment or transfer; and
 - (iii) (A) the principal amount of such Loans, along with all accrued and unpaid interest thereon, sold, assigned or transferred to the Borrower shall be deemed automatically cancelled and extinguished on the date of such sale, assignment or transfer and (B) the aggregate outstanding principal amount of Loans of the remaining Lenders shall reflect such cancellation and extinguishing of the Loans then held by the Borrower.
- (l) Any Lender may at any time, assign all or a portion of its rights and obligations with respect to Loans under this Agreement to a Person who is or will become, after such assignment, an Affiliated Lender through (x) Dutch auctions or other offers to purchase open to all Lenders on a *pro rata* basis consistent with the procedures set forth in Section 2.12(c) or (y) open market purchase on a non-*pro rata* basis, in each case subject to the following limitations:
- (i) the assigning Lender and the Affiliated Lender purchasing such Lender's Loans shall execute and deliver to the Administrative Agent an Affiliated Lender/Borrower Assignment and Acceptance;
 - (ii) Affiliated Lenders will not receive information provided solely to Lenders by the Administrative Agent or any Lender and will not be permitted to attend or participate in conference calls or meetings attended solely by the Lenders and the Administrative Agent, other than the right to receive notices of prepayments and other administrative notices in respect of its Loans or Commitments required to be delivered to Lenders pursuant to Article II;
 - (iii) the aggregate principal amount of Loans held at any one time by Affiliated Lenders shall not exceed 25% of the original principal amount of all Loans at such time outstanding (such percentage, the "***Affiliated Lender Cap***"); *provided that* to the extent any assignment to an Affiliated Lender would result in the aggregate principal amount of all Loans held by Affiliated Lenders exceeding the Affiliated Lender Cap, the assignment of such excess amount will be void *ab initio*.

Notwithstanding anything to the contrary contained herein, any Affiliated Lender that has purchased Loans pursuant to this subsection (l) may, in its sole discretion, contribute, directly or indirectly, the principal amount of such Loans, plus all accrued and unpaid interest thereon, to the Borrower for the purpose of cancelling and extinguishing such Loans. Upon the date of such contribution, assignment or transfer, (x) the aggregate outstanding principal amount of Loans shall reflect such cancellation and extinguishing of the Loans then held by the Borrower and (y) the Borrower shall promptly provide notice to the Administrative Agent of such

contribution of such Loans, and the Administrative Agent, upon receipt of such notice, shall reflect the cancellation of the applicable Loans in the Register.

In connection with any assignment of rights and obligations of any Defaulting Lender hereunder, no such assignment shall be effective unless and until, in addition to the other conditions thereto set forth herein, the parties to the assignment shall make such additional payments to the Administrative Agent in an aggregate amount sufficient, upon distribution thereof as appropriate (which may be outright payment, purchases by the assignee of participations or subparticipations, or other compensating actions, including funding, with the consent of the Borrower and the Administrative Agent, the applicable Pro Rata Share of Loans previously requested but not funded by the Defaulting Lender, to each of which the applicable assignee and assignor hereby irrevocably consent), to (x) pay and satisfy in full all payment liabilities then owed by such Defaulting Lender to the Administrative Agent or any Lender hereunder (and interest accrued thereon) and (y) acquire (and fund as appropriate) its full Pro Rata Share of all Loans. Notwithstanding the foregoing, in the event that any assignment of rights and obligations of any Defaulting Lender hereunder shall become effective under applicable Law without compliance with the provisions of this paragraph, then the assignee of such interest shall be deemed to be a Defaulting Lender for all purposes of this Agreement until such compliance occurs.

SECTION 9.05 Expenses; Indemnity. (a) The Borrower agrees to pay (i) all reasonable out-of-pocket expenses incurred by the Lead Arrangers, the Administrative Agent and the Collateral Agent in connection with the syndication of the Term Facility and the preparation, execution and delivery of this Agreement and the other Loan Documents (other than fees, charges and disbursements of any counsel to the Lead Arrangers) and (ii) all reasonable out-of-pocket expenses incurred by the Administrative Agent and the Collateral Agent in connection with the administration of this Agreement and the other Loan Documents or in connection with any amendments, modifications or waivers of the provisions hereof or thereof (whether or not the transactions hereby or thereby contemplated shall be consummated) or incurred by the Lead Arrangers, the Administrative Agent, the Collateral Agent or any Lender in connection with the enforcement or protection of its rights in connection with this Agreement and the other Loan Documents or in connection with the Loans made hereunder, including in case of this clause (ii) the fees, charges and disbursements of one primary counsel for such Persons taken as a whole (and, to the extent deemed reasonably necessary by the Administrative Agent in its good faith discretion, one local counsel in each relevant jurisdiction to the Lead Arrangers, the Administrative Agent, the Collateral Agent and the Lenders, taken as a whole, and one special or regulatory counsel in each relevant specialty), and, solely in the case of a conflict of interest or a potential conflict of interest, one additional primary counsel (and, to the extent deemed reasonably necessary or advisable by the affected persons in their good faith discretion, one local counsel in each relevant jurisdiction and one special or regulatory counsel in each relevant specialty) to the affected persons, taken as a whole.

(b) The Borrower agrees to indemnify the Lead Arrangers, the Administrative Agent, the Collateral Agent, each Lender and each Related Party of any of the foregoing Persons (each such Person being called an “*Indemnitee*”) against, and to hold each Indemnitee harmless from,

any and all losses, claims, damages, liabilities and related expenses, including reasonable counsel fees, charges and disbursements, incurred by or asserted against any Indemnitee arising out of, in any way connected with, or as a result of (i) the syndication for the Initial Term Loans, the execution, delivery or administration of this Agreement or any other Loan Document or any agreement or instrument delivered herewith or therewith, the performance by the parties hereto or thereto of their respective obligations hereunder or thereunder or the consummation of the Transactions and the other transactions contemplated thereby (including the Term Facility and the syndication thereof), (ii) the use of the proceeds of the Loans, (iii) any claim, litigation, investigation or proceeding relating to any of the foregoing, whether or not any Indemnitee is a party thereto (and regardless of whether such matter is initiated by a third party or by the Borrower, any other Loan Party or any of their respective Affiliates or equity holders) or (iv) any actual or alleged presence or Release of Hazardous Materials on any property currently or formerly owned or operated by the Borrower or any of the Subsidiaries, or any Environmental Liability related in any way to the Borrower or the Subsidiaries; *provided* that such indemnity shall not, as to any Indemnitee, be available (A) to the extent that such losses, claims, damages, liabilities or related expenses are determined by a court of competent jurisdiction by final and non-appealable judgment to have resulted primarily from (1) the bad faith, gross negligence or willful misconduct of such Indemnitee, (2) disputes solely among Indemnitees (or their Related Parties) (other than claims against any Indemnitee (x) in its capacity or in fulfilling its role as agent or arranger or any similar role under the Credit Agreement or (y) arising out of any act or omission on the part of the Borrower or any of its Subsidiaries or Affiliates) or (B) in respect of legal fees or expenses of the Indemnitees, other than the reasonable invoiced fees, expenses and charges of one primary counsel for all Indemnitees taken as a whole (and to the extent deemed reasonably necessary by the Administrative Agent in its good faith discretion, one local counsel in each relevant jurisdiction and one special or regulatory counsel in each relevant specialty), and solely in the case of a conflict of interest or a potential conflict of interest, one additional primary counsel (and, to the extent deemed reasonably necessary by the Administrative Agent in its good faith discretion, one local counsel in each relevant jurisdiction and one special or regulatory counsel in each relevant specialty) to the affected Indemnitees, taken as a whole. This Section 9.05(b) shall not apply with respect to Taxes other than any Taxes that represent losses, claims, damages, etc. arising from any non-Tax claim. Payments under this Section shall be made by the Borrower to the Administrative Agent for the benefit of the relevant Indemnitee.

(c) To the extent that the Borrower fails to pay any amount required to be paid by it to any Agent (or Affiliate thereof) under Sections 9.05(a) or (b), each Lender severally agrees to pay to such Agent, as the case may be, such Lender's Pro Rata Share (determined as of the time that the applicable unreimbursed expense or indemnity payment is sought) of such unpaid amount; *provided* that the unreimbursed expense or indemnified loss, claim, damage, liability or related expense, as the case may be, was incurred by or asserted against the Agent (or Affiliate thereof) in its capacity as such. For purposes hereof, a Lender's Pro Rata Share shall be determined based upon its share of the sum of the outstanding Loans at the time.

(d) To the extent permitted by applicable law, no Loan Party shall assert, and hereby waives, any claim against any Indemnitee, and no Indemnitee shall assert, and hereby waives, any claim against any Loan Party, on any theory of liability, for special, indirect, consequential

or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement, any other Loan Document or any agreement or instrument delivered in connection herewith or therewith, the Transactions, any Loan or the use of the proceeds thereof; *provided* that nothing contained in this sentence will limit the indemnity obligations of any Loan Party to the extent indirect, special, punitive or consequential damages are included in any third party claim in connection with which such Indemnitee is entitled to indemnification hereunder.

(e) No Indemnitee seeking indemnification or reimbursement under this Agreement will, without the Borrower's prior written consent (not to be unreasonably withheld, delayed or conditioned), settle, compromise, consent to the entry of any judgment in or otherwise seek to terminate any claim, litigation, action, investigation or proceeding referred to herein; *provided* that the foregoing indemnity will apply to any such settlement in the event that (i) the Borrower was offered the ability to assume the defense of the action that was the subject matter of such settlement and elected not to so assume or (ii) such settlement is entered into more than seventy-five (75) days after receipt by the Borrower of a request by the applicable Indemnitee for reimbursement of its legal or other expenses incurred in connection with such claim, litigation, action, investigation or proceeding and the Borrower not having reimbursed such Indemnitee in accordance with such request prior to the date of such settlement (provided that the foregoing indemnity will not apply to any settlement made in accordance with this clause (ii) if the Borrower is disputing such expenses in good faith), and the foregoing indemnity will also apply to any settlement with the Borrower's written consent or if there is a final judgment for the plaintiff against an Indemnitee in any such proceeding.

(f) Notwithstanding the foregoing, each Indemnitee (and its Related Parties) shall be obligated to refund and return promptly any and all amounts paid by the Loan Parties under Section 9.05(b) to such Indemnitee (or such Related Party) for any such fees, expenses or damages to the extent such Indemnitee (or such Related Party) is not entitled to payment of such amounts in accordance with the terms hereof, as determined by a final non-appealable judgment of a court of competent jurisdiction.

(g) The provisions of this Section 9.05 shall remain operative and in full force and effect regardless of the expiration of the term of this Agreement, the consummation of the transactions contemplated hereby, the repayment of any of the Loans, the expiration of the Commitments, the invalidity or unenforceability of any term or provision of this Agreement or any other Loan Document, or any investigation made by or on behalf of the Administrative Agent, the Collateral Agent or any Lender. All amounts due under this Section 9.05 shall be payable on written demand therefor.

SECTION 9.06. ***Right of Setoff.*** If an Event of Default shall have occurred and be continuing, each Lender is hereby authorized at any time and from time to time, except to the extent prohibited by law, to set off and apply any and all deposits (general or special, time or demand, provisional or final) at any time held and other indebtedness at any time owing by such Lender or its Affiliates to or for the credit or the account of the Borrower against any of and all the obligations of the Borrower now or hereafter existing under this Agreement and other Loan

Documents held by such Lender, irrespective of whether or not such Lender shall have made any demand under this Agreement or such other Loan Document and although such obligations may be unmatured; *provided* that any Lender exercising such right of setoff shall promptly notify the Administrative Agent thereof. The rights of each Lender under this Section 9.06 are in addition to other rights and remedies (including other rights of setoff) which such Lender may have.

SECTION 9.07. **Applicable Law.** THIS AGREEMENT AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES HEREUNDER SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK.

SECTION 9.08. **Waivers; Amendment.** (a) No failure or delay of the Administrative Agent, the Collateral Agent or any Lender in exercising any power or right hereunder or under any other Loan Document shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the Administrative Agent, the Collateral Agent and the Lenders hereunder and under the other Loan Documents are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of this Agreement or any other Loan Document or consent to any departure by the Borrower or any other Loan Party therefrom shall in any event be effective unless the same shall be permitted by this Section 9.08 or, with respect to any Security Documents, Section 4.12 of Annex I, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. No notice or demand on the Borrower in any case shall entitle the Borrower to any other or further notice or demand in similar or other circumstances.

(b) Except as otherwise set forth in this Agreement, neither this Agreement, any Loan Document, nor any provision hereof or thereof may be waived, amended or modified except pursuant to an agreement or agreements in writing entered into by the Borrower and the Required Lenders (other than any amendment contemplated in clauses (i)-(vi) and (viii)-(xiv) below which shall only require the consent of the Lenders, L/C Issuers or Swing Line Lenders specified therein); *provided, however*, that no such agreement shall (i) decrease the principal amount of, or extend the maturity of or any scheduled principal payment date or date for the payment of any interest on any Loan or L/C Borrowing, or waive or excuse any such payment or any part thereof, or decrease the rate of interest on any Loan, without the prior written consent of each Lender directly adversely affected thereby, (provided that only the consent of the Required Lenders shall be necessary to amend Section 2.07 or to waive the obligation of the Borrower to pay interest at the rate set forth in such Section), (ii) increase or extend the Commitment or decrease or extend the date for payment of any fees therein of any Lender without the prior written consent of such Lender (it being understood that a waiver of any condition precedent or of any Default, mandatory prepayment or mandatory reduction of the Commitments shall not constitute an extension or increase of any Commitment of any Lender or a decrease or extension of the date for payment of any fees therein of any Lender and neither any shall change to the definition of "Consolidated Net Senior Secured Leverage Ratio" or in the component definitions thereof constitute a reduction in the amount of fees of any Lender), (iii) amend or modify the *pro*

rata requirements of Section 2.17, the provisions of Section 9.04(l) or the provisions of this Section 9.08 or release all or substantially all of the value of the Facility Guaranty or all or substantially all of the Collateral, without the prior written consent of each Lender, (iv) change the provisions of any Loan Document in a manner that by its terms directly affects the rights in respect of payments due to Lenders holding Loans of one Class differently from the rights of Lenders holding Loans of any other Class without the prior written consent of the Required Class Lenders of each such affected Class (and in the case of multiple Classes directly affected in the same or substantially the same way, the Lenders under such Classes shall consent together as one Class) (it being understood that any amendment to the conditions of effectiveness set forth in Section 2.22 with respect to Incremental Loan Commitments, Section 2.23 with respect to any Extended Class, Section 2.24 with respect to any Refinancing Commitments, in each case, shall be subject to clause (v) below)); (v) amend, waive or otherwise modify any term or provision (including the availability and conditions to funding under Article IV with respect to Initial Term Loan Commitments, Section 2.22 with respect to Incremental Loan Commitments, Section 2.23 with respect to any Extended Class, Section 2.24 with respect to any Refinancing Commitments and in each case the rate of interest applicable thereto) which directly affects Lenders of one or more Classes of Initial Term Loan Commitments, Incremental Loans or Incremental Loan Commitments, Refinancing Loans or Refinancing Commitments, or Extended Term Loans or Extended Revolving Credit Commitments (the “*Affected Facilities*”) and does not directly affect Lenders under any other Class of Loans, in each case, without the written consent of the Required Class Lenders under such applicable Affected Facilities (and in the case of multiple Classes directly affected in the same or substantially the same way with respect to the Affected Facilities, such Required Class Lenders shall consent together as one Class); (vi) amend, waive or otherwise modify any term or provision (including the waiver of any conditions set forth in Section 4.03 as to any Credit Extension under one or more Revolving Credit Facilities) which directly affects Lenders under one or more Classes of Revolving Credit Commitments and does not directly affect Lenders under any other Class of Loans, in each case, without the written consent of the Required Class Lenders under such applicable Class of Revolving Credit Commitments (and in the case of multiple Classes which are affected, such Required Class Lenders shall consent together as one Class); (vii) modify the protections afforded to an SPV pursuant to the provisions of Section 9.04(i) without the written consent of such SPV; (viii) reduce the percentage contained in the definition of “Required Lenders”, “Required Class Lenders” or “Required Revolving Credit Lenders” or change the definition of “Pro Rata Share” without the prior written consent of each Lender directly affected thereby; (ix) change the currency in which any Loan is permitted to be made or is payable (including interest with respect to such Loan) without the prior written consent of each Lender; (x) waive, amend or modify the proviso to Section 5.05(a) without the prior written consent of each Lender; (xi) amend or otherwise modify the Financial Covenant and Section 7.03 as it applies to such Financial Covenant, and in each case any definition related thereto (as any such definition is used therein but not as otherwise used in this Agreement or any other Loan Document) or waive any Default or Event of Default resulting from a failure to perform or observe the Financial Covenant or Section 7.03 as it applies to such Financial Covenant without the written consent of the Required Revolving Credit Lenders; *provided* that, the waivers described in this clause (xi) shall not require the consent of any Lenders other than the Required Revolving Credit Lenders; (xii) modify any other provision, if any, of this Agreement that expressly requires the consent of each

Lender or each directly affected Lender without the prior written consent of each Lender; (xiii) amend, modify or waive any provision with respect to Letters of Credit to the extent such amendment, modification or waiver directly and adversely affects the rights or, duties of, or any fees or other amounts payable to, any L/C Issuer under this Agreement, any other Loan Document or any Letter of Credit Application relating to any Letter of Credit issued or to be issued by it, without the written consent of such L/C Issuer; or (xiv) amend, modify or waive any provision with respect to any Swing Line Loan to the extent such amendment, modification or waiver directly and adversely affects the rights or duties of, or any fees or other amounts payable to any Swing Line Lender without the written consent of such Swing Line Lender; *provided, further*, that no such agreement shall amend, modify or otherwise affect the rights or duties of the Administrative Agent or the Collateral Agent hereunder or under any other Loan Document without the prior written consent of the Administrative Agent or the Collateral Agent.

(c) Without prejudice to the Administrative Agent's right to seek instruction from the Lenders from time to time, the Administrative Agent and the Borrower may amend this Agreement or any other Loan Document (including, for the avoidance of doubt, any exhibit, schedule or other attachment to any Loan Document) to correct an obvious error or omission jointly identified by the Borrower and the Administrative Agent or other errors or omissions of a technical or immaterial nature (including, but not limited to, an incorrect cross-reference). Notwithstanding anything to the contrary contained herein, such amendment shall become effective without any further consent of any other party to such Loan Document.

(d) Notwithstanding anything to the contrary herein, (i) no Defaulting Lender shall have any right to approve or disapprove any amendment, waiver or consent hereunder (and any amendment, waiver or consent which by its terms requires the consent of all Lenders or each affected Lender may be effected with the consent of the applicable Lenders other than Defaulting Lenders), except that (x) the Commitment of any such Defaulting Lender may not be increased or extended without the consent of such Lender and (y) any waiver, amendment or modification requiring the consent of all Lenders or each affected Lender that by its terms materially and adversely affects any Defaulting Lender to a greater extent than other affected Lenders shall require the consent of such Defaulting Lender, (ii) this Agreement may be amended (or amended and restated) with the written consent of the Required Lenders, the Administrative Agent and the Borrower (x) to add one or more additional credit facilities to this Agreement and to permit the extensions of credit from time to time outstanding thereunder and the accrued interest and fees in respect thereof to share ratably in the benefits of this Agreement and the other Loan Documents with the Term Loans, Revolving Credit Loans, Swing Line Loans and L/C Obligations and the accrued interest and fees in respect thereof and (y) to include appropriately the Lenders holding such credit facilities in any determination of the Required Lenders, and (iii) Annex I and Annex II of this Agreement may be amended with the written consent of the Administrative Agent and the Borrower, but without the consent of any other Person, to conform the text of Annex I and/or Annex II to any provision of the "Description of Notes" section of the Offering Memorandum to correct an obvious error or omission.

SECTION 9.09. ***Interest Rate Limitation.*** Notwithstanding anything herein to the contrary, if at any time the interest rate applicable to any Loan, together with all fees, charges

and other amounts which are treated as interest on such Loan under applicable law (collectively the “*Charges*”), shall exceed the maximum lawful rate (the “*Maximum Rate*”) which may be contracted for, charged, taken, received or reserved by the Lender holding such Loan in accordance with applicable law, the rate of interest payable in respect of such Loan hereunder, together with all Charges payable in respect thereof, shall be limited to the Maximum Rate and, to the extent lawful, the interest and Charges that would have been payable in respect of such Loan but were not payable as a result of the operation of this Section 9.09 shall be cumulated and the interest and Charges payable to such Lender in respect of other Loans or participations or periods shall be increased (but not above the Maximum Rate therefor) until such cumulated amount, together with interest thereon at the Federal Funds Effective Rate to the date of repayment, shall have been received by such Lender.

SECTION 9.10. **Entire Agreement.** This Agreement and the other Loan Documents constitute the entire contract between the parties relative to the subject matter hereof. Any other previous agreement among the parties with respect to the subject matter hereof (other than the Arranger Fee Letter) is superseded by this Agreement and the other Loan Documents. Nothing in this Agreement or in the other Loan Documents, expressed or implied, is intended to confer upon any Person (other than the parties hereto and thereto, their respective successors and assigns permitted hereunder and, to the extent expressly contemplated hereby, the Related Parties of each of the Administrative Agent, the Collateral Agent and the Lenders) any rights, remedies, obligations or liabilities under or by reason of this Agreement or the other Loan Documents.

SECTION 9.11. **Waiver of Jury Trial.** EACH PARTY HERETO HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LITIGATION DIRECTLY OR INDIRECTLY ARISING OUT OF, UNDER OR IN CONNECTION WITH THIS AGREEMENT OR ANY OF THE OTHER LOAN DOCUMENTS. EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS, AS APPLICABLE, BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 9.11.

SECTION 9.12. **Severability.** In the event any one or more of the provisions contained in this Agreement or in any other Loan Document should be held invalid, illegal or unenforceable in any respect, the validity, legality and enforceability of the remaining provisions contained herein and therein shall not in any way be affected or impaired thereby (it being understood that the invalidity of a particular provision in a particular jurisdiction shall not in and of itself affect the validity of such provision in any other jurisdiction). The parties shall endeavor in good-faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

SECTION 9.13. **Counterparts.** This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original but all of which when taken together shall constitute a single contract, and shall become effective as provided in Section 4.01. The words “execution,” “signed,” “signature,” and words of like import in this Agreement and the other Loan Documents including any Assignment and Acceptance shall be deemed to include electronic signatures or electronic records, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act.

SECTION 9.14. **Headings.** Article and Section headings and the Table of Contents used herein are for convenience of reference only, are not part of this Agreement and are not to affect the construction of, or to be taken into consideration in interpreting, this Agreement.

SECTION 9.15. **Jurisdiction; Consent to Service of Process.** (a) Each party hereto hereby irrevocably and unconditionally submits, for itself and its property, to the exclusive jurisdiction of any New York State court or Federal court of the United States of America sitting in New York County, and any appellate court from any thereof, in any action or proceeding arising out of or relating to this Agreement or the other Loan Documents (other than any Loan Documents governed by any law other than New York law), or for recognition or enforcement of any judgment, and each of the parties hereto hereby irrevocably and unconditionally agrees that all claims in respect of any such action or proceeding may be heard and determined in such New York State or, to the extent permitted by law, in such Federal court. Each of the parties hereto agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in this Agreement shall affect any right that the Administrative Agent, the Collateral Agent or any Lender may otherwise have to bring any action or proceeding relating to this Agreement or the other Loan Documents against the Borrower or its properties in the courts of any jurisdiction if required to realize upon the Collateral as determined in good faith by the Person bringing such action or proceeding.

(b) Each party hereto hereby irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so, any objection which it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to this Agreement or the other Loan Documents in any New York State or Federal court sitting in New York County. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

(c) Each party to this Agreement irrevocably consents to service of process in the manner provided for notices in Section 9.01 excluding service of process by mail. Nothing in this Agreement will affect the right of any party to this Agreement to serve process in any other manner permitted by law.

SECTION 9.16. **Confidentiality.** Each of the Administrative Agent, the Collateral Agent and the Lenders agrees to maintain the confidentiality of the Information (as defined below), except that Information may be disclosed (a) to its and its Affiliates' officers, directors, employees and agents, including accountants, legal counsel, numbering, administration and settlement service providers and other advisors (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential), (b) to the extent requested or required by any regulatory authority or quasi-regulatory authority (such as the National Association of Insurance Commissioners), (c) to the extent required by applicable laws or regulations or by any subpoena or similar legal process, (d) in connection with the exercise of any remedies hereunder or under the other Loan Documents or any suit, action or proceeding relating to the enforcement of its rights hereunder or thereunder, (e) subject to an agreement containing provisions substantially the same as or no less restrictive than those of this Section 9.16, to any actual or prospective assignee of or participant in any of its rights or obligations under this Agreement and the other Loan Documents, (f) with the consent of the Borrower, (g) to the extent such Information becomes publicly available other than as a result of a breach of this Section 9.16, (h) subject to an agreement containing provisions substantially the same as or no less restrictive than those of this Section 9.16, to actual or proposed direct or indirect counterparties in connection with any Swap Contract relating to the Loan Parties or their obligations or (i) disclosure to any rating agency when required by it, provided that, prior to any disclosure, such rating agency shall undertake in writing to preserve the confidentiality of any confidential information relating to Loan Parties received by it from any Agent or any Lender. In addition, each Agent and each Lender may disclose the existence of this Agreement and the information about this Agreement to market data collectors, similar services providers to the lending industry, and service providers to the Agents and the Lenders in connection with the administration and management of this Agreement and the other Loan Documents. For the purposes of this Section 9.16, "Information" shall mean all information received from the Borrower and related to the Borrower or its business, other than any such information that was available to the Administrative Agent, the Collateral Agent or any Lender on a non-confidential basis prior to its disclosure by the Borrower. Any Person required to maintain the confidentiality of Information as provided in this Section 9.16 shall be considered to have complied with its obligation to do so if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord its own confidential information.

SECTION 9.17. **Lender Action; Intercreditor Agreement.** (a) Each Lender agrees that it shall not take or institute any actions or proceedings, judicial or otherwise, for any right or remedy against any Loan Party or any other obligor under any of the Loan Documents (including the exercise of any right of setoff, rights on account of any banker's lien or similar claim or other rights of self-help), or institute any actions or proceedings, or otherwise commence any remedial procedures, with respect to any Collateral or any other property of any such Loan Party, unless expressly provided for herein or in any other Loan Document, without the prior written consent of the Administrative Agent. The provisions of this Section 9.17 are for the sole benefit of the Lenders and shall not afford any right to, or constitute a defense available to, any Loan Party.

(b) Each Lender that has signed this Agreement shall be deemed to have consented to and hereby irrevocably authorizes the Administrative Agent and the Collateral Agent to enter into (i) any Intercreditor Agreement as such Lender's "Authorized Representative" (or equivalent defined term) and "Collateral Agent" (or equivalent defined term), as applicable (as such terms are defined in the Closing Date Intercreditor Agreement) (and including any and all amendments, amendments and restatements, modifications, supplements and acknowledgments thereto) from time to time, and agrees to be bound by the provisions thereof and (ii) any Loan Escrow Agreement as such Lender's "Authorized Representative" (or equivalent defined term), Administrative Agent" (or equivalent defined term) or "Collateral Agent" (or equivalent defined term) (and including any and all amendments, amendments and restatements, modifications, supplements and acknowledgments thereto) from time to time, and agrees to be bound by the provisions thereof.

(c) Notwithstanding anything herein to the contrary, each Lender and the Agents acknowledge that the Lien and security interest granted to the Collateral Agent pursuant to the Security Documents and the exercise of any right or remedy by the Collateral Agent thereunder, shall be subject to the provisions of any Intercreditor Agreement (on and after the execution thereof). In the event of a conflict or any inconsistency between the terms of any Intercreditor Agreement and the Security Documents, the terms of such Intercreditor Agreement shall prevail.

SECTION 9.18. **USA PATRIOT Act Notice**. Each Lender, the Administrative Agent (for itself and not on behalf of any Lender) hereby notifies the Borrower and the Guarantors that pursuant to the requirements of the USA PATRIOT Act and/or the Beneficial Ownership Regulation, it is required to obtain, verify and record information that identifies the Borrower and the Guarantors, which information includes the name and address of the Borrower and the Guarantors and other information that will allow such Lender or the Administrative Agent, as applicable, to identify the Borrower and the Guarantors in accordance with the USA PATRIOT Act and/or the Beneficial Ownership Regulation.

SECTION 9.19. **No Fiduciary Duty**. The parties hereto hereby acknowledge that each Agent, the Lead Arrangers, each Lender and their respective Affiliates (collectively, solely for purposes of this paragraph, the "**Lenders**"), may have economic interests that conflict with those of any Loan Party, its stockholders and/or their respective Affiliates. The Borrower agrees, on behalf of itself and each other Loan Party, that nothing in the Loan Documents or otherwise will be deemed to create an advisory, fiduciary or agency relationship or fiduciary or other implied duty between any Lender, on the one hand, and any Loan Party, its stockholders or their respective Affiliates on the other hand. The Borrower acknowledges and agrees, on behalf of itself and each other Loan Party, that (a) the transactions contemplated by the Loan Documents (including the exercise of rights and remedies hereunder and thereunder) are arm's-length commercial transactions between the Lenders, on the one hand, and the Loan Parties, on the other hand, and (b) in connection therewith and with the process leading thereto, (i) no Lender has assumed an advisory or fiduciary responsibility in favor of any Loan Party, with respect to the transactions contemplated hereby (or the exercise of rights or remedies with respect thereto) or the process leading thereto (irrespective of whether any Lender has advised, is currently advising or will advise any Loan Party, on other matters) or any other obligation to any Loan

Party except the obligations expressly set forth in the Loan Documents and (ii) each Lender is acting solely as principal and not as the agent or fiduciary of any Loan Party.

The Borrower acknowledges and agrees, on behalf of itself and each other Loan Party, that it has consulted its own legal and financial advisors to the extent it deemed appropriate and that it is responsible for making its own independent judgment with respect to such transactions and the process leading thereto. The Borrower agrees, on behalf of itself and each other Loan Party, that it will not claim that any Lender has rendered advisory services of any nature or respect, or owes a fiduciary or similar duty to any Loan Party, in connection with such transaction or the process leading thereto.

SECTION 9.20. **Release of Liens.** The Borrower and the Guarantors will be entitled to release the Liens in respect of the Collateral securing the Obligations under any one or more of the following circumstances:

(a) in connection with any sale or other disposition of the Collateral to a Person that is not the Borrower or a Guarantor (but excluding any transaction subject to Article V of Annex I hereof), if such sale or other disposition does not violate Section 4.08 of Annex I hereof, but only in respect of the Collateral sold or otherwise disposed of;

(b) in connection with the release of a Guarantor from its Loan Guarantee pursuant to the terms of this Agreement, the release of the property and assets of such Guarantor;

(c) if the Borrower designates any Restricted Subsidiary to be an Unrestricted Subsidiary in accordance with the applicable provisions of this Agreement, the release of the property, assets and Capital Stock of such Unrestricted Subsidiary;

(d) in accordance with an enforcement sale in compliance with the Intercreditor Agreement or any Additional Intercreditor Agreement, or as otherwise provided for under any Intercreditor Agreement or any Additional Intercreditor Agreement;

(e) as provided under Section 9.08, Section 4.06(b) of Annex I (in which case, for the avoidance of doubt, such release shall be automatic and unconditional) and Section 4.12 of Annex I hereof;

(f) upon termination of the Commitments and payment in full of all Obligations (other than (i) contingent indemnification obligations as to which no claim has been asserted and (ii) obligations and liabilities under Treasury Services Agreements and Swap Contracts) and the expiration or termination of all Letters of Credit (other than Letters of Credit that are Cash Collateralized or back-stopped by a letter of credit in form, amount and substance reasonably satisfactory to the applicable L/C Issuer or a deemed reissuance under another facility as to which other arrangements satisfactory to the Administrative Agent and the L/C Issuer shall have been made);

(g) to release and re-take any Lien on any Collateral to the extent not otherwise prohibited by the terms of this Agreement, the Security Documents, any Intercreditor Agreement or any Additional Intercreditor Agreement;

(h) in connection with a transaction permitted by Article V of Annex I hereof;

(i) with respect to any Collateral that is transferred to a Subsidiary pursuant to a Qualified Receivables Financing, and with respect to any securitization obligation that is transferred in one or more transactions, to a Subsidiary;

(j) any property and/or related rights and/or assets (including loan receivables and collateral therefor) that would otherwise be included in the Collateral (and such property and/or related rights and/or assets (including loan receivables and collateral therefor) shall not be deemed to constitute a part of the Collateral) if such property has been sold or otherwise transferred in connection with a securitization transaction or other financing arrangement not prohibited under the Loan Documents; or

(k) if the respective property or assets cease to constitute Collateral (including as a result of being or becoming an Excluded Asset).

The Collateral Agent and the Administrative Agent will take all necessary action required to effectuate any release of the Collateral securing the Loans and the Loan Guarantees, in accordance with the provisions of this Agreement, any Intercreditor Agreement (on and after the execution thereof) or any Additional Intercreditor Agreement (on and after the execution thereof) and the relevant Security Document. Each of the releases set forth above shall be effected by the Collateral Agent without the consent of the Lenders or any action on the part of the Administrative Agent.

The Collateral Agent and the Administrative Agent will agree to any release of the security interest in respect of the Collateral that is in accordance with this Agreement, any Intercreditor Agreement (on and after the execution thereof) or any Additional Intercreditor Agreement (on and after the execution thereof) and the relevant Security Document, without requiring any Lender consent or any action on the part of the Administrative Agent. Upon request of the Borrower and upon receipt of an Officer's Certificate stating that all conditions precedent in respect of such release have been satisfied, the Collateral Agent shall execute, deliver or acknowledge any necessary or proper instruments of termination, satisfaction or release to evidence the release of Collateral permitted to be released pursuant to this Agreement, any Intercreditor Agreement, any Additional Intercreditor Agreement and the Security Documents. At the request of the Borrower, the Collateral Agent shall execute and deliver an appropriate instrument evidencing such release (in the form provided by the Borrower).

SECTION 9.21. **Judgment Currency.** If, for the purposes of obtaining judgment in any court, it is necessary to convert a sum due hereunder or any other Loan Document in one currency into another currency, the rate of exchange used shall be that at which in accordance with normal banking procedures the Administrative Agent could purchase the first currency with such other currency on the Business Day preceding that on which final judgment is given. The

obligation of any Loan Party in respect of any such sum due from it to the Administrative Agent or the Lenders hereunder or under the other Loan Documents shall, notwithstanding any judgment in a currency (the “**Judgment Currency**”) other than that in which such sum is denominated in accordance with the applicable provisions of this Agreement (the “**Agreement Currency**”), be discharged only to the extent that on the Business Day following receipt by the Administrative Agent of any sum adjudged to be so due in the Judgment Currency, the Administrative Agent may in accordance with normal banking procedures purchase the Agreement Currency with the Judgment Currency. If the amount of the Agreement Currency so purchased is less than the sum originally due to the Administrative Agent from a Loan Party in the Agreement Currency, such Loan Party agrees, as a separate obligation and notwithstanding any such judgment, to indemnify the Administrative Agent or the Person to whom such obligation was owing against such loss. If the amount of the Agreement Currency so purchased is greater than the sum originally due to the Administrative Agent in such currency, the Administrative Agent agrees to return the amount of any excess to such Loan Party (or to any other Person who may be entitled thereto under applicable Law).

SECTION 9.22 **Acknowledgement and Consent to Bail-In of Applicable Financial Institutions.** Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any Applicable Financial Institution arising under any Loan Document, to the extent such liability is unsecured, may be subject to the Write-Down and Conversion Powers of the applicable Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(a) the application of any Write-Down and Conversion Powers by the applicable Resolution Authority to any such liabilities arising hereunder which may be payable to it by any party hereto that is an Applicable Financial Institution; and

(b) the effects of any Bail-In Action on any such liability, including, if applicable:

(i) a reduction in full or in part or cancellation of any such liability;

(ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such Applicable Financial Institution, its parent entity, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or

(iii) the variation of the terms of such liability in connection with the exercise of the Write-Down and Conversion Powers of the applicable Resolution Authority.

SECTION 9.23 **Acknowledgement Regarding Any Supported QFCs.** To the extent that the Loan Documents provide support, through a guarantee or otherwise, of Swap Obligations or any other agreement or instrument that is a QFC (such support, “**QFC Credit Support**” and each such QFC, a “**Supported QFC**”), the parties acknowledge and agree as follows with respect to the resolution power of the Federal Deposit Insurance Corporation under the Federal Deposit

Insurance Act and Title II of the Dodd-Frank Wall Street Reform and Consumer Protection Act (together with the regulations promulgated thereunder, the “*U.S. Special Resolution Regimes*”) in respect of such Supported QFC and QFC Credit Support (with the provisions below applicable notwithstanding that the Loan Documents and any Supported QFC may in fact be stated to be governed by the laws of the State of New York and/or of the United States or any other state of the United States):

(a) In the event a Covered Entity that is party to a Supported QFC (each, a “*Covered Party*”) becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer of such Supported QFC and the benefit of such QFC Credit Support (and any interest and obligation in or under such Supported QFC and such QFC Credit Support, and any rights in property securing such Supported QFC or such QFC Credit Support) from such Covered Party will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if the Supported QFC and such QFC Credit Support (and any such interest, obligation and rights in property) were governed by the laws of the United States or a state of the United States. In the event a Covered Party or a BHC Act Affiliate of a Covered Party becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under the Loan Documents that might otherwise apply to such Supported QFC or any QFC Credit Support that may be exercised against such Covered Party are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if the Supported QFC and the Loan Documents were governed by the laws of the United States or a state of the United States. Without limitation of the foregoing, it is understood and agreed that rights and remedies of the parties with respect to a Defaulting Lender shall in no event affect the rights of any Covered Party with respect to a Supported QFC or any QFC Credit Support.

(b) As used in this Section 9.23, the following terms shall have the following meanings:

“*BHC Act Affiliate*” of a party means an “affiliate” (as such term is defined under, and interpreted in accordance with, 12 U.S.C. 1841(k)) of such party.

“*Covered Entity*” means any of the following:

- (a) a “covered entity” as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 252.82(b);
- (b) a “covered bank” as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 47.3(b); or
- (c) a “covered FSI” as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 382.2(b).

“*Default Right*” has the meaning assigned to that term in, and shall be interpreted in accordance with, 12 C.F.R. §§ 252.81, 47.2 or 382.1, as applicable.

“*QFC*” has the meaning assigned to the term “qualified financial contract” in, and shall be interpreted in accordance with, 12 U.S.C. 5390(c)(8)(D).

SECTION 9.24 ***Certain ERISA Matters.*** (a) Each Lender (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent and the Lead Arrangers and their respective Affiliates, and not, for the avoidance of doubt, to or for the benefit of the Borrower or any other Loan Party, that at least one of the following is and will be true:

(i) such Lender is not using “plan assets” (within the meaning of Section 3(42) of ERISA or otherwise for purposes of Title I of ERISA or Section 4975 of the Code) of one or more Benefit Plans with respect to such Lender’s entrance into, participation in, administration of and performance of the Loans, the Letters of Credit or the Commitments or this Agreement,

(iii) (A) such Lender is an investment fund managed by a “Qualified Professional Asset Manager” (within the meaning of Part VI of PTE 84-14), (B) such Qualified Professional Asset Manager made the investment decision on behalf of such Lender to enter into, participate in, administer and perform the Loans, the Letters of Credit, the Commitments and this Agreement, (C) the entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement satisfies the requirements of sub-sections (b) through (g) of Part I of PTE 84-14 and (D) to the best knowledge of such Lender, the requirements of subsection (a) of Part I of PTE 84-14 are satisfied with respect to such Lender’s entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement, or

(iv) such other representation, warranty and covenant as may be agreed in writing between the Administrative Agent, in its sole discretion, and such Lender.

(b) In addition, unless either (i) sub-clause (i) in the immediately preceding clause (a) is true with respect to a Lender or (ii) a Lender has provided another representation, warranty and covenant in accordance with sub-clause (iv) in the immediately preceding clause (a), such Lender further (x) represents and warrants, as of the date such Person became a Lender party

hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent and the Lead Arrangers and their respective Affiliates, and not, for the avoidance of doubt, to or for the benefit of the Borrower or any other Loan Party, that none of the Administrative Agent and the Lead Arrangers and their respective Affiliates is a fiduciary with respect to the assets of such Lender involved in the such Lender's entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement (including in connection with the reservation or exercise of any rights by the Administrative Agent under this Agreement, any Loan Document or any documents related hereto or thereto).

Ms. Colleen Schmidt
c/o Altiice USA, Inc.
1 Court Square
Long Island City, NY 11101

Dear Colleen:

In order to ensure a seamless and successful transition to the next Executive Vice President, Human Resources (“EVP, HR,” and your successor, the “Successor”) of Altiice USA, Inc., a Delaware corporation (the “**Company**”), you and the Company agree to the terms of this transition Agreement (this “**Agreement**”), which confirms the changes to your relationship with the Company and its subsidiaries and affiliates (together with the Company, the “**Company Group**”), and further sets forth the terms of your advisory services to the Company. Your resignation from the Company shall become effective on March 28, 2025, or such earlier date as your employment with the Company terminates due to your resignation or a termination for Cause (the “**Separation Date**”).

1. Transition Period and Separation.

a) Effective December 31, 2024 (the “Transition Date”), you and the Company agree that you will cease to be employed as the Company’s EVP, HR and will immediately become employed as a non-executive Senior Advisor to the CEO until the Separation Date (“Transition Period”). Accordingly, you will no longer serve as an executive officer or Section 16 reporting person of the Company. Until the Separation Date, you shall cooperate with the Company to transition the EVP, HR duties to your successor and, in your capacity as Senior Advisor to the CEO, you shall advise the CEO on, and continue to provide operational advice to the Company and perform such other duties in all cases consistent with your experience as the Company may reasonably request from time to time.

b) Through the Separation Date, you will continue to receive your current annual base salary of \$400,000, subject to reduction for applicable withholding taxes and deductions, and paid in accordance with the Company’s usual and customary payroll practices, and you will continue to participate in the Company’s benefit plans, subject to the terms thereof, in a manner consistent with your employment as of the date of this Agreement.

c) Effective on the Transition Date, you will resign from your role as EVP, HR of the Company, as well as any and all titles, positions and appointments you hold with the Company or any member of the Company Group, whether as an officer, director, trustee, committee member, agent or otherwise, other than your employment as Senior Advisor to the CEO, which employment shall terminate on the Separation Date. Accordingly, effective as of the Transition Date, without the prior approval of the Chief Executive Officer of the Company, you shall have no authority to act on behalf of any member of the Company Group and shall not hold yourself out as having such authority to enter into any agreement or incur any obligations on behalf of any member of the Company Group, commit any member of the Company Group in

any manner or otherwise act in an executive or other decision-making capacity with respect to any member of the Company Group. You agree to promptly execute such documents as reasonably necessary to effect such resignations.

d) Incentive Awards. Subject to the terms herein, you shall be eligible to continue to vest in your outstanding cash and equity-based incentive compensation awards that vest on or before the Separation Date (the “**Outstanding Awards**”). The Outstanding Awards shall be subject to the terms and conditions of the plan documents and associated award agreements.

e) Altice USA Bonus. You will remain eligible to participate in the Company’s 2024 Bonus Plan (the “Altice USA Bonus”) approved by the Company’s Board of Directors for calendar year 2024. This Altice USA Bonus will be calculated based upon your actual base salary paid to you in 2024. This amount, subject to reduction for applicable withholding taxes and deductions, will be payable to you if and when such bonuses are generally paid to similarly situated active employees and will be based on your 2024 annual target bonus percentage of 100% of your base salary as of the Separation Date, as well as business performance as determined by the Company in its sole discretion, but without adjustment for your individual performance. To the extent the Compensation Committee of the Board of Directors decides to provide a discretionary positive adjustment to the business performance factor used to determine the 2024 Altice USA Bonus for similarly situated executives (direct reports to the CEO who participate in the Corporate Plan), the same discretionary positive adjustment to the business performance factor will be utilized in determining your 2024 bonus.

2. Separation Benefits.

Upon the Separation Date you will be entitled to Separation Benefits described in this section, provided, that (i) you execute and do not revoke the Separation Agreement, attached hereto as a preview copy (Exhibit A), prior to the applicable revocation period stated therein, and (ii) you continue to comply with any confidentiality, non-disparagement and any other restrictive covenants applicable to you. If, prior to the Separation Date, the Company terminates your employment for Cause (defined below), or you voluntarily resign for any reason, you will be entitled to receive only the base salary and earned or accrued, but unpaid, benefits up to the final date of your employment. If you were to die prior to receiving the Separation Benefit defined under Section 2(a) of the Separation Agreement, the Separation Benefits set forth under Section 2(a) shall be paid to your estate in the form of a single lump sum as soon as reasonably practicable.

a) Separation payments. The Company will pay you **\$400,000.00**, subject to reduction for applicable withholding taxes and deductions (the “Separation Payment”). The Separation Payment will be paid to you in biweekly installments for the twelve (12) month period following the Separation Date, until it is paid in full in accordance with the Company’s prevailing payroll practices.

b) Health Coverage. Your Company-sponsored medical, dental and vision coverage, if any, will continue through the last day of the month in which the Separation Date occurs. Thereafter, you, and your eligible dependents, if any, may be eligible to obtain continuation coverage for a period of time thereafter pursuant to the federal COBRA statute by returning an election form and paying the required premiums on a timely basis, including a 2% COBRA administration premium. If you elect COBRA coverage, the Company will subsidize your COBRA payments for a period of three (3) months from the first day of the month following the month in which the Separation Date occurs so that you will continue to receive such benefits at the active employee rate. Further details regarding COBRA coverage and any necessary forms will be sent to you under separate cover.

c) Continued Compliance. Without waiver of the Company's remedies for any breach of this Agreement, all amounts and other benefits paid, or due to you, hereunder are expressly conditioned on your not, at any time, being in breach of this Agreement.

d) No Other Separation Benefits, Payment, Consideration or Severance Benefits. For purposes of this Agreement, the consideration set forth in this Section 2 shall be referred to as the "Separation Benefits." The Separation Benefits represent a complete settlement, release and waiver of any claims for allegedly lost wages, benefits, bonuses, or other compensation, mental, physical or other personal injuries, pain and suffering, and costs in connection with any other relief you may seek or claim you may have against the Company, through the date of this Agreement. You hereby confirm that all monies or remuneration of any kind or nature due to you previously have been paid. You agree that no other monies or relief are due to you, other than the payments provided for in this Agreement in consideration of your general release of all claims that you have, may have or may have had against the Releasees (as defined in Section 3(a) below), except as otherwise set forth in this Agreement. If you were to die prior to receiving the final installment of your Separation Benefit under Section 2(a), or the payment of the Altice USA Bonus under Section 2(c), any remaining unpaid installments of the Separation Benefits under Section 2(a) shall be paid to your estate in the form of a single lump sum as soon as reasonably practicable, and any unpaid Altice USA Bonus under Section 2(b) shall be paid to your estate in the regular course.

e) Nothing in this Agreement alters your employment at will status or shall be construed as a contractual guarantee of employment. Your employment is considered "at will" and may be discontinued by either you or the Company, with or without cause, at any time.

3. Termination for Cause.

a) Your employment with the Company may be terminated by the Company for Cause at any time without notice. Should your employment be terminated for Cause, the Separation Date shall be the date of such termination and there shall be no Transition Period. Upon a termination by the Company for Cause of your employment with the Company, (x) all of your outstanding cash and equity awards granted by the Company shall be immediately forfeited for no consideration and (y) you shall have no further right to receive any other compensation or benefits from the Company or any member of the Company Group other than your accrued and unpaid base salary, if any, through and including the date of termination and any other amounts or benefits required to be paid or provided to you by applicable law.

b) For purposes of this Agreement, "Cause" shall mean the termination of your employment or the Advisory Period due to: (i) your substantial failure to perform your duties as an employee of the Company or as provided under this Agreement (other than any such failure resulting from incapacity due to physical or mental illness), as reasonably determined by the Board of Directors of the Company or a committee thereof; (ii) performance by you of any act or failure to perform any act that is materially injurious or to the detriment of the Company Group; (iii) intentional misconduct by you or breach by you of a material policy of any member of the Company Group that has been made available to you; (iv) commission by you of, admission to, conviction of, or entering a plea of *nolo contendere* to or imposition of unadjudicated probation of, any felony or crime involving moral turpitude, or the commission of any other act involving theft, dishonesty, conflict of interest, breach of trust or physical or emotional harm to any person or property; (v) any act or substantial involvement in an act that could reasonably be expected to bring the Company or the Company Group into public disrepute, scandal, contempt or ridicule that shocks, insults or offends a substantial portion or group of the public; (vi) misappropriation of funds or fraud by you with respect to any member of the Company Group or any person with which any member of the Company Group does business; (vii) violation of any fiduciary duty owed to any member of the Company Group; or (viii) a material breach of this Agreement by

you. Whether or not an event giving rise to “Cause” occurs shall be determined solely by the Board of Directors of the Company or a committee thereof, acting reasonably.

4. Covenants.

a) In your performance of the services hereunder or otherwise, you may come into contact with, become aware of or develop information, data or communications of a commercially sensitive, proprietary nature which, if disclosed, could have an adverse effect on the Company’s standing in the community, its business reputation, operations or competitive position or the standing, reputation, operations or competitive position of any of its affiliates (“**Confidential Information**”). Confidential Information belongs to the Company. Confidential Information includes, but is not limited to: financial data; customer, vendor or shareholder lists or data; advertising, business, sales or marketing plans, tactics and strategies; projects; technical or strategic information about any of the Company's businesses; plans or strategies to market or distribute the services or products of such businesses; plans, tactics, or strategies for third-party negotiations, including but not limited to planned or actual collective bargaining negotiations; economic or commercially sensitive information, policies, practices, procedures or techniques; trade secrets and other intellectual property; merchandising, advertising, marketing or sales strategies or plans; litigation theories or strategies; terms of agreements with third parties and third party trade secrets; non-public information regarding companies other than the Company and its affiliates that you come into contact with during the course of performing the services hereunder; information about the Company’s shareholders, directors, employees, compensation or other human resources policies, plans and procedures, or any other non-public material or information relating to the Company’s business activities, communications, ventures or operations. You agree to protect the Company’s Confidential Information now and into the future and not to use, disclose or access such Confidential Information except in furtherance of the Company’s business. In addition, you will not make copies of the written versions of Confidential Information and will not discuss with, or disclose to, any third-party Confidential Information without the prior written consent of the Company. You further represent that all Confidential Information provided by the Company to you will remain confidential and will be provided only to those of your employees or agents working directly on the Company’s behalf on such basis as is necessary for the performance of the services hereunder. Notwithstanding the foregoing, the obligations of this Section 5(a), other than with respect to subscriber information, shall not apply to Confidential Information that is already in the public domain through no breach by you, or is specifically exempted in writing from the applicability of this Agreement.

b) The parties agree that the Company is the owner of all rights, title and interest in and to all documents, tapes, videos, designs, plans, formulas, models, processes, computer programs, inventions (whether patentable or not), schematics, music, lyrics and other technical, business, financial, advertising, sales, marketing, customer or product development plans, forecasts, strategies, information and materials (in any media whatsoever) developed or prepared by you or by your employees or representatives or with your cooperation during the course of your employment by the Company or in the course of performing the Advisory Services, in each case that are related to the Company or its business (the “**Products**”). The Company will have the sole and exclusive authority to use the Products in any manner that it deems appropriate, in perpetuity, without additional payment to you.

c) Notwithstanding any provision herein to the contrary, pursuant to the U.S. Defend Trade Secrets Act of 2016 (“**DTSA**”), you shall not be held criminally or civilly liable under any federal or state trade secret law for the disclosure of a trade secret that (a) is made (i) in confidence to a federal, state, or local government official, either directly or indirectly, or to an attorney, and (ii) solely for the purpose of reporting or investigating a suspected violation of law or (b) is made in a complaint or other document filed in a lawsuit or other proceeding, if

such filing is made under seal. In addition, pursuant to the DTSA, if you file a lawsuit for retaliation by the Company Group for reporting a suspected violation of law, you may disclose the Company Group's trade secret to your attorney and use the trade secret information in the court proceeding, if you (x) file any document containing the trade secret under seal and (y) do not disclose the trade secret, except pursuant to court order.

d) You agree that during and after your service with the Company, you will not make any negative comments or otherwise disparage any member of the Company Group or any member's officers, boards or individual directors, employees, shareholders or agents. The Company represents, warrants and agrees, to instruct, in writing, its Executive Leadership Team not to engage in any publicly disparaging conduct including, but not limited to, making directly or indirectly disparaging or negative statements that are intended to or are reasonably likely to do damage to the good will of, or your business or personal reputation.

e) Nothing contained in this Agreement shall prohibit or prevent you from (a) filing a charge with or participating, testifying, or assisting in any investigation, hearing, whistleblowing proceeding or other proceeding before any federal, state, or local government agency (*e.g.*, EEOC, NLRB, SEC, *etc.*), (b) making truthful statements or disclosures about alleged unlawful employment practices or workplace discrimination, which is defined to include any form of unlawful work- or workplace-related discrimination, harassment, retaliation, wage and hour violations, sexual assault that is actionable under applicable state law or Title VII of the Civil Rights Act of 1964 or any other related state or federal rule or law that is enforced by the Equal Employment Opportunity Commission or similar state agency or (c) making any disclosure or statement (*e.g.*, the disclosure of the underlying facts and circumstances relating to any claim or action involving workplace discrimination or harassment) that an employer may not contractually prohibit an employee from making under applicable law.

f) All documents, records, and files, in any media of whatever kind and description, relating to the business, present or otherwise, of the Company Group, and any copies (including, without limitation, electronic), in whole or in part, thereof (the "**Document(s)**"), whether or not prepared by you, shall be the sole and exclusive property of the Company, except that this provision shall not apply to documents, records or files that are already in the public domain or generally available to the public through lawful and permissible means, and not because of your breach of any obligations, fault or negligence. Except as required for the proper performance of your service to the Company or as expressly authorized in writing in advance by the Company, you will not copy any Documents or remove any Documents or copies or derivatives thereof from the premises of the Company Group. You will safeguard and return to the Company immediately upon the end of the Advisory Period, and at such other times as may be specified by the Company, all Documents and other property of the Company Group and all documents, records and files of its customers, subcontractors, vendors and suppliers (the "**Third-Party Document(s)**"), as well as all other property of such customers, subcontractors, vendors and suppliers then in your possession or control. If a Document or Third-Party Document is on electronic media, you must surrender the electronic media, including any Document or Third-Party Document included thereon and any copies of the same. You shall not delete or otherwise overwrite any hard copy or electronic media Document or Third-Party Document unless expressly directed to do so by the Company's General Counsel in writing. Upon request of any duly authorized officer of the Company, you will disclose all passwords necessary or desirable to enable the Company to obtain access to the Documents and Third-Party Documents. Notwithstanding any provision of this Agreement to the contrary, you shall be permitted to retain copies of all Documents evidencing your hire, equity, compensation rate and benefits, this Agreement, and any other agreements between you and the Company that you have signed or electronically accepted.

g) You acknowledge that your services under this Agreement are of a specific, unique and extraordinary character and that your breach or threatened breach of the provisions set forth in this Sections, which expressly survive the termination of your services and this Agreement, will cause irreparable injury to the Company for which monetary damages alone will not provide an adequate remedy. Accordingly, in addition to any rights or remedies the Company may have available to it under this Agreement or otherwise, it also shall be entitled to an injunction to be issued by any court of competent jurisdiction, restraining you from committing or continuing any violation of this Agreement.

5. Release.

In consideration for receiving the benefits described herein, and the Separation Benefits described in Section 2 of the Separation Agreement, you agree that:

(a) You, on behalf of yourself, your heirs, executors, administrators and/or assigns, do hereby release and discharge the Company together with its direct and indirect parent companies, subsidiaries, affiliates, joint ventures, partners, and related entities, past, present and future, and any of its or their predecessors, successors and assigns, and any of its or their officers, directors, employees, consultants, agents, insurers, reinsurers, shareholders, representatives and assigns, past, present and future, (collectively with the Company, the “**Releasees**”), of and from any and all legally waivable suits, debts, complaints, claims, liabilities, demands or causes of action, or any right to any other monetary recovery or personal relief, known or unknown, of whatever nature, which you, or any of your heirs, executors, administrators, and assigns ever had or now have against each or any of the Releasees, based upon or arising from any fact or set of facts, whether known or unknown to you, from the beginning of time to the date of execution of this Agreement, including, without limitation, any and all claims arising out of or relating to your employment by the Company or the separation of your employment (the “**Release**”). Without limiting the generality of the foregoing, this Release includes any claim or right based upon or arising under any federal, state or local law regarding fair employment practices, equal opportunity in employment, employment discrimination, retaliation, harassment, leaves of absence, payment of wages or benefits, working conditions, termination of employment, whistleblowing, or otherwise regulating employment, including, but not limited to, any and all claims under the Age Discrimination in Employment Act of 1967 (“**ADEA**”), the Older Workers Benefit Protection Act, Title VII of the Civil Rights Act of 1964, Section 1981 of the Civil Rights Act of 1870, the Americans with Disabilities Act, the Employee Retirement Income Security Act, the Worker Adjustment and Retraining Notification Act, the Family and Medical Leave Act, the Genetic Information Nondiscrimination Act, the Fair Labor Standards Act, each as amended, and any and all other federal, state or local statutory or common law claims, now or hereafter recognized, including but not limited to, any claims for economic loss, compensatory damages, punitive damages, liquidated damages, attorneys’ fees, expenses and costs.

(b) The Release excludes: claims arising after you sign this Agreement; claims for breach of this Agreement; claims to any vested benefits to which you are entitled under any of the Company's employee benefit plans, in accordance with the terms of the applicable plan documents; and claims that cannot be waived, such as claims for unemployment or workers' compensation, claims arising under the Federal Fair Labor Standards Act or applicable state wage and hour laws, and any claims that cannot be waived as a matter of law. Neither the Release nor anything else in this Agreement limits your rights to file a charge with any administrative agency (such as the U.S. Equal Employment Opportunity Commission or a state fair employment practices agency) or to participate in an agency investigation or other administrative proceeding. However, you give up all rights to any money or other personal benefit from any administrative charge, investigation, or other administrative proceeding.

(c) You further agree and covenant that should any person, organization, or other entity file, charge, claim, sue, or cause or permit to be filed any civil action, suit or legal proceeding, or if any person, organization, or other entity has filed, charged, claimed, sued, or caused or permitted to be filed any civil action, suit or legal proceeding, against any of the Releasees involving any matter encompassed by the Release, you are not entitled to and will not seek or accept personal equitable or monetary relief in such civil action, suit or legal proceeding.

(d) You affirm that you have reported to the Company in writing any work-related physical or mental injury, illness or impairment, which you may have experienced.

6. Choice of Law; Forum; Waiver of Jury Trial; Contract Interpretation.

a) This Agreement shall be deemed to be made under, and in all respects shall be interpreted, construed and governed by and in accordance with, the laws of the State of New York without reference to its conflict of law principles.

b) The parties hereto hereby irrevocably submit to the jurisdiction of the courts of the State of New York and the federal courts of the United States of America located in the State of New York with respect to the interpretation and enforcement of the provisions of this Agreement, and each of the parties hereby waives, and agrees not to assert as a defense, that he or it is not subject thereto or that the venue thereof may not be appropriate. Each of the parties hereby agrees that mailing of process or other papers in connection with any such action or proceeding in any manner as may be permitted by law shall be valid and sufficient service thereof.

c) Each of the parties hereby waives any right to a jury trial on any issue in any controversy relating to, arising out of, pertaining to or affecting this Agreement, your employment by the Company and/or the separation of your employment, including, but not limited to, any federal or state statutory or common law claims, including, but not limited to, any right to a jury trial provided by statute, the Seventh Amendment to the United States Constitution, or any other authority.

d) Any court hearing any dispute between the parties shall have the authority to award attorneys' fees and costs to the prevailing party.

e) Each of the parties hereby agrees that the language of all parts of this Agreement shall be construed as a whole, and according to their fair meaning and not strictly for or against you or the Company.

7. Miscellaneous.

a) With respect to the subject matter hereof, this Agreement and the Exhibit attached hereto, together with the Agreements for the Outstanding Awards, set forth the entire agreement between you and the Company, and, except as otherwise expressly set forth herein, supersedes all prior and contemporaneous communications, agreements and understandings, written or oral, regarding the same, and shall not be limited by any future agreements between the parties.

b) The rights and obligations set forth in this Agreement that, by their terms, extend beyond the termination of this Agreement or the termination of your services to the Company shall survive such terminations.

c) You acknowledge and agree that, to the extent the Company adopts any clawback or similar policy, whether in accordance with the Dodd-Frank Wall Street Reform and Consumer Protection Act, and any rules and regulations promulgated thereunder, or otherwise, you shall take all action necessary or appropriate to comply with such policy (including, without limitation, entering into any further agreements, amendments or policies necessary or

appropriate to implement or enforce that policy). Notwithstanding the foregoing, and to the extent permitted by law, the Company may deduct any amounts owed by you to the Company from any compensation owed to you, including wages and bonuses. If the amounts owed to you are insufficient to repay the value of the amounts owed by you to the Company, you hereby agree to repay the balance of such amounts to the Company.

d) All payments provided under this Agreement, other than payments made pursuant to a plan that provides otherwise, shall be paid in cash from the general funds of the Company, and no special or separate fund shall be established, and no other segregation of assets shall be made, to assure payment. To the extent that any person acquires a right to receive payments from the Company hereunder, such right shall be no greater than the right of an unsecured creditor of the Company.

e) All payments made or benefits provided to you under this Agreement shall be reduced by any applicable withholding taxes and other authorized deductions.

f) The intent of the parties is that the benefits under this Agreement comply with Section 409A of the Internal Revenue Code of 1986, as amended ("Section 409A"), or are exempt therefrom and, accordingly, to the maximum extent permitted, this Agreement will be interpreted and administered in compliance therewith. A termination of employment shall not be deemed to have occurred for purposes of the payment of any amounts or benefits considered "nonqualified deferred compensation" under Section 409A upon or following a termination of employment unless such termination is also a "separation from service" within the meaning of Section 409A. Notwithstanding any other provision of this Agreement, to the extent that the right to any payment (including the provision of benefits) provides for the "deferral of compensation" within the meaning of Section 409A, the payment shall be delayed as required due to you being a "specified employee" within the meaning of Section 409A. Each amount to be paid or benefit to be provided under this Agreement shall be construed as a separate and distinct payment for purposes of Section 409A. Payments with respect to reimbursements of expenses shall be made in accordance with Company policy and in no event later than the last day of the calendar year following the calendar year in which the relevant expense is incurred. The amount of expenses eligible for reimbursement during a calendar year may not affect the expenses eligible for reimbursement in any other calendar year.

g) The provisions of this Agreement are severable, and no breach of any provision of this Agreement by the Company, or any other claimed breach of contract or violation of law, shall operate to excuse your obligation to fulfill the requirements of this Agreement. If any provision of this Agreement should, for any reason, be held invalid or unenforceable in any respect, it shall not affect any other provisions and shall be construed by limiting it so as to be enforceable to the maximum extent permissible by law.

h) Neither party shall assign, transfer or subcontract this Agreement or any of its obligations hereunder without the other party's express, prior written consent. Notwithstanding the foregoing, the Company may assign this Agreement to an entity under its operation, management or control or to a purchaser of all, or substantially all, of its assets.

i) This Agreement may be modified only in writing and shall be enforceable in accordance with its terms when signed by each of the parties hereto.

Dear Colleen:

As you know, your employment relationship with Altice USA, Inc. (the “Company” as defined more fully in Section 3(a) below) ceased as of **March 28, 2025** (the “Separation Date”). We are prepared to provide you with certain Separation Benefits (as defined in Section 2 below) as set forth in this Agreement (the “Agreement”) in exchange for your executing, delivering and performing all of the terms, conditions and obligations applicable to you under this Agreement. To receive the Separation Benefits set forth in Section 2 below, you must execute the Agreement by Adobe Sign™ electronic signature, no later than [●]. Upon executing the agreement by Adobe Sign™, a signed copy of the Agreement will automatically be transmitted to the Company. You also will receive the signed copy. This Agreement shall become automatically null and void after [●] unless it is executed by you no later than [●].

You acknowledge and agree that the Separation Benefits provided to you herein are in exchange for your promises, representations, releases, agreements and obligations contained herein and are valuable and sufficient consideration to which you would not otherwise be entitled. Now, therefore, you and the Company agree as follows:

1. Separation of Employment/Effect on Benefits

(a) Separation of Employment. Your employment terminated as of the close of business on the Separation Date. As of that date, you ceased to accrue credit toward 401(k) vesting or any other benefits, except as set forth in the Transition Agreement, executed on [●] (the “Transition Agreement”).

(b) Return of Company Property. You acknowledge and agree that you have returned to the Company all of the Company Property (as defined below), including, without limitation, Confidential and Proprietary Information (as defined in Section 4(b) below), keys, Company identification cards, access, press and other passes, and all documents, files, equipment, computers, laptops, printers, mobile phones, monitors, telephones, pagers, tablets, VPN fobs, cameras, wireless cards, backpacks, fax machines, credit cards, computer software, peripherals & accessories, storage devices including flash drives and access materials and other property prepared by, for or belonging to the Company (all of such property being referred to herein as “Company Property”). Notwithstanding the foregoing, in certain circumstances and solely in the Company’s discretion, you may be eligible to retain your Company cellular phone or smart phone and/or tablet, which will be remotely wiped of all Confidential and Proprietary Information. You acknowledge and agree that other than for Company business prior to the Separation Date: (i) you have not utilized the Company Property or made or retained any copies, duplicates, reproductions or excerpts of the Company Property; and (ii) you have not accessed, utilized or affected in any manner, any of the Company Property, including, without limitation, its electronic communications systems or any information contained therein.

(c) Life, Disability and AD&D Insurance. Your Company-sponsored life, short- and long-term disability and accidental death and dismemberment (“AD&D”) insurance coverage, if any, will cease as of the Separation Date. There is a thirty-one (31) day grace period after the Separation Date during which you may continue your Company-sponsored life insurance coverage, if applicable. You may continue to receive such coverage by contacting Securian Life Insurance Company at 1-866-365-2374 within the 31-day period.

(d) Retirement Plans. Any vested benefits that you may have accrued under the Company-sponsored 401(k) Savings Plan or any other Company-sponsored benefit plan (the “Plans”) will be payable after the Separation Date in accordance with the terms of those Plans, as explained in the summary plan descriptions you have previously received, except as set forth in the Transition Agreement. As a result of the separation of your employment on the Separation Date, pursuant to the terms and conditions of the Plans, you will forfeit all benefits that were not vested as of the Separation Date, except as set forth in the Transition Agreement. You may obtain additional copies of the summary plan descriptions from the HR Service Center, which can be reached at 1-866-356-3315.

2. Separation Benefits

Subject to the terms and conditions contained in this Agreement, if you: (i) execute and deliver this Agreement via Adobe Sign™ by the date set forth above, and (ii) comply with all of the terms, conditions and obligations applicable to you under this Agreement, and (iii) do not revoke this Agreement during the Revocation Period, as defined in Section 9(a) below:

(a) Separation Payment. The Company will pay you **\$400,000.00**, subject to reduction for applicable withholding taxes and deductions (the “Separation Payment”). The Separation Payment will be paid to you in biweekly installments for the twelve (12) month period following the “Effective Date” of this Agreement (as defined in Section 9(b) below), until it is paid in full in accordance with the Company’s prevailing payroll practices.

(b) Incentive Awards. Through March 28 2025, you shall be eligible to continue to vest in your outstanding cash and equity-based incentive compensation awards. The parties hereto acknowledge and agree that the Outstanding Awards shall be subject to the terms and conditions of the Plan and associated Award Agreements.

(b) *strike if paid. Altice USA Bonus. You shall be entitled to participate in the Altice USA Bonus Plan (the “Altice USA Bonus”) approved by the Company’s Board of Directors for calendar year 2024, and you will be eligible to receive an Altice USA Bonus with respect to calendar year 2024 regardless whether you are employed by the Company on the date on which any such bonus is or would typically be paid. This Alice USA Bonus will be calculated based upon your actual base salary paid to you in 2024 This amount, subject to reduction for applicable withholding taxes and deductions, will be payable to you if and when such bonuses are generally paid to similarly situated active employees and will be based on your 2024 annual target bonus percentage of 100% of your base salary as of the Separation Date, as well as business performance as determined by the Company in its sole discretion, but without adjustment for your individual performance. To the extent the Compensation Committee of the Board of Directors decides to provide a discretionary positive adjustment to the business performance factor used to determine the 2024 Altice USA Bonus for similarly situated executives (direct reports to the CEO who participate in the Corporate Plan), the same discretionary positive adjustment to the business performance factor will be utilized in determining your 2024 bonus.

(c) Health Coverage. Your Company-sponsored medical, dental and vision coverage, if any, will continue through the last day of the month in which the Separation Date occurs. Thereafter, you, and your eligible dependents, if any, may be eligible to obtain continuation coverage for a period of time thereafter pursuant to the federal COBRA statute by returning an election form and paying the required premiums on a timely basis, including a 2% COBRA administration premium. If you elect COBRA coverage, the Company will subsidize your COBRA payments for a period of three (3) months from the first day of the month following the month in which the Separation Date occurs so that you will continue to receive such benefits at the active employee rate. Further details regarding COBRA coverage and any necessary forms will be sent to you under separate cover.

(d) Outplacement. The Company will assist you in your transition by providing you with an outplacement services package, as set forth in the additional information provided to you regarding this benefit. You may commence outplacement services immediately and in no event later than the date that is four (4) months after the Separation Date. You further acknowledge and agree that if you do not sign this Agreement, or if you sign and subsequently revoke this Agreement, you will no longer be entitled to outplacement services and if you have begun such services, you will cease them immediately.

(e) Continued Compliance. Without waiver of the Company's remedies for any breach of this Agreement, all amounts and other benefits paid, or due to you, hereunder are expressly conditioned on your not, at any time, being in breach of this Agreement.

(g) No Other Separation Benefits, Payment, Consideration or Severance Benefits. For purposes of this Agreement, the consideration set forth in this Section 2 shall be referred to as the "Separation Benefits." The Separation Benefits represent a complete settlement, release and waiver of any claims for allegedly lost wages, benefits, bonuses, or other compensation, mental, physical or other personal injuries, pain and suffering, and costs in connection with any other relief you may seek or claim you may have against the Company, through the date of this Agreement. You hereby confirm that all monies or remuneration of any kind or nature due to you previously have been paid. You agree that no other monies or relief are due to you, other than the payments provided for in this Agreement in consideration of your general release of all claims that you have, may have or may have had against the Releasees (as defined in Section 3(a) below), except as otherwise set forth in the Transition Agreement. If you were to die prior to receiving the final installment of your Separation Benefit under Section 2(a), or the payment of the Altice USA Bonus under Section 2(c), any remaining unpaid installments of the Separation Benefits under Section 2(a) shall be paid to your estate in the form of a single lump sum as soon as reasonably practicable, and any unpaid Altice USA Bonus under Section 2(b) shall be paid to your estate in the regular course.

3. Release

(a) You, on behalf of yourself, your heirs, executors, administrators and/or assigns, do hereby release and discharge the Company together with its direct and indirect parent companies, subsidiaries, affiliates, joint ventures, partners, and related entities, past, present and future, and any of its or their predecessors, successors and assigns (collectively, the "Company"), and any of its or their officers, directors, employees, consultants, agents, insurers, reinsurers, shareholders, representatives and assigns, past, present and future, (collectively with the Company, the "Releasees"), of and from any and all legally waivable suits, debts, complaints, claims, liabilities, demands or causes of action, or any right to any other monetary recovery or personal relief, known or unknown, of whatever nature, which you, or any of your heirs, executors, administrators, and assigns ever had or now have against each or any of the Releasees, based upon or arising from any fact or set of facts, whether known or unknown to you, from the beginning of time to the date of execution of this Agreement, including, without limitation, any and all

claims arising out of or relating to your employment by the Company or the separation of your employment (the “Release”). Without limiting the generality of the foregoing, this Release includes any claim or right based upon or arising under any federal, state or local law regarding fair employment practices, equal opportunity in employment, employment discrimination, retaliation, harassment, leaves of absence, payment of wages or benefits, working conditions, termination of employment, whistleblowing, or otherwise regulating employment, including, but not limited to, any and all claims under the Age Discrimination in Employment Act of 1967 (“ADEA”), the Older Workers Benefit Protection Act, Title VII of the Civil Rights Act of 1964, Section 1981 of the Civil Rights Act of 1870, the Americans with Disabilities Act, the Employee Retirement Income Security Act, the Worker Adjustment and Retraining Notification Act, the Family and Medical Leave Act, the Genetic Information Nondiscrimination Act, the Fair Labor Standards Act, each as amended, and any and all other federal, state or local statutory or common law claims, now or hereafter recognized, including but not limited to, any claims for economic loss, compensatory damages, punitive damages, liquidated damages, attorneys’ fees, expenses and costs.

(b) The Release excludes: claims arising after you sign this Agreement; claims for breach of this Agreement; claims to any vested benefits to which you are entitled under any of the Company's employee benefit plans, in accordance with the terms of the applicable plan documents; and claims that cannot be waived, such as claims for unemployment or workers' compensation, claims arising under the Federal Fair Labor Standards Act or applicable state wage and hour laws, and any claims that cannot be waived as a matter of law. Neither the Release nor anything else in this Agreement limits your rights to file a charge with any administrative agency (such as the U.S. Equal Employment Opportunity Commission or a state fair employment practice agency) or to participate in an agency investigation or other administrative proceeding. However, you give up all rights to any money or other personal benefit from any administrative charge, investigation, or other administrative proceeding.

(c) You further agree and covenant that should any person, organization, or other entity file, charge, claim, sue, or cause or permit to be filed any civil action, suit or legal proceeding, or if any person, organization, or other entity has filed, charged, claimed, sued, or caused or permitted to be filed any civil action, suit or legal proceeding, against any of the Releasees involving any matter encompassed by the Release, you are not entitled to and will not seek or accept personal equitable or monetary relief in such civil action, suit or legal proceeding.

(d) You affirm that you have reported to the Company in writing any work-related physical or mental injury, illness or impairment, which you may have experienced.

4. Confidentiality

(a) Agreement. Except as set forth in Section 6, you hereby agree to keep the existence and terms of this Agreement confidential and not to disclose them to any persons other than to your legal, financial and/or tax advisors or to members of your immediate family (all of whom shall also be bound by the foregoing confidentiality covenant) or as required by law, rule, regulation or judicial process.

(b) Confidential and Proprietary Information. You hereby represent, warrant and agree that: (i) during the course of your employment, you were provided and/or have had access to Confidential and Proprietary Information (as defined below), (ii) you have not removed, nor shall you at any time (including after the Separation Date) remove from any Company facility any Confidential and Proprietary Information and/or documents, materials, or copies thereof containing any Confidential and Proprietary Information (including, without limitation, electronic data in any form), and (iii) you shall retain in strict confidence and shall not use for any purpose whatsoever or divulge, disseminate, copy, disclose to any

third party, or otherwise use any Confidential and Proprietary Information except in furtherance of the Company's business. You further understand and agree that all Confidential and Proprietary Information has been divulged or made available to you in confidence and that it would be damaging to the Company if any such Confidential and Proprietary Information were disclosed to any competitor of the Company or any third party or person. Further, you agree not to discuss any information that you have obtained through your employment about the Company or any of its present or former officers, directors, executives, employees, representatives, or shareholders, or any aspects of your tenure as an employee or the termination of such employment (whether or not such information constitutes Confidential and Proprietary Information) with any reporter, author, producer or similar person or entity, or take any other action seeking to publicize or disclose any such information in any way likely to result in such information being made available to the general public in any form, including books, articles, or writings of any kind, film, videotape, audiotape, Internet websites or any other medium. As used in this Agreement, "Confidential and Proprietary Information" means any non-public information of a confidential or proprietary nature of any of the Releasees, including, without limitation: (i) information of a commercially sensitive, proprietary or personal nature or that, if disclosed, could have an adverse effect on any of the Releasees' standing in the community, its or their business reputations, operations or competitive positions, (ii) information and documents that have been designated or treated as confidential, (iii) financial data; customer, vendor or shareholder lists or data; advertising, business, sales or marketing plans, tactics and strategies; projects; technical or strategic information about any of the Company's businesses; plans or strategies to market or distribute the services or products of such businesses; plans, tactics, or strategies for third-party negotiations, including but not limited to planned or actual collective bargaining negotiations; economic or commercially sensitive information, policies, practices, procedures or techniques; trade secrets and other intellectual property; merchandising, advertising, marketing or sales strategies or plans; litigation theories or strategies; terms of agreements with third parties and third party trade secrets; information about any of the Releasees' (to the extent applicable) employees, agents, compensation (including, but not limited to, bonuses, incentives and commissions), or other human resources policies, plans and procedures, or any other non-public material or information relating to any of the Releasees, and (iv) any information (personal, proprietary or otherwise) you learned about any officer, director or member of management of the Company, whether prior, during or subsequent to your employment by the Company. Notwithstanding the foregoing, the obligations of this Section 4(b), other than with respect to subscriber information, shall not apply to Confidential and Proprietary Information that is already in the public domain through no breach by you, or is specifically exempted in writing from the applicability of this Agreement.

5. Physical and Intellectual Property

You agree that the Company is the owner of all rights, title and interest in and to all documents, tapes, videos, designs, plans, formulas, models, processes, computer programs, inventions (whether patentable or not), schematics, music, lyrics and other technical, business, financial, advertising, sales, marketing, customer or product development plans, forecasts, strategies, information and materials (in any media whatsoever) developed or prepared by you or with your cooperation during the course of your employment by the Company and that are related to the Company or its business (the "Materials"). The Company will have the sole and exclusive authority to use the Materials in any manner that it deems appropriate, in perpetuity, without payment to you.

6. Exception for Disclosure Pursuant to Law

Nothing in this Agreement shall prohibit or restrict you from making any disclosure of information required or expressly protected by law, including providing truthful testimony regarding your employment with the Company, or any Company matter, if required to do so by court order or legal or

administrative process, provided however, that you give the Company written notice of such court order or legal or administrative process within three (3) business days of your receipt of the court order or legal or administrative process notification, or earlier if the return date is less than three (3) business days from your receipt of the court order or legal or administrative process notification, sent by e-mail and overnight mail (signature receipt) to the General Counsel, 1 Court Square, Long Island City, NY 11120 e-mail address (legalnotice@alticeusa.com). In the event you receive a subpoena or other judicial process or request of a governmental authority to provide information subject to the attorney-client and/or work product privileges, you shall immediately inform the General Counsel at the facsimile number above and shall take all reasonable steps requested by the Company to maintain the privileged nature of such information. In addition, nothing in this Agreement shall prohibit or restrict you from: (i) cooperating, participating or assisting in any investigation or proceeding brought by any federal, state or local regulatory or law enforcement agency or legislative body, or any self-regulatory organization, or the Company's legal, compliance or human resources officers; or (ii) reporting possible violations of federal law or regulation to any governmental agency or entity, including but not limited to, the Department of Justice, the Securities and Exchange Commission, Congress, and any agency Inspector General, or making other disclosures that are protected under the whistleblower provisions of federal law or regulation. If you make a report or disclosure pursuant to the foregoing subsection (ii), you are not required to obtain prior authorization from the Company to make such report or disclosure and you are not required to notify the Company that you have done so. Pursuant to the Defend Trade Secrets Act of 2016, an individual may not be held criminally or civilly liable under any federal or state trade secret law for the disclosure of a trade secret that: (a) is made (1) in confidence to a federal, state, or local government official, either directly or indirectly, or to an attorney; and (2) solely for the purpose of reporting or investigating a suspected violation of law; or (b) is made in a complaint or other document that is filed under seal in a lawsuit or other proceeding. Further, an individual who files a lawsuit for retaliation by an employer for reporting a suspected violation of law may disclose the employer's trade secrets to the attorney and use the trade secret information in the court proceeding if the individual: (a) files any document containing the trade secret under seal; and (b) does not disclose the trade secret, except pursuant to court order.

7. Further Cooperation

You agree to cooperate fully with and assist the Company in connection with any matter with which you were involved prior to the Separation Date, and/or in any litigations, investigations, regulatory matters, arbitrations, negotiations (including, without limitation, collective bargaining negotiations), disputes, claims, charges filed with any federal, state, or local governmental agency, or administrative proceedings or appeals (including any preparation therefor) that (i) relate to your employment with the Company, services performed or required by you, or any act or omission by you; (ii) as to which you may have pertinent information; and/or (iii) where the Company believes that your personal knowledge, attendance and participation could be necessary. Such cooperation shall include, but is not limited to, your providing truthful testimony by affidavit, deposition, testimony or otherwise in connection with a trial, arbitration or similar proceeding, upon the Company's reasonable request. You further agree to make yourself reasonably available for preparation for hearings, proceedings or litigation and for attendance at any pre-trial discovery and trial sessions. You further agree to perform all acts and execute any and all documents that may be necessary to carry out the provisions of this Paragraph. The Company shall make reasonable efforts to minimize disruption of your other activities. The Company shall reimburse you for reasonable, pre-approved, expenses incurred in connection with such cooperation after the Separation Date.

8. Right to Counsel/Voluntary Waiver

The Company advises you to consult with a lawyer before executing this Agreement and you acknowledge that you: (i) have been provided with a period of at least twenty-one (21) days to do so, (ii) have read this Agreement (including, but not limited to, the “Release” in Section 3(a) above), (iii) fully understand the terms of this Agreement, and (iv) have executed this Agreement knowingly and voluntarily and without coercion, whether express or implied.

9. Revocation

(a) Right to Revoke. You may revoke this Agreement within seven (7) days after the date on which you sign it (the “Revocation Period”). This Agreement will not be binding or enforceable until that seven- (7) day Revocation Period has expired. If you decide to revoke this Agreement, you must notify us of your revocation in a letter signed by you, sent via FedEx/UPS, signature receipt, and received by Michael Olsen, 1 Court Square, Long Island City, NY 11120 no later than the seventh (7th) day after you signed this Agreement. A letter of revocation that is not post-marked by the seventh (7th) day after you have signed the Agreement will be invalid and will not revoke this Agreement.

(b) Effective Date of Agreement. If you have not revoked this Agreement in accordance with this Section 9, the eighth (8th) day after the date on which you sign the Agreement shall be the “Effective Date” of the Agreement.

10. Post-Employment Restrictions

(a) Non-Disparagement. You represent, warrant and agree, for yourself and any other representatives while they are acting on your behalf, that you (and they) have not and will not engage in any disparaging conduct, including but not limited to making disparaging or negative statements, that is intended to or does damage to the good will of, or the business or personal reputations of, any of the Releasees. This provision applies not only to verbal communications but also to all written communications including but not limited to communications through social media/social networking sites such as Facebook, Twitter and the like. The Company represents, warrants and agrees, to instruct the Executive Leadership Team in writing not to engage in any publicly disparaging conduct including, but not limited to, making directly or indirectly disparaging or negative statements that are intended to or are reasonably likely to do damage to the good will of, or your business or personal reputation.

(b) Confidential Information. You acknowledge and agree that your obligation not to disclose Confidential Information as set forth in detail in Section 4 above continues in full force and effect not only for the duration of your employment with the Company, but also upon and after your employment with the Company ceases. You hereby acknowledge and agree that due to your position with the Company and your knowledge of the Company's Confidential and Proprietary Information (as that term is defined in Section 4(b) above), your employment by or affiliation with certain entities, or your solicitation of the Company's employees, customers, consultants, or vendors, would be detrimental to the Company.

(c) Non-Competition. You further hereby acknowledge and agree that the services rendered by you for the Company are special and unique and that a part of the consideration set forth in this Agreement is in exchange for your promises set forth in this Section 10. You hereby represent, warrant and confirm that, you have not and will not for the period of time during which you are receiving the Separation Benefits under this Agreement, directly or indirectly, become employed by, assist, consult to, advise in any manner or have any material interest in, any Competitive Entity, with which you would hold a role or position similar to any role or position you held with the Company, or for whom you would

provide services similar to those you provided to the Company, during the twenty-four (24) months preceding the Separation Date or in which you would have responsibility for or access to confidential information similar or relevant to that which you had access to during the twenty-four (24) months preceding the Separation Date. A "Competitive Entity" shall mean any multiple system operator and any person, entity or business that competes with any of the Company's cable television, video programming distribution, advertising, voice-over internet protocol, telephone, broadband, on-line data, content and wired or wireless data businesses, or mobile phone/data and MVNO business, as well as such other businesses as the Company engages in as of the Separation Date. Your agreement not to compete is limited to within 100 miles of the office(s), whether home or business, from which you reported, primarily worked or provided substantial services on behalf of the Company during the twenty-four (24) months preceding the Separation Date. Ownership of not more than one percent (1%) of the outstanding stock of any publicly traded company shall not, by itself, constitute a violation of this provision.

(d) Non-Solicitation. You agree not to solicit, contact or persuade, directly or indirectly (whether for your own interest or any other person or entity's interest) any employee, customer (from which the Company received payment or payment-in-kind), consultant or vendor of the Company to leave the employ of the Company or to cease or to reduce working for and/or doing business with the Company for one (1) year after the Separation Date.

You acknowledge that, in your role with the Company, you had access to documents and information regarding the Company's customers, clients, services, methods of operation, sales, pricing, employees, and the specialized business needs of the Company's customers and clients, which documents and information are highly confidential. You acknowledge that this information, as well as the Company's relationships with its employees and customers, are among the Company's most important assets and business interests, and due to the nature of your employment with the Company, you have been placed in a position to create, maintain, and build those relationships into an asset that is of significant value to the Company and for which you have been previously compensated. You recognize that because of this, and in exchange for the Separation Benefits, you agree to abide by the post-employment restrictions.

(e) Reasonableness of Restraints and Modification. You agree that you and the Company have attempted to limit your right to solicit and compete as applicable only to the extent permitted by applicable law and necessary to protect the Company from unfair competition. If a court of competent jurisdiction determines that the restrictions in this Section 10 are too long in duration or too broad in scope to be reasonable and enforceable, the court shall amend such a provision only so much as is necessary for the restrictions to be reasonable and enforceable.

11. Choice of Law/Forum/Waiver of Jury Trial/Contract Interpretation

(a) This Agreement shall be deemed to be made under, and in all respects shall be interpreted, construed and governed by and in accordance with, the laws of the State of New York without reference to its conflict of law principles except to the extent preempted by the Employee Retirement Income Security Act of 1974 ("ERISA").

(b) You hereby irrevocably submit to the jurisdiction of the courts of the State of New York and the federal courts of the United States of America located in the State of New York with respect to the interpretation and enforcement of the provisions of this Agreement, and you hereby waive, and agree not to assert, as a defense that you are not subject thereto or that the venue thereof may not be appropriate. You hereby agree that mailing of process or other papers in connection with any such action or proceeding in any manner as may be permitted by law shall be valid and sufficient service thereof.

(c) You hereby waive any right to a jury trial on any issue in any controversy relating to, arising out of, pertaining to or affecting this Agreement, your employment by the Company and/or the separation of your employment, including, but not limited to, any federal or state statutory or common law claims, including, but not limited to, any right to a jury trial provided by statute, the Seventh Amendment to the United States Constitution, or any other authority.

(d) You agree that the language of all parts of this Agreement shall be construed as a whole, and according to their fair meaning and not strictly for or against you or the Company.

12. Additional Provisions

(a) Breach of Agreement. You hereby acknowledge and agree that your breach or threatened breach of Sections 4, 5, 6, 7, or 10 of this Agreement will cause irreparable harm to the Company for which monetary damages alone will not provide an adequate remedy. Accordingly, the Company, in addition to any other rights or remedies available to it under this Agreement or otherwise, will be entitled to an injunction to be issued by any court of competent jurisdiction restraining you from committing or continuing any violation of these provisions, without the necessity of showing actual damage and without any bond or other security being required. You hereby further acknowledge that all Separation Benefits in Section 2 of this Agreement are subject to forfeiture, recoupment, or clawback if you violate the Post-Employment Restrictions described in Section 10 above as reasonably determined by the Company in its sole discretion.

(b) Withholdings and Tax Consequences. The Company may withhold from any payment due hereunder any taxes that are required to be withheld under any law, rule or regulation. This Agreement, and the provision of payments hereunder, is intended to be exempt from Internal Revenue Code Section 409A both as a short term deferral and separation pay plan. The Company does not guarantee the tax treatment of any Agreement payments, including without limitation, under the Internal Revenue Code, federal, state or local laws. You agree that you have not relied on any advice from the Company, the Releasees, or their attorneys concerning the tax consequences of the payments made pursuant to this Agreement.

(c) Non-Admission of Liability. The parties agree and acknowledge that the agreement by the Company described herein, and the settlement and termination of any asserted or unasserted claims against any of the Releasees, are not and shall not be construed to be an admission of any violation of any federal, state or local statute or regulation, or of any duty owed, contractual or otherwise, by any of the Releasees to you.

(d) Indemnification. You hereby agree to indemnify and hold harmless each Releasee, against any and all damages or liabilities (including, without limitation, tax liabilities), expenses and costs that may arise out of or that are in any way related to a breach or failure to perform by you of any of the terms and provisions of this Agreement.

(e) Entire Agreement. This Agreement sets forth the entire agreement of the parties concerning any separation benefits which may be due to you in connection with the termination of your employment on the Separation Date, and except for the Transition Agreement, supersedes any and all prior agreements, discussions, understandings, promises and expectations with respect to the subject matter thereof. This Agreement may be modified only by a written instrument signed by you and by the Company.

(f) Successors and Assigns. The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns, provided that you may not assign this Agreement without the express written consent of the Company.

(g) Severability. In the event any paragraph, section, sentence, provision, or clause of this Agreement, or portion thereof, shall be determined to be illegal, invalid, or unenforceable, the remainder of this Agreement, and the remainder of any such paragraph, section, sentence, provision, or clause shall not be affected and shall be given full effect without regard to the illegal, invalid or unenforceable portion, provided, however, if Section 3(a) above is held illegal, invalid or unenforceable, the Company shall be released from any obligations under Section 2 above.

(g) Rehire. If you are rehired as an employee of the Company during the period in which you are receiving Separation Benefits, you agree that the Company's obligations to provide the Separation Benefits to you in accordance with Section 2 will terminate as of the date of rehire, and you will waive any further rights to the Separation Benefits under this Agreement.

(h) Section 409A. The intent of the parties is that payments and benefits under this Agreement comply with Section 409A of the Code ("Section 409A") or are exempt therefrom and, accordingly, to the maximum extent permitted, this Agreement will be interpreted and administered so as to be in compliance therewith. The parties hereby acknowledge and agree that (i) the Separation Benefit due to you under Section 2 of this Agreement is payable or provided to you on account of your "separation from service" within the meaning of Section 409A; and (ii) each installment of the Separation Benefit payable to you under Section 2 of this Agreement is intended to be treated as a separate payment for purposes of Section 409A that is exempt from Section 409A, to the maximum extent possible, under the "short-term deferral" exemption of Treasury Regulation Section 1.409A-1(b)(4) and/or the "window program" exemption of Treasury Regulation Section 1.409A-1(b)(9)(iii). In no event may you, directly or indirectly, designate the calendar year of any payment under this Agreement.

13. Acknowledgments and Waivers Including Express Waiver Under the ADEA

By signing below, you certify and acknowledge as follows:

(a) That you have read the terms of this Agreement, and that you understand its terms and effects, including the fact that under this Agreement you have agreed to **RELEASE AND FOREVER DISCHARGE** the Releasees from any legal action arising out of or relating to your employment by the Company or the separation of your employment, up and through the date of your execution of this Agreement, including any and all claims relating to age discrimination under the ADEA;

(b) That you have signed this Agreement voluntarily and knowingly in exchange for the Separation Benefits described herein, which you acknowledge are adequate and satisfactory to you and which you acknowledge are in addition to any other benefits to which you are otherwise entitled;

(c) That you have been and are hereby advised in writing to consult with an attorney prior to signing this Agreement, and that you have been given an adequate opportunity to do so;

(d) That under this Agreement you do not waive rights or claims that may arise after the date this Agreement is executed;

(e) That the Company has provided you with a period of at least twenty-one (21) days within which to consider this Agreement, and that you have signed on the date indicated below after concluding that this Agreement is satisfactory to you;

(f) That if you choose to execute this Agreement before the expiration of the twenty-one (21) day period, you do so freely, voluntarily, and with full knowledge of your rights; and

(g) That this Agreement may be revoked by you within seven (7) calendar days after you execute this Agreement, in accordance with Section 9(a) above, and it shall not become effective until the expiration of such seven- (7) day Revocation Period.

(h) Employee acknowledges and agrees that this Agreement may be executed by electronic signature, including but not limited to signature by Adobe Sign™, which shall have the same legal validity and enforceability as a manually executed signature or use of a paper-based recordkeeping system. Employee hereby waives any objection to electronic signature. Employee understands and agrees that “electronic signature” includes, without limitation, electronically scanned and transmitted versions of a signature, including but not limited to PDF versions.

We wish you luck in your future endeavors.

Sincerely yours,

Insider Trading Policy

1.0 OVERVIEW

As a general matter, the U.S. securities laws and regulations prohibit a company's insiders, including but not limited to its employees and members of the board of directors ("Board Members"), from trading in the Company's securities when in possession of material non-public information (defined in Section 2.C). The laws also generally prohibit a company's insiders from disclosing such information to others who may trade on the basis of that information. Individuals who trade when aware of material non-public information, or who improperly disclose such information, may face serious criminal and civil penalties, as may the company which employs such traders. This Insider Trading Policy ("Policy") provides requirements designed to prevent insider trading and other similar improper conduct by Company employees, Board Members and others associated with the Company. Furthermore, the Company will only buy, sell, transfer, exchange or lend securities of the Company in compliance with U.S. securities laws.

The following are the core requirements of this Policy. Details of the Policy's full requirements are in Sections 2.0-6.0. In sum, no Company employee or Board Member, while in possession of material non-public information concerning the Company, may buy or sell Company securities or pass such information to a person who is not authorized to have such information. See Section 3.A. These same restrictions apply to material non-public information concerning other companies that is obtained by virtue of working for or providing services to the Company. See Section 3.A. Additionally, Access Persons (as that term is defined in Section 4.A), as well as certain administrative assistants of these executives, may not buy or sell Company securities during set Closed Periods (as that term is defined in Section 4.A). Further, Pre-Clearance Persons (as that term is defined in Section 4.B) may only buy or sell Company securities during a period other than a set Closed period, **and** only after first pre-clearing transactions with the Legal Department. See Section 4.B.

If you have any questions about this Policy, please contact [***], [***].

2.0 SCOPE OF THE POLICY

A. Persons Covered by this Policy

The General Restrictions of this Policy (see Section 3.0) apply to **all** Company employees and Board Members ("Covered Persons"). There are also additional trading restrictions that apply to all Access Persons, including requiring these Persons to trade in-scope securities only during a period that is not a defined Closed Period. See Section 4.A. Additionally, a smaller subset of Access Persons, called Pre-Clearance Persons, are required to pre-clear all in-scope trades in Company Securities. See Section 4.B.

Further, all of the Policy's restrictions (including the restrictions in both Sections 3.0 and 4.0) apply to all Immediate Family Members of a Covered Person who is subject to the restriction. "Immediate Family Members," as such term is used in this Policy, includes children, stepchildren, grandchildren, parents, stepparents, grandparents, spouses, domestic partners, siblings, mothers-in-law, fathers-in-law, sons-in-law, daughters-in-law, brothers-in-law or sisters-in-law (including adoptive relationships) who reside with a Covered Person, or anyone else who does not reside with the Covered Person, but is materially dependent upon the Covered Person for financial support or is otherwise subject to the Covered Person's influence or control.

B. Types of Securities Transactions Covered by This Policy (see also prohibited transactions, in Section 3.B)

The Policy's trading restrictions (as explained further in Sections 3.0 and 4.0) apply to a broad range of transactions involving Company securities,¹ regardless of whether such transactions are made through the Company's stock plan administrator or through personal or other accounts, and including the following types of transactions:

- Buying or selling any Company security;
- Making gifts or grants of any Company security, although such gifts or grants may be permissible by Access Persons and Pre-Clearance Persons during Closed Periods (as that term is defined in Section 4.A) so long as the anticipated transaction has been pre-cleared through the process explained in Section 4.B;
- Placing any Company security in margin accounts; or
- Pledging any Company security to secure a loan, although such pledges may be permissible by Access Persons and Pre-Clearance Persons during Closed Periods (as that term is defined in Section 4.A) so long as the anticipated transaction is pre-cleared by the Legal Department as explained further in Section 4.B.

The Policy's trading restrictions also apply to certain transactions under Company benefit plans, as follows:

- *Stock Option Exercises.* This Policy's trading restrictions apply to exercising any options and stock appreciation rights (except as noted below).

However, the Policy's trading restrictions do not apply to certain other transactions, including:

- *All-Cash Stock Option Exercises-and-Holds.* This Policy's trading restrictions do not apply to exercising options (and stock appreciation rights) in the case of the exercise of an option for cash where no shares are sold directly or indirectly. Note that the disposition of shares in connection with the withholding of shares by

the Company to fund the exercise prices or pay taxes would be within the scope of this Policy.

- *Standard 401(k) Payroll Contributions*. The Policy's trading restrictions do not apply to purchases of Company stock in the 401(k) plan resulting from automatic, periodic contributions of money to the plan pursuant to a standing payroll deduction election. However, increases or decreases in the level of contributions are within the scope of this Policy.
- *10b5-1 Plans*. Transactions in Company securities made in accordance with a written trading plan that complies with Rule 10b5-1 under the Securities Exchange Act of 1934 (the "Exchange Act") promulgated by the Securities and Exchange Commission ("SEC"), commonly known as a "10b5-1 Plan," are not prohibited by this Policy. However, purchase or sale plans that contemplate the periodic purchase or sale of Company securities must comply with Rule 10b5-1, and are not permitted unless pre-cleared by the Legal Department. The Company is required to make certain public disclosures on 10b5-1 Plans entered into by directors and certain officers. By adopting a 10b5-1 Plan, you consent to the Company publicly disclosing that you adopted the plan and the key terms of the plan. You also consent to the Company publicly disclosing any modification or termination of the plan.

C. Definition of Material Non-public Information

Material Information. Information is material if there is a substantial likelihood that a reasonable investor would consider it important in deciding whether to buy, hold or sell a security. Any information that could reasonably be expected to affect the price of the security is material. Material information can be positive or negative. Examples of potentially material information include but are not limited to:

- Quarterly and year-end earnings and significant changes in financial performance, outlook or liquidity;
- Changes in debt ratings;
- Forecasts or budgets that differ significantly from external expectations;
- Stock splits, spin-offs, public or private securities offerings, or changes in dividend policies or amounts;
- Significant developments involving corporate relationships or transactions;
- News of a pending or proposed merger or other acquisition or divestiture;
- Actual or threatened major litigation or developments relating to or the resolution of such litigation; and

- Significant changes in senior management.

Non-public Information. Non-public information is information that is not generally known or available to the public. Information becomes public when disclosed to achieve broad dissemination to the investing public generally, without favoring any special person or group, and there has been adequate time for the public to digest that information. Information is generally regarded as digested by the market one trading day after it is publicly released. For example, if an announcement is made on a Monday after the closing of the stock market, Wednesday would be the first day such announcement would be deemed public. Examples of broad dissemination include press releases, filings with the SEC, and meetings, conference calls or webcasts to which the public has been invited. See also the Communications Policy, which explains which employees have authority for disseminating such information, and the process to be followed for such dissemination.

3.0 GENERAL RESTRICTIONS APPLICABLE TO ALL COVERED PERSONS

The restrictions explained in this Section 3.0 apply to *all* Covered Persons. Each such restriction applies equally to Covered Persons' Immediate Family Members (as defined in Section 2.A).

A. Prohibition Against Insider Trading

Use of Material Non-public Information About the Company. Any Covered Person who is aware of material non-public information about the Company must NOT: (i) engage in any transaction in Company securities until the material non-public information has been widely publicized; or (ii) disclose the material non-public information to any unauthorized person. See also the Company's Confidential Information Policy². The following activities are expressly prohibited under this Policy:

No Covered Person who is aware of material non-public information about the Company may, directly or indirectly through other persons or entities:

- Engage in any transaction in Company securities;
- Pass the material non-public information on to any other person where there is reason to believe such person may trade, including friends and family (a practice referred to as "tipping"). Note that tipping can result in the same penalties as trading even though you did not trade (and did not gain any benefit from the trade), and the same penalties may apply to both tippers and tippees; or
- Make recommendations, or express opinions, to any other person as to whether to trade in Company securities, except a Covered Person may advise another

² Covered Persons must also comply with the requirements of the Company's Confidential Information Policy, and other relevant policies, which prohibit the sharing of certain information to any unauthorized person.

Covered Person if trading in Company securities might violate the law or this Policy.³

Use of Material Non-public Information About Other Companies. Covered Persons may become aware of material non-public information about other companies during the course and scope of providing services to the Company. It is against Company policy for Covered Persons who have such information about any other company (including but not limited to affiliates of the Company, and current or prospective customers, suppliers, joint venture participants, acquisition targets, or any other business partners of the Company) to buy or sell that company's securities, or use that information in any of the other ways prohibited in this Policy. Misuse of material non-public information about other companies obtained through the Company not only may violate U.S. securities laws, but also may damage the Company's business relationships and reputation. As such, Covered Persons should treat material non-public information about third-party companies with the same care required for material non-public information about the Company.

B. Other Prohibited Transactions and Activities

Covered Persons, even when **not** in possession of material non-public information, may not engage in certain other transactions and activities relating to Company securities, as explained below.

1. *Commenting on Company Securities or Providing Trading Advice.* Even when not in possession of material non-public information, no Covered Person should comment about Company securities, whether positively or negatively, to any third party including, in particular, investment professionals. Discussions about Company securities should be managed by the Company's CEO, CFO, and Investor Relations professionals. Employees may have discussions with their Immediate Family Members and personal financial and tax advisers about employees' personal investments in Company securities, so long as these discussions otherwise comply with the requirements of this Policy.

2. *Hedging, including Puts and Calls.* Pre-clearance for hedging transactions designed to hedge or offset decreases in the market value of Company securities (including trading in futures and derivative securities, exchange traded options, puts, calls, collars, forward sale contracts, equity swaps, exchange funds or other similar arrangements or instruments) is required for all Covered Persons. Long-term hedging transactions that are designed to protect an investment in Company securities (i.e. hedges for at least one year that relate to stock or options held by the individual) may be permissible, so long as the anticipated transaction has been pre-cleared through the process explained in Section 4.B. Public put and call transactions are prohibited, even when not in possession of material non-public information.

³ As set forth below (see Section 3.B.1), this Policy also includes a more general prohibition against commenting on Company securities, which applies *even when the Covered Person is not aware of any material non-public information about the Company.*

3. *Short Sales.* Even when not in possession of material non-public information, no Covered Person shall, directly or indirectly at any time, sell any Company equity security if the Covered Person selling the security: (1) does not own the security sold (a “short sale”); or (2) if owning the security, does not deliver it against such sale (a “short sale against the box”) unless otherwise permitted by the Company.

C. Individual Responsibility for Determining Material Non-public Information

The responsibility for determining whether you possess material non-public information ultimately rests with you. If you have any doubt as to whether the information you are aware of is “material” or “non-public,” consult with the Legal Department prior to engaging in a securities transaction.⁴ Pre-clearance of a transaction (as explained in Section 4.B) does not constitute personal legal advice because, among other reasons, the Legal Department represents the Company and not Covered Persons individually.

D. Special Blackouts

From time to time, facts and circumstances may arise that are potentially material to the Company, and/or other companies doing business with the Company, and known to certain people but not yet disclosed to the public. In such cases, the Legal Department, in consultation with others as needed, may designate and notify certain persons not to engage in any transaction in Company securities and/or the securities of other companies while the potentially material information remains non-public (“Special Blackout”). No person subject to a Special Blackout may engage in any transaction in Company or other affected securities during the blackout period. Any person made aware of a Special Blackout may not disclose its existence to any other person.

E. Post-Termination Transactions

Covered Persons should be mindful that they may not trade while in possession of material non-public information even after their employment or other relationship with the Company terminates.

4.0 ADDITIONAL TRADING RESTRICTIONS APPLICABLE TO SPECIFIED INDIVIDUALS

This Section 4.0 imposes additional trading restrictions on Access Persons (as defined below), including Immediate Family Members and certain administrative assistants of other Access Persons, as indicated below.

A. Closed Periods

1. *Access Persons.* The Company has determined that the following individuals (even if not aware of any material non-public information about the Company) may only engage in transactions in Company securities during a period other

⁴ As explained in Section 4.B, certain individuals are required to pre-clear transactions in Company securities.

than a “closed” period designated by the Company (such individuals collectively referred to as “Access Persons”).

- Board Members (i.e., all members of the Company’s Board of Directors);
- Executive Officers (i.e., the persons listed in the Company’s Annual Proxy Statement as executive officers);
- Other employees, including: (i) presidents, executive vice presidents, employees in charge of principal business units, and any direct reports of the CEO or CFO (to the extent not already included as an Executive Officer), (ii) employees that have access to undisclosed financial results (including, without limitation, certain members of the Accounting, Finance, Treasury, Financial Strategy & Development, Investor Relations, Tax and Media Relations Departments), (iii) certain members of the Legal, Government Affairs and Internal Audit departments, (iv) any other persons or departments that may be designated from time to time by the Legal Department, and (v) certain administrative assistants of the preceding persons;
- Other persons as may be designated and notified from time to time by the Legal Department; and
- Any and all Immediate Family Members of the above persons.

The Legal Department will update (no less than once each quarter), maintain, and distribute a list of all Access Persons.

2. *Closed Period.* Unless a different Closed Period is set by the Company, the designated Closed Period is as follows:

Beginning at the close of market on the last trading day that is 21 calendar days prior to the end of the current calendar quarter (and if the 21st calendar day prior to the end of the quarter falls on a Saturday or Sunday, then the last trading day prior thereto) and ending at the open of market on the second trading day following the date of public disclosure of the Company’s financial results for the current calendar quarter or year (“Closed Period”).

Trading during a period that is not a Closed Period is not and should not be considered a “safe harbor;” meaning that you should not assume that a trade made during a period that is not a Closed Period complies with U.S. securities laws and regulations merely because it does not occur within the Closed Period. Even if it is not a Closed Period, you may not engage in any transaction in Company securities in any of the following circumstances:

- If you are aware of material non-public information about the Company (see Section 3.A);

- If a Special Blackout period is in effect that applies to you (see Section 3.D); or
- Without obtaining pre-clearance, if the Access Person is also subject to the Company’s pre-clearance policy (see Section 4.B).

B. Pre-Clearance of Transactions in Company Securities

1. *Pre-Clearance Persons.*

In addition to rules regarding Access Persons mentioned above, the following subset of Access Persons are prohibited from engaging in any transaction in Company securities (even if not in a Closed Period) without first obtaining pre-clearance in writing from the Legal Department (each such person referred to as a “Pre-Clearance Person(s)” or a “Requestor”).

- Board Members (as defined in Section 4.A(1));
- Executive Officers (as defined in Section 4.A(1));
- Other senior management employees as may be designated and notified from time to time by the Legal Department (including certain of those persons identified in (i) and (ii) of the third bullet point under Section 4.A(1));
- All executive and administrative assistants of the above persons; and
- Any and all Immediate Family Members of the above persons.

The Legal Department will update (no less than once each quarter), maintain and distribute a list of all Pre-Clearance Persons.

2. *Pre-Clearance Process.*

A request for pre-clearance to trade in Company securities should be emailed to [***], [***] (or in his absence, such other person as the Company may designate) or the Legal Department **at least two trading days** in advance of the proposed transaction, using the form set forth as Attachment A to the Policy. After the submission of a pre-clearance request, [***] (or other designated attorney) may discuss the proposed transaction with the Requestor as needed, including inquiring whether the Requestor is aware of any possible material non-public information about the Company. **The Requestor should carefully consider and fully disclose to [***] (or another designated attorney) any potential material non-public information he/she possesses about the Company.**

Upon receipt of a pre-clearance request, [***] may consult with others as needed before any pre-clearance determination is made. A pre-clearance determination (granting or denying pre-clearance) will be made in writing to the Requestor (an email is sufficient), generally within two days of submission of the pre-clearance request, and a

record of the determination (documenting the pre-clearance request, the date of the pre-clearance determination, and other pertinent information) will be retained by the Legal Department. Any grant of pre-clearance **will remain valid until the close of trading five business days** following the day on which it was granted, including the pre-clearance of “limit orders,”⁵ unless: (i) a shorter time period is provided by the Legal Department; (ii) an exception allowing for additional time to execute the transaction is granted in writing by the Legal Department (an email is sufficient); or (iii) the Requestor becomes aware of material non-public information before the transaction is completed, in which case the pre-clearance is void and the transaction must not be completed. **Transactions not effected within the time limit (or any extension thereof) must again be pre-cleared.**

The Legal Department is under no obligation to grant pre-clearance and may determine not to pre-clear any transaction. If pre-clearance is denied, the Requestor should refrain from initiating any transaction in the Company’s securities and should not inform any other person of the restriction. A request for pre-clearance will be automatically denied if the requested transaction would occur during a Closed Period or during a Special Blackout.

The Requestor is ultimately responsible for ensuring that he/she does not have material non-public information about the Company, and that he/she complies with all other legal obligations, before engaging in any transaction in Company securities. Pre-clearance determinations do not constitute personal legal advice to the Requestor because, among other reasons, the Legal Department represents the Company and not Covered Persons individually, and does not in any way insulate an individual from liability under U.S. securities laws and regulations. Nor does pre-clearance mean that the Requestor *should* engage in the proposed transaction in Company securities, only that his/her request to do so has been cleared. The decision whether to engage in the transaction, and the responsibility for doing so, is ultimately that of the individual.

C. Section 16 of the Securities Exchange Act

Board Members and executive officers are subject to the reporting and short swing profit recovery provisions of Section 16 of the Exchange Act and must comply with the applicable reporting requirements and avoid engaging in short swing transactions, whether or not in possession of material non-public information. Directors and executive officers are subject to Section 16 of the Exchange Act for a period of time under certain circumstances even after they are no longer serving as a Board Member or executive officer.

5.0 CONTRACTORS

The term “Contractor” as used herein includes independent contractors and employees of independent contractors. Employees, generally speaking, should not share material non-public

⁵ A limit order is when a person places an order with the Company’s stock plan administrator (or another broker) to automatically buy stock if it hits the limit price or lower, or conversely to sell if the stock reaches the limit price or higher. Limit orders may raise special issues, thus Requestors should allow the Legal Department additional time to consider any pre-clearance request that involves a limit order.

information with Contractors. If it is essential for a Contractor to have material non-public information in order to provide services to the Company, then the employee who oversees the contractor must ensure that the Contractor has first signed an appropriate non-disclosure agreement.

6.0 COMPLIANCE, CONSEQUENCES OF NONCOMPLIANCE, AND REPORTING OF VIOLATIONS

Every person subject to the Policy (whether an employee, Board Member, or Contractor of the Company) has the individual responsibility to comply with the Policy. Additionally, each employee or Board Member is responsible for ensuring that any Immediate Family Member complies with the Policy. This means that each employee or Board Member should not allow any Immediate Family Member to engage in a securities transactions that he/she himself would not be able to engage in under this Policy, and should notify such Immediate Family Members of the applicable requirements of this Policy and make them aware of the need to confer with him/her before they trade in Company securities.

In addition to facing possible criminal and civil penalties, each person subject to this Policy who fails to comply with the Policy (or to ensure compliance by Immediate Family Members) may be subject to, in the case of an employee, corrective action up to and including separation from the Company, regardless of whether the failure to comply with this Policy results in a violation of law.

Any Company employee or Board Member who becomes aware of a potential violation of this Policy should promptly report the matter to the Legal Department or the Company's Integrity Hotline at [***]; or Website: [***].

This Policy is not intended to replace any existing Corporate or Business Unit policies, procedures or required approvals.
